INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
COVE Behavioral Health, Inc. and Affiliates
Tampa, FL

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated statements of financial position of the **COVE Behavioral Health, Inc. and Affiliates**, (the "Organization"), a nonprofit organization, which comprise the consolidated statements of financial position as of June 30, 2021 and 2020, and the related consolidated statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the Unites States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Organization as of June 30, 2021 and 2020, and the consolidated changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, state financial assistance, and local awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards,* we have also issued our report dated October 28, 2021, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Note A – Nature of Business and Organization

COVE Behavioral Health, Inc. ("COVE"), formerly DACCO Behavioral Health, Inc., "DACCO" and its two wholly-owned subsidiaries, are not-for-profit organizations incorporated under the laws of the State of Florida to provide the community the highest quality substance abuse education, prevention, intervention and treatment services to assist individuals and families in leading drug-free, responsible, productive lives. COVE provides service in Hillsborough County, Florida, and surrounding areas. Effective June 9, 2021, DACCO was officially renamed and rebranded as COVE Behavioral Health, Inc. ("COVE").

DACCO Behavioral Health Properties, Inc. ("Properties") is a qualified active low income business formed on August 18, 2011 which owns a building and food service unit, which is leased and provided for use to COVE for its operations. COVE is the sole member of this entity. Properties operates a food service program with Champions for Children which has been approved to provide food services for afterschool programs which ended August 2020. The food services were outsourced from November 2020 to a third party company Meals on Wheels of Tampa. Effective September 8, 2021, Properties renamed as DACCO Behavioral Health, Inc.

DACCO Behavioral Health Foundation, Inc. ("Foundation") formed on August 22, 2011. COVE is the sole member of this entity.

COVE, Properties, and Foundation are hereinafter collectively referred to as the "the Organization."

Note B – Significant Accounting Policies

Basis of Accounting

The Organization follows standards of accounting and financial reporting prescribed for voluntary health and welfare agencies, and uses the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, which recognizes revenue when earned and expenses as incurred. Federal, state, local government and public grants are recorded as revenue when performance occurs under the terms of the corresponding grant agreements.

Basis of Presentation

The accompanying consolidated financial statements include the accounts of COVE, Properties, and Foundation, which are under common ownership and management and are related in their operations. All significant intercompany balances and transactions have been eliminated in consolidation.

The Organization is required to report information regarding its consolidated financial position and consolidated activities according to two classes of net assets:

- *Net assets without donor restriction* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The Board of Trustees (the "Board") has designated, from net assets without donor restriction, net assets for various reasons.
- *Net assets with donor restriction* – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Note B – Significant Accounting Policies (continued)

Recently Adopted Accounting Pronouncements

In June 2018, the FASB released ASU 2018-08, Not-for-Profit Entities (Topic 958) *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, to assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, Not-for-Profit Entities, or as exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional. The adoption of ASU 2018-08 resulted in an immaterial impact to the consolidated financial statement during the year ended June 30, 2020.

Recently Issued Accounting Standards Not Yet Adopted

In February 2016, the FASB issued Accounting Standards Update, *Leases* (Topic 842), intended to improve financial reporting about leasing transactions. The ASU affects all companies and other organizations that lease assets such as real estate, airplanes, and manufacturing equipment. Under the new guidance, a lessee will be required to recognize assets and liabilities for leases with lease terms of more than 12 months. Consistent with current Generally Accepted Accounting Principles (GAAP), the recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee primarily will depend on its classification as a finance or operating lease. However, unlike current GAAP—which requires only capital leases to be recognized on the statement of assets, liabilities, and members' equity (deficit)—the new ASU will require both types of leases to be recognized on the statement of assets, liabilities, and net assets. The ASU on leases will take effect for all non-public companies for fiscal years beginning after December 15, 2021.

In September 2020, the FASB issued ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets (Topic 958)*. The standard requires certain information be disclosed related to contributed nonfinancial assets, including disaggregation by category on the statement of activities by type of contributed nonfinancial asset, qualitative information about whether the contributed nonfinancial asset was monetized or utilized during the reporting period, the nonprofit's policy about monetizing rather than utilizing the contributed nonfinancial assets, a description of any donor restrictions associated with the contributed nonfinancial assets, and the valuation techniques and inputs used to arrive at fair value measurement. The amendments in the ASU should be applied on a retrospective basis and are effective for annual reporting period beginning after June 15, 2021. Early adoption of the ASU is permitted. The Organization is currently evaluating this ASU to determine the impact, if any, on its financial statements and disclosures.

Cash and Cash Equivalents

For purposes of reporting cash flows, cash and cash equivalents include cash on hand and certificates of deposit that are purchased with original maturities of three months or less.

Restricted Cash

As of June 30, 2021 and 2020, the Organization had restricted cash of approximately $556,000 and $483,000 respectively, comprised of clients' residential funds of approximately $5,000 and $24,000 respectively, and mandatory sinking fund payments on its City of Tampa, Florida Variable Rate Demand Revenue Bonds ("COVE Project") of $551,000 and $459,000 respectively.

The sinking fund payments are made monthly to a restricted Wells Fargo Bank N.A. bank (the "Bank") beginning September 1, 2010 and are to continue with principal payments being made on August 1st each year for as long as the Bank is the owner of the bond. Sinking fund payments escalate on a year-to-year basis during this period. The next principal payment due August 1, 2021 is payable in the amount of $600,000 (See Note G). A sinking fund payment of approximately $50,000 remains before payment of the principal.

Note B – Significant Accounting Policies (continued)

Accounts and Contracts Receivable, Net

Receivables consist of billings to clients for services, grant contract receivables, and contract amounts due from related parties. The Organization performs periodic evaluations of the collectability of its receivables and does not require collateral on its accounts receivable. Losses on uncollectible receivables are provided for in the consolidated financial statements based on management's expectations. At June 30, 2021 and 2020, the Organization recorded an allowance for doubtful accounts of approximately $17,000 and $400, respectively. Actual write-offs may exceed the allowance. During the years ended June 30, 2021 and 2020, the Organization incurred bad debt expense (recoveries) of approximately $(57,000) and $173,000, respectively, and write-offs of $14,588 and $284,750, respectively.

Accounts Receivable - Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Property and Equipment, Net

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of the donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets – generally 3 to 40 years. Individual furniture and equipment items with an acquisition cost of less than $2,500 are expensed when purchased.

Reclassifications

Certain reclassifications of prior year amounts have been made to conform to the current year presentation.

Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at fair value with gains and losses included in the consolidated statements of activities.

Investment income and gains restricted by a donor are reported as increases in net assets without donor restriction if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized. Income from investments is reflected net of related expenses.

Fair Value Measurement

The Organization categorizes its assets and liabilities measured at fair value into a three-level hierarchy based on the priority of the inputs to the valuation technique used to determine fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used in the determination of the fair value measurement fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement. Assets and liabilities valued at fair value are categorized based on the inputs to the valuation techniques as follows:

Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access.

Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 – Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

Note B – Significant Accounting Policies (continued)

Fair Value Measurement (continued)

The Organization has adopted the fair value option for financial assets and liabilities. This allows entities the irrevocable option to elect fair value for the initial and subsequent measurement for certain financial assets and liabilities on an instrument-by-instrument basis. The Organization has not elected to measure any existing financial instruments, other than investments, at fair value, as permitted under the guidance. However, the Organization may elect to measure newly acquired financial instruments at fair value in the future.

Bond and Loan Issue Costs, Net

Bond and loan issue costs are expenditures associated with issuing bonds or other notes payable, such as legal, accounting, underwriting, and commissions, which are deferred and amortized over the life of the bond or the related note payable. The Organization also capitalizes loan issuance costs following the Codification for *Capitalization of Interest*, for the period of construction for which the loan was obtained.

Public Support

All support is recorded in accordance with ASC 958, *Not-for- Profit Entities* as contributions with or without donor restrictions.

Grant Income

Grant Income – Grant income is recorded as with or without donor restrictions. The majority of grant income relates to reimbursable grants, where expenses or evidence of performed services are submitted for reimbursement on a monthly basis and paid within a month. Payment terms are dependent on the individual grant. Support that is restricted by the donor is reported as an increase in without donor restriction if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Grant income consists of federal awards, state financial assistance, and local and other awards as follows:

	2021	2020
Federal awards	$ 11,255,343	$ 8,749,305
State financial assistance	987,040	2,445,339
Local and other awards	4,601,484	4,629,043
Total grant revenues	$ 16,843,867	$ 15,823,687

In-Kind Revenue

Donated Services - Donated services must meet certain criteria in accounting for contributions received and contributions made in order to be recognized. The Organization participates in an alternative education program with the School Board of Hillsborough County, Florida (the "School Board"). The Organization provides space and resources to the program, and the School Board pays the salaries and fringe benefits of teachers that participate in the program. This activity is not recognized in the consolidated financial statements as in-kind contributions.

In addition, individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs, campaign solicitations, and various committee assignments that are not recognized in the consolidated financial statements because they do not meet the criteria for recognition.

Note B – Significant Accounting Policies (continued)

In-Kind Revenue (continued)

Donated Property and Equipment - Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service, as instructed by the donor. The Organization reclassifies net assets with donor restriction to net assets without donor restriction at that time.

Contributions

Contributions received are recorded as with and without donor restriction depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in net assets without donor restriction if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restriction, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restriction are reclassified to net assets without donor restriction and reported in the consolidated statements of activities as net assets released from restrictions.

Revenue Recognition

All revenues are recorded in accordance with ASC 606, *Revenue from Contracts with Customers*, which is recognized when: (i) a contract with a customer has been identified, (ii) the performance obligation(s) in the contract have been identified, (iii) the transaction price has been determined, (iv) the transaction price has been allocated to each performance obligation in the contract, and (v) the Organization has satisfied the applicable performance obligation over time or at a point in time.

Fees for Client Services - These services are for those patients who are court-ordered into programs, while others are referred to or walk into the Organization. The programs and services are described in Note C. Each patient undergoes an evaluation/assessment to determine eligibility for a program. The Organization uses a sliding fee schedule to bill the patients, insurance companies or Medicaid. Revenue is recognized at a point in time when the performance obligation is met, usually the completion of the treatment program assigned to the patient. Payment terms are dependent on the business terms with the insurance companies, but are usually due immediately after the submission of invoice for reimbursement by the insurance company.

Fees for client services billing types consist of the following:

	2021	2020
Managed Medical Assistance	$ 1,447,931	$ 1,118,182
Commercial Insurance Plan	97,883	98,060
Medicaid	20,269	15,221
Client fees	608,431	859,613
Total fees for client services	$ 2,174,514	$ 2,091,076

Food Service Income - These services consist of café sales, vending snack income, Champion for Children program meals and is recorded at a point in time when a sale is made, and payment received.

Special Events - These are revenues from special fundraising events and are recorded at a point in time when the event takes place. There are no specific payment terms. Revenue is deemed to be with donor restrictions until the event takes place and the revenue is recognized.

Note B – Significant Accounting Policies (continued)

Revenue Recognition (continued)

Rental Income – This relates to income from the Headstart rental agreement apartment rent and is recognized over time on a monthly basis. Payment is due on a monthly basis in advance.

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statements of activities and in the consolidated statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Expenses are allocated to program and supporting services on the following basis:

- Management and general expenses are allocated back to the departments based on FTEs
- Personnel expenses are allocated on the basis of direct salaries
- Building and occupancy costs, including related depreciation, are allocated on the basis of revenue and square footage
- Depreciation on the furniture and equipment is allocated on the basis of usage of the furniture and equipment

Income Taxes

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (IRC) and from state corporate income tax under applicable Florida Statutes. In addition, the Organization qualifies for the charitable contribution deduction under IRC Section 170(b)(1)(A) and has been classified as an Organization that is not a private foundation and has been designated a "publicly supported" Organization.

The Organization follows the income tax standard for uncertain tax positions. The Organization has evaluated their tax positions and determined they have no uncertain tax positions as of June 30, 2020. Should the Organization's tax-exempt status be challenged in the future, the Organization's 2018, 2019, and 2020 tax years are open for examination by the IRS.

Fair Value Disclosures

The carrying amounts of cash and cash equivalents, accounts receivable, contract receivables, notes receivable, accounts payable, accrued expenses, and revenue bonds payable, approximate their fair values due to their short maturity or floating interest rate terms, as applicable.

Estimates

The preparation of consolidated financial statements in conformity with GAAP in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Advertising

Advertising costs are charged to expense as incurred. The Organization incurred advertising costs of approximately $83,000 and $87,000 for the years ended June 30, 2021 and 2020, respectively.

Note C – Description of Programs and Supporting Services

The following programs and supporting services are included in the accompanying consolidated financial statements and represent nationally accredited programs with co-occurring capability.

Note C – Description of Programs and Supporting Services (continued)

Case Management

The Organization's Case Management coordinates services, agencies, and resources to assist patients in achieving goals. Patients are assessed and recommended for appropriate treatment. Agencies referring patients to the Organization are periodically advised regarding the patient's status in treatment based on confidentiality releases. Pregnant clients receive case management services to ensure OBGYN involvement.

Housing Case Management

This program provides case management and Rapid Re-housing services for clients at the Community Housing Solutions Center (emergency shelter) and in our Residential treatment programs. In addition to assisting clients with budgeting, employment, rent negotiations, locating suitable housing, and linkage to non-cash benefits and health insurance, the housing case managers provide financial assistance to client to assist with application fees, security deposits, utility deposits/costs and short & medium-term rental assistance.

Day Care

The Developmental Day Care program provides childcare services to infants, toddlers and preschoolers through subcontracts with the Champions for Children and Hillsborough County Head Start. Mothers attending Women's Residential Treatment and Family Treatment Services are priority for this service, but any community children and staff children are welcome in a slot with the goal of addressing supplemental education prior to starting school.

Medication Assisted Treatment Services

The Organization offer multiple types of medication assisted treatment for substance use disorders:

Medication assisted treatment services using medications to detox or provide maintenance for patients addicted to opiates. This harm reduction program is focused on stabilization of patients who have been misusing and have become addicted to prescription drugs or other opiates with a focus on rehabilitation and stabilization. A client may be enrolled in other services and receive this service, additionally.

Methadone and Subutex, used for Opiate abuse, is given orally and includes counseling

Suboxone, used for Opiate abuse, is provided by a physician for eligible clients and includes counseling.

Vivitrol, a long-acting injectable for Opiate or Alcohol abuse to address cravings and includes counseling.

Sublocade, a long-acting injectable buprenorphine – used for Opiate abuse – includes counseling.

Residential Treatment

This program offers up to a six-month residential treatment, based on a modified therapeutic community model at two gender specific program sites. Residential services are also available for homeless individuals in Hillsborough County. Services focus on faulty thinking, attitude changes, cognitive development, peer relationships and are enhanced by co-occurring services. Services including Adult Basic Education and General Educational Development (GED) Test preparation are provided, vocational and employment readiness and assistance are also offered. The first two months consist of intensive residential treatment, while the last four months allow patients to work full-time, live at the facility and receive treatment during non-working hours. Medication-assisted treatment medications may be provided if a patient meets the qualifications.

Outpatient

Outpatient Services provide substance use disorder and mental health treatment services for patients via group and individual counseling. Using evidence-based practices and trauma-informed care, patients receive services based on their strengths, needs, abilities and preferences. Services are offered both in-person and via telehealth.

Note C – Description of Programs and Supporting Services (continued)

Prevention

This program includes school-based programs, young adult programs and family programs providing evidence-based drug education, individual and group counseling, family counseling, training peer mentors, referral services, aftercare and follow-up services. Additionally, we are a leader in the Tampa Bay Community for HIV prevention and education and are using "environmental strategies" to change perception and behaviors of youth and young adults in our area.

Intervention

Basic drug education is provided for adolescent and adult patients based on a nationally developed intervention plan of goals and objectives. Screening as well as individual and group counseling services are provided. Intervention treatment readiness groups are provided until a space is available for treatment.

Peer Recovery Support

Recovery support services are provided to individuals in need of continuing care after completion of treatment. Peer Support Specialists are imbedded throughout the various levels of care including MAT (both through our Hospital ED Pathways projects) and onsite in the clinic, as well as in Residential and Outpatient treatment programs. Peers provide critical support to patients throughout their treatment and after.

Fundraising

Fundraising provides the structure necessary to encourage and secure private financial support from individuals, foundations, and corporations.

Management and General

Cove Behavioral Health, Inc. is managed through leadership and an established three-year Strategic Plan developed and adopted by the Board of Trustees. The plan includes the functions necessary to maintain an equitable employment program, ensure an adequate working environment, provides coordination with contracts and service delivery while securing proper administrative functioning. The Board regularly oversees the financial and budgetary responsibilities of the Organization.

Acupuncture and Smoking Cessation

Acupuncture is available for clients to assist with cravings and stress. Smoking cessation classes and interventions are available throughout programs, as an overlay service.

Pre-Trial Intervention Drug Court

Pre-Trial Intervention Drug Court is a unique outpatient program in Hillsborough County for the first-time felony offenders. Through a year-long program, the client can complete an intensive program to be eligible for record expungement.

Comprehensive Coordinated Care for Pregnant Women

Programming is available to support pregnant women or child welfare cases through assessment, treatment and reunification. Cove Behavioral Health, Inc. won two National awards for treatment of pregnant women abusing substances and is uniquely prepared to address these cases.

Medical and Psychiatric Services

This program offers access to onsite physicians and advance practice nurse practitioners (APRN) that specialize in Addiction Medicine. Our medical staff conducts history and physicals, psychiatric evaluations and ongoing psychiatric services for adults and adolescents, and medication management and follow-up. Our medical staff routinely participates in treatment team meetings/staffings to ensure comprehensive coordinated care for our patients.

Note D – Concentrations

Concentration of risk is the probability of loss attributable to the Organization's financial instruments. The Organization maintains cash balances in three financial institutions. At June 30, 2021 and 2020, cash balances exceeded federally insured limits and exposed the Organization to risk of loss.

Concentrations of credit risk with respect to receivables is limited since most of the receivables are owed from either the federal, state government, or local governments, and other well established not-for-profit organizations.

The Organization relies on periodically renewed fees and grants from governmental agencies for its primary support. Accounts receivable from one grantor represented 64% and 48% of total accounts receivable at June 30, 2021 and 2020, respectively. The revenue from this source represented 55% and 69%, respectively, of the Organization's fees for client services for the years ended June 30, 2021 and 2020.

Note E – Property and Equipment, Net

In July 2001, the Organization purchased land and buildings (Residential III site located at 3107 North 50th Street, Tampa, Florida) jointly with the Agency for Community Treatment Services, Inc. (ACTS). This agreement was amended August 6, 2012 to allow COVE to recover its costs of construction associated with a new building being constructed on the property prior to a joint split of the sale proceeds. The remaining land and buildings are owned and occupied equally by both parties. Building maintenance is shared in accordance with the occupancy agreement.

In December 2019, the Organization entered into a land use restriction agreement ("LURA") with Hillsborough County, Florida to renovate the 43rd N St. apartments (the "apartments") for affordable rental units for homeless individuals and families. The land and buildings are owned by the COVE and the LURA expires on October 31, 2035.

Property and equipment along with the related accumulated depreciation consist of the following as of June 30,:

	2021	2020	Useful Life (Years)
Buildings and improvements	$ 23,075,894	$ 22,505,790	5 - 40
Furniture and equipment	3,433,998	3,278,940	3 - 20
Land	2,324,272	2,324,272	N/A
Software	780,562	1,364,240	10
Construction in progress	789,583	70,544	N/A
Motor vehicles	492,765	492,765	3 - 5
Leasehold improvements	106,534	106,534	10
	31,003,608	30,143,085	
Accumulated depreciation	(14,561,633)	(14,031,568)	
Property and equipment, net	$ 16,441,975	$ 16,111,517	

Depreciation expense for the years ended June 30, 2021 and June 30, 2020 were approximately $999,000 and $953,000, respectively.

Note F – Investments

The Organization's investments fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The method used for assets measured at fair value for investments available for sale including, common stock and mutual fund securities, are valued at the closing price reported on the active market in which the securities are traded.

Note F – Investments (continued)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Exchange traded funds ("ETFs"): Valued at the closing price reported on the active market on which the individual securities are traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The amortized cost and estimated fair value of investments in debt and equity securities as of June 30, 2021 are as follows:

	Amortized/Cost	Unrealized Gains (Losses)	Fair Value
Mutual funds	$ 750,854	$ (1,109)	$ 749,745
ETFs	43,162	17,039	60,201
	$ 794,016	$ 15,930	$ 809,946

The following tables summarize the amortized cost and the levels in the ASC 820 fair value hierarchy into which the Organization's investments fall as of June 30, 2021:

	Fair Value	Level 1	Level 2	Level 3
Mutual funds	$ 749,745	$ 749,745	$ -	$ -
ETFs	60,201	60,201	-	-
	$ 809,946	$ 809,946	$ -	$ -

The amortized cost and estimated fair value of investments in debt and equity securities as of June 30, 2020 are as follows:

	Amortized/Cost	Unrealized Gains (Losses)	Fair Value
Mutual funds	$ 171,180	$ 4,809	$ 175,989
ETFs	190,354	3,225	193,579
	$ 361,534	$ 8,034	$ 369,568

The following tables summarize the amortized cost and the levels in the ASC 820 fair value hierarchy into which the Organization's investments fall as of June 30, 2020:

	Fair Value	Level 1	Level 2	Level 3
Mutual funds	$ 175,989	$ 175,989	$ -	$ -
ETFs	193,579	193,579	-	-
	$ 369,568	$ 369,568	$ -	$ -

Note F – Investments (continued)

Net investment gain (loss) of the Organization for the years ended June 30, 2021 and 2020 is as follows:

	2021	2020
Dividend income	$ 15,727	$ 14,240
Interest income	42	214
Capital gain	1,344	4,629
Unrealized gains	5,141	8,034
Realized gain (loss)	25,912	(91,165)
Total investment gain (loss)	48,166	(64,048)
Investment expenses	(2,868)	(3,275)
Net investment income (loss)	$ 45,298	$ (67,323)

Note G – Notes Payable, Deferred Payment Mortgages and Line of Credit

Notes Payable and Deferred Payment Mortgages

At June 30, 2021 and 2020, notes payable and deferred payment mortgages consisted of the following:

	2021	2020
Note payable to Bank (DACCO project)	$ 9,575,000	$ 10,125,000
Paycheck Protection Program loan	-	2,022,100
Deferred Payment Mortgage and Note (43rd St apartments)	428,398	-
Deferred Payment Purchase Money Mortgage	1,000,000	1,000,000
Less: amortization of loan fees	(313,814)	(337,953)
Total net notes payable	10,689,584	12,809,147
Less: current maturities	(627,644)	(1,198,179)
Long term notes payable	$ 10,061,940	$ 11,610,968

At June 30, 2021, principal maturities on notes payable and deferred payment mortgages are as follows:

Year Ending June 30,	Principal	Amortization of Loan Fees	Net Amount
2022	$ 650,000	$ (22,356)	$ 627,644
2023	650,000	(22,356)	627,644
2024	650,000	(22,356)	627,644
2025	650,000	(22,356)	627,644
2026	650,000	(22,356)	627,644
Thereafter	7,753,398	(202,034)	7,551,364
Total	11,003,398	(313,814)	10,689,584
Less short-term portion	(650,000)	22,356	(627,644)
Long-term portion	$ 10,353,398	$ (291,458)	$ 10,061,940

DACCO Project

On August 1, 2007, the City of Tampa issued bonds in connection with the DACCO Project in the amount of $16,325,000. The DACCO Project has a maturity date of August 1, 2035. The proceeds were used by the Organization to finance and reimburse the costs of acquiring, constructing, and equipping the facilities located at 4422 East Columbus Drive and making certain improvements to 3630 N. 50th Street, and 3107 N. 50th Street, all of them located within the limits of the City of Tampa, Florida.

Note G – Notes Payable and Line of Credit (continued)

DACCO Project (continued)

On August 27, 2010 the Organization amended the DACCO Project with the Bank. As a result of the amendment, the Organization paid down $1,225,000 of the outstanding principal balance, yielding a remaining balance of $15,100,000. The DACCO Project would bear interest calculated as the sum of 65.7% of LIBOR plus 171 basis points, 360-day year base, floating daily.

On August 24, 2011 the Organization amended the DACCO Project with the Bank. As a result of the amendment the Organization was allowed to undertake the necessary changes to the Organization to qualify for funding received in prior years. Associated with this amendment the Organization was required to make a $1,200,000 reduction in the outstanding bonds.

On May 1, 2015 the Organization amended and restated the DACCO Project with the Bank. As a result of the amendment, the interest basis increased from 171 basis points to 191 basis points. The DACCO Project would bear interest calculated as the sum of 65.7% of LIBOR plus 191 basis points, 360-day year base, floating daily. During the year ended June 30, 2018, the Bank agreed to extend the Organization's index interest rate period on the DACCO Project as well once more subsequent to yearend in August 2018 until October 31, 2018.

During the year ended June 30, 2018 the Organization sold its 9th Street Apartments for $900,000. As a requirement from the bank, the Organization used the proceeds to pay $750,000 toward the DACCO Project.

Effective November 1, 2018 the Organization amended and restated the indenture of trust for the DACCO Project bonds in the amount of $10,625,000 and grants the Bank a security interest in the Sinking Fund Account. The restatement included a new Medium-Term Rate Period of 4.05% to replace the Organization's index interest rate period on the DACCO Project from November 1, 2018 until November 1, 2021. The interest rate on the bonds as of June 30, 2020 and 2019 was 4.05%.The amended bonds require continued monthly sinking fund payments beginning September 1, 2018 and principal payments being made on August 1st each year until maturity. Sinking fund payments change on a year-to-year basis during this period to match 1/12th of the next principal payment. The next principal payment due August 1, 2021 is payable in the amount of $600,000.

The DACCO Project bond includes certain affirmative covenants. The bonding covenants require that the Organization maintain a Fund Flow coverage Ratio of no less than 1.20 to 1.00; Liquidity requirement of no less than $750,000 on deposit with the Bank, and a ratio of total liabilities to tangible net worth of no more than 3.00 to 1.00. The Organization was either in compliance with these covenants or has received a waiver for the years ended June 30, 2021 and 2020.

The interest expense incurred by the Organization related to the DACCO project for fiscal years ended June 30, 2021 and 2020 was approximately $398,000 and $440,000, respectively.

Bond issuance costs

Bond issue costs represent expenditures incurred on bonds issued in connection with the DACCO Project loan payable. Total DACCO Project bond issuance and amendment costs of approximately $568,000 are being amortized over the life of the bond. Loan costs are representative of the initial bond issuance costs, and amendments in fiscal 2011 and 2015. The related amortization expense for fiscal years ended June 30, 2021 and 2020 was approximately $24,000 and $24,000, respectively.

Paycheck Protection Program Loan

In May 2020, the Organization participated in the Paycheck Protection Program ("PPP") under the CARES Act and secured financing through a financial institution for $2,022,100 at 1.00% interest. The Organization received forgiveness in May 2021, and forgiveness of PPP loan was recorded on the accompanying statement of activities.

Note G – Notes Payable and Line of Credit (continued)

43rd Street Rehabilitation Project – Due June 1, 2036

In December 2019, the Organization entered into a deferred payment and mortgage note with Hillsborough County, Florida and was approved to receive $933,862 to renovate the 43rd N St. apartments (the "apartments") for affordable rental units for homeless individuals and families. Completion of the rehabilitation project must be completed by October 31, 2020, with the agreement expiring on October 31, 2035, at which point the mortgage will be forgiven if the land use restrictions are maintained in accordance with the LURA. The term of this loan is 15 years with zero percent interest. This loan is subordinate to the Organization's obligations under the bonds noted above.

This agreement was amended on October 27, 2020 to extend the project completion date from October 31, 2020 to June 1, 2021 and the mortgage expiration date to June 1, 2036

A second amendment to the agreement made on August 18, 2021 further extended the project completion date from June 1, 2021 to December 30, 2021, further extended the mortgage expiration date from June 1, 2036 to December 30, 2036, and increased the available funding by $25,070 for a new total of $958,932. As of June 30, 2021 and 2020, the Organization borrowed approximately $428,000 and $0, respectively.

Deferred Payment Purchase Money Mortgage- Due August 6, 2028

During fiscal year 2009, HUD granted the Organization a deferred payment loan in the amount of $1,000,000 for the construction of a residential substance abuse/mental treatment center for low and moderate income persons known as the Columbus Campus. The term of this loan is forty years with zero percent interest. This loan is subordinate to the Organization's obligations under the bonds noted above.

The payment of principal is deferred until August 6, 2028, at which time the amount will be forgiven if the Organization complies with the terms of the agreement. The loan would become payable in the event that the Organization does not remain owner, or if all or any part of the property or an interest therein is rented, leased, sold, mortgaged, liened, refinanced, foreclosed upon or otherwise transferred by the Organization without prior consent from HUD.

Line of Credit

The Organization maintains a revolving line of credit agreement with a bank that provides a maximum borrowing of $450,000 and is set to mature November 1, 2021. The line is collateralized by substantially all assets of the Organization, including the Company's security interests in its affiliates. The line of credit is guaranteed by its affiliates, subject to certain limitations.

The line of credit has a variable interest rate equal to the bank's prime rate, 3.25% as of June 30, 2021 and 2020. The Organization is required to make monthly interest payments on the line until maturity. The agreement also requires the Organization to maintain a fixed charge coverage ratio of no less than 1.20 to 1.00 annually; a liquidity requirement of no less than $750,000 on deposit; and a ratio of total liabilities to tangible net worth of no more than 3.00 to 1.00, quarterly. The Organization was either in compliance with these covenants or has received a waiver for the years ended June 30, 2021 and 2020.

During the years ended June 30, 2021 and 2020, interest expense related to the line of credit was $0. At June 30, 2021 and 2020, the Company had $0 outstanding on the line of credit respectively. At June 30, 2021, $450,000 of unused line of credit was available to be drawn upon as needed.

Note H – Liquidity and Availability

The Organization's management monitors its liquidity so that it is able to cover operating expenses. The Organization budgets for such costs based on the prior year actual expenses and anticipated future expenses. Budgets are approved by the Board.

Note H – Liquidity and Availability (continued)

Management has budgeted approximately $21,500,000 of operating expenses to be paid within one year of the balance sheet date, and anticipates sufficient grant revenues, fees for client services, and support to cover them. The Organization has the following financial assets available within one year of the balance sheet date for general expenditures:

	June 30, 2021
Financial assets:	
Cash and cash equivalents	$ 1,539,332
Accounts receivable, net	244,819
Contracts receivable – governmental, net	2,196,249
Investments	809,946
Deposits and other assets	119,632
Total financial assets	4,909,978
Less: reserved funds, see note N	(1,119,300)
Less: financial assets not available within one year	(119,632)
	$ 3,671,046

Financial assets not available within one year consist of deposits and other assets. The above table reflects reserved funds established by the Board as unavailable because it is the Organization's intention to use those funds for future contingencies. However, in the case of need, the Board could appropriate resources from this reserve. The Organization also has access to a $450,000 line of credit. The Organization has structured its financial assets to be available as its general expenditures and liabilities come due.

Note I – Retirement Plan

The Organization has implemented a defined contribution retirement plan as allowed under Section 403(b) of the Internal Revenue Code. This plan provides a defined contribution and a deferred compensation retirement arrangement for substantially all of its employees. The Organization's retirement plan contribution for the years ended June 30, 2021 and 2020, totaled approximately $131,000 and $132,000, respectively. Employees become eligible after one year of employment, and are 20% vested in their accumulated benefits after two years of service with an additional 20% vesting for each additional year of service, until fully vested.

Note J – Federal and State Support Requiring a Match

During the years ended June 30, 2021 and 2020, COVE received support from federal and state agencies. Contracts are renegotiated annually. The income from these contracts is earned by providing services to clients. Based on total amounts awarded, local matching contributions of approximately $1,063,000 and $1,416,000 were required for contract periods ended June 30, 2021 and 2020, respectively.

COVE incurred and funded allowable program costs in excess of these match requirements.

Note K – Commitments and Contingencies

Facilities

The Organization committed to a 38 month non-cancellable operating lease for office space on October 1, 2015. The lease was set to terminate on November 30, 2018, but the Organization exercised its three year lease extension option, extending the lease to November 30, 2021.

The Organization holds another lease relating to office space. The lease was set to terminate on December 31, 2019, but the Organization renewed the lease until January 31, 2025.

Total rent expense for the fiscal years ended June 30, 2021 and 2020, were approximately $140,000 and $129,000 respectively.

Note K – Commitments and Contingencies (continued)

Future minimum lease payments for the next two years at June 30, are as follows:

2022	$	47,777
2023		16,937
	$	64,714

Mortgage Lien

The Organization has entered into certain fixed capital outlay grants. These particular grant contracts support new construction of housing units, or rehabilitation of existing housing units, to assist in the development of transitional housing for certain eligible individuals. The awards under the grants were contingent upon the Organization granting to the State of Florida a security interest in each of the properties to be improved in an amount at least equal to the amount of state funds provided.

The term of the security interest typically lasts for approximately ten years commencing on the date of purchase of the property or completion of improvements of said property as directed by the grant contract. The security interests are proportionately reduced over the ten year period. The Organization did not record the mortgage liens that were secured and recorded under these contracts as liabilities since it is probable that the Organization will retain title to the properties and use them for their intended purpose at least until the security interests have been satisfied. Should the Organization not adequately perform under the contracts, the mortgage liens could become immediately due and payable. The mortgage liens expired on June 17, 2020.

Under several grants, the Organization signed land use agreements or contracts requiring the facilities to be used for the intended program purpose for periods ranging from 7 to 15 years. If the facilities are not used for the intended program purpose for the required period, the grant funds will be required to be repaid to the grantor using formulas set forth in the land use agreements or contracts. Since the Organization must operate the facilities for a specified purpose for a stated period of time, the mortgage will expire at the same time the land use restriction ends.

Note L – Donated Services, Property and Equipment

Food in-kind donations in the form of food stamps from the Florida Department of Children and Families are included in the consolidated statements of activities. For the fiscal years ended June 30, 2021 and 2020, the amounts donated were approximately $178,000 and $201,000, respectively.

Note M – Reserve Fund

The Board has established a reserve fund for future contingencies. The reserve funds held in investments and cash as of June 30, 2021 and 2020 were approximately $1,119,300 and $916,000, respectively.

Note N – Subsequent Events

Management has assessed subsequent events through October 28, 2021, the date on which the consolidated financial statements were available to be issued.

Notes to Schedule of Expenditures of Federal Awards, State Financial Assistance, Local and Other Awards
June 30, 2021

Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards, State Financial Assistance, Other State Funding, and Local Awards (the "Schedule") presents the activity of all federal, state, and local programs administered by COVE Behavioral Health, Inc. and Affiliates, Inc. Awards received directly from governmental agencies, as well as those passed through other government agencies, are included in the Schedule. The information in this Schedule is presented in accordance with the requirements of the Uniform Guidance, Audits of States, Local Governments, and Non-Profit Organizations; and Chapter 10.650, Rules of the Auditor General. Because the Schedule presents only a selected portion of the operations of COVE, it is not intended to and does not present the consolidated financial position, changes in net assets, or cash flows of the Organization.

Summary of Significant Accounting Policies

Expenditures reported in the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance, Cost Principles for Non-Profit Organizations, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Summarized Assistance Listing Information

The Schedule presents federal award programs summarized by federal and pass-through agencies. Certain federal award programs were funded by multiple agencies and are summarized as follows:

Assistance Listing Number	Federal Program	Total Expenditures
93.959	Block Grants for Prevention and Treatment of Substance Abuse	$ 5,189,679

Subrecipients

The Organization provided local awards to subrecipients during the year ended June 30, 2021 as identified in the transferred to subrecipients column in the accompanying Schedule.

As a service provider, the Organization has certain compliance responsibilities, such as monitoring its subrecipients to help assure they use these sub-awards as authorized by laws, regulations, and the provisions of contracts or grant agreements, and that subrecipients achieve the award's performance goals.

Central Florida Behavioral Health Network

The Organization commingles cash receipts from the U.S. Department of Health and Human Services with similar State grants. When reporting expenditures on this Schedule, the Organization assumes it expends federal monies first.

Indirect Cost Rate

The Organization has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Federal Loan Programs

As discussed in Note G of the financial statements, the Organization received U.S. Department of Housing and Urban Development ("HUD") federal awards in the form of a zero-interest deferred mortgage note from Hillsborough County, which related to the 43rd Street Rehabilitation Project, and a zero-interest deferred mortgage note from the City of Tampa, which related to the DACCO Project. The Organization was in compliance with the current requirements of the federal loan programs for the years ended June 30, 2021 and 2020. The following table shows federal loan programs as of June 30, 2021 and 2020, respectively:

Federal Agency	Assistance Listing Number	Program	Loan Balances as of June 30, 2020	New Loans During Fiscal Year June 30, 2021	Repayments During Fiscal Year June 30, 2021	Loan Balances as of June 30, 2021
HUD	14.218	Hillsborough County	$ -	$ 428,398	$ -	$ 428,398
HUD	14.218	City of Tampa	10,125,000	-	(550,000)	9,575,000
HUD	14.218	City of Tampa	1,000,000	-	-	1,000,000
			$ 11,125,000	$ 428,398	$ (550,000)	$ 11,003,398

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Consolidated Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Trustees of
COVE Behavioral Health, Inc. and Affiliates
Tampa, FL

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of **COVE Behavioral Health, Inc. and Affiliates** ("COVE" or the "Organization"), a nonprofit organization, which comprise the consolidated statement of financial position as of June 30, 2021, and the related consolidated statements of activities, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 28, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Tampa, Florida
October 28, 2021

Independent Auditor's Report on Compliance for Each Major Program and Major Project and on Internal Control over Compliance Required by the Uniform Guidance and Chapter 10.650, Rules of the Auditor General of the State of Florida

To the Board of Trustees of
COVE Behavioral Health, Inc. and Affiliates
Tampa, FL

Report on Compliance for Each Major Federal Program and Major State Project

We have audited the **COVE Behavioral Health, Inc. and Affiliates'** ("COVE" or the "Organization"), compliance with the types of compliance requirements described in *the Uniform Guidance Compliance Supplement, the Florida State Single Audit Act*, *Section 215.97*, Florida Statutes, and the requirements described in the *Chief Financial Officer of the Governor's State Projects Compliance Supplement,* that could have a direct and material effect on each of the Organization's major federal programs and major state projects for the year ended June 30, 2020. The Organization's major federal programs and major state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs and major state projects.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs and state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and major state project. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program and Major State Project

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and major state projects for the year ended June 30, 2021.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as items. Our opinion on each major federal program is not modified with respect to these matters. The Organization's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and major state project and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program and major state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program and major state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program and major state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

"Management Letter"
Based on Rule 10.654(1)(e) of the Rules of Auditor General of the State of Florida

To the Board of Trustees of
COVE Behavioral Health, Inc. and Affiliates
Tampa, FL

Report on the Consolidated Financial Statements

We have audited the consolidated financial statements of the **COVE Behavioral Health, Inc. and Affiliates** ("COVE" or the "Organization"), as of and for the fiscal year ended June 30, 2021, and have issued our report thereon dated October 28, 2021.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States; the audit requirements of Title 2 *U.S. Code of Federal Regulation*s Part 200*, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.650 or 10.550, Rules of the Auditor General.

Other Reports and Schedule

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on Audits of Consolidated Financial Statements Performed in Accordance with *Government Auditing Standards*; Independent Auditor's Report on Compliance for Each Major Federal and State Project and Report on Internal Control over Compliance in accordance with the Uniform Guidance, and Chapter 10.650, Rules of the Florida Auditor General; and Schedule of Findings and Questioned Costs. Disclosures in those reports and schedule, which are dated October 28, 2021, should be considered in conjunction with this management letter.

Other Matter

Section 10.654(1)(e), Rules of the Auditor General, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the consolidated financial statements or State project amounts that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Trustees, and applicable management and is not intended to be and should not be used by anyone other than these specified parties.
