INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Area Agency on Aging of
Central Florida, Inc.
Orlando, Florida

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Area Agency on Aging of Central Florida, Inc. d/b/a Senior Resource Alliance (the "Agency") (a nonprofit organization), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Area Agency on Aging of Central Florida, Inc. d/b/a Senior Resource Alliance as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Area Agency on Aging of Central Florida, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and State of Florida Chapter 10.650, *Rules of the Auditor General*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and state financial assistance is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 22, 2023, on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

NOTE A – SUMMARY OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

1. Organization and nature of activities

   Area Agency on Aging of Central Florida, Inc. d/b/a Senior Resource Alliance (the "Agency") was incorporated on September 22, 1992, as a private, non-profit, regional agency designated by the State of Florida in accordance with the Older Americans Act of 1965 and in the State Community Care for Elderly Act. Since 1974, the Agency had operated as a division of the East Central Florida Regional Planning Council (Council) and began operating as a freestanding entity on January 1, 1993, at which time all authority passed from the Council to the Agency's Board of Directors.

   The Agency administers a network of services for the aging population in Orange, Osceola, Brevard, and Seminole counties. The goal of the Agency is to strive to meet the nutritional and social needs of the aging population in this geographical area. "Aging" is defined as age 60 or older. To carry out this goal, the Agency conducts annual assessments of the needs of the elderly population, determines resources available to satisfy these needs, and then plans and coordinates programs using available resources to alleviate the identified needs. Generally, financial resources are in the form of governmental grants. The Agency awards these monies in the form of "service provider contracts" to the appropriate local organizations which provide the service to the aging population.

2. Basis of accounting and financial statement presentation

   The financial statements have been prepared on the accrual basis of accounting in accordance with the accounting and reporting practices promulgated by the American Institute of Certified Public Accountants (AICPA) for not-for-profit organizations. The Agency is required to report information regarding its financial position and activities according to two classes of net assets as follows:

   Net Assets Without Donor Restrictions

   Net assets without donor restrictions are available for general operations and not subject to donor restrictions. Within this category, the governing board may designate certain funds for specified purposes.

   See Note G for more information on the composition of net assets without donor restrictions.

NOTE A – SUMMARY OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

2. Basis of accounting and financial statement presentation (continued)

Net Assets With Donor Restrictions

Net assets with donor restrictions are subject to certain donor or grantor restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions may be perpetual in nature. Donor-imposed restrictions are released when a restriction expires such as when the stipulated time has elapsed, when the purpose for which the resource was restricted has been fulfilled, or both. The Agency had no assets with donor restrictions at December 31, 2022 or 2021.

3. Revenue recognition

The Agency follows Accounting Standard Update (ASU) 2014-09, *Revenue from Contracts with Customers* (ASC 606), which outlines a five-step model whereby revenue is recognized as performance obligations within a contract are satisfied, and ASU 2018-08, *Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made* (ASC 958), which clarifies how transactions should be accounted for as contributions (nonreciprocal transactions) or exchange transactions and whether a contribution is conditional.

Grants and contributions received are recorded as net assets with donor restrictions or net assets without donor restrictions, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions. There are no assets with donor restrictions at December 31, 2022 and 2021.

Support revenues from federal grants with the U.S. Department of Health and Human Services and state grants with the Florida Department of Elder Affairs are recorded based upon the terms of the grantor allotment, which generally provide that revenues are earned when the allowable costs of the specific grant provisions have been incurred within approved budget categories. Costs in excess of budgeted amounts are not grant reimbursable expenses. Advance payments from the Agency's grantor agencies are recorded as refundable advances until they are expenses for the purposes of the grant.

NOTE A – SUMMARY OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

4. Accounts receivable

   Accounts receivable represent amounts primarily due from the Veterans Administrations for caregiver assistance. At December 31, 2022 and 2021, the Agency did not consider an allowance for doubtful accounts necessary.

5. Property and equipment

   Property and equipment are recorded at cost. Donated property and equipment are valued at fair value at the date of donation. Depreciation is provided using the straight-line method over the estimated useful lives of the assets, which range from 3 to 5 years. The Agency's policy is to capitalize property and equipment with a cost of $1,000 or more.

6. Income taxes

   The Agency is organized as a not-for-profit organization and is currently exempt from federal income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for federal or state income taxes is reflected in the accompanying financial statements.

7. Compensated absences

   The Agency's policy is to pay employees upon termination for unused annual leave. The maximum accrual for each employee is two years and ranges from 140 hours to 330 hours based on the employee's length of service with the Agency and hours worked per week. A liability for accrued compensated absences has been reported in the accompanying financial statements.

8. Estimates

   The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

9. Functional allocation of expenses

   The costs of providing program services and other activities have been summarized on a functional basis in the Statements of Activities and in the Statements of Functional Expenses. Certain categories of expenses are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated are salaries and related expenses, allocated primarily based on time and effort, and rent and utilities, primarily based on usage, as shown on the Statements of Functional Expenses.

NOTE A – SUMMARY OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

10. Cash and cash equivalents

Cash and cash equivalents are defined as highly liquid investments that have an original maturity of three months or less.

11. Donated rent

The present value of donated rent of $35,484 is being amortized over a 62 month lease period. The amortization of $7,298 is included in building space expense, and deferred rent of $12,367 is recorded as a liability on the Statement of Financial Position.

12. Concentration of credit risk

The Agency receives a majority of its funding from federal and state governments. Any significant decrease in the Agency's federal and state grants would have an adverse effect on operations.

13. Fair value of financial instruments

The following methods and assumptions were used to estimate the fair value of each class of financial instruments for which it is feasible to estimate that value.

Cash and cash equivalents and accounts receivable/payables

Carrying amount approximates fair value due to the short maturity of these instruments and other governmental entities. The continued existence of the programs administered by the Agency is dependent upon support received from these grants.

14. Accounting pronouncements implemented

In February 2016, the Financial Accounting Standards Board (FASB) issued ASU 2016-02, *Leases* (ASC 842), that requires lessees to put most leases on their balance sheets and recognize expenses on their income statements in a manner similar to today's capital lease accounting. For lessors, the guidance modifies the classification criteria for accounting for sales-type and direct financing leases. The Agency adopted ASC 842 effective January 1, 2022, using the optional transition method. See Note F for a summary of the Agency's operating lease asset and liability.

In September 2020, the FASB issued ASU No. 2020-07, *Not-for-Profit Entities* (ASC 958): *Presentation and Disclosures by Not-for-Profit Entities for Contributed Non-financial Assets*, which requires the monitoring and tracking of gifts in kind by asset category, while also noting any donor-imposed restrictions. The Agency adopted ASC 958 effective January 1, 2022. The adoption has no significant impact on the Agency's financial statements.

NOTE A – SUMMARY OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

15. Reclassification

Certain reclassifications have been made to prior year financial statements to conform to the current year presentation.

16. Subsequent events

Management has evaluated events and transactions for potential recognition or disclosure through September 22, 2023, the date on which the financial statements were available to be issued.

NOTE B – DESCRIPTION OF PROGRAMS

Older Americans Act: Under the Older Americans Act federal legislation, U.S. residents over 60 are eligible for services with priority given to the people with the most economic and social need. These services include congregate and home-delivered meals, nutrition education, homemaker, transportation, information, referral, outreach, education, employment and legal services.

Emergency Home Energy Assistance for the Elderly (EHEAP): This federally-funded program provides assistance for low income elderly persons who are in danger of having their power turned off due to non-payment. Fan purchases and air conditioner repair are part of the summer program and blanket purchases are part of the winter program.

Serving Health Insurance Needs of Elders (SHINE): This federally-funded program offers free health insurance counseling to elders and their caregivers. Trained volunteers provide information, counseling, and assistance in areas related Medicare, Medicaid, long-term care insurance, managed care. and supplemental insurance.

SHINE Senior Medicare Patrol: This federally-funded program, using trained volunteers, provides local outreach, education, and assistance to Medicare beneficiaries in order to protect them from the economic and health related consequences associated with Medicare fraud, errors, and abuse.

Community Care for the Elderly (CCE): This State of Florida General Revenue program provides in-home services for clients 60 and over who have been assessed as functionally impaired by trained case managers. Intake staff assess older adults who are in need of home and community-based services or who are at risk of nursing home placement. This program includes follow-up visits and provides links to other community services. The services include case management, homemaker, personal care, respite, emergency alert response, and medical transportation.

NOTE B – DESCRIPTION OF PROGRAMS (continued)

Home Care for the Elderly (HCE): The state-funded program encourages the provision of care for elders age 60 and older in family-type living arrangements in private homes as an alternative to nursing homes or other institutional care. A basic subsidy is provided for support and maintenance of the elderly, including medical costs. A special subsidy may also be provided for additional services and supplies which are needed.

Alzheimer's Disease Initiative: The state-funded program provides respite care services, including in-home services for the victims of Alzheimer's disease, and provides training for caregivers of these victims.

Respite for Elders Living in Everyday Families (RELIEF): This state-funded program offers an expansion of currently available in-home respite, specifically evening and weekend respite, in order to increase the ability of a family unit to continue to care for a homebound elderly individual beyond the basic provisions of current public programs.

Medicare Improvements for Patients and Providers Act of 2008 (MIPPA): This federally-funded program provides programmatic support to the SHINE program. The MIPPA program is intended to conduct targeted, community-based outreach to an increasing number of beneficiaries, with limited income and resources, who are eligible to receive assistance through this program.

Aging and Disability Resource: This state-funded program provides funding for trained call-center specialists to provide education on statewide Medicaid Managed Care Long-Term Care programs, screen individuals for potential Medicaid eligibility, and provide financial and medical eligibility assistance.

Veteran-Directed Home and Community-Based Services Program: This locally funded program empowers veterans and their caregivers by giving them the ability to have direct control over the goods and services they receive. The Agency provides budget and employment assistance, and acts as a fiscal intermediary for the program.

FPN Society for the Advancement of Gerontological Environments (SAGE) Conference and Workshop: This conference shares information and best practices about how nursing home architects and builders can implement the principles of person-centered care as they design, develop, and open new facilities.

CARES Act: Through the Coronavirus Relief Fund, the CARES Act provides for retroactive payments to state, local, and tribal governments navigating the impact of the COVID-19 outbreak and, therefore, these funds may be used to reimburse the Contractor for any goods and services provided on or after April 1, 2020.

NOTE B – DESCRIPTION OF PROGRAMS (continued)

Volunteer FL AmeriCorps: This locally funded program delivers high impact national service and volunteer programs in Florida. Volunteer Florida promotes and encourages volunteerism to meet critical needs across the state. Volunteer Florida also serves as Florida's lead agency for volunteers and donations before, during, and after disasters.

Local Services Program: This state-funded program provides long-term care alternatives enabling elders to maintain an acceptable quality of life in their own homes and avoid or delay nursing home placement through providing home accessibility and fall prevention services and training.

NOTE C – CASH AND CASH EQUIVALENTS

Cash and cash equivalents of the Agency include checking accounts maintained in a financial institution which is insured by the Federal Deposit Insurance Corporation (FDIC). At December 31, 2022 and 2021, the Agency exceeded the insured limit by $1,823,191 and $1,656,943, respectively. At December 31, 2022 and 2021, the Agency held $4,585 in funds for a third party as fiscal agent both years. These funds are considered restricted and included in accrued liabilities.

NOTE D – RECEIVABLE FROM GOVERNMENTAL AGENCIES

Grants receivable at December 31, 2022 and 2021 are as follows:

	2022	2021
U.S. Department of HHS	$ 2,901,747	$ 1,672,177
Florida Department of Elder Affairs	1,998,274	1,142,796
	$ 4,900,021	$ 2,814,973

NOTE E – PROPERTY AND EQUIPMENT

Property and equipment consists of the following at December 31, 2022 and 2021:

	2022	2021
Furniture and fixtures	$ 102,343	$ 102,343
Leasehold improvements	23,564	23,564
Computer equipment	79,279	79,279
	205,186	205,186
Less: accumulated depreciation	(186,845)	(173,756)
	$ 18,341	$ 31,430

Depreciation expense for the years ended December 31, 2022 and 2021 was $13,090 and $16,687, respectively.

NOTE F – OPERATING LEASES

Operating Leases

As disclosed, in Note A-14, the Agency adopted ASC 842, *Leases*, effective January 1, 2022 using the optional transition method. The Agency is party to a building operating lease. The lease is required to be included on the balance sheet under ASC 842. The adoption of ASC 842 had no impact to the prior year balance sheet, and because the lease is an operating lease, it had no impact on the results of the operations.

As of December 31, 2022, the operating lease right-of-use (ROU) asset had a balance of $405,420, as shown in assets on the balance sheet; the operating lease liability is included in other current liabilities ($206,916) and other long-term liabilities ($204,604). The operating lease asset and liability were calculated utilizing the risk-free discount rate (1.96%), according to the Agency's elected policy. The lease has a remaining life of two (2) years as of December 31, 2022.

Additional information about the Agency's leases are as follows:

Lease Costs (included in building space):	
Operating lease cost	$ 206,976
Total lease cost	$ 206,976

NOTE F – OPERATING LEASES (continued)

Other information:

Cash paid for amounts included in measuring operating lease liability:	
Operating cash flows from operating lease	$ 200,876
Total cash paid for amounts included in measuring operating lease liability	$ 200,876

Maturities of operating lease liabilities as of December 31, 2022:

Year ending December 31:	
2023	$ 206,916
2024	213,136
Total lease payments	420,052
Less: interest	(8,532)
Present value of lease liability	$ 411,520

NOTE G – NET ASSETS WITHOUT DONOR RESTRICTIONS

The Agency's net assets without donor restrictions are comprised of undesignated amounts for the following purposes as follows:

	2022	2021
Undesignated	$ 2,800,132	$ 2,260,010
Net investment in property and equipment	18,341	31,430
	$ 2,818,473	$ 2,291,440

NOTE H – EMPLOYEE BENEFIT PLAN

The Agency has a 401(k) savings plan that began January 1, 2010 and the plan was amended effective January 1, 2016. Under the plan, an employee is eligible to participate after six months of service with no age limitation. Employees are eligible for employer contributions after one year of service, dependent on 1,000 hours of service, with a minimum age requirement of 21. Employees may make contributions to this plan up to the dollar limit allowed by the Internal Revenue Code. The plan does not allow matching employer contributions but does allow employer contributions equal to 10% of eligible participants' annual compensation. In 2022 and 2021, the Agency contributed $141,027 and $106,503, respectively. The 2022 and 2021 contributions do not include the application of the Agency's forfeiture balances of $13,836 and $2,844, respectively.

NOTE I – MATCHING REQUIREMENTS

The Agency must meet contractual matching requirements through cash and/or in-kind contributions. These requirements are proportionately passed on to the Agency's providers through contractual provisions in their subcontracts. The subcontract provider's match is reported to the Agency and tracked to ensure that all contractual matching requirements are met. However, the match provided by the Agency's providers is not recognized in the financial statements of the Agency.

NOTE J – COMMITMENTS AND CONTINGENCIES

Grants require the fulfillment of certain conditions set forth in the grant agreements. Failure to fulfill or comply with the conditions could result in the return of funds to the grantor. Although this is a possibility, the Board considers the contingency remote, since by accepting the grants it has accommodated the objectives of the organization to the provisions of the grants.

The Agency receives a substantial amount of its support from the U.S. Department of Health and Human Services ($15,084,791 and $11,933,372 in 2022 and 2021, respectively) and the Florida Department of Elder Affairs ($11,150,225 and $8,896,132 in 2022 and 2021, respectively). A significant reduction in the level of this support, if this were to occur, may have an effect on the Agency's activities.

NOTE K –CONTRIBUTED NON-FINANCIAL ASSETS

The Agency records the value of donated goods and services as both revenue and expense when there is an objective basis available to measure its value. Donated services from the Board of Directors members, advisory councils, and other committee members are not recorded by the Agency since the services do not meet the criteria of the Financial Accounting Standards Board.

NOTE K –CONTRIBUTED NON-FINANCIAL ASSETS (continued)

As of December 31, 2022 donated goods and services were $7,500 and $78,737, respectively. No donated goods or services were received for year ended December 31, 2021.

NOTE L – LIQUIDITY AND AVAILABILITY OF RESOURCES

The Agency's financial assets available within one year of the statement of financial position date for general expenditures are as follows:

	2022	2021
Cash and cash equivalents	$ 1,962,561	$ 1,840,081
Receivables from governmental agencies	4,900,021	2,814,973
Accounts receivable	208,007	196,534
Total financial assets available within one year	7,070,589	4,851,588
Less:		
Accounts payable	84,582	32,938
Accrued expenses	139,814	98,485
Payable to providers	4,080,825	2,445,585
Refundable advances	-	45,769
Deferred rent	12,367	19,664
Total financial liabilities available within one year	4,317,588	2,642,441
Less those unvailable for general expenditures within one year due to funds restricted by purpose	4,585	4,585
Financial assets available to meet cash needs for general expenditures	$ 2,748,416	$ 2,204,562

As part of the Agency's liquidity management, it invests cash in excess of daily requirements in savings accounts.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of
Area Agency on Aging of
Central Florida, Inc.
Orlando, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Area Agency on Aging of Central Florida, Inc. d/b/a Senior Resource Alliance (the "Agency") (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 22, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant

Report on Compliance and Other Matters (continued)

agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND STATE OF FLORIDA CHAPTER 10.650, *RULES OF THE AUDITOR GENERAL*

To the Board of Directors of
Area Agency on Aging of
Central Florida, Inc.
Orlando, Florida

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited Area Agency on Aging of Central Florida, Inc. d/b/a Senior Resource Alliance's (the "Agency") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and the requirements described in the *Department of Financial Services'* State Projects Compliance Supplement, that could have a direct and material effect on each of the Agency's major federal programs and state projects for the year ended December 31, 2022. The Agency's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Agency complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and State of Florida Chapter 10.650, *Rules of the Auditor General* (Chapter 10.650). Our responsibilities under those standards, the Uniform Guidance, and Chapter 10.650 are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Agency and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of the Agency's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Agency's federal programs and state projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Agency's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650, will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Agency's compliance with the requirements of each major federal program or state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Agency's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Agency's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

.

Report on Internal Control over Compliance (continued)

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed. The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650. Accordingly, this report is not suitable for any other purpose.

Note 1 - Significant Accounting Policies
The accompanying schedule of expenditures of federal awards and state financial assistance is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of the Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* and the State of Florida Chapter 10.650, *Rules of the Auditor General*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of the basic financial statements.

Note 2 - Contingency
Amounts received or receivable from grantor agencies are subject to audit and adjustment by those agencies. Any disallowed claims, including amounts already received, might constitute a liability of the Agency for the return of those funds. In the opinion of management, all grant expenditures were in compliance with the terms of the grant agreements and applicable federal and state laws and regulations.

Note 3 - Indirect Cost Rates
The Agency has elected to not use the 10% de minimis indirect cost rate for its federal programs or state projects for the year ended December 31, 2022. The indirect cost rates used on the Agency's federal programs and state projects are determined by the relevant federal or state agency.
