Independent Accountant's Report on Compliance with Local Government Investment Policies

To the Governing Board
South Florida Regional Transportation Authority

We have examined the South Florida Regional Transportation Authority's (SFRTA) compliance with the local government investment policies required by Section 218.415, Florida Statutes, during the year ended June 30, 2023. The SFRTA's management is responsible for the SFRTA's compliance with the specified requirements. Our responsibility is to express an opinion on the SFRTA's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the SFRTA complied, in all material respects, with the specified criteria referenced above. An examination involves performing procedures to obtain evidence about whether the SFRTA complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the SFRTA's compliance with the specified requirements.

In our opinion, the SFRTA complied, in all material respects, with the local government investment policies required by Section 218.415, Florida Statutes, during the year ended June 30, 2023.

The purpose of this report is to comply with the audit requirements of Section 218.415, Florida Statutes, and *Rules of the Auditor General*.
