To Whom It May Concern,

The Board of Directors and administration of the Renaissance Learning Center, Inc. dba The Learning Center at the Els Center of Excellence (hereinafter "RLC") are responsible for the contents of the attached report.

RLC was formed as a Florida nonprofit corporation on January 2, 1997. RLC began as a private school and converted to a charter school after its first two years of operation. A charter school is a free public school which is managed and owned by a nonprofit corporation.

RLC's facility was initially located on Holly Drive in Palm Beach Gardens, Florida, and then was relocated to 11980 Alternate A1A, also in Palm Beach Gardens. RLC then relocated to 5800 Corporate Way in West Palm Beach, Florida in 2005. In August 2015, RLC relocated to its current facility (18370 Limestone Creek Road, Jupiter, Florida 33458).

RLC is a charter school open to all Palm Beach County students ages 3 through 14 with a primary individual education plan ("IEP") eligibility of autism. RLC offers small class sizes (an average of five students per two instructional staff members), as well as speech, occupational, discrete trial, and other therapies. RLC's curriculum is based on Applied Behavior Analysis ("ABA"), but uses an eclectic approach including direction, instruction, incidental teaching, video modeling, scripts, and observational learning. Students work one-on-one, in dyads, and in small groups, depending upon their abilities and skill levels. Progress is monitored daily through data collection, summary, analysis, and assessment.

RLC's mission is to develop and provide effective education and tailored therapy programs for children (ages 3 through 14) with autism. The school's efforts are directed toward improving the education and quality of life of its students. RLC is committed to the continuous improvement of every student through use of best practice programs and models. Because of this, RLC's students continuously demonstrate substantial progress each year. Parental involvement and satisfaction is an integral part of RLC's success. All parents are involved in training sessions throughout the school

year, as well as observation sessions and teacher conferences, in addition to the annual IEP meeting. Parents volunteer their time as Board members, committee and project leaders, as well as planning and participating in fundraising events.

RLC recently ended its 21st year as a charter school. RLC amended its charter a few years ago to permit additional students to attend RLC. Furthermore, in 2012 we had our charter renewed for an additional ten years. Please refer to the management's discussion and analysis for further information regarding our current financial status.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
The Renaissance Learning Center, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and each major fund of The Renaissance Learning Center, Inc. as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Organization's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair representation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of The Renaissance Learning Center, Inc. as of June 30, 2021, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages five through eight and 25 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited

procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 30, 2021 on our consideration of The Renaissance Learning Center, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of The Renaissance Learning Center, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering The Renaissance Learning Center, Inc.'s internal control over financial reporting and compliance.

The Renaissance Learning Center, Inc.
Management's Discussion and Analysis
For the Fiscal Year Ended June 30, 2021

The Management's Discussion and Analysis (MD&A) provides an overview of The Renaissance Learning Center, Inc.'s (the "School") activities for the year ended June 30, 2021.

This overview is intended to highlight significant matters. For detailed information, refer to the School's financial statements and notes to the financial statements.

Financial Highlights

The School reported a total net position for governmental activities of \$1,865,334. This amount reflects the amount by which assets exceeded liabilities.

- For the year ended June 30, 2021, the School reported a change in the net position of \$847,338. This amount reflects the amount by which revenues exceeded expenses.

Overview of the Financial Statements

The basic financial statements consists of:

- Government-wide financial statements
- Fund financial statements
- Notes to the financial statements

Government-wide Financial Statements

The government-wide financial statements use an economic resources measurement focus and are presented on the accrual basis of accounting. The government-wide financial statements provide both a short-term and long-term view of the School's overall financial condition.

The School's annual report includes two government-wide financial statements. The Statement of Net Position and the Statement of Activities. The Statement of Net Position presents the School's assets and liabilities with the difference being net position. Increases or decreases in net position are an indication of whether the financial position of the School is improving or deteriorating.

The Statement of Activities reports how the School's net position changed during the period. It presents expenses and revenues and breaks down specific activities and sources.

The government-wide financial statements are presented on pages nine through eleven of the financial report.

Fund Financial Statements

The fund financial statements use a current financial resources measurement focus and are presented on the modified accrual basis of accounting. The fund financial statements provide a short-term view of the School's financing requirements.

The School uses funds to account for activities. One fund used is the general fund for all financial resources not designated to any other specific fund. The School also uses a special revenue fund for all financial resources that are restricted.

The School's annual report includes two fund financial statements. The balance sheet and the statement of revenues, expenditures, and changes in fund balances.

Management's Discussion and Analysis (*Continued*)
For the Fiscal Year Ended June 30, 2021

There are also two reconciliations to show the amounts that reconcile the government-wide financial statements to the fund statements.

The fund financial statements are presented on pages 12 through 15 and include a reconciliation of the difference between the government-wide financial statements and the fund financial statements.

Notes to the Financial Statements

The notes provide additional information necessary for a full understanding of the data provided in the basic financial statements.

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of The Renaissance Learning Center, Inc. have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to local government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant accounting policies of The Renaissance Learning Center, Inc. are described below.

In June 1999, the Governmental Accounting Standards Board (GASB) unanimously approved Statement No. 34, *Basic Financial Statements--and Management's Discussion and Analysis--for State and Local Governments*. Certain of the significant changes in the Statement include the following:

- For the first time the financial statements include:

A Management's Discussion and Analysis (MD&A) providing an analysis of The Renaissance Learning Center, Inc.'s overall financial position and results of operations.

Financial statements prepared using full-accrual accounting for all of The Renaissance Learning Center, Inc.'s activities.

- A change in the fund financial statements to focus on the major funds.

These and other changes are reflected in the accompanying financial statements (including notes to financial statements) as of June 30, 2021. The Renaissance Learning Center, Inc. has implemented the provisions of Statement No. 34 as well as other new standards related to note disclosure, nonexchange transactions, and certain liabilities and expenditures.

In June 2011, the GASB issued Statement 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*. GASB 63 provides guidance for reporting deferred outflows of resources, deferred inflows of resources, and net position in the statement of financial position and related disclosures. The statement of net assets is renamed the statement of net position and includes four components; assets, deferred outflows of resources, liabilities and deferred inflows of resources. The provisions of the Statement are effective for financial statements for periods beginning after December 15, 2011.

Organization--The Renaissance Learning Center, Inc. (the Organization) was incorporated in Florida in the year 1997. The Organization operates as a charter school under the sponsorship of and by agreement with the School District of Palm Beach County, Florida as provided by Florida Statutes. The agreement between the Organization and the School District provides for teaching grades Pre-K through 8. The current charter school contract is effective until June 30, 2022.

Reporting Entity--The Organization is financially accountable to the Palm Beach County School District. There are no component units of The Renaissance Learning Center, Inc. The Organization is no longer subject to being reported as a component unit of the Palm Beach County School District. Please refer to Note I.

Government-wide and fund financial statements--The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the Organization. For the most part, the effect of interfund activity has been removed from these statements.

The Renaissance Learning Center, Inc.
Notes to Financial Statements (*Continued*)
June 30, 2021

The statement of activities demonstrates the degree to which the direct expenses of a given program are offset by program revenues. Direct *expenses* are those that are clearly identifiable with a specific program. Indirect expenses not allocated to functions are reported separately. Interest on general long-term debt is considered such an indirect expense. *Program revenues* include 1) charges to students or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function.

Other items not properly included among program revenues are reported instead as *general revenues*.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements. The Organization did not have proprietary or fiduciary funds during this reporting period.

Measurement focus, basis of accounting, and financial statement presentation--The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Organization considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, early retirement, arbitrage rebates, and postemployment healthcare benefits, are recorded only when payment is due.

Interest associated with the current fiscal period is considered to be susceptible to accrual and so has been recognized as revenues, when applicable, of the current fiscal period. All other revenue items are considered to be measurable and available only when the Organization receives cash.

The Organization reports the following major governmental funds:

- The *general fund* is the Organization's primary operating fund. It accounts for all financial resources of the Organization, except those required to be accounted for in another fund.
- The *special revenue fund* accounts for resources accumulated and payments made for specific programs for providing educational programs for students within the Organization.

Private-sector standards of accounting, and financial reporting issued prior to December 1, 1989, generally are followed in both the government-wide and proprietary fund financial statements to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board.

Amounts reported as *program revenues* include 1) charges to students for fees, rental, material, supplies, or services provided 2) operating grants and contributions, and 3) capital grants and contributions. Internally dedicated resources are reported as general revenues rather than as program revenues.

Donated Assets--The Organization did not receive any donated assets from the Palm Beach County School District during the year.

Contributed Services--No amounts have been reflected in the financial statements for donated services. The Organization generally pays for services requiring specific expertise. However, individuals volunteer their time and perform a variety of tasks for the Organization, but these services do not meet the criteria for recognition as contributed services.

Accounts Receivable--The Organization considers accounts receivable from the School District to be fully collectible as of June 30, 2021, accordingly, no allowance for doubtful accounts was provided for those funds. Parent fees are evaluated yearly and an allowance for doubtful accounts is maintained.

Compensated Absences--Under terms of agreements, employees earn paid time off (PTO). No reimbursement or accrual is made for unused leave. The school employees had approximately 6,743 hours of unused leave at the end of the school year.

Equity Classifications--Government-wide Statements

Net position represents the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources. The three categories of net position are as follows:

Net investment in capital assets--consists of net capital assets reduced by outstanding balances of any related debt obligations and deferred inflows of resources attributable to the acquisition, construction, or improvement of those assets and increased by balances of deferred outflows of resources related to those assets.

Restricted net position--net position is considered restricted if its use is constrained to a particular purpose. Restrictions are imposed by external organizations such as federal or state laws or contributors. Restricted net position is restricted assets reduced by liabilities and deferred inflows of resources related to the restricted assets.

Unrestricted net position--consists of all other net position that does not meet the definition of the above two components and is available for general use.

When an expense is incurred for purposes for which both restricted and unrestricted net position are available, management applies restricted net position first, unless a determination is made to use unrestricted net position. The Renaissance Learning Center, Inc.'s policy concerning which to apply first varies with the intended use and legal requirements. Management typically makes this decision on a transactional basis at the incurrence of the expenditure.

Capital Assets--Capital assets, which include buildings and improvements, and furniture and equipment, are reported in the government-wide financial statements. The Organization defines capital assets as assets with an initial, individual cost of more than \$500 for furniture and equipment and \$3,000 for buildings and improvements and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated acquisition value at the date of donation.

The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during construction is not capitalized.

Improvements	10
Buildings and fixed equipment	10
Furniture	5
Office equipment	5
Audio visual equipment	5
Transportation equipment	7
Computer equipment	3

Fund Balances--GASB Statement No. 54 requires fund balances reported in governmental funds to be classified under the following classifications:

Nonspendable--Amount that cannot be spent either because they are in a nonspendable form or because they are legally or contractually required to be maintained intact.

Restricted--Amounts that can be spent only for specific purposes because of the Charter, state or federal laws, or externally imposed conditions by grantors or creditors.

Committed--Amounts that can be used only for specific purposes determined by a formal action by the Board of Directors.

Assigned--Amounts that are designated by the Board of Directors for a particular purpose but are not spendable until there is a majority vote approval (for capital projects or debt service) by the Board of Directors. The Board has assigned \$86,000 for the contingency of Department of Education overpayments.

Unassigned--All amounts not included in other spendable classifications.

Accordingly, the fund balances have been presented on the governmental fund balance sheet.

Flow Assumption - When both restricted and unrestricted amounts of fund balance are available for use for expenditures incurred, it is the School's policy to use restricted amounts first and then unrestricted amounts as they are needed. For unrestricted amounts of fund balance, it is the School's policy to use fund balance in the following order: (1) Committed, (2) Assigned, (3) Unassigned.

Cash and Cash Equivalents--The Organization considers all highly-liquid debt instruments available for current use purchased with an original maturity of three months or less to be cash equivalents.

B. DEFERRED OUTFLOWS/INFLOWS OF RESOURCES

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will *not* be recognized as an outflow of resources (expense/expenditure) until then. The School does not have any items that qualify for reporting in this category.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will *not* be recognized as an inflow of resources (revenue) until then. The School does not have any items that qualify for reporting in this category.

C. USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

D. LEASE COMMITMENTS

The Organization's total lease payments were \$270,568.66 for fiscal year ended June 30, 2021.

The monthly lease payments for July 2020 through April 2021 were \$22,155.50.

On June 23, 2021, the Organization entered into a one-year lease agreement with Els for Autism Foundation, Inc. for the period May 1, 2021 through April 30, 2022. The monthly lease payments under this agreement are \$24,506.83.

E. CONTINGENCIES

The Organization receives funding from the Palm Beach County School District. The disbursement of funds received under the contract generally requires compliance with terms and conditions specified in the contract and is subject to audit by the District, the District's independent auditors, and other governmental auditors. Any disallowed claims resulting from such audits could become a liability of the General Fund or other applicable fund.

F. FICTITIOUS NAME

The Organization filed a fictitious name registration to do business as The Learning Center at The Els Center for Excellence on May 25, 2016.

G. CASH

The Organization deposits its funds in banks that are qualified public depositories as provided for in Florida Statutes. Cash deposits are insured by the Federal Deposit Insurance Corporation (FDIC).

Accounts at the institutions are insured by the Federal Deposit Insurance Corporation up to \$250,000. The Organization's bank accounts exceeded the insured amount.

H. RISK MANAGEMENT PROGRAMS

Insurance is being provided through purchased commercial insurance as per the minimum requirement provided by the District. Settled claims resulting from the risks have not exceeded commercial coverage for the current year or the three prior years.

I. RELATED PARTY TRANSACTIONS

The Palm Beach County School District and its auditors are of the opinion that the Organization is no longer to be treated as a component unit for financial reporting purposes.

The change in financial reporting status was the result of the District's and its auditor's interpretation of the Governmental Accounting Standards Board (GASB) Statement Number 61, effective for fiscal years beginning after June 15, 2012.

The financially-dependent relationship between the Organization and the District has not changed as a result of this financial reporting decision.

The general operating authority of the Organization is contained in Section 228.056, Florida Statutes. The Organization operates under a charter of the sponsoring school district, the Palm Beach County District School Board (the District). The current charter is effective until June 30, 2022. At the end of the term of charter, the District may choose not to renew the charter under grounds specified in the charter, in which case the District is required to notify the Organization in writing at least 90 days prior to the charter's expiration.

Pursuant to Section 228.056(10)(e), Florida Statutes, the charter school contract provides that in the event the Organization is dissolved or terminated, any unencumbered funds and all of the Organization's property purchased with public funds automatically revert to the District. During the term of the charter, the District may also terminate the charter if good cause is shown.

The Palm Beach County School District charges an administration fee from certain funds. The administrative fee for the year ended June 30, 2021 was \$54,904.

J. FUNDING AND CREDIT CONCENTRATIONS

The School receives substantially all of its support and revenue from federal, state and local funding sources, passed through the District, in the form of performance and budget based contracts. Continuing operation of the School is greatly dependent upon the continued support of these governmental agencies.

K. INCOME TAX STATUS

The Organization qualifies as an I.R.C. Section 501(c)(3) non profit organization, which is generally exempt from Federal and State income taxes. Accordingly, no provisions for income taxes have been included in the accompanying financial statements. Additionally, no uncertain tax positions have been made requiring disclosure in the related notes to the financial statements.

The Organization's tax returns are generally subject to examination by the Internal Revenue Service for three years after filing. Therefore, years 2019, 2020 and 2021 re still subject to such regulation.

L. RETIREMENT PLAN

The Organization sponsors a retirement plan for employees. The plan, under IRC Section 403b, allows employees to defer a discretionary portion of their salaries into retirement accounts. No employer contributions were made for the year.

M. INTERNAL FUNDS

Cash in the internal funds bank account is held and administered by the Organization in a custodial capacity for the purpose of expending the cash for its intended purposes.

The account is titled in the name of the Organization and has the same signature authority as the Organization's operating account.

The remaining balance of funds not expended by the end of the year is used to increase the liability that offsets the cash balance.

The balance of the internal funds accounts and corresponding liability was \$146,690 at June 30, 2021.

N. ARTICULATION AGREEMENT

On February 27, 2019, the Organization entered into an agreement with The Renaissance Learning Academy, Inc. d/b/a The Learning Academy at The Els Center of Excellence (TLA) and The School Board of Palm Beach County, Florida to provide for enrollment assistance and support to students enrolled at RLC to allow for articulation of students from RLC to Renaissance Learning Academy, Inc.

The term of the agreement remains effective so long as both schools maintain their respective Charters.

Either party may terminate the agreement by providing written notice to the other party of not less than ninety (90) days prior to the start of any school year.

O. COVID-19

COVID-19 developed rapidly in 2020, with a significant number of cases. Measures taken by various governments to contain the virus affected in-person instruction.

On September 21, 2020, Palm Beach County re-opened schools for in-person instruction.

Parents could choose to have their children remain in distance learning, if they preferred to do so.

Summer camp for 2021 was canceled, due to COVID-19 concerns.

On June 23, 2021, The School District of Palm Beach County decided that students would return to face-to-face instruction for the 2021-2022 school year.

P. CARES ACT PAYCHECK PROTECTION PROGRAM (PPP)

The Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress and signed into law on March 27, 2020. This Act provided economic relief to protect the American people from the public health and economic impacts of COVID-19.

The Organization received \$505,900 in PPP funds.

The funds were forgiven by the Small Business Administration on May 27, 2021.

The PPP funds were reclassified from a liability to a grant, subsequent to the forgiveness notification.

Q. MANAGEMENT EVALUATION DATE

Management has evaluated all events subsequent to the balance sheet date and through September 30, 2021, the date the financial statements were available to be issued, and has determined that there were no events that would require modification of the financial statements or disclosure in the notes to financial statements.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
The Renaissance Learning Center, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of The Renaissance Learning Center, Inc., as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise The Renaissance Learning Center, Inc.'s basic financial statements, and have issued our report thereon dated September 30, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered The Renaissance Learning Center, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of The Renaissance Learning Center, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of The Renaissance Learning Center, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether The Renaissance Learning Center, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT LETTER PURSUANT TO FLORIDA STATUTES AND RULES OF THE FLORIDA AUDITOR GENERAL

To the Senior Management and
The Board of Directors of
The Renaissance Learning Center, Inc.

Report on the Financial Statements

We have audited the financial statements of The Renaissance Learning Center, Inc., Florida, as of and for the fiscal year ended June 30, 2021, and have issued our report thereon dated September 30, 2021.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.850, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*. Disclosures in that report, if any, which is dated September 30, 2021, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.854(1)(e)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address the finding and recommendation made in the preceding annual financial audit report.

Tabulation of Uncorrected Audit Findings		
Current Year Finding #	2019-2020 FY Finding #	2018-2019 FY Finding #
N/A	N/A	N/A

Official Title

Section 10.854(1)(e)5., Rules of the Auditor General, requires the name or official title of the entity and the school code assigned by the Florida Department of Education be disclosed in this management letter. The official title and the school code assigned by the Florida Department of Education of the entity are The Renaissance Learning Center, Inc. and 502791.

Financial Condition and Management

Sections 10.854(1)(e)2. and 10.855(11), Rules of the Auditor General, require us to apply appropriate procedures and communicate whether or not The Renaissance Learning Center, Inc. has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that The Renaissance Learning Center, Inc. did not meet any of the conditions described in Section 218.503(1), Florida Statutes. Therefore, no financial emergency will be reported.

Pursuant to Sections 10.854(1)(e)6.a. and 10.855(12), Rules of the Auditor General, we applied financial condition assessment procedures for The Renaissance Learning Center, Inc. It is management's responsibility to monitor The Renaissance Learning Center, Inc.'s financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

Section 10.854(1)(e)3, Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Transparency

Sections 10.854(1)(e)7. and 10.855(13), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether The Renaissance Learning Center, Inc., maintains on its Web site the information specified in Section 1002.33(9)(p), Florida Statutes. In connection with our audit, we determined that The Renaissance Learning Center, Inc. maintained on its Web site the information specified in Section 1002.33(9)(p), Florida Statutes.

Additional Matters

Section 10.854(1)(e)4., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Palm Beach County School District, the Board of Directors, and applicable management and is not intended to be, and should not be, used by anyone other than these specified parties.

Management's Response to Audit Findings

Year Ended June 30, 2021

The following is the School's response to the Management Letter dated September 30, 2021, as required by Rule 10-857m Rules of the Auditor General:

No response required
