INDEPENDENT AUDITORS' REPORT

The Honorable Board of County Commissioners,
Wakulla County, Florida:

Report on the Financial Statements

Opinions

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Wakulla County, Florida (the County), as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County as of September 30, 2023, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the County, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and required supplementary information, as listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's financial statements. The combining and individual nonmajor fund financial statements and other schedules, and schedule of expenditures of federal awards and state financial assistance as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and Section 215.97, Florida Statutes, *Florida Single Audit Act*, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated April 18, 2024, on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

A handwritten signature in black ink that reads "James Moore Esq., P.L." The signature is written in a cursive, flowing style.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Management Discussion and Analysis provides an objective and easily readable analysis of the County's financial activities for fiscal year ended September 30, 2023. The analysis provides summary financial information for the County and should be read in conjunction with the County's financial statements.

FINANCIAL HIGHLIGHTS

- Wakulla County's assets and deferred outflows exceeded total liabilities and deferred inflows by \$146,677,401 (net position). Of this amount, \$(5,618,561) is unrestricted net position while \$142,999,133 represents net investment in capital assets. The remaining \$9,296,829 is restricted net position.
- Net position of business-type activities increased by \$25,780,906 over the previous year. Net position of governmental activities decreased \$2,655,136. Accordingly, net position of both business-type and governmental activities increased a total of \$23,125,770.
- At September 30, 2023, the County's governmental funds reported a combined fund balance of \$41,978,120 representing an increase of \$12,527,518 over the prior year.

OVERVIEW OF THE FINANCIAL STATEMENTS

The discussion and analysis is intended to serve as an introduction to the County's basic financial statements. The County's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information that may be of interest to the reader.

Government-wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the County's finances in a manner similar to a private-sector business. The two government-wide financial statements are the Statement of Net Position and the Statement of Activities.

The Statement of Net Position presents information on all assets, deferred outflows, liabilities and deferred inflows of the County, with assets plus deferred outflows minus liabilities minus deferred inflows reported as *net position*. Changes in net position over time may serve as a useful indicator of whether the financial position of the County is improving or deteriorating. The Statement of Activities presents information on all revenues and expenses of the County and the change in net position for the fiscal year. All changes in net position are reported as soon as the underlying event occurs, regardless of the timing of the related cash flows. Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in future fiscal periods (e.g., uncollected taxes and accounts payable).

Both statements distinguish functions of the County that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). Governmental activities of the County include general government services, public safety, physical environment, transportation, economic environment, human services, culture and recreation, and court costs. Business-type activities include ser-related activities, garbage disposal and recycling.

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that are segregated for specific activities or objectives. The County, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the County can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental Funds - Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances on spendable resources available at the end of the fiscal year. Such information may be used in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate comparison between governmental funds and governmental activities.

The County maintains numerous individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund and the Sheriff's Fund, both of which are considered to be major funds. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of the non-major governmental funds is provided in the form of combining statements elsewhere in this report.

Internal Service Funds - *Internal services funds* are an accounting device used to accumulate and allocate costs internally among the various County functions. The County has no internal service fund.

Enterprise Funds - *Enterprise funds* are used to report the same functions presented as business-type activities in the government-wide financial statements. The County uses enterprise funds to account for the fiscal activities relating to the Sewer Fund and Landfill/Recycling Fund.

Fiduciary Funds - Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because resources of those funds are not available to support the County's own programs.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other Information

In addition to the basic financial statements, and accompanying notes, this report also presents certain required supplementary information including budget to actual comparisons for the General Fund and major special revenue funds, the Schedules of Proportionate Shares of Net Pension Liabilities and Pension Employer Contributions, and the Schedules of Changes in the Total OPEB Liability and Related Ratios. Following the required supplementary information can be found combining balance sheets and combining statements of revenues, expenditures, and changes in fund balances for the non-major governmental funds, and schedules of expenditures of federal and state awards.

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Net Position

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of Wakulla County, assets and deferred outflows exceeded liabilities and deferred inflows by \$146,677,401 at the close of the fiscal year ended September 30, 2023. The County had an unrestricted deficit of \$(5,618,561) at September 30, 2023.

Wakulla County's Government-wide Summary Statement of Net Position

Total Deferred Inflows of	\$ 5,997,334	\$ 19,153,266	\$ -	\$ -	\$ 5,997,334	\$ 7,177,593
NET POSITION						
Invested in capital assets	\$ 80,342,784	\$ 76,852,962	\$ 62,656,349	\$ 36,574,326	\$ 142,999,133	\$ 113,427,288
Restricted	9,296,829	8,848,862	-	-	9,296,829	8,848,862
Unrestricted	(6,773,077)	(180,152)	1,154,516	1,455,633	(5,618,561)	1,275,481
Total net position	\$ 82,866,536	\$ 85,521,672	\$ 63,810,865	\$ 38,029,959	\$ 146,677,401	\$ 123,551,631

The largest portion of the County's net position reflects its investment in capital assets, net of depreciation (e.g., land, roads, parks, buildings, and equipment) less any related outstanding debt used to acquire those assets. The County uses these capital assets to provide services to citizens; consequently, these assets are *not* available for future spending. Although the County's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. An additional portion of the County's net position represents resources that are subject to restrictions imposed externally on how they may be used.

Net transfers	(5,128,751)	355,014	5,128,751	(355,014)	-	-
Increase (decrease) in net position	\$ (2,655,136)	\$ 16,672,553	\$ 25,780,906	\$ 2,203,152	\$ 23,125,770	\$ 18,875,705
Net position, beginning of year	85,521,672	68,849,119	38,029,959	35,826,807	123,551,631	104,675,926
Net position, end of year	\$ 82,866,536	\$ 85,521,672	\$ 63,810,865	\$ 38,029,959	\$ 146,677,401	\$ 123,551,631

Governmental activities expenses exceeded revenues after net transfers by approximately \$2.6 million, while business-type activities revenue were \$25.8 million more than expenses and net transfers. Total expenses increased approximately \$13.3 Million or 30% over the previous year primarily due to increased spending in General Government and Public Safety.

The most significant change in revenues was seen in Business-type activities grants and contributions, which increased \$17.9 million, primarily related to various DEP sewer grants. The grants were used to increase sewer infrastructure in various parts of the County.

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

FINANCIAL ANALYSIS OF THE COUNTY'S FUNDS

As noted earlier, the County used fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

As previously discussed, governmental funds measure current assets and liabilities and current or spendable resources. A fund's fund balance may provide a useful measure of the fund's net resources available for spending at the end of the fiscal year.

During Fiscal Year 2023, the County has three major governmental funds. They are: 1) General Fund; 2) the Sheriff Fund and 3) the Road Paving Fund. The General Fund is the chief operating fund of the County. The General Fund includes the General Fund of the Board of County Commissioners and the General Funds of each Constitutional Officer.

The General Fund had an increase in fund balance of \$11,236,027, primarily due to unspent loan proceeds of \$15 Million. The total fund balance was \$28,142,248.

The Sheriff Fund accounts for sheriff related activities. The fund had a total fund balance of \$3,900,245, up \$662,171 over the prior year.

The Road Paving Fund accounts for road paving grant activities. The fund had a total fund balance of \$(262,727), down \$265,325 from the prior year.

Proprietary Funds

The County's enterprise fund provides the same type of information found in the government-wide financial statements, but in greater detail. The Sewer and Solid Waste Funds accounts for the operations and maintenance of the County's sewer and solid waste activities. Operating revenues for the Sewer and Solid Waste Funds totaled \$7,429,395 in the current year. Of this amount, the Sewer Fund generated \$4,546,842 in operating revenues from charges for services, and the Solid Waste Fund generated \$2,882,553 in operating revenues from special assessments. As of September 30, 2023, total net position was \$63,810,865, an increase of \$25,780,906 from the prior year. This significant increase is primarily due to \$19,656,518 in sewer related grants funds and transfers in of \$5,128,751.

GENERAL FUND BUDGETARY HIGHLIGHTS

Budget and actual comparison schedules are provided in the Schedule of Revenues, Expenditures and Changes in Fund Balances – Budget and Actual for the General Fund and all major special revenue funds with annually appropriated budgets. These schedules show the original budget, final budget, actual amounts, and the variances between actual and final budgeted amounts. Budget amendments are approved throughout the year. Budgets are revised for a variety of reasons, such as new grant awards, unanticipated revenue sources, unforeseen expenditures, etc.

Actual revenues (\$31,557,352) of the General Fund were more than the final budget (\$28,856,642) by \$2,700,710. Actual expenditures (\$30,735,770) were less than the final budget (\$48,024,930) by \$17,289,160 primarily due to unspent loan proceeds of \$15,000,000.

Construction in process	5,813,662	3,456,138	31,316,906	3,599,259	37,130,568	7,055,397	
Total Capital Assets, net of Depreciation	\$ 81,908,459	\$ 78,677,361	\$ 70,426,327	\$ 44,084,130	\$ 152,334,786	\$ 121,831,397	

The County's total investment in capital assets for both its governmental and business type activities as of September 30, 2023, was \$152,334,786 (net of accumulated depreciation). This investment in capital assets includes land, buildings, improvements, machinery and equipment, leased assets, and infrastructure. The Governmental assets were \$81,908,459, an increase of \$3,231,098 and the Business-type assets were \$70,426,327, an increase of \$26,342,197. The significant increase in business-type assets is due to a large volume of grant funded projects.

See Note 5 to the financial statements for more information about the County's capital assets.

Long-term Liabilities

On September 30, 2023, the County's total long-term liabilities were \$75,785,082, an increase over the prior year of \$28,844,857. This increase is primarily due to the County borrowing \$30,000,000 to cashflow the numerous grant projects occurring at once. The loan, allocated \$15 Million to Governmental and \$15 Million to Business-type activities will be paid off with grant fund reimbursements with two years. The Governmental outstanding long-term liabilities were \$55,509,720, an increase of \$16,079,299 and the Business-type long-term liabilities were \$20,275,362, an increase of \$12,765,558. \$36.8 million of the liability represents the County's proportionate share of pension and other post-employment benefits (OPEB) liabilities.

See Notes 6, 7, 8 and 9 to the financial statements for more information about the County's long-term liabilities.

NEXT YEAR'S BUDGET AND SIGNIFICANT FINANCIAL CONDITIONS

Wakulla County has relied on property taxes, intergovernmental resources, and accumulated reserves to fund its operations. The County is addressing the reliance upon reserves for operational costs going forward. The County has utilized grants to help fund the infrastructure needs of the County.

The Board of County Commissioners adopted a General Fund millage rate of 7.9000 mills for fiscal year 2023/2024, which is 0.3000 mills lower than the millage rate of 8.2000 mills adopted for fiscal year 2022/2023.

**MANAGEMENT'S DISCUSSION AND ANALYSIS
(CONTINUED)**

REQUESTS FOR INFORMATION

This report was designed to provide an overview of the County's finances. If you have questions concerning this report, contact Steven Baird, Finance Director, Wakulla County Clerk of Court and Comptroller; 3056 Crawfordville Highway, Crawfordville, FL 32327.

WAKULLA COUNTY, FLORIDA
RECONCILIATION OF THE BALANCE SHEET - GOVERNMENTAL FUNDS TO
THE STATEMENT OF NET POSITION
SEPTEMBER 30, 2022

Total fund balances - Governmental Funds \$ 41,978,120

Amounts reported for governmental activities in the statement of activities are different because:

Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds

Total governmental capital assets - nondepreciable	142,819,537	
Less: accumulated depreciation	<u>(60,911,078)</u>	81,908,459

On the governmental fund statements, a net pension liability is not recorded until an amount is due and payable and the pension plan's fiduciary net position is not sufficient for payment of those benefits (no such liability exists at the end of the current fiscal year). On the statement of net position, the net pension liability of the defined benefit pension plans is reported as a noncurrent liability. Additionally, deferred outflows and deferred inflows related to pensions are also reported.

Net pension liability	(33,091,329)	
Deferred outflows related to pensions	18,877,493	
Deferred inflows related to pensions	<u>(4,274,911)</u>	(18,488,747)

On the governmental fund statements, total OPEB liability is not recorded unless an amount is due and payable (no such liability exists at the end of the current fiscal year). On the Statement of Net Position, the County's total OPEB liability is reported as a noncurrent liability. Additionally, deferred outflows and deferred inflows related to OPEB are also reported.

Total OPEB liability	(3,717,143)	
Deferred outflows related to OPEB	1,609,518	
Deferred inflows related to OPEB	<u>(1,722,423)</u>	(3,830,048)

Long-term liabilities, including bonds payable and notes payable, are not due and payable in the current period and, therefore, are not reported in the funds. These liabilities, deferred outflows, and other debt-related deferred charges consist of the following:

Notes payable	(15,650,000)	
Capital leases	(1,442,677)	
Compensated absences	<u>(1,608,571)</u>	(18,701,248)

Net position of governmental activities		<u><u>\$ 82,866,536</u></u>

WAKULLA COUNTY, FLORIDA
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES
AND CHANGES IN FUND BALANCES OF GOVERNMENTAL
FUNDS TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2023

Net change in fund balances-total governmental funds	\$ 12,527,518
---	----------------------

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlay exceeded depreciation expense in the current period.

Capital outlay	7,989,847
Gain/(loss) on disposal of capital assets	(306,246)
Depreciation expense	(4,452,503)

The issuance of long-term debt provides current financial resources to governmental funds, while repayment of the principal of long-term debt consumes the current financial resources of governmental funds.

Repayment of principal of long-term debt	480,350
Issuance of long-term debt	(15,748,628)

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds. Changes in:

Compensated absences	(137,283)
Total OPEB liability and related items	(215,542)
Net pension liability and related items	(2,792,649)

Change in net position of governmental activities	<u>\$ (2,655,136)</u>

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) Summary of Significant Accounting Policies:

The financial statements of Wakulla County, Florida (the County), have been prepared in accordance with accounting principles generally accepted in the United States of America as applicable to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted body for promulgating governmental accounting and financial reporting principles. The following is a summary of the County's significant accounting policies:

(a) **Reporting entity**—The Board of County Commissioners (the Board) is the legislative and governing body of the County. It operates under a non-charter form of government pursuant to the authority provided in the Constitution of the State of Florida and consists of five elected officials. The County was established by the Laws of Florida in 1845. The Clerk of the Circuit Court serves as Clerk to the Board pursuant to Section 125.17, Florida Statutes.

The Board of County Commissioners and the offices of the Clerk of the Circuit Court, Sheriff, Tax Collector, Property Appraiser, and Supervisor of Elections are operated as separate County agencies in accordance with applicable provisions of Florida Statutes. The offices of the Sheriff, Property Appraiser, and Supervisor of Elections operate on a budget system, whereby County-appropriated funds are received from the Board of County Commissioners, and any unexpended appropriations are required to be returned to the Board of County Commissioners at the end of the fiscal year. The Clerk's duties as Clerk to the Board, Clerk of the County Court, and Chief Financial Officer for the County are budgeted functions, funded by the Board. The Clerk's duties as Clerk of the Circuit Court are funded by fees collected by that office. The Tax Collector's salary and benefits are funded by the Board; all other expenditures are funded by fees collected by that office. Excess fees of the Tax Collector are returned to the Board at the end of the fiscal year.

(b) **Related and jointly-governed organizations**—In accordance with GASB Statement 39, 80 and 85, board management has determined that the Wakulla County Industrial Development Authority (WCIDA) is a component unit of the County. The WCIDA was created by Board Ordinance 2016-5 pursuant to the provisions of Section 159.45 and 189.4041, Florida Statutes. The BOCC appoints the governing body and approves the budget of the WCIDA. Although legally separate, the WCIDA, due to its dependent special district status, is appropriately blended as a governmental fund-type (special revenue fund) component unit into the primary government.

(c) **Government-wide and fund financial statements**—The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) concentrate on the County as a whole. In addition, they report information on all of the non-fiduciary activities of the County. For the most part, the effect of inter-fund activity has been removed from these statements.

The Statement of Activities demonstrates the degree to which the direct expenses, of a given function or segment, are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds and fiduciary funds even though the latter are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements. The nonmajor funds are combined in one column in the fund financial statements.

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) **Summary of Significant Accounting Policies:** (Continued)

(d) **Measurement focus and basis of accounting**—The accounts of the County are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

The accounting and financial reporting treatment is determined by the applicable measurement focus and the basis of accounting. The basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. The basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. Measurement focus indicates the type of resources being measured such as current financial resources (current assets less current liabilities) or economic resources (all assets and liabilities).

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the County considers revenues to be available if they are collected within 60 days of the end of the current fiscal period.

Property taxes, special assessments, intergovernmental revenues, charges for services, licenses and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the County.

Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, certain expenditures relating to future periods, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

The County reports the following major governmental funds:

General Fund - The General Fund is the general operating fund of the County. It is used to account for all financial resources, except those required to be accounted for in another fund.

Sheriff Fund - The Sheriff Fund, formerly called the Fine & Forfeiture Fund, is a special revenue funds that accounts for the transactions relating to the Sheriff's Office primary operations which are Courthouse & Bailiff Security, Emergency Management, Law Enforcement and Corrections.

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) **Summary of Significant Accounting Policies:** (Continued)

Road Paving Grants Fund – The Road Paving Grants Fund is a capital projects fund that is used primarily to account for the grants and other revenues received by the County that are restricted to road paving and road infrastructure needs of the County.

The County reports the following major enterprise funds:

Sewer Fund - The Sewer Fund accounts for the transactions related to the operation of the County's sewer facilities.

Solid Waste Fund - The Solid Waste Fund accounts for the transactions of the County's solid waste collection and disposal services and maintenance and monitoring of one Class I and one Class III landfill.

The County reports the following other fund type:

Custodial Funds - Custodial funds are used to account for assets held by the County in a custodial or trustee capacity. Custodial funds do not involve the measurement of results of operations.

(e) **Cash and investments**—The institutions in which the County's monies are deposited are certified as a "Qualified Public Depository," as required under the Florida Public Deposits Act. This law requires every qualified public depository to deposit with the State Treasurer eligible collateral equal to or in excess of an amount to be determined by the State Treasurer and requires the State Treasurer to ensure that funds are entirely collateralized throughout the fiscal year. Therefore, the County's total deposits are insured by the Federal Depository Insurance Corporation and the Bureau of Collateral Securities, Division of Treasury, State Department of Insurance.

(f) **Receivables**—Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds" and are eliminated in the government-wide financial statements. All trade and property tax receivables are reported net of an allowance for uncollectible accounts, which is based upon management's analysis of historical trends.

(g) **Prepaid items**—Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in the government-wide and fund financial statements. Prepaid items are recognized as expenses when the related expenses are incurred.

(h) **Inventories**—Inventories are valued at cost, which approximates market value, using the "first-in, first-out" method of accounting. Supplies and inventories of certain governmental funds (Road Department Fund) are recorded as expenditures when consumed rather than when purchased.

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) Summary of Significant Accounting Policies: (Continued)

(i) **Capital assets**—Capital assets, which include property, plant, buildings, equipment and system infrastructure assets (roads, bridges, rights-of-way, and similar items) are reported in the applicable governmental or business-type activities column in the government-wide financial statements. Capital assets are defined by the County as assets with an initial, individual cost of \$5,000 or more and an estimated useful life in excess of one year. Except for roads and bridges constructed prior to June 30, 1980, assets are recorded at historical cost or estimated historical cost. Roads and bridges constructed prior to June 30, 1980 are generally not reported. Donated capital assets are recorded at estimated acquisition value at the day of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend its useful life are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

The County holds legal title to the capital assets used in the operations of the Board of County Commissioners, the Clerk of the Circuit Court, the Property Appraiser, the Supervisor of Elections and the Tax Collector and is accountable for them under Florida Law. The Sheriff is accountable for and thus maintains capital asset records pertaining only to equipment used in its operations. These assets have been combined with the Board's governmental activities capital assets in the Statement of Net Position.

An asset that was in service for any portion of the fiscal year is depreciated as though it was in service for the entire year. Property, plant and equipment of the County are depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Machinery & Equipment	5 – 10 years
Building & Improvements	10 – 40 years
System Infrastructure	30 – 50 years

(j) **Compensated absences**—The various County agencies maintain policies that permit employees to accumulate earned but unused vacation and sick pay benefits that will be paid to employees upon separation of service if certain criteria are met. These benefits, plus their related tax costs, are classified as compensated absences. The policies of the various County agencies vary as to the amount and the vesting of employee vacation leave time and in some instances sick time. The amount of vacation time is determined by the period of employment. The compensated absences liability is primarily liquidated by the general fund.

(k) **Unearned revenues**—Unearned revenue reported in the governmental fund financial statements represent unearned revenues or revenues which are measurable but not available and, in accordance with the modified accrual basis of accounting, are reported as unearned. These unearned revenues are primarily related to unearned grant revenue.

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) **Summary of Significant Accounting Policies:** (Continued)

(l) **Long-term obligations**—In the government-wide financial statements, long-term debt obligations are reported as liabilities on the statement of net position. The compensated absences and net pension liabilities have been liquidated in the past by the reporting units of the underlying employees, including primarily the general fund, with some smaller amounts paid by other governmental funds.

(m) **Deferred outflows/inflows of resources**—In addition to assets, the statement of financial position will, if required, report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net assets that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. Currently, the only items in this category consist of deferred amounts related to pensions and OPEB, as discussed further in Notes (8) and (9), respectively.

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of financial position or fund balance that applies to future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. Currently, the only items in this category consist of deferred amounts related to pensions and OPEB, as discussed further in Notes (8) and (9), respectively.

(n) **Fund equity**—Fund balance for governmental funds report classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in the funds may be spent. The following classifications describe the relative strength of applicable spending constraints:

Nonspendable – amounts not available to be spent or not in spendable form, such as inventory and prepaid items.

Restricted – amounts constrained to specific purposes by their providers (such as grantors and higher levels of government), through constitutional provisions or by enabling legislation.

Committed – amounts the County intends to use for a specific purpose as expressed at the highest level of decision-making authority by the Board of County Commissioners.

Assigned – amounts the County intends to use for a specific purpose. Intent can be expressed by Board of County Commissioners or by an official or body which the Board delegates authority.

Unassigned – amounts that are available for any purpose. Positive amounts are reported only in the General Fund.

When an expenditure is incurred for purposes for which both restricted and unrestricted resources are available; the County considers restricted funds to have been spent first. When expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the County considers amounts to have been spent first out of committed funds, then assigned funds and finally, unassigned funds, as needed.

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) **Summary of Significant Accounting Policies:** (Continued)

(o) **Property taxes**—Property tax revenues are recognized when levied, to the extent that they result in current receivables. Details of the property tax calendar are presented below:

Lien date	January 1
Levy date	October 1
Discount periods	November – February
No discount period	March
Delinquent date	April 1

(p) **Net position flow assumption**—Sometimes the County will fund outlays for a particular purpose from both restricted and unrestricted resources. In order to determine amounts reported as restricted and unrestricted net position, it is the County's policy to consider restricted net position to have been used before unrestricted net position is applied.

(q) **Budgets and budgetary accounting**—Annual budgets are legally adopted by the Board of County Commissioners, on a basis consistent with generally accepted principles for the General Fund and special revenue funds. Formal budgetary integration is employed as a management control device during the year for all governmental funds.

The annual budget is prepared at the fund, department, and division level. The department directors submit requests for appropriations to the Clerk of Courts. The Clerk submits a recommended budget to the Board of County Commissioners. Public hearings on the proposed budget are held in September. On or before October 1, the budget is adopted by the Board of County Commissioners. Transfers between funds and additional appropriations require Board approval. Appropriations in all funds lapse at the close of the fiscal year to the extent that it has not been re-budgeted in the following fiscal year. The fund is the legal level of budgetary control.

(r) **Use of estimates**—Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenses. Actual results could vary from the estimates assumed in preparing the financial statements.

(2) **Reconciliation of Government-Wide and Fund Financial Statements:**

(a) **Explanation of certain differences between the governmental fund balance sheet and the government-wide statement of net position**—Following the governmental fund balance sheet is a reconciliation between fund balance – total governmental funds and net position – governmental activities as reported in the government-wide statement of net position. A detailed explanation of these differences is provided in this reconciliation.

(b) **Explanation of certain differences between the governmental fund statement of revenues, expenditures and changes in fund balances and the government-wide statement of activities**—Following the governmental fund statement of revenues, expenditures and changes in fund balances, there is a reconciliation between net changes in fund balances - total governmental funds and changes in net position of governmental activities as reported in the government-wide statement of activities. A detailed explanation of these differences is provided in this reconciliation.

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(3) Deposits and Investments:

Florida Statutes authorize the County to invest in bonds, notes or other obligations of the U.S. Government, certificates of deposits, repurchase agreements, certain bonds of any State or local government unit and the State Treasurer's Investment Pool. As of September 30, 2023, all County deposits were covered by private bank acquired insurance, Securities Investor Protection Corporation (SIPC) insurance, private broker/dealer acquired insurance, Federal Depository Insurance Corporation (FDIC) insurance, and/or the State of Florida collateral pool established under the Florida Security for Public Deposits Act (the Act). The Act established guidelines for qualification and participation by banks and savings associations, procedures for administration of the collateral requirements and characteristics of eligible collateral. Under the Act, the qualified depository must pledge at least 50% of the average daily balance for each month of all public deposits in excess of any applicable deposit insurance. Additional collateral, up to 125% may be required if deemed necessary.

The investments in local qualified banking institutions and external investment pools operate under the guidelines established by Section 218.415, Florida Statutes. The County's investments in external investment pools at year end were in the following accounts:

Florida Fixed Income Trust (FLFIT)

As of September 30, 2023, the County had \$2,027,883 invested in FLFIT in its Cash Pool Fund, a stable net asset value (NAV) government investment pool rated since 2010 which operates similar to a registered money market fund. The Trust is not required to register with the SEC but has historically adopted operating procedures consistent with those required by Florida Statutes. There are no limitations or restrictions on withdrawals.

Florida Cooperative Liquid Assets Securities System (FLCLASS)

As of September 30, 2023, the County had \$2,703,618 invested in FLCLASS in its Daily Yield Fund, a stable Net Asset Value (NAV) government investment pool rated since 2015 which operates similar to a registered money market fund. The Trust is not required to register with the SEC but has historically adopted operating procedures consistent with those required by Florida Statutes. There are no limitations or restrictions on withdrawals.

Florida Surplus Asset Fund Trust (FLSAFE)

As of September 30, 2023, the County had \$2,391,847 invested in FLSAFE in its Daily Yield Fund, a stable Net Asset Value (NAV) government investment pool rated since 2007 which operates similar to a registered money market fund. The Trust is not required to register with the SEC but has historically adopted operating procedures consistent with those required by Florida Statutes. There are no limitations or restrictions on withdrawals.

Florida Local Government Investment Trust (FLGIT)

As of September 30, 2023, the County, through the Clerk of Court, had \$535,475 invested in FLGIT in its Day-to-Day Fund, a stable Net Asset Value (NAV) government investment pool rated since 2009 which operates similar to a registered money market fund. The Trust is not required to register with the SEC but has historically adopted operating procedures consistent with those required by Florida Statutes. There are no limitations or restrictions on withdrawals.

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(3) Deposits and Investments: (Continued)

As of September 30, 2023, the County held no amount of investments in certificates of deposit. Such investments are recorded at cost plus accrued interest, which approximates fair value.

Interest Rate Risk. The County does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Concentration of Credit Risk. The County places no limit on the amount that may be invested in any one issuer.

(4) Interfund Balances and Transfers:

The County makes routine transfers between its funds in the course of the fiscal year. The principal purposes of these transfers are to allocate resources for debt service, construction or other capital projects, and to provide operating subsidies. These transfers are consistent with the activities of the funds involved. Transfers of resources from a fund receiving revenue to the fund through which the resources are to be expended are recorded as transfers and are reported as other financing sources (uses) in the Governmental Funds and as transfers in (out) in the Proprietary Funds.

As of September 30, 2023, interfund balances consisted of:

Due to Other Funds	Due from Other Funds				Total
	General Fund	Sheriff	Nonmajor Governmental	Sewer Fund	
Governmental Funds:

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(6) Long-Term Liabilities: (Continued)

Governmental Activities

Bond Payable

The County has a bond payable with a financial institution which was utilized to fund the EMS/Fire Facility. This loan is collateralized by and paid from the proceeds of the One Cent Sales Tax. The bond is payable in annual principal payments of \$130,000 plus interest at 2.28% through 2028.

The following schedule provides future debt service requirements of the bond payable:

	Principal	Interest	Total
2024	130,000	14,976	144,976
2025	130,000	11,981	141,981
2026	130,000	8,986	138,986
2027	130,000	5,990	135,990
2028	130,000	2,995	132,995
Total	<u>\$ 650,000</u>	<u>\$ 44,928</u>	<u>\$ 694,928</u>

Note Payable

The County has a note payable with the Florida Local Government Finance Commission which was issued during 2023. This loan requires annual variable interest payments with one final balloon payment for the principal of \$15,000,000 due in 2028.

The following schedule provides future debt service requirements of the note payable:

	Principal	Interest	Total
2024	-	458,893	458,893
2025	-	458,893	458,893
2026	-	458,893	458,893
2027	-	458,893	458,893
2028	15,000,000	458,893	15,458,893
Total	<u>\$ 15,000,000</u>	<u>\$ 2,294,465</u>	<u>\$ 17,294,465</u>

Leases Payable

The County leases heavy equipment under agreements that are classified as leases payable. The agreements bear interest rates ranging from 2.02% to 3.81%. The future minimum lease payments required and the present value of the net minimum lease payments at September 30, 2023, are as follows:

	Principal	Interest	Total
2024	366,017	36,185	402,202
2025	245,380	25,395	270,775
2026	251,499	19,276	270,775
2027	579,781	12,999	592,780
Total	<u>\$ 1,442,677</u>	<u>\$ 93,855</u>	<u>\$ 1,536,532</u>

Amortization of leased equipment under capital assets is included with depreciation expense.

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(6) Long-Term Liabilities: (Continued)

Business-type Activities

Bonds Payable

The County has two bonds with the United States Department of Agriculture for upgrading and expansion of the County's wastewater treatment plant. The original amounts of the bonds were \$6,495,000 and \$321,000 for a total of \$6,816,000. The sewer bonds will be collateralized and paid from the wastewater fee revenues. The sewer bonds will be payable in semi-annual installments over 40 years with the \$6,495,000 loan borrowed at 3.25% and the \$321,000 borrowed at 2.25%.

The following schedule provides future debt service requirements of the bonds payable:

	Principal	Interest	Total
2024	113,800	155,653	269,453
2025	116,800	152,528	269,328

2033-2037	767,300	580,503	1,347,803
2038-2042	873,800	469,575	1,343,375
2043-2047	992,300	343,611	1,335,911
2048-2052	1,130,500	200,088	1,330,588
2053-2057	1,284,500	63,962	1,348,462
Total	<u>\$ 6,189,800</u>	<u>\$ 2,938,886</u>	<u>\$ 9,128,686</u>

Notes Payable

The County has a note payable with the Florida Department of Environmental Protection which was utilized to fund the design and improvements to the wastewater infrastructure. This loan is collateralized by and paid from the County's sewer revenues. The loan is payable in annual installments of \$198,176 including interest at 0.225% through 2024.

The County also has a note payable with the Florida Local Government Finance Commission which was issued during 2023. This loan requires annual variable interest payments with one final balloon payment for the principal of \$15,000,000 due in 2028.

The following schedule provides future debt service requirements of the notes payable:

	Principal	Interest	Total
2024	251,514	481,951	733,465
2025	249,004	482,357	731,361
2026	253,262	475,995	729,257

Total	<u>\$ 13,729,828</u>	<u>\$ 2,413,312</u>	<u>\$ 16,143,140</u>

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(6) Long-Term Liabilities: (Continued)

Accrued Landfill Closure and Long-Term Care Costs

The County is required to recognize a liability equal to the estimated total current cost of closure and post-closure care for its landfill. The County accrues a portion of the estimated future closure cost of the currently operating landfills each year even though actual payouts will not occur until the landfills are closed. The amount recognized each year is based on the landfill capacity used as of the balance sheet date. The County began the closure process in Fiscal Year 2013-2014 and completed the closure in Fiscal Year 2016-2017. At September 30, 2023, the County has accrued \$431,522 for such estimated costs for the Class I Landfill. The County has conducted studies to determine the costs of providing long-term care for its landfill. The results of these studies are reviewed by the Florida Department of Environmental Protection (FDEP).

The County's cost estimate is approximately \$431,522 to provide long-term care for a period of 25 years. These cost estimates may change due to inflation or deflation, or changes in applicable laws or regulations.

The County is required by the State of Florida to make an annual contribution, if necessary, to escrow to finance closure costs. The County is in compliance with these requirements, and, as of September 30, 2023, cash and investments of approximately \$91,611 are held in escrow for these purposes. These are reported as restricted assets on the statement of net position.

(7) Contingencies:

Various suits and claims arising in the ordinary course of the County's operations, some of which involve substantial amounts, are pending against the County.

The ultimate effect of such litigation cannot be ascertained at this time. However, in the opinion of counsel for the County, the liabilities which may arise from such action would not result in losses which would materially affect the financial position of the County or the results of its operations, nor is it anticipated that any material amount will be paid for claims and judgments in the next fiscal year.

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(8) Employees' Retirement Plans:

Florida Retirement System

Plan Description and Administration

The County participates in the Florida Retirement System (FRS), a multiple-employer, cost-sharing defined public employee retirement system which covers all of the County's full-time employees. The System is administered by the State of Florida, Department of Administration, Division of Retirement to provide retirement and survivor benefits to participating public employees. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. The FRS is a single retirement system administered by the Department of Management Services, Division of Retirement, and consists of two cost-sharing, multiple-employer retirement plans and other nonintegrated programs.

These include a defined-benefit pension plan (Plan), with a Deferred Retirement Option Program (DROP), and a defined-contribution plan, referred to as the FRS Investment Plan (Investment Plan).

In addition, all regular employees of the entity are eligible to enroll as members of the Retiree Health Insurance Subsidy (HIS) Program. The HIS is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. Eligible retirees and beneficiaries receive a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$7.50. The minimum payment is \$45 and the maximum payment is \$225 per month, pursuant to section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which can include Medicare.

Benefits Provided and Employees Covered

Employees enrolled in the Plan prior to July 1, 2011, vest at six years of creditable service and employees enrolled in the Plan on or after July 1, 2011, vest at eight years of creditable service. All vested members, enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62 or at any age after 30 years of service. All members enrolled in the Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service. Members of both Plans may include up to four years of credit for military service toward creditable service. The Plan also includes an early retirement provision; however, there is a benefit reduction for each year a member retires before his or her normal retirement date. The Plan provides retirement, disability, death benefits, and annual cost-of-living adjustments. Benefits under the Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the five highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the eight highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement plan and/or class to which the member belonged when the service credit was earned.

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(8) Employees' Retirement Plans: (Continued)

DROP, subject to provisions of Section 121.091, Florida Statutes, permits employees eligible for normal retirement under the Plan to defer receipt of monthly benefit payments while continuing employment with an FRS employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest.

Employees may elect to participate in the Investment Plan in lieu of the FRS defined-benefit plan. Employer and employee contributions are defined by law, but the ultimate benefit depends in part on the performance of investment funds. The Investment Plan is funded by employer and employee contributions that are based on salary and membership class (Regular, DROP, etc.). Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Employees in the Investment Plan vest at one year of service.

Financial Statements

Financial statements and other supplementary information of the FRS are included in the State's Comprehensive Annual Financial Report, which is available from the Florida Department of Financial Services, Bureau of Financial Reporting Statewide Financial Reporting Section by mail at 200 E. Gaines Street, Tallahassee, Florida 32399-0364; by telephone at (850) 413-5511; or at the Department's Web site (www.myfloridacfo.com). An annual report on the FRS, which includes its financial statements, required supplementary information, actuarial report, and other relevant information, is available from:

Florida Department of Management Services
Division of Retirement, Research and Education Services
P.O. Box 9000
Tallahassee, FL 32315-9000
850-488-5706 or toll free at 877-377-1737

Contributions

The County participates in certain classes of FRS membership. Each class had descriptions and contribution rates in effect during the year ended September 30, 2023, as follows (contribution rates are in agreement with the actuarially determined rates):

<u>FRS Membership Plan & Class</u>	<u>Through June 30, 2023</u>	<u>After June 30, 2023</u>
Regular Class	11.91%	13.57%
Senior Management	31.57%	34.52%
Special Risk	27.83%	32.67%
Elected Official	57.00%	58.68%

Current-year employer HIS contributions were made at a rate of 1.75% of covered payroll, which are included in the above rates.

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(8) Employees' Retirement Plans: (Continued)

For the plan year ended June 30, 2023, actual contributions made for employees participating in FRS and HIS were as follows:

Entity Contributions – FRS	\$ 3,171,408
Entity Contributions – HIS	282,588
Employee Contributions – FRS	510,702

Net Pension Liability, Pension Expense, and Deferred Outflows and Inflows of Resources Related to Pensions

At September 30, 2023, the entity reported a liability related to FRS and HIS as follows:

<u>Plan</u>	<u>Net Pension Liability</u>
FRS	\$ 26,268,952
HIS	6,822,377
Total	<u>\$ 33,091,329</u>

The net pension liability was measured as of June 30, 2023, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The County's proportion of the net pension liability was based on a projection of the long-term share of contributions to the pension plan relative to the projected contributions of all participating governmental entities, as actuarially determined. At June 30, 2023 and June 30, 2022, the County's proportionate share of the FRS and HIS net pension liabilities were as follows:

<u>Plan</u>	<u>2023</u>	<u>2022</u>
FRS	0.065924814%	0.060089069%
HIS	0.042958463%	0.039501420%

For the year ended June 30, 2023, pension expense was recognized related to the FRS and HIS plans as follows:

FRS	\$ 11,070,017
HIS	5,423,679
Total	<u>\$ 16,493,696</u>

Deferred outflows/inflows related to pensions:

At September 30, 2023, the County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	<u>FRS</u>		<u>HIS</u>	
	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences between expected and actual experience	\$ 4,932,856	\$ -	\$ 199,750	\$ (32,026)
Changes of assumptions	3,424,856	-	358,716	(1,182,364)
Net difference between projected and actual investment earnings	2,194,125	-	7,046	-
Change in proportionate share	4,385,547	(2,899,799)	1,405,899	(160,722)
Contributions subsequent to measurement date	1,795,566	-	173,132	-
Total	<u>\$16,732,950</u>	<u>\$ (2,899,799)</u>	<u>\$2,144,543</u>	<u>\$ (1,375,112)</u>

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(8) Employees' Retirement Plans: (Continued)

The above amounts for deferred outflows of resources for contributions related to pensions resulting from County contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended September 30, 2024.

Other amounts reported as deferred outflows and deferred inflows of resources related to pensions being amortized for a period of greater than one year will be recognized in pension expense in succeeding years as follows:

	FRS	HIS	Total
2024	\$ 1,622,426	\$ 187,195	\$ 1,809,621
2025	(511,215)	225,064	(286,151)
2026	8,902,679	114,224	9,016,903
2027	1,601,381	(5,907)	1,595,474
2028	422,314	47,646	469,960
Thereafter	-	28,077	28,077
	<u>\$ 12,037,585</u>	<u>\$ 596,299</u>	<u>\$ 12,633,884</u>

Actuarial assumptions:

The actuarial assumptions for both defined benefit plans are reviewed annually by the Florida Retirement System Actuarial Assumptions Conference. The FRS has a valuation performed annually. The HIS Program has a valuation performed biennially that is updated for GASB reporting in the year a valuation is not performed. The most recent experience study for the FRS was completed in 2019 for the period July 1, 2013, through June 30, 2018. Because HIS is funded on a pay-as-you-go basis, no experience study has been completed.

The total pension liability for each of the defined benefit plans was determined by an actuarial valuation, using the entry age normal actuarial cost method. Inflation increases for both plans is assumed at 2.40%. Payroll growth, including inflation, for both plans is assumed at 3.25%. Both the discount rate and the long-term expected rate of return used for FRS investments is 6.70%. This rate decreased from the prior year rate of 6.80%. The plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return.

Because HIS Program uses a pay-as-you-go funding structure, a municipal bond rate of 2.54% was used to determine the total pension for the program. This rate decreased from the prior year rate, which was 2.16%. Mortality assumptions for both plans were based on the PUB-2010 base table varies by member category and sex, projected generationally with Scale MP-2018 details.

Long-term expected rate of return:

To develop an analytical basis for the selection of the long-term expected rate of return assumption, in October 2022, the FRS Actuarial Assumptions conference reviewed long-term assumptions developed by both Milliman's capital market assumptions team and by a capital market assumptions team from Aon Hewitt Investment Consulting, which consults to the Florida State Board of Administration. The table below shows Milliman's assumptions for each of the asset classes in which the plan was invested at that time based on the long-term target asset allocation. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions, and includes an adjustment for the inflation assumption. These assumptions are not based on historical returns, but instead are based on a forward-looking capital market economic model.

Private equity	11.1%	12.0%
Strategic investments	3.8%	6.2%
Total	<u>100.0%</u>	

Sensitivity of the net pension liability to changes in the discount rate:

The following presents the proportionate shares of the FRS and HIS net pension liability of the entity calculated using the current discount rates, as well as what the entity's net pension liability would be if it were calculated using a discount rate that is 1% lower or 1% higher than the current rate:

<u>Plan</u>	<u>Current Discount Rate</u>	<u>NPL with 1% Decrease</u>	<u>NPL at Current Discount Rate</u>	<u>NPL with 1% Increase</u>
FRS	6.60%	\$ 44,872,719	\$ 26,268,952	\$ 10,704,675
HIS	4.30%	7,783,267	6,822,377	6,025,863

(9) **Other Post-Employment Benefits (OPEB):**

Board of County Commissioners' OPEB Plan

Plan Description and Benefits Provided—The Board of County Commissioners' Other Post-Employment Benefit (OPEB) Plan is a single-employer benefit plan administered by the County. Retirees are charged whatever the insurance company charges for the type of coverage elected, however, the premiums charged by the insurance company are based on a blending of the experience among younger active employees and older retired employees. The older retirees actually have a higher cost which means the County is actually subsidizing the cost of the retiree coverage because it pays all or a significant portion of the premium on behalf of the active employee. GASB No. 75 calls this the "implicit rate subsidy." This conforms to the minimum required of Florida governmental employers per Chapter 112.08, Florida Statutes. The Other Post-Employment Benefit Plan does not issue a stand-alone report.

Plan Membership—At September 30, 2023, the date of the latest actuarial valuation, plan participation consisted of the following:

Active Employees	274
Inactive Employees	<u>0</u>
	<u>274</u>

WAKULLA COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(9) Other Post-Employment Benefits (OPEB): (Continued)

Total OPEB Liability—The County’s total OPEB liability of \$3,717,143 was measured as of September 30, 2023, and was determined by an actuarial valuation at October 1, 2022.

Actuarial Assumptions and Other Inputs—The total OPEB liability at the September 30, 2023 measurement date was determined using the following actuarial assumptions and other inputs, applied to all periods in the measurement, unless otherwise specified:

Salary increases	3.00%
Discount rate	4.91%
Healthcare cost trend rate	7.0% reduced 0.5% each year until reaching ultimate trend rate of 5.0%
Retirees’ share of benefit-related costs	100.00%

The County does not have a dedicated Trust to pay retiree healthcare benefits. The discount rate was based on the Bond Buyer 20-Bond GO index as of September 30, 2023.

Mortality rates were based on the Pub-2010 mortality table with generational scale using MP-2020.

Changes in the OPEB liability for the fiscal year ended September 30, 2023, were as follows:

	Total OPEB Liability
Balance at September 30, 2022	\$ 2,412,347
Changes for a year:	
Service cost	184,198
Interest	125,874
Differences between expected and actual experience	1,469,396
Changes of assumptions	(408,046)
Benefit payments – implicit rate subsidy	(66,626)
Net changes	1,304,796
Balance at September 30, 2023	\$ 3,717,143

Sensitivity of the total OPEB liability to changes in the discount rate:

The following presents the total OPEB liability of the County calculated using the discount rate of 4.91%, as well as what the County’s total OPEB liability would be if it were calculated using a discount rate that is 1% lower (3.91%) or 1% higher (5.91%) than the current rate:

	1% Decrease	Current Discount Rate	1% Increase
Total OPEB Liability	\$ 4,223,043	\$ 3,717,143	\$ 3,293,721

WAKULLA COUNTY, FLORIDA

(10) Commitments:

The County had active construction projects as of September 30, 2023. The projects included construction of utility improvements, road and right-of-way improvements, recreational facilities, and sewer improvements. At September 30, 2023, the County's commitments with contractors were as follows:

Project	Total Adjusted Contract Amounts	Remaining Commitment
General Government Projects	\$ 1,196,562	\$ 618,265
Public Safety projects	24,918,482	15,648,218
Transportation Projects	4,452,004	1,519,081
Economic Environment Projects	846,392	133,508
Human Services Projects	769,963	42,739
Culture and Recreation Projects	9,389,875	3,326,364
Sewer and Solid Waste Projects	37,691,644	24,888,331
	<u>\$ 79,264,922</u>	<u>\$ 46,176,506</u>

Construction of transportation infrastructure improvements is being funded from capital project funds and grant funding. The commitment for stormwater drainage improvements is being funded from sewer funds, solid waste funds, and grant funds.

(11) Recent Accounting Pronouncements:

The Governmental Accounting Standards Board (GASB) has issued several pronouncements that have effective dates that may impact future financial statements. Listed below are pronouncements with required implementation dates effective for subsequent fiscal years that have not yet been implemented. Management has not currently determined what, if any, impact implementation of the following will have on the County's financial statements:

- (a) GASB issued Statement No. 101, *Compensated Absences*, in June 2022. GASB Statement No. 101 amends the existing guidance related to the calculation and disclosures surrounding the liability for compensated absences. The provisions for GASB 101 are effective for fiscal years beginning after December 15, 2023.
- (b) GASB issued Statement No. 102 *Certain Risk Disclosures*, in December 2023. The objective of GASB 102 is to provide users of government financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints. The effective date for implementation is fiscal years beginning after June 15, 2024, and all reporting periods thereafter.

WAKULLA COUNTY, FLORIDA
NOTE TO SCHEDULES OF REVENUES, EXPENDITURES, AND CHANGES IN FUND
BALANCE - BUDGET AND ACTUAL
SEPTEMBER 30, 2023
(UNAUDITED)

Note to Budgetary Comparison Schedules:

The preparation, adoption and amendment of the budgets are governed by Florida Statutes. The fund is the legal level of control. Budgets are prepared on a basis that does not differ materially from generally accepted accounting principles (GAAP). Appropriations lapse at year-end. Budgeted excess expenditures over revenues are funded through transfers in and use of fund balance reserves.

WAKULLA COUNTY, FLORIDA
NOTES TO THE SCHEDULE OF EXPENDITURES OF
FEDERAL AWARDS AND STATE FINANCIAL ASSISTANCE
FOR THE YEAR ENDED SEPTEMBER 30, 2023

(1) Basis of Presentation:

The accompanying schedule of expenditures of federal awards and state financial assistance includes the state grant activity of Wakulla County, Florida (the County). The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Section 215.97, Florida Statutes, *Florida Single Audit Act*. Because the Schedule presents only a selected portion of the operations of the County, it is not intended to and does not present the financial position, changes in net position, or cash flows of the County.

(2) Summary of Significant Accounting Policies:

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following, as applicable, either the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Section 215, Florida Statutes, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

(3) De Minimis Indirect Cost Rate Election:

The County has elected not to use the 10 percent de minimis indirect cost rate as allowed under Uniform Guidance.

(4) Subrecipients:

During the year ended September 30, 2023, the County provided no federal or state awards to subrecipients.

(5) Contingency:

Project expenditures are subject to audit and adjustment. If any expenditures were to be disallowed by the grantor agency as a result of such an audit, any claim for reimbursement to the grantor agency would become a liability of the County. In the opinion of management, all project expenditures included on the accompanying schedule are in compliance with the terms of the project agreements and applicable federal and state laws and regulations.

Identification of major State projects:

<u>CSFA Number</u>	<u>Project Name</u>
37.052	Florida Springs Grant Program
55.016	Small County Road Assistance Program
55.009	Small County Outreach Program

B. Financial Statement Findings:

2023-001: Audit Adjustments and Preparation of Financial Statements

Criteria: Internal controls over financial reporting should include year-end adjustments of all significant account balances, with such adjustments to also include procedures related to the proper cutoff of significant revenue and expense activities. In addition, management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The capability of management to prepare the financial statements and related disclosures is considered a crucial element of the internal control structure.

Condition: For the year ended September 30, 2023, various significant adjustments were required to be made to the accounting records subsequent to the start of the audit process related to year-end accrual entries.

Cause: Various internal balances were not adjusted for final year-end accrual adjustments at the start of audit fieldwork. In addition, management did not retain an individual with expertise to oversee preparation of the financial statements.

Effect: Financial statements would be materially misstated if significant adjustments were not made. In addition, management's reliance on auditors for expertise in drafting the financial statements and related disclosures indicates a material weakness in the controls structure.

Recommendation: We recommend management select and apply the appropriate accounting principles to record year-end accrual basis adjustments to prepare the financial statements in accordance with generally accepted accounting principles. We recommend management retain or train individuals to assist in the preparation of the financial statements in accordance with GAAP.

- C. **Federal Award Findings and Questioned Costs:** None.
- D. **State Project Findings and Questioned Costs:** None.
- E. **Summary Schedule of Prior Audit Findings:** Not applicable as no prior year findings were reported as part of a single audit.
- F. **Corrective Action Plan:** See Management's Response to Findings as listed in the table of contents.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY UNIFORM GUIDANCE AND CHAPTER 10.550, RULES OF THE AUDITOR GENERAL

To the Honorable Board of County Commissioners,
Wakulla County, Florida:

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited Wakulla County, Florida (the County)'s compliance with the types of compliance requirements described in the U.S. Office of Management and Budget Compliance Supplement and the requirements described in the *Florida Department of Financial Services State Projects Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs and state projects for the year ended September 30, 2023. The County's major federal programs and state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended September 30, 2023.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations, Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, Rules of the Auditor General. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of the County's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the County's federal programs and state projects.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.550, Rules of the Auditor General will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the County's compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.550, Rules of the Auditor General we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the County's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the County's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or as combination of deficiencies, in internal control over compliance with the type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses, or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

A handwritten signature in black ink that reads "James Moore & Co., P.L.". The signature is written in a cursive, flowing style. The "J" is large and loops around the "M". The "&" is written as an ampersand. The "Co." is written in a simple, slightly stylized font. The "P.L." is written in a similar simple font.

Tallahassee, Florida
April 18, 2024

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT
AUDITING STANDARDS***

The Honorable Board of County Commissioners,
Wakulla County, Florida:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Wakulla County, Florida (the County) as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated April 18, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the County's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Management's Response to Findings

Management's response to the findings identified in our audit is described in the accompanying Schedule of Prior Audit Findings/Management's Response to Current Audit Findings. The County's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' MANAGEMENT LETTER REQUIRED
BY CHAPTER 10.550, RULES OF THE STATE OF FLORIDA
OFFICE OF THE AUDITOR GENERAL**

To the Honorable Board of County Commissioners,
Wakulla County, Florida:

Report on the Financial Statements

We have audited the financial statements of Wakulla County, Florida (the County), as of and for the fiscal year ended September 30, 2023, and have issued our report thereon dated April 18, 2024.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; Independent Auditors' Report on Compliance for Each Major State Project and Report on Internal Control over Compliance in Accordance with Chapter 10.550 Rules of the Florida Auditor General; Schedule of Findings and Questioned Costs; and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports and schedule, which are dated April 18, 2024, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. See Note 1 to the financial statements for the relevant disclosure.

Financial Condition and Management

Section 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, requires us to apply appropriate procedures and communicate the results of our determination as to whether or not the County has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that the County did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures. It is management's responsibility to monitor the County's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.c., Rules of the Auditor General, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units; therefore, we did not note any such component units that failed to provide the necessary information, nor is any specific special district information required to be reported.

Specific Special District Information – Wakulla Industrial Development Authority

The following items have been provided to us to comply with state reporting requirements and have not been audited by us. We did not audit the following information within this section, nor were we required to perform any procedures to verify the accuracy or the completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any form of assurance on this data.

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the Wakulla Industrial Development Authority ("the District") reported the following unaudited data:

- a) The total number of District employees compensated in the last pay period of the District's fiscal year: 0.
- b) The total number of independent contractors to whom nonemployee compensation was paid in the last month of the District's fiscal year: 0.
- c) All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency: \$0.
- d) All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency: \$0.
- e) Each construction project with a total cost of at least \$65,000 approved by the District that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project as:
 - a. No such projects applicable.

- f) A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the District amends a final adopted budget under Section 189.016(6), Florida Statutes, as follows: Original budget \$0. Amendments \$0. Final budget \$0.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and State grant agencies, the Board of County Commissioners, management, and others within the County and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' EXAMINATION REPORT

To the Honorable Board of County Commissioners,
Wakulla County, Florida

We have examined the compliance of Wakulla County, Florida (the County) with Section 365.172, Florida Statutes, *Emergency Communications Number "E911"*, Section 365.173, Florida Statutes, *Communications Number E911 System Fund*, and Section 218.415, Florida Statutes, *Local Government Investment Policies* (the Statutes), for the year ended September 30, 2023. The County's Management is responsible for the compliance with those requirements. Our responsibility is to obtain reasonable assurance by evaluating against aforementioned statutes and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation based on our examination.

Our examination was conducted in accordance with the attestation standards for a direct examination engagement established by the AICPA. Those standards require that we obtain reasonable assurance by evaluating against aforementioned statutes during the year ended September 30, 2023 and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our measurement or evaluation of County's compliance during the year ended September 30, 2023. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks that were not in accordance with those requirements in all material respects, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent of the County, and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our examination engagement.

In our opinion, for the year ended September 30, 2023, the County complied with the Statutes in all material respects.

**WAKULLA COUNTY, FLORIDA
MANAGEMENT'S RESPONSE
FOR THE YEAR ENDED SEPTEMBER 30, 2023**

Management's Response to Current Year Finding

2023-001 – Audit Adjustments and Preparation of Financial Statements

Response: Wakulla County Management and the Wakulla County Clerk of Court & Comptroller's office concurs with your finding. The Wakulla County Clerk of Court & Comptroller's office has internal controls and procedures in place to properly identify the appropriate year-end adjustments in order to prepare and fairly present the financial statements in accordance with generally accepted accounting principles (GAAP).

Internal controls were ignored and procedures were not followed. Additional training will be performed by management to ensure these internal controls and procedures are adhered to and that the appropriate year-end adjustments are properly identified in order to prepare and fairly present the financial statements in accordance with generally accepted accounting principles (GAAP).

INDEPENDENT AUDITORS' REPORT

The Honorable Greg James, Clerk of the Circuit Court,
Wakulla County, Florida:

Report on the Financial Statements

Opinions

We have audited the financial statements of each major fund and the aggregate remaining fund information of the Wakulla County Clerk of Court and Comptroller (the Office), as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Office's financial statements, as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information of the Office as of September 30, 2023, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Office and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund and the aggregate remaining fund information, only for that portion of the major funds and the aggregate remaining fund information, of Wakulla County, Florida (the County), that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of the County as of September 30, 2023, the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgment made by a reasonable user made on the basis of these financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Office's financial statements. The combining schedule of fiduciary net position, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements. The combining schedule of fiduciary net position is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining schedule of fiduciary net position is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 18, 2024, on our consideration of the Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control over financial reporting and compliance.

WAKULLA COUNTY CLERK OF COURT AND COMPTROLLER
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) Summary of Significant Accounting Policies:

The accounting policies of the Wakulla County Clerk of Court and Comptroller (the “Office”) conform to generally accepted accounting principles as applicable to governments in the Governmental Accounting Standards Board (GASB) Codification. The following is a summary of the more significant policies.

(a) **Reporting entity**— The Clerk is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. The Office is an integral part of Wakulla County, Florida (the County), the reporting entity for financial reporting purposes. The Office’s General Fund is combined with the Board of County Commissioners in the County’s financial statements to properly reflect the county-wide General Fund.

(b) **Basis of presentation**—The Office’s financial statements are special-purpose financial statements that have been prepared for the purpose of complying with the Rules of the Auditor General of the State of Florida (the Rules). In conformity with the Rules, the Office has not presented the government-wide financial statements, the reconciliations to the government-wide statements or management’s discussion and analysis.

(c) **Fund accounting**—Accounts are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate for each fund type. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The focus of fund financial statements is on major funds, each displayed in a separate column.

The Office reports the following major governmental funds; there is one non-major governmental fund (the Employee Benefit Fund):

General Fund – The General Fund of the Clerk is used to account for all financial resources (revenues and appropriations) which are generated from the operation of the Clerk’s Office relating to the Board of County Commissioners – the Finance department, the Maintenance department and the Recording department – and any other resources not required to be accounted for in a separate fund.

Special Revenue Funds - The Clerk’s special revenue funds are used to account for the proceeds of specific revenue sources which are legally restricted to expenditures for specified purposes.

Additionally, the Office reports the following fiduciary fund type:

Collections Trust Fund - The Collections Trust Fund is used to account for the collection of court related fees, fines, service charges, and court costs and county recording fees, service charges, and other miscellaneous revenues that are collected on behalf of and due to individuals, other County funds, local governmental entities, or the State of Florida.

WAKULLA COUNTY CLERK OF COURT AND COMPTROLLER
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) **Summary of Significant Accounting Policies:** (Continued)

(d) **Measurement focus/basis of accounting**—All governmental funds are accounted for on a spending or current financial resources measurement focus and the modified accrual basis of accounting. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of “available spendable resources”. Their operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of “available spendable resources” during a period.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. The Office follows the County's policy for revenue recognition in which it considers revenues to be available if they are collected within 60 days of the current fiscal period.

Expenditures are recorded when the related fund liability is incurred, except for certain compensated absences, which are recognized as expenditures to the extent they have matured. Interest income and other revenue are recognized as they are earned and become measurable and available to pay liabilities of the current period.

(e) **Cash and cash equivalents**—The Office’s cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

(f) **Prepaid items**—The Office’s prepaid items consist of certain costs which have been paid prior to the end of the fiscal year, but represent items which are applicable to future accounting periods. Prepaid items are recognized as expenses when the related expenses are incurred.

(g) **Accounts payable**—Accounts payable balances in the general fund are primarily payable to third-party vendors for goods provided and services rendered.

(h) **Compensated absences**— The Office follows generally accepted accounting principles in accounting for accrued compensated absences. The Office allows limited vesting of unused employee leave time. Since the annual and sick leave liability is considered long-term, it is recorded in the government-wide financial statements of the County. Compensated absences are expected to be paid out of the General Fund of the Office and this practice is expected to continue in the future. The Office maintained compensated absence records for the hours earned, used and available.

(i) **Fund balance**— Fund balance for governmental funds report classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in the funds may be spent. In as much as the Clerk of Court is a county constitutional officer, any funds remaining at the end of the fiscal year are returned to the Board of County Commissioners. Unassigned fund balance represents funds available for spending at the government’s discretion.

WAKULLA COUNTY CLERK OF COURT AND COMPTROLLER
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) Summary of Significant Accounting Policies: (Continued)

The Office does not have a formal written policy regarding whether restricted or unassigned amounts are considered to be spent when an expenditure for purposes for which both restricted and unrestricted fund balances are available. However, it has been the Office's general practice when expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available; the Office considers restricted funds to have been spent first. When expenditure is incurred for which committed, assigned or unassigned fund balances are available, the Office considers amounts to have been spent first out of committed funds, then assigned funds, and lastly unassigned funds, as needed.

(j) **Use of estimates**—The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates. Actual results could differ from those estimates.

(2) Budgets and Budgetary Accounting:

Governmental fund revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with the Florida Statutes. An annual budget was adopted for the General Fund. All budget amounts presented in the accompanying special-purpose financial statements have been adjusted for legally authorized amendments of the annual budget for the year. The annual budget is monitored at varying levels of classification detail. However, for purposes of budgetary control, expenditures cannot legally exceed the total budget appropriations at the individual fund level. All appropriations lapse at year-end.

(3) Investments:

Florida Statutes authorize the Office to invest in bonds, notes or other obligations of the U.S. Government, certificates of deposits, repurchase agreements, certain bonds of any State or local government unit and the State Treasurer's Investment Pool.

Interest Rate Risk. The Office does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Concentration of Credit Risk. The Office places no limit on the amount the Office may invest in any one issuer. The Office maintained 100-percent of excess deposits in a checking account with a local financial institution subject to Federal Depository Insurance Corporation (FDIC) insurance, and/or the Florida Local Government Investment Trust's ("FLGIT") short-term bond fund administered by the Florida Association of Court Clerks and Comptrollers.

(4) Risk Management:

The County purchased commercial insurance to limit the exposure of the following risks of loss: theft of, damage to, and destruction of assets; natural disasters and injuries to employees. Commercial insurance has been purchased by the Office to cover the risks of loss due to employee errors or omissions and health insurance.

WAKULLA COUNTY CLERK OF COURT AND COMPTROLLER
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(5) Pension Plan:

The Office participates in the Florida Retirement System (FRS), a multiple-employer, cost-sharing defined public employee retirement system which covers all of the Office's full-time employees. The System is administered by the State of Florida, Department of Administration, Division of Retirement to provide retirement and survivor benefits to participating public employees. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. The FRS is a single retirement system administered by the Department of Management Services, Division of Retirement, and consists of two cost-sharing, multiple-employer retirement plans and other nonintegrated programs. These include a defined-benefit pension plan (Plan), with a Deferred Retirement Option Program (DROP), and a defined-contribution plan, referred to as the FRS Investment Plan (Investment Plan).

In addition, all regular employees of the Office are eligible to enroll as members of the Retiree Health Insurance Subsidy (HIS) Program. The HIS is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. For the fiscal year ended September 30, 2023, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$7.50. The minimum payment is \$45 and the maximum payment is \$225 per month, pursuant to section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which can include Medicare.

For financial reporting purposes, the Office is deemed to be part of the primary government of the County. A liability related to the Office's proportionate share of FRS retirement benefits, along with a detailed plan description, is reported in the financial statements of the County for the fiscal year ended September 30, 2023.

**WAKULLA COUNTY CLERK OF COURT AND COMPTROLLER
NOTE TO SCHEDULES OF REVENUES, EXPENDITURES, AND
CHANGES IN FUND BALANCES – BUDGET AND ACTUAL –
GOVERNMENTAL FUNDS
FOR THE YEAR ENDED SEPTEMBER 30, 2023**

(1) **Budgetary Information:**

An annual budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America for the general fund, the child support grant fund, the records modernization trust fund, and the state court fund. All annual appropriations lapse at fiscal year-end.

The Clerk follows these procedures in establishing the budgetary data reflected in the financial statements:

- a) The preparation, adoption and amendment of the budgets are governed by Florida Statutes. Public hearings are conducted to obtain taxpayer comments.
- b) Budget excess expenditures over revenues are funded through appropriations from the Board of County Commissioners.
- c) Formal budgetary integration is employed as a management control device during the year. The legal level of budgetary control is the fund level.
- d) The budgets for the funds are adopted on a basis consistent with accounting principles generally accepted in the United States of America.

ADDITIONAL ELEMENTS REQUIRED BY THE RULES OF THE AUDITOR GENERAL

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
SPECIAL-PURPOSE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

The Honorable Greg James, Clerk of the Circuit Court,
Wakulla County, Florida:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of each major fund and aggregate remaining fund information of the Wakulla County Clerk of Court and Comptroller (the Office) as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Office's special-purpose financial statements, and have issued our report thereon dated April 18, 2024, which was modified to refer to a basis of accounting required for compliance with state filing requirements, and for other reasons.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the special-purpose financial statements, we considered the Office's internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the special-purpose financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Office's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Office's special-purpose financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Tallahassee, Florida
April 18, 2024

**INDEPENDENT AUDITORS' MANAGEMENT LETTER REQUIRED BY
CHAPTER 10.550, RULES OF THE STATE OF FLORIDA, OFFICE OF THE
AUDITOR GENERAL**

The Honorable Greg James, Clerk of the Circuit Court,
Wakulla County, Florida:

We have audited the financial statements of the Wakulla County Clerk of Court and Comptroller (the Office), as of and for the fiscal year ended September 30, 2023, and have issued our report thereon dated April 18, 2024.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of Special-Purpose Financial Statements Performed in Accordance with *Government Auditing Standards*, and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated April 18, 2024, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address all findings and recommendations made in the preceding financial audit report, if applicable.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Office is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. Wakulla County, including the Office of the Clerk, was established by Chapter 8516, Laws of Florida in 1921. There are no component units of the Office to be disclosed as required by accounting principles generally accepted in the United States of America.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Office, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink that reads "James Moore & Co., P.L." The signature is written in a cursive, flowing style.

INDEPENDENT ACCOUNTANTS' EXAMINATION REPORT

The Honorable Greg James, Clerk of the Circuit Court,
Wakulla County, Florida:

We have examined the Wakulla County Clerk of Courts and Comptroller's (the Office) compliance with Section 218.415, Florida Statutes, *Local Government Investment Policies*, Section 28.35, Florida Statutes, *Florida Clerks of Court Operations Corporation*, Section 28.36, Florida Statutes, *Budget Procedure*, and Section 61.181, Florida Statutes, *Depository for Alimony Transactions, Support, Maintenance, and Support Payments; Fees* (collectively, "the Statutes"), for the year ended September 30, 2023. Management is responsible for the Office's compliance with those requirements. Our responsibility is to obtain reasonable assurance by evaluating against the aforementioned statutes and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation based on our examination.

Our examination was conducted in accordance with the attestation standards for a direct examination engagement established by the AICPA. Those standards require that we obtain reasonable assurance by evaluating against the aforementioned statutes during the year ended September 30, 2023 and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation of Office's compliance during the year ended September 30, 2023. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks that were not in accordance with those requirements in all material respects, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent of the Office, and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our examination engagement.

In our opinion, for the year ended September 30, 2023, the Office complied with the Statutes in all material respects.

INDEPENDENT AUDITORS' REPORT

The Honorable Ed Brimmer, Assistant Property Appraiser,
Wakulla County, Florida:

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of the general fund for the Wakulla County Property Appraiser (the Office), as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Office's financial statements, as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the general fund of the Office as of September 30, 2023, and the change in financial position thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Office and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the general fund, only for that portion of the general funds of Wakulla County, Florida, that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of Wakulla County, Florida as of September 30, 2023, the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the judgment made by a reasonable user made on the basis of these financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of County Agency's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 18, 2024, on our consideration of the Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control over financial reporting and compliance.

The accompanying notes to financial statements are an integral part of this statement.

WAKULLA COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) Summary of Significant Accounting Policies:

The accounting policies of the Wakulla County Property Appraiser (the “Office”) conform to generally accepted accounting principles as applicable to governments in the Governmental Accounting Standards Board (GASB) Codification. The following is a summary of the more significant policies.

(a) **Reporting entity**—The Property Appraiser is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. The Office is an integral part of Wakulla County, Florida (the County), the reporting entity for financial reporting purposes. The Office’s General Fund is combined with the Board of County Commissioners in the County’s financial statements to properly reflect the county-wide General Fund.

(b) **Basis of presentation**—The Office’s financial statements are special-purpose financial statements that have been prepared for the purpose of complying with the Rules of the Auditor General of the State of Florida (the Rules). In conformity with the Rules, the Office has not presented the government-wide financial statements, the reconciliations to the government-wide statements or management’s discussion and analysis.

(c) **Fund accounting**—Accounts are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate for each fund type. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The focus of fund financial statements is on major funds, each displayed in a separate column.

The Office reports the following major governmental fund; there are no non-major governmental funds:

General Fund – The principal operating fund of the Office. It is used to account for all financial resources.

(d) **Measurement focus/basis of accounting**—All governmental funds are accounted for on a spending or current financial resources measurement focus and the modified accrual basis of accounting. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of “available spendable resources”. Their operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of “available spendable resources” during a period.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available to finance liabilities of the current fiscal year. The Office follows the County’s policy for revenue recognition in which it considers revenues to be available if they are collected within 60 days of the current fiscal period.

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred, except for certain compensated absences, which are recognized as expenditures to the extent they have matured. Interest income and other revenue are recognized as they are earned and become measurable and available to pay liabilities of the current period.

WAKULLA COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) **Summary of Significant Accounting Policies:** (Continued)

(e) **Cash and cash equivalents**—The Office's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

(f) **Capital assets and long-term liabilities**—Capital assets used by the Office are capitalized (recorded and accounted for) by the Wakulla County Board of County Commissioners.

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by non-current liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the financial statements of the County.

(g) **Accounts payable**—Accounts payable balances in the general fund are primarily payable to third-party vendors for goods provided and services rendered.

(h) **Compensated absences**—The Office follows generally accepted accounting principles in accounting for accrued compensated absences. The Office allows limited vesting of unused employee leave time. Since the annual and sick leave liability is considered long-term, it is recorded in the government-wide financial statements of the County. Compensated absences are expected to be paid out of the General Fund of the Office and this practice is expected to continue in the future. The Office kept compensated absence records for the hours earned, used and available.

(i) **Fund balance**— Fund balance for governmental funds report classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in the funds may be spent. In as much as the Property Appraiser is a county constitutional officer, any funds remaining at the end of the fiscal year are returned to the Board of County Commissioners. Unassigned fund balance represents funds available for spending at the government's discretion.

The Office does not have a formal written policy regarding whether restricted or unassigned amounts are considered to be spent when an expenditure for purposes for which both restricted and unrestricted fund balances are available. However, it has been the Office's general practice when expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available; the Office considers restricted funds to have been spent first. When expenditure is incurred for which committed, assigned or unassigned fund balances are available, the Office considers amounts to have been spent first out of committed funds, then assigned funds, and lastly unassigned funds, as needed.

(j) **Use of estimates**—The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates. Actual results could differ from those estimates.

**WAKULLA COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023**

(2) Budgets and Budgetary Accounting:

Governmental fund revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with the Florida Statutes. An annual budget was adopted for the General Fund. All budget amounts presented in the accompanying special-purpose financial statements have been adjusted for legally authorized amendments of the annual budget for the year. The annual budget is monitored at varying levels of classification detail. However, for purposes of budgetary control, expenditures cannot legally exceed the total budget appropriations at the individual fund level. All appropriations lapse at year-end.

(3) Investments:

Florida Statutes authorize the Office to invest in bonds, notes or other obligations of the U.S. Government, certificates of deposits, repurchase agreements, certain bonds of any State or local government unit and the State Treasurer's Investment Pool.

Interest Rate Risk. The Office does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Concentration of Credit Risk. The Office places no limit on the amount the Office may invest in any one issuer. The Office maintained 100-percent of excess deposits in a checking account with a local financial institution subject to Federal Depository Insurance Corporation (FDIC) insurance, and/or the State of Florida collateral pool established under the Florida Security for Public Deposits Act (the Act).

(4) Risk Management:

The County purchased commercial insurance to limit the exposure of the following risks of loss: theft of, damage to, and destruction of assets; natural disasters and injuries to employees. Commercial insurance has been purchased by the Office to cover the risks of loss due to employee errors or omissions and health insurance.

There are some pending legal actions that could eventually result in a liability for the Property Appraiser's office. The ultimate liability resulting from these actions cannot be determined at this time; however, in the opinion of the Property Appraiser's legal counsel, any claims not covered by insurance resulting from such litigation would not be material in relation to the Property Appraiser's financial condition.

(5) Pension Plan:

The Office participates in the Florida Retirement System (FRS), a multiple-employer, cost-sharing defined public employee retirement system which covers all of the Office's full-time employees. The System is administered by the State of Florida, Department of Administration, Division of Retirement to provide retirement and survivor benefits to participating public employees. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. The FRS is a single retirement system administered by the Department of Management Services, Division of Retirement, and consists of two cost-sharing, multiple-employer retirement plans and other nonintegrated programs. These include a defined-benefit pension plan (Plan), with a Deferred Retirement Option Program (DROP), and a defined-contribution plan, referred to as the FRS Investment Plan (Investment Plan).

WAKULLA COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(5) Pension Plan: (Continued)

In addition, all regular employees of the office are eligible to enroll as members of the Retiree Health Insurance Subsidy (HIS) Program. The HIS is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. For the fiscal year ended September 30, 2023, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$7.50. The minimum payment is \$45 and the maximum payment is \$225 per month, pursuant to section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which can include Medicare.

For financial reporting purposes, the Office is deemed to be part of the primary government of the County. A liability related to the Office's proportionate share of FRS retirement benefits, along with a detailed plan description, is reported in the financial statements of the County for the fiscal year ended September 30, 2023.

**WAKULLA COUNTY PROPERTY APPRAISER
NOTE TO SCHEDULE OF REVENUES, EXPENDITURES, AND
CHANGES IN FUND BALANCES – BUDGET AND ACTUAL –
GENERAL FUND
FOR THE YEAR ENDED SEPTEMBER 30, 2023**

(1) **Budgetary Information:**

An annual budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America for the general fund. All annual appropriations lapse at fiscal year-end.

The Property Appraiser follows these procedures in establishing the budgetary data reflected in the financial statements:

- a) The preparation, adoption and amendment of the budgets are governed by Florida Statutes. Public hearings are conducted to obtain taxpayer comments.
- b) Budget excess expenditures over revenues are funded through appropriations from the Board of County Commissioners.
- c) Formal budgetary integration is employed as a management control device during the year for the General Fund. The legal level of budgetary control is the fund level.
- d) The budgets for the funds are adopted on a basis consistent with accounting principles generally accepted in the United States of America.

ADDITIONAL ELEMENTS REQUIRED BY THE RULES OF THE AUDITOR GENERAL

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
SPECIAL-PURPOSE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

The Honorable Ed Brimmer, Property Appraiser,
Wakulla County, Florida:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the General Fund of the Wakulla County Property Appraiser (the Office) as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Office's special-purpose financial statements, and have issued our report thereon dated April 18, 2024, which was modified to refer to a basis of accounting required for compliance with state filing requirements, and for other reasons.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the special-purpose financial statements, we considered the Office's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the special-purpose financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Office's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Office's special-purpose financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Tallahassee, Florida
April 18, 2024

**INDEPENDENT AUDITORS' MANAGEMENT LETTER REQUIRED BY
CHAPTER 10.550, RULES OF THE STATE OF FLORIDA, OFFICE OF THE
AUDITOR GENERAL**

The Honorable Ed Brimmer, Property Appraiser,
Wakulla County, Florida:

Report on the Financial Statements

We have audited the financial statements of the Wakulla County Property Appraiser (the Office), as of and for the fiscal year ended September 30, 2023, and have issued our report thereon dated April 18, 2024.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of Special-Purpose Financial Statements Performed in Accordance with *Government Auditing Standards*, and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated April 18, 2024, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made in the preceding financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Wakulla County Property Appraiser is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. Wakulla County, including the Office of the Property Appraiser, was established by Chapter 8516, Laws of Florida in 1921. There are no component units of the Wakulla County Property Appraiser to be disclosed as required by accounting principles generally accepted in the United States of America.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. See below for recommendation in connection with our audit.

2023-001: Property Appraiser Valuation Assessment Error

The Property Appraiser's office is responsible for providing taxable valuations of property on the County's tax roll to the Tax Collector's office so that the County can complete its annual budget process. During the valuation process for the fiscal year 2024 budget, a property was incorrectly valued at more than \$300 million its actual taxable property value. This resulted in a County budget revenue shortfall of \$2.4 million. We recommend the Office review its policies and procedures for its valuation process including opportunities to implement error checking systems to ensure proper property valuations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Management's Response to Findings

The Office's response to the findings identified in our audit are outlined as listed in the table of contents. The Office's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Wakulla County Property Appraiser, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink that reads "James Moore & Co., P.L." The signature is written in a cursive, flowing style.

Tallahassee, Florida
April 18, 2024

INDEPENDENT ACCOUNTANTS' EXAMINATION REPORT

The Honorable Ed Brimmer, Property Appraiser,
Wakulla County, Florida:

We have examined the Wakulla County Property Appraiser's (the Office) compliance with Section 218.415, Florida Statutes, *Local Government Investment Policies* (the Statute), for the year ended September 30, 2023. Management is responsible for the Office's compliance with those requirements. Our responsibility is to obtain reasonable assurance by evaluating against the aforementioned statutes and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation based on our examination.

Our examination was conducted in accordance with the attestation standards for a direct examination engagement established by the AICPA. Those standards require that we obtain reasonable assurance by evaluating against the aforementioned statutes during the year ended September 30, 2023 and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation of Office's compliance during the year ended September 30, 2023. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks that were not in accordance with those requirements in all material respects, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent of the Office, and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our examination engagement.

In our opinion, for the year ended September 30, 2023, the Office complied with the Statute in all material respects.

James Moore & Co., P.L.

Tallahassee, FL 32308

RE: 2022/2023 Audit

To whom it may concern:

Under Financial Management, your auditor noted:

2023-001: Property Appraiser Valuation Assessment Error

The Property Appraiser's office is responsible for providing taxable valuations of property on the County's tax roll to the Tax Collector's office so that the County can complete its annual budget process. During the valuation process for the fiscal year 2024 budget, a property was incorrectly valued at more than \$300 million its actual taxable property value. This resulted in a county budget revenue shortfall of 2.4 million. We recommend the Office review its policies and procedures for its valuation process including opportunities to implement error checking systems to ensure proper property valuations.

This error was the result of a "property split." A single property was split into four separate lots. Each lot was then valued separately. A "fat finger" mistake while entering the value on one of the four lots resulted in this error. The following changes were immediately implemented.

- **Internal procedures changed so at least two people review all new mapping values. The mapper makes the change, and our deeds specialist enters value of the new lot based on similar surrounding lots. This change then goes to the Chief Appraiser so he can double check the value and make any necessary modifications to values. These changes are then forwarded to the Property Appraiser for a final review.**
- **Prior to the tax roll being provided to the tax collector, a check is run of all property values. Any properties valued over \$1 million are double checked to ensure the correct assessments.**

Every effort is made to ensure Honest and Impartial Assessments across all aspects of the property appraisal process.

Sincerely,

Edward E. Brimner, CFA
Wakulla County Property Appraiser

INDEPENDENT AUDITORS' REPORT

The Honorable Jared F. Miller, Sheriff,
Wakulla County, Florida:

Report on the Financial Statements

Opinion

We have audited the financial statements of each major fund and the aggregate remaining fund information of the Wakulla County Sheriff (the Office), as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Office's financial statements, as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information of the Office as of September 30, 2023, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Office and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund, and aggregate remaining fund information only for that portion of the major funds, and aggregate remaining fund information of Wakulla County, Florida (the County), that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of the County as of September 30, 2023, the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Office's financial statements. The supplementary information, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 18, 2024, on our consideration of the Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control over financial reporting and compliance.

WAKULLA COUNTY SHERIFF
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) Summary of Significant Accounting Policies:

The accounting policies of the Wakulla County Sheriff (the Office) conform to generally accepted accounting principles as applicable to governments in the Governmental Accounting Standards Board (GASB) Codification. The following is a summary of the more significant policies.

(a) **Reporting entity**—The Sheriff is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. The Office is an integral part of Wakulla County, Florida (the County), the reporting entity for financial reporting purposes. The Office's General Fund is combined with the Board of County Commissioners in the County's financial statements to properly reflect the county-wide General Fund.

(b) **Basis of presentation**—The Office's financial statements are special-purpose financial statements that have been prepared for the purpose of complying with the Rules of the Auditor General of the State of Florida (the Rules). In conformity with the Rules, the Office has not presented the government-wide financial statements, the reconciliations to the government-wide statements or management's discussion and analysis.

(c) **Fund accounting**—Accounts are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate for each fund type. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The focus of fund financial statements is on major funds, each displayed in a separate column.

The Office reports the following major governmental funds:

General Fund – The principal operating fund of the office. It is used to account for all financial resources, except those required to be accounted for in another fund.

Special Revenue Funds – The Inmate Welfare Special Revenue Fund is used to account for the funds that are generated by phone commissions. The profits can only be spent for the benefit of the inmates. The Grants Special Revenue Fund is used to account for the funds generated by various grants and contracts and restricted for those purposes.

Additionally, the Sheriff reports the following fiduciary fund type:

Custodial Fund – Custodial Funds are used to account for assets held by the Office in a trustee capacity, or as an agent for individuals, private organizations, and other governments.

(d) **Measurement focus/basis of accounting**—All governmental funds are accounted for on a spending or current financial resources measurement focus and the modified accrual basis of accounting. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of "available spendable resources". Their operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of "available spendable resources" during a period.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. The Office follows the County's policy for revenue recognition in which it considers revenues to be available if they are collected within 60 days of the current fiscal period.

WAKULLA COUNTY SHERIFF
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) **Summary of Significant Accounting Policies:** (Continued)

(e) **Cash**—The Office's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

(f) **Capital assets and long-term liabilities**—Capital assets used by the Office are capitalized (recorded and accounted for) by the Wakulla County Board of County Commissioners.

Depreciation is reported for the primary government using the straight-line method calculated on a service-life basis to amortize the cost of the asset over their estimated economic useful lives, which are as follows:

<u>Assets</u>	<u>Years</u>
Vehicles	4 – 6 years
Building and improvements	20 years
Computer software	3 – 10 years
Machinery and equipment	3 – 20 years

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by non-current liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the financial statements of the County.

(g) **Accounts payable**—Accounts payable balances in the general fund are primarily payable to third-party vendors for goods provided and services rendered.

(h) **Compensated absences**—The Office follows generally accepted accounting principles in accounting for accrued compensated absences. The Office allows limited vesting of unused employee leave time. Since the annual and sick leave liability is considered long-term, it is recorded in the government-wide financial statements of the County. Compensated absences are expected to be paid out of the General Fund of the Office and this practice is expected to continue in the future. The Office maintained compensated absence records for the hours earned, used and available.

(i) **Fund balance**—Fund balance for governmental funds report classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in the funds may be spent. In as much as the Sheriff is a county constitutional officer, any funds remaining at the end of the fiscal year are returned to the Board of County Commissioners. Unassigned fund balance represents funds available for spending at the government's discretion.

The Office does not have a formal written policy regarding whether restricted or unrestricted amounts are considered to be spent when an expenditure for purposes for which both restricted and unrestricted fund balances are available. However, it has been the Office's general practice when expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available; the Office considers restricted funds to have been spent first. When expenditure is incurred for which committed, assigned or unassigned fund balances are available, the Office considers amounts to have been spent first out of committed funds, then assigned funds, and lastly unassigned funds, as needed.

(j) **Use of estimates**—The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates. Actual results could differ from those estimates.

WAKULLA COUNTY SHERIFF
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(2) Budgets and Budgetary Accounting:

Governmental fund revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with the Florida Statutes. An annual budget was adopted for the General Fund. All budget amounts presented in the accompanying special-purpose financial statements have been adjusted for legally authorized amendments of the annual budget for the year. The annual budget is monitored at varying levels of classification detail. However, for purposes of budgetary control, expenditures cannot legally exceed the total budget appropriations at the individual fund level. All appropriations lapse at year-end.

(3) Investments:

Florida Statutes authorize the Office to invest in bonds, notes or other obligations of the U.S. Government, certificates of deposits, repurchase agreements, certain bonds of any State or local government unit and the State Treasurer's Investment Pool.

Interest Rate Risk. The Office does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Concentration of Credit Risk. The Office places no limit on the amount the Office may invest in any one issuer. The Office maintained 100-percent of excess deposits in a checking account with a local financial institution subject to Federal Depository Insurance Corporation (FDIC) insurance, and/or the State of Florida collateral pool established under the Florida Security for Public Deposits Act (the Act).

(4) Risk Management:

The County purchased commercial insurance to limit the exposure of the following risks of loss: theft of, damage to, and destruction of assets; natural disasters and injuries to employees. Commercial insurance has been purchased by the Office to cover the risks of loss due to employee errors or omissions and health insurance. Settled claims resulting from all risks have not exceeded insurance coverage in any of the past three years.

(5) Capital Assets:

Capital asset activity of the Office is incorporated in the County-wide financial statements. All applicable depreciation expense is recorded under the public safety function.

(6) Pension Plan:

The Office participates in the Florida Retirement System (FRS), a multiple-employer, cost-sharing defined public employee retirement system which covers all of the Office's full-time employees. The System is administered by the State of Florida, Department of Administration, Division of Retirement to provide retirement and survivor benefits to participating public employees. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. The FRS is a single retirement system administered by the Department of Management Services, Division of Retirement, and consists of two cost-sharing, multiple-employer retirement plans and other nonintegrated programs. These include a defined-benefit pension plan (Plan), with a Deferred Retirement Option Program (DROP), and a defined-contribution plan, referred to as the FRS Investment Plan (Investment Plan).

WAKULLA COUNTY SHERIFF
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(6) **Pension Plan:** (Continued)

In addition, all regular employees of the Office are eligible to enroll as members of the Retiree Health Insurance Subsidy (HIS) Program. The HIS is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. For the fiscal year ended September 30, 2023, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$7.50. The minimum payment is \$45 and the maximum payment is \$225 per month, pursuant to section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which can include Medicare.

For financial reporting purposes, the Office is deemed to be part of the primary government of the County. A liability related to the Office's proportionate share of FRS retirement benefits, along with a detailed plan description, is reported in the financial statements of the County for the fiscal year ended September 30, 2023.

**WAKULLA COUNTY SHERIFF
NOTE TO SCHEDULES OF REVENUES, EXPENDITURES, AND
CHANGES IN FUND BALANCES – BUDGET AND ACTUAL –
FOR THE YEAR ENDED SEPTEMBER 30, 2023**

(1) Budgetary Information:

An annual budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America for the general fund, the grants fund, and the inmate welfare fund. All annual appropriations lapse at fiscal year-end.

The Sheriff follows these procedures in establishing the budgetary data reflected in the financial statements:

- a) The preparation, adoption and amendment of the budgets are governed by Florida Statutes. Public hearings are conducted to obtain taxpayer comments.
- b) Budget excess expenditures over revenues are funded through appropriations from the Board of County Commissioners.
- c) Formal budgetary integration is employed as a management control device during the year. The legal level of budgetary control is the fund level.
- d) The budgets for the funds are adopted on a basis consistent with accounting principles generally accepted in the United States of America.

ADDITIONAL ELEMENTS REQUIRED BY THE RULES OF THE AUDITOR GENERAL

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
SPECIAL-PURPOSE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

The Honorable Jared F. Miller, Sheriff,
Wakulla County, Florida:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of each major fund and the aggregate remaining fund information of the Wakulla County Sheriff (the Office) as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Office's special-purpose financial statements, and have issued our report thereon dated April 18, 2024, which was modified to refer to a basis of accounting required for compliance with state filing requirements, and for other reasons.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the special-purpose financial statements, we considered the Office's internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the special-purpose financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Office's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Office's special-purpose financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' MANAGEMENT LETTER REQUIRED BY
CHAPTER 10.550, RULES OF THE STATE OF FLORIDA, OFFICE OF THE
AUDITOR GENERAL**

The Honorable Jared F. Miller, Sheriff,
Wakulla County, Florida:

We have audited the financial statements of the Wakulla County Sheriff (the Office), as of and for the fiscal year ended September 30, 2023, and have issued our report thereon dated April 18, 2024.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of Special-Purpose Financial Statements Performed in Accordance with *Government Auditing Standards*, and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated April 18, 2024, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address all findings and recommendations made in the preceding financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Office is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. Wakulla County, including the Office of the Sheriff, was established by Chapter 8516, Laws of Florida in 1921. There are no component units of the Office to be disclosed as required by accounting principles generally accepted in the United States of America.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Office, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink that reads "James Moore & Co., P.L." The signature is written in a cursive, flowing style.

INDEPENDENT ACCOUNTANTS' EXAMINATION REPORT

The Honorable Jared F. Miller, Sheriff,
Wakulla County, Florida:

We have examined the Wakulla County Sheriff's (the Office) compliance with Section 218.415, Florida Statutes, *Local Government Investment Policies* (the Statute), for the year ended September 30, 2023. Management is responsible for the Office's compliance with those requirements. Our responsibility is to obtain reasonable assurance by evaluating against the aforementioned statutes and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation based on our examination.

Our examination was conducted in accordance with the attestation standards for a direct examination engagement established by the AICPA. Those standards require that we obtain reasonable assurance by evaluating against the aforementioned statutes during the year ended September 30, 2023 and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation of Office's compliance during the year ended September 30, 2023. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks that were not in accordance with those requirements in all material respects, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent of the Office and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our examination engagement.

In our opinion, for the year ended September 30, 2023, the Office complied with the Statute in all material respects.

INDEPENDENT AUDITORS' REPORT

The Honorable Joseph Morgan, Supervisor of Elections,
Wakulla County, Florida:

Report on the Financial Statements

Opinion

We have audited the financial statements of each major fund of the Wakulla County Supervisor of Elections (the Office), as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Office's financial statements, as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund of the Office as of September 30, 2023, and the respective change in financial position thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Office and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund, only for that portion of the major fund, of Wakulla County, Florida (the County), that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of the County as of September 30, 2023, the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgment made by a reasonable user made on the basis of these financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 18, 2024 on our consideration of the Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control over financial reporting and compliance.

WAKULLA COUNTY SUPERVISOR OF ELECTIONS
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) Summary of Significant Accounting Policies:

The accounting policies of the Wakulla County Supervisor of Elections (the “Office”) conform to generally accepted accounting principles as applicable to governments in the Governmental Accounting Standards Board (GASB) Codification. The following is a summary of the more significant policies.

(a) **Reporting entity**—The Office is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. The Office is an integral part of Wakulla County, Florida (the County), the reporting entity for financial reporting purposes. The Office’s General Fund is combined with the Board of County Commissioners in the County’s financial statements to properly reflect the county-wide General Fund.

(b) **Basis of presentation**—The Office’s financial statements are special-purpose financial statements that have been prepared for the purpose of complying with the Rules of the Auditor General of the State of Florida (the Rules). In conformity with the Rules, the Office has not presented the government-wide financial statements, the reconciliations to the government-wide statements or management’s discussion and analysis.

(c) **Fund accounting**—Accounts are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate for each fund type. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The focus of fund financial statements is on major funds, each displayed in a separate column.

The Office reports the following major governmental funds; there are no non-major governmental funds:

General Fund – The principal operating fund of the Office. It is used to account for all financial resources.

Special Revenue Fund – The Supervisor’s special revenue fund is used to account for the proceeds of specific revenue sources which are legally restricted to expenditures for specified purposes.

(d) **Measurement focus/basis of accounting**—All governmental funds are accounted for on a spending or current financial resources measurement focus and the modified accrual basis of accounting. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of “available spendable resources”. Their operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of “available spendable resources” during a period.

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. The Office follows the County’s policy for revenue recognition in which it considers revenues to be available if they are collected within 60 days of the current fiscal period.

WAKULLA COUNTY SUPERVISOR OF ELECTIONS
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) **Summary of Significant Accounting Policies:** (Continued)

Expenditures are recorded when the related fund liability is incurred, except for certain compensated absences, which are recognized as expenditures to the extent they have matured. Interest income and other revenue are recognized as they are earned and become measurable and available to pay liabilities of the current period.

(e) **Cash and cash equivalents**—The Office's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

(f) **Capital assets and long-term liabilities**— Capital assets used by the Office are capitalized (recorded and accounted for) by the Wakulla County Board of County Commissioners.

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by non-current liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the financial statements of the County.

(g) **Accounts payable**—Accounts payable balances in the general fund are primarily payable to third-party vendors for goods provided and services rendered.

(h) **Compensated absences**—The Office follows generally accepted accounting principles in accounting for accrued compensated absences. The Office allows limited vesting of unused employee leave time. Since the annual and sick leave liability is considered long-term, it is recorded in the government-wide financial statements of the County. Compensated absences are expected to be paid out of the General Fund of the Office and this practice is expected to continue in the future. The Office maintained compensated absence records for the hours earned, used and available.

(i) **Fund balance**— Fund balance for governmental funds report classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in the funds may be spent. In as much as the Supervisor of Elections is a county constitutional officer, any funds remaining at the end of the fiscal year are returned to the Board of County Commissioners. Unassigned fund balance represents funds available for spending at the government's discretion.

The Office does not have a formal written policy regarding whether restricted or unrestricted amounts are considered to be spent when an expenditure for purposes for which both restricted and unrestricted fund balances are available. However, it has been the Office's general practice when expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available; the Office considers restricted funds to have been spent first. When expenditure is incurred for which committed, assigned or unassigned fund balances are available, the Office considers amounts to have been spent first out of committed funds, then assigned funds, and lastly unassigned funds, as needed.

(j) **Use of estimates**—The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates. Actual results could differ from those estimates.

WAKULLA COUNTY SUPERVISOR OF ELECTIONS
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(2) Budgets and Budgetary Accounting:

Governmental fund revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with the Florida Statutes. An annual budget was adopted for the General Fund. All budget amounts presented in the accompanying special-purpose financial statements have been adjusted for legally authorized amendments of the annual budget for the year. The annual budget is monitored at varying levels of classification detail. However, for purposes of budgetary control, expenditures cannot legally exceed the total budget appropriations at the individual fund level. All appropriations lapse at year-end.

(3) Investments:

Florida Statutes authorize the Office to invest in bonds, notes or other obligations of the U.S. Government, certificates of deposits, repurchase agreements, certain bonds of any State or local government unit and the State Treasurer's Investment Pool.

Interest Rate Risk. The Office does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Concentration of Credit Risk. The Office places no limit on the amount the Office may invest in any one issuer. The Office maintained 100-percent of excess deposits in a checking account with a local financial institution subject to Federal Depository Insurance Corporation (FDIC) insurance, and/or the State of Florida collateral pool established under the Florida Security for Public Deposits Act (the Act).

(4) Risk Management:

The County purchased commercial insurance to limit the exposure of the following risks of loss: theft of, damage to, and destruction of assets; natural disasters and injuries to employees. Commercial insurance has been purchased by the Office to cover the risks of loss due to employee errors or omissions and health insurance.

(5) Pension Plan:

The Office participates in the Florida Retirement System (FRS), a multiple-employer, cost-sharing defined public employee retirement system which covers all of the Office's full-time employees. The System is administered by the State of Florida, Department of Administration, Division of Retirement to provide retirement and survivor benefits to participating public employees. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. The FRS is a single retirement system administered by the Department of Management Services, Division of Retirement, and consists of two cost-sharing, multiple-employer retirement plans and other nonintegrated programs. These include a defined-benefit pension plan (Plan), with a Deferred Retirement Option Program (DROP), and a defined-contribution plan, referred to as the FRS Investment Plan (Investment Plan).

In addition, all regular employees of the Office are eligible to enroll as members of the Retiree Health Insurance Subsidy (HIS) Program. The HIS is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. For the fiscal year ended September 30, 2023, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$7.50.

**WAKULLA COUNTY SUPERVISOR OF ELECTIONS
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023**

(5) Pension Plan:(Continued)

The minimum payment is \$45 and the maximum payment is \$225 per month, pursuant to section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which can include Medicare.

For financial reporting purposes, the Office is deemed to be part of the primary government of the County. A liability related to the Office's proportionate share of FRS retirement benefits, along with a detailed plan description, is reported in the financial statements of the County for the fiscal year ended September 30, 2023.

(1) **Budgetary Information:**

An annual budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America for the general fund and special revenue fund. All annual appropriations lapse at fiscal year-end.

The Supervisor of Elections follows these procedures in establishing the budgetary data reflected in the financial statements:

- a) The preparation, adoption and amendment of the budgets are governed by Florida Statutes. Public hearings are conducted to obtain taxpayer comments.
- b) Budget excess expenditures over revenues are funded through appropriations from the Board of County Commissioners.
- c) Formal budgetary integration is employed as a management control device during the year for the General Fund. The legal level of budgetary control is the fund level.
- d) The budgets for the funds are adopted on a basis consistent with accounting principles generally accepted in the United States of America.

ADDITIONAL ELEMENTS REQUIRED BY THE RULES OF THE AUDITOR GENERAL

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
SPECIAL-PURPOSE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

The Honorable Joseph Morgan, Supervisor of Elections,
Wakulla County, Florida:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of each major fund of the Wakulla County Supervisor of Elections (the Office) as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Office' special-purpose financial statements, and have issued our report thereon dated April 18, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the special-purpose financial statements, we considered the Office's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the special-purpose financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Offices' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Office's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Offices' special-purpose financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' MANAGEMENT LETTER REQUIRED BY
CHAPTER 10.550, RULES OF THE STATE OF FLORIDA, OFFICE OF THE
AUDITOR GENERAL**

The Honorable Joseph Morgan, Supervisor of Elections,
Wakulla County, Florida:

Report on the Financial Statements

We have audited the financial statements of the Wakulla County Supervisor of Elections (the Office), as of and for the fiscal year ended September 30, 2023, and have issued our report thereon dated April 18, 2024.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of Special-Purpose Financial Statements Performed in Accordance with *Government Auditing Standards*, and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated April 18, 2024, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made in the preceding financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Office is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. Wakulla County, including the Office of the Supervisor of Elections, was established by Chapter 8516, Laws of Florida in 1921. There are no component units of the Office to be disclosed as required by accounting principles generally accepted in the United States of America.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Office, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink that reads "James Moore & Co., P.L." The signature is written in a cursive, flowing style.

INDEPENDENT ACCOUNTANTS' EXAMINATION REPORT

The Honorable Joseph Morgan, Supervisor of Elections,
Wakulla County, Florida:

We have examined the Wakulla County Supervisor of Elections' (the Office) compliance with Section 218.415, Florida Statutes, *Local Government Investment Policies* (the Statute), for the year ended September 30, 2023. Management is responsible for the Office's compliance with those requirements. Our responsibility is to obtain reasonable assurance by evaluating against the aforementioned statutes and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation based on our examination.

Our examination was conducted in accordance with the attestation standards for a direct examination engagement established by the AICPA. Those standards require that we obtain reasonable assurance by evaluating against the aforementioned statutes during the year ended September 30, 2023 and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation of Office's compliance during the year ended September 30, 2023. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks that were not in accordance with those requirements in all material respects, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent of the Office, and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our examination engagement.

In our opinion, for the year ended September 30, 2023, the Office complied with the Statute in all material respects.

INDEPENDENT AUDITORS' REPORT

The Honorable Lisa Craze, Wakulla County Tax Collector,
Wakulla County, Florida:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the general fund and the aggregate remaining fund information of the Wakulla County Tax Collector (the Office), as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Office's financial statements, as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the general fund and the aggregate remaining fund information of the Office as of September 30, 2023, and the respective change in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Office, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the general fund and aggregate remaining fund information, only for that portion of the general fund and aggregate remaining fund information, of Wakulla County, Florida (the County), that is attributable to the Office. They do not purport to, and do not, present fairly the financial position of the County as of September 30, 2023, the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Office's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Office's financial statements. The supplementary information, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 18, 2024, on our consideration of the Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control over financial reporting and compliance.

WAKULLA COUNTY TAX COLLECTOR
NOTES TO SPECIAL-PURPOSE FINANCIAL STATMENTS
SEPTEMBER 30, 2023

(1) Summary of Significant Accounting Policies:

The accounting policies of the Wakulla County Tax Collector (the “Office”) conform to generally accepted accounting principles as applicable to governments in the Governmental Accounting Standards Board (GASB) Codification. The following is a summary of the more significant policies.

(a) **Reporting entity**—The Tax Collector is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. The Office is an integral part of Wakulla County, Florida (the County), the reporting entity for financial reporting purposes. The Office’s General Fund is combined with the Board of County Commissioners in the County’s financial statements to properly reflect the county-wide General Fund.

(b) **Basis of presentation**—The Office’s financial statements are special-purpose financial statements that have been prepared for the purpose of complying with the Rules of the Auditor General of the State of Florida (the Rules). In conformity with the Rules, the Office has not presented the government-wide financial statements, the reconciliations to the government-wide statements or management’s discussion and analysis.

(c) **Fund accounting**—Accounts are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate for each fund type. Government resources are allocated to, and accounted for in, individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The focus of fund financial statements is on major funds, each displayed in a separate column.

The Office reports the following major governmental fund; there are no non-major governmental funds:

General Fund - The principal operating fund of the office. It is used to account for all financial resources, except those required to be accounted for in another fund.

Additionally, the Tax Collector reports the following fiduciary fund type:

Custodial Fund - Used to account for assets held by the Office as an agent for individuals, private organizations, other governments, and/or other funds. The Tax Collector’s Custodial Fund is used to account for the collection and distribution of property taxes, sales tax, vehicle tags and titles, boat registrations and titles, fishing licenses, and driver’s licenses.

(d) **Measurement focus/basis of accounting**—All governmental funds are accounted for on a spending or current financial resources measurement focus and the modified accrual basis of accounting. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of “available spendable resources”. Their operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets and, accordingly, are said to present a summary of sources and uses of “available spendable resources” during a period.

WAKULLA COUNTY TAX COLLECTOR
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(1) **Summary of Significant Accounting Policies:** (Continued)

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. The Office follows the County's policy for revenue recognition in which it considers revenues to be available if they are collected within 60 days of the current fiscal period..

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. However, principal and interest on general long-term debt are recognized when due.

(e) **Cash and cash equivalents**—The Office's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

(f) **Capital assets and long-term liabilities**— Capital assets used by the Office are capitalized (recorded and accounted for) by the Wakulla County Board of County Commissioners.

Because of their spending measurement focus, expenditure recognition for governmental fund types is limited to exclude amounts represented by non-current liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities. They are instead reported as liabilities in the financial statements of the County.

(g) **Accounts payable**—Accounts payable balances in the general fund are primarily payable to third-party vendors for goods provided and services rendered.

(h) **Compensated absences**— The Office follows generally accepted accounting principles in accounting for accrued compensated absences. The Office allows limited vesting of unused employee leave time. Since the annual and sick leave liability is considered long-term, it is recorded in the government-wide financial statements of the County. Compensated absences are expected to be paid out of the General Fund of the Office and this practice is expected to continue in the future. The Office maintained compensated absence records for the hours earned, used and available.

(i) **Fund balance**— Fund balance for governmental funds report classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in the funds may be spent. In as much as the Tax Collector is a county constitutional officer, any funds remaining at the end of the fiscal year are returned to the Board of County Commissioners. Unassigned fund balance represents funds available for spending at the government's discretion.

The Office does not have a formal written policy regarding whether restricted or unassigned amounts are considered to be spent when an expenditure for purposes for which both restricted and unassigned fund balances are available. However, it has been the Office's general practice when expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available; the Office considers restricted funds to have been spent first. When expenditure is incurred for which committed, assigned or unassigned fund balances are available, the Office considers amounts to have been spent first out of committed funds, then assigned funds, and lastly unassigned funds, as needed.

(j) **Use of estimates**—The preparation of financial statements in conformity with generally accepted accounting principles requires management to make various estimates. Actual results could differ from those estimates.

WAKULLA COUNTY TAX COLLECTOR
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(2) Budgets and Budgetary Accounting:

Governmental fund revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with the Florida Statutes. An annual budget was adopted for the General Fund. All budget amounts presented in the accompanying special-purpose financial statements have been adjusted for legally authorized amendments of the annual budget for the year. The annual budget is monitored at varying levels of classification detail. However, for purposes of budgetary control, expenditures cannot legally exceed the total budget appropriations at the individual fund level. All appropriations lapse at year-end.

(3) Investments:

Florida Statutes authorize the Office to invest in bonds, notes or other obligations of the U.S. Government, certificates of deposits, repurchase agreements, certain bonds of any State or local government unit and the State Treasurer's Investment Pool.

Interest Rate Risk. The Office does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Concentration of Credit Risk. The Office places no limit on the amount the Office may invest in any one issuer. The Office maintained 100-percent of excess deposits in a checking account with a local financial institution subject to Federal Depository Insurance Corporation (FDIC) insurance, and/or the State of Florida collateral pool established under the Florida Security for Public Deposits Act (the Act).

(4) Risk Management:

The County purchased commercial insurance to limit the exposure of the following risks of loss: theft of, damage to, and destruction of assets; natural disasters and injuries to employees. Commercial insurance has been purchased by the Office to cover the risks of loss due to employee errors or omissions and health insurance.

(5) Pension Plan:

The Office participates in the Florida Retirement System (FRS), a multiple-employer, cost-sharing defined public employee retirement system which covers all of the Office's full-time employees. The System is administered by the State of Florida, Department of Administration, Division of Retirement to provide retirement and survivor benefits to participating public employees. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. The FRS is a single retirement system administered by the Department of Management Services, Division of Retirement, and consists of two cost-sharing, multiple-employer retirement plans and other nonintegrated programs. These include a defined-benefit pension plan (Plan), with a Deferred Retirement Option Program (DROP), and a defined-contribution plan, referred to as the FRS Investment Plan (Investment Plan).

WAKULLA COUNTY TAX COLLECTOR
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

(5) **Pension Plan:** (Continued)

In addition, all regular employees of the Office are eligible to enroll as members of the Retiree Health Insurance Subsidy (HIS) Program. The HIS is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. For the fiscal year ended September 30, 2023, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$7.50. The minimum payment is \$45 and the maximum payment is \$225 per month, pursuant to section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which can include Medicare.

For financial reporting purposes, the Office is deemed to be part of the primary government of the County. A liability related to the Office's proportionate share of FRS retirement benefits, along with a detailed plan description, is reported in the financial statements of the County for the fiscal year ended September 30, 2023.

NOTE TO SCHEDULE OF REVENUES, EXPENDITURES, AND
CHANGES IN FUND BALANCES – BUDGET AND ACTUAL –
GENERAL FUND
FOR THE YEAR ENDED SEPTEMBER 30, 2023**

(1) **Budgetary Information:**

An annual budget is adopted on a basis consistent with accounting principles generally accepted in the United States of America for the general fund. All annual appropriations lapse at fiscal year-end.

The Tax Collector follows these procedures in establishing the budgetary data reflected in the financial statements:

- a) The preparation, adoption and amendment of the budgets are governed by Florida Statutes. Public hearings are conducted to obtain taxpayer comments.
- b) Budget excess expenditures over revenues are funded through appropriations from the Board of County Commissioners.
- c) Formal budgetary integration is employed as a management control device during the year for the General Fund. The legal level of budgetary control is the fund level.
- d) The budgets for the funds are adopted on a basis consistent with accounting principles generally accepted in the United States of America.

ADDITIONAL ELEMENTS REQUIRED BY THE RULES OF THE AUDITOR GENERAL

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
SPECIAL-PURPOSE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

The Honorable Lisa Craze, Tax Collector,
Wakulla County, Florida:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the general fund and the aggregate remaining fund information of the Wakulla County Tax Collector (the Office) as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the Office's special-purpose financial statements, and have issued our report thereon dated April 18, 2024, which was modified to refer to a basis of accounting required for compliance with state filing requirements, and for other reasons.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the special-purpose financial statements, we considered the Office's internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the special-purpose financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Office's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Office's special-purpose financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Office's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Office's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' MANAGEMENT LETTER REQUIRED BY
CHAPTER 10.550, RULES OF THE STATE OF FLORIDA, OFFICE OF THE
AUDITOR GENERAL**

The Honorable Lisa Craze, Tax Collector,
Wakulla County, Florida:

We have audited the financial statements of the Wakulla County Tax Collector (the Office), as of and for the fiscal year ended September 30, 2023, and have issued our report thereon dated April 18, 2024.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of Special-Purpose Financial Statements Performed in Accordance with *Government Auditing Standards*, and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated April 18, 2024, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made in the preceding financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Wakulla County Tax Collector is an elected constitutional officer, whose office is established by Article VIII of the Constitution of the State of Florida and is governed by various provisions of state law. Wakulla County, including the Office of the Tax Collector, was established by Chapter 8516, Laws of Florida in 1921. There are no component units of the Office to be disclosed as required by accounting principles generally accepted in the United States of America.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Office, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' EXAMINATION REPORT

The Honorable Lisa Craze, Tax Collector,
Wakulla County, Florida:

We have examined Wakulla County Tax Collector's (the Office) compliance with Section 218.415, Florida Statutes, *Local Government Investment Policies* (the Statute), for the year ended September 30, 2023. Management is responsible for the Office's compliance with those requirements. Our responsibility is to obtain reasonable assurance by evaluating against the aforementioned statutes and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation based on our examination.

Our examination was conducted in accordance with the attestation standards for a direct examination engagement established by the AICPA. Those standards require that we obtain reasonable assurance by evaluating against the aforementioned statutes during the year ended September 30, 2023 and performing other procedures to obtain sufficient appropriate evidence to express an opinion that conveys the results of our evaluation of Office's compliance during the year ended September 30, 2023. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks that were not in accordance with those requirements in all material respects, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent of the Office, and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our examination engagement.

In our opinion, for the year ended September 30, 2023, the Office complied with the Statute in all material respects.
