March 27, 2026

Mayor, Members of the Broward County Board of County Commissioners and Residents:

I am honored to present the Broward County Annual Comprehensive Financial Report (ACFR) for the Fiscal Year which ended September 2025.

During Fiscal Year 2025, the agencies of County Government worked diligently each day to passionately serve our community. The 2025 ACFR presents detailed financial statements that comprehensively account for County expenditures made in support of all its operations by providing essential services and programs. Our programs and services positively affect quality of life daily, especially in areas of regional importance such as Affordable Housing, Transportation, Solid Waste and Recycling, and Water Management. This year's theme of "Destination of Distinction" was selected as a means to celebrate the County's longstanding status as a major destination market for tourism and the opening of the new County-owned OMNI Fort Lauderdale waterfront hotel and expanded Convention Center. The hotel features 29 stories, 801 rooms, 120,000 square feet of versatile meeting and event space with access to 1.2 million square feet of event space at the newly expanded Greater Fort Lauderdale/Broward County Convention Center. Here are some additional highlights of the County's Strategic Goal Themes:

Accountable Government

- Broward County's credit ratings remain strong across all major rating agencies, Fitch Ratings, Inc (Fitch), S&P Global Ratings (S&P) and Moody's Ratings (Moody's), which reflects favorably upon the County's governance and accountability. The Management Discussion & Analysis section of the financial statements presents the separate individual ratings for the County and each enterprise fund by rating agency.
- The County is actively evaluating and implementing technology solutions, including Artificial Intelligence (AI) tools, to modernize systems, streamline operations, improve service delivery, and optimize the use of County resources. The County created new administrative policies governing acceptable and prohibited uses of generative AI establishing a clear governance framework.
- The County is conducting a study to evaluate the feasibility of establishing a new law enforcement agency for the Airport and Port including the cost and timeliness.

Healthy Community

- In June 2025, our home team, Florida Panthers, playing out of the County-owned Amerant Bank Arena in Sunrise, won the Stanley Cup, NHL Championship for a second year in a row affirming the County's place in the national spotlight.
- Central Broward Park & Broward County Stadium served as the host venue for Major League Cricket 2025, drawing more than 8,000 spectators. The stadium also hosted the three day Cricket West Indies vs. Pakistan series attracting in excess of 7,000 spectators.
- Everglades Holiday Park is a 2025 TripAdvisor Traveler's Choice Award recipient, which designates the park as among the top 10 percent attractions worldwide.
- Visit Lauderdale Sales team booked a total of 343,000 nights in Fiscal Year 2025 compared to 293,000 in Fiscal Year 2024.
- The County launched the 2025 Broward County Climate Change Action Plan (CCAP), featuring 139 specific actions to reduce carbon emissions and protect the community.

Connected Community

- The County advanced its Surtax-funded Premium Mobility (PREMO) plan consisting of more than 200 miles of Commuter Rail, Light Rail Transit (LRT), Bus Rapid Transit BRT, and high-frequency services. This Plan will connect the airport, seaport and convention center by light rail.
- The Convention Center Connector opened in October 2025. It bypasses Port Everglades, reducing traffic congestion on SE 17th Street and U.S. 1, and provides a direct route to the Broward County Convention Center/Omni Hotel district by separating public traffic from Port security checkpoints.

- Since 2019 Broward County Mobility Advancement Program has completed over 400 road, bridge, and transit capital projects and supported municipalities with nearly \$400 million in Transportation Surtax appropriations, over 100 municipal agreements, and 38 completed municipal projects.
- Fort Lauderdale-Hollywood International Airport (FLL) continues to expand and enhance the facilities. These efforts include increased gate capacity, Terminal Connections, Passenger Boarding Bridges, Parking Facilities, airport access, and an Automated People Mover.
- Port Everglades is the third busiest cruise homeport in the world, supporting more than 12,000 local jobs and supplying one-third of the region's petroleum, diesel and jet fuel for the entire state of Florida. Under exceptional leadership, Port Everglades remains in the top 20% of ports worldwide for operational performance and surpassed its highest volumes in cruise, cargo and energy. It had a port-record year in all three major business lines for the Port: 4.7 million cruise guests, No. 1 in petroleum in Florida and had 1.16 million TEUs (Twenty-foot Equivalent Units), the standard measurement of cargo container capacity.

Economic Opportunity

- Our Board of County Commissioners continue to invest in capital projects that support tourism. The Broward County Convention Center expansion opened in October 2025, and OMNI Fort Lauderdale convention center hotel opened on December 18, 2025; the two projects translate to the investment of \$1.3 billion in our local economy.
- Film Industry as a Major Economic Driver — The screen production industry generated \$207.3 million in local economic impact and created 16,212 jobs for cast and crew in Fiscal Year 2025, representing.
- Strong Small Business Contract Activity — 32 County contracts with Certified Business Enterprise (CBE) goals were awarded, totaling over \$228.7 million. Nearly 39%, or approximately \$88.7 million, was committed to CBE-certified small businesses, reflecting a strong push for local business inclusion.
- Small Business Growth Programs — the Office of Economic and Small Business Development (OESBD) supported small business growth in Fiscal Year 2025 by awarding 120 micro-grants to eligible local businesses. In addition, the Kauffman FastTrac entrepreneurship program advanced business development by providing a total of \$22,500 in seed funding to its top three pitch-competition winners, who received \$10,000, \$7,500, and \$5,000 respectively. Together, these initiatives strengthened business viability and fostered continued entrepreneurial growth.
- International Trade and Business Conferences — The 10th Anniversary Florida International Trade and Cultural Expo (FITCE) brought attendees from over 70 countries, while the 8th Annual Broward & Beyond Business Conference drew more than 1,000 attendees, both reinforcing Broward County's position as a hub for global commerce and entrepreneurship.
- Certified and Small Business Enterprise (CBE/SBE) certification and compliance expansion — During Fiscal Year 2025, OESBD approved 136 new CBE/SBE certifications and 20 new Federally certified Disadvantaged Business Enterprises and Airport Concession Disadvantaged Business Enterprises ACDBE, while monitoring 457 active projects with small business participation requirements.

Resilient Community

- The Port Everglades Sand Bypass Project is now underway after more than 30 years of permitting and planning. Upon completion in 2027, this project will provide up to 50% of sand needs for south County beaches.
- The County-wide Risk Assessment and Resilience Plan was completed and presented at a Board Workshop in February 2026, providing a multi-decade, multifaceted, and multidimensional blueprint for flood mitigation, transportation resilience, and green infrastructure investments.
- Public Works and Environmental Services Department awarded over \$39 million in gap financing for affordable housing in Fiscal Year 2025, including \$26.7 million for eight projects totaling 516 affordable units, and \$7 million for a 467-unit development in Pompano Beach on County-owned land.
- Traffic Engineering performed over 250 signal re-timing tasks across 25 arterial roadway segments as part of the Traffic Signal Synchronization Program, improving traffic flow and reducing commute times for Broward residents.
- The Hallandale Beach Library interior refresh was completed and celebrated with a grand reopening on September 3, 2025, including renovated finishes, new furniture, and ADA-compliant restroom upgrades.

More than 65 County agencies provide critical programs and services to keep our community progressing in a strategic and financially responsible manner. I'm proud to share some of our accomplishments that continue to make Broward County the best place to live, learn, work and play.

Respectfully submitted,

Monica Cepero

FINANCE AND ADMINISTRATIVE SERVICES DEPARTMENT

115 S. Andrews Avenue, Room 515 • Fort Lauderdale, Florida 33301 • 954-357-7130 • FAX 954-357-7134

March 27, 2025

To the Mayor, Members of the Broward County Board of County Commissioners, and Residents:

We are pleased to present Broward County's (the County) Annual Comprehensive Financial Report (Annual Report) for the fiscal year that ended September 30, 2025. State law requires that all general-purpose local governments annually publish a complete set of financial statements within nine months of the close of each fiscal year. These financial statements are presented in conformity with accounting principles generally accepted in the United States of America and have been audited in accordance with the Generally Accepted Auditing Standards (GAAS) by an external auditing firm. Management is responsible for the completeness and reliability of the information contained in this report. The data presented in this report is believed to be accurate in all material respects, and all statements and disclosures necessary for the reader to obtain a thorough understanding of the County's financial activities have been included.

The County's management is responsible for the establishment and maintenance of accounting and other internal controls to ensure compliance with applicable laws and County policies so that financial transactions are properly recorded and documented to provide reliable information for the preparation of the County's financial statements. Because the cost of internal controls should not exceed anticipated benefits, the County's comprehensive framework of internal controls has been designed to provide reasonable, rather than absolute assurance that the financial statements are free from material misstatement.

The County's financial statements have been audited by RSM US LLP, a firm of licensed certified public accountants. The independent auditor concluded, based on the audit, that there was a reasonable basis for rendering an unmodified opinion on the County's financial statements for the fiscal year that ended September 30, 2025. The independent auditor's report is presented as the first component of the financial section of this report.

The independent audit of the financial statements of the County is in addition to the federal and state-mandated Single Audit Act designed to meet the special needs of federal and state grantor agencies. The standards governing single audit engagements require the independent auditor to report not only on the fair presentation of the financial statements but also on the audited government's internal controls and compliance with legal requirements, with special emphasis on the administration of federal and state awards. These reports are available in the County's separately issued Single Audit Report. The Single Audit Report, as well as the Annual Report, may be accessed via the internet at Broward.org/accounting.

Management's Discussion and Analysis (MD&A) immediately follows the independent auditor's report and provides a narrative introduction, overview, and analysis of the basic financial statements. This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it.

PROFILE OF BROWARD COUNTY

The County was incorporated in 1915 and is located along the southeastern coast of Florida. With a developable area of 428 square miles and a population of approximately 1.9 million people, the County is one of the largest counties in the country. The County is governed by its amended Charter, originally adopted in 1974, and functions as a home rule government under the Florida Constitution and the general laws of the State.

The Board of County Commissioners (BOCC) is the legislative and policy-making body of the County. Each of the nine Commissioners is elected from a separate district. Elections are held every two years for staggered four-year terms. Annually, the BOCC elects a Mayor who serves as its presiding officer. The BOCC appoints the County Administrator to act as the County's chief executive officer.

The Administrator implements policies of the BOCC, provides organizational leadership, and directs business and administrative procedures. In addition, there are five elected Constitutional Officers: The Clerk of the Circuit and County Courts, the Property Appraiser, the Sheriff, the Supervisor of Elections, and the Tax Collector. Circuit Court and County Court judges are also elected.

The County and its independently elected Constitutional Officers provide a broad range of services. These services include law enforcement, fire rescue protection, maintenance of streets, highways, bridges, traffic signals, transportation, environmental protection, urban planning, economic development, human services, parks, libraries, a convention center, property assessments and tax collections. The County also operates enterprise activities including two airports, seaport and the water and sewer systems. Certain legally separate entities are also included as an integral part of the County's financial statements as explained in Note I of the financial statements.

The annual budget serves as the foundation for the County's financial planning and control systems. Management's budget request is presented to the BOCC by the County Administrator. The BOCC holds public hearings on the proposed budget before adopting the budget and setting the tax rates (millage) for the budget year. Budget to actual comparisons are provided in this report for each individual governmental fund for which an appropriated annual budget has been adopted. These comparisons are presented in the required supplementary information and other supplemental information sections of this report.

LOCAL ECONOMY

The information presented in the financial statements is perhaps best understood when it is considered from the broader perspective of the environment within which the County operates. The County enjoys a diverse economic base thanks to a vibrant tourism industry, an active construction industry, highly efficient and productive airport and seaport facilities, and other dynamic industry sectors.

Broward's Fort Lauderdale-Hollywood Airport (FLL) total airline passengers were 32.2 million in fiscal year 2025, a decrease of 8.5 percent. During fiscal year 2025, Domestic traffic decreased 6.6 percent, and international traffic decreased 16.0 percent compared to the prior year. During fiscal year 2025, Port Everglades welcomed 4.8 million passengers, an increase of 15.7 percent over fiscal year 2024, and 5,251 ship call, and increase of 12.8 percent. The Port ranked 67th in cargo operational performance worldwide and ranked 3rd in the United States.

Tourism and the related service industries are an important economic factor in the County. In fiscal year 2025, there were over 550,000 hotel room nights purchased with a total economic impact of \$1.4 billion. The combination of a favorable climate (an average year-round temperature of 77 degrees Fahrenheit), together with diverse recreational opportunities, including theaters, parks, pristine public beaches, yacht basins, fishing, golf, tennis, thoroughbred racing, jai alai, and water recreational facilities, have made the County a major tourist center. On December 18, 2025 the County opened the OMNI Fort Lauderdale hotel with 801 rooms with access to 1.3 million square feet of event and convention space which will further enhance the County as a premier destination for events.

The County's unemployment rate on September 30, 2025, was 4.4 percent as compared with the rate of 3.3 percent on September 30, 2024. In comparison, the unemployment rates for Florida and the United States were 3.9 percent and 4.4 percent, respectively.

The County is maturing as an urban area, and little undeveloped property remains available. Redevelopment will be a primary focus of the County in the years ahead, but future population growth and new development may depend on national economic recovery trends and employment opportunities.

The net assessed value of real and personal property increased in fiscal year 2025 by approximately 9.2 percent. This is the twelfth consecutive year the County has seen an increase in net assessed value since the low point of this economic cycle in fiscal year 2013. Fiscal year 2025 was the seventh year in 13 years that the adopted budget is based on a higher overall property tax assessment than before the 2009 recession.

During fiscal year 2025, the Federal Reserve Bank lowered the Fed Funds rate from 5.00% to 4.25%, maintaining a policy shift aimed at bolstering the US labor market. There were three 25 basis point cuts during the fiscal year. As of September 30, 2025, the County's Portfolio yield exceeded the Bank of America Merrill Lynch 1-3 Year Treasury and Agency Index, the County's benchmark, by 28 basis points (3.93% vs 3.65%).

This benchmark tracks the performance of the direct sovereign debt of the U.S. Government having a maturity of at least one year and less than three years. As of September 30, 2025, the benchmark had a duration of 1.83, compared to 1.27 of the County's Portfolio. During fiscal year 2025, the Treasury yield curve remained inverted, with the front end of the curve (one month to three month Treasury Bills) higher than the three (3) year

bills. The yield on the County's portfolio grew by 23 basis points year over year as maturing assets were replaced with higher yielding securities. The primary objective of the County's investment policy is preservation of capital which is achieved through focusing on the safety and liquidity of investments.

MAJOR INITIATIVES

The business of Broward County government is to deliver cost-effective and collaborative services to enhance and promote the quality of life for our residents, businesses, and visitors. The County is a diverse, vibrant, urban community with parks, beaches, and green space. Positioned at the center of Southeast Florida, we are environmentally and economically sustainable, and a gateway to the international marketplace. The County is a regional body working together with government partners and stakeholders to achieve common goals. The County is home to innovation and a great place to live, work, play and visit. The BOCC sets forth several values and goals in support of its mission, and some of the achievements during the year are detailed below.

Ensuring Economic Opportunities for Broward's Diverse Population and Businesses

- Port Everglades reached a record 4.77 million passenger movements in FY 2025, up 15.7%, reinforcing its position as the third-busiest cruise homeport world-wide.
- During fiscal year 2025, the 29-story 801-room Convention Center hotel project progressed and opened December 18, 2025. The hotel is owned by the County and operated by OMNI Hotels & Resorts. The hotel is a waterfront property adjacent to the County Convention Center synergistically leveraging 1.2 million square feet of event and meeting space.
- During fiscal year 2025, the Office of Small Business and Economic Development certified 156 County Business Enterprises (CBE) and Disadvantaged Business Enterprises (DBE) for the first time and renewed 665 existing certifications.
- The County awarded \$478.4 million in contracts with CBE and DEB goals during fiscal year 2025.

Offering Sustainable, Compatible, Innovative Housing Options for All Income Levels, including Integrated, Permanent Supportive Housing

- During fiscal year 2025, the County received \$10.9 million in Opioid Settlement funds which is the second installment of approximately \$121.3 structured Opioid claim settlements which will be used to provide support service to residents impacted by narcotic drug use.
- During fiscal year 2025, the County advanced affordable housing by awarding more than \$39 million in gap financing to multiple developments that will create over 1,300 new affordable or income-restricted units across Broward County. It also supported residents directly by providing purchase assistance to 94 new homeowners and funding repairs for 89 existing homes.

Cooperatively Delivering an Efficient and Accessible Regional Intermodal Transportation Network

- Fiscal year 2025 was the sixth full year of Transportation Surtax collections, the County received \$542.2 million in Transportation Surtax funds and disbursed \$276.7 million including \$75.4 million for transportation capital outlay expenditures and \$201.2 million for transportation operating expenditures for expanded transportation and grants to local governments. As of September 30, 2025, the combined Surtax Transportation and Surtax Transportation Capital balances were \$2.5 billion. Surtax capital investments and increases spending in the near term will have a significant role aiding the County's economy.

Cultivating Community Culture, Arts, Recreation and Life-Long Learning

- Cultural affairs launched a Arts and Cultural Festival sponsorship program in January of 2025, allocating \$1 million to support municipal, community, and neighborhood arts and cultural festivals.
- The screen production industry in Broward County brought \$207.3 million in local economic impact and 16,212 jobs for cast & crew in fiscal year 2025, a 15% increase in production expenditures and a 41% increase in total hires from 2024.

Encouraging Investments in Renewable Energy, Sustainable Practices and Environmental Protection

- During fiscal year 2025, Broward County solar energy expansion continued with more than 3.13 MW installed to date and 6.96 MW planned, reducing greenhouse gas emissions and supporting renewable energy goals.
- During fiscal year 2025 Port Everglades Sand Bypass Project launched after 30+ years of planning; and will restore sediment flow and counteract long-term coastal erosion worsened by sea-level rise.
- In fiscal year 2025, Broward County Youth Climate Summit engaged 1,000 students (grades 5–12) in climate solutions, environmental career paths, and policy advocacy.
- In fiscal year 2025 Water Matters Day promoted water conservation and environmental stewardship, drawing 4,000+ attendees and distributing 2,000+ plants

Consistently Delivering Responsive, Efficient, Quality Services to the Public and Internal Customers

- In 2025, the County received twenty different awards from the National Association of Counties for Community and Economic Development, infrastructure, Energy and Sustainability, Human Services, Libraries, Parks and Recreation, Planning, and Information Technology.
- The County is investing in technology for future efficiencies and cost savings. The Enterprise Resource Planning (ERP) project, a multi-year on-going endeavor, is transforming the way the County does business. During fiscal year 2025, the County continued work on enhancements of its Treasury processes.

LONG-TERM FINANCIAL PLANNING

As an organization, the County has continued to do its best with available resources. The County has consistently balanced the demands for services with the need for financial stability, multi-year planning, and responsible stewardship of human and capital resources. During fiscal year 2025, the County experienced strong demands for housing, low unemployment rates and strong tourist activity. The convention center and hotel development will strategically leverage the Port and Airport assets nearby to stimulate tourism and economic activity.

TRANSPORTATION SURTAX FUNDING

The table below presents condensed financial information for the Surtax funds as of September 30, 2025 (in thousands):

	Transportation Surtax Special Revenue Fund	Capital Projects Fund	Total
Assets	\$ 694,362	\$ 1,774,143	\$ 2,468,505
Liabilities	(4,822)	(21,547)	(26,369)
Fund Balance	\$ 689,540	\$ 1,752,596	\$ 2,442,136
Total Revenues	\$ 575,704	\$ 62,985	\$ 638,417
Total Expenditures	(201,231)	(75,438)	(276,669)
Total Other Financing Sources (Uses)	(466,863)	466,863	-
Change in Fund Balance	(92,390)	454,410	362,020
Fund Balance, Beginning of Year	781,930	1,298,186	2,080,116
Fund Balance, End of Year	\$ 689,540	\$ 1,752,596	\$ 2,442,136

BUDGET OVERVIEW

The total adopted budget for fiscal year 2026, which includes tax supported as well as non-tax supported funds, compares to the revised fiscal year 2026 budget as follows (in millions):

	2025	2026	Increase (Decrease)
Operating Budget	\$5020.1	\$5,445.9	\$425.8
Capital Budget	1,985.6	2,553.9	568.4
Debt Service Budget	820.8	755.0	(65.8)
Total	\$7,826.5	\$8,754.8	\$928.4

Source: Adopted FY26 Adopted Budget-in-Brief

Overall, the total adopted budget for fiscal year 2026 is higher than fiscal year 2025 by \$928.4 million or 11.9% than the revised budget for fiscal year 2025. The operating budget is \$425.8 million higher or 8.5% and the capital budget is \$568.4 million higher than fiscal year 2025. The debt service budget in fiscal year 2026 is \$65.8 million lower than fiscal year 2025, at \$755.0 million. Operating budgets increased by 11.9% overall, reflecting higher adopted appropriations for constitutional officers of \$137 million including \$80 million for the Tax Collectors office, \$100 million for the new Hotel Enterprise Fund, \$38 million for Aid to Hospitals funded by private hospitals and an increase \$151.2 million in for all other purposes compared to fiscal year 2026.

The outlook for the General Fund overall is uncertain, and the outlook for employment and tax revenues is less clear as the economy is still growing, but at a slower rate. Property tax revenues for fiscal year 2026, based on the July 1 tax roll, are expected to increase 7.5% over the fiscal year 2025 budget. The County millage rate was modestly reduced, and many homeowners' property tax increases will be limited to 3 percent under the Florida "Save our Home" provision of the Florida Constitution.

Capital projects are prioritized based on the policies of the Board of County Commissioners (BOCC) articulated through its goals, the Adopted Comprehensive Plan, and other criteria such as the need to protect public health and safety, to maintain the County's infrastructure investments, to comply with federal and state mandates, and to minimize the impact of additional operating costs on taxpayers. Capital program priorities are also guided by a multitude of programmatic master plans, such as those for the Airport and Port, which are designed to ensure preservation of existing infrastructure and new infrastructure to promote long-term economic growth. The capital budget increased reflecting the higher appropriations for Terminal 5 at the Airport and \$138.0 million for the Emergency Operations and Communications Center, and other transportation capital projects budgeted in fiscal year 2026.

The capital programs and associated debt service for Aviation, Port Everglades and the Water and Wastewater utility are completely supported by the fees paid by their customers, other revenues, and grants associated with their operation. The Convention Center Hotel will be supported by user fees as well. The Aviation capital budget includes the Terminal 5 project, equipment acquisitions, Airfield improvements and other improvements. The Port Everglades capital budget includes funding for Cruise Terminal 29, a new public works facility, bulkhead replacement and other projects. The capital budget for Water and Wastewater are attributable to maintenance and rehabilitation of existing water and sewer systems throughout the utility service area. The capital budget for Transportation Surtax projects for 2026 represents projects that are approved but expected to take several years to complete and fund balances are carried over from the prior year in those capital funds.

The fiscal year 2026, total net debt service budget is approximately \$755.0 million which compares to \$820.8 million for the fiscal year 2026 debt service budget.

GFOA CERTIFICATE OF ACHIEVEMENT

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the County for its Annual Comprehensive Financial Report (Annual Report) for the fiscal year ended September 30, 2024. This was the 40th consecutive year that the County has achieved this prestigious award. In order to be awarded a Certificate of Achievement for Excellence in Financial Reporting, a government must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both Generally Accepted Accounting Principles (GAAP) and applicable legal requirements.

A Certificate of Achievement for Excellence in Financial Reporting is valid for a period of one year only. However, we believe that our current Annual Report continues to meet the Certificate of Achievement for Excellence in Financial Reporting Programs' requirements, and we are submitting it to the GFOA to determine its eligibility for another certificate.

ACKNOWLEDGMENTS

The timely preparation and publication of this Annual Report represents a significant effort by many of the accountants throughout the County, as well as the excellent cooperation and assistance of other County employees who contributed to its preparation. In particular, we wish to express our appreciation to the entire Accounting Division staff who were responsible for compiling the data comprising this report and to the Office of Public Communications staff whose efforts have greatly enhanced the appearance of this report. We also wish to thank the County's independent auditors, RSM US LLP, for their cooperation and review of this report.

Sincere appreciation is also expressed to the Commissioners, County Administrator, and Directors of Departments, Offices, and Divisions for their assistance throughout the year in matters pertaining to the financial affairs of the County.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Stephen Farmer", is written over a light blue horizontal line.

Executive Director/CEO

ORGANIZATION OF BROWARD COUNTY GOVERNMENT

The County is governed by the provisions of its Charter as amended – originally adopted by the electors of the County on November 5, 1974. Under the Charter, the County functions as a home rule government consistent with the provisions of the Florida Constitution and the general laws of the State.

The nine member Board of County Commissioners (the “BOCC”) is the legislative body of the County government. The BOCC annually elects a Mayor, who serves as the presiding officer. The Charter provides for one County Commissioner to be elected from each of the Commission districts. Elections are held every two years for staggered four-year terms. Each candidate must be a registered elector and a legal resident of the district to be represented.

The BOCC appoints the County Administrator to act as the County’s chief executive officer. The Administrator serves at the pleasure of the BOCC, implements policies, provides organizational leadership for addressing major issues and directs business and administrative procedures. The BOCC also appoints the County Attorney, advisory board members and authorities to administer certain public services. The County Auditor is nominated by an independent board and is subject to ratification by a majority of the BOCC.

In addition to the BOCC members, County residents elect the 58 Circuit Court Judges, 32 County Court Judges and four constitutional officers: the Clerk of the Circuit and County Courts, the Property Appraiser, the Sheriff and the Supervisor of Elections. Certain costs of the judicial system and the operating costs of the constitutional offices are funded by the Board pursuant to state law.

OMNI FORT LAUDERDALE HOTEL

Financial Section

Omni Fort Lauderdale Hotel

The Omni Fort Lauderdale Hotel is a 29-story luxury centerpiece located on the Intracoastal Waterway. Opened in December 2025, the property offers 801 rooms, including 82 suites, and 120,000-square-feet of dedicated meeting space. Amenities include an 8,500-square-foot spa, a 10th-floor pool deck, and six dining venues. Developed through a partnership between Broward County and Matthews Southwest, the hotel serves as a major hub for large conventions and pre-cruise stays.

Economic Impact: The hotel serves as a vital economic engine for Broward County, projected to generate more than \$57 million in annual profit while supporting more than 450 direct jobs.

Independent Auditor's Report

Honorable Board of County Commissioners
Broward County, Florida

Report on the Audit of the Financial Statements***Opinions***

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information of Broward County, Florida (the County), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

In our opinion, based on our audit and the reports of the other auditors, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information of Broward County, Florida, as of September 30, 2025, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of the: (1) Clerk of the Circuit and County Courts (a discretely presented component unit) and the, (2) Broward County Housing Finance Authority (a discretely presented component unit), which collectively represent 100%, 99.53% and 101.14%, respectively, of the assets, net position and revenues of the aggregate discretely presented component units opinion unit. We also did not audit the, (3) Broward County Supervisor of Elections (reported as part of the County's general fund) and the, (4) Broward County Property Appraiser (reported as part of the County's general fund), which collectively represent 1%, 0% and 3.66%, respectively, of the assets, fund balance and revenues of the general fund opinion unit and less than 0%, 0% and 1.84%, respectively, of the assets, net position and revenues of the governmental activities opinion unit. Those statements were audited by other auditors whose reports have been furnished to us, and our opinions, insofar as they relate to the amounts included for the Clerk of the Circuit and County Courts, Broward County Housing Finance Authority, Broward County Supervisor of Elections and Broward County Property Appraiser, are based solely on the reports of the other auditors.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 21 to the financial statements, the County adopted the recognition and disclosure requirements of Governmental Accounting Standards Board (GASB) Statement No. 101, *Compensated Absences*, as of October 1, 2024. As a result of the adoption, the County restated certain beginning net position and compensated absence balances. Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for 12 months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison schedules, and the schedules related to the pension and other post-employment benefits plans be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The accompanying combining and individual fund financial statements and schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying combining and individual fund financial statements and schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual comprehensive financial report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 27, 2026 on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

Fort Lauderdale, Florida
March 27, 2026

MANAGEMENT'S DISCUSSION AND ANALYSIS

(Unaudited)

The management of Broward County (the County) offers this narrative overview and analysis of the financial activities of the County for the fiscal year ended September 30, 2025. We encourage readers to consider the information presented here in conjunction with the additional information that we have furnished in our letter of transmittal. All amounts, unless otherwise indicated, are expressed in thousands of dollars.

FINANCIAL HIGHLIGHTS

The following are key financial highlights for the fiscal year:

- The assets and deferred outflows of resources of the County exceeded its liabilities and deferred inflows of resources at September 30, 2025, by \$10.1 billion (net position). Of this amount, \$680.5 million is an unrestricted net position deficit.
- The County's current year activities increased total net position by \$1.12 billion in fiscal year 2025. Business-type activities increased total net position by \$180.3 million, due to positive results of operations in the Aviation, Port Everglades and Water and Wastewater funds. Governmental-type activities increased the total net position by \$0.94 billion.
- As of September 30, 2025, the County's governmental funds reported combined ending fund balances of \$5.1 billion, which represents an increase of \$375.5 million from the prior year. The fund balances for the County's major funds increased by \$570.88 million, \$66.92 was attributable to the General Fund, \$16.7 was attributable to the Sheriff Contractual Services Fund, \$454.4 million was attributable to the Transportation Surtax Capital Fund, and \$125.2 million increased the fund balance of the Capital Outlay Reserves Fund. The increase was partially offset by a decrease of \$(92.4) million in the Transportation Surtax Fund.
- Surtax Transportation Revenue for the fiscal year 2025, the sixth full year of the Surtax, was \$542.2 million, of which, \$276.7 million was spent during the year on Transportation program and Capital Outlay expenditures. The Transportation Surtax and Transporting Surtax Capital funds had a combined fund balance of \$2.44 billion.
- At the end of the fiscal year 2025, unrestricted fund balance (the total of committed, assigned, and unassigned components of fund balance) for the General Fund was \$635.5 million, or 32.8% of total General Fund expenditures and other financing uses.
- The County's total outstanding debt decreased by \$460.17 million, or 6.1% during the fiscal year 2025. This decrease was comprised of a \$292.2 million decrease in Net Pension Liability, payments on bonds and loans of \$212.3 million, increase in compensated absences liability of \$12.7 million, increase in Other Post Employment Benefit Liability of \$10.1 million, an increase in subscription liabilities for \$43.3 million, and a decrease of \$7.1 million in other combined debt. During the year, the County made payments for the mandatory, and any optional retirements of \$217.3 million in bonds and loans.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis are intended to serve as an introduction to the County's basic financial statements. The County's basic financial statements contain three components: government-wide financial statements; fund financial statements; and notes to the financial statements. This report also contains other supplementary information, in addition to the basic financial statements themselves.

Government-wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the County's finances in a manner similar to a private-sector business. The statement of net position presents information on all of the County's assets, deferred outflows of resources, liabilities, and deferred inflows of resources with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the County is improving or deteriorating. The statement of activities presents information showing how the County's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows. Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in future fiscal periods.

Both of the government-wide financial statements distinguish functions of the County that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the County include general government, public safety, transportation, human services, culture and recreation, physical environment, economic environment, the Sheriff, Property Appraiser, Supervisor of Elections, and Tax Collector. The business-type activities of the County include an airport, seaport, water and wastewater utilities, and solid waste operations. The government-wide financial statements include not only the County itself, but also the Housing Finance Authority, and the Clerk of the Courts, which are, legally separate entities for which the County is financially accountable. Financial information for these component units is reported separately from the financial information presented for the primary government itself. The government-wide financial statements are listed in the table of contents of this report.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The County, like other state and local entities, uses fund accounting to ensure and demonstrate compliance with finance related legal requirements. All of the funds of the County can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds - Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The County maintains 33 individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund, the Sheriff Contractual Services Fund, the Transportation Surtax Fund, the Transportation Surtax Capital Projects Fund, and the Capital Outlay Reserve Fund, which are considered to be major funds. Data from the other governmental funds is combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of combining statements elsewhere in this report. The basic governmental fund financial statements are listed in the table of contents of this report.

Proprietary funds – The County maintains two different types of proprietary funds, enterprise funds and internal service funds. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements. The County uses enterprise funds to account for its airport, seaport, water and wastewater, and solid waste operations. Internal service funds are an accounting device used to accumulate and allocate costs internally among the County's various functions. The County uses internal service funds to account for its self-insurance, vehicle fleet, and print shop operations. Because these services predominantly benefit governmental rather than business-type functions, they have been included within governmental activities in the government-wide financial statements.

Proprietary fund financial statements provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide disaggregated information for each of the three major enterprise operations. The remaining enterprise funds, which are considered nonmajor funds, are aggregated and reported in a single column in the proprietary fund financial statements. Internal service funds are also aggregated and presented in a single column in the proprietary fund financial statements. Data for the nonmajor enterprise funds and the internal service funds is provided in the form of combining statements elsewhere in this report. The basic proprietary fund financial statements are listed in the table of contents of this report.

Fiduciary funds – Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because resources of those funds are not available to support the County's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds. The County maintains custodial funds which represent resources held by the County in a custodial capacity for individuals, private organizations, and other governments. The basic fiduciary fund financial statements are listed in the table of contents of this report.

Notes to the Financial Statements

The notes provide additional information, that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements are listed in the table of contents of this report.

Other Information

In addition to the basic financial statements, which includes the accompanying notes, this report also presents certain required supplementary information concerning the County's progress in funding its obligation to provide other post employment benefits, the County's proportionate share of the net pension liability, and the County's pension contributions. This section also includes budget to actual comparisons for the general and major special revenue funds to demonstrate compliance with their budgets. Required supplementary information is listed in the table of contents of this report.

The nonmajor governmental funds, nonmajor enterprise funds, internal service funds, and fiduciary funds combining and individual fund statements can be found immediately following the required supplementary information and are listed in the table of contents of this report.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

The following schedule is a summary of net position for the County as of September 30, 2025, with comparative information for fiscal year 2024.

Broward County's Net Position As of September 30, 2025 and 2024 (In Thousands)

	Governmental Activities		Business-type Activities		Total	
	2025	2024	2025	2024	2025	2024
Current and Other Assets	\$ 5,852,771	\$ 5,406,100	\$ 2,385,908	\$ 2,506,110	\$ 8,238,679	\$ 7,912,210
Capital Assets	4,123,160	3,719,289	5,754,129	5,648,596	9,877,289	9,367,885
Total Assets	9,975,931	9,125,389	8,140,037	8,154,706	18,115,968	17,280,095
Total Deferred Outflows of Resources	373,426	435,883	69,825	78,985	443,251	514,868
Long-term Obligations	3,209,474	3,407,306	3,803,834	3,952,802	7,013,308	7,360,108

*Net Position beginning balance was restated in FY 2025 for the implementation of GASB Statement 101, *Compensated Absences*.

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. As of September 30, 2025, the County's assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$10.1 billion. By far the largest portion of the County's net position, 54.0% or \$5.4 billion, reflects its investment in capital assets (e.g., land, buildings, machinery and equipment) less any related outstanding debt used to acquire those assets. These capital assets are used to provide services to citizens; consequently these assets are not available for future spending. It should also be noted that the resources required to repay the related debt must be provided from other sources since the capital assets themselves cannot be used to liquidate these liabilities. An additional portion of the County's net position, 39.2% or \$4.0 billion, represents resources that are subject to external restrictions on how they may be used. The remaining 6.7% or \$680.5 million of unrestricted net position may be used to meet the County's ongoing obligations to residents and creditors. As of September 30, 2025, the governmental activities had an unrestricted net position of \$29.5 million, while the business-type activities unrestricted net position totaled \$651.0 million.

The County's current year governmental activities increased net position by \$0.94 billion. Current year activities increased business-type activities net position by \$180.3 million due primarily to positive results of operations in the Aviation, Port Everglades and Water and Wastewater funds. The reasons for the overall increases/decreases in current year activities are discussed in the following sections for the governmental activities and business-type activities. The following schedule is a summary of the government-wide activity for the fiscal year ended September 30, 2025, with comparative information for the fiscal year ended September 30, 2024.

*The County implemented GASB Statement No. 101, *Compensated Absences* in fiscal year 2025.

Governmental Activities

Revenues:

Governmental activities revenues increased by \$175.5 million over the prior year. Some of the significant changes in revenues were as follows:

- Charges for services increased by \$70.1 million primarily as a result of increases in charges for Sheriff services by \$32.3 million related to services to contract cities, Aviation, and the Port, and Human Services by \$28.1 million attributable mainly due to increase in special assessments.
- Operating grants and contributions increased by \$58.7 million from the prior year primarily due to \$53.2 million contribution to pay down debt related to the Arena.
- Capital grants and contributions decreased by \$4.3 million from the prior year and is primarily attributable to a decrease in capital grants for Transportation.
- Property tax revenues increased by \$130.787 million to \$1.6 billion as a result of an increase in assessed property values. Transportation Surtax revenue was \$542.2 million which was an increase of \$6.073 million for the sixth full year of the Surtax was in place and is reflective of increased sales tax activity during fiscal year 2025.
- Overall total general revenues increased by \$52.07 million from the prior year including a decrease of \$70.709 million in investment and interest income associated with fluctuations in the value of marketable investments.

Expenses:

Governmental activities expenses increased by \$146.4 million overall. Significant changes in expenses are as follows:

- Expenses for human services increased \$48.37 million of which \$23 million was for hospital special assessment fees.
- Transportation expenses increased by due to an increase in spending by the surtax program.
- General government decreased due to newly created constitutional office, Tax Collector.
- Tax Collector expenses pertain to the newly created constitutional office and include start up costs.

The following is a chart of the fiscal year 2025 governmental activities revenues by source and by percent of total revenues.

The following chart compares program revenues and expenses for the governmental activities for fiscal year 2025.

Business-Type Activities

Net position for the business-type activities as of September 30, 2025 was \$3.8 billion, an increase of \$180.3 million from the prior year balance of \$3.6 billion.

Revenues:

The overall charges for services increased by \$72.37 million in fiscal year 2025 as compared to fiscal year 2024 as follows:

- Aviation revenues increased by \$44.7 million compared to the prior year due to an increase airline revenues in accordance with residual rate-making formula in the airline agreements. Non-airline revenues increased due to a rate increased in parking fees early in fiscal year 2025.
- Port Everglades revenues increased by \$20.1 million compared to the prior year due to increases in the number of cruise passengers during the fiscal year. Real estate revenue increased by 6.1% due to a change in billing for ECT to per vessel rather than a monthly minimum guaranteed payment. Petroleum revenue increased by 4.4% due to increases in wharfage fees billed for jet fuel and diesel.
- Revenue for Water and Wastewater increased \$13.5 million due to several factors, including, a \$5.7 million and \$5.1 million increase in retail water and retail sewer, respectively, due to an increase in demand and an increase in the rate and an increase of \$0.8 million in large user revenue.

Expenses:

Overall expenses in the business-type activities increased by \$26.9 million as compared with the prior fiscal year. There were significant decreases in the Aviation and Port Everglades, which were partially offset by increases in the Water and Wastewater and the Solid Waste expenses.

- Aviation expenses increased by \$4.8 million from the prior year due to increases in salary adjustments, pension expense, and a deferred compensation match. Contractual services for police and fire protection increased by \$2.8 million contract as a result of a contract increase.
- Port Everglades expenses increased by \$14.3 million from the prior year. The increase is primarily due to the annual contractual increase with the Sheriff and an overall increase in service hours for cruise and traffic activities. Maintenance, equipment, and supplies decreased by 9.5% due to a one time building repair being fully completed fiscal year 2025, General and administrative increases increased 18.5% due to an increase in professional services for security software upgrades, and utilities increased 27.3% due to increased water usage for an increased number of cruises along with annual rate increases.
- Water and Wastewater expenses increased by \$7.8 million due to increases of \$4.7 million in depreciation and increases in general operating expenses of \$3.0 million and \$0.1 million in personal services.

The following is a chart of the fiscal year 2025 business-type activities revenues by source and by percent of total revenues.

The following chart compares program revenues and expenses for the business-type activities for fiscal year 2025.

FINANCIAL ANALYSIS OF THE COUNTY'S FUNDS

As noted earlier, the County uses fund accounting to ensure and demonstrate compliance with finance related legal requirements.

Governmental Funds

The focus of the County's governmental funds is to provide information on near term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the County's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for discretionary use as they represent the portion of fund balance which has not yet been limited to use for a particular purpose by either an external party, the County itself, or a group or individual that has been delegated authority to assign resources for use for particular purposes by the Board of County Commissioners.

At September 30, 2025, the County's governmental funds reported combined ending fund balances of \$5.1 billion, an increase of \$375.5 million from the prior year. Approximately 1.5% or \$94.7 million, of this amount constitutes unassigned fund balance that is available for spending at the County's discretion. The remainder of fund balance is either nonspendable, restricted, committed, or assigned to indicate that it is 1) not in spendable form (\$28.5 million), 2) restricted for particular purposes (\$3.4 billion), 3) committed for particular purposes (\$1.1 billion), or 4) assigned for particular purposes (\$507.1 million).

The General Fund is the chief operating fund of the County. At September 30, 2025, the unassigned fund balance of the General Fund was \$95.8 million while total fund balance was \$692.9 million. As a measure of the General Fund's liquidity, it may be more useful to compare both unassigned fund balance and total fund balance to total General Fund expenditures and other financing uses. Unassigned fund balance represents 5.45% of total General Fund expenditures and other financing uses, while total fund balance represents 39.37% of that same amount.

The fund balance of the County's General Fund increased by \$ 66.9 million during the current fiscal year due to increases to revenues, including property taxes increases of \$129.1 million partially offset by an decreased in investment revenue of \$20.6 million. The increased in Property tax revenue was attributable to increases in taxable property value, while the decreased in investment revenue was related to the adjustments due to fair value measurement. Offsetting the increase in revenue was increases in expenditures mainly for start up costs for the newly created Tax Collector Constitutional office and additional funds for public safety related to regional services and requests for funding for additional helicopters.

The fund balance of the Sheriff Contractual Services Fund, a major fund, increased by \$16.7 million during the current fiscal year. The increase in revenue of \$40 million was related to charges to contract cities, Aviation, and the Port, together with an increase by \$30 million in expenditures related to public safety.

The fund balance of the Transportation Surtax Fund, a major fund, decreased by \$(92.4) million during the current fiscal year. This change was the result of direct spending by the Surtax program along with transfers to the Surtax Capital Project fund.

The fund balance of the Transportation Capital Surtax Fund, a major fund increased by \$454.4 million during the current fiscal year as a result of differences in timing between transfers from the Surtax special revenue fund for projects and equipment for \$466.9 million and the expenditures for progress on the projects and receipt of the equipment for \$75.4 million, with the remaining difference due to interest and investment gains.

The fund balance of the Capital Outlay Reserve fund, a major fund, increased by \$125.2 million during the fiscal year as a result of increased revenues from property taxes of \$21.2 million and an increase in transfers in from the General Fund to fund future projects. The increases were offset by a decrease in capital outlay due to timings of capital projects.

Proprietary Funds

The County's proprietary funds provide the same type of information found in the government-wide financial statements for business-type activities, but in more detail.

The Aviation Fund generated an operating loss of \$(58.8) million and an increase in net position of \$27.4 million in fiscal year 2025. As of September 30, 2025, net position totaled \$1.8 billion of which \$226.4 million was unrestricted.

The Port Everglades Fund generated operating income of \$64.0 million and an increase in net position of \$99.4 million in fiscal year 2024. As of September 30, 2025, net position totaled \$1.23 billion, of which \$258.7 million was unrestricted.

The Water and Wastewater Fund generated operating income of \$47.8 million and an increase in net position of \$55.2 million in fiscal year 2024. As of September 30, 2025, net position totaled \$660.5 million, of which \$149.8 million was unrestricted.

Other factors concerning the finances of these funds have already been addressed in the previous discussion of the County's business-type activities.

GENERAL FUND BUDGETARY HIGHLIGHTS

Overall, there was a \$167.66 million increase in appropriations between the original and final budget. Significant modifications included an increase in public safety of \$46 million and an increase in other financing use of \$90 million as expenditures.

General Fund revenues for the 2025 fiscal year totaled \$1.90 billion or 97.3% of the final budget. Total expenditures of \$1.8 billion were 89.8% of the final budget as several functional areas experienced budget savings. Significant positive variances were primarily in the Transportation category which were \$171.1 million less than budgeted and public safety category where expenditures were \$59.6 million less than the budget, and human services which was \$22.3 million less than budgeted. Other financing sources totaled \$44.9 million or 14.1% of the final budget, while other financing uses totaled \$162.6 million or 57.4% of the final budget. General Fund revenues and other financing sources exceeded expenditures and other financing uses by \$66.9 million, resulting in a positive variance with the final budget of \$159.1 million.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

The County's investment in capital assets for its governmental and business-type activities as of September 30, 2025, amounted to \$9.9 billion (net of accumulated depreciation). In fiscal year 2025, there was a net increase in capital assets totaling \$509.4 million (additions, net of retirements and depreciation).

Major capital asset events during the fiscal year included the following:

Governmental activities:

- Convention Center expansion construction (\$94.1 million)
- Convention Center Hotel development (\$202 million)
- Convention Center Bypass Road construction (\$14.67 million)
- Port Access Bypass Road construction (\$18 million)
- Broward County Property Appraiser Building Renovation (\$9.98 million)

Business-type activities:

- Terminal improvements projects, airfield projects including runway rehabilitation, baggage systems and other projects (\$147.01 million)
- Port Everglades capital projects included Port-wide bulkheads, West Lake Park Mitigation, STNE/Crane Rail Infrastructure Improvements, and North Entrance Channel Bulkhead (\$147.7 million)
- Water and wastewater infrastructure improvements including upgrades to the existing water and wastewater systems, new sanitary sewer systems, installation of drainage system, new pavement, swales and landscaping (\$46.3 million)

Additional information on the County's capital assets can be found in Note 6 to the financial statements.

Long-Term Debt

The bond ratings on outstanding revenue bonds as of September 30, 2025 are as follows:

	Credit	S&P	Moody's	Fitch
Special Obligation				
Convention Center Hotel 1st Tier Revenue		AAA	Aaa	AAA
Tourist Development Tax		n/a	Aa2	n/a
Revolving Loan		n/a	n/a	n/a
Half-Cent Sales Tax		AAA	Aaa	AA+
Airport System Revenue		A+	A1	A+
Port Facilities				
Port Facilities		A	A1	A
Subordinated Port Facilities		A-	A2	n/a
Water and Sewer Utility		AA+	Aa1	AA+

At September 30, 2025, the County had \$4.4 billion in outstanding debt as compared to \$4.5 billion in the prior year. All outstanding debt was secured by various specific revenue sources.

The County's outstanding debt as of September 30, 2025, for the governmental activities and business-type activities decreased by \$63.5 million and \$118.2 million, respectively, during the fiscal year 2025. These decreases are the result of payments made during the fiscal year towards outstanding obligations, net of the issuance of a new line of credit note.

Broward County's Outstanding Debt September 30, 2025 and 2024

The County's required Annual Disclosure Statement may be found on line at <https://www.broward.org/Finance/pages/investorrelations.aspx>. This disclosure report details and updates certain statistics and financial performance which form the basis for the security for the County's indebtedness. Additional information on the County's long-term debt can be found in Note 7 to the financial statements.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

Local, national, and international economic factors influence the County's revenues. Positive economic growth is correlated with increased revenues from property taxes, sales taxes, charges for services, as well as state and federal grants. Economic growth in the local economy may be measured by a variety of indicators such as employment growth, unemployment, new construction, assessed valuation and enterprise fund revenues.

- Net assessed value of real and personal property within the County increased by approximately 7.5% in fiscal year 2026 over fiscal year 2025.
- Property taxpayers had a decrease of 0.0032 mills in their County levied millage rate in fiscal year 2026. The debt service millage rate ends in fiscal year 2026 as the debt has been paid in full as of fiscal year 2025. The capital millage rate is based on the goal on continuing to rebuild the "pay as you go" capital program, which was significantly impacted during the recession, and is essential to meeting infrastructure maintenance requirements.
- The fiscal year 2026 budget includes reductions in ongoing core expenses of \$20 million per year, including a reduction of 159 funded county positions. Additionally, the budget increases reserves overall to guard against the next few year's uncertainties.
- The unemployment rate for the County as of at September 30, 2025 was 4.0%, an increase over prior year of 3.4%. This is change is comparable to the State's unemployment rate change of 4.2% at September 30, 2025 from 3.5% at September 30, 2024 and the national unemployment rate of change to 4.3% at September 30, 2025 from 4.1% at September 30, 2024.

All of the above factors were considered in preparing the County's fiscal year 2026 budget. The increase in the net assessed value provides revenue to help address cost increases and fund improvements. Where revenues are curtailed, such as in the enterprise funds, the County is prudently managing facilities and finances to be ready to return to activity levels experienced prior to the pandemic and crafting master plans that will serve the community well for years to come and strengthen the local economy.

REQUESTS FOR INFORMATION

This financial report is designed to provide a general overview of the County's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional information should be addressed to:

Director, Accounting Division
115 S. Andrews Avenue, Room 221,
Fort Lauderdale, FL 33301

Basic Financial Statements

The Convention Center Connector

The Convention Center Connector, also known as the Port Everglades Bypass Road, was designed to separate local and tourist traffic from industrial port operations. Historically, drivers navigating from State Road 84 or U.S. 1 to the 17th Street Causeway faced heavy congestion and mandatory security checkpoints. This \$55 million investment, funded through transportation taxes and state grants, broke ground in 2024 and opened on October 20, 2025. The one-mile elevated bridge allows motorists to bypass security screenings entirely, reducing travel times to the Convention Center and the Omni Fort Lauderdale Hotel.

***Economic Impact:** Funded by a combination of taxes and FDOT grants, the project has stimulated the local economy by exceeding its Certified Business Enterprise (CBE) participation goal, resulting in more than \$1.2 million paid to local firms.

RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET TO THE STATEMENT OF NET POSITION

September 30, 2025
(In Thousands)

Fund balances - total governmental funds \$ 5,108,675

Amounts reported for governmental activities in the statement of net position are different because:

Capital assets used in governmental activities are not financial resources and therefore are not reported in the governmental funds.

	<i>Asset Cost</i>	<i>Accumulated Depreciation</i>	<i>Net</i>	
Land	\$ 663,018		\$ 663,018	
Construction in progress	1,588,530		1,588,530	
Buildings	1,663,528	\$ (802,354)	861,174	
Improvements	1,415,646	(828,715)	586,931	
Equipment	1,107,630	(764,772)	342,858	
Right-to-use lease asset	61,797	(26,811)	34,986	
Right-to-use subscription asset	69,291	(24,144)	45,147	4,122,644

Other long-term assets are not available to pay for current period expenditures and therefore are reported as deferred inflows in the governmental funds.

Deferred inflows - unavailable revenues	9,936
Deferred inflows - leases	9,434

Deferred outflows of resources related to the deferred amount on refunding are applicable to future periods and, therefore, are not reported in the governmental funds.

4,144

Deferred outflows of resources and deferred inflows of resources related to pensions are applicable to future periods and, therefore are not reported in the governmental funds.

Deferred outflows of resources related to Other Post Employment Benefits	43,894	
Deferred outflows of resources related to pensions	323,759	
Deferred inflows of resources related to Other Post Employment Benefits	(56,678)	
Deferred inflows of resources related to pensions	(261,423)	49,552

Some liabilities applicable to the County's governmental activities are not due and payable in the current period and are not reported as fund liabilities.

Special obligation bonds	(936,200)	
Direct placement loans	(66,395)	
Subscription liability	(54,593)	
Lease Liability	(36,071)	
Premiums and discounts on debt	(141,274)	
Compensated absences	(246,814)	
Total other post employment benefits Liability	(286,683)	
Net pension liability	(1,306,009)	
Arbitrage liability	(6,852)	
Accrued interest payable	(8,941)	(3,089,832)

Internal service funds are used by management to charge the costs of self-insurance, printing, and fleet services to individual funds. The assets and liabilities of the internal service funds are included in governmental activities in the statement of net position.

83,879

Total net position of governmental activities	\$ 6,298,432

See accompanying notes.

See accompanying notes.

RECONCILIATION OF THE GOVERNMENTAL FUNDS STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES TO THE STATEMENT OF ACTIVITIES

for the fiscal year ended September 30, 2025
(In Thousands)

Net change in fund balances - total governmental funds	\$	375,525
Total change in net position reported for governmental activities in the statement of activities is different because:		
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlays exceeded depreciation in the current period.		
Expenditures for capital assets	\$	586,946
Current year depreciation and amortization	<u>(180,444)</u>	406,502
The net effect of various miscellaneous transactions involving capital assets (i.e., sales, trade-ins, and donations) is to decrease net position.		
		(2,717)
Some of the revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the governmental funds.		
		(6,165)
The issuance of long-term debt (i.e. bonds, leases) provides current financial resources to governmental funds, but issuing the debt increases the long-term liabilities in the statement of net position. Repayment of principal is an expenditure in the governmental funds, but reduces the long-term liability in the statement of net position.		
Principal payments on bonds	65,880	
Direct placement loan repaid	12,754	
Direct loan proceeds	(15,089)	
Right-to-use asset proceeds	(62,035)	
Lease and subscription payments	<u>17,676</u>	19,186
Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds. These expenses are:		
Due to component unit	1,133	
Compensated absences	4,685	
Other post employment benefits	8,294	
Pension expenses	106,091	
Accrued arbitrage rebate	3,692	
Accrued interest on long-term debt	475	
Amortization of premiums and discounts on debt	9,999	
Amortization of deferred charge on refunding	<u>(1,060)</u>	133,309
The net income of internal service funds is reported with governmental activities on the statement of activities.		
		10,640
Change in net position of governmental activities	\$	936,280

See accompanying notes.

NOTE I - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity

Broward County, Florida (County) is a political subdivision of the State of Florida. It is guided by an elected Board of County Commissioners (BOCC), that is governed by the Florida Statutes and a local County Charter. In addition, there are five elected Constitutional Officers: The Clerk of the Circuit and County Courts (Clerk); Property Appraiser; Sheriff; Supervisor of Elections; and Tax Collector. The BOCC, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector comprise the Broward County primary government.

The accompanying financial statements present the County (the primary government) and its component units, entities for which the County is considered to be financially accountable. Blended component units, although legally separate entities, are, in substance, part of the County's operations. The blended component units are presented as funds of the County. Discretely presented component units are reported in a separate column in the government-wide financial statements (see note below for description) to emphasize that they are legally separate from the County.

Blended Component Units

Water Control Districts are special taxing districts created to maintain and improve water resource and drainage programs in the County. The BOCC is the governing body of the Water Control Districts. Management of the County has operational responsibility for the Water Control Districts and manages the activities in essentially the same manner in which it manages its own programs, departments, or agencies. The financial results of the four individual Water Control Districts (District No. 2, District No. 3, District No. 4, and Cocomar) are combined into one special revenue fund to facilitate presentation. Separate financial statements are not required or prepared for the Water Control Districts.

The legal authority by which each of the following Water Control Districts was created is as follows:

Broward County Water Control District No. 2 - Section 298.01, F.S.; County Ordinance No. 79-93.

Broward County Water Control District No. 3 - Section 298.01, F.S.; County Referendum 4/15/69.

Broward County Water Control District No. 4 - Section 298.01, F.S.; County Referendum 3/29/66.

Cocomar Water Control District - Section 125.01(5) (a), F.S.; County Ordinance No. 80-17.

The following organizations are also shown as blended component units:

The **Broward County Community Redevelopment Agency (CRA)** acts in an advisory capacity to the County to establish and carry out redevelopment objectives in economically deprived areas of the County. It was established by Florida Statute Section 163.356 and County Ordinance No. 80-110. The BOCC is the governing body of the CRA. The services of the CRA exclusively benefit the County, even though it does not provide services directly to the County. The CRA did not conduct any financial transactions during the year and has no assets, deferred outflows of resources, liabilities, deferred inflows of resources, or fund balance.

The **Broward County Educational Facilities Authority (EFA)** acts in an advisory capacity to the County in alleviating the shortage of educational facilities and projects in the County. It was established by Florida Statute Section 243.21 and County Ordinance No. 86-15. The BOCC appoints the governing body and is able to impose its will on the EFA. The services of the EFA exclusively benefit the County, even though it does provide services directly to the County. The EFA did not conduct any financial transactions during the year and has no assets, deferred outflows of resources, liabilities, deferred inflows of resources, or fund balance.

The **Broward Solid Waste Disposal District (District)** exists as a means to address certain statutory obligations of the County concerning solid waste disposal and related matters. It was established by Florida Statutes Sections 125.01 and 403.706 and County Ordinances No. 87-3 and 2013-26. The BOCC is the governing body of the District. The District did not conduct any financial transactions during the year and has no assets, deferred outflows of resources, liabilities, deferred inflows of resources, or fund balance.

Discretely Presented Component Units

The Clerk is an elected Constitutional Officer of the County and has separate legal standing from the County. The governing body of the Clerk is not the same as the governing body of the County. The Clerk provides services to the courts and receives most of its revenues from those who are utilizing court services and processes. The Clerk is included as a component unit because its exclusion from the financial reporting entity could render the County's financial statements misleading.

The Broward County Housing Finance Authority (HFA), which is a legally separate entity from the County, was established in 1979 by County Ordinance No. 79-41 for the purpose of encouraging the investment of private capital and stimulating the construction of residential housing for low and moderate income families through the use of public financing. The HFA is governed by a Board appointed by the BOCC, and the County must also approve HFA's contracts and bond issues. The HFA is authorized to issue revenue bonds that are not deemed to constitute a debt of HFA, the County, or any political sub-division thereof (see Note 7). The HFA does not meet the blending criteria and is therefore reported as a discretely presented component unit.

Complete financial statements for each of the individual discretely presented component units may be obtained at the entities' administrative offices as follows. Financial statements are not required for other component units.

Clerk of Circuit and County Courts

Finance and Budget Department
201 SE 6th Street, Room 275
Fort Lauderdale, FL 33301

Broward County Housing Finance Authority

110 NE 3rd Street, Room 300
Fort Lauderdale, FL 33301

B. Basis of Presentation

Government-wide Financial Statements

The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) report information on all of the nonfiduciary activities of the primary government and its component units. Fiduciary activities are reported only in the fund financial statements. Governmental activities, which normally are supported by taxes, intergovernmental revenues, and other nonexchange transactions, are reported separately from business-type activities, which rely to a significant extent on fees and charges to external customers for support. Likewise, the primary government is reported separately from certain legally separate component units for which the primary government is financially accountable.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are charges between the County's various functions of the government. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned. Certain indirect costs are included in the program expense reported for individual functions and activities.

Fund Financial Statements

The fund financial statements provide information about the County's funds, including its fiduciary funds and blended component units. Separate statements for each fund category – governmental, proprietary, and fiduciary – are presented. The emphasis of fund financial statements is on major governmental and enterprise funds, each displayed in a separate column. All remaining governmental and enterprise funds are aggregated and reported as nonmajor funds. The internal service funds are combined into a single, aggregated presentation in the proprietary fund financial statements.

The County reports the following major governmental funds:

General Fund – This is the County's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

Sheriff Contractual Services - Special Revenue Fund – This fund accounts for financial resources generated by services provided by the Sheriff's Office for law enforcement services, and emergency medical and fire protection services. Revenues are generated from contracts with the Broward's Fort Lauderdale-Hollywood International Airport, Port Everglades, unincorporated areas, and a number of municipalities for police and fire rescue services.

Transportation Surtax - Special Revenue Fund – This fund accounts for revenue received from the one percent transportation sales surtax to support transportation improvements.

Transportation Surtax - Capital Projects Fund – This fund accounts for the County owned transportation related projects and expenditures which are supported by local one-cent sales tax revenues.

Capital Outlay Reserve - Capital Projects Fund – This fund accounts for general capital projects which typically do not have a dedicated funding source.

The County reports the following major enterprise funds:

Aviation Fund – This fund accounts for the operations of the Broward's Fort Lauderdale-Hollywood International and North Perry Airports.

Port Everglades Fund – This fund accounts for the operations of the County's seaport system.

Water and Wastewater Fund – This fund accounts for water and sewage treatment services provided to certain incorporated and unincorporated areas of the County.

The County also reports the following fund types:

Internal Service Funds – These funds account for the County's insurance programs, vehicle management services, and printing services, all of which are provided to other County departments on a cost-reimbursement basis.

Custodial Funds – These funds account for taxes and licenses collected on behalf of other entities, funds received and disbursed by the Sheriff's Office in a fiduciary capacity, and various other funds and fees received and disbursed in a fiduciary capacity.

Interfund Balances and Interfund Transfers

During the course of operations, the County has activity between funds for various purposes. Any residual balances outstanding at year end are reported as due from/to other County funds. While these balances are reported in the fund financial statements, certain eliminations are made in the preparation of the government-wide financial statements. Balances between the funds included in governmental activities are eliminated so that only the net amount is included as internal balances in the governmental activities column. Similarly, balances between the funds included in business-type activities (i.e., the enterprise funds) are eliminated so that only the net amount is included as internal balances in the business-type activities column.

Further, certain activity occurs during the year involving transfers of resources between funds. In the fund financial statements, these amounts are reported at gross amounts as transfers in/out. While reported in fund financial statements, certain eliminations are made in the preparation of the government-wide financial statements. Transfers between the funds included in governmental activities are eliminated so that only the net amount is included as transfers in the governmental activities column. Similarly, balances between the funds included in business-type activities are eliminated so that only the net amount is included as transfers in the business-type activities column.

C. Measurement Focus and Basis of Accounting

The accounting and financial reporting treatment is determined by the applicable measurement focus and basis of accounting. Measurement focus indicates the type of resources being measured such as current financial resources or economic resources. The basis of accounting indicates the timing of transactions or events for recognition in the financial statements.

The government-wide and proprietary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenues as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. The County considers revenues to be available if they are collected within 60 days of the end of the current fiscal period except for grants, which are considered to be collectible if they are collected within six months. Property taxes, sales taxes, intergovernmental revenues, and interest income associated with the current fiscal period are considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period, if available. All other revenue items are considered to be measurable only when cash is received by the County. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, leases, pension, other post employment benefits, and claims and judgements are recorded only when payment is due. Capital asset acquisitions are reported as expenditures in the governmental funds. The issuance of long-term debt and leases qualifying under GASB Statements No. 87 and 96 are reported as other financing sources.

The Custodial funds included in the fiduciary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting.

D. Implementation of Governmental Accounting Standards Board Statements

The County adopted the following Governmental Accounting Standards Board (GASB) Statements during the fiscal year ended September 30, 2025:

1. GASB Statement No. 101, Compensated Absences

Statement No. 101 improves the recognition and measurement guidelines for compensated absences by aligning the recognition of and measurement guidance under a unified model and amending certain previously required disclosures. The effect of the adoption of GASB No. 101 is disclosed in Note 21.

2. GASB Statement No. 102, Certain Risk Disclosures

Statement No. 102 improves financial reporting by providing users of financial statements with essential information that currently is not often provided. The disclosures will provide users with timely information regarding certain concentrations or constraints and related events that have occurred or have begun to occur that make a government vulnerable to a substantial impact. The effect of this adoption did not significantly impact the County's financial statements.

E. Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position/Fund Balance

1. Deposits and Investments

The County maintains an investment pool for substantially all cash and cash equivalents and investments. Each fund's portion of the pool is presented as "cash and cash equivalents", "investments", or "restricted assets", as appropriate. Earnings are allocated to each fund based on average daily cash and investment balances. The County also maintains cash and investments outside of the investment pool relating to bond proceeds for the purpose of funding debt service payments and bond reserve requirements, as well as for investment purposes. The County considers cash and cash equivalents to be cash on hand, demand deposits, and investments with original maturities of three months or less from the date of acquisition. All investments are carried at fair value.

2. Receivables

All trade and other receivables are shown net of allowances for uncollectible amounts. Receivables are analyzed for their collectability based on the terms and conditions of agreements, as well as current economic conditions and consideration of the creditors ability to pay. In addition to those receivables specifically identified as uncollectible, a general allowance is established for receivables older than one year.

3. Due from Other Governments

Due from other governments includes amounts due to the County for services provided, for grants due from Federal and State agencies and for shared revenues. Amounts due from other governments are analyzed for their collectability. In addition to those receivables specifically identified as uncollectible, a general allowance is established for amounts older than one year.

4. Inventories and Prepaid Items

Inventories consist principally of materials and supplies held for consumption and are recorded at cost using the first in-first out method for governmental funds and at the lower of average cost or net realizable value for proprietary funds. In the governmental funds, the cost of inventories is recorded as expenditures at the time of consumption, while in the proprietary funds, the cost of inventories is recorded as an expense when consumed. Certain payments reflect costs applicable to future accounting periods and are recorded as prepaid items in both the government-wide and fund financial statements. The cost of prepaid items is recorded as an expenditure/expense when consumed, rather than when purchased in both the governmental and proprietary funds. In the governmental funds, reported inventories and prepaid items are classified as nonspendable fund balances.

5. Restricted Assets

Restricted assets of the governmental and enterprise funds primarily represent amounts set aside for construction, debt service, operating and maintenance, and renewal, replacement and improvements under the terms of outstanding bond agreements and regulatory requirements. The bond construction accounts include bond proceeds available for design and construction of capital projects. The debt service accounts contain the principal and interest amounts required for payments due within one year. The bond reserve accounts contain the maximum amount of principal and interest requirements pursuant to the bond resolutions. The operating and maintenance accounts contain the amount required per bond resolution to be set aside for operating expenses during the next two fiscal months. The renewal, replacement, and improvement accounts contain the amounts required to be set aside for the renewal and replacement of equipment and infrastructure. Restricted assets also include the passenger facility charges account, which contains amounts collected and receivables, amounts set aside for the landfill escrow closure account, and amounts set aside for deposits.

6. Capital Assets

Capital assets, which include property, plant, equipment, intangible right-to-use assets, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported at cost or estimated historical cost. Intangible right-to-use assets are recorded at the present value of future lease/subscription payments over the contract/subscription term. Donated capital assets are recorded at acquisition value at the date of donation. The capitalization levels are \$5,000 for equipment, land, and intangible right-to-use asset and \$50,000 for buildings, land and building improvements, and infrastructure. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Depreciation and amortization is calculated using the straight-line method over the following estimated useful lives:

Buildings, Structures, and Improvements	3-65 years
Runways, Aprons, and Taxiways	5-40 years
Utility Plant in Service	10-45 years
Furniture, Fixtures, and Equipment	3-30 years
Roads, Streets, and Bridges	40-50 years
Sidewalks and Traffic Signals	30 years
Intangible Right-to-use Assets	1-30 years
Lakes, Waterways, and Water Control Structures	50-75 years

7. Leases

GASB Statement No. 87, *Leases*, defines a lease as a contract that transfers the right to use another entity's asset for a specific period of time in an exchange or exchange-like transaction. The County has entered in to various lease agreements, primarily for office buildings. Under these contracts, the County recognizes a lease liability and a lease asset (intangible right-to-use asset) at the commencement of the lease term in the government-wide financial statements. The lease liability is measured at the present value of payments expected to be made during the lease term (less any lease incentives). The lease asset is measured at the amount of the initial measurement of the lease liability, plus any payments made to the lessor at, or before the commencement of the lease term and certain direct costs.

Likewise, the County leases its real property and structures to others, which includes the Airport non-cancellable leases with air carriers and concessionaires, Port non-cancellable lease agreements, and other operations throughout the County. Under these contracts, the County recognizes a lease receivable and a deferred inflow of resources at the commencement of the lease term in the government-wide and governmental fund financial statements. The lease receivable is measured at the present value of lease payments expected to be received during the lease term. The deferred inflow of resources is measured at the value of the lease receivable plus any payments received at or before the commencement of the lease term that relate to future periods.

An amendment to a lease contract is considered a lease modification, unless the lessee's right-to-use the underlying asset decreases, in which case, it is considered a partial or full lease termination. A lease termination is accounted for by reducing the carrying values of the lease liability and lease asset by a lessee, or the lease receivable and deferred inflows of resources by the lessor, with any differences being recognized as a gain or loss.

The future lease payments are discounted using the interest rate implicit in the lease. If the interest rate is not available, the County uses its incremental borrowing rate determined by the County. The lease term is determined by the sum of the non-cancellable periods, plus renewal options when they are reasonably certain of being exercised or early termination options when they are reasonably certain of not being exercised.

The Airport and the Port have regulated leases, not subject to the provisions of GASB Statement No. 87. For regulated leases, no lease receivable or deferred inflows of resources are reflected in the financial statements, refer to Note 12, Leases for additional information.

8. Subscription-Based Information Technology Arrangements (SBITA)

GASB Statement No. 96, "Subscription-Based Information Technology Arrangements" defines a SBITA as a contract that transfers the right to use another entity's subscription asset for a specific period of time in an exchange or exchange-like transaction. The County has entered into various SBITA agreements. Under these contracts, the County recognizes a SBITA liability and a SBITA asset (intangible right-to-use asset) at the commencement of the SBITA term in the government-wide financial statements or Proprietary Funds' Statement of Net Position. The SBITA liability is measured at the present value of payments expected to be made during the SBITA term (less any SBITA incentives). The SBITA asset is measured at the amount of the initial measurement of the SBITA liability, plus any payments made to the vendor at or before the commencement of the SBITA term and any capitalizable initial implementation costs.

An amendment to the SBITA contract is considered a SBITA modification unless the County's right to use the underlying asset decreases, in which case it is considered a full or partial SBITA termination. A SBITA termination is accounted for by reducing the carrying value of the SBITA liability and SBITA asset by the County, with any difference being recognized as a gain or loss.

The future SBITA payments are discounted using the interest rate implicit in the SBITA Contract. If the interest rate is not available, the County uses its incremental borrowing rate. The SBITA term is determined by the sum of the non-cancellable periods, plus renewal options when they are reasonably certain of being exercised or early termination options when they are reasonably certain of not being exercised.

9. Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Net Position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net assets that applies to a future period and so will not be recognized as an outflow of resources (expense/expenditure) until then. The category of deferred outflow of resources reported in the Statement of Net Position in the governmental activities, business-type activities, and the proprietary funds is related to debt refunding, other post employment benefits, and pensions. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded debt or refunding debt. Deferred outflows on pension, leases, and other post employment activities are more fully discussed in Note 1 Section E Items 11 and 12, and Notes 12, 15 and 16.

In addition to liabilities, the Statement of Net Position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net assets that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time. The County has only reported certain items in this category under the modified accrual basis of accounting. Accordingly, *unavailable revenue*, is reported only in the governmental funds balance sheet. The governmental funds report unavailable revenues for property taxes and grant reimbursements where revenue is not available. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available. The County's deferred inflows of resources reported on the Balance Sheet for governmental funds and the Statement of Net Position for the governmental activities, business-type activities, and the proprietary funds relate to leases, pension, and other post employment benefits. Deferred inflows on other post employment benefits and pension activities are more fully discussed in Note I Section E, Items 11 and 12, and Notes 12, 15 and 16.

10. Long-term Obligations

Long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund Statement of Net Position. Bond premiums and discounts are amortized over the life of the bonds using the effective interest method or a straight-line basis, if it approximates the effective interest rate method. Bonds payable, as reported, includes unamortized bond premiums or discounts.

In the governmental funds fund financial statements, bond premiums and discounts are recognized during the current period. The face amount of the debt issues is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Principal payments on debt are reported as debt service expenditures.

11. Compensated Absences

It is the County's policy to permit employees to accumulate earned but unused vacation and sick leave. The County accounts for compensated absences in accordance with Governmental Accounting Standards Board (GASB) Statement No. 101, *Compensated Absences*. A liability is recognized for leave that (a) has been earned by employees, (b) is attributable to services already rendered, and (c) is more likely than not to be paid or settled through paid time off or other means. The cost of accumulated vacation and sick pay is accrued when earned in the government-wide and proprietary fund financial statements. A liability for these amounts is reported in governmental funds only if they have matured, due to employee retirement or resignation.

12. Post-Employment Benefits Other Than Pensions (OPEB)

The total OPEB liability is measured as the portion of actuarial present value of projected benefits that is attributed to past periods of employee service. The total OPEB liability is measured as of a date (measurement date) no earlier than the end of the employer's prior fiscal year, consistently applied from period to period. The total OPEB liability is reported in the statement of net position. In the governmental funds, expenditures are recognized when they are paid or are expected to be paid with current available resources. Changes in the OPEB liability during the period are recorded as OPEB expense, deferred outflows of resources, or deferred inflows of resources, depending on the nature of the change.

13. Pensions

In the governmental activities, business-type activities, proprietary funds Statement of Net Position, and pension liabilities are recognized for the County's proportionate share of each pension plan's net pension liability over the period of service of employees. For purposes of measuring the net pension liability, deferred outflows of resources related to pensions, deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Florida Retirement System Pension Plan (Pension Plan) defined benefit plan and the Health Insurance Subsidy (HIS) defined benefit plan, and additions to and deductions from the Pension Plan's and the HIS's fiduciary net position, have been determined on the same basis as they are reported by the Pension Plan and HIS plans. Changes in the net pension liability during the period are recorded as pension expense, deferred outflows of resources, or deferred inflows of resources, depending on the nature of the change. Those changes in the net pension liability that are recorded as deferred outflows of resources or deferred inflows of resources that arise from changes in actuarial assumptions or other inputs, changes in the proportionate share of the net pension liability, and differences between expected or actual experience, are amortized over the average expected remaining service lives of all employees that are provided with pensions through the pension plans, and recorded as a component of pension expense beginning with the period in which they arose. Differences between projected and actual investment earnings are reported as deferred outflows of resources or deferred inflows of resources, and are amortized as a component of pension expense using a systematic and rational method over a five year period beginning with the period in which a difference arose.

14. Net Position and Net Position Flow Assumption

Net position represents the residual interest in the County's assets and deferred outflows of resources after liabilities and deferred inflows of resources are deducted and consists of three components: net investment in capital assets, restricted, and unrestricted net position. Net investment in capital assets includes capital assets, net of accumulated depreciation, reduced by outstanding debt incurred to acquire, construct, or improve those capital assets, excluding unexpended proceeds. The restricted category represents the balance of assets restricted for general use by external parties (creditors, grantors, contributors, or laws or regulations of other governments) or imposed by law through constitutional provisions or enabling legislation. Unrestricted net position consists of the net position not meeting the definition of either of the other two components.

Sometimes, the County will fund outlays for a particular purpose from both restricted and unrestricted resources. In order to calculate the amounts to report as restricted and unrestricted net position in the government-wide and proprietary fund financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the County's policy to consider restricted net position to have been depleted before unrestricted net position is applied.

15. Fund Balance and Fund Balance Flow Assumption

In the fund financial statements, governmental funds report fund balance in classifications based on the extent to which the County is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. Fund balances are classified as follows:

- 1. Nonspendable* – amounts cannot be spent because they are not in spendable form (e.g., inventories, prepaid items, and long-term loans receivable) or are legally or contractually required to be maintained intact.
- 2. Restricted* – amounts are restricted to specific purposes due to the constraints imposed externally by creditors, grantors, contributors, laws or regulations of other governments, or by law through constitutional provisions or enabling legislation.
- 3. Committed* – amounts can be used for specific purposes pursuant to the constraints imposed by formal actions (ordinance) of the BOCC, the County's highest level of decision making authority. Amounts specifically committed for use in satisfying contractual obligations are also included in this classification.
- 4. Assigned* – amounts are constrained by the County's intent to be used for specific purposes. Intent is expressed by the BOCC or its delegated body. This category also includes all remaining amounts (except for negative balances) reported in the debt service, capital projects, and special revenue funds that are not classified as nonspendable and neither restricted nor committed.
- 5. Unassigned* – residual amount reported in the General Fund and any negative residual amount in the debt service, capital projects, or special revenue funds. The General Fund is the only fund that reports a positive unassigned fund balance amount.

Sometimes, the County will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned and unassigned fund balance). In order to calculate amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the County's policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

F. Revenues and Expenditures/Expenses

1. Program Revenues

Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions. Internally dedicated resources are reported as general revenues rather than program revenues. Likewise, general revenues include all taxes.

2. Property Taxes

Property taxes attach as an enforceable lien on property as of January 1. Taxes are levied and are due and payable on November 1 of each year and may be paid upon receipt of the notice at declining discounts through the month of February. All unpaid taxes on real and personal property become delinquent on April 1 of the year following the year in which the taxes were levied. Delinquent real property taxes bear interest at the rate of one and one-half percent per month, and interest continues to accrue until a certificate is sold at auction, from which time the interest rate shall be as bid by the buyer of the certificate. Personal property taxes bear interest at one and one-half percent per month from April 1 until paid. After May 1 of each year and following proper procedures, a court order may be issued to seize and sell the property.

3. Proprietary Funds Operating and Non-operating Revenues and Expenses

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with the proprietary funds' principal ongoing operations. The principal operating revenues of the County's enterprise funds and of the internal service funds are charges to customers for sales and services. Operating expenses for enterprise funds and internal service funds include the cost of sales and services, administrative expenses, and depreciation and amortization on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

G. Passenger Facility Charges

In 1990, Congress authorized domestic airports to impose a passenger facility charge (PFC) on each departing passenger. Subsequently, the Federal Aviation Administration (FAA) issued regulations for the use and reporting of PFCs. Airports are authorized to use PFCs for projects that must meet at least one of the following eligibility requirements: (1) preserve or enhance safety, security, or capacity of the national transportation system; (2) reduce noise or reduce noise impacts resulting from an airport; or (3) furnish opportunities for enhance competition between or among carriers. Effective January 1, 1995, the FAA authorized BCAD to impose and use collected PFCs of \$3.00 per departing passenger at FLL. In July 2005, FLL received approval from the FAA to implement a \$4.50 PFC, effective October 1, 2005. The ticketing airline includes the departing PFC in the price of each ticket when it is sold to the traveler. The \$4.50 PFC collected by the airlines is remitted monthly to FLL, less an 11 cents per passenger administrative fee retained by the airlines.

Through initial and subsequent FAA approvals, BCAD is currently authorized to collect PFCs up to \$2.1 billion, of which \$1.4 billion has been collected as of September 30, 2025. The net receipts from PFCs are restricted for use on FAA-approved capital projects and debt service on revenue bonds issued to fund approved PFC-eligible projects. As of September 30, 2025, \$990.4 million of the collected PFCs had been spent on approved projects or debt service, and the remaining \$412 million cash, along with a PFC receivable of \$10.2 million is reflected in the net position restricted for capital projects.

H. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows of resources, liabilities, and deferred inflows of resources and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

Fund Deficits

The Federal and State Grants Fund had a fund balance deficit of \$694 thousand. The County plans to fund the deficit in future fiscal years by holding investments to maturity.

Excess of Expenditures over Appropriations

For the year ended September 30, 2025, the excess fees paid to other governmental agencies paid by the Tax Collector exceeded appropriations by \$10.3 million.

NOTE 3 - DEPOSITS AND INVESTMENTS

A. Deposits

Custodial Credit Risk – The custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, the County will not be able to recover deposits, or will not be able to recover collateral securities that are in the possession of an outside party. The County mitigates custodial credit risk by generally requiring public funds to be deposited in a qualified public depository pursuant to State Statutes. Under the State Statutes, all qualified public depositories are required to pledge eligible collateral having a fair value equal to, or greater than the average daily or monthly balance of all public deposits times the depositories' collateral pledging level. The pledging level may range from 25% to 150% depending upon the depositories's financial condition ranking from two nationally recognized financial rating services, as well as consideration of financial ratios, trends, and other pertinent information. All collateral must be deposited with an approved financial institution. Any potential losses to public depositors are covered by applicable deposit insurance, sale of securities pledged as collateral, and, if necessary, assessments against other qualified public depositories of the same type as the depository in default.

B. Investments

The County's investment practices are governed by 218.415 of the Florida Statutes, *County Code of Ordinances*, Chapter I, Article I, Section I-10 and the requirements of the bond indentures. The County has a formal investment policy that, in the opinion of management, is designed to ensure conformity with State Statutes, and seeks to limit exposure to investment risks. The investment policy specifies the types, issuer, maturity, and performance measurement of investment securities that are permissible. Securities are held to maturity with limited exceptions outlined in the investment policy. Qualified institutions utilized for investment transactions are also addressed within the policy, as well as diversification requirements for the investment portfolio.

Under State Statutes and County Ordinances, the County is authorized to invest in obligations of the U.S. Government, its agencies and instrumentalities, the Florida Local Government Surplus Trust Fund, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act, repurchase agreements with primary dealers, commercial paper, bonds, notes, or obligations of the State of Florida or any municipality, political subdivision or agency or authority of the State, certificates of deposit, securities in certain open-end or closed-end investment companies or trusts, World Bank notes, bonds and discount notes, obligations of the Tennessee Valley Authority, certain money market funds and rated or unrated bonds, notes or instruments backed by the full faith and credit of the government of Israel. The County may also invest in collateralized mortgage obligations, reverse repurchase agreements and asset-backed commercial paper with the approval of the County's Chief Financial Officer. County policy requires that securities underlying repurchase agreements must have a market value of at least 102% of the cost of the repurchase agreements.

As of September 30, 2025, the County's investments consisted of the following (in thousands):

<i>Investment Type</i>	<i>Fair Value</i>	<i>Weighted Average Maturity (Days)</i>
U.S. Treasuries	\$ 3,799,055	343.3
U.S. Agencies	1,547,306	147.6
State of Israel Bonds	24,996	0.3
World Bank	199,609	29.2
Commercial Paper Discount	49,892	0.1
Money Market Mutual Funds	1,503,101	4.7
Total Investments	\$ 7,123,959	
Aggregate Portfolio Weighted Average Maturity		216.9

Interest Rate Risk – In accordance with its investment policy, the County manages its exposure to interest rate volatility by limiting the weighted average maturity of its investment portfolio within the following maturity categories: overnight 35%; 1-30 days 80%; 31-90 days 80%; 91 days to 1 year 70%; 1-2 years 40%; 2-3 years 25%; 3-4 years 20%; 4-5 years 15%; 5-7 years 10%. Assets held pursuant to bond covenants are exempt from these maturity limitations. As of September 30, 2025, the portfolio weighted average maturity was 216.9 days, and was in accordance with the County's investment policy.

Credit Risk – The County’s investment policy contains specific rating criteria for certain investments. The policy states that commercial paper and asset-backed commercial paper, as well as bonds, notes, or obligations of the State of Florida, any municipality or political subdivision, or any agency or authority of the State, must be rated in one of the two highest rating categories by at least two nationally recognized rating agencies. Commercial paper not rated must be backed by a letter of credit or line of credit rated in one of the two highest rating categories. Any investments in World Bank notes, bonds, and discount notes must be rated AAA or equivalent by Moody’s Investors Service or Standard & Poor’s Ratings Services. Investments in Sovereign bonds are allowable by the Broward County Investment Policy whether the bonds are rated or unrated. Investments in Securities and Exchange Commission registered money market funds must have the highest credit quality rating from a nationally recognized rating agency.

The County’s investments are U.S. Agencies rated AA by Standard & Poor’s Rating Services and Aaa by Moody’s Investor Services. The County’s investments in World Bank notes are rated AAA by Standard & Poor’s Rating Services, and Aaa by Moody’s Investors Service. Sovereign bonds of Israel investments were rated A-I by Standard & Poor’s Rating Services, and A by Moody’s Investor Services. The commercial papers are rated A-I by Standard & Poor’s Rating Service and P-I by Moody’s Investor Service. The County’s investments in the Money Market Mutual Funds are rated AAAM by Standard & Poor’s Ratings Services and Aaa-m by Moody’s Investors Services. At September 30, 2025, the County’s investments were held in the County’s name.

Concentration of Credit Risk – The County places no limit on the amount that may be invested in securities of the U.S. Government and U.S. Agencies thereof, or government-sponsored corporation securities. The County requires that all other investments be diversified with no more than 5% of the value of the portfolio invested in the securities of any single issuer at the time of purchase. GASB Statement No. 40, "Deposit and Investment Risk Disclosures – an amendment of GASB Statement No. 3" requires disclosure when 5% or more is invested in any one issuer (other than those explicitly guaranteed by the U.S. Government). The investment in Farmer Mac was 12.45% and Federal Home Loan Bank was 8.40% as of September 30, 2025.

Fair Value Measurement – The County categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure fair value of the asset and liability. Level 1 inputs are quoted prices in an active market for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs. The County does not have any investments that are categorized as Level 3.

Investments with money market mutual funds are recorded at net asset value (NAV) per share. This method of determine fair value uses member units to which proportionate share of net assets is attributed.

The County has the following recurring fair value measurements as of September 30, 2025 (in thousands):

	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
Investments by Fair Value Level			
Debt Securities:			
U.S. Treasury	\$ 3,799,055		\$ 3,799,055
U.S. Agencies	1,547,306		1,547,306
State of Israel Bonds	24,996		24,996
World Bank	199,609		199,609
Commercial Paper Discount	49,892		49,892
Total Debt Securities	\$ 5,620,858		\$ 5,620,858
Investments at Net Asset Value (NAV)			
Money Market Mutual Funds	1,503,101		
Total Investments	\$ 7,123,959		

- All securities are valued using a matrix pricing technique. Matrix pricing is used to value securities based on the securities' relationship to benchmark quoted prices (Level 2 inputs)
- The Money Market Mutual Funds are open-ended Securities and Exchange investment funds with daily net asset value (NAV). These mutual funds are Commission registered and designed to be liquid and allow investors to see their interest daily in the fund at the published NAV, with no restrictions on redemptions and no unfunded commitments.

NOTE 4 - RESTRICTED ASSETS

The components of restricted assets for the County's individual major and nonmajor funds are as follows (in thousands):

	Nonmajor Governmental	Aviation	Port Everglades	Water and Wastewater	Nonmajor Enterprise	Total
Bond Construction Accounts	\$ 220,316	\$ 184,441	\$ 10,899	\$ 84,968		\$ 500,624
Debt Service Accounts	25,463	128,395	3,137	36,774		193,769
Bond Reserve Accounts		75,982	38,958	54,834		169,774
Passenger Facility Charges Account		417,819				417,819
Landfill Closure Escrow Account					\$ 47,295	47,295
Operating and Maintenance Accounts			24,459			24,459
Renewal, Replacement, and Improvement Accounts			3,000	9,566		12,566
Other Restricted Accounts		21,883	1,002	20,454		43,339
Total	\$ 245,779	\$ 828,520	\$ 81,455	\$ 206,596	\$ 47,295	\$ 1,409,645

Restricted assets for the County's governmental funds and enterprise funds are classified on the governmental funds balance sheet and proprietary fund Statement of Net Position, respectively, as follows (in thousands):

	Nonmajor Governmental	Aviation	Port Everglades	Water and Wastewater	Nonmajor Enterprise	Total
Restricted Assets						
Cash and Cash Equivalents	\$ 220,316					\$ 220,316
Investments	25,463					25,463

Supervisor of Elections	4,850
Tax Collector	29
Total Depreciation Expense - Governmental Activities	\$ 180,615
Business-type Activities	
Aviation	\$ 152,128
Port Everglades	40,825
Water and Wastewater	41,366
Other	1,375
Total Depreciation Expense - Business-type Activities	\$ 235,694

Construction Commitments

At September 30, 2025, the County had in process various uncompleted construction projects with commitments totaling approximately \$517.8 million for the governmental activities and \$569.5 million for the business-type activities. The retainage payable on these contracts totaled \$52.09 million for the governmental activities and \$30.4 million for the business-type activities. Funding for these projects are to be made primarily through the proceeds of related bond issues, loans, future taxes and enterprise activities.

Discretely Presented Component Units

Capital asset activity for the year ended September 30, 2025, is as follows (in thousands):

	Balance October 1, 2024	Increases	Decreases	Balance September 30, 2025

Other Post Employment Benefits	276,851	10,061			286,912	
Net Pension Liability	1,587,218		(275,074)		1,312,144	
Total	\$ 3,516,627	\$ 178,176	\$(485,329)		\$ 3,209,474	\$ 134,743

Business-type Activities	Balance October 1, 2024*			Balance September 30, 2025		Due Within One Year
	As restated	Additions	Reductions			
Revenue Bonds Payable	\$ 3,481,437		\$(118,182)		\$ 3,363,255	\$ 122,220
Unamortized Bond Premiums and Discounts	276,757		(20,642)		256,115	
Total Revenue Bonds, Including Premiums and Discounts	3,758,194	-	(138,824)		3,619,370	122,220
Noncurrent Accounts Payable - Restricted					-	
Compensated Absences	20,561	810			21,371	6,418
Lease Liability	18,847	152	(916)		18,083	889
Subscription Liability	4,485	436	(2,728)		2,193	1,729
Arbitrage Liability	14,721	2,835	(5,202)		12,354	
Other Post Employment Benefits	2,235	161			2,396	
Net Pension Liability	101,663	3,726	(20,870)		84,519	
Liability for Closure and Postclosure Care Costs	36,149	7,399			43,548	
Total	\$ 3,956,855	\$ 15,519	\$(168,540)		\$ 3,803,834	\$ 131,256

*Restated for GASB Statement No. 101, *Compensated Absences*, See Note 21.

**The change in compensated absences liability is presented as a net change.

For the governmental activities, net pension liability and other post employment benefits are generally liquidated by the general fund. Governmental leases and subscription liabilities are liquidated by the fund that acquired the right-to-use asset and include the general fund and certain special revenue and capital project funds.

The debt service requirements for all bonds and direct placement loans outstanding as of September 30, 2025, are as follows (in thousands):

Years Ending September 30	GOVERNMENTAL ACTIVITIES					BUSINESS- TYPE ACTIVITIES

Certain bond indentures contain provisions as to annual debt service, sinking fund, and minimum net revenue requirements. In addition, certain indentures require maintenance of various accounts and specify the deposits to be made to such accounts. At September 30, 2025, the County was in compliance with all debt covenants.

The following is a summary of the major provisions and significant debt service requirements for the outstanding bonds and direct placement loans at September 30, 2025 (in thousands):

A. Governmental-Type Activities

I. Revolving Loan

On April 7, 2025, pursuant to Resolution No. 2025-276 adopted by the Board of County Commissioners of the County on March 11, 2025, the County issued a \$25 million Taxable Revolving Line of Credit Note, Series 2025. The Series 2025 Note was issued to finance the cost of capital projects at the Broward County Civic Arena and refunding a portion of the outstanding obligations related to the Professional Sports Facilities Tax and Revenue Refunding Bonds, Series 2016A (Series 2016A bonds), Professional Sports Facilities Tax and Revenue Refunding Bonds, Taxable Series 2006B (Series 2006B bonds). The Series 2025 Note is secured by pledged revenues of 1% Tourist Development Taxes levied under Florida Statutes Section 125.0104(3)(I), 1% Tourist Development Taxes levied under Florida Statutes Section 125.0104(3)(N). The Series Note 2025 bears an interest rate based on the Term SOFR rate plus 0.60%.

On April 10, 2025 the County called all of the outstanding Series 2006B bonds (\$14.175 million), all the outstanding 2016A bonds (\$27.135 million), and paid off the 2018 Bank Loan (\$2.205 million) using \$39.392 million of cash on hand and \$5.0 million of 2025 Revolving Loan proceeds, which were used to refund \$4.974 million of Series 2006B and Series 2016A bonds (the Refunded bonds). The change in estimated future debt service cash flows on the Refunded debt is a gross cash flow loss of \$402 thousand with a net present value loss of \$31.3 thousand calculated at an interest rate of 4.84%, which was the rate in effect on September 30, 2025.

B. Pledged Revenues

The County issues bonds and a loan that are secured by a pledge of specific revenues. Total pledged revenues to repay the principal and interest of special obligation bonds, revenue bonds and loans as of September 30, 2025, are as follows (in thousands):

Governmental Activities:

Source of Revenue Pledged	Professional Sports Franchise Facilities Tax, Professional Sports Franchise Sales Tax Rebate, and the County Preferred Revenue Allocation	Half-Cent Sales Tax	Non-Ad Valorem Revenues
Current Revenue Pledged	\$ 42,047	\$ 98,602	\$ 355,511
Current Year Debt Service	\$ 10,228	\$ 11,815	\$ 47,848
Total Future Revenue Pledged*	\$ 5,745	\$ 188,975	\$ 1,495,361
Description of Debt	Trust Revolving Loan \$25 million	Half-Cent Sales Tax Revenue Bonds, Series 2010A, B, C and 2017A	2018, 2020A and 2020B Direct Placement Loans
Purpose of Debt	To refund Civic Arena Bonds Series 2006A and Series 2016	To finance the acquisition and construction of a new courthouse and related parking facility; and to partially refund series 2010A and fully refund Series 2010B and 2010C of Half-Cent Sales Tax Revenue Bonds	To refund the First Governmental Florida Financing Commission's Taxable Refunding Revenue Bonds, Series 2005B; and to finance the County's Convention Center Expansion and Hotel Projects
Term of Commitment	2025-2028	2011-2041	2018-2028
Percentage of Debt Service to Pledged Revenues (Current Year)	24.3%	12.0%	13.5%

* Total future principal and interest payments

Percentage of Debt Service to Pledged Revenues (Current Year)	32.1%	30.9%	45.6%

*Total future principal and interest payments

C. Conduit Debt

A component unit of the County, HFA, is authorized to issue bonds to fulfill its corporate purposes. Bonds issued by HFA shall not be deemed to constitute a debt of the HFA, the County, or any political sub-division thereof. As of September 30, 2025, the total conduit bonds outstanding for HFA was \$537.80 million. The County has also issued conduit bonds for a Limited Liability Company (LLC), whose members are a consortium of airlines operating a fuel farm at the Airport. The bonds issued for the LLC are secured solely by the revenues collected by the LLC from airlines. As of September 30, 2025, the LLC had \$71.0 million of outstanding limited commitment conduit debt issued by the County. The County does not maintain the total outstanding balance of these bonds. The County has also issued other industrial development bonds, which are not deemed to constitute a debt of the County or any political sub-division thereof. As of September 30, 2025, the total outstanding balance of industrial bonds was \$157.0 million. The County has no voluntary or additional commitments to participate in funding or processing payments related to the conduit bonds.

NOTE 8 - INTERFUND BALANCES AND INTERFUND TRANSFERS

Interfund Balances

Interfund balances at September 30, 2025, were as follows (in thousands):

Due To	Due From								Total
	General	Sheriff Contractual Services	Aviation	Port Everglades	Water and Wastewater	Internal Service Funds	Nonmajor Enterprise	Nonmajor Governmental	
General		\$ 1,133	\$ 2					\$ 58,678	\$ 59,813
Sheriff Contractual Services	\$ 629		\$ 466	\$ 2,906					4,001
Capital Outlay Reserve					\$ 284				284
Aviation	336								336
Port	19								19
Water and Wastewater	68		334			\$ 1	\$ 1	5	409
Nonmajor Enterprise							2		2
Nonmajor Governmental	251							1,543	1,794
Internal Service	10								10
Total	\$ 1,313	\$ 1,133	\$ 802	\$ 2,906	\$ 284	\$ 1	\$ 3	\$ 60,226	\$ 66,668

Major Due to / Due from Balances:

- The amounts due to the General Fund, totaling \$59.813 million are primarily advances to other funds to cover their cash deficits in accordance with Generally Accepted Accounting Principles for financial reporting purposes. The balance includes due from the Sheriff Contractual Services Fund of \$1.133 million, and due from the Nonmajor Governmental Funds of \$58.678 million. Of these cash advances, \$37.21 million will be repaid upon collection of federal and state grant receivables.
- The amounts due to the Sheriff Contractual Services Fund totaling \$4.001 million from the General Fund, Aviation Fund and Port Everglades Fund is for police and fire protection services provided.
- The amounts due to the Water and Wastewater fund from Capital Outlay Reserve Fund of \$284 thousand is for water and wastewater contributions to capital projects.
- The amounts due to Water and Wastewater Services Fund for \$68 thousand from the General Fund, Aviation Fund, Internal Service Funds, Nonmajor Enterprise Funds and Nonmajor Governmental Funds are for water services provided.
- The amounts due to the Nonmajor Governmental Fund from other Nonmajor Governmental Fund of \$2.078 million primarily includes \$1.543 budgeted transfers to the gas tax fund.

All remaining balances resulted from the time lag between the dates that (1) interfund goods and services are provided or reimbursable expenditures occur, (2) transactions are recorded in the accounting system, and (3) payments between funds are made.

Interfund Transfers

Interfund transfers for the year ended September 30, 2025, were as follows (in thousands):

Transfer To	Transfer From						Total
	General	Sheriff Contractual Services	Transportation Surtax	Capital Outlay Reserve	Nonmajor Governmental	Nonmajor Enterprise	
General		\$ 16,084			\$ 28,842		\$ 44,926
Sheriff Contractual Services	\$ 2,696						2,696
Transportation Surtax Capital			\$ 466,863				466,863
Capital Outlay Reserve	121,999						121,999
Nonmajor							
Governmental	37,753			3,731	214,321		255,805
Enterprise	200					114	314
Total	\$ 162,648	\$ 16,084	\$ 466,863	\$ 3,731	\$ 243,163	\$ 114	\$ 892,603

Transfers are used to (1) move revenues from the fund that statute or budget requires to collect them to the fund that statute or budget requires to expend them, (2) move receipts restricted to debt service from the funds collecting the receipts to the debt service fund as debt service payments become due, and (3) use unrestricted revenues collected in the General Fund to finance various programs accounted for in other funds in accordance with budgetary authorizations.

Purposes of significant transfers made during the 2025 fiscal year are as follows:

- The transfers from the General Fund totaling \$162.648 million include: \$121.079 million for various general capital outlay projects; \$908 thousand for economic development capital outlay projects, \$20 million for the Affordable Housing Trusts, \$11.56 million for the 2010 Courthouse Bond payments, and \$3.54 million for unincorporated area capital projects.
- The transfers from the Sheriff Contractual Service Fund to the General Fund totaling \$16.084 million include \$6.116 million funding for the BSO Administration costs, and \$9.967 million funding for indirect costs charged to contract municipalities and other agencies.
- The transfers from the Transportation Surtax Fund to the Transportation Surtax Capital Fund totaling \$466.863 million were to support the various transportation related projects and expenditures.
- The transfers from the Nonmajor Governmental Funds totaling \$246.894 million include: \$28.842 million to fund transit operations, \$69.244 million to fund debt service payments of the Professional Sports Facilities and Civic Bond Arena Bonds and Convention Center Expansion Bonds, \$64.336 million for transportation capital projects, \$72.22 million to fund tourist development activities, and \$7.4 million for beach erosion capital outlay.
- The transfers from the Capital Outlay Reserve Fund to the nonmajor governmental funds for \$3.7 million was to fund the County's additional contribution to the Opioid Settlement Fund.

NOTE 9 - FUND BALANCES

NOTE 10 - RISK MANAGEMENT

The County has self-insurance internal service funds maintained by the BOCC and Broward Sheriff's Office (BSO). The County is exposed to various risks and losses related to alleged torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters.

Table 21, Insurance in Force, lists property and casualty insurance policies purchased by the County. Policies have various deductibles and self-insured retentions. The County purchases property insurance coverage for county owned properties and purchases commercial insurance in certain instances, due to exposure to loss and/or contractual obligations.

For its self-insured worker's compensation exposure, the County purchases excess coverage above a \$2 million retention limit and pays any claims below the retention from its Self-Insurance Fund. The County is self-insured for third party liability up to the statutory limits of \$200,000 per person and \$300,000 per occurrence, in accordance with Section 768.28, Florida Statutes.

An Owner Controlled Insurance Program (OCIP), until its expiration in 2019, provided the major County construction projects with workers' compensation, general liability, and environmental insurance coverage. There are still claim liabilities and incurred but not reported (IBNR) liability responsibilities for enrolled projects.

Port Everglades purchased several policies under the Port Everglades Controlled Insurance Program (PECIP) for a major construction project, the Southport Turning Notch Extension (STNE)/Crane Rail Infrastructure Improvements. The Port provided to the insurer, as security for deductible obligations, a renewable twelve-month term Standby Irrevocable Letter of Credit, in the amount of \$2 million. Under the PECIP, the Port's maximum exposure for worker's compensation and general liability losses shall not exceed \$3.6 million. The insurer will pay claims exceeding the deductible, up to the policy limit.

The Broward County Convention Center purchased several policies under the Convention Center Owner Controlled Insurance Program (OCIP) for a major expansion project. The Convention Center provided to the insurer, as security for deductible obligations, a renewable twelve-month term Standby Irrevocable Letter of Credit, in the amount of \$4.1 million. Under the OCIP, the Convention Center's maximum exposure for worker's compensation and general liability shall not exceed \$4.1 million. The insurer will pay claims exceeding the deductible, up to the policy limit.

The Broward County Hotel Project purchased several policies under the Owner Controlled Insurance Program (OCIP) for a major construction project. The Hotel Project provided to the insurer as security for deductible obligations a renewable twelve-month term Standby Irrevocable Letter of Credit, in the amount of \$2.5 million. Under the OCIP, the Hotel's Project maximum exposure for worker's compensation and general liability shall not exceed \$2.5 million. The insurer will pay claims exceeding the deductible, up to the policy limit.

The County is self-insured for employee health insurance and has also purchased stop-loss coverage for the group medical and pharmacy plan. For insured claims of the County, there have been no significant reductions in insurance coverage from coverage in the prior year, and settlements have not exceeded insurance coverage for each of the past three fiscal years.

The Sheriff's Office is a constitutionally separate office from the County, which operates its own Self-Insurance Program for law enforcement, automobile, and workers' compensation liability risks.

The Sheriff's Office is in dispute over the total amount of Self-Insured Retention deductibles it is responsible under its excess liability insurance policy with the carrier in relation to claims paid as a result of the Marjory Stoneman Douglas High School shootings that occurred on February 14, 2018. The Sheriff's Office has paid over the excess policy amount and contends that the incident involved one occurrence, thus one deductible applies. The excess liability carrier contends that the incident involved multiple occurrences subjected to multiple self-insurance retention liability deductibles. The dispute was tried in the United States District Court, Southern District of Florida, and the court ruled in favor of the Sheriff's Office, but the excess carrier has now appealed that ruling.

Agencies participating in the County's Self-Insurance Programs make payments to the Self-Insurance Fund based on actuarial estimates of the amounts needed to pay prior and current year claims and fund reserves for all losses. The estimated liabilities for self-insured losses were determined by independent actuarial valuations performed as of September 30, 2025. Liabilities include an amount for claims that have been incurred but not reported (IBNR). The claims liability is based on an estimate, and the ultimate settlement of the claims may differ from the amounts recorded.

Changes in the Program's claims liability amount in fiscal year 2025 and 2024 were as follows (in thousands):

<i>Insurance Type</i>	<i>Balance October 1, 2024</i>	<i>Current Year Claims and Changes in Estimates</i>	<i>Liability Claims Payments</i>	<i>Balance September 30, 2025</i>
Workers' Compensation				
County	\$ 23,363	\$ 6,225	\$ (5,311)	\$ 24,277

Health Insurance -County	6,840	59,338	(56,519)	9,659
Total	\$ 119,336	\$ 88,770	\$(83,246)	\$ 124,860

NOTE 11 - LANDFILL CLOSURE AND POSTCLOSURE CARE COSTS

State laws and regulations require the County to place a final cover on its landfills when it stops accepting waste and to perform certain maintenance and monitoring functions at the site for up to thirty years after closure. Although closure and postclosure care costs will be paid only near or after the landfill stops accepting waste, the County recognizes a portion of these costs as an operating expense in each period based on landfill capacity utilized.

At September 30, 2025, the County estimates that the cost of permanently capping and maintaining its landfills in accordance with existing regulations will be \$61.703 million. Of this amount, the County has accrued a landfill closure and postclosure care liability of \$43.548 million, based on the use of the estimated capacity of the landfills. The County will recognize the remaining estimated cost of closure and post-closure care of \$18.155 million as the remaining estimated capacity is filled. The total liability is included in noncurrent liabilities on the Proprietary Funds Statement of Net Position.

The County's two landfills are the Southwest Regional (interim contingency) landfill and the Resource Recovery landfill (Ash Monofill). A summary of the landfill account liabilities is as follows (dollars in thousands):

	Southwest Regional (Interim Contingency) Landfill		South Broward Resource Recovery (Ash Monofill) Landfill	
Liability 9/30/25	\$	28,321	\$	15,227
Estimated Obligation Remaining to be Recognized	\$	7,066	\$	11,089
Estimated Remaining Life of Landfill (in Years)		4		4
Capacity Used to Date		89.9%		95.3%

The \$61.704 million cost estimate was determined by the County's consulting engineers. However, existing regulations may change, which may require the County to incur additional closure and postclosure care costs. The cost estimate, which pertains only to the permitted portions of each landfill, does not include contingent liabilities, including but not limited to, landfill-related environmental conditions caused by storm events. The cost estimate also does not include required landfill care and maintenance for the period beyond thirty years after landfill closure.

The County is required by state laws and regulations to make annual deposits to finance closure and postclosure care costs. At September 30, 2025, cash and investments of \$47.295 million are held for these purposes and are reported as restricted assets on the Proprietary Funds Statement of Net Position. The County expects that future inflation costs will be paid from interest earnings on these annual deposits. However, if interest earnings are inadequate, or additional closure or postclosure care requirements are determined; these costs may need to be covered by charges to future landfill users.

NOTE 12 - LEASES

Lessee

The County entered into noncancellable leases with various vendors as a lessee for the intangible right-to-use leased structures and improvements and land. The lease term includes the noncancellable period per the contract plus/minus any extension options or termination options the County is reasonably certain to exercise. As of September 30, 2025, the right-to-use balance was \$82.961 million. The County recognized additions of \$10.949 million, amortization expense of \$11.239 million, and loss on termination of \$1.179 million. The lease liability as of September 30, 2025 was \$54.212 million. The County recognized principal lease payments of \$11.695 million, and interest payments of \$1.2 million.

The right-to-use asset activity is include below (in thousands):

Governmental Activities	Balance October 1, 2024	Increases	Decreases	Balance September 30, 2025

Total \$	36,129	\$ 2,421	\$ 18,083	\$ 7,332

Lessor

The County leases its real property, structures, and improvements to others for various purposes. The terms of these noncancellable leases includes the noncallable period per the contract plus/minus any extension options or termination options the County is reasonably certain to exercise. Governmental activities lease receivables are held by the General Fund and business-type activities lease receivables are held by the Airport, Port, and Solid Waste. As of September 30, 2025, the lease receivable balance was \$436.932 million. The County recognized \$92.481 million and \$7.004 million in principal and interest receipts.

The following schedule presents by fiscal year the future minimum principal and interest revenue to be received for Governmental and Business-Type activities (in thousands):

Fiscal Year Ended September 30,	Governmental Activities		Business-Type Activities	
	Principal	Interest	Principal	Interest
2026	\$ 2,534	\$ 60,595	\$ 3,775	
2027	2,554	58,710	2,895	
2028	2,574	52,903	2,061

2041-2045	14,037	1,687	14	
2046-2050	14,234			
2051-2055	14,285			
Thereafter \$	151,303	81,768		
Total \$	151,303	\$ 164,245	\$ 289,481	\$ 12,491

Regulated Leases

In accordance with GASB Statement No. 87, regulated leases, between airports and aeronautical, users are subject to regulations set forth by the Federal Aviation Administration and Department of Homeland Security. Aeronautical use is comprised of facilities and services used for Commercial Air, General Aviation, and by Airline Services Providers that facilitate the movement aircraft, passengers, baggage, cargo, and mail. These leases are for assets that include terminal passenger holdrooms, operations space, baggage service areas, terminal apron areas, jet bridges, ticket counters, ticket offices, hangers, and land. Additionally, the Port leases its facilities for fees paid users for the import and export of goods and passengers for the maritime Industry. The fees associated with these arrangements are derived from lease agreements set by Tariff. As a Marine Terminal Operator under the Shipping Act, the Port is subject to the regulatory oversight of the Federal Maritime Commission (FMC) and has designated the leases in the Cruise, Containerized Cargo, Petroleum and certain land and building leases as regulated leases. A lease receivable and a deferred inflow of resources are not recognized for those leases. The Airport and Port identified the following regulated leases.

The Port's regulated lease terms range from 5 to 20 years and are summarized as follows:

Passenger Cruise Terminal and Berth User Agreements (Cruise): The Port has entered into agreements with cruise lines to grant preferential berthing rights to designated cruise passenger terminals for all brands and vessels. The cruise companies pay the Port a usage charge per passenger move for each passenger using the terminals. The Port User Charge is an "all-in" charge covering passenger wharfage, dockage, harbor master, potable water, line handling, water hook-up, cruise terminal overtime, cruise terminal electricity, and Broward Sheriff's officer law enforcement services for the cruise terminals.

Marine Terminal Lease and Operating Agreement (Containerized Cargo): The Port has entered into agreements with Marine Terminal Operators for the import and export of containerized and other cargo. The contracts specify a minimum guaranteed revenue amount, payable monthly, for such activities. The annual minimum guaranteed payment is determined based on initial annual ship moves, which is affected by percentage changes in the Consumer Price Index (CPI). After the minimum guaranteed container moves is met, the "All In" container ship move rate is normally reduced for any excess container moves.

License Agreements for Pipeline and Other Access (Petroleum): The Port has entered into pipeline easement agreements with petroleum companies to operate petroleum product storage and distribution terminals on private property within the Port's jurisdictional area. The petroleum operators pay variable rates that are based on the transfer of petroleum from vessels to the terminals by way of a Port pipeline system, and are derived from the Port Everglades Tariff.

Certain Land and Building Leases: The Port has entered into land and building leases with tenants that provide services which fall under FMC jurisdiction and the Shipping Act. Rent is billed throughout the term of the lease in twelve monthly installments, together with all applicable sales taxes thereon.

The Airport's regulated lease terms range from 1 to 30 years and are summarized as follows:

Commercial Air Service: Commercial air transport is defined as an aircraft operation involving the transport of passengers, cargo, or mail for remuneration or hire. It includes scheduled and non-scheduled air transport operations.

General Aviation: General Aviation includes commercial activities such as flight instruction, aerial work, and corporate and business aviation, as well as non-commercial activities such as recreational flying.

Airline Service Providers: Airline Service Providers are those required by airlines that are related to the movement of aircraft, passengers, baggage, mail, or cargo.

A summary of future lease revenues for regulated leases is as follows:

Fiscal Year Ending September 30, 2025	Business-type Activities		
	Aviation	Port	Total
2026	\$ 9,764	\$ 80,611	\$ 90,375
2027	8,354	83,188	91,542
2028	7,281	84,514	91,795
2029	7,168	87,330	94,498
2030	6,513	88,672	95,185
2031-2035	28,812	303,621	332,433
2036-2040	22,067	72,166	94,233
2041-2045	10,660		10,660
2046-2050	6,650		6,650
2051-2052	760		760
Total	\$ 108,029	\$ 800,102	\$ 908,131

For fiscal year ended September 30, 2025, the total revenues recognized related to regulated leases was as follows (in thousands):

	Fixed	Variable	Total
Port	\$ 94,604	\$ 100,171	\$ 194,775
Aviation	16,653	159,552	176,205
	<u>\$ 111,257</u>	<u>\$ 259,723</u>	<u>\$ 370,980</u>

NOTE 13 - SUBSCRIPTION-BASED INFORMATION TECHNOLOGY ARRANGEMENTS (SBITA)

The County has entered into noncancellable SBITAs with various vendors for the intangible right-to-use SBITA assets. The SBITA terms included noncancellable periods per the contract plus/minus any extension options or termination options the County is reasonably certain to exercise. The County's right-to-use SBITA asset balance as of September 30, 2025 was \$82.664 million, increases of \$55.535 million due to new SBITA's, amortization of \$19.569 million and termination of \$152 thousand, for a right-to-use asset balance of \$49.878 million net of amortization as of September 30, 2025.

During the fiscal year ending September 30, 2025, the County recognized an increase to SBITA liability of \$52.186 million due to new SBITAs, principal SBITA payments of \$9.696 million, and interest SBITA payments of \$2.191 million. The ending SBITA liability was \$56.841 million, as of September 30, 2025.

Governmental Activities	Balance October 1, 2024	Increases	Decreases	Balance September 30, 2025
Right-to-Use SBITA Assets:	\$ 18,925	\$ 51,750	\$ (1,296)	\$ 69,379
Total Right-to-Use SBITA Assets	18,925	51,750	(1,296)	69,379
Less: Amortization	(9,535)	(15,801)	1,155	(24,181)
Total Amortization	(9,535)	(15,801)	1,155	(24,181)
Total Right-to-Use SBITA Assets, Net of Amortization	\$ 9,390	\$ 35,949	\$ (141)	\$ 45,198

Business-Type Activities	Balance October 1, 2024	Increases	Decreases	Balance September 30, 2025
Right-to-Use SBITA Assets:	\$ 9,793	\$ 3,785	(293)	\$ 13,285
Total Right-to-Use SBITA Assets	9,793	3,785	(293)	13,285

Total Amortization	(5,119)	(3,768)	282	(8,605)
Total Right-to-Use SBITA Assets, Net of Amortization	\$ 4,674	\$ (3,768)	(11)	\$ 4,680

The future principal and interest payments as of September 30, 2025 are as follows:

	Governmental Activities		Business-Type Activities	
Fiscal Year Ended September 30,	Principal	Interest	Principal	Interest
2026	9,080	\$ 1,421	\$ 1,729	\$ 13
2027	10,041	1,164	283	8
2028	8,653	894	111	4
2029	8,150	650	69	1
2030	7,758	413	1	
2031-2035	10,966	373		
Total	\$ 54,648	\$ 4,915	\$ 2,193	\$ 26

NOTE 14 - LARGE USER AGREEMENTS

The County has entered into agreements with large (wholesale) users of the North Regional Wastewater System (the System). These agreements provide that the cost of operating the System be charged to each large user on the basis of each user's proportionate share of total gallons processed. In addition, each large user is charged a debt service fee for the principal, interest, and debt coverage requirements on debt issued to finance the construction of the North Regional Wastewater Treatment Facility. The debt service charge is based on the relative percentage of reserve capacity designated for each user to total reserve capacity. Large user revenues makeup 38% of the Water and Wastewater Fund's total revenue.

NOTE 15- OTHER POST EMPLOYMENT BENEFITS (OPEB)

Plan Description

The County has two single employer defined benefit healthcare plans, the County plan and the BSO plan. The County plan allows its employees and their beneficiaries to continue obtaining health, dental, and other insurance benefits upon retirement. The number of active and retired employees for the County, excluding BSO were 6,870 and 158, respectively as of September 30, 2025. The BSO plan provides post employment health insurance benefits for employees and sworn officers upon retirement and subsidizes a portion of the premiums. The number of active and retired employees for BSO were 4,864 and 1,431, respectively at September 30, 2025. The benefits of the County's plan conform to Florida Statutes, which are the legal authority for the plan. The provisions of the BSO plan may be amended through negotiations between BSO and its employee bargaining units. The plans have no assets and do not issue separate financial reports.

Funding Policy

The County makes no direct contribution to the County plan. Retirees and their beneficiaries pay the same group rates as are charged to the County for active employees. The County's actuaries, in their actuarial valuation, calculate an offset to the cost of these benefits in the same manner as the BSO actuaries.

BSO retirees and their beneficiaries pay the same blended rates as active employees. However, BSO provides a discount of 2% for each year of service with BSO up to 50% of the blended rates if retirees and their beneficiaries meet certain qualifications and if the retiree was hired prior to October 1, 2007. BSO also pays 100% of the premiums for line-of-duty disabled retirees.

BSO makes no advance funding contributions to the plan; rather, it pays the discounts for retirees and their beneficiaries when due. In addition, the actuaries calculate an offset to the cost of these benefits that it includes in the Employer Contributions. This offset equals the total age-adjusted costs paid by BSO, or its active employees for coverage of the retirees and their dependents for the year, net of the retirees' own payments for the year. Cumulatively, the County has assigned fund balance for future plan costs of \$189.235 million. The County intends to set aside additional funds for this purpose when available in the future. However, the County did not establish an irrevocable trust fund, so these amounts are not considered as plan "funding".

The County follows the guidance contained in GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions* for certain post-employment health care benefits provided by the County and BSO for the fiscal year ended September 30, 2025.

Actuarial Methods and Assumptions

The actuarial assumptions used represent a reasonable long term expectation of future OPEB outcomes. As a national economic and County experience change over time, the assumptions will be tested for ongoing reasonableness and, if necessary updated. Significant methods and assumptions were as follows:

	County, Excluding BSO	BSO
Actuarial Valuation Date/Measurement Date**	September 30, 2024 / September 30, 2025	September 30, 2023 / September 30, 2024
Mortality Rates	Various PUB-2010 generational tables projected generationally using Scale MP-2021	Various PUB-2010 base table, generationally mortality using gender-specific MP-2018
Actuarial Cost Method	Entry age	Entry age
Discount Rate	4.90%	3.81%
Projected Cash Flows	Pay As You Go	Pay As You Go
Municipal Bond Rate	20 Year Tax Exempt General Obligation	20 Year Tax Exempt General Obligation
Bond Rate Basis	AA/Aa or higher	AA or higher
Projected Salary Increases	3.50%	3.40% - 8.20%*
Healthcare Cost Trend Rate	8.00% initial - 4.50% ultimate	6.50% initial - 3.63% ultimate

*Includes 3.5% general inflation rate for Broward County Employees and 2.4% for Broward Sheriff Employees.

**Updated procedures used to rollforward amounts from the actuarial valuation date to the measurement date.

Changes in Total OPEB Liability and Related Ratios

Below are the details regarding the total OPEB liability for the period from October 1, 2024 to September 30, 2025 (in thousands):

	County, Excluding BSO		BSO	Total County	
Total OPEB Liability at 10/1/2024	\$	13,040	\$	266,046	\$ 279,086
Changes for the Fiscal Year					
Service Cost		1,429		6,647	8,076
Interest		574		12,063	12,637
Difference Between Actual and Expected Experience		16			16
Assumption Changes		(410)		15,178	14,768
Benefit Payments		(689)		(24,586)	(25,275)
Net Changes in Total OPEB Liability		920		9,302	10,222
Total OPEB liability at 9/30/2025	\$	13,960	\$	275,348	\$ 289,308
Covered-Employee Payroll	\$	554,135	\$	441,300	
TOL as a Percentage of Covered-Employee Payroll		2.52%		62.39%	

Sensitivity of the Total OPEB Liability

The following presents the total OPEB liability, as well as what the total OPEB liability would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current discount rate (in thousands):

	County, Excluding BSO			BSO		
	Current			Current		
	1% Decrease	Discount Rate	1% Increase	1% Decrease	Discount Rate	1% Increase
	3.90%	4.90%	5.90%	2.81%	3.81%	4.81%
Total OPEB Liability	\$ 15,480	\$ 13,960	\$ 12,653	\$ 295,766	\$ 275,348	\$ 256,840

The following presents the total OPEB liability of the County, as well as what the County's total OPEB liability would be if it were calculated using healthcare cost trend rates that are 1 percentage point lower and 1 percentage point higher than the current healthcare cost trend rates (in thousands):

	County, Excluding BSO			BSO		
	Current			Current		
	1% Decrease	Discount Rate	1% Increase	1% Decrease	Discount Rate	1% Increase
	7.00% to 3.50%	8.00% to 4.50%	9.00% to 5.50%	5.50% to 2.60%	6.50% to 3.60%	7.50% to 4.60%
Total OPEB Liability	\$ 11,823	\$ 13,960	\$ 16,668	\$ 249,821	\$ 275,348	\$ 305,341

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended September 30, 2025, the County recognized OPEB expense of \$16.785 million for the County as a whole, comprised of \$507 thousand for the County, excluding BSO, and \$16.278 million for BSO. At September 30, 2025, the County reported deferred outflows and deferred inflows of resources related to OPEB for the following sources (in thousands):

	County, Excluding BSO		BSO	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Experience	\$ 2,350	\$ (10,479)	\$ 20,671	\$ (1,546)
Change of Assumptions	1,601	(9,517)	20,008	(39,018)
Total	\$ 3,951	\$ (19,996)	\$ 40,679	\$ (40,564)

Amounts recognized in the deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in the OPEB expense as follows (in thousands):

Years Ending September 30	County, Excluding	
	BSO	BSO
2026	\$ (1,496)	\$ (2,457)
2027	(1,496)	158
2028	(1,625)	2,752
2029	(1,625)	(403)
2030	(1,769)	(269)
Thereafter	(8,036)	334
Total	\$ (16,047)	\$ 115

NOTE 16 - RETIREMENT PLANS

All of the County's eligible employees participate in the Florida Retirement System (FRS). As provided by Chapters 121 and 112, Florida Statutes, the FRS provides two cost-sharing, multiple-employer defined benefit plans administered by the Florida Department of Management Services, Division of Retirement, including the Pension Plan and the Retiree Health Insurance Subsidy (HIS Plan). Under Section 121.4501, Florida Statutes, the FRS also provides a defined contribution plan (Investment Plan) alternative to the Pension Plan, which is administered by the State Board of Administration (SBA). As a general rule, membership in the FRS is compulsory for all employees working in a regularly established position for a state agency, county government, district school board, state university, community college, or a participating city or special district within the State of Florida. The FRS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. The Florida Legislature establishes and may amend the contribution requirements and benefit terms of all FRS plans.

The plan administrator for FRS prepares and publishes its own stand-alone annual comprehensive financial report, including financial statements and required supplementary information. Copies of this report can be obtained from the Department of Management Services, Division of Retirement, Bureau of Research and Member Communications, P.O. Box 9000, Tallahassee, Florida 32315-9000; or at the Division's website (www.frs.myflorida.com).

A. Pension Plan

Plan Description - The Pension Plan is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees.

The general classes of membership for the County are as follows:

- Regular Class - Members of the FRS who do not qualify for membership in the other classes.
- Senior Management Service Class (SMSC) - Members in senior management level positions.
- Special Risk Class - Members who are employed as law enforcement officers and firefighters and other specified positions, which qualify for this class.
- Elected Officers' Class (EOC) - Members who hold specified elected offices of local government.

Employees enrolled in the Pension Plan prior to July 1, 2011, vest after six years of creditable service, and employees enrolled in the Pension Plan on or after July 1, 2011, vest after eight years of creditable service. Regular Class, SMSC, and EOC members initially enrolled in the Pension Plan before July 1, 2011, once vested, are eligible for normal retirement benefits at age 62, or at any age after 30 years of creditable service. Members in these classes initially enrolled in the Pension Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service. Special Risk members initially enrolled in the Pension Plan before July 1, 2011, once vested, are eligible for normal retirement benefits at age 55 or at any age after 25 years of creditable service. Members in this class initially enrolled in the Pension Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 60 or any age after 30 years of creditable service. Early retirement may be taken any time after vesting within 20 years of normal retirement age, however, there is a 5.0% benefit reduction for each year prior to the normal retirement age.

DROP is available under the Pension Plan when the member first reaches eligibility for normal retirement. The DROP allows a member to retire while continuing employment for up to 60 months (extended to 96 months as of June 5, 2023). While in the DROP, the member's retirement benefits accumulate in the FRS Trust Fund increased by a cost-of-living adjustment each July, and earn monthly interest equivalent to an annual rate of 1.30% on the preceding months DROP accumulation until DROP participation ends.

Benefits Provided - Benefits under the Pension Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the five highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the eight highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement plan and/or class, to which the member belonged when the service credit was earned.

The following chart shows the percentage value for each year of service credit earned.

Class, Initial Enrollment, and Retirement Age/Years of Service	% Value (Per Year of Service)
Regular Class Members Initially Enrolled Before July 1, 2011	
Retirement up to age 62 or up to 30 years of service	1.60%
Retirement at age 63 or with 31 years of service	1.63%
Retirement at age 64 or with 32 years of service	1.65%
Retirement at age 65 or with 33 or more years of service	1.68%
Regular Class Members Initially Enrolled On or After July 1, 2011	
Retirement up to age 65 or up to 33 years of service	1.60%
Retirement at age 66 or with 34 years of service	1.63%
Retirement at age 67 or with 35 years of service	1.65%
Retirement at age 68 or with 36 or more years of service	1.68%
Senior Management Service Class	2.00%
Special Risk Class	
Service from December 1, 1970, through September 30, 1974	2.00%
Service on or after October 1, 1974	3.00%
Elected Officers' Class	
Service as elected county officer	3.00%

The benefits received by retirees and beneficiaries are increased by a cost-of-living adjustment (COLA) each July. If the member was initially enrolled in the Pension Plan before July 1, 2011, and all service credit was accrued before that time, the annual COLA is 3.0% per year. The annual COLA for retirees with an effective retirement date or DROP date beginning on or after August 1, 2011, who were initially enrolled before July 1, 2011, is a proportion of 3.0% determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3.0%. Pension Plan members initially enrolled on or after July 1, 2011, will not have a COLA after retirement.

Contributions - Effective July 1, 2011, all enrolled members of the Pension Plan, other than DROP participants, are required to contribute 3.0% of their salary to the Pension Plan. In addition to member contributions, governmental employers are required to make contributions to the Pension Plan based on state-wide contribution rates established by the Florida Legislature. These rates are updated as of July 1 of each year. The employer contribution rates by job class for the periods from July 1, 2024 through June 30, 2025 and from July 1, 2025 through September 30, 2025, respectively, were as follows: Regular – 11.57% and 11.97%; Senior Management Service – 32.46% and 31.18%; Special Risk – 30.73% and 33.13%; Elected Officers' – 56.62% and 52.51%; and DROP participants - 19.13% and 20.02%. These employer contribution rates do not include the HIS Plan contribution rate and the administrative cost assessment. For the fiscal year ending September 30, 2025, contributions, including employee contributions of \$10.579 million, to the Pension Plan for the County, excluding the Broward Sheriff's Office (BSO), totaled \$63.196 million. For the fiscal year ending September 30, 2025, BSO contributions, including employee contributions of \$17.347 million totaled \$159.340 million.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions - At September 30, 2025, the County reported a liability of \$1.055 billion for its proportionate share of the Pension Plan's net pension liability. Of this amount, \$299.139 million was for the County, excluding BSO, and \$755.573 million was for BSO. The net pension liability was measured as of June 30, 2025, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2025. The County's and BSO's proportionate share of the net pension liability was based on the County's and BSO's 2024-2025 fiscal year contributions relative to the 2024-2025 fiscal year contributions of all participating members. At June 30, 2025, the County's proportionate share excluding BSO was 0.964486%, and BSO's proportionate share was 2.43457%. The proportionate share for the County, excluding BSO and BSO at June 30, 2025 as compared to June 30, 2024 were increased by 0.011596% and increased by 0.04048%, respectively.

For the fiscal year ended September 30, 2025, the County recognized pension expense of \$36.315 million for the County, excluding BSO, and \$76.224 million for BSO.

In addition, the County reported deferred outflows of resources and deferred inflows of resources related to the Pension Plan from the following sources (in thousands):

	County, Excluding BSO		BSO	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Experience	\$ 31,972		\$ 80,703	
Change of Assumptions	34,760		87,742	
Net Difference Between Projected and Actual Earnings on Pension Plan Investments		(49,976)		(126,151)
Changes in Proportion and Differences Between Pension Plan Contributions and Proportionate Share of Contributions	6,918	(1,682)	20,983	(10,851)
Pension Plan Contributions Subsequent to the Measurement Date	13,649		43,272	
Total	\$ 87,299	\$ (51,658)	\$ 232,700	\$ (137,002)

The deferred outflows of resources related to the Pension Plan, totaling \$13.649 million for the County, excluding BSO, and \$43.272 million for BSO, resulting from contributions to the Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2026. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the Pension Plan will be recognized in pension expense as follows (in thousands):

Years Ending September 30	County, Excluding BSO		BSO	
2026	\$	51,930	\$	118,153
2027		(7,861)		(15,656)
2028		(12,292)		(26,996)
2029		(9,785)		(23,075)
2030				
Total	\$	21,992	\$	52,426

Actuarial Assumptions - The total pension liability in the July 1, 2025 actuarial valuation was determined using the following actuarial assumptions:

Inflation	2.40%
Salary Increases	3.50% average, including inflation
Investment Rate of Return	6.70%, net of pension plan investment expense, including inflation
Mortality rates were based on the PUB-2010 base table, projected generationally with Scale MP-2021.	

The actuarial assumptions used in the July 1, 2025, valuation were based on the results of an actuarial experience study for the period July 1, 2018 through June 30, 2023. The assumptions used in the July 1, 2025 valuation were unchanged from those used in the prior valuation as of July 1, 2024.

The long-term expected rate of return on Pension Plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption.

The target allocation and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation*	Annual Arithmetic Return	Compound Annual (Geometric) Return	Annual Standard Deviation
Cash Equivalents	1.0%	3.2%	3.2%	1.1%
Fixed Income	29.0%	5.5%	5.4%	4.0%
Global Equity	45.0%	8.5%	6.9%	18.3%
Real Estate	12.0%	8.4%	7.1%	16.8%
Private Equity	11.0%	12.4%	8.8%	28.4%
Strategic Investments	2.0%	6.5%	6.1%	8.7%
Total	100.0%			
Assumed Inflation - Mean			2.4%	1.5%

*As outlined in the Pension Plan's investment policy.

Discount Rate - The discount rate used to measure the total pension liability was 6.70%. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current contribution rate and that contributions will be made at the statutorily required rates. The Pension Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return. The FRS Actuarial Assumption Conference is responsible for setting the assumptions used in the valuations of the defined benefit pension plans pursuant to Section 216.136(10), Florida Statutes. The 6.70% rate of return assumption used in the June 30, 2025 calculations was determined by the Plan's consulting actuary to be reasonable and appropriate per Actuarial Standard of Practice No. 27 (ASOP 27) for accounting purposes, which differs from the rate used for funding purposes, which is used to establish the contribution rates for the Pension Plan. The discount rate used in the July 1, 2024 valuation was 6.70%.

Sensitivity of the Proportionate Share of the Net Position Liability to Changes in the Discount Rate - The following represents the County's, excluding BSO, and BSO's proportionate shares of the net pension liability calculated using the discount rate of 6.70%, as well as what the proportionate shares of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate (dollars in thousands):

	County, Excluding BSO			BSO		
	1% Decrease	Current Discount Rate	1% Increase	1% Decrease	Current Discount Rate	1% Increase
	5.70%	6.70%	7.70%	5.70%	6.70%	7.70%
Proportional Share of the Net Pension Liability	\$ 587,056	\$ 299,139	\$ 57,754	\$ 1,482,801	\$ 755,573	\$ 145,876

Pension Plan Fiduciary Net Position - Detailed information regarding the Pension Plan's fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Comprehensive Annual Financial Report.

Payables to the Pension Plan - At September 30, 2025, the County, excluding BSO, and BSO, reported payables in the amounts of \$3.950 million and \$11.534 million, respectively, for outstanding contributions to the Pension Plan required for the fiscal year ended September 30, 2025.

B. HIS Plan

Plan Description - The HIS Plan is a non-qualified, cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes, and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided - For the fiscal year ended September 30, 2025, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month. To be eligible to receive these benefits, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Contributions - The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. The employer contributions are a percentage of gross compensation for all active FRS members. The employer contribution rates for the period from July 1, 2024 through June 30, 2025, and from July 1, 2025 through September 30, 2025 was 2.00%. HIS Plan contributions are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or cancelled.

For the fiscal year ending September 30, 2025, contributions to the HIS Plan for the County, excluding BSO, and BSO totaled \$11.228 million and \$13.067 million, respectively.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions - At September 30, 2025, the County reported a liability of \$341.950 million for its proportionate share of the HIS Plan's net pension liability. Of this amount, \$158.972 million was for the County, excluding BSO, and \$182.977 million was for BSO. The net pension liability was measured as of June 30, 2025, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2024 and rolled forward to the measurement date. The County's and BSO's proportionate share of the net pension liability was based on the County's and BSO's 2024-2025 fiscal year contributions relative to the 2024-2025 fiscal year contributions of all participating members. At June 30, 2025, the County's proportionate share, excluding BSO was 1.2408% and BSO's proportionate share was 1.4275%. The proportionate share for the County and BSO at June 30, 2025 as compared to June 30, 2024 were an increases of 0.0248% and 0.01505%, respectively.

For the fiscal year ended September 30, 2025, the County recognized pension expense of \$5.440 million for the County, excluding BSO, and \$4.197 million for BSO. In addition, the County reported deferred outflows of resources and deferred inflows of resources related to the HIS Plan from the following sources (in thousands):

	County, Excluding BSO		BSO	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Experience	\$ 949	\$ (252)	\$ 1,092	\$ (290)
Change of Assumptions	1,408	(38,467)	1,620	(44,258)
Net Difference Between Projected and Actual Earnings on Pension Plan Investments		(132)		(152)
Changes in Proportion and Differences Between Pension Plan Contributions and Proportionate Share of Contributions	8,345	(1,192)	4,054	(6,170)
Pension Plan Contributions Subsequent to the Measurement Date	2,536		3,529	
Total	\$ 13,238	\$ (40,043)	\$ 10,295	\$ (50,870)

The deferred outflows of resources related to the HIS Plan, totaling \$2.536 million for the County, excluding BSO, and \$3.529 million for BSO, resulting from contributions to the HIS Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2026. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the HIS Plan will be recognized in pension expense as follows (in thousands):

Years Ending September 30	County, Excluding BSO	BSO
2026	\$ (6,192)	\$ (8,980)
2027	(8,156)	(11,605)
2028	(6,481)	(10,245)
2029	(5,061)	(8,408)
2030	(3,451)	(4,866)
Thereafter		
Total	\$ (29,341)	\$ (44,104)

Actuarial Assumptions - Actuarial valuations for the HIS plan are conducted biennially. The July 1, 2025 HIS valuation is the most recent actuarial valuation, and was used to develop the liabilities as of June 30, 2025. The total pension liability as of June 30, 2025 determined using the following actuarial assumptions:

Inflation	2.40%
Salary Increases	3.50% average, including inflation
Investment Rate of Return	5.20%, net of pension plan investment expense, including inflation
Mortality rates were based on the Generational PUB-2010 with Projection Scale BB-2021 tables.	

The actuarial assumptions that determined the total pension liability as of June 30, 2025 were based on the results of an actuarial experience study for the period July 1, 2018 through June 30, 2023.

Discount Rate - The discount rate used to measure the total pension liability at June 30, 2025 was 3.93%. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the FRS Actuarial Assumption Conference. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index. The discount rate used in the June 30, 2024 liability measurement was 3.93%.

Sensitivity of the Proportionate Share of the Net Position Liability to Changes in the Discount Rate - The following represents the County's, excluding BSO, and BSO's proportionate shares of the net pension liability calculated using the discount rate of 3.93%, as well as what the proportionate shares of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate (dollars in thousands):

	County, Excluding BSO			BSO		
	1% Decrease	Current Discount Rate	1% Increase	1% Decrease	Current Discount Rate	1% Increase
	2.93%	3.93%	4.93%	2.93%	3.93%	4.93%
Proportional Share of the						
Net Pension Liability	\$ 179,267	\$ 158,972	\$ 141,951	\$ 206,336	\$ 182,977	\$ 163,387

Pension Plan Fiduciary Net Position - Detailed information regarding the HIS Plan's fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Comprehensive Annual Financial Report.

Payables to the HIS Plan - At September 30, 2025, the County, excluding BSO, and BSO, reported payables in the amounts of approximately \$833 thousand and \$1.013 million, respectively, for outstanding contributions to the HIS plan required for the fiscal year ended September 30, 2025.

The County's proportionate share of the Plans' net pension liability, deferred outflows of resources and deferred inflows of resources as of September 30, 2025, and pension expense / adjustment for the fiscal year ended September 30, 2025 was allocated to the County's funds based on each fund's respective contributions. Amounts are as follows (in thousands):

Governmental Activities	Net Pension Liabilities	Deferred Outflows of Resources	Deferred Inflows of Resources	Pension Expense
Pension Plan	\$ (999,400)	\$ 304,196	\$ (179,311)	\$ 103,902
HIS Plan	(312,744)	21,135	(83,554)	8,637
Total Governmental Activities	\$ (1,312,144)	\$ 325,331	\$ (262,865)	\$ 112,539
Business-type Activities	Net Pension Liabilities	Deferred Outflows of Resources	Deferred Inflows of Resources	Pension Expense
Pension Plan	\$ (55,312)	\$ 15,803	\$ (9,349)	\$ 8,637
HIS Plan	(29,205)	2,398	(7,359)	1,000
Total Business-type Activities	\$ (84,517)	\$ 18,201	\$ (16,708)	\$ 9,637

C. Investment Plan

The SBA administers the defined contribution plan officially titled the FRS Investment Plan. The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Comprehensive Annual Financial Report. As provided in Section 121.4501, Florida Statutes, eligible FRS members may elect to participate in the Investment Plan in lieu of the defined benefit pension plan. County employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida State Legislature. The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class as the Pension Plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering the Investment Plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06% of payroll and by forfeited benefits of plan members. Effective July 1, 2012, allocations to the investment member's accounts, as established by Section 121.72, Florida Statutes, are based on a percentage of gross compensation, by class, as follows: Regular Class - 8.30%, Senior Management Service Class - 9.67%, Special Risk Class - 16.0%, and Elected Officers' Class - 13.34%.

For all membership classes, employees are immediately vested in their own contributions and are vested after one year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the Pension Plan is transferred to the Investment Plan, the member must have the years of service required for Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Nonvested employer contributions are placed in a suspense account for up to five years. If the employee returns to FRS-covered employment within the five-year period, the employee will regain control over their account. If the employee does not return within the five-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended September 30, 2025, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the County.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the Pension Plan, or remain in the Investment Plan and rely upon that account balance for retirement income.

The Investment Plan pension expense for the County, excluding BSO, and BSO totaled \$21.455 million and \$24.737 million, respectively, for the fiscal year ended September 30, 2025.

At September 30, 2025, the County, excluding BSO, and BSO, reported payables in the amounts of approximately \$1.508 million and \$1.932 million respectively, for outstanding contributions to the Investment Plan required for the fiscal year ended September 30, 2025.

NOTE 17 - TAX ABATEMENTS

Article VII, Section 3 of the Florida Constitution authorizes Counties and municipalities to adopt an ordinance to allow ad valorem tax exemptions to owners of historic properties. The County adopted Ordinance No. 96-14, The Broward County Historic Property Tax Exemption Ordinances, which provides that the BOCC may authorize an ad valorem tax exemption of the assessed value of all improvements to historic properties, which result from the restoration, renovation or rehabilitation of such properties. The Ordinance provides that if an improvement qualifies a historic property for an exemption, the BOCC may authorize an exemption from ad valorem taxation of 50% of the assessed value of the property, as improved, for a ten year period. To qualify for an exemption, the property owner must enter into a preservation exemption covenant with the County for the term for which the exemption is granted. Any violations of the covenant shall result in the property owner being subject to the payment of the differences between the total amount of taxes, which would have been due in March in each of the previous years in which the covenant was in effect had the property not received the exemption and the total amount of taxes actually paid in those years, plus interest on the difference calculated as provided in Section 212.12(3), Florida Statutes. The County also adopted Ordinance No. 04-32, which, pursuant to the provisions of the Section 196.1961, Florida Statutes expanded the exemption to include certain historical property used for commercial or certain nonprofit purposes as provided for in the Statutes. The property must comply with each and every provision of Section 196.1961, Florida Statutes to be entitled to the ad valorem exemption and the tax exemption shall apply only to Broward County. A taxpayer claiming the exemption must submit an annual application with the property appraiser pursuant to the requirements set forth in Section 196.011, Florida Statutes. For the fiscal year ended September 30, 2025, the County abated property taxes totaling approximately \$169,000 under this program.

NOTE 18 - MAJOR CUSTOMERS

A significant portion of Aviation's revenues are directly or indirectly attributed to the activity of a number of major airlines operating out of Broward's Fort Lauderdale-Hollywood International Airport (FLL). Aviation's revenues could materially and adversely be affected should any of these major airlines discontinue operations at FLL and should Aviation be unable to replace those airlines with similar activity. The level of operations is determined based upon the relative share of the enplaned passengers, and the top five airlines totaled 78.65% of enplanement in fiscal year 2025 with no carrier above 30.0%. This diversity reduces the reliance on the performance of one dominant airline. The top six airlines, based on number enplaned passenger, are as follows:

Airlines	Passenger Enplanements	Percentage
Spirit Airlines	\$ 4,757,376	29.3%
JetBlue Airways	3,237,426	20.0%
Delta Air Lines, Inc	2,022,272	12.5%
Southwest Airlines Co	1,513,933	9.3%
United Airlines	1,230,141	7.6%
American Airlines	990,994	6.1%
Others	2,472,112	15.2%
Total Enplanements	\$ 16,224,254	100.0%

A significant portion of Water and Wastewater's revenues are directly or indirectly attributed to the demand of large users and major retail customers. The Large User Agreements contain an automatic renewal clause. It is unlikely that any of the Large User customers would cease to be a customer of the system. As of September 30, 2025, the top ten customers revenues accounted for 36.46% of total operating revenue. The top ten major, based on dollars of revenue, are as follows:

Customer	Percentage of Operating Revenues
Coconut Creek ¹	7.38%
Pompano Beach	6.90%
Coral Springs	4.06%
Tamarac	3.95%
Deerfield Beach	3.54%
Lauderhill	3.52%
Broward County Agencies ²	2.24%
North Lauderdale	2.01%
North Springs Improvement District	1.84%
Broward County School Board ²	1.02%
Total	36.46%

1. Retail Customer for Water 2. Retail Customer for Wastewater and Water

A significant portion of Port Everglade's revenues are directly or indirectly attributed to the activity of seven major customers operating out of Port Everglades. Port Everglade's revenues could be materially and adversely affected should either of these major customers discontinue operations at Port Everglades, and not be replaced with comparable activity. As of September 30, 2025, two customers accounted for 53.40% and six customers accounted for 54.70% of Port Everglade's total accounts receivable and operating revenues, respectively as follows:

Customer	Percentage of Operating Revenues	Percentage of Accounts Receivable
Royal Caribbean Cruises Ltd. and its affiliates	21.1%	41.90%
Carnival Corporation and its affiliates	9.6%	
Crowley Liner Services, Inc.	6.5%	
Magical Cruise Company Ltd.	6.5%	
Florida International Terminal, LLC	5.8%	
King Ocean Services Limited (Cayman Islands) Inc.	5.2%	
USA Maritime Enterprises, Inc.		11.50%
Total	54.7%	53.4%

NOTE 19 - COMMITMENTS AND CONTINGENT LIABILITIES

Litigation

A claim in excess of \$20.0 million has been submitted by a contractor to the County, related to the construction of the new Broward County Courthouse (the "Project"). There are material issues with the validity of the claim and there are entities, other than the County, that would be responsible if portions of the claim were found to be valid. Moreover, the County has its own claims against the Contractor relating to the Project, which include claims for delays and failure to perform work, and claims stemming from the Contractor furnishing defective and noncompliant work. An order is pending, the case is not currently set for trial.

In August 2022, a lawsuit was filed by a contractor against the County seeking damages allegedly arising out of contract work, extras, and delays encountered by the contractor during performance on the Terminal 4 Apron project. The contractor contends it is owed approximately \$13 million. The County disputes the claims asserted by the contractor. On September 16, 2022, County filed a counterclaim against the contractor for damages associated with defective work and false claims. Discovery has yet to begin in the case.

A business owner filed this case asserting an inverse condemnation claim, associated with the expansion of the South Runway. Notwithstanding extensive discovery inquiries throughout the litigation, the plaintiff, for the first time in November 2023, expressed that it believes its damages are approximately \$20 million. County believes there is no merit to the plaintiff's claim as presented. The parties participated in court ordered non-binding arbitration on December 21, 2023.

The County will continue to vigorously defend all claims. The Office of the County Attorney is of the opinion that the possible exposure, resulting from the outcome of above litigations would not have a material adverse economic effect on the County.

Federal and State Grants

Federal and State of Florida grants are subject to audit by the granting agencies to determine if activities comply with conditions of the grants. Management believes that no material liability will arise from any grant audits.

Environmental Hazards

Through voluntary agreement, several petroleum companies having operations located at the Port Everglades created and funded an independent corporation. Port Everglades Environmental Corporation ("PEECO"). PEECO was created to address the problem and clean-up of historical petroleum contamination on common areas owned by the County, including pipeline rights-of-ways, offloading berths, and roadways adjacent to oil company properties used by the petroleum companies for transportation of their petroleum products. The majority of common areas on which petroleum contamination is known to exist, have been accepted for state funded clean-up under Florida's Early Detection Incentive Program. The County believes that the likelihood of having a material financial liability for petroleum contamination costs not covered by the State of Florida, or the oil industry is remote.

The County's encumbrance policy is for fiscal year end individual encumbrances exceeding \$500,000 to be considered significant encumbrances. All encumbrances are classified as Restricted, Committed, or Assigned fund balance in the governmental funds. Significant encumbrances as of September 30, 2025 are as follows (in thousands):

	General	Transportation Surtax Capital	Nonmajor Governmental	Total

NOTE 20 - SUBSEQUENT EVENTS

In November 2025, the County issued Port Facilities Revenue Bonds, Series 2025, in the par amount of \$130.6 million (AMT), with a premium of \$9.687 million, resulting in a true interest of 4.76%. The Series 2025 Bonds were issued to provide funding for the financing and refinancing, including through reimbursement, additional costs of the Berths 1, 2, and 3 and Entrance Channel North Wall projects, which include the renovation and construction of a series bulkheads at Berth 1, 2, and 3 and along the North Bulkhead of the Entrance Channel to Port Everglades. The proceeds of the Series 2025 Bonds were also used to fund a subaccount of the Debt Service Reserve Account and pay for the issuance costs relating to the Series 2025 Bonds. The Series 2025 Bonds interest rates range from 5.0% to 5.5%.

On October 22, 2025, WWS issued Revenue Refunding Bonds, Series 2025 in the principal amount of \$158.115 million at par for the purpose of refunding the 2015A Water and Sewer Refunding Bonds and refunding the 2015B Refunding Bonds in addition to the funding of the cost of issuance. The True Interest Cost (TIC) for the Series 2025 Bonds is 2.632138%. The refunding resulted in a net present value savings of \$15,957,630.

As a part of the per-and polyfluoroalkyl substances (PFAS) settlement, WWS received payment of \$9.9 million in total, in October and December 2025.

Spirit Airlines filed a petition for Chapter 11 bankruptcy for the second time in a year on August 29, 2025, after emerging from the initial bankruptcy filing on March 12, 2025. On February 24, 2026 Spirit announced it reached a deal with lenders that will allow it to exit the second bankruptcy by the late spring or early summer.

NOTE 21 - IMPLEMENTATION OF GASB STATEMENT NO. 101 COMPENSATED ABSENCES

Governmental Accounting Standards Board Statement No. 101, Compensated Absences, was implemented during fiscal year 2025. The new standard resulted in a restatement of October 1, 2024, beginning liability for compensated absences and net position. The adjustment to restatement the beginning liability and net position are as follows:

Statement of Net Position	Governmental Activities		Business-type Activities

Required Supplementary Information

Visit Lauderdale's New Headquarters

In November 2025, Visit Lauderdale, the official destination marketing organization and tourism department for Broward County, relocated its headquarters to a new facility on the expanded Broward County Convention Center campus. The new facility is home to approximately 40 staff members. The relocation gives convention planners and event producers enhanced accessibility to Visit Lauderdale leadership and access to modern conference rooms capable of hosting major regional tourism meetings onsite – all against the backdrop of bustling Port Everglades, the new Omni Fort Lauderdale hotel, and the Intracoastal

Waterway, and just minutes away from Broward County's Fort Lauderdale-Hollywood International Airport.

Visit Lauderdale was created in 1987 by the Board of Broward County Commissioners and was initially known as the Greater Fort Lauderdale Convention & Visitors Bureau.

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

September 30, 2025

NOTE 1 - BUDGETARY INFORMATION

State Statutes require that all county governments establish budgetary systems and approve balanced annual budgets for such funds as may be required by law or by sound financial practices and accounting principles generally accepted in the United States. The BOCC, after review of the tentative budgets, holds public hearings and then adopts the annual budget for the General, certain Special Revenue, and Debt Service Funds. The Constitutional Officers, except for the Clerk, prepare annual operating budgets for their general funds which are reflected as part of the County's General Fund. No annual budgets are established for the Sheriff's Special Revenue Fund, the Federal and State Grants Fund, Emergency Rental Assistance Program and the Capital Projects Funds. The Sheriff's Special Revenue Fund has no budget since all costs incurred are budgeted in the Sheriff's General Fund and are reimbursed by the Sheriff's Special Revenue Fund. The Federal and State Grants Fund does not have an appropriated budget since other means control the use of these resources and sometimes span a period of more than one year. The Capital Projects Funds are budgeted on a multi-year basis. All governmental fund appropriations lapse at year end except capital outlay items.

The appropriated budget is prepared by fund, department, and division on the same basis of accounting as required for governmental fund types and conforms with GAAP. By County budget policy, transfers of appropriations between departments and increase of appropriations at the department level require the approval of the Board. The County's legal level of budgetary control, the level at which expenditures may not legally exceed appropriations, is at the department level.

Excess of Expenditures over Appropriations

For the year ended September 30, 2025, the excess fees paid to other governmental agencies paid by the Tax Collector exceeded appropriations by \$10.3 million.

NOTE 2 - OPEB INFORMATION

The County did not have plan assets accumulated in a trust. For the measurement date of September 30, 2025, the actuarial valuation used a discount rate of 4.90% as of October 1, 2024 for BSO and 3.81% as of September 30, 2025 for the County, excluding BSO. The discount rate will be updated annually to reflect market conditions as of the measurement date.

Changes in Assumptions

The discount rate was updated from 4.87% to 4.90% for the County, excluding BSO and from 4.63% to 3.81% for BSO. The medical trend assumptions remained the same based on current anticipation of future costs and projected claim costs.

NONMAJOR SPECIAL REVENUE FUNDS

Special revenue funds are used to account for revenues, from specific sources, which are restricted by law or policy to finance specific activities. The County's special revenue funds are numerous. Accordingly, for financial reporting purposes, special revenue funds of a similar nature have been combined within the following classifications:

County Transportation Trust Fund – To account for transportation construction and maintenance projects funded by state and local gasoline taxes, developer contributions, and payments from other governments.

Tourist Development Tax Fund - To account for tourist development tax receipts used to promote tourism in Broward County.

Local Housing Assistance Trust Fund (SHIP) - To account for funds received for the State Housing Initiatives Partnership Program.

Water Control Districts Fund - To account for funds received for the maintenance of water resource and drainage programs in special districts of the County.

Affordable Housing Trust Fund - This fund accounts for revenue received from Affordable Housing Capital Fund, the General Fund and Affordable Housing Mitigation Fee to increase the County's affordable housing stock.

Other Special Revenue Fund - To account for other special revenue activities.

Sheriff Special Revenue Fund - To account for funds received from the County Law Enforcement Trust Fund and grants received for public safety and capital expenditures.

Federal and State Grants Fund - To account for revenues and expenditures associated with funding from Federal and State granting agencies except for certain transit and other specific grants.

Emergency Rental Assistance Fund - To account for revenue and expenditures associated with funding from the American Rescue Plan Act of 2021 for the emergency rental assistance program.

Hospital Special Assessment Fund - To account for revenue and expenditures associated with the special assessments on local hospitals.

Animal Care Trust Fund - To account for revenue and expenditures associated with the animal care trust fund.

Opioid Settlement Trust Fund - To account for revenue and expenditures associated with the settlements received from the Opioid litigation.

NONMAJOR DEBT SERVICE FUNDS

Debt service funds are used to account for the accumulation of resources for, and the payment of, principal and interest on long-term obligations. Separate funds are maintained, as their titles indicate, to account for transactions arising from obligations of a similar nature.

Libraries General Obligation Bonds Debt Service Fund - To account for the payment of the current year's principal and interest requirements on the General Obligation Bonds issued for the construction, expansion, and renovation of the County's libraries.

Parks and Land Preservation General Obligation Bonds Debt Service Fund - To account for the payment of the current year's principal and interest requirements on the General Obligation Bonds issued for the acquisition and preservation of land and the renovation and expansion of parks.

Professional Sports Facilities and Civic Arena Bonds Debt Service Fund - To account for the payment of the current year's principal and interest requirements on the Professional Sports Facilities and Civic Arena Bonds.

Courthouse Bonds Debt Service Fund - To account for the payment of the current year's principal and interest requirements on the Half-Cent Sales Tax Revenue Bonds issued for the construction and replacement of the Main Courthouse.

Convention Center Expansion Bonds Debt Service Fund - To account for the payment of the current year's principal and interest requirements on the Convention Center Expansion Bonds.

Convention Center Hotel Bonds Debt Service Fund - To account for the payment of the current year's principal and interest requirements on the Convention Center Hotel Bonds.

Florida Financing Loan Pool Debt Service Fund - To account for the payment of the current year's principal and interest requirements on the Florida Financing Loan Pool debt.

**WATERFRONT PLAZA & AMPHITHEATRE
(UNDER CONSTRUCTION)**

Statistical Section

Waterfront Plaza and Amphitheatre

Scheduled to open in 2026, the Waterfront Plaza and Amphitheatre represents the final stage of the expansion transformation. This 6-acre urban green space is designed for public access with direct views of the Intracoastal Waterway. The centerpiece is an open-air amphitheater built for live entertainment, community gatherings, and keynote presentations. Upon completion, the plaza will feature upgraded Water Taxi access to improve connectivity for guests arriving via Fort Lauderdale's waterways. This park-like setting completes the East Expansion, solidifying the site as a world-class waterfront destination.

**Report on Internal Control Over Financial Reporting and on Compliance
and Other Matters Based on an Audit of Financial Statements
Performed in Accordance With Government Auditing Standards**

Independent Auditor's Report

Board of County Commissioners
Broward County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information of Broward County, Florida (the County), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated March 27, 2026. Our report has an emphasis-of-matter paragraph as the County adopted the recognition and disclosure requirements of Governmental Accounting Standards Board (GASB) Statement No. 101, *Compensated Absences*, as of October 1, 2024. Our opinions are not modified with respect to this matter.

Our report includes a reference to other auditors who audited the financial statements of: (1) Clerk of the Circuit and County Courts (a discretely presented component unit), (2) Broward County Housing Finance Authority (a discretely presented component unit), (3) Broward County Supervisor of Elections (reported as part of the County's General Fund), and (4) Broward County Property Appraiser (reported as part of the County's General Fund), as described in our report on the County's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified a deficiency in internal control, described below as item 2025-001, that we consider to be a material weakness.

2025-001—Material Weakness, Construction In Progress—Classification of Completed Projects and Related Depreciation Expense and Improper Period Recognition

Criteria: Generally Accepted Accounting Principles (GAAP) for state and local governments require that capital assets be capitalized and depreciated when placed into service.

GASB Codification, Section 1400.101–.104 (Capital Assets) states that capital assets of proprietary funds should be reported in both the government-wide and fund financial statements, and should be depreciated over their estimated useful lives.

GAAP requires that capital asset costs, including construction in progress, be recognized in the period in which the underlying construction activity occurs, consistent with the accrual basis of accounting.

Condition: The Water and Wastewater Fund (Fund) did not timely reclassify certain completed capital projects from Construction in Progress (CIP) to the appropriate capital asset categories when the assets were placed in service. As a result, depreciation expense related to those completed assets was not recorded beginning in the period the assets were available for use. Furthermore, there were costs incurred in previous periods that were not properly included in construction in progress in the fiscal year they occurred.

Cause: Due to turnover in the engineering department, the Fund did not have adequate controls or monitoring procedures in place to identify when construction projects were substantially complete and placed into service. As a result, capital asset records were not timely updated, and depreciation calculations were not initiated.

Effect or Potential Effect: Failure to reclassify completed projects and record depreciation resulted in:

- An uncorrected misstatement for the prior period impact of approximately \$1.7M for projects that were completed and not depreciated.
- Overstatement of Construction in Progress of approximately \$57.8 million.
- Understatement of accumulated depreciation and depreciation expense by approximately \$1,300,000. These misstatements could impact the accuracy of the Fund's statement of net position and statement of revenues, expenses and changes in net position.
- An amount of approximately \$450,000 included as construction in progress additions in the fiscal year under audit that occurred in previous periods.

Recommendation: We recommend that management implement formal procedures to:

1. Periodically review CIP balances to identify projects that have been placed into service.
2. Timely reclassify completed projects from CIP to depreciable capital asset categories.
3. Begin recording depreciation in the period the asset is placed into service, in accordance with GAAP.
4. Document review and approval of capital asset reclassifications and depreciation calculations.
5. Implement effective period-end cutoff and review procedures to identify and record construction activity incurred but not yet recorded.

Views of Responsible Officials: Management agrees with the finding.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

County's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the County's response to the findings identified in our audit and described above. The County's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

March 27, 2026

RSM US LLP

**Independent Accountant's Report on Compliance
With Section 218.415, Florida Statutes**

Honorable Mayor and Chairman and
Members of the Board of County Commissioners
Broward County, Florida

We have examined Broward County's (the County) compliance with Section 218.415, *Florida Statutes, Local Government Investment Policies* (the specified requirements) during the period October 1, 2024 to September 30, 2025. Management of the County is responsible for the County's compliance with the specified requirements. Our responsibility is to express an opinion on the County's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the AICPA. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the County complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the County complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the County's compliance with the specified requirements.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, the County complied, in all material respects, with the specified requirements during the period October 1, 2024 to September 30, 2025.

This report is intended solely for the information and use of the Florida Auditor General, the Honorable Mayor, Board of County Commissioners, and applicable management, and is not intended to be and should not be used by anyone other than the specified parties.

RSM US LLP

Fort Lauderdale, Florida
March 27, 2026

RSM US LLP

**Independent Accountant's Report on Compliance
With Section 365.172 and 365.173, Florida Statutes**

Honorable Mayor and Chairman and
Members of the Board of County Commissioners
Broward County, Florida

We have examined Broward County's (the County) compliance with Sections 365.172 and 365.173, *Florida Statutes, Emergency Communications Number E911 System Fund* (the specified requirements) during the period October 1, 2024 to September 30, 2025. Management of the County is responsible for the County's compliance with the specified requirements. Our responsibility is to express an opinion on the County's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the AICPA. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the County complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the County complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the County's compliance with the specified requirements.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, the County complied, in all material respects, with the specified requirements during the period October 1, 2024 to September 30, 2025.

This report is intended solely for the information and use of the Florida Auditor General, the Honorable Mayor, Board of County Commissioners, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

**Management Letter in Accordance with the
Rules of the Auditor General of the State of Florida**

Board of County Commissioners
Broward County, Florida

Report on the Financial Statements

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Broward County, Florida (the County) as of and for the fiscal year ended September 30, 2025, and have issued our report thereon dated March 27, 2026. Our report has an emphasis-of-matter paragraph as the County adopted the recognition and disclosure requirements of Governmental Accounting Standards Board (GASB) Statement No. 101, *Compensated Absences*, as of October 1, 2024. Our opinions are not modified with respect to this matter.

Our report includes a reference to other auditors who audited the financial statements of the: (1) Clerk of Circuit and County Courts (a discretely presented component unit), (2) Broward County Housing Finance Authority (a discretely presented component unit), (3) Broward County Supervisor of Elections (reported as part of the County's general fund), and (4) Broward County Property Appraiser (reported as part of the County's general fund). This report does not include the findings and recommendations of the other auditors' that are reported on separately by those auditors.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and our Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated March 27, 2026, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. No recommendations were made in the preceding audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in the management letter, unless disclosed in the notes to the financial statements. The legal authority is disclosed in Note 1 to the financial statements.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7) of Chapter 10.550, *Rules of the Auditor General*, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the County met one or more of the conditions described in Section 218.503(1), *Florida Statutes*, and to identify the specific condition(s) met. In connection with our audit, we determined that the County did not meet any of the conditions described in Section 218.503(1), *Florida Statutes*.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8) of Chapter 10.550, *Rules of the Auditor General*, we applied financial condition assessment procedures for the County. It is management's responsibility to monitor the County's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. Internal control deficiencies have been reported in our *Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with Government Auditing Standards*, issued on separate cover.

Property Assessed Clean Energy (PACE) Programs

As required by Section 10.554(1)(i)6.a., *Rules of the Auditor General*, the County shall provide a statement as to whether a PACE program authorized pursuant to Section 163.081 or Section 163.082, *Florida Statutes* did or did not operate within the County's geographical boundaries during the fiscal year under audit. The County did operate a PACE program.

As required by Section 10.554(1)(i)6.b. and 10.554(1)(i)6.c., *Rules of the Auditor General*, if a PACE program was operating within the geographical areas of the County, a list of all program administrators and third-party administrators that administered the program including the full legal names and contact information of each such program administrator and third-party administrator.

This information has not been subjected to the auditing procedures applied in the audit of the basic financial statements of the County, and accordingly, we do not express an opinion or provide any assurance on it.

Special District Component Units

Section 10.554(1)(i)5.c of Chapter 10.550, *Rules of the Auditor General*, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality or special district in accordance with Section 218.39(3)(b), *Florida Statutes*. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), *Florida Statutes*.

As required by Section 218.39(3)(c), *Florida Statutes*, and Section 10.554(1)(i)6, *Rules of the Auditor General*, each dependent special district reported (unaudited):

- a. The total number of district employees compensated in the last pay period of the district's fiscal year as
 - The Broward County Water Control District No. 2 0
 - The Broward County Water Control District No. 3 0
 - The Broward County Water Control District No. 4 0
 - The Cocomar Water Control District 0
 - The Broward County Community Redevelopment Agency 0
 - The Broward County Educational Facilities Authority 0
 - The Broward County Solid Waste Disposal District 0
 - The Broward County Health Facilities Authority 0
 - The Broward County Housing Finance Authority 5

- b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the district's fiscal year as 0.
- c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as
- | | |
|---|--------------|
| • The Broward County Water Control District No. 2 | 0 |
| • The Broward County Water Control District No. 3 | 0 |

- d. All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as 0.
- e. Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project as none.
- f. A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes, as
- The Broward County Water Control District No. 2
A budget variance based on the budget adopted under Section 189.016(4), *Florida Statutes*, before the beginning of the fiscal year being reported if the district amends final adopted budget under Section 189.016(6), *Florida Statutes*, as follows: the district's original budget totaled \$987,470 and was amended by the total amount of \$0, for final budgeted expenditures of \$987,470.
 - The Broward County Water Control District No. 3
A budget variance based on the budget adopted under Section 189.016(4), *Florida Statutes*, before the beginning of the fiscal year being reported if the district amends final adopted budget under Section 189.016(6), *Florida Statutes*, as follows: the district's original budget totaled \$747,100 and was amended by the total amount of \$0, for final budgeted expenditures of \$747,100.
 - The Broward County Water Control District No. 4
A budget variance based on the budget adopted under Section 189.016(4), *Florida Statutes*, before the beginning of the fiscal year being reported if the district amends final adopted budget under Section 189.016(6), *Florida Statutes*, as follows: the district's original budget totaled \$603,780 and was amended by the total amount of \$0, for final budgeted expenditures of \$603,780.
 - The Cocomar Water Control District
A budget variance based on the budget adopted under Section 189.016(4), *Florida Statutes*, before the beginning of the fiscal year being reported if the district amends final adopted budget under Section 189.016(6), *Florida Statutes*, as follows: the district's original budget totaled \$1,999,920 and was amended by the total amount of \$0, for final budgeted expenditures of \$1,999,920.
 - The Broward County Community Redevelopment Agency *
 - The Broward County Educational Facilities Authority *

- The Broward County Solid Waste Disposal District *
- The Broward County Health Facilities Authority
Original budget totaled \$929,630 and was amended by the total amount of \$19,002, for final budgeted expenditures of \$910,628.
- The Broward County Housing Finance Authority
Refer to the RSI in the Broward County Housing Finance Authority September 30, 2025 financial statements.

* The component is inactive. Accordingly, a budget was not prepared.

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of This Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, and applicable management, and is not intended to be, and should not be, used by anyone other than these specified parties.

CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS ADVISORS

Independent Auditors' Report

Honorable Board of County Commissioners
Broward County, Florida

Report on the Audit of the Schedule of Expenditures of Federal Awards and State Financial Assistance

Opinion

We have audited the schedule of expenditures of federal awards and state financial assistance (the "Schedule") of Broward County, Florida (the County) for the year ended September 30, 2025, and the related notes.

In our opinion, the accompanying Schedule presents fairly, in all material respects, the expenditures of federal awards and state financial assistance of the County for the year ended September 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.550, Rules of the Auditor General. Our responsibilities under those standards, the Uniform Guidance and Chapter 10.550, Rules of the Auditor General are further described in the Auditors' Responsibilities for the Audit of the Schedule section of our report.

We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Schedule

Management is responsible for the preparation and fair presentation of the Schedule in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the schedule that is free from material misstatement, whether due to fraud or error.

(786) 743-7108

Auditors' Responsibilities for the Audit of the Schedule

Our objectives are to obtain reasonable assurance about whether the schedule as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.550, Rules of the Auditor General will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the Schedule.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.550, Rules of the Auditor General, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the schedule, whether due to fraud, or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the schedule.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the schedule.

Report on Audited Financial Statements

The financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County as of and for the year ended September 30, 2025, were audited by other auditors, and they have issued their report thereon dated March 27, 2026. Their audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements as a whole, and they issued unmodified opinions thereon.

In accordance with Government Auditing Standards, the other auditors have also issued a report dated March 27, 2026, on their consideration of the County's internal control over financial reporting and on their tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters.

The purpose of that report is to describe the scope of their testing of internal control over financial reporting and compliance, and the results of that testing, and not to provide opinions on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

This report is intended solely for the information and use of the Board of County Commissioners, management, and specific legislative or regulatory bodies and is not intended to be, and should not be, used by anyone other than these specified parties.

CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS ADVISORS

Independent Auditors' Report on Compliance for Each Major Federal Program and State Project and Report on Internal Control Over Compliance Required by the Uniform Guidance and Chapter 10.550, Rules of the Auditor General

Honorable Board of County Commissioners
Broward County, Florida

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited Broward County, Florida's (the County's) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and the Florida Department of Financial Services *State Projects Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs and state projects for the year ended September 30, 2025. The County's major federal programs and state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the County complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal program and state project for the year ended September 30, 2025.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.550, Rules of the Auditor General. Our responsibilities under those standards, the Uniform Guidance, and Chapter 10.550, *Rules of the Auditor General* are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of the County's compliance with the compliance requirements referred to above.

Miramar Office

3350 SW 148th Ave. | Suite 110
Miramar, FL 33027
(954) 874-1721

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the County's federal programs and state projects.

Auditors' Responsibilities for the Audit of the Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the County's compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the County's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the County's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. We identified certain deficiencies in internal control, described in the accompanying schedule of finding and questioned costs as items IC 2025-001 and IC 2025-002 that we considered to be significant deficiencies.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.

BROWARD COUNTY, FLORIDA
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
AND STATE FINANCIAL ASSISTANCE
For The Fiscal Year Ended September 30, 2025

NOTE 1 – GENERAL

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance (the “Schedule”) included herein represents the federal and state award activity of Broward County, Florida (the “County”), recorded by the County during the fiscal year ended September 30, 2025. For purposes of this Schedule, federal awards and state financial assistance include both federal and state assistance received directly from a federal or state agency, respectively, as well as federal or state funds received indirectly by the County from non-federal or non-state organizations. Because the Schedule presents only a selected portion of the operations of the County, it is not intended to and does not present the financial position, changes in net position or cash flow of the County.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance (the Schedule) includes the grant activity of certain federal award programs and state financial assistance projects of Broward County, Florida (the County) for the fiscal year ended September 30, 2025. Federal financial assistance is defined as assistance that non-Federal entities receive or administer in the form of grants, loans, loan guarantees, property, cooperative agreements, interest subsidies, insurance, food commodities, direct appropriations, or other assistance. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and Chapter 10.550, Rules of the Auditor General of the State of Florida. Because this schedule presents only a selected portion of the operations of the County, it is not intended to and does not present the financial position, changes in net position or cash flows of the County.

Basis of Accounting

The expenditures in the accompanying Schedule are presented using the modified accrual basis of accounting, except for the proprietary funds and pass-through to subrecipients, which are presented using the accrual basis of accounting and cash basis of accounting, respectively. Under the modified accrual basis of accounting, expenditures are recognized when the County becomes obligated for a payment as a result of the receipt of the related goods or services.

NOTE 3 – ASSISTANCE LISTING NUMBER (ALN)

The program titles and assistance listing numbers were obtained from the federal or pass-through grantor of the 2025 Assistance Listing. If no ALN number had been assigned to a program, the two- digit federal agency identifier and the federal contract number were used. When there was no federal contract number, the word “Agreement” was used.

BROWARD COUNTY, FLORIDA
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
AND STATE FINANCIAL ASSISTANCE
For The Fiscal Year Ended September 30, 2025

NOTE 4 – CATALOG OF STATE FINANCIAL ASSISTANCE (CSFA) NUMBER

The program titles and CSFA numbers were obtained from the State of Florida or pass-through grantor of the 2025 Catalog of State Financial Assistance. If no CSFA number had been assigned to a program, the two-digit state agency identifier and the state contract number were used. When there was no state contract number the word “Agreement” was used.

NOTE 5 – CONTINGENCIES

Grant monies received and disbursed by the County are for specific purposes and are subject to review by grantor agencies. Such audits may result in requests for reimbursement due to disallowed expenditure.

Based upon prior experience, the County does not believe that such disallowances, if any, would have a material effect on the financial position of the County. Management is not aware of any material questioned or disallowed costs as a result of grant audits in process or completed; however, the possible disallowance by a governmental agency of any item charged to a program cannot be determined at this time.

NOTE 6 – SUBRECIPIENTS

Certain program funds are passed through the County to subrecipient organizations. Subrecipients are noted on the Schedule as “Passed Through to Subrecipients”.

NOTE 7 – INDIRECT COST RATE

The County has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

NOTE 8 – PUBLIC TRANSIT BLOCK GRANT - CSFA 55.010

The Public Transit Block Grant was tested, and it was certified that the following have been adhered to:

- Funds did not exceed local revenue.
- Funds were not expended for depreciation or amortization of capital assets.

Funds did not supplant local tax revenues made available for operations in the previous year.

BROWARD COUNTY, FLORIDA
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
AND STATE FINANCIAL ASSISTANCE
For The Fiscal Year Ended September 30, 2025

NOTE 9 – CORRECTION OF OTHER PRIOR YEAR GRANT EXPENDITURES REPORTED

The prior year expenditures for the following federal programs and state projects have been changed due to an adjustment of expenditures, which were originally reported in prior years. These amounts have not been included as part of the current year expenditures presented in the Schedule in order to avoid misstatement of current year expenditures.

BROWARD COUNTY, FLORIDA
SUMMARY OF FINDINGS AND QUESTIONED COSTS
For The Fiscal Year Ended September 30, 2025

Section II - Financial Statement Findings Required to be Reported in Accordance with *Government Auditing Standards*

IC 2025-001 – Schedule of Expenditures of Federal Awards and State Financial Assistance

Condition

During our audit of the County's Schedule of Expenditures of Financial Assistance (SEFA) for the fiscal year ended September 30, 2025, we noted that expenditures reported for the 97.036 Disaster Grants – Public Assistance program were significantly understated in the SEFA initially provided for audit. Although the grant was included, the reported expenditure did not reflect the full amount of federal activity for the fiscal year, requiring significant adjustments to ensure the SEFA was complete and accurate.

Criteria

In accordance with 2 CFR 200.510(b), auditees must prepare a complete and accurate SEFA that includes all federal awards expended during the fiscal year, properly identified by Assistance Listing Number and total expenditures. Additionally, 2 CFR 200.303 requires non-federal entities to establish and maintain effective internal controls over federal award reporting to provide reasonable assurance that records are accurate, complete, and compliant with Uniform Guidance.

Cause

The understatement occurred because the internal controls in place did not identify the issue in a timely manner. The controls over the County's SEFA preparation process were not operating effectively to ensure that expenditures reported by all departments receiving and administering the 97.036 Disaster Grant were consistently verified, reconciled, and aligned prior to SEFA's initial submission. The process resulted in incomplete reporting, as discrepancies were not detected until additional expenditures were later identified during the audit process.

Effect

As a result of this deficiency, the SEFA was materially misstated and required significant adjustments to accurately reflect total federal expenditures for the 97.036 Disaster Grant-Public Assistance. Inaccurate reporting increases the risk of improper major program determination, noncompliance with Uniform Guidance reporting requirements, reduced transparency for federal oversight agencies, and potential impacts on future funding or monitoring.

Recommendation

We recommend that the County continue to strengthen its internal controls over SEFA preparation by implementing a formalized year-end reconciliation process to ensure all federal expenditures, including disaster-related costs, are identified, reviewed, and reconciled prior to SEFA submission. Departments administering federal programs should be required to certify the completeness and accuracy of reported expenditures, and coordination between the Finance Division, Office of Management and Budget, and program departments should be enhanced to ensure consistent tracking of federal activity throughout the year. Additionally, staff should receive training on Uniform Guidance requirements, including internal control expectations under 2 CFR 200.303 and reporting requirements under 2 CFR 200.510(b), to reinforce the importance of complete and accurate federal award reporting.

BROWARD COUNTY, FLORIDA
SUMMARY OF FINDINGS AND QUESTIONED COSTS
For The Fiscal Year Ended September 30, 2025

Section II - Financial Statement Findings Required to be Reported in Accordance with *Government Auditing Standards* (cont'd)

IC 2025-001 – Schedule of Expenditures of Federal Awards and State Financial Assistance (cont'd)

Management's Responses and Planned Corrective Actions

Management concurs with this finding. The expenditure understatement in the initial Schedule of Expenditures of Federal Awards (SEFA) for ALN 97.036 (Disaster Grants – Public Assistance) was caused by an operating deficiency in year-end review procedures, rather than the design of the control itself.

Although the discrepancy was not identified internally prior to the initial draft submission, the error was isolated to the aforementioned program and fully corrected before the final draft SEFA was issued to the Auditors. Management is committed to strengthening the controls necessary to ensure complete and accurate SEFA reporting going forward.

The FASD Division, in coordination with the Emergency Management Division and the Broward Sheriff's Office (BSO), will enhance the SEFA Preparation and Reconciliation Protocol for year-end September 30, 2026. To ensure compliance, all departments administering and reporting under ALN 97.036 will receive comprehensive training on Uniform Guidance and FEMA Public Assistance (PA) reporting requirements prior to the fiscal year-end.

BROWARD COUNTY, FLORIDA
SUMMARY OF FINDINGS AND QUESTIONED COSTS
For The Fiscal Year Ended September 30, 2025

Section III - Federal Awards and State Financial Assistance Projects Findings and Questioned Costs

IC 2025-002 – Eligibility

Condition

During our audit of State Project 60.014 – Homeless Challenge Grant, the County department did not maintain sufficient documentation to support the Annual Median Income (AMI) eligibility determinations for several participants selected for testing. Although the County was ultimately able to obtain sufficient information from the service providers to satisfy the eligibility requirement. This condition indicates that appropriate controls should be established and consistently implemented at the department level to ensure that all required eligibility documentation is maintained, readily available, and auditable upon request.

Criteria

Chapter 10.550, Rules of the Auditor General require local governments to establish and maintain effective internal controls to ensure compliance with state financial assistance requirements. The Compliance Supplement for Project 60.014 identifies Eligibility as a key compliance requirement and requires recipients to maintain complete and accurate documentation supporting income verification and AMI thresholds for all individuals served.

Cause

The County's processes for ensuring required AMI eligibility documentation were collected, reviewed, and retained were not consistently established or formalized. The County relied on service providers to obtain and maintain participant eligibility documentation; however, procedures to ensure these records were routinely submitted to and verified by the County were limited. Additionally, processes to independently review and confirm participant eligibility prior to the provision of services were not consistently implemented.

Effect

The absence of effective internal controls increases the risk that services may be provided to ineligible participants and results in noncompliance with state project requirements. Continued noncompliance may adversely impact the County's standing with the program and could result in questioned costs, funding disallowances, or potential suspension or termination of grant funding.

Recommendation

We recommend that the County establish and implement effective internal controls over eligibility verification. Controls should ensure that all required AMI documentation is collected, reviewed, and retained by the County prior to the provision of services. This may include implementing standardized eligibility verification procedures, requiring timely submission of supporting documentation from service providers, performing supervisory reviews, and providing training to staff and service providers on documentation requirements outlined in the State Project Compliance Supplement.

BROWARD COUNTY, FLORIDA
SUMMARY OF FINDINGS AND QUESTIONED COSTS
For The Fiscal Year Ended September 30, 2025

Section III - Federal Awards and State Financial Assistance Projects Findings and Questioned Costs (cont'd)

IC 2025-002 – Eligibility (cont'd)

Management's Responses and Planned Corrective Actions

Management concurs with this finding. Although the County ultimately substantiated eligibility using information obtained directly from service providers, this issue highlights a gap in the County's eligibility documentation controls. Management had previously identified this gap and implemented corrective controls after the period under audit review.

The County has implemented enhanced eligibility verification procedures requiring all AMI documentation to be collected, reviewed, and retained prior to the authorization or provision of services. A standardized verification checklist has been developed for program staff, supervisory review is required before enrollment approval, and staff training on eligibility requirements and documentation standards has been implemented. Quarterly quality assurance reviews will be performed to monitor ongoing compliance and drive corrective action where deficiencies are identified. The County is committed to ensuring eligibility controls are consistently applied and fully auditable for all participants served under this program.

Finance and Administrative Services Department

ACCOUNTING DIVISION

115 S. Andrews Avenue, Room 221 • Fort Lauderdale, Florida 33301 • 954-357-7140 • FAX 954-357-7693

**BROWARD COUNTY, FLORIDA
CORRECTIVE ACTION PLAN
YEAR ENDED SEPTEMBER 30, 2025**

Identifying Number: IC 2025-001

Finding: Schedule of Expenditures of Federal Awards and State Financial Assistance

Corrective Actions Taken or Planned:

Management concurs with this finding. The understatement of expenditures reported under ALN 97.036 – Disaster Grants – Public Assistance in the initially submitted Schedule of Expenditures of Federal Awards and State Financial Assistance (SEFA) reflected a gap in the operating effectiveness of the County's year-end federal reporting controls. The discrepancy was isolated to ALN 97.036 and was fully corrected prior to issuance of the final SEFA to the auditors.

The Finance and Administrative Services Division (FASD), in coordination with the Emergency Management Division and the Broward Sheriff's Office (BSO), will enhance the SEFA Preparation and Reconciliation Protocol effective for the fiscal year ending September 30, 2026. All departments administering and reporting under ALN 97.036 will receive comprehensive training on Uniform Guidance requirements under 2 CFR 200.510(b) and 2 CFR 200.303, as well as FEMA Public Assistance reporting requirements, prior to fiscal year-end. An independent reconciliation of ALN 97.036 expenditures against departmental records will be required before the SEFA is finalized for submission.

Broward.org

Identifying Number: IC 2025-002

Finding: Eligibility

Corrective Actions Taken or Planned:

Management concurs with this finding. The County did not consistently maintain sufficient documentation to support Annual Median Income (AMI) eligibility determinations for participants served under State Project 60.014 – Homeless Challenge Grant, reflecting a gap in the operating effectiveness of the County’s eligibility documentation controls.

To strengthen internal controls and ensure compliance with state program requirements, the administering department will implement the following corrective actions. A standardized eligibility verification checklist will be developed and implemented for all program staff to ensure consistent collection and review of required AMI and supporting eligibility documentation. As part of the eligibility determination process, staff will complete a sustainability analysis for each household that includes a review of current income and AMI level, with results documented in the participant file. Supervisory review and approval will be required prior to service enrollment or assistance issuance to verify that all required documentation has been obtained, reviewed, and properly retained. Staff training on eligibility determination requirements, documentation standards, records retention, and applicable State Project Compliance Supplement requirements will be conducted, with refresher training incorporated into ongoing program monitoring activities. Quarterly quality assurance reviews will be performed to verify compliance with eligibility documentation requirements and to identify and address deficiencies as noted.

Independent Auditor's Report

RSM US LLP

Honorable Gregory Tony
Broward County, Florida Sheriff

Report on the Audit of the Special-Purpose Financial Statements***Opinions***

We have audited the special-purpose financial statements of each major fund and the aggregate remaining fund information of the Broward County, Florida (County) Sheriff's Office (Sheriff's Office), as of and for the year ended September 30, 2025, and the related notes to the special-purpose financial statements, which collectively comprise the Sheriff's Office special-purpose financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund, and the aggregate remaining fund information of the Sheriff's Office, as of September 30, 2025, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Special-Purpose Financial Statements section of our report. We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1, the accompanying special-purpose financial statements of the Sheriff's Office were prepared for the purpose of complying with the financial reporting provisions of Section 218.39, *Florida Statutes*, and Chapter 10.557(3), *Rules of the Auditor General for Local Governmental Entity Audits*. They do not purport to, and do not, present fairly the financial position of Broward County, Florida, as of September 30, 2025, the changes in its financial position, or where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Special-Purpose Financial Statements

Management is responsible for the preparation and fair presentation of these special-purpose financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of special-purpose financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Special-Purpose Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the special-purpose financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's Office's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information be presented to supplement the special-purpose financial statements. Such information is the responsibility of management and, although not a part of the special-purpose financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the special-purpose financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the special-purpose financial statements, and other knowledge we obtained during our audit of the special-purpose financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted the management's discussion and analysis and pension and other post-employment benefit related information that accounting principles generally accepted in the United States of America require to be presented to supplement the special-purpose financial statements. Such missing information, although not a part of the special-purpose financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the special-purpose financial statements in an appropriate operational, economic, or historical context. Our opinions on the financial statements are not affected by this missing information.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the special-purpose financial statements that collectively comprise the Sheriff's Office's special-purpose financial statements. The combining nonmajor governmental and fiduciary fund financial statements are presented for purposes of additional analysis and are not a required part of the special-purpose financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the special-purpose financial statements. The information has been subjected to the auditing procedures applied in the audit of the special-purpose financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the special-purpose financial statements or to the special-purpose financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the combining nonmajor governmental and fiduciary fund financial statements are fairly stated, in all material respects, in relation to the special-purpose financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 27, 2026, on our consideration of the Sheriff's Office's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Sheriff's Office's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Sheriff's Office's internal control over financial reporting and compliance.

A handwritten signature in black ink that reads "RSM VS LLP". The letters are bold and slightly slanted, with some ink bleed-through visible from the reverse side of the page.

NOTES TO FINANCIAL STATEMENTS

SHERIFF, BROWARD COUNTY, FLORIDA
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
September 30, 2025

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity: The Sheriff, Broward County, Florida (the Sheriff) is a Constitutional Office in Florida and the Chief Law Enforcement Officer in Broward County (the County). The Sheriff is elected by the electors of the County for terms of four (4) years. The Florida Legislature has recognized the independence of the Sheriff in Section 30.53, *Florida Statutes*, which specifically preserves such independence concerning the purchase of supplies and equipment, selection of personnel, and the hiring, firing, and setting of salaries of such personnel.

The special-purpose financial statements presented include the funds of the Sheriff and were prepared for complying with Section 10.557, *Rules of the Auditor General for Local Government Entity Audits*. The special-purpose financial statements are not intended to be a complete presentation under Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements—and Management's Discussion and Analysis—for State and Local Governments* as a result the special- purpose financial statements are not intended to be a complete presentation of the financial position of the Sheriff or County, or the changes in financial position and where applicable, cash flows, in conformity with accounting principles generally accepted in the United States. The financial activities of the Sheriff, as a constitutional office, are included in the County's annual comprehensive financial report.

The Sheriff's Office is funded by appropriations requisitioned monthly from the County's Board of County Commissioners (Board). Section 218.36(2), *Florida Statutes*, provides that unexpended year end balances in the General Fund shall be distributed back to the Board.

Basis of Presentation: These special-purpose financial statements are fund financial statements that have been prepared in conformity with accounting principles generally accepted in the United States (GAAP) as applied to governmental units. The GASB is the accepted standard-setting body for establishing governmental and financial reporting principles. The Sheriff's significant accounting policies are described below.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation: Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Sheriff considers revenues available if they are collected within 60 days of the end of the current fiscal period except for grants, which are considered collectible if they are collected within six months. Expenditures are generally recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures for leases, as well as expenditures related to compensated absences, pension and other post-employment benefits are reported only when payment is due. Custodial funds included in the fiduciary fund statements all presented using the economic resources measurement focus and the accrual basis of accounting.

Substantially all the Sheriff's funding is appropriated by the Board. In applying the "susceptible to accrual" concept to intergovernmental revenues, there are essentially two types of revenues. In one type, monies must be expended on the specific purpose or project before any amounts will be paid to the Sheriff; therefore, revenues are recognized when the expenditures have been incurred. Many grant revenues are recorded in this manner however there are some where the cash is received in advance, but the applicable eligibility requirements have not been met. Revenue for these grants is not recorded until all eligibility requirements have been met. In the other, monies are generally unrestricted and are revocable only for failure to comply with prescribed compliance or purpose requirements. These resources are reflected as revenues at the time of receipt or earlier if measurable and available to finance expenditures of the current period. Other revenues susceptible to accrual include interest and charges for services.

SHERIFF, BROWARD COUNTY, FLORIDA
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
September 30, 2025

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Sheriff reports the following major governmental funds:

General Fund: The General Fund is used to account for all revenues, appropriations, and expenditures applicable to the general operations of the Sheriff which are not properly accounted for in another fund. All revenues and appropriations which are not specifically restricted or designated as to use are recorded in the General Fund. General property taxes levied by the Board that are allocated to the Sheriff are reported as County Appropriation. Excess revenues and appropriations over expenditures (surplus) at year end that are due back to the County are reported as Transfers out to County / excess appropriations. Funds received for charges to municipalities for services provided, civil services preformed, logistics sales, and other miscellaneous items are transferred to the county throughout the year.

Grants and Special Projects Fund: The Grants and Special Projects Fund is used to account for all Federal, State and local grant related revenues and expenditures. The grants received in the fund are used to supplement the Sheriff's public safety services overall.

The Sheriff also reports the following fund types:

Special Revenue Funds: Special Revenue Funds are used to account for revenue sources that are legally restricted to expenditures for specific purposes. These include funds received from donations for youth-related programs, funds from the Broward County Law Enforcement Trust Fund and funds from various federal and state grantor agencies to be used for specific law enforcement purposes, and funds to be used for inmate welfare and victim witness purposes. All the Special Revenue Funds are considered non-major funds for financial reporting purposes except for the Grants and Special Projects Fund, which is considered a major fund.

Fiduciary Funds: Fiduciary Funds are used to account for assets held by the Sheriff in a fiduciary capacity for individuals, private organizations, other governments. These assets include amounts held for inmates of the County jail system, surety (appearance) bonds of accused individuals, funds held in evidence for open court cases, and other miscellaneous items.

Fund equity at the governmental fund financial reporting level is classified as "fund balance."

Fund Balance: Generally, fund balance represents the difference between the assets, liabilities balance and deferred inflows. In the fund financial statements, governmental funds report fund classifications that comprise a hierarchy based primarily on the extent to which the Sheriff is bound to honor constraints for the specific purposes for which amounts in those funds can be spent. Fund balances are classified as follows:

Non-spendable: Fund balances are reported as non-spendable when amounts cannot be spent because they are either (a) not in spendable form (i.e. items that are not expected to be converted to cash) or (b) legally or contractually required to be maintained intact. As of September 30, 2025, there were no amounts that were legally or contractually required to be maintained intact included in the non-spendable category. Non-spendable consists of prepaid items and inventory: \$173,925 of prepaid items in the General Fund; \$10,935 of prepaid items in the Grants and Special Projects Fund, \$29,600 of prepaid items in the nonmajor special revenue funds and \$5,430,080 of inventory in the General Fund.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Restricted: Fund balances are reported as restricted when there are limitations imposed on their use through the enabling legislation adopted either by the Sheriff or through external restrictions imposed by creditors, grantors or laws or regulations of other governments. Restricted fund balance of the Grants and Special Projects Fund consists of \$4,690,044 restricted for various projects funded primarily by federal and state grants. Restricted fund balance of the Non-major Governmental Funds consists of \$6,953,698 restricted for inmate welfare, \$4,472,597 restricted for law enforcement, and \$126,927 restricted for other purposes.

Committed: Fund balances are reported as committed when they can be used only for specific purposes pursuant to the constraints imposed by formal action of the Sheriff through the adoption of a resolution. The Sheriff also may modify or rescind the commitment. The Sheriff does not have any committed fund balances as of September 30, 2025.

Assigned: Fund balances are reported as assigned when amounts are constrained by the Sheriff's intent to be used for specific purposes but are neither restricted nor committed. Through resolution, the Sheriff has authorized the finance committee or the finance director to assign fund balances. The Sheriff does not have any assigned fund balances as of September 30, 2025.

Unassigned: Fund balances are reported as unassigned as the residual amount when the balances do not meet any of the above criterion. The Sheriff reports positive unassigned fund balance only in the General Fund. Negative unassigned fund balances may be reported in all funds.

Flow Assumptions: When both restricted and unrestricted resources are available for use for expenditures incurred, it is the Sheriff's policy to use restricted amounts first and then unrestricted amounts, as they are needed. For unrestricted amounts of fund balance, it is the Sheriff's policy to use fund balance in the following order:

- Committed
- Assigned
- Unassigned

Fund Balance Policy: The Sheriff does not have a minimum fund balance policy.

Deposits and investments: Cash and cash equivalents include cash on hand, demand deposits and highly liquid investments with a maturity date of three months or less when purchased. Certificates of deposit with maturities greater than three months are classified as investments. All investments are stated at fair value. The Sheriff had no such investments as of September 30, 2025.

Receivables: Receivables are shown net of allowances for uncollectible amounts, if any. Receivables are analyzed for their collectability based on the terms of agreements as well as current economic conditions and consideration of the creditor's ability to pay.

Inventory and Prepaid Items: Inventories recorded in the General Fund consist of expendable supplies held in the Sheriff's operations. Inventories are stated at cost, principally on a weighted-average cost basis. This inventory is accounted for under the purchase method and is recorded as expenditures when purchased. Inventory in the Inmate Commissary Trust Fund is stated at the lower of cost or market (first-in, first-out) and consists primarily of snacks and personal sundries held for resale to prisoners. Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in the financial statements.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital Assets: Capital assets, which include vehicles, software, equipment, and building improvements, are recorded as capital outlay expenditures in the governmental funds at the time goods are received and a liability is incurred. These assets are then capitalized at cost in the statement of net position as part of the basic government-wide financial statements of the County. The capitalization threshold set by the Sheriff is \$5,000.

Capital assets are depreciated using the straight-line method over five to seven years for motor vehicles; five years for communications equipment; three to ten years for furniture and other equipment; and 40 years for building improvements. The depreciation expense is recorded in the statement of activities as part of the basic government-wide financial statements of the County.

Accounts Payable and Accrued Liabilities: Balances consist primarily of accrued payroll and related expense for retirement and social security totaling approximately \$27.3 million and trade accounts payable of approximately \$14.9 million and \$383 thousand in Fiduciary fund.

Compensated Absences: Employees of the Sheriff accumulate vacation and sick leave based on the number of years of continuous service in addition to unused holiday and overtime pay. The Sheriff accounts for compensated absences in accordance with Governmental Accounting Standards Board (GASB) Statement No. 101, *Compensated Absences* which was implemented during fiscal year 2025. A liability is recognized for leave that (a) has been earned by employees, (b) is attributable to services already rendered, and (c) is more likely than not to be paid or settled through paid time off or other means. The new standard resulted in a restatement of the October 1, 2024, beginning liability for compensated absences. The liability for compensated absences is reported in the governmental activities of the statement of net position as part of the basic financial statements of the County.

Pensions: In the governmental funds, no liability is recorded for the net pension liability and the expense is recorded when due and payable. In the County's government-wide statement of net position, liabilities are recognized for the Sheriff's proportionate share of each pension plan's net pension liability. For the purpose of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Florida Retirement System (FRS) defined benefit plan and the Health Insurance Subsidy (HIS) defined benefit plan and additions / deductions from the FRS's and the HIS's fiduciary net position have been determined on the same basis as they are reported by the FRS and HIS plans. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with benefit terms.

Post-Employment Benefits Other Than Pensions: The Sheriff's Office applies GASB Statement No. 75, *Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions*, for measurement, recognition, and display of OPEB expenses, OPEB liabilities and deferred outflows/inflows of resources which are recorded in the governmental activities' column of the statement of net position and statement of activities as part of the basic financial statements of the County. In the governmental funds, no liability is recorded for the total OPEB liability, and the expense is recorded when due and payable.

Unearned Revenue: Unearned revenue includes amounts collected before revenue recognition criteria are met. The unearned items consist primarily of grant revenues.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates: The special-purpose financial statements and related disclosures are prepared in conformity with accounting principles generally accepted in the United States of America. Management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and deferred inflows of resources, and the disclosure of contingent assets and liabilities at the date of the special-purpose financial statements and revenue and expenditures during the period reported. These estimates include assessing collectability of accounts receivable. Estimates and assumptions are reviewed periodically, and the effects of revisions are reflected in the special-purpose financial statements in the period they are determined to be necessary. Actual results could differ from those estimates.

New Accounting Standards:

In June of 2022, GASB issued Statement No. 101, *Compensated Absences*. The primary objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. The requirements of this Statement are effective for fiscal years beginning after December 15, 2023. The effects of this statement are reflected in the basic financial statements of the County.

In December of 2023, GASB issued Statement No. 102, *Certain Risk Disclosures*. The objective of this Statement is to provide users of government financial statements with information about risks related to a government's vulnerabilities due to certain concentrations or constraints that is essential to their analyses for making decisions or assessing accountability. The requirements of this Statement are effective for fiscal years beginning after June 15, 2024. Management determined there was no significant impact of the adoption of this statement on the special-purpose financial statements.

In April 2024, GASB issued Statement No. 103, *Financial Reporting Model Improvements*. The objective of this Statement is to improve key components of the financial reporting model to enhance effectiveness in providing information that is essential for decision making and assessing a government's accountability. This statement addresses application issues with Management's Discussion and Analysis, Unusual or Infrequent Items, Presentation of the Proprietary Fund Statement of Revenues, Expenses, and Changes in Fund Net Position, Major Component Unit Information and Budgetary Comparison Information. The requirements of this Statement are effective for fiscal years beginning after June 15, 2025. Management is currently evaluating the impact of the adoption of this statement on the special-purpose financial statements.

In September 2024, GASB issued Statement No. 104, *Disclosure of Certain Capital Assets*. The objective of this Statement is to provide users of government financial statements with essential information about certain types of capital assets.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2025. Management is currently evaluating the impact of the adoption of this statement on the special-purpose financial statements.

SHERIFF, BROWARD COUNTY, FLORIDA
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
September 30, 2025

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

In December 2025, GASB issued Statement No. 105, *Subsequent Events*. The objective of this Statement is to improve the financial reporting requirements for subsequent events, thereby enhancing consistency in their application and better meeting the information needs of financial statement users. This Statement defines subsequent events as transactions or other events that occur after the date of the financial statements but before the date the financial statements are available to be issued. This Statement describes the date the financial statements are available to be issued as the date at which (1) the financial statements are complete in a form and format that complies with generally accepted accounting principles and (2) approvals necessary for issuance have been obtained. This Statement also requires the date through which subsequent events have been evaluated to be disclosed and clarifies the subsequent events that constitute recognized and non-recognized events and establishes specific note disclosure requirements for non-recognized events. The requirements of this Statement are effective for fiscal years beginning after June 15, 2026. Management is currently evaluating the impact of this statement on its special-purpose financial statements.

NOTE 2 - CASH AND CASH EQUIVALENTS

Cash and Cash Equivalents: In addition to insurance provided by the Federal Depository Insurance Corporation, all deposits are held in banking institutions approved by the State Chief Financial Officer to hold public funds. Under Florida Statutes Chapter 280, *Florida Security for Public Deposits Act*, the State Treasurer requires all Florida qualified public depositories to deposit with the Treasurer or banking institution eligible collateral. In the event of a failure of a qualified public depository, the remaining public depositories would be responsible for covering any resulting losses.

As of September 30, 2025, all amounts, including custodial funds, were maintained in the qualified public depositories, the carrying amount was \$147,658,540 and bank balances were \$166,444,119.

SHERIFF, BROWARD COUNTY, FLORIDA
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
September 30, 2025

NOTE 3 - CAPITAL ASSETS

A summary of capital assets, which the Sheriff is responsible for tracking, is reported at cost in the Statement of Net Position as part of the governmental activities in the government-wide financial statements of the County as follows:

	<u>Balance</u>	<u>Additions</u>	<u>Disposals/ Write-offs</u>	<u>In (Out)</u>	<u>Balance</u>
Capital assets, not being depreciated:

NOTE 4 - FLORIDA RETIREMENT SYSTEM

Funding Policy: Substantially, all full-time employees of the Sheriff are eligible to participate in the State of Florida Retirement System (System or FRS), a cost-sharing, multiple-employer defined benefit plan administered by the State of Florida, Division of Retirement. The system is a defined benefit plan for all state, and participating county, district school board, community college, and university employees (Pension Plan). The System also offers eligible employees' participation in an alternative defined contribution plan (Investment Plan). The Sheriff participates in the Special Risk Pension plan. The plan is administered by the State of Florida. Contribution rates are established statewide for all participating governmental units. The plan administrator for FRS prepares and publishes its own stand-alone annual comprehensive financial report, including financial statements and required supplementary information. Copies of this report can be obtained from the Department of Management Services, Division of Retirement, Bureau of Research and Member Communications, P.O. Box 9000, Tallahassee, Florida 32315-9000; or at the Division's website (www.frs.myflorida.com).

The Sheriff is required to contribute an actuarially determined rate. The contribution requirements of the Sheriff are established and may be amended by the State of Florida. Effective July 1, 2011, employees participating in the FRS System were required to contribute 3% of their eligible salaries to the Pension Plan. The required employer contribution rates were as follows: special-risk employees 32.79%, county elected officials 58.68%, senior management 34.52%, regular 13.63%, and DROP employees 21.13% from July 1, 2024, through June 30, 2025; special-risk employees 35.19%, County elected officials 54.57%, senior management 33.24%, regular 14.03%, and DROP employees 22.02% from July 1, 2025, through September 30, 2025.

The Sheriff's contributions to the plan for the year ended September 30, 2025, was \$151,080,760 equal to the actuarially determined contributions for the year. The Sheriff's portion of the net pension liability and deferred inflows/outflows of resources and the associated footnotes are not reported in the special-purpose financial statements of the Sheriff; however, they are reported in the Statement of Net Position and the Statement of Activities as part of the basic financial statements of the County.

Pension Plan: For members first enrolled in FRS prior to July 1, 2011, the system provides for vesting of benefits after six years of creditable service. Regular risk employees are eligible for normal retirement at age 62. Special Risk employees are eligible for normal retirement at age 55. Early retirement may be taken any time after six years of service. If an eligible employee elects to take early retirement, there is a 5% benefit reduction for each year prior to Normal retirement.

For members first enrolled in FRS on or after July 1, 2011, the system provides for vesting of benefits after eight years of creditable service. Regular risk employees are eligible for normal retirement at age 65. Special Risk employees are eligible for normal retirement at age 55. Early retirement may be taken any time after eight years of service. If an eligible employee elects to take early retirement, there is a 5% benefit reduction for each year prior to normal retirement.

NOTE 4 - FLORIDA RETIREMENT SYSTEM (Continued)

Plan Benefits: Benefits are computed on an employee's years of creditable service with FRS, a percentage value (1.6% for regular risk and 3.0% for special risk) and the employee's average final compensation. Average final compensation is the average of the five highest fiscal years of earnings for members first enrolled in FRS prior to July 1, 2011. Average final compensation for members enrolled after July 1, 2011, is the average of the eight highest fiscal years of earnings. The system also provides for death and disability benefits.

The Deferred Retirement Option Program (DROP) is available under the Pension Plan when a member first reaches eligibility for normal retirement. The DROP allows a member to retire while continuing employment for up to 96 months. While in DROP, the member's retirement benefits accumulate in the FRS Trust Fund (increased by a cost-of-living adjustment each July) and earn monthly interest equivalent to an annual rate of 4.00% if the effective DROP commencement date is on or after July 1, 2023, or an annual rate of 1.30% if the DROP commencement date is on or after July 1, 2011 or an annual rate of 6.50% if the DROP commencement date is before July 1, 2011.

HIS Plan

Plan Description – The HIS Plan is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes, and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided – For the fiscal year ended September 30, 2025, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month. To be eligible to receive these benefits, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Contributions – The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. The employer contributions are a percentage of gross compensation for all active FRS members. The employer contribution rates for the period from July 1, 2024, through June 30, 2025, and from July 1, 2025, through September 30, 2025, was 2.00%, respectively. HIS Plan contributions are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or cancelled.

For the fiscal year ending September 30, 2025, contributions to the HIS Plan for BSO totaled \$12.988 million.

Investment Plan: In 2000, the Florida Legislature created the FRS investment Plan, a defined contribution program available to FRS members beginning in 2002. The FRS Investment Plan is available as an option for current and future FRS members. The FRS Investment Plan is a defined contribution plan, in which employer and employee contributions are defined by law, but benefit depends in part on the performance of the investment funds.

The FRS Investment Plan is funded by employer and employee contributions that are based on the salary and FRS membership class (Regular Class, Special Risk Class, etc.) of each employee. An employee is vested upon completion of one year of service in the FRS Investment Plan. The Investment Plan directs contributions to individual member accounts and allocates contributions and account balance among various investment funds.

NOTE 4 - FLORIDA RETIREMENT SYSTEM (Continued)

Plan Benefits: Employee contributions are immediately vested. If employment is terminated prior to meeting the vesting requirements of the Investment Plan, the employee will be entitled to a refund of contributions. The Investment Plan retirement benefit is the value of the account at termination.

Other Plans: Employees acquired through inter-local agreements with cities in the County had the determined rate as FRS (except for two transitioned cities), or electing to go with FRS. The contribution requirements for employees covered by the cities for the year ended September 30, 2025, was \$3,582,126 which is equal to the required contribution for each year. The City is obligated for all pension amounts other than the current contribution, and therefore a liability, if any, is reported by the city or other government.

NOTE 5 - POSTEMPLOYMENT BENEFITS OTHER THAN PENSIONS

Plan Description: The Sheriff's plan (a single employer plan) provides postemployment health insurance benefits for employees and sworn officers upon retirement and subsidizes a portion of the premiums. The provisions of the plan for the Sheriff may be amended through negotiations between the Sheriff and its employee bargaining units. The plan has no assets and does not issue separate financial reports.

Funding Policy and Annual OPEB Cost: Retirees of the Sheriff's plan and their beneficiaries pay the same blended rates as active employees. However, the Sheriff's provides a discount of 2% for each, year of service, prorated monthly, with the Sheriff up to 50% of the blended rates to retirees and their beneficiaries who meet certain qualifications. The Sheriff also pays 100% of the premiums for line-of-duty disabled retirees in accordance with Florida Statutes. Employees hired on or after October 1, 2007, are not eligible for these amounts. However, this does not apply to members of the IAFF Local 4321. The Sheriff makes no advance funding contributions to the plan; rather, it pays the discounts for retirees and their beneficiaries when due. In addition, the Sheriff's actuaries, in their actuarial valuation, calculate an offset to the cost of these benefits that it includes in the Employer Contributions. This offset equals the total age-adjusted costs paid by the Sheriff or its active employees for coverage of the retirees and their dependents for the year net of the retiree's own payments for the year.

The Sheriff follows the guidance contained in Governmental Accounting Standards Board Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, (GASB 75); for certain post-employment health care benefits provided by the Sheriff for the fiscal year ended September 30, 2025. The Sheriff's OPEB liability and deferred inflows/outflows of resources and the associated footnotes are not reported in the special-purpose financial statements of the Sheriff, however they are reported in the Statement of Net Position and the Statement of Activities as part of the basic financial statements of the County.

NOTE 6 - RELATED PARTY TRANSACTIONS

The charges from The Board of County Commissioners includes an allocation of certain costs for motor pool, communications, legal fees, printing, radio repairs, subpoenas, warehouse use, maintenance, and fuel. Expenditures for these services for the year ended September 30, 2025, were \$474,531. The Sheriff also utilizes the self-insurance program of the Board for coverage against Workers' Compensation claims. Additionally, certain other insurance coverage is purchased by the Board from an insurance carrier on behalf of the Sheriff. For the year ended September 30, 2025, self-insurance costs and other insurance coverage charged to the Sheriff were \$6,688,205 and \$2,648,053 respectively. The County also provides certain office space to the Sheriff at no charge.

SHERIFF, BROWARD COUNTY, FLORIDA
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
September 30, 2025

NOTE 6 - RELATED PARTY TRANSACTIONS (Continued)

In addition, the Sheriff provided police services to certain County agencies in the amount of \$81,510,478 for the year ended September 30, 2025. Contract services revenues and related expenditures are reported in a special revenue fund in the County financials. The net amount of \$58,129,013 was due to the county on September 30, 2025.

NOTE 7 - CONTRACT SERVICES

The Sheriff provides police services along with fire rescue and emergency services to various municipalities and other governmental agencies throughout Broward County. These services are performed in accordance with mutually agreed-upon contracts. The Sheriff's annual budget includes an appropriation for these contract agreements. Payments received by the Sheriff in accordance with their respective contracts are remitted to the Board. During the year ended September 30, 2025, these services amounted to \$390,999,661. The Sheriff has recorded receivables from several municipalities for services rendered which are reported in the Sheriff's governmental funds. Contract services revenues and related expenditures are reported in a special revenue fund in the County financials.

NOTE 8 - INTER-FUND RECEIVABLES AND PAYABLES

Inter-fund receivables and payables balances on September 30, 2025, are as follows:

	<u>Interfund Receivable</u>	<u>Interfund Payable</u>
General Fund	\$ 6,529,827	\$ -
Grants and Special Projects Fund	<u>-</u>	<u>6,529,827</u>
	<u>\$ 6,529,827</u>	<u>\$ 6,529,827</u>

These inter-fund balances relate primarily to payroll costs that are paid through the General Fund and subsequently reimbursed by the other funds as well as other general inter-fund-operating transactions.

NOTE 9 - RISK MANAGEMENT

The Broward Sheriff's Office ("BSO") is a self-insured political subdivision of the State of Florida, and its agency head is an elected Sheriff, under the State of Florida Constitution. BSO is authorized by 768.28 (16)(a), Florida Statutes, to maintain a self-insurance program, without waiver of sovereign immunity. The Sheriff's Self-Insurance Program under the Department of Risk Management is responsible for general, professional and auto liability claims, which is funded through the County's annual budgetary process.

In furtherance of the BSO self-insurance program, the Department of Risk Management elected to completely self-insure auto liability due to the cost of such coverage exceeding the risk of any exposure beyond the state statutory sovereign immunity limits for such claims effective October 1, 2022. Additionally, the Self-Insured Retention ("SIR") limits for general and professional liability were set to \$750,000 with excess coverage above the SIR for in the amount of \$1,000,000 per occurrence/\$2,500,000 aggregate. The excess coverage is provided through a commercial excess insurance policy. This insurance coverage is purchased primarily because there is no immunity in federal courts from cases involving 1983 civil rights violations. The state statutory sovereign immunity limits do not apply to civil rights claims, which are primarily filed in the federal courts.

We have paid over our excess policy limits on the Marjory Stoneman Douglas shootings (Date of Loss: 2/14/2018). In that case, BSO is in a dispute with our excess carrier regarding the number of occurrences with BSO's position that there was one occurrence thus one deductible and the excess carrier's position that there were multiple occurrences subjected to multiple SIR's (Self-Insured Retentions). BSO won the case in the United States District Court, Southern District of Florida, but the excess carrier has now appealed that ruling.

NOTE 10 - LITIGATION AND CONTINGENCIES

The Sheriff is an involved party in numerous matters in litigation arising from the ordinary course of operations. The results of litigation proceedings cannot be predicted with certainty and the Sheriff has instructed legal counsel to assert all available legal defenses. In the very unlikely event that any judgment against the Sheriff is more than funds budgeted or insurance coverage, additional appropriations requests will be submitted the County. In the opinion of management, the outcome of matters currently pending in litigation will not materially affect the financial position of the Sheriff and amounts of any potential obligations that are probable have been included in the claim's liability amounts reported in the County's self-insurance fund.

Amounts received or receivable from grant agencies are subject to audit and adjustment by grantor agencies, principally the Federal government and the State of Florida. Any grantor disallowed or unapproved grant reimbursement or expenditure requests by the Sheriff, including amounts already received, may constitute a liability of the applicable funds. The amount, if any, the Sheriff's rejected grant reimbursement or expenditure request of grant funds cannot be determined at this time, although the Sheriff expects such amounts, if any, to be immaterial to the financial position of the Sheriff.

NOTE 11 - CONFISCATED PROPERTY

Property confiscated by the Sheriff is retained until the earlier of a decision not to proceed with a forfeiture proceeding, a settlement with the property owner, or a judgment on the property is received. Property awarded to the Sheriff is either: 1) put up for auction and the net proceeds remitted to the County's Law Enforcement Trust Fund, 2) traded at their estimated values for usable goods which are recorded as capital assets at their estimated values, 3) recorded as capital assets at an estimated value, or 4) destroyed if there is no value. Confiscated property is inventoried only when it is recorded as a capital asset.

Proceeds from confiscated property that are remitted to the County's Law Enforcement Trust Fund are held by the County and are available to the Sheriff only for specified law enforcement purposes. The Sheriff must request and obtain the County's approval before funds are released for such purposes. In some cases, proceeds from confiscated property are remitted to a contract city's Law Enforcement Trust Fund if required by the contract between the city and the Sheriff and the confiscation is derived from the efforts of personnel permanently assigned to the city.

NOTE 12 –LEASES / SBITA

- A. GASB Statement No. 87, *Leases* defines a lease as a contract that transfers the right to use another entity's asset for a specific period in an exchange or exchange-like transaction. The Sheriff's Office has entered into various lease agreements, primarily for rental space and equipment usage. Under these contracts, the Sheriff recognizes a lease liability and a lease asset (intangible right-to-use asset) at the commencement of the lease term in the government-wide financial statements of the County, the lease liability is measured at the present value of payments expected to be made during the lease term (less any lease incentives). The lease asset is measured at the amount of the initial measurement of the lease liability, plus any payments made to the lessor at or before the commencement of the lease term and certain direct costs.

The future lease payments are discounted using the interest rate implicit in the lease. If the interest rate is not available, the Sheriff uses its incremental borrowing rate determined by the County. The lease term is determined by the sum of the non-cancellable periods, plus renewal options when they are reasonably certain of being exercised or early termination options when they are reasonably certain of not being exercised.

The Sheriff entered into noncancellable leases with various vendors as a lessee for the intangible right-to-use leased equipment, structures and land. The lease term includes the noncancellable period per the contract plus/minus any extension options or termination options the Sheriff is reasonably certain to exercise.

- B. GASB Statement No 96 *Subscription-Based Information Technology Arrangements (SBITA)*, defines a SBITA as a contract that conveys control of the right to use another party's (a *SBITA vendor's*) information technology (IT) software, alone or in combination with a tangible capital asset. Under these arrangements the Sheriff recognizes the liability and the SBITA asset at the commencement of the contract in the government-wide financials of the County. The SBITA assets are initially measured at an amount equal to the initial measurement of the related SBITA liability plus any SBITA payments made prior to the subscription term, less SBITA incentives, plus any ancillary charges necessary to place the SBITA into service. The SBITA assets are amortized on a straight-line basis over the life of the related contract.

The future payments are discounted using the interest rate implicit in the lease. If the interest rate is not available, the Sheriff uses its incremental boring rate determined by the County.

SHERIFF, BROWARD COUNTY, FLORIDA
NOTES TO SPECIAL-PURPOSE FINANCIAL STATEMENTS
September 30, 2025

NOTE 12 –LEASES / SBITA (continued)

The lease term is determined by the sum of the non-cancellable periods, plus renewal options when they are reasonably certain of being exercised or early termination options when they are reasonably certain of not being exercised.

The Sheriff entered into noncancellable SBITA arrangements with various vendors as a lease for the intangible right-to-use IT software. The term includes the noncancellable period per the contract plus/minus any extension options or termination options the Sheriff is reasonably certain to exercise.

The Sheriff has entered into long term leases / SBITA's for the right to use assets, below is the summary of these liabilities:

	<u>2024</u>	<u>Additions</u>	<u>Decreases</u>	<u>2025</u>	<u>One Year</u>
Leases-right to use	\$ 15,081,037	\$ 8,917,839	\$ 7,676,668	\$ 16,322,208	\$ 5,461,165
SBITA-right to use	<u>2,667,448</u>	<u>21,965,511</u>	<u>3,156,872</u>	<u>21,476,087</u>	<u>3,386,770</u>
Total liabilities	<u>\$ 17,748,485</u>	<u>\$ 30,883,350</u>	<u>\$ 10,833,540</u>	<u>\$ 37,798,295</u>	<u>\$ 8,847,935</u>

The obligations for right-to-use leased assets/ SBITA balances of \$37.8 is recorded in the County's government wide financial statements. There were increases of \$30.9 million for new lease/ SBITA contracts and decreases of \$10.8 million due to amortization and early terminations, for a right-to-use lease asset balance of \$37.8 million, net of amortization.

	Beginning Balance	Interest	Principal	Ending Balance

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES BUDGETARY PROCESS

The Sheriff's budget is submitted annually to the Board pursuant to Section 30.49, *Florida Statutes*. Sections 30 and 129.03(2), *Florida Statutes*, which govern the preparation, adoption and administration process of the Sheriff's annual budget. A budget is prepared annually by the Sheriff for the General Fund and is submitted to the Board for approval. Any subsequent amendments to the budget must also be approved by the Board. The budget is prepared on the modified accrual basis of accounting. Budgetary control is maintained at the major object expenditure level and expenditures may not legally exceed appropriations at the department level. Budgetary changes at the department level within the major object expenditure classification are made at the discretion of the Sheriff. Supplemental appropriations of \$61,645,453 were approved by the Board during the year. Appropriations lapse at year end. Budgets prepared for the Grants and Special Projects Fund and the other non-major governmental funds are not submitted to the Board for approval.

**Report on Internal Control Over Financial Reporting and on Compliance
and Other Matters Based on an Audit of the Special-Purpose Financial Statements
Performed in Accordance With Government Auditing Standards**

Independent Auditor's Report

Honorable Gregory Tony
Broward County, Florida Sheriff

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the special-purpose financial statements of each major fund, and the aggregate remaining fund information of the Broward County, Florida (County) Sheriff's Office (Sheriff's Office), as of and for the year ended September 30, 2025, and the related notes to the special-purpose financial statements, which collectively comprise the Sheriff's Office's special-purpose financial statements, and have issued our report thereon dated March 27, 2026. Our report contained an emphasis-of-matter paragraph related to the basis of presentation of the special-purpose financial statements.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the special-purpose financial statements, we considered the Sheriff's Office's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the special-purpose financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Sheriff's Office's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Sheriff's Office's special-purpose financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the special-purpose financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Management letter in accordance with the <i>Rules of the Auditor General</i> of the State of Florida	30-31

**Management Letter in Accordance with Chapter 10.550,
Rules of the Auditor General of the State of Florida**

The Honorable Gregory Tony
Broward County, Florida Sheriff

Report on the Special-Purpose Financial Statements

We have audited the special-purpose financial statements of each major fund and the aggregate remaining fund information of the Broward County, Florida (County) Sheriff's Office (Sheriff's Office), as of and for the fiscal year ended September 30, 2025, and the related notes to the special-purpose financial statements, which collectively comprise the Sheriff's Office special-purpose financial statements and have issued our report thereon dated March 27, 2026.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Special-Purpose Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, if any, which are dated March 27, 2026, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1, *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the special-purpose financial statements. The Sheriff was established by the Constitution of the State of Florida, Article VIII, Section 1(d). The Sheriff's Office did not include any component units.

Financial Management

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements, or fraud, waste, or abuse, that have occurred, or is likely to have occurred, that have an effect on the special-purpose financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of This Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Sheriff's Office, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

RSM VS LLP

Fort Lauderdale, Florida
March 27, 2026

Independent Accountant's Report

Honorable Gregory Tony
Broward County, Florida Sheriff

We have examined Broward County, Florida (County) Sheriff's Office's (Sheriff's Office) compliance with Section 218.415, *Florida Statutes, Local Government Investment Policies* (the specified requirements) during the period October 1, 2024 to September 30, 2025. Management of the Sheriff's Office is responsible for the Sheriff's Office's compliance with the specified requirements. Our responsibility is to express an opinion on the Sheriff's Office's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the AICPA. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Sheriff's Office complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Sheriff's Office complied with the specified requirements. The nature, timing and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the Sheriff's Office's compliance with specified requirements.

In our opinion, the Sheriff's Office complied, in all material respects, with the specified requirements during the period October 1, 2024 to September 30, 2025.

This report is intended solely for the information and use of the Florida Auditor General, the Honorable Sheriff, Board of County Commissioners, and applicable management, and is not intended to be and should not be used by anyone other than the specified parties.

ANTHONY BRUNSON P.A.

CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS ADVISORS

INDEPENDENT AUDITOR'S REPORT

To the Honorable Marty Kiar
Property Appraiser of Broward County, Florida

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the General Fund of the Property Appraiser of Broward County, Florida, a component unit of Broward County, Florida (the "Property Appraiser") as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Property Appraiser's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective balance sheet of the General Fund, of the Property Appraiser as of September 30, 2025, the respective statement of revenues, expenditures, and changes in fund balance of the General Fund, and the respective budgetary comparison for the General Fund thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Property Appraiser and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Property Appraiser's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property Appraiser's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Property Appraiser's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information on page 11 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the accompanying financial statements present the balance sheet and the changes in fund balance of the Property Appraiser. These financial statements do not purport to, and do not present fairly the financial position of Broward County, Florida, as of September 30, 2025, and the changes in financial position, or where applicable, cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 27, 2026, on our consideration of the Property Appraiser's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Property Appraiser's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Property Appraiser's internal control over financial reporting and compliance.

BROWARD COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

Note 1 - Summary of Significant Accounting Policies

The following is a summary of the more significant accounting policies used in the preparation of these special purpose financial statements.

Reporting Requirement

The Broward County Property Appraiser (the "Property Appraiser") is a separately elected county official established pursuant to the Constitution of the State of Florida. The Property Appraiser's financial statements do not purport to reflect the financial position or the results of operations of Broward County, Florida, taken as a whole. These special purpose financial statements are presented to comply with the requirements of Florida Statutes and the Rules of the Auditor General of the State of Florida. The Property Appraiser's General Fund is combined with the Board of County Commissioners' (the "Board") and other constitutional officers' general funds in the Broward County, Florida (the "County"), Annual Comprehensive Financial Report ("ACFR") to properly reflect the county-wide General Fund.

Description of Fund

The accounting records are organized on the basis of funds and classified for reporting purposes into one basic fund type:

General Fund – The General Fund is a governmental fund used to account for all revenues and expenditures applicable to the general operations of the Property Appraiser. The General Fund measurement focus is based upon determination of financial position and changes in financial position (sources, uses and balances of financial resources, rather than upon net income determination). Annually, total revenues equal total expenditures of the Property Appraiser and there is no change in the fund balance. As there is no fund balance to report, the Property Appraiser does not classify the fund balance as nonspendable, restricted, committed, assigned or unassigned.

Basis of Accounting and Presentation

The accounts of the General Fund are maintained on the modified accrual basis. Under the modified accrual basis of accounting, expenditures are recorded at the time liabilities are incurred and revenues are recorded when received in cash or when they are considered both measurable and available and, as such, susceptible to accrual. A sixty-day availability period is used for revenue recognition for all other governmental fund revenues. The extent to which General Fund revenues exceed General Fund expenditures is reflected as a liability in compliance with Florida Statutes.

**BROWARD COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 1 - Summary of Significant Accounting Policies (cont'd)

Budgetary Requirements and Basis

Expenditures are controlled by appropriations in accordance with the budgetary requirements set forth in the Florida Statutes. The budgeted revenues and expenditures in these financial statements reflect all amendments approved by the Florida Department of Revenue. The budget is adopted on a basis consistent with generally accepted accounting principles.

Leases

The Property Appraiser recognizes lease contracts or equivalents that have a term exceeding one year and the cumulative future payments on the contract exceed \$5,000 that meet the definition of other than short-term lease. The Property Appraiser uses a discount rate that is explicitly stated or implicit in the contract. When a readily determinable discount rate is not available, the discount rate is determined using the Property Appraiser's incremental borrowing rate at the start of the lease for a similar asset type and term length to the contract. Short-term lease payments are expensed when incurred. The lease term is determined by the sum of the non-cancellable periods, plus renewal options when they are reasonably certain of being exercised or early termination options when they are reasonably certain of not being exercised.

The total annual expenses and the total minimum lease payments for future years on the Property Appraiser's operating lease arrangements for equipment are trivial and deemed immaterial to both the financial statements of the Property Appraiser and the financial statements of the County and as such, disclosures have not been made in the financial statements.

Subscription-Based Information Technology Arrangements (SBITAs)

The Property Appraiser recognizes SBITAs that have a term exceeding one year and the cumulative future payments on the contract exceed \$5,000 that meet the definition of other than short-term SBITA. For detailed SBITAs disclosures, see the Broward County, Florida, ACFR for the fiscal year ended September 30, 2025.

Compensated Absences

The Property Appraiser incurs a liability for employees' rights to receive compensation for future absences when certain conditions are met. The Property Appraiser is not legally required and does not accumulate expendable available financial resources to liquidate this obligation.

The Property Appraiser's employees earn vacation and sick leave in varying amounts based on length of service. Vacation leave is fully vested upon being earned. Sick leave is accumulated and vested; however, only the portion that is more likely than not to be used for time off or otherwise paid is reported as a liability in the financial statements of the County.

**BROWARD COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 1 - Summary of Significant Accounting Policies (cont'd)

Compensated Absences (cont'd)

In accordance with GASB 101, *Compensated Absences*, a liability for compensated absences is recognized for leave attributable to services already rendered and that is more likely than not to be used or paid. The compensated absences liability includes salary-related payments, including payroll taxes.

Compensated absences are measured using a first-in, first-out (FIFO) method, whereby leave earned earliest is assumed to be used first.

Recently Issued Accounting Pronouncements

The Governmental Accounting Standards Board ("GASB") has issued several pronouncements that have effective dates that may impact current and future financial presentations.

GASB Statement No. 101, *Compensated Absences*. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures.

The requirements of this Statement are effective for fiscal years beginning after December 15, 2023, and all reporting periods thereafter. The Property Appraiser adopted this Statement in fiscal year ended September 30, 2025.

GASB Statement No. 102, *Certain Risk Disclosures*. The objective of this Statement is to provide users of government financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints. The requirements of this Statement will improve financial reporting by providing users of financial statements with essential information that currently is not often provided. The disclosures will provide users with timely information regarding certain concentrations or constraints and related events that have occurred or have begun to occur that make a government vulnerable to a substantial impact. As a result, users will have better information with which to understand and anticipate certain risks to a government's financial condition.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2024, and all reporting periods thereafter. Earlier application is encouraged. Management has adopted this Statement for the fiscal year ended September 30, 2025 and has determined that it does not have a material impact on the Property Appraiser's financial statements.

BROWARD COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

Note 1 - Summary of Significant Accounting Policies (cont'd)

Recently Issued Accounting Pronouncements (cont'd)

GASB Statement No. 103, *Financial Reporting Model Improvements*. The objective of this Statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. The key components discussed in this Statement relate to disclosures of the management's discussion and analysis (MD&A), which is presented as required supplementary information (RSI), presentation of unusual or infrequent items as transactions and other events that are either unusual in nature or infrequent in occurrence, the presentation of proprietary fund statement of revenues, expenses, and changes in fund net position, presentation of major component unit information, and presentation of budgetary comparison information. This Statement also addresses certain application issues.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2025, and all reporting periods thereafter. Earlier application is encouraged. Management has not currently determined what effect this Statement has on the Property Appraiser's financial statements.

GASB Statement No. 104, *Disclosure of Certain Capital Assets*. State and local governments are required to disclose detailed information about capital assets in the notes to the financial statements. GASB Statement No. 34, *Basic Financial Statements—and Management's Discussion and Analysis—for State and Local Governments*, requires capital assets to be presented by major class. These disclosures provide users with essential information to assess accountability and make informed decisions, while enhancing consistency and comparability among governments.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2025, and all reporting periods thereafter. The Property Appraiser adopted this Statement in fiscal year ended September 30, 2025, and has determined that the implementation of the Statement does not have a material impact to the financial statements.

GASB Statement No. 105, *Subsequent Events*. The objective of this Statement is to improve the consistency and usefulness of subsequent events reporting. Subsequent events are defined as events occurring after the financial statement date but before the date the financial statements are available to be issued, which is the date the statements are complete in accordance with generally accepted accounting principles, and all required approvals have been obtained. The Statement requires disclosure of the date through which subsequent events have been evaluated and clarifies the distinction between recognized and nonrecognized subsequent events, including specific disclosure requirements for nonrecognized events.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2026, and all reporting periods thereafter. Earlier application is encouraged. Management has not currently determined what effect this Statement has on the Property Appraiser's financial statements.

NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 2 - Cash and Cash Equivalents

Cash

Cash consists of various demand deposit accounts, which are insured by the Federal Deposit Insurance Corporation or are covered by the state of Florida collateral pool, a multiple financial institution pool with the ability to assess its members for collateral shortfalls if a member institution fails.

Investments

Florida Statutes 218.415, 219.075 and the Property Appraiser's investment policy authorize investments in certificates of deposit, savings accounts, repurchase agreements, the Local Government Surplus Funds Trust Fund, administered by the Florida State Board of Administration, and obligations of the U.S. Government and government agencies unconditionally guaranteed by the U.S. Government. The Property Appraiser had no investments at September 30, 2025.

Note 3 - Excess Commissions

In accordance with Florida Statute 218.36 the excess funds at the end of fiscal year 2025 were divided into parts for each governmental unit which was billed, and which paid for the operation of the Property Appraiser's office in the same proportion as the governmental units were originally billed. These excess funds are reported as unexpended commissions in the Financial Statements and were treated as an advance on the fiscal year 2025 second quarter budget invoices.

Note 4 - Compensated Absences

Change in Accounting Principle

Effective October 1, 2024, the Property Appraiser implemented GASB Statement No. 101, *Compensated Absences*, which replaces GASB Statement No. 16. The Statement clarifies the recognition and measurement requirements for liabilities related to compensated absences.

The implementation of GASB 101 resulted in a change in accounting principle and required the recognition of compensated absences that were not previously reported under prior guidance.

**BROWARD COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 4 - Compensated Absences (cont'd)

Restatement of Beginning Net Position

The adoption of GASB 101 required the restatement of beginning net position as of October 1, 2024, to recognize additional compensated absences liabilities. The effect of the implementation is summarized below:

Description	Amount
Compensated absences liability at September 30, 2024, under prior guidance	\$ 2,158,369
Increase resulting from GASB Statement No. 101	<u>2,018,155</u>
Compensated absences liability at October 1, 2024, as restated	<u>\$ 4,176,524</u>

A summary of changes in long-term liabilities for the fiscal year ended September 30, 2025, is as follows:

	Balance October 1, <u>2024, as restated</u>	<u>Additions, Net</u>	Balance September 30, <u>2025</u>
Compensated absences	<u>\$ 4,176,524</u>	<u>\$ 453,116</u>	<u>\$ 4,629,640</u>

At September 30, 2025, \$1,528,084 of compensated absences is expected to be liquidated with available financial resources and is reported as a current liability. The remaining \$3,101,556 is reported as a long-term liability. The compensated absences are disclosed as liabilities in the financial statements of the County.

Note 5 - Pension Plan

Plan Description

The Property Appraiser's employees participate in the Florida Retirement System ("FRS"), a multiple-employer, cost-sharing, defined-benefit retirement system, administered by the Florida Department of Management Services. As a general rule, membership in the FRS is compulsory for all employees working in a regularly established position for a state agency, county government, district school board, state university, community college, or a participating city or special district within the state of Florida. For a detailed plan description, see the Broward County, Florida, ACFR for the fiscal year ended September 30, 2025.

BROWARD COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

Note 5 - Pension Plan (cont'd)

Funding Policy

The Property Appraiser's contributions to the FRS for fiscal years ended September 30, 2023 through 2025 were \$2,722,935, \$3,230,258, and \$3,525,085, respectively, which were equal to the required employer contribution for each fiscal year. Beginning in July 2011 FRS Investment Plan and Pension Plan members, except those in the Defined Retirement Option Program ("DROP"), are required to make 3% employee contributions on a pretax basis. The employees' contributions to the FRS for fiscal year ended September 30, 2025 were \$594,329.

Note 6 - Other Post-Employment Benefits

Plan Description

The Property Appraiser has a single employer defined benefit healthcare plan. The Property Appraiser plan allows its employees and their beneficiaries to continue obtaining health, dental and other insurance benefits upon retirement. The retirees are required to pay the premium(s) in advance in order to participate. The benefits of the Property Appraiser's plan conform to Florida Statutes, which are the legal authority for the plan. The plan has no assets and does not issue separate financial reports.

Funding Policy and Annual Other Postemployment Benefit ("OPEB") Cost

The amount of any liability for the employees of the Broward County Property Appraiser has been reported in the September 30, 2025 Broward County, Florida ACFR. The County has also included a schedule of funding progress in their September 30, 2025 financial statements.

Nyhart, an actuarial and employee benefit firm, was engaged by Broward County to perform an actuarial valuation of its post-employment benefits provided to retiring employees. The OPEB information disclosed in the September 30, 2025 Broward County, Florida ACFR related to the Property Appraiser was provided by Broward County.

Note 7 - Insurance Coverage

The Property Appraiser participates in the County's self-insurance program for workers' compensation. Any losses above the self-insured retention limit would be covered by the Board's purchase of excess coverage. Expenditures for self-insured worker's compensation coverage charged by Broward County for the year ended September 30, 2025 was \$114,050. All required payments have been made during the fiscal year.

BROWARD COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

Note 8 - Contingencies

Various lawsuits and claims arising in the ordinary course of operations are pending against the Property Appraiser. These primarily relate to property assessments within the County. The ultimate effect of such litigation cannot be ascertained at this time. In the opinion of management for the Property Appraiser, the liabilities that may arise from such action would not result in losses that would materially affect the financial position of the Property Appraiser or its changes in financial position.

Note 9 - Subsequent Events

Management has evaluated events and transactions for subsequent events that would impact the financial statements for the year ended September 30, 2025 through February 27, 2026, the date the financial statements were available to be issued. There were no subsequent events that require recognition or disclosure in the financial statements.

The Property Appraiser provides contractual services for non-ad valorem districts, which are not included in the budget submitted to the Department of Revenue. The Property Appraiser adopts an internal budget for these activities. Any excess revenues over expenditures at the end of the fiscal year are included in excess commissions collected in advance. Revenues budgeted internally totaled \$968,470. These budgeted revenues were offset by related budgeted expenditures of \$968,470.

SPECIAL PURPOSE FINANCIAL STATEMENTS
COMPLIANCE SECTION
FOR THE YEAR ENDED SEPTEMBER 30, 2025

ANTHONY BRUNSON P.A.

CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS ADVISORS

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Honorable Marty Kiar
Property Appraiser of Broward County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the General Fund of the Property Appraiser of Broward County, (the "Property Appraiser"), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise Property Appraiser's basic financial statements, and have issued our report thereon dated February 27, 2026.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Property Appraiser's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Property Appraiser's internal control. Accordingly, we do not express an opinion on the effectiveness of the Property Appraiser's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Property Appraiser's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE
WITH THE REQUIREMENTS OF SECTION 218.415, FLORIDA STATUTES,
LOCAL GOVERNMENT INVESTMENT POLICIES**

To the Honorable Marty Kiar
Property Appraiser of Broward County, Florida

We have examined the Property Appraiser of Broward County, Florida (the "Property Appraiser"), compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the fiscal year ended September 30, 2025. Management is responsible for the Property Appraiser's compliance with those requirements. Our responsibility is to express an opinion on the Property Appraiser's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Authority complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Property Appraiser complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination does not provide a legal determination on the Property Appraiser's compliance with specified requirements.

In our opinion, the Property Appraiser of Broward County, Florida complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2025.

This report is intended solely for the information and use of management and the State of Florida Auditor General, and applicable Broward County management, and is not intended to be and should not be used by anyone other than these specified parties.

MANAGEMENT LETTER IN ACCORDANCE WITH THE RULES OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA

To the Honorable Marty Kiar
Property Appraiser of Broward County, Florida

We have audited the special-purpose financial statements of the Property Appraiser of Broward County, Florida (the "Property Appraiser"), as of and for the fiscal year ended September 30, 2025 and have issued our report thereon dated February 27, 2026.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Florida Auditor General.

Other Report and Schedule

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*. Disclosures in that report, which is dated February 27, 2026, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no recommendations made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The name or official title and legal authority of the primary government and component unit are disclosed in the notes to the financial statements.

Other Matters

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Section 10.554(1)(i)3., Rules of the Auditor General, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material, but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, and the Property Appraiser and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

To the Honorable Joe Scott
Broward County Supervisor of Elections
Broward County, Florida

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the governmental fund balance sheet and statement of revenues, expenditures, and changes in fund balance of the Broward County Supervisor of Elections (the "Supervisor") as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Supervisor's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental fund balance sheet and statement of revenues, expenditures and changes in fund balance of the Supervisor, as of September 30, 2025, and the respective changes in financial position, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Supervisor and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 1, the financial statements of the Supervisor, are intended to present the financial position and the changes in financial position of only that portion of the financial statements of Broward County, Florida, ("the County") the that is attributable to the transactions of the Supervisor. They do not purport to, and do not, present fairly the financial position of the County, as of September 30, 2025, or the changes in its financial position, for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Supervisor's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Supervisor's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Supervisor's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information on page 15 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 27, 2026, on our consideration of the Supervisor's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Supervisor's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Supervisor's internal control over financial reporting and compliance.

BROWARD COUNTY SUPERVISOR OF ELECTIONS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

Note 1 - Summary of Significant Accounting Policies

Reporting Entity

The Supervisor of Elections (“the Supervisor”) is an elected official in Broward County, Florida (“the County”), who is responsible for conducting all elections in the County, maintaining voter records, and organizing various outreach programs, including seminars and voter registration drives. The Supervisor of Elections’ Office is part of the overall entity of the County and is included in the financial statements of the County.

The financial statements include the General Fund of the Supervisor’s office. The financial statements were prepared for the purpose of complying with Section 10.557, *Rules of the Auditor General for Local Governmental Entity Audits* and are not intended to be a complete presentation of the financial position of the County, or the changes in financial position and cash flows, where applicable, thereof in conformity with accounting principles generally accepted in the United States of America. Pursuant to Florida Statutes, the Supervisor’s financial statements are included in the County’s Annual Comprehensive Financial Report (“ACFR”).

The following is a summary of the more significant accounting principles and policies used in the preparation of these financial statements:

Measurement Focus, Basis of Accounting and Basis of Presentation

Governmental Fund Financial Statements: Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. The Supervisor considers all revenues reported in the General Fund to be available if the revenues are collected within sixty days after year-end. Expenditures are recorded when the related fund liability is incurred. The extent to which General Fund revenues exceeded General Fund expenditures is reflected as a liability in compliance with Florida Statutes.

General Fund: The General Fund, a governmental fund, is the government’s primary operating fund. It is used to account for all financial resources applicable to the general operations of the Supervisor. The emphasis of fund financial statements is on major governmental funds.

Grant Fund: The Grant Fund is used to account for grant funds received from federal, state, and private donors.

As a general rule, the effect of interfund activity has been eliminated from the governmental financial statements.

BROWARD COUNTY SUPERVISOR OF ELECTIONS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

Note 1 - Summary of Significant Accounting Policies (cont'd)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the reporting period. Actual results could differ from those estimates.

Budgetary Requirements

The Supervisor operates under budget procedures pursuant to Florida Statute 129.202. The Supervisor's budgeting process is based on estimates of revenue and expenditures and requires that all budgets be approved by the Broward County Board of County Commissioners ("the Board") after a public hearing is held. Subsequent amendments to the budget, if any, are approved by the Board.

Budgets are prepared on the basis of accounting consistent with accounting principles generally accepted in the United States of America. Expenditures may exceed the approved budget amounts for individual categories as long as total expenditures do not exceed the approved budget. Budget appropriations lapse at the end of the year and are not carried over to the following year. Any remaining fund balances are remitted to the Board at the end of each year.

As of September 30, 2025, \$589,787 was owed to the County.

Capital Assets

Capital assets (vehicles, equipment, and other tangible property costing at least \$5,000 with a useful life of more than one year) are recorded as capital expenditures in the fund level financial statements. Capital assets used in the operations of the Supervisor's office are recorded in the property records of the County.

Leases

The Supervisor recognizes lease contracts or equivalents that have a term exceeding one year and the cumulative future payments on the contract exceed \$5,000 that meet the definition of other than short-term lease. The Supervisor uses a discount rate that is explicitly stated or implicit in the contract. When a readily determinable discount rate is not available, the discount rate is determined using the Supervisor's incremental borrowing rate at the start of the lease for a similar asset type and term length to the contract. Short-term lease payments are expensed when incurred. The lease term is determined by the sum of the non-cancellable periods, plus renewal options when they are reasonably certain of being exercised or early termination options when they are reasonably certain of not being exercised.

BROWARD COUNTY SUPERVISOR OF ELECTIONS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

Note 1 - Summary of Significant Accounting Policies (cont'd)

Subscription-Based Information Technology Arrangements

The Supervisor recognizes Subscription-Based Information Technology Arrangements (SBITAs), that have a term exceeding one year and the cumulative future payments on the contract exceed \$5,000 that meet the definition of other than short-term SBITA.

Compensated Absences

The Supervisor incurs a liability for employees' rights to receive compensation for future absences when certain conditions are met. The Supervisor is not legally required and does not accumulate expendable available financial resources to liquidate this obligation.

The Supervisor's employees earn vacation and sick leave in varying amounts based on length of service. Vacation leave is fully vested upon being earned. Sick leave is accumulated and vested; however, only the portion that is more likely than not to be used for time off or otherwise paid is reported as a liability in the financial statements of the County. Upon termination of employment, employees can receive payment for accumulated leave in accordance with the Supervisor's policy, if they meet certain criteria. The cost of vested vacation and sick pay benefits is recognized when payments are made to employees, using the modified accrual basis of accounting.

In accordance with GASB Statement No. 101, *Compensated Absences*, a liability for compensated absences is recognized for leave attributable to services already rendered and that is more likely than not to be used or paid. The compensated absences liability includes salary-related payments, including payroll taxes and FRS employer contributions.

Compensated absences are measured using a first-in, first-out (FIFO) method, whereby leave earned earliest is assumed to be used first.

Implementation of Governmental Accounting Standards Board (GASB) Statements

The Governmental Accounting Standards Board ("GASB") has issued several pronouncements that have effective dates that may impact current and future financial presentations.

GASB Statement No. 101, *Compensated Absences*. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures.

The requirements of this Statement are effective for fiscal years ending after December 31, 2024. Management has adopted this Statement for the fiscal year ended September 30, 2025.

BROWARD COUNTY SUPERVISOR OF ELECTIONS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

Note 1 - Summary of Significant Accounting Policies (cont'd)

Implementation of Governmental Accounting Standards Board (GASB) Statements (cont'd)

GASB Statement No. 102, *Certain Risk Disclosures*. The objective of this Statement is to provide users of government financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints. The requirements of this Statement will improve financial reporting by providing users of financial statements with essential information that currently is not often provided. The disclosures will provide users with timely information regarding certain concentrations or constraints and related events that have occurred or have begun to occur that make a government vulnerable to a substantial impact. As a result, users will have better information with which to understand and anticipate certain risks to a government's financial condition.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2024, and all reporting periods thereafter. Earlier application is encouraged. Management has adopted this Statement for the fiscal year ended September 30, 2025 and has determined that it does not have a material impact on the Supervisor's financial statements.

GASB Statement No. 103, *Financial Reporting Model Improvements*. The objective of this Statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. The key components discussed in this Statement relate to disclosures of the management's discussion and analysis (MD&A), which is presented as required supplementary information (RSI), presentation of unusual or infrequent items as transactions and other events that are either unusual in nature or infrequent in occurrence, the presentation of proprietary fund statement of revenues, expenses, and changes in fund net position, presentation of major component unit information, and presentation of budgetary comparison information. This Statement also addresses certain application issues.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2025, and all reporting periods thereafter. Earlier application is encouraged. Management has not currently determined what effect this Statement has on the Supervisor's financial statements.

GASB Statement No. 104, *Disclosure of Certain Capital Assets*. The objective of this Statement is to provide users of government financial statements with essential information about certain types of capital assets. The requirements of this Statement will improve financial reporting by providing users of financial statements with essential information about certain types of capital assets in order to make informed decisions and assess accountability. Additionally, the disclosure requirements will improve consistency and comparability between governments.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2025, and all reporting periods thereafter. Earlier application is encouraged. Management has not currently determined what effect this Statement has on the Supervisor's financial statements.

BROWARD COUNTY SUPERVISOR OF ELECTIONS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

Note 1 - Summary of Significant Accounting Policies (cont'd)

Implementation of Governmental Accounting Standards Board (GASB) Statements (cont'd)

GASB Statement No. 105, *Subsequent Events*. The objective of this Statement is to improve the consistency and usefulness of subsequent events reporting. Subsequent events are defined as events occurring after the financial statement date but before the date the financial statements are available to be issued, which is the date the statements are complete in accordance with generally accepted accounting principles, and all required approvals have been obtained. The Statement requires disclosure of the date through which subsequent events have been evaluated and clarifies the distinction between recognized and nonrecognized subsequent events, including specific disclosure requirements for nonrecognized events.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2026, and all reporting periods thereafter. Earlier application is encouraged. Management has not currently determined what effect this Statement has on the Supervisor's financial statements.

Note 2 - Cash and Cash Equivalents

At September 30, 2025, the carrying amount of the Supervisor's cash and cash equivalents, which consists solely of demand deposits, was \$3,806,962. Under the State of Florida Statutes, Chapter 280, "Florida Security for Public Deposits Act," the State Treasurer requires all qualified public depositories to deposit with the Treasurer or banking institution eligible collateral having an average daily balance for each month of all public deposits that meet certain statutory requirements. The percentage of eligible collateral (generally, U.S. Government and agency securities, state or local government debt, or corporate bonds) to public deposits is dependent upon the depository's financial history and its compliance with Chapter 280. In the event of a failure of a public depository, the remaining public depositories would be responsible for covering any resulting losses. Therefore, all cash deposits in an approved Florida banking institution are collateralized and insured and not subject to a concentration of credit risk nor a custodial credit risk, as defined in Governmental Accounting Standards Board ("GASB") Statement No. 40.

As of September 30, 2025, all the depositories utilized by the Supervisor were qualified and eligible for public deposits pursuant to Florida Statute 280, Department Financial Services, State of Florida.

Note 3 - Retirement Plan

Florida Retirement System

The Supervisor participates in the Florida Retirement System ("FRS"), a cost-sharing, multiple-employer Public Employment Retirement System ("PERS") totally administered by the Florida Department of Management Services. Effective July 1, 2011, the FRS requires a 3% contribution from all employees, except those enrolled in the Deferred Retirement Option Program ("DROP") plan.

BROWARD COUNTY SUPERVISOR OF ELECTIONS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

Note 3 - Retirement Plan (cont'd)

Florida Retirement System (cont'd)

As a general rule, membership in the FRS is compulsory for all employees working in a regularly established position for a state agency, county government, district school board, state university, community college, or a participating city or special district within the state of Florida. For financial reporting purposes, the Supervisor is deemed to be part of the primary government of the County. Effective October 1, 2014, the County implemented the provisions of GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*. A liability, if any, related to the Supervisor's proportionate share of the FRS retirement benefits, along with a detailed plan description, is reported in the financial statements of the County for the fiscal year ended September 30, 2025.

The Supervisor's contributions to the FRS for fiscal years ended September 30, 2023 through 2025 were \$990,349, \$1,182,225, and \$1,249,575 respectively, which were equal to the required contribution for each fiscal year. Employee contributions for this purpose amounted to \$164,713, \$188,830, and \$199,538 for the fiscal years ended September 30, 2023 through 2025, respectively, which were equal to the required contribution for each fiscal year.

457(b) & 401(a) Plans

During the fiscal year ended September 30, 2025, the Supervisor implemented deferred compensation plans in accordance with Sections 457(b) and 401(a) of the Internal Revenue Code ("the Plans"). The Plans are available to all permanent employees and allow participants to defer a portion of their compensation until retirement, termination of employment, or an unforeseeable emergency, as defined by the Plans. The 457(b) Plan represents the employee contributions, and the 401(a) Plan represents the employer matching contributions.

The Plans are administered by a third-party administrator, Empower, and provide participants with a range of investment options. Employee contributions are made through payroll deductions in amounts elected by participants, subject to the limits established by the Internal Revenue Code. Under the Plans, the Supervisor provides matching contributions each pay period.

In accordance with Governmental Accounting Standards Board (GASB) Statement No. 32, *Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans*, the assets of the Plans are held in trust for the exclusive benefit of Plan participants and their beneficiaries and are not subject to the claims of the Supervisor's general creditors. Accordingly, the Plans' assets and related liabilities are not reported in the accompanying financial statements of the Supervisor.

The Plans became effective during the fiscal year ended September 30, 2025. Participant contributions totaled \$210,995, and employer contributions totaled \$129,914, for the fiscal year then ended.

BROWARD COUNTY SUPERVISOR OF ELECTIONS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

Note 4 - Insurance Coverage

The Supervisor participates in the County's self-insurance program for services other than medical and dental insurance. Payments are made to the County in the amounts needed to pay prior and current-year claims. All required payments have been made during the fiscal year. The County is self-insured for workers' compensation and general liability. Commercial insurance is purchased for all other risks, including property and casualty, vehicle, and public officials. Claims settlements have not exceeded insurance coverage during the fiscal year.

Note 5 - Leases

The Supervisor is committed under leases for certain equipment used in its operations, which are considered for accounting purposes to be operating leases that do not meet the Supervisor's threshold for disclosure of leases under GASB 87. Future minimum lease payments under these operating lease agreements at September 30, 2025 are as follows:

<u>Year Ending September 30,</u>	<u>Amount</u>
2026	\$ 857
Thereafter	-
Total	<u>\$ 857</u>

Lease expenditures for the year ended September 30, 2025, amounted to \$13,340.

In addition, during fiscal year ended September 30, 2025, the Supervisor identified leases that required the application of GASB Statement No. 87, *Leases*, which requires recognition of certain lease assets and liabilities previously classified as operating leases and recognized as inflows and outflows of resources. The recognized lease asset and liability recognized under GASB 87, amounted to \$157,580 and \$94,049, respectively, and are reported in the financial statements of the County.

Note 6 - Subscription-Based Information Technology Arrangements (SBITAs)

For the period under review, the Supervisor identified contracts that meet the threshold for reporting and disclosure of SBITAs in the financial statements. The right to use the assets amounted to \$100,657. Accounting treatment and financial reporting for these contracts are reported in the financial statements of the County.

Note 7 - Change in Accounting Principle

Effective October 1, 2024, the Authority implemented GASB Statement No. 101, *Compensated Absences*, which replaces GASB Statement No. 16. The Statement clarifies the recognition and measurement requirements for liabilities related to compensated absences.

**BROWARD COUNTY SUPERVISOR OF ELECTIONS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 7 - Change in Accounting Principle (cont'd)

The implementation of GASB 101 resulted in a change in accounting principle and required the recognition of compensated absences that were not previously reported under prior guidance.

Restatement of Beginning Net Position

The adoption of GASB 101 required the restatement of the beginning net position as of October 1, 2024, to recognize an increase in compensated absences liabilities. The effect of the implementation is summarized below:

Description	<u>Amount</u>
Compensated absences liability at September 30, 2024, under prior guidance	\$ 996,452
Increase resulting from GASB Statement No. 101	<u>115,048</u>
Compensated absences liability at October 1, 2024, as restated	<u><u>\$ 1,111,500</u></u>

Note 8 - Compensated Absences

The Supervisor calculates a liability for employees' rights to receive compensation for future absences when certain conditions are met. The Supervisor is not legally required to and does not accumulate expendable, available financial resources to liquidate this obligation. The liability is reported in the financial statements of the County.

A summary of changes in compensated absences for the fiscal year ended September 30, 2025, is as follows:

	<u>Balance</u> <u>October 1, 2024</u>		<u>Additions, Net</u>	<u>Balance</u> <u>September 30, 2025</u>
Compensated absences	<u>\$ 1,111,500</u>	(*)	<u>\$ 32,573</u>	<u>\$ 1,144,073</u>

(*) Represents opening balance as restated.

At September 30, 2025, \$369,394 of compensated absences is expected to be liquidated with available financial resources and is reported as a current liability. The remaining \$774,679 is reported as a long-term liability.

Note 9 - Other Post-Employment Benefits

Plan Description and Funding Policy and Annual Other Post-Employment Benefits (OPEB) Cost

The Supervisor has a single-employer, defined-benefit healthcare plan, which allows its employees and their beneficiaries to continue obtaining health, dental, and other insurance benefits upon retirement. The plan does not issue separate financial reports.

BROWARD COUNTY SUPERVISOR OF ELECTIONS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

Note 9 - Other Post-Employment Benefits (cont'd)

Plan Description and Funding Policy and Annual Other Post-Employment Benefits (OPEB) Cost (cont'd)

Effective October 1, 2017, the County implemented the provisions of GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other than Pensions*. A liability, if any, related to the Supervisor's proportionate share of these benefits, along with a detailed plan description, is reported in the financial statements of the County.

Note 10 - Contingencies

The Supervisor receives grant funding from the Help America Vote Act ("HAVA"), through the State of Florida ("the State"). These grants are subject to audit by the State and if found to be in error or noncompliance, could result in refunds to the grantor or decreases to future grant awards. HAVA grants received amounted to \$12,840 for the year ended September 30, 2025.

The Supervisor received professional services, in lieu of funding, from the Local Government Cybersecurity Grant Program in the amount of \$132,431, for the year ended September 30, 2025. Funds were awarded through the State.

The Supervisor's office from time to time is involved in litigation incidental to the conduct of its business. In the opinion of management, the expected liability, from these claims, more than insurance coverage, if any, would not be material to its financial position or results of operations.

Note 11 - Related Parties

The Supervisor's office collects cash from the sale of voter rolls, precinct maps, etc. and reimbursements for municipal election expenditures, on behalf of the County. The amount collected during fiscal 2025 was \$1,331,534. As of September 30, 2025, this amount was offset by \$193,590 receivable from the County. The remaining \$1,137,944 was remitted to the County by October 31, 2025. These amounts are remitted to the County at the end of each fiscal year or shortly thereafter.

Note 12 - Subsequent Events

Management has evaluated events and transactions for subsequent events that would impact the financial statements for the year ended September 30, 2025 through February 27, 2026, the date the financial statements were available to be issued. Management has determined that there were no subsequent events that require recognition or disclosure in the financial statements.

Fund balance - beginning of year	<u>-</u>	<u>-</u>	<u>-</u>	<u>-</u>
Fund balance - end of year	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

The appropriated budget is prepared by fund on the same basis of accounting as required for governmental fund types and conforms with GAAP. By County budget policy, transfers of appropriations between departments and increase of appropriations at the department level require the approval of the Board. The County's legal level of budgetary control, the level at which expenditures may not legally exceed appropriations, is at the department level.

BROWARD COUNTY SUPERVISOR OF ELECTIONS

FINANCIAL STATEMENTS

COMPLIANCE SECTION

FOR THE YEAR ENDED SEPTEMBER 30, 2025

ANTHONY BRUNSON P.A.

CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS ADVISORS

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Honorable Joe Scott
Broward County Supervisor of Elections
Broward County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the special-purpose financial statements of the Supervisor of Elections of Broward County ("the Supervisor") as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Supervisor's basic financial statements, and have issued our report thereon dated February 27, 2026.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Supervisor's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Supervisor's internal control. Accordingly, we do not express an opinion on the effectiveness of the Supervisor's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Supervisor's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

ANTHONY BRUNSON P.A.

CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS ADVISORS

**INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE
WITH THE REQUIREMENTS OF SECTION 218.415, FLORIDA STATUTES,
*LOCAL GOVERNMENT INVESTMENT POLICIES***

To the Honorable Joe Scott
Broward County Supervisor of Elections
Broward County, Florida

We have examined the Supervisor of Elections of Broward County, Florida (the "Supervisor"), compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the fiscal year ended September 30, 2025. Management is responsible for the Supervisor's compliance with those requirements. Our responsibility is to express an opinion on the Supervisor of Elections' compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Supervisor complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Supervisor complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination does not provide a legal determination on the Supervisor's compliance with the specified requirements.

In our opinion, the Supervisor of Elections of Broward County, Florida complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2025.

This report is intended solely for the information and use of management, the State of Florida Auditor General, and applicable Broward County management, and is not intended to be and should not be used by anyone other than these specified parties.

ANTHONY BRUNSON P.A.

CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS ADVISORS

MANAGEMENT LETTER IN ACCORDANCE WITH THE RULES OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA

To the Honorable Joe Scott
Broward County Supervisor of Elections
Broward County, Florida

We have audited the special-purpose financial statements of the Supervisor of Elections of Broward County, Florida (the "Supervisor"), as of and for the fiscal year ended September 30, 2025 and have issued our report thereon dated February 27, 2026.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Florida Auditor General.

Other Report and Schedule

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*. Disclosures in that report, which is dated February 27, 2026, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no recommendations made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The name or official title and legal authority of the primary government and component unit are disclosed in the notes to the financial statements.

Other Matters

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Section 10.554(1)(i)3., Rules of the Auditor General, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material, but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, and the Supervisor of Elections and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink, appearing to read "Ally Lane Y.A.", is positioned above the typed name and date.

INDEPENDENT AUDITOR'S REPORT

To Honorable Brenda Forman, Clerk of the Circuit
and County Courts of Broward County, Florida
Seventeenth Judicial Circuit of Florida

Opinions

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Clerk of the Circuit and the County Courts of the Broward County, Florida, Seventeenth Judicial Circuit of Florida (the Clerk) as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Clerk's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Clerk, as of September 30, 2025, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Clerk, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matters

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the governmental activities, each major fund, and the aggregate remaining fund information, only for that portion of the governmental activities, major funds, and the aggregate remaining fund information, of Broward County that is attributable to the Clerk. They do not purport to, and do not, present fairly the financial position of Broward County as of September 30, 2025, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to these matters.

As discussed in Note 14 of the financial statements, the October 1, 2024 net position of the governmental activities and the ILA fund have been restated to correct an error. Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Clerk's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Clerk's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Clerk's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information and other post-employment benefits and pension schedules be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Clerk's basic financial statements. The combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with Government Auditing Standards, we have also issued a report on our consideration of the Clerk's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, rules, regulations, contracts, and grant agreements and other matters included under the heading "Independent Auditor's Report On Internal Control Over Financial Reporting And On Compliance And Other Matters Based On An Audit Of The Financial Statements Performed In Accordance With Government Auditing Standards." The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Clerk's internal control over financial reporting and

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2025**

Introduction

The management of the Broward Clerk of Circuit and County Courts (Clerk) offers this narrative overview and analysis of the financial activities of the Clerk for the fiscal year ended September 30, 2025. It provides an introduction to the Clerk's fiscal year 2025 financial statements. Information contained in this Management's Discussion and Analysis (MD&A) has been prepared by the Clerk's Finance Department and should be considered in conjunction with the financial statements and accompanying notes.

FINANCIAL HIGHLIGHTS

The clerks of court continue to function as fee offices with the following minor change enacted by the legislature in June 2017. That change directed clerks to record their 10% revenues, which had been locally retained, in the fine and forfeiture fund and eliminated the locally retained 10% revenues. The related expenditure authority for these 10% revenues was incorporated in the Florida Clerks of Court Operations Corporation (CCOC) budget process since fiscal year 2017-18. Local fees collected each month in excess of 1/12 of an individual clerk's approved budget, is now required to be sent to the state quarterly.

For fiscal year 2024-25, the Revenue Estimating Conference (REC) still determines the statewide budget for the 67 clerks. The REC uses estimates from various participants in the budget process to determine the amount of money available to the clerks for the fiscal year. This estimated revenue functions as a cap in the CCOC budget approval process. The CCOC approved clerks' budgeted expenditures may not exceed that estimated revenue cap.

For county fiscal year 2024-25, the CCOC approved a state-wide clerk of the courts' budget of \$532,475,488 for the 67 clerks of the circuit court, with an approved budget for the Clerk's office of \$45,017,522. In addition, the Clerk's office was approved for reimbursements for juror-related expenditures, with an approved budget of \$769,851. Additionally, because the initial revenue projection was less than the approved budgeted expenditure, the Clerk received approximately \$1,810,442 from the Trust Fund on a quarterly basis.

In September of 2025, the Clerk implemented a one-time wage supplement of 7% for employees with one to four years tenure, 7.5% for employees with five to nine years tenure, 8% for employees with ten to fourteen years tenure, and 8.5% for employees with fifteen or more years tenure. This one-time wage supplement was paid on September 12, 2025.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2025**

FINANCIAL HIGHLIGHTS (cont'd)

Electronic case filings are improving case processing workloads, which alleviate staffing issues. Although electronic case filing for all case-types continues to reduce paper-related processes, the storage and retrieval of some paper court records still require dedicated Clerk staff. These Clerk employees continue to back-scan older circuit criminal cases. Improved electronic case processing methods for civil case filings are producing additional workload efficiencies.

The following are key financial highlights for the fiscal year:

- The liabilities and deferred inflows of the Clerk exceeded its assets and deferred outflows by approximately \$22 million (net position) as of September 30, 2025, versus \$22.9 million as of September 30, 2024, as restated.
- The Clerk's total net position increased \$.9 million in fiscal year 2025.
- As of September 30, 2025, the Clerk's governmental funds reported combined ending fund balances of approximately \$10 million, a decrease of approximately \$1 million from the prior year.
- During fiscal year 2025, the Clerk spent \$95 thousand on capital expenditures. These purchases are mostly related to computer equipment and service agreements.
- As of September 30, 2025, the Clerk's Public Records Modernization Trust Fund reported an ending fund balance of \$1.8 million, an increase of \$159 thousand from the prior year.
- As of September 30, 2025, the Clerk's Technology Trust Fund reported an ending fund balance of negative \$319 thousand, a decrease of \$3.2 million from the prior year.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the Clerk's basic financial statements. The Clerk's basic financial statements contain three components: government-wide financial statements; fund financial statements; and notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the Clerk's finances, in a manner similar to a private-sector business.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2025**

OVERVIEW OF THE FINANCIAL STATEMENTS (cont'd)

The statement of net position presents information on all the Clerk's assets and liabilities. Net position is the result of assets plus deferred outflows, minus the sum of liabilities and deferred inflows. Over time, increases and decreases in net position may serve as a useful indicator of whether the financial position of the Clerk is improving or deteriorating.

The statement of activities presents information showing how the Clerk's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows.

Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in future fiscal periods.

Both government-wide financial statements distinguish functions of the Clerk's office that are principally supported by court and non-court related activities.

The government-wide financial statements include the General Fund, and four special revenue funds: the Recording Fund, Court Operations Fund, Public Records Modernization Trust Fund, and the Technology Trust Fund.

Fund Financial Statements

A fund is a grouping of related accounts that is used to control resources that have been segregated for specific activities or objectives. The Clerk uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All the funds of the Clerk can be divided into two categories: governmental funds and fiduciary funds.

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on the near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the Clerk's near-term financing decisions. Both the governmental fund balance sheet and statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2025**

OVERVIEW OF THE FINANCIAL STATEMENTS (cont'd)

Fiduciary funds are used to account for resources held for the benefit of parties outside the Clerk's Office. Fiduciary funds are not reflected in the government-wide financial statements because resources of those funds are not available to support the Clerk's operations.

Notes to Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other Information

In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information containing budget to actual comparisons for the general and special revenue funds.

GOVERNMENT - ACTIVITIES

On average for fiscal year 2024-25, the Clerk's office generated court-related revenues of approximately \$3.3 million each month, an increase of approximately \$300,000 per month, compared to the prior fiscal year. Monthly revenues varied between a high of \$3.5 million (in July 2025) to a low of \$2.9 million (in December 2024). During the same period, the Clerk also incurred expenditures of approximately \$3.5 million each month with expenditures varying between a high of \$5.4 million (in September 2025) and a low of \$2.6 million (in February 2025).

Graph 1 below shows the Clerk's revenues and expenditures throughout the fiscal year. The Clerk processed 405,245 new cases during fiscal year 2024-2025 and reopened 59,570 cases. Regarding new cases, in criminal courts, the majority cases were filed in traffic criminal court, 20,378. Juvenile delinquency had the lowest criminal case count with 2,202 cases. In civil courts, traffic civil processed the most cases with 210,349 cases, while juvenile dependency processed the least with 465 cases.

MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2025

GOVERNMENT - ACTIVITIES (cont'd)

Graph 1

Graph 2 below compares revenues collected in criminal courts for current and prior fiscal years by case type.

Overall revenues from criminal case types experienced a marginal increase of approximately \$60 thousand (2.81%) in the current fiscal year compared to FY 2024. The largest increase was incurred in Traffic Criminal where revenues increased by approximately \$248 thousand (26%). Circuit Criminal generated an increase of approximately \$140 thousand (25.23%), while County Criminal experienced a decrease of approximately \$326 thousand (-52.33%), and Juvenile Delinquency experienced a decrease of \$2 thousand (-40%).

BROWARD COUNTY, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2025

GOVERNMENT - ACTIVITIES (cont'd)

Graph 2

Graph 3 below compares revenues collected in civil courts for current and prior fiscal years by case type. Civil courts experienced increases in revenue in county, traffic, family, and other local courts, while it experienced decreases in circuit, juvenile dependency, and probate. The largest increase was in county civil, which generated revenues of \$20.1 million, approximately \$2.7 million increase (15.56%) over the prior year. Circuit civil experienced the largest decrease going from \$6.53 million in FY 2024 to \$6.47 million in FY 2025, approximately \$60 thousand decrease (-0.92%).

GOVERNMENT - ACTIVITIES (cont'd)

Graph 3

FINANCIAL ANALYSIS OF GOVERNMENTAL FUNDS

As noted earlier, the Clerk uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

The focus of the Clerk's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Clerk's financing requirements. Particularly, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of its fiscal year.

As of September 30, 2025, the Clerk's governmental funds reported combined ending fund balances of \$10 million, a decrease of approximately \$1.8 million from the prior year.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2025**

BUDGETARY HIGHLIGHTS

Budget and actual comparison schedules are provided in the *Basic Financial Statements* for the general fund and all major special revenue funds. The budget to actual comparison schedules shows the final budgets, actual results, and variances between the final budgets and actual results for the general fund (separately for court and non-court operations) and major special revenue funds.

Increases to the general fund court-related budget are restricted by the state appropriation process and are determined by formula as found in Section 28.36, Florida Statutes.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

The State Legislature controls the rates for filing fees and charges for services that the Clerk collects for local use and for remittance to the state as mentioned above. Court-related revenues used to support Clerk operations are anticipated to increase for the 2025-26 fiscal year.

The Clerk's FY 2025-2026 authorized expenditure budget will increase by approximately \$846 thousand from the prior year. This marks an increase of 1.88% from \$45,017,522 in FY 2024-2025 to \$45,863,743 in FY 2025-2026. In addition to this amount, the Clerk will be reimbursed for juror-related expenditures quarterly up to the appropriated statewide General Revenue funding total.

Additionally, the Clerk is set to receive \$469,442 from the Trust Fund quarterly due to the Clerk's revenue projections being less than the approved expenditure budget.

REQUESTS FOR INFORMATION

This financial report is designed to provide a general overview of the Broward Clerk of the Courts' finances to all interested stakeholders of the Clerk's financial operations. Questions concerning any of the information provided in this report or requests for additional information should be addressed to:

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND
CHANGES IN FUND BALANCES TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

(In Thousands)

Total net change in fund balances - governmental funds **\$ (1,008)**

Total change in net position reported for governmental activities in the statement of activities is different as a result of:

Governmental funds report capital outlays as expenditures. However, in the statement of activities the costs of those assets are allocated over their estimated useful lives and are reported as a depreciation expense. In the statement of activities, only the loss on disposed capital assets is reported. The change in net position differs from the change in fund balance by the carrying value of capital assets disposed.

Expenditures for capital assets	\$ 95	
Current year depreciation	<u>(509)</u>	(414)

Some expenses reported in the statement of activities do not require the use of financial resources and therefore are not reported as expenditures in governmental funds. These expenses are:

Change in compensated absences		(716)
The net effect of pension contribution expenses to increase net position		2,963
The net effect of OPEB expenses		<u>106</u>
Total change in net position - governmental activities		<u>\$ 931</u>

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 1 - Financial Reporting Entity

Under Article V of the Florida Constitution the clerks are funded through fines, filing fees and service charges. The Florida Legislature establishes the fees associated with court-related functions and the Legislature passes various bills to implement the funding requirements under Article V. Establishing the fees for court services through the legislative process affects every clerk of the courts in Florida and those individuals and agencies using the Florida court system.

The clerks of court are required to prepare annual court-related budgets and submit them to the Florida Clerks of Court Operations Corporation (CCOC). Budget revisions and amendments for individual clerk offices must also pass through the CCOC and comply with the state-wide revenue estimation provided by the Revenue Estimating Conference.

The clerks of courts continue to be funded by fees collected locally. As required under the Florida Statutes, monthly revenues collected in excess of 1/12 of a clerk's approved budget are remitted to the State quarterly. The monthly portion of local fees collected up to 1/12 of a clerk's budget is retained for operational expenditures.

Broward County is mandated to provide facilities, security, and communications under Section 29.008, Florida Statutes. Additionally, recording fees remitted to the Clerk from Broward County are set aside for technology needs and support services (including technology-related salaries).

Under Article V, the Clerk functions as an administrative office of the judiciary. The Clerk's duties are specified in the Florida Statutes and the Broward County Charter. The Clerk conducts various administrative and financial functions as required by state law, local ordinances, and administrative orders. The office serves a 1,205 square mile region of South Florida containing an estimated population of 2.03 to 2.1 million residents. The Clerk is included in the County's general-purpose financial statements. An elected official leads the organization of approximately 540 active employees (as of September 30, 2025) in various divisions providing support to fifty-eight circuit court judges, thirty-two county court judges, and eleven general magistrates/hearing officers, as well as providing services to the general public and other governmental agencies.

The Clerk's core services include recording judicial decisions in criminal court proceedings on official documents; filing and retrieving official records such as arrest warrants, information, traffic citations, affidavits, other court related documents in both criminal and civil proceedings, and marriage licenses; collecting court fees, fines, service charges, and forfeitures; creating court dockets; sending notices to participants in legal proceedings; reinstating driver's licenses; and processing online payments through the internet at www.browardclerk.org.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 1 - Financial Reporting Entity (cont'd)

As noted above, the Florida Legislature establishes the amounts the Clerk collects for service charges, court costs, and fees. The Clerk receives a subsidy from the Justice Administration Commission for court-related juror payments, including juror meals, lodging costs, and jury management costs. The Clerk continues to be tasked with the primary determination of indigent status, which means no fees are collected for case processing.

The financial statements presented include the funds of the Clerk's office. The accompanying financial statements are prepared in compliance with Section 10.550, *Rules of the Auditor General for Local Government Entity Audits* and are not intended to be a complete presentation of the financial position of the County or the changes in financial position and cash flows of the County. However, the financial statements conform to accounting principles generally accepted in the United States of America. Pursuant to Florida Statutes, the Clerk's financial statements are included in the County's general-purpose financial statements.

Note 2 - Summary of Significant Accounting Policies

Basis of presentation

The Clerk's method of financial statement reporting conforms to Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements - and Management's Discussion & Analysis for State and Local Governments*. The government-wide financial statements, consisting of the statement of net position and the statement of activities, report information on all non-fiduciary activities of the Clerk's office. For the most part, the effect of inter-fund activity has been removed from these statements. Only governmental activities have been reported for the current year.

The statement of activities demonstrates the degree to which the program expenses are offset by program revenues and appropriations. Direct expenses are those that are clearly identifiable with a specific function or identifiable activity. Program revenues include charges to customers who use, or directly benefit from, services provided by a given function or identifiable activity and other revenues and appropriations that are often restricted to meeting the operational or capital requirements of a particular function or identifiable activity. Other revenue items not properly included among program revenues are reported instead as general revenue.

Separate fund financial statements are provided for governmental funds, general fund, special revenue funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 2 - Summary of Significant Accounting Policies (cont'd)

Governmental Funds

Major Governmental Funds

General Fund - The General Fund accounts for all revenues and expenditures applicable to the Clerk's non-court related operations of marriage licenses, passport applications and parking citation processing. All operating revenues that are not specifically restricted or designated as to use are recorded in the General Fund. The General Fund is considered a major fund as defined in GASB Statement No. 34.

Interlocal Agreement Recording Fund - The Interlocal Agreement Recording (ILA) Fund accounts for all revenues and expenditures associated with the transfer of recording functions for Broward County that are being transferred from the Board of County Commissioners to the Broward Clerk of Courts. The transfer of responsibility came after CS/HB 989 was approved by voters of Broward County at the November 3, 2020 general election. Based on the Bill, notwithstanding Amendment 10, the County will retain the duties of ex officio clerk of the board of county commissioners, auditor, and custodian of all county funds, and the county-related functions and duties prescribed by the Florida Constitution for the clerk of court relating to the duties of recorder will transition to the Clerk effective January 7, 2025, or an earlier date agreed to by the County and the Clerk. On December 7, 2021 the County and the Clerk entered into a local agreement in which the County continues to perform the recording function and agrees to pay the Clerk a stipulated amount annually that would serve as a stabilization fund while the Clerk establishes the infrastructure required to perform the recording function. The ILA Fund is classified as a major fund based on management's judgement.

Recording Fund - The Recording Fund accounts for all revenues and expenditures associated with the recording function that the Clerk will assume in 2025 as mentioned above (Interlocal Agreement Recording Fund). The Recording Fund will replace the ILA Recording Fund when the ILA agreement comes to an end and the Clerk has assumed the recording function duties and responsibilities from Broward County. The Recording Fund is classified as a major fund based on management's judgement.

Special Revenue Fund - Court Operations - This special revenue fund accounts for revenue sources that are legally restricted to expenditures for specific purposes. These funds include proceeds of specific revenue related to the Public Records Modernization and Technology Trust Funds. The State approves the use of these locally collected funds to the clerks of the courts through an appropriation process pursuant to Section 28.36, Florida Statutes.

Special Revenue Fund - Technology Trust Fund – This fund is supported by a statutory \$4.00 county recording fee, of which the Clerk receives \$1.90, and charges related to technology provided services. This fund accounts for specific revenue restricted to technology-related expenditures in support of the Clerk's information and technology endeavors.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 2 - Summary of Significant Accounting Policies (cont'd)

Non-major Governmental Funds

Special Revenue Fund - Public Records Trust Fund - Section 28.24 of the Florida Statutes entitles the Clerk to receive 25% of the moneys deposited by the County into the Public Records Modernization Trust Fund for equipment, maintenance of equipment, training, and technical assistance in modernizing the system for storing and maintaining records in the office of the Clerk. Related revenues and expenditures for the fiscal year ended September 30, 2025, were as follows (in thousands):

Revenues	\$ 159
Expenditures	<u>-</u>
Net change in fund balance	159
Fund Balance - Beginning	<u>1,644</u>
Fund Balance - Ending	<u><u>\$ 1,803</u></u>

Fiduciary Funds

Custodial Fund - The Custodial Fund accounts for assets held by the Clerk in a fiduciary capacity or as an agent for individuals, private organizations, other governments, and/or other funds. These assets include amounts deposited in the Clerk's court registry accounts and amounts collected for fines, forfeitures and costs, cash bonds, filings, other fees and interest income, judicial sales, and other miscellaneous items.

Measurement Focus and Basis of Accounting

The financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered available when they are collectible within the current period. Expenditures are generally recorded when liabilities are incurred, as under accrual accounting. However, expenditures related to compensated absences, claims and judgments are recorded only when payment is due.

BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

Note 2 - Summary of Significant Accounting Policies (cont'd)

Pronouncements Recently Adopted

GASB Statement No. 101, *Compensated Absences*. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures.

The requirements of this Statement are effective for fiscal year beginning after December 15, 2023. Management has implemented the new standard in compliance with the effective date.

GASB Statement No. 102, *Certain Risk Disclosures*. The objective of this Statement is to provide users of government financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints. The requirements of this Statement will improve financial reporting by providing users of financial statements with essential information that currently is not often provided. The disclosures will provide users with timely information regarding certain concentrations or constraints and related events that have occurred or have begun to occur that make a government vulnerable to a substantial impact. As a result, users will have better information with which to understand and anticipate certain risks to a government's financial condition.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2024, and all reporting periods thereafter. Management has implemented the new standard in compliance with the effective date.

Pronouncements Issued, Not Yet Effective

GASB Statement No. 103, *Financial Reporting Model Improvements*. The objective of this Statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. This statement also addresses certain application issues.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2025, and all reporting periods thereafter. Earlier application is encouraged. Management is currently evaluating the effect this statement has on the Clerk's financial statements.

GASB Statement No. 104, *Disclosure of Certain Capital Assets*. This Statement requires certain types of capital assets to be disclosed separately in the capital assets note disclosures required by Statement 34. Lease assets recognized in accordance with Statement No. 87, *Leases*, and intangible right-to-use assets recognized in accordance with Statement No. 94, *Public-Private and*

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 2 - Summary of Significant Accounting Policies (cont'd)

Pronouncements Issued, Not Yet Effective (cont'd)

Public-Public Partnerships and Availability Payment Arrangements should be disclosed separately by major class of underlying assets in the capital assets note disclosures. Subscription assets recognized in accordance with Statement No. 96, *Subscription-Based Information Technology Arrangements*, also should be separately disclosed. In addition, this Statement requires intangible assets other than those three types to be disclosed separately by major class.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2025, and all reporting periods thereafter. Earlier application is encouraged. Management is currently evaluating the effect this statement has on the Clerk's financial statements.

GASB Statement No. 105, *Subsequent Events*. This Statement defines subsequent events as transactions or other events that occur after the date of the financial statements but before the date the financial statements are available to be issued. This Statement describes the date the financial statements are available to be issued as the date at which (1) the financial statements are complete in a form and format that complies with generally accepted accounting principles and (2) approvals necessary for issuance have been obtained. That definition modifies the subsequent events time frame throughout the GASB literature. This Statement also requires the date through which subsequent events have been evaluated to be disclosed.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2026, and all reporting periods thereafter. Earlier application is encouraged. Management has reviewed the effect this statement will have on the Clerk's financial statements and will implement it in accordance with the statement's timelines.

Encumbrances

Encumbrance accounting (used in governmental accounting) records purchase orders, contracts, and other commitments for the expenditure of moneys in order to reserve that portion of the applicable appropriation. Both the General and Special Revenue Funds use encumbrance accounting when recording purchase orders.

Stewardship, Compliance, Accountability, and Budgetary Information

State statutes require all county governments to establish budgetary systems and to approve balanced annual budgets for such funds as required by law or by sound financial practices and accounting principles generally accepted in the United States. The Clerk is required to prepare an annual budget for its court-related operations using a process established by law and approved by the CCOC and the Florida Department of Financial Services.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 2 - Summary of Significant Accounting Policies (cont'd)

Stewardship, Compliance, Accountability, and Budgetary Information (cont'd)

State statutes require all county governments to establish budgetary systems and to approve balanced annual budgets for such funds as required by law or by sound financial practices and accounting principles generally accepted in the United States. The Clerk is required to prepare an annual budget for its court-related operations using a process established by law and approved by the CCOC and the Florida Department of Financial Services.

General Fixed Assets

Certain tangible personal property acquired during the fiscal year is a capital outlay expenditure recorded in the Governmental Fund Types at the time of purchase. Under Florida law, the County provides office space, telecommunications, courier transportation, and security services used in the Clerk's operations at no cost to the Clerk.

Capital assets, which include furniture, computer, and office equipment, are reported in the government-wide financial statements. Capital assets are defined by the Clerk as assets with an initial individual cost of more than \$1,000 and an estimated useful life in excess of one year. Such assets are recorded at historical cost.

The costs of normal maintenance and repairs that do not add to the value of the asset or do not materially extend the life of the asset are not capitalized.

Capital assets of the Clerk are depreciated using the straight-line method over the assets' estimated useful lives ranging from 3 to 30 years.

Employee Benefits

The Clerk's employees accumulate vacation and sick pay based on the number of years of continuous service. Upon termination of employment, employees may receive payment for accumulated leave in accordance with criteria outlined in the Clerk's organizational policies and Florida statutes. The cost of earned but unused vacation leave is accrued only to the extent that the leave will result in cash payments at termination. Actual cost of vested vacation and sick pay benefits is recognized when paid to employees. The Clerk records pension costs in the period salaries are earned (see Note 8).

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 2 - Summary of Significant Accounting Policies (cont'd)

Employee Benefits (cont'd)

The Clerk offers employees a deferred compensation plan (the Plan) as established in accordance with Internal Revenue Code Section 457. The Plan is available to Clerk's employees and permits them to defer a portion of their salary until termination, retirement, death, or unforeseeable emergency. In accordance with federal law, all assets and income of the Plan are held in trust accounts, custodial accounts, or annuity contracts by third party administrators for the exclusive benefit of the participants and their beneficiaries. The Clerk's involvement is limited to transmitting to plan administrators those amounts withheld from employees through payroll deductions. The Plan administrators perform all investing functions. Through contractual agreement and applicable law, plan assets will not be diverted for any other purpose and, therefore, are excluded from Fiduciary Fund reporting.

Government Grants and Matching Contributions

The Clerk recognizes grant revenues received as reimbursements for specific purposes when the associated expenditures are incurred.

Net Position

Net position represents the difference between assets and deferred outflows, and liabilities and deferred inflows, and is reported as restricted when limitations are imposed on their use either through enabling legislation or through external restrictions imposed by creditors, grantors, or laws and regulations of other governments.

Fund Balance

Fund balance represents the difference between assets and liabilities reported in the governmental fund financial statements and reflects the net current financial resources available at year-end. Fund balances are classified based on the level of constraint placed on the use of resources, including nonspendable, restricted, committed, assigned, and unassigned amounts, in accordance with applicable laws, regulations, and management intent.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 2 - Summary of Significant Accounting Policies (cont'd)

Fund Balance (cont'd)

The Technology Trust Fund reported a negative fund balance of \$319 thousand at September 30, 2025. During the current fiscal year, expenditures in the Technology Trust Fund exceeded available revenues. This variance is primarily attributable to funding restrictions established by State Statutes governing court operations, under which technology revenues are largely derived from a statutory percentage of recording fees. As the Clerk's operations continue to become more technology-driven, additional investments in technology infrastructure, systems, and support services have been necessary to meet operational demands. These increased technology-related expenditures outpaced current-year revenues, resulting in the fund balance deficit at year-end.

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement section, deferred outflows of resources, represents a consumption of net position that applies to future period(s) and so will not be recognized as an outflow of resources (expenses/expenditures) until that time. The Clerk currently reports deferred outflows related to pensions and OPEB in this category.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement section, deferred inflows of resources, represents an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time. The Clerk currently reports deferred inflows related to pensions and OPEB in the government-wide statements.

Pensions

In the governmental activities, Statement of Net Position, pension liabilities are recognized for the Clerk's proportionate share of each pension plan's net pension liability. For purposes of measuring the net pension liability, deferred outflows of resources related to pensions, deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Florida Retirement System Pension Plan (Pension Plan) defined benefit plan and the Health Insurance Subsidy (HIS) defined benefit plan and additions to and deductions from the Pension Plan's and the HIS's fiduciary net position have been determined on the same basis as they are reported by the Pension Plan and HIS plans. Changes in the net pension liability during the period are recorded as pension expense, deferred outflows of resources, or deferred inflows of resources depending on the nature of the change.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 2 - Summary of Significant Accounting Policies (cont'd)

Pensions (cont'd)

Those changes in the net pension liability recorded as deferred outflows of resources or deferred inflows of resources that arise from changes in actuarial assumptions or other inputs, changes in the proportionate share of the net pension liability, and differences between expected or actual experience are amortized over the average expected remaining service lives of all employees that are provided with pensions through the pension plans and recorded as a component of pension expense beginning with the period in which they arose. Differences between projected and actual investment earnings are reported as deferred outflows of resources or deferred inflows of resources and are amortized as a component of pension expense using a systematic and rational method over a five-year period.

Use of Estimates

Management's estimates and assumptions, required by generally accepted accounting principles, affect the reported assets, liabilities, and disclosures for contingent assets and liabilities as of the date of the financial statements as well as the revenues and expenditures for the reported period. Actual results could differ from those estimates.

Note 3 - Cash and Cash Equivalents

As of September 30, 2025, the carrying amount of the Clerk's Governmental Fund's operating cash and short-term investments, including repurchase agreements, had an approximated market value of \$21.9 million. The carrying amount of Fiduciary Fund cash and short-term investments as of September 30, 2025, consists of approximately \$63.5 million in demand deposits, with approximately \$2.1 million in repurchase agreements.

The Clerk's investment practices are governed by Florida Statutes, Chapters 125 and 280, which allow the Clerk to invest temporarily idle cash in designated depository financial institutions, interest bearing certificates, or any direct U.S. Government obligations or repurchase agreements.

Deposit balances are insured by either the Federal Depository Insurance Corporation or the State of Florida Multiple Financial Institution Collateral Pool, and funds are held in a state of Florida designated Qualified Public Depository (QPD); therefore, for the purpose of classification in accordance with Governmental Accounting Standards Board Statement No. 40, bank balances are considered fully secured but not insured and, accordingly, contain custodial credit risk.

Repurchase agreements are with a financial institution and collateralized by U.S. Government obligations held by the financial institution, segregated for the Clerk, but not held in the Clerk's name.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 3 - Cash and Cash Equivalents (cont'd)

For classification purposes in accordance with Governmental Accounting Standards Board Statement No. 40, these investments are considered fully secured, insured by the financial institution, registered in the State of Florida.

Note 4 - Capital Assets

The following is a summary of capital assets activity during the current year (in thousands):

	Beginning Balance	Increases (Decreases)	Ending Balance
Furniture and equipment	\$ 28,268	\$ 96	\$ 28,364
Less: accumulated depreciation	<u>(26,754)</u>	<u>(510)</u>	<u>(27,264)</u>
Total net capital assets	<u>\$ 1,514</u>	<u>\$ (414)</u>	<u>\$ 1,100</u>

Depreciation expense recognized during the current year was approximately \$510 thousand.

Note 5 - Intergovernmental Transactions

The amount due from other governmental agency of approximately \$364 thousand represents reimbursable costs incurred and accrued but not yet received as of the year ended September 30, 2025, for the Child Support Enforcement Program (\$143,229) funded by the Florida Department of Revenue, and Jury Administration reimbursement (\$220,348).

Note 6 - Appropriations

Court Operations

In accordance with Florida Statutes governing fines, fees, service charges and costs remitted to the State, the Clerk must remit to the Florida Department of Revenue the portion of collected fines, fees, service charges and court costs that is in excess of 1/4 of the Clerk's approved budget per Section 28.37(2), Florida Statutes. These funds are to be remitted quarterly.

For the county fiscal year (CFY) 2024-25, the Florida Legislature appropriated a clerk of courts statewide budget cap of approximately \$532.4 million. The CFY 2024-25 spending authority apportioned from this total for the Broward Clerk of Courts was \$45 million.

The CCOC's current calculation method for determining surplus funds, which are due to the state in January of each year for the most recent fiscal year just ended, matches the previous month's collections to the following month's expenditures. This calculation method is based on the CCOC's legal counsel's opinion of the statute concerning the clerks of courts budget process.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 6 - Appropriations (cont'd)

Court Operations (cont'd)

The Clerk's projected 2025 fiscal year revenues were estimated to be less than the CCOC approved budgeted expenditures by approximately \$5.9 million. Therefore, the Clerk will receive the deficit of \$1,810,442 from the Trust Fund quarterly, from the CCOC in 2025 in accordance with F.S. 28.37(3)(a).

As previously stated, the clerks of court are funded by fees collected locally as opposed to a specific line-item appropriation from the state. As required under the Florida Statutes, quarterly revenues collected in excess of 1/4 of a clerk's approved budget using the calculation method discussed above are remitted to the state. The monthly portion of local fees collected up to 1/12 of a clerk's budget is retained for operations independent of monthly expenditures.

Note 7 - Related Party Transactions

The Broward County Board of County Commissioners (the Board) also provides various non-cash resources to the Clerk throughout the fiscal year. Such non-cash resources include, but are not limited to, the use of data processing facilities, office space, and telecommunications equipment.

For the fiscal year ended September 30, 2025, the Clerk's office recorded the following amounts due to and from the Board (in thousands):

	Governmental Funds	Fiduciary Funds
Due from the Board for reimbursements not yet received	\$172	-
Due to the Board as a component of unremitted filing, other fees and interest income	-	\$631

The Clerk utilizes the self-insurance program of the Board. The self-insurance program provides coverage against workers' compensation claims (for losses up to \$500,000 per claim). The self-insurance program indemnifies each participant against any loss in a given year. Expenditures for insurance coverage charged by the Board for the fiscal year ended September 30, 2025, is \$298,780.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 8 - Pension Costs

Retirement Plans

All Clerk employees participate in the Florida Retirement System (FRS). As provided by Chapters 112 and 121, Florida Statutes, the FRS provides two cost sharing plans, multiple employer-defined benefit plans administered by the Florida Department of Management Services, Division of Retirement, including the Pension Plan and the Retiree Health Insurance Subsidy (HIS Plan). Under Section 121.4501, Florida Statutes, the FRS also provides a defined contribution plan (Investment Plan) alternative to the Pension Plan, which is administered by the State Board of Administration (SBA). As a general rule, membership in the FRS is compulsory for all employees working in a regularly established position for a Florida state agency, county government, district school board, state university, community college, or a participating city or special district. The FRS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. The Florida Legislature established and may amend the contribution requirements and benefit terms of all FRS plans.

The plan administrator for FRS prepares and publishes its own stand-alone annual comprehensive financial report, including financial statements and required supplementary information.

A. Pension Plan - Florida Retirement System (FRS)

Copies of this report are available from the Department of Management Services, Division of Retirement, Bureau of Research and Member Communications, P.O. Box 9000 Tallahassee, Florida 32315-9000; or at the Division's website (www.frs.myflorida.com).

Plan Description - The Pension Plan is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees. The general classes of membership for the Clerk are as follows:

- Regular Class - Members of the FRS who do not qualify for membership in the other classes.
- Senior Management Service Class (SMSC) - Members in senior management level positions.
- Elected Officers' Class (EOC) – Members who hold specified elected offices of local government.

Employees enrolled in the Pension Plan prior to July 1, 2011, vest after six years of creditable service, and employees enrolled in the Pension Plan on or after July 1, 2011, vest after eight years of creditable service. Regular Class, SMSC and EOC members initially enrolled in the Pension Plan before July 1, 2011, once vested, are eligible for normal retirement benefits at age 62 or at any age after 30 years of creditable service.

Members in these classes initially enrolled in the Pension Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 8 - Pension Costs (cont'd)

A. Pension Plan - Florida Retirement System (FRS) (cont'd)

Early retirement may be taken any time after vesting within 20 years of normal retirement age; however, a 5.0% benefit reduction is imposed for each year prior to the normal retirement age.

DROP is available under the Pension Plan when the member first reaches eligibility for normal retirement. The DROP allows a member to retire while continuing employment for up to 60 months.

While in the DROP, the member's retirement benefits accumulate in the FRS Trust Fund increased by a cost-of-living adjustment each July and earn monthly interest equivalent to an annual rate of 1.30%.

Benefits Provided - Benefits under the Pension Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the five highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the eight highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement plan and/or class to which the member belonged when the service credit was earned.

The following chart shows the percentage value for each year of service credit earned.

Class, Initial Enrollment, and Retirement Age/Years of Service	% Value (Per Year of Service)
Regular Class Members Initially Enrolled Before July 1, 2011	
Retirement up to age 62 or up to 30 years of service	1.60%
Retirement at age 63 or with 31 years of service	1.63%
Retirement at age 64 or with 32 years of service	1.65%
Retirement at age 65 or with 33 or more years of service	1.68%
Regular Class Members Initially Enrolled on or After July 1, 2011	
Retirement up to age 65 or up to 33 years of service	1.60%
Retirement at age 66 or with 34 years of service	1.63%
Retirement at age 67 or with 35 years of service	1.65%
Retirement at age 68 or with 36 or more years of service	1.68%
Senior Management Service Class	2.00%
Elected Officers' Class	
Service as Governor, Lt. Governor, cabinet officer, legislator, state attorney, public defender, elected county officer, or elected official of a city or special district that chose EOC membership for its elected officials	3.00%

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 8 - Pension Costs (cont'd)

A. Pension Plan - Florida Retirement System (FRS) (cont'd)

The benefits received by retirees and beneficiaries are increased by a cost-of-living adjustment (COLA) each July. If the member was initially enrolled in the Pension Plan before July 1, 2011, and all service credit was accrued before that time, the annual COLA is 3.0% per year. If the member was initially enrolled on or after July 1, 2011, there is an individually calculated COLA. The annual COLA is a proportion of 3.0% determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3.0%. Pension Plan members initially enrolled on or after July 1, 2011, will not have a COLA after retirement.

Contribution Rates - Effective July 1, 2011, all enrolled members of the Pension Plan, other than DROP participants, are required to contribute 3.0% of their salary to the Pension Plan. In addition to member contributions, governmental employers are required to make contributions to the Pension Plan based on state-wide contribution rates established by the Florida Legislature.

The actual employer contribution rates, which do not include the unfunded actuarial liability contributions, by job class for the periods from October 1, 2024, through September 30, 2025, respectively, were as follows: Regular – 11.97%; Senior Management Service – 31.18%; DROP participants 20.02% and Elected Officials – 60.56%. These rates include the normal cost and unfunded actuarial contributions but do not include the 2% contribution for the HIS Plan subsidy and the fee of .06% for administration of the FRS Investment Plan and provision of educational tools for both plans.

For the fiscal year ending September 30, 2025, contributions, including employee contributions, to the Pension Plan for the Clerk totaled \$3.3 million.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions – As of September 30, 2025, the Clerk reported a liability of \$14.2 million for its proportionate share of the Pension Plan's net pension liability. The net pension liability was measured as of June 30, 2025, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2025. The Clerk's proportionate share of the net pension liability was based on its share of the Clerk's 2024-2025 fiscal year contributions relative to the 2024-2025 fiscal year contributions of all participating members.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 8 - Pension Costs (cont'd)

A. Pension Plan - Florida Retirement System (FRS) (cont'd)

For the fiscal year ended September 30, 2025, the Clerk recognized pension expense of \$1.4 million. In addition, the Clerk reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources (in thousands):

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Experience	\$ 1,521	\$ -
Change of Assumptions	1,653	-
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	-	(2,377)
Changes in Proportion and Differences Between Pension Plan Contributions and Proportionate Share of Contributions	117	(2,370)
Pension Plan Contributions Subsequent to the Measurement Date	822	-
Total	\$ 4,113	\$ (4,747)

The deferred outflows of resources related to the Pension Plan totaling \$822 thousand for the Clerk resulting from contributions to the Plan subsequent to the measurement date will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the Pension Plan will be recognized in pension expense as follows (in thousands):

<i>Years Ending September 30</i>	Deferred Outflows/ (Inflows), Net
2026	\$ (4,214)
2027	749
2028	1,120
2029	889
Total	\$ 1,456

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 8 - Pension Costs (cont'd)

A. Pension Plan - Florida Retirement System (FRS) (cont'd)

Actuarial Assumptions - The total pension liability was determined by an actuarial valuation as of the valuation date, calculated based on the discount rate and actuarial assumptions below. The total pension liability is calculated using the Individual Entry Age Normal cost allocation method.

Discount rate	6.70%
Valuation Date	July 1, 2025
Measurement date	June 30, 2025
Inflation	2.40%
Payroll growth	3.50%
Mortality	PUB-2010 base table varies by member category and sex, projected generationally with Scale MP-2021
Investment Rate of Return	6.70%, net of pension plan investment expense, including inflation

The actuarial assumptions that determined the total pension liability as of June 30, 2025, were based on the results of an actuarial experience study for the period July 1, 2018, through June 30, 2023.

The long-term expected rate of return on Pension Plan investments was not based on historical returns but, instead, is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption. The target allocation and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

<i>Asset Class</i>	<i>Target Allocation*</i>	<i>Annual Arithmetic Return</i>	<i>Compound Annual (Geometric) Return</i>	<i>Standard Deviation</i>
Cash	1.0%	3.2%	3.2%	1.1%
Fixed Income	29.0%	5.5%	5.4%	4.0%
Global Equity	45.0%	8.5%	6.9%	18.3%
Real Estate (Property)	12.0%	8.4%	7.1%	16.8%
Private Equity	11.0%	12.4%	8.8%	28.4%
Strategic Investments	2.0%	6.5%	6.1%	8.7%
Total				
Assumed Inflation - Mean			2.4%	1.5%

*As outlined in the FRS Pension Plan's investment policy available from Funds We Manage on the SBA's website at www.sbafla.com.

BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 8 - Pension Costs (cont'd)

A. Pension Plan - Florida Retirement System (FRS) (cont'd)

Discount Rate - The discount rate used to measure the total pension liability was 6.70%. The Pension Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculation of the total pension liability is equal to the long-term expected rate of return.

Sensitivity of the Proportionate Share of the Net Position Liability to Changes in the Discount Rate - The following represents the Clerk's proportionate share of the net pension liability calculated using the discount rate of 6.70%, as well as what the proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (5.70%) or one percentage point higher (7.70%) than the current rate (in thousands):

	1% Decrease (5.70%)	Current Discount Rate (6.70%)	1% Increase (7.70%)
Proportional Share of the Net Pension Liability	\$27,946	\$14,240	\$2,749

Pension Plan Fiduciary Net Position - Detailed information regarding the Pension Plan's fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Comprehensive Annual Financial Report.

Payables to the Pension Plan - The Clerk reported payables of \$1,210 for outstanding contributions to the Pension Plan required for the fiscal year ended September 30, 2025.

B. Retiree Health Insurance Subsidy Program (HIS)

Plan Description - The HIS Plan is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes, and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of state administered retirement systems in paying health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided - For the fiscal year ended September 30, 2025, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month. To be eligible to receive these benefits, a retiree under a state administered retirement system must provide proof of health insurance coverage, which may include Medicare.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 8 - Pension Costs (cont'd)

B. Retiree Health Insurance Subsidy Program (HIS) (cont'd)

Contributions - The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. For the fiscal year ended September 30, 2025, the HIS contribution rate was 2%. The Clerk contributed 100% of its statutorily required contributions for the current and preceding three years. HIS Plan contributions are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or cancelled.

For the fiscal year ending September 30, 2025, contributions to the HIS Plan for the Clerk totaled \$155 thousand.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions – As of September 30, 2025, the Clerk reported a liability of \$7.6 million for its proportionate share of the HIS Plan's net pension liability. The net pension liability was measured as of June 30, 2025, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2025. The Clerk's proportionate share of the net pension liability was based on its share of the county's 2024-2025 fiscal year contributions relative to the 2024-2025 fiscal year contributions of all participating members.

For the fiscal year ended September 30, 2025, the Clerk recognized pension expense of \$148 thousand. In addition, the Clerk reported deferred outflows of resources and deferred in flows of resources related to pensions from the following sources (in thousands):

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Experience	\$ 45	\$ (12)
Change of Assumptions	67	(1,827)
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	-	(6)
Changes in Proportion and Differences Between Pension Plan Contributions and Proportionate Share of Contributions	-	(1,316)
Pension Plan Contributions Subsequent to the Measurement Date	155	-
Total	\$ 267	\$ (3,161)

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 8 - Pension Costs (cont'd)

B. Retiree Health Insurance Subsidy Program (HIS) (cont'd)

The deferred outflows of resources related to the HIS Plan, totaling \$155 thousand for the Clerk, resulting from contributions to the HIS Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the HIS Plan will be recognized in pension expense as follows (in thousands):

<i>Years Ending September 30</i>	Deferred Outflows/ (Inflows), Net
2026	\$ (673)
2027	(805)
2028	(678)
2029	(543)
2030	(350)
Thereafter	-
Total	\$ (3,049)

Actuarial Assumptions - Actuarial valuations for the HIS plan are conducted biennially. The June 30, 2024, HIS valuation is the most recent actuarial valuation and was used to develop the liabilities for June 30, 2025. The total pension liability as of June 30, 2025, was determined by using the following accrual assumptions:

Valuation Date	July 1, 2025
Measurement Date	June 30, 2025
Inflation	2.40%
Salary Increases	3.50% average, including inflation
Municipal bond index	5.20%
Actuarial cost method	Individual Entry Age

Mortality rates were based on the Generational PUB-2010 with Projection Scale MP-2021.

The actuarial assumptions that determine the total pension liability as of June 30, 2025, were based on certain results of an actuarial experience study of the FRS for the period July 1, 2018 – June 30, 2023.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 8 - Pension Costs (cont'd)

B. Retiree Health Insurance Subsidy Program (HIS) (cont'd)

Discount Rate - The discount rate used to measure the total pension liability at June 30, 2025 was 5.2%. In general, the discount rate for calculating the total pension liability under GASB 67 is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered, to be immediate. The single equivalent discount rate is equal to the municipal bond rate selected by the FRS Actuarial Assumption Conference. The discount rate used at the two dates differ due to changes in the applicable municipal bond index.

Sensitivity of the Proportionate Share of the Net Position Liability to Changes in the Discount Rate - The following represents the Clerk's proportionate share of the net pension liability calculated using the discount rate of 5.2%, as well as what the proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (4.2%) or one percentage point higher (6.2%) than the current rate (in thousands):

	1% Decrease (4.2%)	Current Discount Rate (5.2%)	1% Increase (6.2%)
Proportional Share of the Net Pension Liability	\$8,517	\$7,553	\$6,744

Pension Plan Fiduciary Net Position - Detailed information regarding the HIS Plan's fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Comprehensive Annual Financial Report.

At September 30, 2025, the Clerk had no outstanding contributions to the HIS Plan required for the fiscal year ended September 30, 2025.

C. Investment Plan

The SBA administers the defined contribution plan officially titled the FRS Investment Plan. The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Comprehensive Annual Financial Report.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 8 - Pension Costs (cont'd)

C. Investment Plan (cont'd)

As provided in Section 121.4501, Florida Statutes, eligible FRS members may elect to participate in the Investment Plan in lieu of the defined benefit pension plan. Clerk employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida Legislature. The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class, as the Pension Plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering the Investment Plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06% of payroll and by forfeited benefits of plan members.

Allocations to the investment member's accounts during the 2024-25 fiscal year, as established by Section 121.72, Florida Statutes, are based on a percentage of gross compensation, by class, as follows:

Membership Class	Percentage of Gross Compensation
FRS Regular	11.30
FRS Senior Manager Service	12.67
Elected Officer's Class	16.34

For all membership classes, employees are immediately vested in their own contributions and are vested after one year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the Pension Plan is transferred to the Investment Plan, the member must have the years of service required for Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Non-vested employer contributions are placed in a suspense account for up to five years. If the employee returns to FRS-covered employment within the five-year period, the employee will regain control over the account. If the employee does not return within the five-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended September 30, 2025, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the Clerk.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 8 - Pension Costs (cont'd)

C. Investment Plan (cont'd)

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution, or elect any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the Pension Plan, or the member may remain in the Investment Plan and rely upon that account balance for retirement income.

The Investment Plan pension expense for the Clerk for the fiscal year ended September 30, 2025 was approximately \$1.7 million.

The Clerk reported payables in the amount of approximately \$25 thousand for outstanding contributions to the investment Plan required for the fiscal year ended September 30, 2025.

Note 9 - Other Post-Employment Benefits (OPEB)

The Clerk is included in Broward County's engagement of an actuarial firm to determine the estimated obligation associated with post-employment health insurance benefits. However, The Clerk provides its own single-employer, defined-benefit healthcare plan. The plan allows its employees and their beneficiaries to continue obtaining health, dental and other insurance benefits upon retirement. The benefits of the plan conform to Florida statutes, which are the legal authority for the plan. The plan has no assets and does not issue separate financial reports.

Plan Description: The Clerk offers a single-employer defined benefit plan (OPEB plan) that subsidizes the cost of health care for its retirees and eligible dependents. The Clerk allows retirees and certain other former employees to buy healthcare coverage at the same "group insurance rates" that current employees are charged. Although retirees pay for healthcare at group rates, they are receiving a valuable benefit because they can buy insurance at costs that are lower than the costs associated with the experience rating for their age bracket. The availability of this lower cost health insurance represents an "implicit subsidy" for retirees.

Benefits Provided

The Clerk provides retirees health insurance coverage at current health insurance rates plus an additional 2% for administrative costs.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 9 - Other Post-Employment Benefits (OPEB) (cont'd)

Funding Policy

The Plan is funded on a pay as you go basis based upon the costs of the health plans offered. No assets are accumulated in an OPEB qualified trust to offset future actuarial liabilities for implicit subsidies.

Plan Membership

As of September 30, 2025, there were 2 retired participants in the Clerk's OPEB program.

Total OPEB Liability

The Clerk's total OPEB liability of \$779,322 was measured as of September 30, 2025 and was determined by an actuarial valuation as of October 1, 2025, which was used to develop the liabilities for September 30, 2025.

Actuarial Assumptions and Other Inputs

Measurement Date:	September 1, 2025
Mortality:	Various Pub-2010 generational tables projected generationally using MP-2021
Discount Rate:	4.9%
Projected Cash Flow:	Pay as you go
Municipal Bond Rate:	20 Year Tax-Exempt GO
Bond Rate Basis:	AA/Aa or higher
Projected Salary Increases:	3.5%
Healthcare Cost Trend Rate:	8% Initial – 4.5% Ultimate

The plan is unfunded; hence no projection of Fiduciary Net Position is required.

Note 9 - Other Post-Employment Benefits (OPEB) (cont'd)

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the fiscal year ended September 30, 2025, the Clerk reported service cost of \$31,506. As of September 30, 2024, the Clerk reported deferred outflow of resources and deferred inflow of resources related to OPEB from the following sources (in thousands).

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Balance as of October 1, 2024	\$ 88	\$ (1,059)
Differences between expected and actual experience	46	165
Change in assumptions	44	32
Total	\$ 178	\$ (862)

The balance on June 30, 2025, of deferred outflow/(inflows) of resources will be recognized in OPEB expenses in the future fiscal years as noted below.

Fiscal Year Ending June 30,	Deferred Outflows/ (Inflows), Net
2026	\$ (172,571)
2027	(172,575)
2028	(89,209)
2029	(89,204)
2030	(68,294)
Thereafter	(92,287)
	\$ (684,140)

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

Note 10 – Long-term Liabilities

Long-term liability activity for the year ended September 30, 2025, is as follows:

(In Thousands)

	Beginning Balance	Additions	Deletions	Ending Balance
Compensated absences	\$ 5,617	\$ 716	\$ -	\$ 6,333
Net pension liability	27,245	-	(5,452)	21,793
Net OPEB liability	599	193	(13)	779
Total	\$ 33,461	\$ 909	\$ (5,465)	\$ 28,905

Employees of the Clerk may accumulate both unused vacation and sick leave up to a specified limit. Sick leave payouts are payable up to 50% on a maximum of 960 hours at the rate of pay on that date to employees who voluntarily resign in good standing. Vacation leave payouts are 100% payable up to a maximum of 280 hours.

Note 11 - Elimination of Internal Activity

In the government-wide Statement of Activities, inter-fund activity, such as transfers in and out as well as transfers within the Governmental Activities category, are eliminated. Inter-fund services provided and used between functions are not eliminated because removing inter-fund services would distort the functional expenditures presented in the Statement of Activities.

Note 12 - Commitments and Contingent Liabilities

Grant Awards

Costs reflected in the accompanying financial statements relating to the Florida Department of Revenue funded Child Support Enforcement program are subject to audit by the grantor agency. The possible disallowance by the grantor agency of any item charged to the program, if any, cannot be determined at this time. No provision for any liability that may result has been made in the financial statements. A significant reduction in the level of this funding, if this were to occur, would have an effect on the Clerk's ability to carry out the activities of the Child Support Enforcement Program.

CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

Note 12 - Commitments and Contingent Liabilities (cont'd)

Grant Awards (cont'd)

Florida Department of Law Enforcement (FDLE) received 2010 federal fiscal year National Instant Criminal Background Check System (NICS) Act Record Improvement Program (NARIP) grant funding for projects and/or activities that would assist in the identification of barriers to disposition reporting and criminal history information in the repository, as well as improve the completeness, automation and transmittal of warrant and disposition information. Recently, FDLE received additional federal funding to continue various projects associated with the improvement of records available to NICS. This project is part of a strategic plan to improve data available for the NICS program and is built on the results of the projects conducted under the NARIP initiative in the previous year and targets a specific area identified for improvement. Project efforts are structured to continue increasing data measures by distributing funds to the courts and local law enforcement, with the understanding that these partners are critical to increasing disposition and civil mental health data.

Litigation

The Clerk is a party to various legal proceedings covering a wide range of matters which normally occur in governmental operations. It is the opinion of the Clerk and the Clerk's legal counsel that any liability that may ultimately result from the resolutions of these matters will not exceed its insurance coverage and will not have a material adverse effect on the Clerk's financial statements.

Note 13 - Net Pension Liability

The Florida Retirement System (FRS) Actuarial Assumption Conference is responsible for setting the assumptions used in the valuations of the defined benefit pension plans pursuant to section 216.136(10), Florida Statutes.

Note 14 – Restatement – Prior Period Adjustment

The beginning net position of the Clerk's governmental activities as of October 1, 2024, was restated to correct an error related to prior-year accounting. During the prior year, amounts that had already been paid were not properly accounted for. A journal entry was required to appropriately reflect these prior-year activities and correct the misstatement. As a result, an adjustment of approximately \$775,000 was recorded to properly reflect the financial position as of the beginning of the fiscal year. The restatement adjustment is summarized below for the affected opinion unit.

SEPTEMBER 30, 2025**

Note 14 - Restatement – Prior Period Adjustment (cont'd)

Governmental Activities	<u>Net Position</u>	<u>Accrued Liabilities</u>
Net Position - October 1, 2024, as previously reported	\$ (22,157)	\$ 775
Restatement – error correction	(775)	(775)
Net Position - October 1, 2024, as restated	\$ (22,932)	\$ -

Note 15 - Subsequent Event

The Clerk has evaluated events and transactions for subsequent events that would impact the financial statements for the year ended September 30, 2025, through March 27, 2026 the date the financial statements were available to be issued. There were no subsequent events that require recognition or disclosure in the financial statements.

ANTHONY BRUNSON P.A.

CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS ADVISORS

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To Honorable Brenda Forman, Clerk of the Circuit
and County Courts of Broward County, Florida
Seventeenth Judicial Circuit of Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Clerk of the Circuit and County Courts of the Broward County, Florida, Seventeenth Judicial Circuit of Florida (the Clerk), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Clerk's basic financial statements and have issued our report thereon dated March 25, 2026. Our opinion included an emphasis of matter paragraph related to the correction of an error. This resulted in the restatement of the net position of the governmental activities and the ILA fund balance as of October 1, 2024. Our opinions are not modified with respect to this matter.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Clerk's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Clerk's internal control. Accordingly, we do not express an opinion on the effectiveness of Clerk's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified deficiencies in internal control, described in the accompanying schedule of findings and responses as items **IC 2025-01** and **IC 2025-02** that we consider to be significant deficiencies.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Clerk's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Clerk's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the Clerk's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The Clerk's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in black ink, appearing to read "Ally Zia Y.A.", is positioned above the typed name and date.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
SCHEDULE OF FINDINGS AND RESPONSES
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

Current Year - Financial Statements

A. Internal Control

IC 2025-01 – Year-End Financial Reporting and Reconciliation Processes

Criteria: Internal control policies and procedures should provide reasonable assurance that financial reporting is reliable and that accounting transactions are accurately recorded in the proper fiscal period. Effective year-end closing processes should ensure that account balances are reconciled, reviewed, and supported by complete and accurate documentation.

Condition: Significant accounting adjustments were required to correct account balances in order for the financial statements to conform with generally accepted accounting principles. Certain payments that occurred in the prior accounting period were not effectively recorded in the appropriate fiscal period, resulting in restatement of balances at the beginning of the fiscal year-end.

Context: The condition relates to the overall effectiveness of the year-end financial reporting and reconciliation process. The errors identified indicate that established procedures were not consistently applied throughout the fiscal year, particularly during the year-end closeout and review cycle.

Cause: Internal controls designed to ensure timely and accurate reconciliation and review of financial activity did not operate effectively. Routine reviews did not identify the errors, and transactions were not consistently recorded in the correct fiscal period. These breakdowns in control execution contributed to inaccurate balances being reported at year-end and necessitated prior-year adjustment.

Effect: The government-wide beginning net position and ILA fund balance as of October 1, 2024, was restated to properly report financial statement balances.

Recommendation: We recommend that management strengthen internal controls over the year-end financial reporting process by ensuring that all account balances are reconciled and reviewed in a timely manner and that transactions are recorded in the correct fiscal period. Management should evaluate the design and operating effectiveness of existing procedures and implement any necessary enhancements to promote accurate, complete, and properly supported financial statement balances on an ongoing basis.

Views of the responsible Officials and Planned Corrective Action: Management concurs with the recommendation of the auditor. The adjusting entries referenced were a result of internal reviews of certain account balances and activity at the fiscal year end. To avoid this going forward, these reviews will be conducted on an ongoing basis throughout the fiscal year rather than primarily at or near year-end. This internal control procedure will be implemented immediately and will reduce the adjustments during future audits.

**CLERK OF THE CIRCUIT AND COUNTY COURT
BROWARD COUNTY, FLORIDA
SCHEDULE OF FINDINGS AND RESPONSES
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

Current Year - Financial Statements (cont'd)

B. Internal Control over Compliance

IC 2025-02 – Submission of Data

Criteria: Florida Statutes 28.35 and 28.36 establish performance standards and budget requirements for Clerks of the Circuit Court, including the obligation to submit accurate, complete, and timely operational and performance data to the Florida Clerks of Court Operations Corporation (CCOC). Internal controls should ensure that all reported performance measures, such as case processing volumes, and other workload indicators, are supported by reliable source documentation and reviewed for accuracy prior to submission.

Condition: During our review of the Clerk's quarterly performance submissions, we noted that the number of summons reported for the first quarter of the fiscal year was incorrect. The figure submitted did not agree with underlying supporting records, resulting in an inaccurate performance measure being reported to the CCOC.

Context: This issue relates specifically to the accuracy of performance data submitted under the statutory reporting framework. The error was isolated to one quarterly submission; however, the nature of the discrepancy indicates that existing review procedures did not detect the incorrect data prior to submission.

Cause: Internal controls over the preparation and review of quarterly performance submissions were not operating effectively. The data used for reporting was not sufficiently reconciled to supporting documentation, and the review process did not identify the incorrect number of summons before the submission was finalized.

Potential Effect: The Clerk submitted inaccurate performance information to the CCOC for the first quarter of the fiscal year. Inaccurate reporting may affect the Clerk's compliance with statutory performance standards and could impact statewide assessments of workload, performance, and budgetary needs.

Recommendation: We recommend that management strengthen internal controls over the preparation and review of quarterly performance submissions by ensuring that all reported data is reconciled to supporting documentation and independently reviewed for accuracy prior to submission. Enhancing these controls will help ensure compliance with F.S. 28.35 and 28.36 and promote the reliability of performance information reported to the CCOC.

Management Responses: Management acknowledges the amount noted as incorrectly reported was indeed an error that was not caught in the report's preparation not in review. Management will counsel and train staff and supervisors on the importance of review as part of the internal control framework to emphasize the need for accuracy. This will be implemented immediately.

CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS ADVISORS

MANAGEMENT LETTER IN ACCORDANCE WITH THE RULES OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA

To the Honorable Brenda Forman, Clerk of the Circuit
and County Courts of Broward County, Florida
Seventeenth Judicial Circuit of Florida

Report on the Financial Statements

We have audited the financial statements of the Clerk of the Circuit and County Courts of the Broward County, Florida, Seventeenth Judicial Circuit of Florida (the Clerk) as of and for the fiscal year ended September 30, 2025, and have issued our report thereon dated March 25, 2026. Our opinion included an emphasis of matter paragraph related to the correction of an error. This resulted in the restatement of the net position of the governmental activities and the ILA fund balance as of October 1, 2024. Our opinions are not modified with respect to this matter.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; Schedule of Findings and Questioned Costs; and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports and schedule, which are dated March 25, 2026, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1, Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Findings or recommendations made in the preceding audit report were addressed in the Summary Schedule of Prior Year's Findings.

Official Title and Legal Authority

Section 10.554(1)(i)4, Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. This disclosure has been made in Note 1 to the Clerk's financial statements.

Financial Condition and Management

Section 10.554(1)(i)2, Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did note any such findings.

Additional Matters

Section 10.554(1)(i)3, Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material, but which warrants the attention of those charged with governance. In connection with our audit, we did note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal, and other granting the Honorable Brenda Forman, Clerk of the Circuit and County Courts of Broward County, Florida Seventeenth Judicial Circuit of Florida, and management of the Clerk, and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink, appearing to read "Holly Dine Y.A.", is written over the printed name.

CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS ADVISORS

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTIONS 28.35 AND 28.36, FLORIDA STATUTES

To Honorable Brenda Forman, Clerk of the Circuit
and County Courts of Broward County, Florida
Seventeenth Judicial Circuit of Florida

We have examined the Clerk of the Circuit and County Courts of the Broward County, Florida, Seventeenth Judicial Circuit of Florida (the Clerk) compliance with the requirements of Sections 28.35 and 28.36, Florida Statutes during the period ended September 30, 2025. Management is responsible for the Clerk's compliance with those requirements. Our responsibility is to express an opinion on the Clerk's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Clerk complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Clerk complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that our examination provides a reasonable basis for our opinion.

We are required to be independent and to meet out other ethical responsibilities in accordance with relevant ethical requirements relating to the examination agreement.

Our examination does not provide a legal determination on the Clerk's compliance with specified requirements.

In our opinion, the Clerk complied, in all material respects, with Section 28.35 and 28.36 Florida Statutes compliance requirements; during the period of October 1, 2024, to September 30, 2025.

This report is intended solely for the information and use of Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Honorable Brenda Forman, Clerk of the Circuit and County Courts of Broward County, Florida Seventeenth Judicial Circuit of Florida, and management of the Clerk, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTION 61.181, FLORIDA STATUTES

To Honorable Brenda Forman, Clerk of the Circuit
and County Courts of Broward County, Florida
Seventeenth Judicial Circuit of Florida

We have examined the Clerk of the Circuit and County Courts of the Broward County, Florida, Seventeenth Judicial Circuit of Florida (the Clerk) compliance with the requirements of Section 61.181, Florida Statutes during the period ended September 30, 2025. Management is responsible for the Clerk's compliance with those requirements. Our responsibility is to express an opinion on the Clerk's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Clerk complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Clerk complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that our examination provides a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination does not provide a legal determination on the Clerk's compliance with specified requirements.

In our opinion, the Clerk complied, in all material respects, with Section 61.181 Florida Statutes compliance requirements; during the period of October 1, 2024 to September 30, 2025.

This report is intended solely for the information and use of Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Honorable Brenda Forman, Clerk of the Circuit and County Courts of Broward County, Florida Seventeenth Judicial Circuit of Florida, and management of the Clerk, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

To Honorable Brenda Forman, Clerk of the Circuit
and County Courts of Broward County, Florida
Seventeenth Judicial Circuit of Florida

We have examined the Clerk of the Circuit and County Courts of the Broward County, Florida, Seventeenth Judicial Circuit of Florida (the Clerk) compliance with Section 218.415, *Florida Statutes, Local Government Investment Policies* for the year ended September 30, 2025. Management is responsible for the Clerk's compliance with those requirements. Our responsibility is to express an opinion on the Clerk's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Clerk complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Clerk complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risk of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on the Clerk's compliance with specified requirements.

In our opinion, the Clerk complied, in all material respects, with the aforementioned requirements during the period of October 1, 2024 to September 30, 2025.

This report is intended solely for the information and use of Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Honorable Brenda Forman, Clerk of the Circuit and County Courts of Broward County, Florida Seventeenth Judicial Circuit of Florida, and management of the Clerk, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Housing Finance Authority
Broward County, Florida

Report on the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities and the governmental fund of the Housing Finance Authority of Broward County, Florida ("the Authority"), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the governmental fund of the Authority, as of September 30, 2025 and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1, the financial statements of the Authority, are intended to present the financial position and the changes in financial position of only that portion of the governmental activities and governmental fund of Broward County, Florida that is attributable to the transactions of the Authority. They do not purport to, and do not, present fairly the financial position of Broward County, Florida, as of September 30, 2025 the changes in its financial position, or, where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information, schedules of proportionate net pension liability and schedules of retirement contributions on pages 4-9 and 39-44 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 20, 2026, on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering reporting and compliance.

Miramar, Florida
February 20, 2026

The Housing Finance Authority of Broward County, Florida (“the Authority”) was established in 1979 by Ordinance of Broward County, Florida (County) Board of County Commissioners, to provide funding for affordable housing to very low, low, and moderate income households in the County. The Housing Finance and Community Redevelopment Division (“HFCRD”) administers all programs of the Authority as well as various affordable housing programs for Broward County. The Authority is a quasi-governmental agency governed by a nine (9) member board appointed by the Broward County Board of County Commissioners in accordance with Florida State Statute. To date, the Authority has provided single family homes, town homes, condominiums, and rental units to Broward County residents through the organization of single family and multi-family tax-exempt bond issues and a consortium of local lenders.

OVERVIEW

A number of activities are administered by the Authority to accomplish its goals:

Single Family Bond Program

The Single Family Bond Program features low, fixed-rate mortgages and down payment assistance to qualified buyers. All options feature a 30-year, fixed rate first mortgage with no origination fees and with any discounts being charged to the loans. Several modified mortgages may reflect terms longer than 30 years. The first mortgage and note are exempt from documentary stamps and intangible tax.

Multi-Family Bond Program

Multi-family housing revenue bonds are issued by the Authority to finance the construction or acquisition of developments which are intended for occupancy in part by persons of low, moderate, or middle income. Developers who are approved after submission of an application and applicable fees utilize the proceeds of the bonds to acquire, renovate and/or construct multi-family housing facilities. The bond issues are fixed or variable rates with various terms.

Mortgage Credit Certificates

The Mortgage Credit Certificate Program (“MCC”) offers a federal income tax credit, not a loan, that may be used in conjunction with the first mortgage (except a mortgage revenue bond loan) to help qualify the buyer and provide additional income for the life of the loan. An MCC helps qualify homebuyers by increasing take home pay. This credit may be available to prospective homebuyers who meet income and sales price limits.

Single Family Revolving Line of Credit

The Single-Family Line of Credit (“LOC”) is available to a Borrower who has entered into a LOC agreement with the Authority. The Borrower will lend the LOC proceeds to agencies or contractors for construction and/or equipping of single-family residential units (“Projects”) located within Broward County, which will be sold to, and occupied by income eligible households. Income eligible households must be comprised of one or more natural persons or a family that has a total annual gross household income that does not exceed 120% of the median annual income adjusted for family size, for households within Broward County. LOC terms generally require that Projects must be owned by a governmental entity or non-profit corporation and are part of a governmental infill housing program.

Single Family Revolving Line of Credit (cont'd)

Additionally, interest rates are capped and the sale price on Project homes shall not exceed 90 percent of the median area purchase price in the area wherein the single-family home is located. Single-family homes may include detached homes, townhouses, or condominiums.

Management's Discussion and Analysis is being presented to provide additional information regarding the activities of the Authority and to meet the disclosure requirements of Governmental Accounting Standards Board Statement No. 34, *Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments*. This analysis should be read in conjunction with the Independent Auditor's Report, financial statements, and accompanying notes.

DISCUSSION OF FINANCIAL STATEMENTS

The financial section consists of three parts:

- Independent auditor's report
- Management's discussion and analysis (this section)
- Basic financial statements, including notes to the financial statements

The Basic Financial Statements consist of:

Authority-wide Financial Statements

- *Statement of Net Position*
- *Statement of Activities*

Fund Financial Statements

Governmental Fund

- *Balance Sheet*
- *Statement of Revenues, Expenditures and Changes in Fund Balances*

The Statement of Net Position answers the question: "What is our financial position at the end of year?" The statement includes all assets and liabilities, both financial and capital, and short-term and long-term, using the accrual basis of accounting and is similar to the accounting presentation used by most private-sector companies. All of the Authority's current year's revenues and expenses are accounted for in the Authority-wide *Statement of Activities*. This statement measures the results of the Authority's operations over the past year and can be used to determine whether the Authority has successfully recovered all of its costs through mortgages and loans, externally funded programs and other revenue sources.

The General Fund Balance Sheet and Statement of Revenues, Expenditures and Changes in Fund Balances presents the same information in a more traditional current resources measurement focus governmental presentation, using the modified accrual basis of accounting. Governmental funds' statements focus on (1) how cash and other financial assets can readily be converted to cash flow in and out, and (2) the balances left at year-end that are available for spending. Consequently, the governmental funds' statements provide a detailed short-term view that helps the reader determine whether there are more or fewer financial resources that can be spent in the near future to finance the Authority's programs.

The financial statements include Notes to Financial Statements which provide more detailed explanations of certain information contained in the financial statements.

The following supplementary information is also provided:

- Budgetary Comparison Schedule

The Budgetary Comparison Schedule measures the Authority's ability to plan its revenues and expenditures and generate sufficient cash to continue its programs. There were no variations between the original and final budget. The overall positive variance of actual results compared to budget was attributable to the combined effect of an excess of actual revenues over budgeted revenues and an excess of actual expenditures over budgeted expenditures.

The Authority is a self-supporting entity, with no taxing authority, and does not receive grants from any government entity. It is considered a component unit of Broward County and is discretely presented in the County's financial statements.

FISCAL YEAR HIGHLIGHTS

Issued Mortgage Credit Certificates in the amount of \$173,824 to provide qualifying households an annual tax credit in an amount up to 50% of the first mortgage interest. The households are entitled to the tax credit annually for the term of the mortgage, so long as the homebuyers continue to reside in the home. (Note: annual tax credits for Mortgage Credit Certificates issued with a tax credit percentage greater than 20% are capped at \$2,000 annually.) The MCC program assisted approximately 5 households in Broward County.

There are 4,420 affordable rental housing units currently available. Occupancy for all Authority rental properties during the fiscal year has been maintained at 98%.

Assets and deferred outflows of resources exceed liabilities and deferred inflows of resources by \$19.0 million, of which approximately \$0.8 million is invested in capital assets and \$18.2 million is unrestricted.

Total program revenue was \$1,620,291, a decrease of \$202,952 as compared to prior year, which is primarily attributable to decreased fees associated with financing or refinancing of multifamily bond transactions.

Total expenses as compared to prior year decreased \$23,062 by approximately 0.5%.

Investment income decreased by \$483,508 as compared to the prior year primarily as a result of market conditions and changes in the composition of the holdings in the investment portfolio.

Capital Assets and Long-Term Debt

As of September 30, 2025, the Authority had \$854,803 invested in a variety of capital assets, net of accumulated depreciation. This represents a net decrease (additions, deductions, and depreciation) of \$25,900 or 3% from the end of last year. There was no debt outstanding related to capital assets.

As of September 30, 2025, the Authority had \$729,712 in outstanding long-term liabilities. This represents a net decrease of \$88,905 resulting primarily from a decrease in net pension liability.

FINANCIAL ANALYSIS

Net position may serve over time as a useful indicator of a government's financial position. Net position is \$19.0 million and equals the total assets plus deferred outflows of resources less the total liabilities and deferred inflows of resources.

Table A
Statement of Net Position
Condensed Comparative Data

	Fiscal Year 2025	Fiscal Year 2024
Current and other assets	\$ 19,261,211	\$ 18,045,050
Capital assets	<u>854,803</u>	<u>880,703</u>
Total assets	<u>20,116,014</u>	<u>18,925,753</u>
Deferred outflows of resources	82,305	120,317
Long-term liabilities	729,712	818,617
Other liabilities	<u>372,024</u>	<u>331,599</u>
Total liabilities	<u>1,101,736</u>	<u>1,150,216</u>
Deferred inflows of resources	<u>75,548</u>	<u>48,690</u>
Net position		
Net investment in capital assets	854,803	880,703
Net position – unrestricted	<u>18,166,232</u>	<u>16,966,461</u>
Net position	<u>\$ 19,021,035</u>	<u>\$ 17,847,164</u>

The change in net position of \$1,158,138 as compared to prior year change in net position of \$1,821,536, is primarily attributable to a combination of an decrease in program revenues of \$202,952, a decrease in interest and investment income of \$483,508 and a decrease in expenses of \$23,062.

Table B
Statement of Activities
Condensed Comparative Data

	<u>Fiscal Year 2025</u>	<u>Fiscal Year 2024</u>
Revenues:		
Program revenues	\$ 1,620,291	\$ 1,823,243
Interest and investment income (loss)	<u>628,159</u>	<u>1,111,667</u>
Total revenues (deficit)	<u>2,248,450</u>	<u>2,934,910</u>
Expenses:		
Personnel services	673,787	642,935
Professional fees	173,680	177,690
General and other expenses	<u>242,845</u>	<u>292,749</u>
Total expenses	<u>1,090,312</u>	<u>1,113,374</u>
Change in net position	<u>1,158,138</u>	<u>1,821,536</u>
Net position – beginning (*)	<u>17,862,897</u>	<u>16,025,628</u>
Net position – ending (*)	<u>\$ 19,021,035</u>	<u>\$ 17,847,164</u>

(*) Net position – beginning differs from prior year Net position – ending because it was adjusted by \$15,733 as required for change in accounting principle explained in Note 11.

ECONOMIC FACTORS AND FINANCIAL OUTLOOK

The Housing Finance Authority is affected by various economic conditions especially a low interest rate environment which may result in the following impacts:

- Interest income on investment securities is affected; and
- Normal operating cost increases become more difficult to absorb as revenues decline.

In addition to the normal impediments faced by Housing Finance Authorities, the housing sector has been particularly challenging due to a number of factors:

- Increase in the cost of homeownership;
- High building costs and property taxes;
- COVID
- Restrictions on rental rates; and
- The Authority's ability to issue tax-exempt debt is limited by federal tax law. Annually prescribed amounts of private activity bond authority are allocated to each state.

The Authority is employing a number of initiatives and strategies to increase fees, reduce costs and to maximize its investment income while maintaining the safety of those investment dollars. The Authority will remain opportunistic with these and other strategies.

Requests for Information

This financial report is designed to provide a general overview of the Authority's finances for all those with an interest in the Authority's finances and to demonstrate the Authority's accountability for the money it receives. Questions concerning any of the information provided in this report or requests for additional information should be addressed to the Housing Finance Authority of Broward County, Florida, Assistant to the Executive Director, 110 Northeast 3rd Street, Suite 300, Fort Lauderdale, FL 33301.

	<u>Governmental Activities</u>

FUND BALANCES

Assigned	1,084,859
Unassigned	<u>17,804,328</u>
Total Fund Balances	<u>18,889,187</u>

Amounts reported for governmental activities in the statement of net position are different because:

Capital assets used in governmental activities are not financial resources and therefore, are not reported in the fund:

Capital assets	1,875,436	
Less accumulated depreciation	<u>(1,020,633)</u>	854,803

Some of the liabilities are not due and payable in the current period and therefore, are not reported as a fund liability:

Compensated absences	(95,629)
Net deferred outflows (inflows) of resources	6,757
Net pension liability	<u>(634,083)</u>
Net position of governmental activities	<u>\$ 19,021,035</u>

The accompanying notes are an integral part of these financial statements.

HOUSING FINANCE AUTHORITY OF BROWARD COUNTY
(A Component Unit of Broward County, Florida)
STATEMENT OF REVENUES, EXPENDITURES AND CHANGES
IN FUND BALANCES - GOVERNMENTAL FUND
FOR THE YEAR ENDED SEPTEMBER 30, 2025

	<u>Governmental Fund</u>
Revenues	
Charges for services	\$ 1,473,309
Rentals	146,982
Interest and investment income	<u>628,159</u>
Total revenues	<u>2,248,450</u>
Expenditures	
Current:	
Personnel services	682,089
Professional fees	173,680
General expenditures	<u>216,945</u>
Total expenditures	<u>1,072,714</u>
Change in fund balances	1,175,736
Total fund balances – beginning	<u>17,713,451</u>
Total fund balances – ending	<u>\$ 18,889,187</u>
Changes in fund balances - governmental fund	<u>\$ 1,175,736</u>
Amounts reported for governmental activities in the statement of activities are different because:	
<i>Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the net amount of depreciation expense and disposals.</i>	\$ (25,900)
Some expenses reported in the statement of activities do not require the use of financial resources and therefore are not reported as expenditures in governmental funds.	
Pension	12,664
Compensated absences	<u>(4,362)</u>
Changes in net position of governmental activities	<u>\$ 1,158,138</u>

The accompanying notes are an integral part of these financial statements.

The Authority was established in 1979 by Broward County, Florida (“the County”) for the purpose of encouraging the investment of private capital and stimulating the construction of residential housing for low and moderate income families through the use of public financing. The Authority’s governing board (“the Authority Board”) is appointed by the County. Although the County does not have the authority to approve the Authority’s budget, the Authority’s contracts and negotiated bond issues must be approved by the County.

For financial statement reporting purposes, the Authority is considered a component unit of the reporting entity of the Broward County Board of County Commissioners (“the BOCC Board”) due to the oversight responsibility exercised by the BOCC Board and because the public service provided by the Authority is for the benefit of County residents. The Authority is an integral part of the reporting entity and, thus, is included in the Comprehensive Annual Financial Report of the County.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation and Basis of Accounting

These financial statements have been prepared in conformity with reporting guidelines established by the Governmental Accounting Standards Board (“GASB”) and accounting practices prescribed by the Auditor General, State of Florida. As such the required financial statements used are described below.

Authority-wide financial statements: The statement of net position and the statement of activities display information about the activities of the Authority using the accrual basis of accounting which is similar to the accounting presentation used by most private-sector companies.

Fund financial statements: The balance sheet and the statement of revenues, expenditures and changes in fund balances show the degree to which expenditures are offset by program revenues. The Authority reports in a single fund, the Operating Fund. Program revenues include 1) charges to applicants or bond issues for services provided and 2) rental income. These statements are presented in the traditional governmental presentation which includes capital outlays as expenditures and excludes depreciation and other non-current assets and liabilities, on a modified accrual basis.

Measurement Focus

Authority-wide Financial Statements: The Authority follows the accrual basis of accounting for its Authority-wide financial statements, and accordingly, recognizes revenues when earned and expenses at the time liabilities are incurred, regardless of when the related cash flows take place. The Authority also distinguishes program revenue and general revenue. Program revenue generally results from providing services in connection with the principal ongoing operations. The principal revenues of the Authority are charges to customers for services and fees for issuance of bonds.

Fund Financial Statements: Governmental Fund - The governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. The Authority considers all revenues reported in the Operating Fund to be available if the revenues are collected within sixty days after year-end. Expenditures are recorded when the related fund liability is incurred.

Assets, Liabilities, and Equity

Deposits and Investments — The cash balances of substantially all funds are pooled and invested for the purpose of increasing earnings through investment activities. The pooled investments are reported at fair value at September 30, 2021 based on market prices.

Capital Assets — Capital assets, which include property, plant, and equipment, are reported at cost. Tangible personal property used in the operations of the Authority is recorded in the property records of the County and the Authority. Donated capital assets are recorded at their estimated fair value at the date of donation. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized.

Capital assets are depreciated using the straight-line method over the following estimated useful lives:

Assets	Years
Buildings, structures and improvements	20-40
Furniture, fixtures and equipment	3-15

Compensated Absences

The Authority incurs a liability for employees' rights to receive compensation for future absences when certain conditions are met. The Authority is not legally required and does not accumulate expendable available financial resources to liquidate this obligation.

The Authority's employees earn vacation and sick leave in varying amounts based on length of service. Vacation leave is fully vested upon being earned. Sick leave is accumulated and vested; however, only the portion that is more likely than not to be used for time off or otherwise paid is reported as a liability.

In accordance with GASB 101, *Compensated Absences*, a liability for compensated absences is recognized for leave attributable to services already rendered and that is more likely than not to be used or paid. The compensated absences liability includes salary-related payments, including payroll taxes and FRS employer contributions.

Compensated absences are measured using a first-in, first-out (FIFO) method, whereby leave earned earliest is assumed to be used first.

Pensions

In the governmental activities, Statement of Net Position, pension liabilities are recognized for the Authority's proportionate share of each pension plan's net pension liability. For purposes of measuring the net pension liability, deferred outflows of resources related to pensions, deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Florida Retirement System Pension Plan (Pension Plan) defined benefit plan and the Health Insurance Subsidy (HIS) defined benefit plan, and additions to and deductions from the Pension Plan's and the HIS's fiduciary net position, have been determined on the same basis as they are reported by the Pension Plan and HIS plans. Changes in the net pension liability during the period are recorded as pension expense, deferred outflows of resources, or deferred inflows of resources depending on the nature of the change. Those changes in the net pension liability that are recorded as deferred outflows of resources or deferred inflows of resources that arise from changes in actuarial assumptions or other inputs, changes in the proportionate share of the net pension liability, and differences between expected or actual experience, are amortized over the average expected remaining service lives of all employees that are provided with pensions through the pension plans, and recorded as a component of pension expense beginning with the period in which they arose. Differences between projected and actual investment earnings are reported as deferred outflows of resources or deferred inflows of resources and are amortized as a component of pension expense using a systematic and rational method over a five year period.

Net Position and Fund Balances

Net position represents the difference between assets and deferred outflows of resources, and liabilities and deferred inflows of resources. Net investment in capital assets consists of the cost of capital assets, net of accumulated depreciation. Net position is reported as restricted when there are limitations imposed on its use through legislation or through external restrictions imposed by creditors, grantors or laws or regulations of other governments. All other net position is reported as unrestricted.

The Authority applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net position is available.

Net position - unrestricted is net position that does not meet the definitions of the classifications previously described.

Fund balances of governmental funds are classified as non-spendable, restricted, committed, assigned, or unassigned:

1. *Non-spendable* – not in spendable form, e.g., inventories, prepaid amounts.
2. *Restricted* – constraints imposed by external sources (debt covenants, grantors, contributors, laws, or regulations of other governments) or imposed by law through constitutional provision or enabling legislation.
3. *Committed* – limited to specific purposes by formal action imposed by the Authority Board or the BOCC Board or its delegated body.
4. *Assigned* – use limited by the government's intent to be used for specific purposes. Intent should be expressed by the Authority Board or the BOCC Board or its delegated body.
5. *Unassigned* – fund positive balances not otherwise classified.

In order to calculate amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the Authority's policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

Bond Issuance Authority Fees

In connection with the issuance of each housing revenue bond series, the Authority receives from the Bond Trustee an initial issuance fee at the time of issuance and an annual administrative fee each year thereafter in which any portion of the issue remains outstanding. These fees are based on either a percentage of bonds, mortgage loans or GNMA certificates outstanding or a certain dollar amount, as provided for in the bond issue documents and recognized as income in the year for which they are assessed.

Interest Income

Interest on loans and investments is recognized as income when earned.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the reporting period. Actual results could differ from those estimates.

Note 3 - Implementation of Governmental Accounting Standards Board (GASB) Statements

The Governmental Accounting Standards Board ("GASB") has issued several pronouncements that have effective dates that may impact current and future financial presentations.

GASB Statement No. 101, *Compensated Absences*. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures.

The requirements of this Statement are effective for fiscal years ending after December 31, 2024. Management has adopted this Statement for the fiscal year ended September 30, 2025.

GASB Statement No. 102, *Certain Risk Disclosures*. The objective of this Statement is to provide users of government financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints. The requirements of this Statement will improve financial reporting by providing users of financial statements with essential information that currently is not often provided. The disclosures will provide users with timely information regarding certain concentrations or constraints and related events that have occurred or have begun to occur that make a government vulnerable to a substantial impact. As a result, users will have better information with which to understand and anticipate certain risks to a government's financial condition.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2024, and all reporting periods thereafter. Earlier application is encouraged. Management has adopted this Statement for the fiscal year ended September 30, 2025 and has determined that it does not have a material impact on the Authority's financial statements.

GASB Statement No. 103, *Financial Reporting Model Improvements*. The objective of this Statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. The key components discussed in this Statement relate to disclosures of the management's discussion and analysis (MD&A), which is presented as required supplementary information (RSI), presentation of unusual or infrequent items as transactions and other events that are either unusual in nature or infrequent in occurrence, the presentation of proprietary fund statement of revenues, expenses, and changes in fund net position, presentation of major component unit information, and presentation of budgetary comparison information. This Statement also addresses certain application issues.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2025, and all reporting periods thereafter. Earlier application is encouraged. Management has not currently determined what effect this Statement has on the Authority's financial statements.

GASB Statement No. 104, *Disclosure of Certain Capital Assets*. The objective of this Statement is to provide users of government financial statements with essential information about certain types of capital assets. The requirements of this Statement will improve financial reporting by providing users of financial statements with essential information about certain types of capital assets in order to make informed decisions and assess accountability. Additionally, the disclosure requirements will improve consistency and comparability between governments.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2025, and all reporting periods thereafter. Earlier application is encouraged. Management has not currently determined what effect this Statement has on the Authority's financial statements.

GASB Statement No. 105, *Subsequent Events*. The objective of this Statement is to improve the consistency and usefulness of subsequent events reporting. Subsequent events are defined as events occurring after the financial statement date but before the date the financial statements are available to be issued, which is the date the statements are complete in accordance with generally accepted accounting principles, and all required approvals have been obtained. The Statement requires disclosure of the date through which subsequent events have been evaluated and clarifies the distinction between recognized and nonrecognized subsequent events, including specific disclosure requirements for nonrecognized events.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2026, and all reporting periods thereafter. Earlier application is encouraged. Management has not currently determined what effect this Statement has on the Authority's financial statements.

Note 4 - Cash, Cash Equivalents, and Investments

Cash and Cash Equivalents

Along with federal depository insurance, bank deposits are secured as provided by Chapter 280, *Florida Statutes*. This law requires local governments to deposit funds only in financial institutions designated as qualified public depositories by the Chief Financial Officer of the State of Florida and creates the Public Deposits Trust Fund, a multiple financial institution pool with the ability to assess its member financial institutions for collateral shortfalls if a default or insolvency has occurred.

At September 30, 2025, the Authority's cash and cash equivalents are described as follows:

<u>Depository</u>	<u>Description</u>	<u>Book Balance</u>
Wells Fargo	Public deposits	\$ 978,203
Bank of New York Mellon - Custody	First American Government Obligation	2,395,453
Bank of New York Mellon - Restricted Cash	Fidelity Investment Money Market Treasury	836,236
FHLBank LOC - Restricted Cash	Daily investment account	<u>7,408</u>
		<u><u>\$ 4,217,300</u></u>

The deposits held at The Bank of New York Mellon in the Escrow Indemnification Fund can be used by the Authority without Authority Board approval for its operations when indemnification deposit funds in the account are in excess of \$500,000, and with Authority Board approval when funds in the account are less than \$500,000.

Investments

The Authority participates in the County's pooled cash program. Under the program, the County invests the cash of participating entities in, repurchase agreements, certificates of deposit, U.S. Treasury Bills, and other U.S. government obligations. Pooled investments are carried at cost plus accrued interest, which approximates market value. Interest earned on investments is allocated to the various participants based upon their equity balance in pooled cash and investments during the allocation period. Investments owned in the pooled cash program are in the name of the County.

The Authority's investment practices are governed by 218.415 of the Florida Statutes and Authority Resolution 2017-003. The Authority has a formal investment policy that, in the opinion of management, is designed to ensure conformity with State Statutes and seeks to limit exposure to investment risks. The investment policy specifies the types, issuer, maturity, and performance measurement of investment securities that are permissible. Qualified institutions utilized for investment transactions are also addressed within the policy, as well as diversification requirements for the investment portfolio. Under State Statutes, County Ordinances and the Authority's resolution, the Authority is authorized to invest in obligations of the U.S. Government, its agencies and instrumentalities, the Florida Local Government Investment Trust, repurchase agreements with primary dealers, commercial paper, bonds, notes or obligations of the State of Florida or any municipality, political subdivision or agency or authority of the State, certificates of deposit, securities in certain open-end or closed-end investment companies or trusts, World Bank notes, bonds and discount notes, obligations of the Tennessee Valley Authority, and certain money market funds. The Authority may also invest in collateralized mortgage obligations and reverse repurchase agreements. Authority policy requires that securities underlying repurchase agreements must have a market value of at least 102% of the cost of the repurchase agreements.

The Authority's investments are managed by its investment committee. Investments are in accordance with Broward County's investment policies. These investment policies address Interest Rate Risk, Credit Risk and Concentration of Credit Risk. The Authority also invests funds principally in FNMA and GNMA mortgage-backed securities.

Interest Rate Risk - The Authority manages its exposure to interest rate volatility by limiting the weighted average maturity of its investment portfolio.

Note 4 - Cash, Cash Equivalents, and Investments (cont'd)

Investments (cont'd)

As of September 30, 2025, the weighted average maturity ("WAM") was 1,477 days.

<u>Investment Type</u>	<u>WAM (Days)</u>	<u>Fair Value</u>
U.S. Treasury	356	\$ 1,244,837
U.S. Agency Mortgage-Backed Securities	1,121	<u>13,077,685</u>
Total Fair Value		<u>\$ 14,322,522</u>
Portfolio WAM	1,477	

Credit Risk - The investment policy contains specific rating criteria for certain investments. The policy states that commercial paper, bonds, notes, or obligations of the State of Florida, any municipality or political subdivision or any agency or authority of the state, if such obligations are rated, must be rated in one of the two highest rating categories by at least two nationally recognized rating agencies. Commercial paper not rated must be backed by a letter of credit or line of credit rated in one of the two highest rating categories. Any investments in World Bank Notes, Bonds and Discount Notes must be rated AAA or equivalent by Moody's Investor Service and/or Standard and Poor's Corporation.

The Authority's investments in U.S. Treasuries and U.S. Agencies are rated AA+ by Standard & Poor's, AAA by Fitch Ratings, and Aaa by Moody's Investor Services. The Authority's investments in the Money Market Mutual Fund is rated AAAM by Standard & Poor's.

Concentration of Credit Risk - The Authority places no limit on the amount that may be invested in securities of the U.S. Government and Agency thereof, or government-sponsored corporation securities. The Authority requires that all other investments be diversified with no more than 5% of the value of the portfolio invested in the securities of any single issuer at time of purchase. GASB Statement No. 40 requires disclosure when the percent is 5% or more in any one issuer. The investment in the United States Treasury instruments is 91.31%, Federal National Mortgage Association is 2.05%, Government National Mortgage Association is .3%, and Federal Home Loan Mortgage Corporation is 6.4%.

Note 5 - Fair Value Measurements

The Authority's financial instruments measured and reported at fair value are classified according to the following hierarchy:

Level 1 — Unadjusted quoted prices for identical assets or liabilities in active markets that the Authority has the ability to access at the measurement date.

Level 2 — Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.

Level 3 — Inputs that are unobservable for the asset or liability and include situations where there is little, if any, market activity for the asset or liability.

The categorization of financial instruments within the hierarchy is based upon the pricing transparency of the instrument and should not be perceived as the particular investment's risk. The investments classified as Level 1 of the fair value hierarchy are valued using prices quoted in active markets for identical securities and Level 2 are valued using prices quoted in active markets for similar securities.

<u>Investment Type</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
U.S. Treasury	\$ 13,077,685	\$ -	\$ 13,077,685
U.S. Agency Mortgage-Backed Securities	-	1,244,837	1,244,837
	<u>\$ 13,077,685</u>	<u>\$ 1,244,837</u>	<u>\$ 14,322,522</u>

Note 6 - Receivables

Notes Receivable

At September 30, 2025, notes receivable consists of the following:

Mount Olive Development Corporation	\$ 76,156
Authority Mortgage receivable	5,553
Broward County Community Development Corporation, Inc.	123,195
Notes Receivable - Down Payment Assistance Program	<u>120,000</u>
Total	<u>\$ 324,904</u>

Notes Receivable (cont'd)

In December 2004, the Authority modified the terms of two first mortgages on which Mount Olive Development Corporation ("MODCO") was the mortgagor. Under the terms of the modification, the remaining balance of a \$75,000 Mortgage signed on August 21, 1997 was added to the remaining balance of a \$400,000 Mortgage signed on July 21, 2000. The \$75,000 Mortgage was paid in full and under the modified terms of the new note, \$5,000 quarterly payments were to be made with the balance due on December 31, 2011. On October 14, 2009, the Authority Board approved a modification which would provide an additional \$88,000 to MODCO for renovations to the property. Under terms of the modification, the balloon was eliminated, and MODCO will continue paying \$5,000 quarterly until the note is paid in full.

The Broward County Community Development Corporation, Inc. note receivable is secured by a 4th lien position in property located at 10100 N.W. 35th Street, Coral Springs, FL more particularly described as Coral Springs City Center, Commercial Sec 3 64-4 B Lot 13 and 14, Block A, Folio Numbers 8121 05 0130 and 8121 05 0140. The note is non-interest bearing and provides for monthly payments of principal beginning February 1, 2019, and on the same day of each and every calendar month thereafter through the term of this Note in an amount equal to \$972.22. Any and all remaining unpaid amount due on the note shall be due and payable in full on February 1, 2034.

Forty-four (44) second mortgage loans in the total amount of \$437,125 were made under a down payment assistance program. The program provided for a loan to be made to a qualifying borrower using Authority funds, which were reimbursed to the Authority by Florida Housing Finance Corporation ("FHFC") to the extent FHFC criteria are met and the funds were available from FHFC. In addition, the Authority is entitled to the repayment of the note receivable resulting from the second mortgage placed on the property financed for the qualifying borrower. Thirty-two (32) mortgages have been paid off as of September 30, 2025 totaling \$317,125 leaving a remaining balance of \$120,000.

Since the real properties, which collateralize certain of the Authority's loans receivable, are concentrated with one geographic location (Broward County, Florida), there is a significant concentration of credit risk. In an effort to minimize this risk, it is the Authority's policy to have application review performed and to record mortgage liens on the real property during the period the loans are outstanding.

Certain of the Authority's loan programs defer payments, for either or both principal and interest, until maturity. Under some programs, loans may be forgivable if the borrower meets certain criteria or complies with certain criteria during a predetermined period.

On June 1, 2018 the Authority redeemed all outstanding Bonds for its:

- Single Family Mortgage Revenue Bond, Series 2006A and Single Family Mortgage Subordinate Revenue Bonds Series 2006B, and
- Single Family Mortgage Revenue Bond, Series 2007AB and Single Family Mortgage Subordinate Revenue Bonds Series 2007C.

Both of the above issues were holding mortgage loans assets that became the property of the Authority on June 1, 2018, at the time the above-mentioned Bonds were redeemed.

Note 8 - Capital Assets

The following is a summary of changes in capital assets for the year ended September 30, 2025:

	<u>Beginning Balance 10/1/2024</u>	<u>Increases</u>	<u>Decreases</u>	<u>Ending Balance 9/30/2025</u>
Capital assets, not being depreciated:				
Land	\$ 621,704	\$ -	\$ -	\$ 621,704
Total capital assets, not being depreciated	<u>621,704</u>	<u>-</u>	<u>-</u>	<u>621,704</u>
Capital assets, being depreciated:				
Building	1,036,000	-	-	1,036,000
Equipment	<u>217,732</u>	<u>-</u>	<u>-</u>	<u>217,732</u>
Total capital assets, being depreciated	<u>1,253,732</u>	<u>-</u>	<u>-</u>	<u>1,253,732</u>
Less accumulated depreciated for:				
Building	(777,001)	(25,900)	-	(802,901)
Equipment	<u>(217,732)</u>	<u>-</u>	<u>-</u>	<u>(217,732)</u>
Total accumulated depreciated	<u>(994,733)</u>	<u>(25,900)</u>	<u>-</u>	<u>(1,020,633)</u>
Total capital assets, being depreciated, net	<u>258,999</u>	<u>(25,900)</u>	<u>-</u>	<u>233,099</u>
Total capital assets, net	<u>\$ 880,703</u>	<u>\$ (25,900)</u>	<u>\$ -</u>	<u>\$ 854,803</u>

Charges from the County for services provided to the Authority totaled approximately \$690,254 during the year ended September 30, 2025. These services included office staff, attorney, auditing, and printing services. The Authority utilizes the self-insurance program of the County for workers' compensation, group health, general and auto liability insurance. The amount owed to the County by the Authority as of September 30, 2025 is \$72,024.

Note 10 - Short-Term Debt

Line of Credit

In order to preserve single-family bond issuance capacity in October 2002, the Authority obtained a line of credit with Federal Home Loan bank at a cost of 7-1/2 basis points.

There is currently no balance on the Line of Credit. Proceeds from a borrowing are used to redeem bonds from the Authority's prior single-family issues which would otherwise have been redeemed with principal payments, mortgage sale proceeds or other sources of funds. The credit facility allows the Authority to issue refunding bonds to provide new below-market mortgage loans. The proceeds of such refunding bonds are the source of repayment of the line of credit. This credit facility protects the Authority from negative arbitrage (the difference between interest received and interest paid) which would be incurred in periods of declining interest rates.

Note 11 - Change in Accounting Principle

Effective October 1, 2024, the Authority implemented GASB Statement No. 101, *Compensated Absences*, which replaces GASB Statement No. 16. The Statement clarifies the recognition and measurement requirements for liabilities related to compensated absences.

The implementation of GASB 101 resulted in a change in accounting principle and required the recognition of compensated absences that were not previously reported under prior guidance.

Restatement of Beginning Net Position

The adoption of GASB 101 required the restatement of beginning net position as of October 1, 2024, to recognize a decrease in the compensated absences liability. The effect of the implementation is summarized below:

Description	<u>Amount</u>
Compensated absences liability at September 30, 2024, under prior guidance	\$ 107,000
Decrease resulting from GASB Statement No. 101	<u>(15,733)</u>
Compensated absences liability at October 1, 2024, as restated	<u><u>\$ 91,267</u></u>

The changes in long-term debt obligations for the year ended September 30, 2025, are summarized as follows:

	Beginning Balances 10/1/2024	Increases	Decreases	Ending Balances 9/30/2025
Compensated absences	\$ 91,267 (*)	\$ 4,362 (**)	\$ -	\$ 95,629
Net pension liability	<u>711,617</u>	<u>-</u>	<u>(77,534)</u>	<u>634,083</u>
Total	<u>\$ 802,884</u>	<u>\$ 4,362</u>	<u>\$ (77,534)</u>	<u>\$ 729,712</u>

(*) Represents opening balance as restated.

(**) The change in compensated absences is presented as a net change.

At September 30, 2025, \$25,896 of compensated absences is expected to be liquidated with available financial resources and is reported as a current liability. The remaining \$69,733 is reported as a long-term liability.

Note 13 - Conduit Debt Obligations

From time to time, the Authority has issued revenue bonds to finance the construction or acquisition of single family or multi-family housing developments which are intended for occupancy in part by persons of low, moderate, or middle income. Neither the Authority, nor the County, or the State, or any political subdivision thereof is obligated in any manner for repayment of the bonds.

As of September 30, 2025, there were twenty-five (25) bond series outstanding with an aggregate principal amount payable of \$537,839,250.

Note 14 - Retirement Plans

All of the Authority's employees participate in the Florida Retirement System (FRS). As provided by Chapters 121 and 112, Florida Statutes, the FRS provides two cost sharing, multiple employer defined benefit plans administered by the Florida Department of Management Services, Division of Retirement, including the Pension Plan and the Retiree Health Insurance Subsidy (HIS Plan). Under Section 121.4501, Florida Statutes, the FRS also provides a defined contribution plan (Investment Plan) alternative to the Pension Plan, which is administered by the State Board of Administration (SBA). As a general rule, membership in the FRS is compulsory for all employees working in a regularly established position for a state agency, county government, district school board, state university, community college, or a participating city or special district within the State of Florida. The FRS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. The Florida Legislature establishes and may amend the contribution requirements and benefit terms of all FRS plans.

The plan administrator for FRS prepares and publishes its own stand-alone comprehensive annual financial report, including financial statements and required supplementary information. Copies of this report can be obtained from the Department of Management Services, Division of Retirement, Bureau of Research and Member Communications, P.O. Box 9000, Tallahassee, Florida 32315-9000; or at the Division's website (www.frs.myflorida.com).

Pension Plan

Plan Description - The Pension Plan is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees. The general classes of membership for the Authority are as follows:

- Regular Class - Members of the FRS who do not qualify for membership in the other classes.
- Senior Management Service Class (SMSC) - Members in senior management level positions.
- Special Risk Class - Members who are employed as law enforcement officers and firefighters and other specified positions which qualify for this class.
- Elected Officers' Class (EOC) - Members who hold specified elected offices of local government.

Employees enrolled in the Pension Plan prior to July 1, 2011, vest after six years of creditable service, and employees enrolled in the Pension Plan on or after July 1, 2011, vest after eight years of creditable service. Regular Class, SMSC, and EOC members initially enrolled in the Pension Plan before July 1, 2011, once vested, are eligible for normal retirement benefits at age 62 or at any age after 30 years of creditable service. Members in these classes initially enrolled in the Pension Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service. Special Risk members initially enrolled in the Pension Plan before July 1, 2011, once vested, are eligible for normal retirement benefits at age 55 or at any age after 25 years of creditable service. Members in this class initially enrolled in the Pension Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 60 or any age after 30 years of creditable service. Early retirement may be taken any time after vesting within 20 years of normal retirement age, however, there is a 5.0% benefit reduction for each year prior to the normal retirement age.

DROP is available under the Pension Plan when the member first reaches eligibility for normal retirement. The DROP allows a member to retire while continuing employment for up to 96 months. While in the DROP, the member's retirement benefits accumulate in the FRS Trust Fund increased by a cost-of-living adjustment each July, and earn monthly interest equivalent to an annual rate of 4.0% on the preceding months DROP accumulation until DROP participation ends.

Pension Plan (cont'd)

Benefits Provided - Benefits under the Pension Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the five highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the eight highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement plan and/or class to which the member belonged when the service credit was earned.

The following chart shows the percentage value for each year of service credit earned.

<u>Class, Initial Enrollment, and Retirement Age/Years of Services</u>	<u>% Value (Per Year of Service)</u>
Regular Class members initially enrolled before July 1, 2011	
Retirement up to age 62 or up to 30 years of service	1.60%
Retirement at age 63 or with 31 years of service	1.63%
Retirement at age 64 or with 32 years of service	1.65%
Retirement at age 65 or with 33 or more years of service	1.68%
Regular Class members initially enrolled after July 1, 2011	
Retirement up to age 65 or up to 33 years of service	1.60%
Retirement at age 66 or with 34 years of service	1.63%
Retirement at age 67 or with 35 years of service	1.65%
Retirement at age 68 or with 36 or more years of service	1.68%
Senior Management Service Class	2.00%
Special Risk Class	
Service from December 1, 1970 through September 30, 1974	2.00%
Service on or after October 1, 1974	3.00%
Elected Officers' Class	
Service as elected county officer	3.00%

Pension Plan (cont'd)

The benefits received by retirees and beneficiaries are increased by a cost-of-living adjustment (COLA) each July. If the member was initially enrolled in the Pension Plan before July 1, 2011, and all service credit was accrued before that time, the annual COLA is 3.0% per year. The annual COLA for retirees with an effective retirement date or DROP date beginning on or after August 1, 2011, who were initially enrolled before July 1, 2011, is a proportion of 3.0% determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3.0%. Pension Plan members initially enrolled on or after July 1, 2011, will not have a COLA after retirement.

Contributions - Effective July 1, 2011, all enrolled members of the Pension Plan, other than DROP participants, are required to contribute 3.0% of their salary to the Pension Plan. In addition to member contributions, governmental employers are required to make contributions to the Pension Plan based on state-wide contribution rates established by the Florida Legislature. These rates are updated as of July 1 of each year. The employer contribution rates by job class for the periods from July 1, 2024 through June 30, 2025 and from July 1, 2025 through September 30, 2025, respectively, were as follows: Regular – 11.51% and 13.63%; Senior Management Service – 32.46% and 34.52%; Special Risk – 30.61% and 39.82%; Elected Officers' – 56.62% and 58.68%; and DROP participants - 19.13% and 21.13%. These employer contribution rates do not include the HIS Plan contribution rate and the administrative cost assessment. For the fiscal year ending September 30, 2025, contributions, including employee contributions of \$10.305 million, to the Pension Plan for the County, excluding the Broward Sheriff's Office (BSO), totaled \$60.447 million. For the fiscal year ending September 30, 2025, contributions, including employee contributions of \$10,085, to the Pension Plan for the Authority, totaled \$58,707.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions - At September 30, 2025, the Authority reported a liability of \$437,353 for its proportionate share of the Pension Plan's net pension liability. The net pension liability was measured as of June 30, 2025, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2025. The Authority's proportionate share of the net pension liability was based on their share of the County's 2024-2025 fiscal year contributions relative to the 2024-2025 fiscal year contributions of all participating members. At June 30, 2025, the Authority's proportionate share was 0.000795687%. The proportionate share for the Authority at June 30, 2025 as compared to June 30, 2024 was a decrease of 0.00013040%.

Pension Plan (cont'd)

For the fiscal year ended September 30, 2025, the Authority recognized pension expense of \$25,645. In addition, the Authority reported deferred outflows of resources and deferred inflows of resources related to the Pension Plan from the following sources:

<u>Description</u>	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences between expected and actual experience	\$ 26,376	\$ -
Change of assumptions	28,676	-
Net difference between projected and actual earnings on Pension Plan investments	-	(41,230)
Changes in proportion and differences between Pension Plan contributions and proportionate share of contributions	5,139	(1,044)
Pension Plan contributions subsequent to the measurement date	<u>11,271</u>	<u>-</u>
Total	<u>\$ 71,462</u>	<u>\$ (42,274)</u>

The deferred outflows of resources related to the Pension Plan, totaling \$11,271 for the Authority, resulting from contributions to the Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the Pension Plan will be recognized in pension expense as follows:

<u>Fiscal Year Ending September 30,</u>	
2026	\$ 42,739
2027	(6,559)
2028	(10,157)
2029	(8,106)
2030	-
Thereafter	<u>-</u>
Total	<u>\$ 17,917</u>

Actuarial Assumptions - The total pension liability in the July 1, 2025 actuarial valuation was determined using the following actuarial assumptions:

Inflation	2.40%
Salary increases	3.25% average, including inflation
Investment of return	6.70%, net of pension plan investment expense, including inflation

Mortality rates were based on the PUB-2010 base table, projected generationally with Scale MP-2018.

The actuarial assumptions used in the July 1, 2025, valuation were based on the results of an actuarial experience study for the period July 1, 2018 through June 30, 2023.

The long-term expected rate of return on Pension Plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption.

The target allocation and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation*</u>	<u>Annual Arithmetic Return</u>	<u>Compound Annual (Geometric) Return</u>	<u>Standard Deviation</u>
Cash Equivalents	1.0%	3.3%	3.3%	1.1%
Fixed Income	29.0%	5.7%	5.6%	3.9%
Global Equity	45.0%	8.6%	7.0%	18.2%
Real Estate	12.0%	8.1%	6.8%	16.6%
Private Equity	11.0%	12.4%	8.8%	28.4%
Strategic Investments	<u>2.0%</u>	6.6%	6.2%	8.7%
	<u>100%</u>			
Assumed Inflation - Mean			2.4%	1.5%

*As outlined in the Pension Plan's investment policy.

Pension Plan (cont'd)

Discount Rate - The discount rate used to measure the total pension liability was 6.70%. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current contribution rate and that contributions will be made at the statutorily required rates. The Pension Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return. The FRS Actuarial Assumption Conference is responsible for setting the assumptions used in the valuations of the defined benefit pension plans pursuant to Section 216.136(10), Florida Statutes. The 6.70% rate of return assumption used in the June 30, 2025 calculations was determined by the Plan's consulting actuary to be reasonable and appropriate per Actuarial Standard of Practice No. 27 (ASOP 27) for accounting purposes which differs from the rate used for funding purposes which is used to establish the contribution rates for the Pension Plan.

Sensitivity of the Proportionate Share of the Net Position Liability to Changes in the Discount Rate - The following represents the Authority's proportionate shares of the net pension liability calculated using the discount rate of 6.70%, as well as what the proportionate shares of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (5.70%) or one percentage point higher (7.70%) than the current rate:

	<u>1% Decrease (5.70%)</u>	<u>Current Discount Rate (6.70%)</u>	<u>1% Increase (7.70%)</u>
Authority's proportionate share of the Net Pension Liability	<u>\$ 858,299</u>	<u>\$ 437,353</u>	<u>\$ 84,438</u>

Pension Plan Fiduciary Net Position - Detailed information regarding the Pension Plan's fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Comprehensive Annual Financial Report.

Payables to the Pension Plan - At September 30, 2025, the Authority reported payables in the amount of \$3,149 for outstanding contributions to the Pension Plan required for the fiscal year ended September 30, 2025.

HIS Plan

Plan Description - The HIS Plan is a non-qualified, cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided - For the fiscal year ended September 30, 2025, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month. To be eligible to receive these benefits, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Contributions - The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. The employer contributions are a percentage of gross compensation for all active FRS members. The employer contribution rates for the period from July 1, 2023 through June 30, 2025 and from July 1, 2023 through September 30, 2025 was 2.00%. HIS Plan contributions are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or cancelled.

For the fiscal year ending September 30, 2025, contributions to the HIS Plan for the Authority, totaled \$9,389.

HIS Plan's Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions - At September 30, 2025, the Authority reported a liability of \$196,730 for its proportionate share of the HIS Plan's net pension liability. The HIS Plan's net pension liability was measured as of June 30, 2024, and the total HIS Plan's pension liability used to calculate the HIS Plan's net pension liability was determined by an actuarial valuation as of July 1, 2024.

The Authority's proportionate share of the HIS Plan's net pension liability was based on their share of the County's 2024-2025 fiscal year contributions relative to the 2024-2025 fiscal year contributions of all participating members. At June 30, 2025, the Authority's proportionate share was 0.00103697% and at June 30, 2025 as compared to June 30, 2024 was a decrease of 0.000135123%.

HIS Plan (cont'd)

For the fiscal year ended September 30, 2025, the Authority recognized HIS Plan expense of \$2,610. In addition, the Authority reported deferred outflows of resources and deferred inflows of resources related to the HIS Plan from the following sources:

<u>Description</u>	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences between expected and actual experience	\$ 793	\$ (211)
Change of assumptions	1,176	(32,148)
Net difference between projected and actual earnings on Pension Plan investments	-	(110)
Changes in proportion and differences between Pension Plan contributions and proportionate share of contributions	6,753	(805)
Pension Plan contributions subsequent to the measurement date	<u>2,120</u>	<u>-</u>
Total	<u>\$ 10,842</u>	<u>\$ (33,274)</u>

The deferred outflows of resources related to the HIS Plan, totaling \$2,120 for the Authority, resulting from contributions to the HIS Plan subsequent to the measurement date, will be recognized as a reduction of the HIS Plan's net pension liability in the fiscal year ended September 30, 2026. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the HIS Plan will be recognized in HIS Plan pension expense as follows:

Fiscal Year Ending September 30,	
2026	\$ (5,195)
2027	(6,817)
2028	(5,412)
2029	(4,223)
2030	(2,904)
Thereafter	<u>-</u>
Total	<u>\$ (24,551)</u>

HIS Plan (cont'd)

Actuarial Assumptions - Actuarial valuations for the HIS plan are conducted biennially. The July 1, 2024 HIS valuation is the most recent actuarial valuation and was used to develop the liabilities as of June 30, 2024. The total HIS liability as of June 30, 2024 was determined using the following actuarial assumptions:

Inflation	2.40%
Salary increases	3.50% average, including inflation
Investment rate of return	3.93% net of pension plan investment expense, including inflation

Mortality rates were based on the Generational PUB-2010 with Projection Scale BB-2018 tables.

The actuarial assumptions that determined the total HIS liability as of June 30, 2025 were based on the results of an actuarial experience study for the period July 1, 2018 through June 30, 2023.

Discount Rate - The discount rate used to measure the total HIS liability at June 30, 2025 was 3.93%. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the FRS Actuarial Assumption Conference. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index. The discount rate used in the June 30, 2025 liability measurement was 3.93%, an increase of 0.28% from the discount rate of 3.65% used in the previous year. The change between the two measurement dates is due to the changes in the applicable municipal bond index between the dates.

Sensitivity of the Proportionate Share of the Net Position Liability to Changes in the Discount Rate - The following represents the Authority's proportionate shares of the net HIS liability calculated using the discount rate of 3.93%, as well as what the proportionate shares of the net HIS liability would be if it were calculated using a discount rate that is one percentage point lower (2.93%) or one percentage point higher (4.93%) than the current rate:

	1% Decrease (2.93%)	Current Discount Rate (3.93%)	1% Increase (4.93%)
Authority's proportionate share of the net pension liability	<u>\$ 221,844</u>	<u>\$ 196,730</u>	<u>\$ 175,666</u>

HIS Plan (cont'd)

HIS Pension Plan Fiduciary Net Position - Detailed information regarding the HIS Plan's fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Comprehensive Annual Financial Report.

Payables to the HIS Plan - At September 30, 2024, the Authority reported payables in the amount of \$678 for outstanding contributions to the HIS plan required for the fiscal year ended September 30, 2025.

Investment Plan

The SBA administers the defined contribution plan officially titled the FRS Investment Plan. The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Comprehensive Annual Financial Report. As provided in Section 121.4501, Florida Statutes, eligible FRS members may elect to participate in the Investment Plan in lieu of the defined benefit pension plan. Authority employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida State Legislature. The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class as the Pension Plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering the Investment Plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06% of payroll and by forfeited benefits of plan members. Effective July 1, 2012, allocations to the investment member's accounts, as established by Section 121.72, Florida Statutes, are based on a percentage of gross compensation, by class, as follows: Regular Class - 8.30%, Senior Management Service Class - 9.67%, Special Risk Class - 16.0%, and Elected Officers' Class - 13.34%.

For all membership classes, employees are immediately vested in their own contributions and are vested after one year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the Pension Plan is transferred to the Investment Plan, the member must have the years of service required for Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Nonvested employer contributions are placed in a suspense account for up to five years. If the employee returns to FRS-covered employment within the five-year period, the employee will regain control over their account.

Investment Plan (cont'd)

If the employee does not return within the five-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended September 30, 2024, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the Authority.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the Pension Plan, or remain in the Investment Plan and rely upon that account balance for retirement income.

The Investment Plan pension expense for the Authority was \$19,920 for the fiscal year ended September 30, 2025.

At September 30, 2025, the Authority reported payables in the amount of \$1,218 for outstanding contributions to the Investment Plan required for the fiscal year ended September 30, 2025.

Note 15 - Risk Management

The Authority is exposed to various risks loss related to torts; theft of assets, errors and omissions; personal injuries; and natural disasters. As a dependent special district, the Authority is insured under Broward County's insurance plan. The coverage is provided at no cost to the Authority. In the past 3 years, there have been no claims settled exceeding the insurance coverage. As of September 30, 2025, there were no outstanding claims.

Note 16 - Subsequent Events

In connection with the preparation of the financial statements, management has evaluated events and transactions for subsequent events that would impact the financial statements for the year ended September 30, 2025 through February 20, 2026, the date the financial statements were available to be issued.

**HOUSING FINANCE AUTHORITY OF BROWARD COUNTY
(A Component Unit of Broward County, Florida)
NOTES TO THE BUDGET COMPARISON SCHEDULE
FOR THE YEAR ENDED SEPTEMBER 30, 2025**

Note 1 - Budgetary Requirements

The Housing Finance Authority of Broward County prepares an annual operating budget for the Operating Fund which is included in these financial statements.

Budgets are prepared on the same basis of accounting as required for Governmental Fund Types. Expenditures may exceed the approved budget amounts for individual categories as long as the total does not exceed the approved budget.

**HOUSING FINANCE AUTHORITY OF BROWARD COUNTY
(A Component Unit of Broward County, Florida)**

COMPLIANCE SECTION

SEPTEMBER 30, 2025

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Housing Finance Authority
Broward County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Housing Finance Authority of Broward County, Florida ("the Authority"), as of and for the year ended September 30, 2025 and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated February 20, 2026.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, for purpose.

Miramar, Florida

INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH THE REQUIREMENTS OF SECTION 218.415 FLORIDA STATUTES

To the Board of Directors
Housing Finance Authority
Broward County, Florida

We have examined the Housing Finance Authority of Broward County, Florida ("the Authority"), compliance with Section 218.415, Florida Statutes, regarding the investment of public funds during the fiscal year ended September 30, 2025. Management is responsible for the Authority's compliance with those requirements. Our responsibility is to express an opinion on the Authority's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Authority complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Authority complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination does not provide a legal determination on the Authority's compliance with specified requirements.

In our opinion, the Authority complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2025.

This report is intended solely for the information and use of management and the State of Florida Auditor General, the Authority's Board of Directors, and applicable management, and is not intended to be and is not to be used by any other specified parties.

Miramar, Florida
February 20, 2026

MANAGEMENT LETTER IN ACCORDANCE WITH THE RULES OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA

To the Board of Directors
Housing Finance Authority
Broward County, Florida

Report on the Financial Statements

We have audited the financial statements of the Housing Finance Authority of Broward County, Florida ("the Authority"), as of and for the fiscal year ended September 30, 2025 and have issued our report thereon dated February 20, 2026.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Florida Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Reports on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are February 20, 2026, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1, Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. There were no prior year findings or recommendations made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4, Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. This disclosure has been made in Note 1 to the Authority's financial statements.

Financial Management

Section 10.554(1)(i)2, Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our current year audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3, Rules of the Auditor General, requires that we address noncompliance with provisions of contracts or grant agreements, fraud, waste, or abuse, that have occurred, or is likely to have occurred, that have an effect on the financial statements that is less than material, but warrants the attention of those charged with governance. In connection with our current year audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal, and the Authority's board of directors, and management of the Authority, and is not intended to be used in these specified parties.

INDEPENDENT AUDITOR'S REPORT

To The Honorable Abbey Ajayi, Tax Collector
Tax Collector of Broward County, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the major fund and aggregate remaining fund information of the Tax Collector of Broward County, Florida (the "Tax Collector"), as of and for the Period of January 7, 2025 through September 30, 2025, and the related notes to the financial statements, which collectively comprise the Tax Collector's basic financial statements as listed in the table of contents.

In our opinion, based on our audit, the financial statements referred to above present fairly, in all material respects, the respective financial position of the major fund and the aggregate remaining fund of the Tax Collector as of September 30, 2025, and the respective changes in financial position, for the period of January 7, 2025 through September 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Tax Collector and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1, the accompanying financial statements of the Tax Collector were prepared for the purpose of complying with Section 218.39, Florida Statutes and Section 10.557(3), Rules of the Auditor General for Local Government Entity Audits. In conformity with the Rules of the Florida Auditor General, the accompanying financial statements are intended to present the financial position and changes in financial position of the general fund, and the aggregate remaining fund information of Broward County, Florida (the "County") that is attributable to the Tax Collector. They do not purport to, and do not, present fairly, the financial position of the County for the period of January 7, 2025 and September 30, 2025, and the changes in its financial position for the period then ended in accordance with accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Tax Collector's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison schedule be presented to supplement the financial statements. Such information is the responsibility of management and, although not a part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the financial statements. Such missing information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board which considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. Our opinions on the financial statements are not affected by this missing information.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Tax Collector's basic financial statements. The accompanying combining and individual nonmajor fund financial statements, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements, are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated June 26, 2026, on our consideration of the Tax Collector's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Tax Collector's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Tax Collector's internal control over financial reporting and compliance.

Note 1 - Summary of Significant Accounting Policies

Financial Reporting Entity - The Tax Collector of Broward County, Florida (the "Tax Collector") is a separately elected county official established pursuant to Article VIII, Section 1(d) of the Constitution of the State of Florida. These financial statements present only the Tax Collector's Office and do not purport to reflect the financial position or the results of operations of Broward County, Florida (the "County") taken as a whole. The financial statements of the Tax Collector have been prepared in accordance with accounting principles and reporting guidelines established by the Governmental Accounting Standards Board (GASB).

Pursuant to applicable Florida Statutes and interlocal agreements with Broward County, certain operational responsibilities, including the funding and payment of expenses, remained with the County during the initial reporting period. As such, these financial statements present only those financial activities for which the Tax Collector had legal responsibility.

Commencement of Operations and Reporting Period - The Tax Collector commenced operations as a separately reported constitutional office on January 7, 2025. Accordingly, the accompanying financial statements present the financial position and results of operations for the period January 7, 2025 through September 30, 2025.

As this represents the first reporting period of the Tax Collector as a standalone reporting entity, there were no beginning balances at the start of the period. Financial activity prior to January 7, 2025, was reported as part of Broward County, Florida and is not included in these financial statements.

Entity status for financial reporting purposes is governed by GASB Statement No. 14, as amended. Therefore, under GASB guidelines, the Tax Collector is reported as a part of the primary government of Broward County, Florida. The financial activities of the Tax Collector, as a constitutional officer, are included in the Broward County, Florida Annual Comprehensive Financial Report.

Description of Funds - The accounting records are organized for reporting purposes on the basis of governmental fund and fiduciary funds.

General Fund - The General Fund is used to account for all revenues and expenditures applicable to the general operations of the Tax Collector that are not required legally or by accounting principles generally accepted in the United States of America (U.S. GAAP) to be accounted for in another fund.

Fiduciary Funds - The Tax Collector reports fiduciary activities in custodial funds in accordance with GASB Statement No. 84. Custodial funds are used to account for assets held by the Tax Collector in a fiduciary capacity for external parties, such as other governments. These resources are not derived from the government's own-source revenues and are held temporarily and remitted to the appropriate entities. The Tax Collector does not have administrative or direct financial involvement with these resources; therefore, they are not available to support the government's operations.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation - The Tax Collector's financial statements are prepared for the purpose of complying with Florida Statute Section 218.39(2) and Chapter 10.550, Rules of the Auditor General of the State of Florida, which requires the Tax Collector to only present special-purpose financial statements.

Note 1 - Summary of Significant Accounting Policies (Continued)

The General Fund is presented as a major governmental fund and uses the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Tax Collector considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are generally recognized when the related liability is incurred, if expected to be paid from current financial resources.

The extent to which General Fund revenues exceed General Fund expenditures is reflected as transfers out and as liabilities due to the Broward County Board of County Commissioners ("Board") and other governmental agencies in the same proportion as fees paid by each governmental unit to total fees earned by the Tax Collector.

The Tax Collector reports the General Fund as a major governmental fund and Custodial Funds as a fiduciary fund type. The fiduciary funds use a flow of economic resources measurement focus and accrual basis of accounting to determine net position.

Cash - The Tax Collector's cash consists of demand deposits and petty cash. All cash is insured by the Federal Deposit Insurance Corporation (FDIC) or covered by the State of Florida collateral pool, a multiple financial institution pool with the ability to assess its members for collateral shortfalls if a member institution fails.

Prepaid Items – Certain payments made by the Tax Collector to vendors represent costs applicable to future periods and therefore recorded as prepaid items. These prepaid items ensure that expenditures are recognized in the appropriate period in accordance with governmental accounting principles.

Capital Assets - Tangible personal property used in the Tax Collector's operations is recorded as expenditure in the General Fund at the time the assets are received and a related liability is incurred, in accordance with governmental fund accounting principles. For purposes of the government-wide financial statements of Broward County, such assets are capitalized at historical cost and reported as capital assets in accordance with County-wide accounting policies.

Compensated Absences – The Tax Collector permits employees to accumulate earned but unused vacation and sick leave in accordance with established County policies. Compensated absences are accounted for in compliance with Governmental Accounting Standards Board (GASB) Statement No. 101. A liability is recognized for leave that has been earned, is attributable to services already rendered, and is more likely than not to be paid or settled through paid time off or other means. The cost of accumulated vacation and sick leave is accrued when earned in the General Fund financial statements. In General Fund financial statements, a liability is recognized only when such amounts have matured and are due, such as upon employee retirement or resignation.

Encumbrances - The Tax Collector utilizes encumbrance accounting as part of its budgetary control process. Encumbrances represent commitments related to unperformed contracts for goods or services and are recorded when purchase orders or contractual obligations are issued. These amounts are not recognized as expenditures or liabilities in the financial statements but are reported as commitments against available fund balance. At fiscal year-end, outstanding encumbrances are reviewed and may be carried forward to subsequent periods, and are reflected in fund balance classifications, as committed or assigned amounts, to indicate that such resources are not available for new spending.

Note 1 – Summary of Significant Accounting Policies (Continued)

Property Tax Collection Calendar - The Tax Collector administers the collection of property taxes in accordance with Florida Statutes and the annual tax collection calendar. Property tax bills are mailed on or about November 1 of each year and become due upon receipt. Taxes may be paid in installments or in full, with statutory discounts applied for early payment as follows: 4% in November, 3% in December, 2% in January, and 1% in February. The gross amount is due in March. Property taxes become delinquent on April 1 following the year of assessment. Delinquent taxes are subject to additional fees, interest, and the issuance of tax certificates in accordance with state law. The Tax Collector is responsible solely for the billing, collection, and distribution of property taxes and applicable assessments and does not determine tax rates or assessed values.

Fund Balance Presentation - In accordance with GASB Statement No. 54, the fund balances of the governmental funds indicate the level of constraints placed upon how resources can be spent and identify the sources of those constraints. This classification includes amounts that can be spent only for specific purposes because of constitutional provisions or enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributors or the laws or regulations of other governments. This consists of the following five classifications: non-spendable, restricted, committed, assigned or unassigned. The Tax Collector first uses restricted resources, and then committed, followed by assigned and unassigned resources.

Non-Spendable Fund Balance- Includes amounts that cannot be spent because they are either not in spendable form, or for legal or contractual reasons, must be kept intact. This classification typically includes inventory and prepaid items.

Spendable Fund Balance -

Restricted - Includes amounts that are constrained for specific purposes which are externally imposed by providers (such as grantors or creditors) or enabling legislation.

Committed - Includes amounts that are constrained for specific purposes that are internally imposed by the highest level of decision-making authority, which in this case is the Tax Collector.

Assigned - Includes amounts that are intended to be used for specific purposes that are not restricted or committed. Assignments can be made at the direction of the Tax Collector.

Unassigned - Represents fund balance that has not been assigned to other funds, and that has not been restricted, committed or assigned to specific purposes within the General Fund.

Distribution of Excess Revenues - Chapter 218.36(2) Florida Statutes provide that the excess of Tax Collector's fee revenues over expenditures is to be distributed to each governmental agency in the same proportion as the fees paid by the government agency bear to total fee income received by the Tax Collector. The amount of undistributed excess fees for the period of January 7, 2025 through September 30, 2025, is reported as amounts due to the Board of County Commissioners, custodial fund and other governmental agencies; the transfer of total excess fees to the Board is reported as other financing uses.

Note 1 – Summary of Significant Accounting Policies (Continued)

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from estimates.

New Accounting Pronouncement - Effective for the year ending September 30, 2025, the Tax Collector adopted GASB Statement No. 102, *Certain Risk Disclosures*. The Tax Collector evaluates concentrations and constraints that could expose operations to the risk of substantial impact. When such conditions are known prior to issuance of the financial statements and are more likely than not to result in a significant effect within twelve months, appropriate disclosures are made describing the nature of the risk, related events or circumstances, and any actions taken to mitigate potential impacts.

The following are new accounting pronouncements that have been issued but are not yet effective:

GASB Statement No. 103, *Financial Reporting Model Improvements*. The objective of this Statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. Effective Date: The requirements of this Statement are effective for fiscal years beginning after June 15, 2025, and all reporting periods thereafter.

GASB Statement No. 104, *Disclosure of Certain Capital Assets*. The objective of this Statement is to provide disclosure requirements for certain types of capital assets. This Statement also establishes criteria for governments to evaluate whether capital assets are capital assets held for sale. The requirements of this Statement are effective for fiscal years beginning after June 15, 2025, and all reporting periods thereafter.

GASB Statement No. 105, *Subsequent Events Disclosure*. The objective of this Statement is to improve financial reporting by establishing consistent requirements for identifying, evaluating, and reporting subsequent events, thereby enhancing comparability and providing more reliable and decision-useful information to users of financial statements. The requirements of this Statement are effective for reporting periods beginning after June 15, 2025, and have not been implemented by the Tax Collector.

Management is in the process of determining what impact, if any, implementation of the above statements may have on the financial statements of the Tax Collector.

Subsequent Events - The Tax Collector has evaluated subsequent events through June 26, 2026, in connection with the preparation of these financial statements, which is the date the financial statements were available to be issued.

Note 2 – Deposits and Investments

The Tax Collector follows Florida Statutes for its investment policy, which authorizes investments in certificates of deposit, savings accounts, repurchase agreements, the Local Government Surplus Funds Trust Fund administered by the Florida State Board of Administration, and obligations of the U.S. government and government agencies unconditionally guaranteed by the U.S. government.

Deposits:

As of September 30, 2025, the Tax Collector maintained demand deposit accounts in qualified public depositories. The carrying amount of deposits was \$23,128,260 in the General Fund and \$108,835,816 in Custodial Funds. Bank balances approximated carrying amounts. The Tax Collector held no investments at September 30, 2025.

Interest Rate Risk:

Interest rate risk is managed by limiting maturities in accordance with Florida Statutes. At September 30, 2025, the Tax Collector did not hold investments subject to interest rate risk.

Credit Risk:

The Tax Collector did not hold any investments during the period from January 7, 2025, through September 30, 2025; therefore, it was not exposed to credit risk.

Custodial Credit Risk:

The Tax Collector is subject to custodial credit risk, which is the risk that, in the event of a financial institution's failure, the Tax Collector's deposits may not be recovered. To mitigate this risk, deposits are maintained in qualified public depositories in accordance with Florida Statutes, Chapter 280, Florida Security for Public Deposits Act. Under this program, financial institutions that hold public deposits must pledge eligible collateral as security for such deposits, and are monitored by the State of Florida to ensure compliance with collateral requirements. Accordingly, all deposits held by the Broward County Tax Collector are either insured by federal depository insurance or collateralized by the financial institutions holding the funds. As a result of participation in this statutory program, the Broward County Tax Collector's exposure to custodial credit risk for deposits is limited, and no disclosure of specific uninsured and uncollateralized balances is required.

Concentration of Credit Risk:

The Tax Collector places no limit on the amount that may be invested in any one issuer; however, all deposits are maintained in compliance with Florida Statutes.

Note 3 – Litigation

The Tax Collector is a party from time to time in various lawsuits and other claims incidental to the ordinary course of its operation, some of which are covered by the Board's self-insurance program. While the results of litigation cannot be predicted with certainty, management believes the final outcome of such litigation will not have a material adverse effect on the Tax Collector's financial position.

Note 4 – Expenditures

During the period January 7, 2025 through September 30, 2025, substantially all operating costs of the Tax Collector's Office, including payroll, employee benefits, facilities, capital assets, leases, and subscription-based information technology arrangements, were incurred and paid directly by the Board in accordance with applicable law and interlocal agreements.

Note 4 – Expenditures (continued)

Pursuant to the interlocal agreement between the Tax Collector and the County, and consistent with the legal position of the Tax Collector, such costs are the responsibility of the County and are recorded in the County's financial statements. The Tax Collector did not incur, control, or have responsibility for these expenditures during the period.

Accordingly, these financial statements do not include expenditures, capital assets, lease liabilities, subscription-based IT arrangement liabilities, pension or OPEB obligations, or other long-term liabilities related to such operations. As a result, the General Fund reflects only revenues collected and the distribution of excess fees to the County and other governmental entities, and reports no expenditures for the period.

Note 5 – Retirement Plans

Plan Description

The Tax Collector participates in the pension plans sponsored by the County, which are included as part of the County's primary government. The Tax Collector's employees are participants in the following cost-sharing, multiple-employer defined benefit pension plans administered by the State of Florida:

- Florida Retirement System (FRS) Pension Plan
- Retiree Health Insurance Subsidy (HIS) Pension Plan

These plans are administered by the Florida Department of Management Services, Division of Retirement, and are governed by Chapter 121, Florida Statutes. The County, as the reporting employer, recognizes its proportionate share of the net pension liabilities, deferred outflows of resources, deferred inflows of resources, and pension expense in its government-wide financial statements.

Benefits Provided

The FRS Pension Plan provides retirement, disability, and survivor benefits to participating employees. The HIS Pension Plan provides a monthly healthcare subsidy to eligible retirees. Benefits under both plans are established by Florida Statutes and are subject to amendment by the Florida Legislature.

Contributions

Contribution requirements are established by State statute and are expressed as a percentage of employee compensation. Employer contributions are made by the County on behalf of the Tax Collector and other constitutional officers.

For the period January 7, 2025 through September 30, 2025, substantially all employer contributions related to the Tax Collector's employees were funded and paid by the County pursuant to interlocal agreements. Accordingly, no contributions were made directly by the Tax Collector for pension benefits.

Note 5 – Retirement Plans (continued)

Net Pension Liability and Related Amounts

These financial statements are prepared on a special-purpose basis and do not include the full accrual-level activity of the Tax Collector's operations. Accordingly, the following are not reported by the Tax Collector:

- The net pension liability,
- deferred outflows of resources, and
- deferred inflows of resources and pension expense

Such amounts are recorded and reported in the County's financial statements. Users of these financial statements should refer to the Broward County Annual Comprehensive Financial Report ("ACFR") for detailed information regarding:

- the County's proportionate share of the net pension liability,
- actuarial assumptions and methods,
- deferred outflows and inflows of resources, and
- pension expense and required supplementary information.

Note 6 – Other Postemployment Benefits ("OPEB")

Plan Description

Broward County provides postemployment healthcare and other benefits to eligible employees and retirees, including those of the Tax Collector. The OPEB plan is administered by the County and is reported as part of the County's financial statements.

Benefits Provided

The plan provides healthcare and related benefits to eligible retirees and their dependents in accordance with County policies and applicable law. Benefit provisions and eligibility requirements are established and may be amended by the Broward County Board of County Commissioners.

Funding Policy and Contributions

The County funds OPEB benefits on a pay-as-you-go basis. Contribution requirements are determined annually by the County.

For the period presented, all OPEB-related costs, including employer contributions and benefit payments for the Tax Collector's employees, were paid by Broward County pursuant to interlocal agreements.

Note 6 – Other Postemployment Benefits (OPEB) (continued)

OPEB Liability and Related Amounts

In accordance with the reporting framework applicable to these financial statements, the following are not reported by the Tax Collector:

- The total OPEB liability, deferred outflows of resources,
- deferred inflows of resources, and
- OPEB expense

These amounts are recognized and reported by Broward County in its government-wide financial statements. Users should refer to the Broward County ACFR for detailed information regarding:

- the total OPEB liability,
- actuarial assumptions and methods,
- deferred outflows and inflows of resources, and
- related required supplementary information.

REQUIRED SUPPLEMENTARY INFORMATION
(Unaudited)

Tax Collector of Broward County, Florida
Note to Required Supplementary Information
September 30, 2025

Budgetary Requirements - General Fund expenditures are controlled by budget appropriations in accordance with the budget requirements set forth in the Florida Statutes. The budget is prepared on a basis consistent with U.S. GAAP.

For financial reporting purposes in the fund financial statements, the transfer of excess fees to other governments outside the County is reported as an operating expenditure and in the budget-to-actual schedule they are reported as transfers to other government units for budget purposes since they are not a budgeted item.

Expenses - During the period January 7, 2025 through September 30, 2025, substantially all operating costs associated with the Tax Collector's Office, including payroll, employee benefits, facilities, capital assets, leases, and subscription-based information technology arrangements, were budgeted, controlled, and disbursed by the County in accordance with applicable law and the Interlocal Agreement. These amounts represent expenditures of the County and were not incurred or expended by the Tax Collector. Accordingly, such costs are not reported as expenses of the Tax Collector for this period.

OTHER REPORTS

**Report on Internal Control Over Financial Reporting and on Compliance
and Other Matters Based on an Audit of Financial Statements
Performed in Accordance With *Government Auditing Standards***

Independent Auditor's Report

To the Honorable Abbey Ajayi, Tax Collector
Tax Collector of Broward County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the major fund and the aggregate remaining fund information of the Broward County, Florida, Tax Collector (the "Tax Collector") as of and for the Period of January 7, 2025 through September 30, 2025, and the related notes to the financial statements, which collectively comprise the Tax Collector's financial statements, and have issued our report thereon dated June 26, 2026. Our report included an emphasis of matter paragraph to reflect that these financial statements were prepared to comply with Section 218.39, *Florida Statutes* and Section 10.557(3), *Rules of the Florida Auditor General for Local Governmental Entity Audits* and are intended to present the financial position and the changes in financial position of the Tax Collector and do not represent a complete presentation of the financial statements of Broward County, Florida.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Tax Collector's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Tax Collector's internal control. Accordingly, we do not express an opinion on the effectiveness of the Tax Collector's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the Tax Collector's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Tax Collector's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Tax Collector's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Tax Collector's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Fort Lauderdale, Florida
June 26, 2026

**Management Letter in Accordance with Chapter 10.550,
Rules of the Auditor General of the State of Florida**

To the Honorable Abbey Ajayi, Tax Collector
Tax Collector of Broward County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the major fund and the aggregate remaining fund information of the Tax Collector of Broward County (the "Tax Collector"), as of and for the period of January 7, 2025 through September 30, 2025, and have issued our report thereon dated June 26, 2026 which was prepared to comply with State of Florida reporting requirements.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and our Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated June 26, 2026, should be considered in conjunction with this management letter.

Prior Audit Findings

Prior Audit Findings section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in the management letter, unless disclosed in the notes to the financial statements. The legal authority is disclosed in Note 1 to the financial statements.

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or fraud, waste or abuse, that has occurred or is likely to have occurred, that have an effect on the financial statements that is less than material, but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Tax Collector, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

Independent Accountant's Report on Compliance with Local Government Investment Policies

To the Honorable Abbey Ajayi, Tax Collector
Tax Collector of Broward County, Florida

We have examined the Tax Collector of Broward County, Florida's (the Tax Collector) compliance with the local government investment policy requirements of Section 218.415, *Florida Statutes* (the specified requirements), during the period from January 7, 2025 to September 30, 2025. Management of the Tax Collector is responsible for the Tax Collector's compliance with the specified requirements. Our responsibility is to express an opinion on the Tax Collector's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the AICPA. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Tax Collector complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Tax Collector complied with the specified requirements. The nature, timing and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination of the Tax Collector's compliance with the specified requirements.

In our opinion, the Tax Collector complied, in all material respects, with the local government investment policy requirements of Section 218.415, *Florida Statutes*, during the period January 7, 2025, to September 30, 2025.

This report is intended solely for the information and use of the Florida Auditor General, the Tax Collector's office, and applicable management and is not intended to be, and should not be, used by anyone other than these specified parties.

A handwritten signature in black ink that reads 'Citrin Cooperman & Company, LLP'.

Fort Lauderdale, Florida
