LETTER OF TRANSMITTAL

*W*INTER HAVEN
THE CHAIN OF LAKES CITY

This page intentionally left blank.

Honorable Mayor, Members of the City Commission
Citizens of the City of Winter Haven
Winter Haven, Florida

MARCH 31, 2026

We are pleased to submit the Annual Comprehensive Financial Report (ACFR) of the City of Winter Haven for the fiscal year ending September 30, 2025.

Florida Statutes, Chapter 218.32, requires that each local government entity submit an annual financial report with the audit report no later than nine months after the end of the fiscal year. This requirement has been met for the fiscal year ended September 30, 2025, and the report of the independent auditing firm has been included in the financial section of this report.

This report was prepared in conformity with generally accepted accounting principles (GAAP), and audited by an independent firm of certified public accountants, Mauldin & Jenkins CPAs & Advisors, as mandated by both local ordinances and state statutes. Responsibility for both the accuracy of the data, and the completeness and fairness of the presentation, including all disclosures, rests with the City. We believe the data as presented is accurate in all material respects and is reported in a manner designed to present fairly the financial position and results of operations of the various funds of the City. All disclosures necessary to enable the reader to gain an understanding **of the City's financial activities have been included.**

The City is required to undergo an annual single audit in conformity with the provisions of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.550, Rules of the Auditor General for Local Government Entity Audits. Information related to this single audit, including the schedule of expenditures of Federal awards and State financial assistance, findings and recommendations, and **auditor's reports on the internal control** structure and compliance with applicable laws and regulations are included in the single audit section of this report.

City management is responsible for establishing and maintaining a system of internal controls designed to ensure the assets of the City are protected from loss, theft or misuse and to ensure that adequate accounting data is compiled to allow for the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. The internal controls are designed to provide reasonable, but not absolute assurance that the financial statements will be free from material misstatement. The concept of reasonable assurance recognizes that: (1) the cost of a control should not exceed the benefits likely to be derived; and (2) the valuation of costs and benefits requires estimates and judgments by management.

Management's Discussion and Analysis (MD&A) immediately follows the independent auditor's report and provides a narrative introduction, overview, and analysis of the basic financial statements. The MD&A complements this letter of transmittal and should be read in conjunction with it.

Profile of the City

Winter Haven is located in central Polk County which lies in the center of the State of Florida, equidistant between **the major metropolitan areas of Orlando and Tampa. Winter Haven, known as the “Chain of Lakes City” is Polk County’s second largest city. Widely recognized as the water skiing capital of the world, the “Chain of Lakes” is a boater’s paradise with beautiful waters and world-class fishing.** There are fifty fresh-water lakes within or bordering the City limits, many of which are connected via two chain systems of navigable canals. Fourteen boat ramps, sixteen public docks/piers, two boardwalks, and nineteen waterfront parks allow residents and visitors alike to enjoy our lakes.

Winter Haven is home to the LEGOLAND Florida Resort which includes the historic Cypress Gardens botanical garden, two LEGOLAND Resort Hotels on property and the nearby Beach Retreat; a resort offering 83 beach-themed bungalows in a village-style layout with free transportation to LEGOLAND Florida.

The City operates under the commission-manager form of government. Policy-making and legislative authority are vested in the City Commission (Commission) consisting of the Mayor, Mayor Pro Tem and three commissioners. The Commission is elected on a non-partisan basis. Commission members serve four-year staggered terms, with two or three commission seats up for election every two years. The Mayor and Commissioners are elected at large. The Commissioners select the Mayor and Mayor Pro Tem annually. The Commission is responsible for, among other things, adopting local ordinances and resolutions, adopting the budget, appointing committees, and hiring the City Manager, City Attorney, and City Clerk.

The City Manager is charged with executing the policies and ordinances enacted by the Commission, directing and supervising the **day-to-day administrative operations of the City, and appointing the directors of the City’s** departments

The City provides a full range of services, including police and fire protection; construction and maintenance of streets, sidewalks and infrastructure; engineering; planning and community development; code compliance; general administration and support services; recreational activities and cultural events. In addition, the City operates several enterprises: including water and sewer service, solid waste, stormwater, dark fiber, and a golf course.

The annual budget serves as the foundation of the City’s financial planning and control. Departments are required to submit requests for appropriations including any new employee positions and capital projects to the Financial Services Department, which uses those requests as the starting point for developing a proposed budget. With the prudent oversight of the City Manager, a proposed budget and five-year capital improvement plan is prepared and presented to the City Commission by the City Manager annually in July.

The Mayor, Mayor Pro Tem, and Commissioners provide input and suggestions on initiatives they would like to see in the proposed budget. City Management and staff summarize these suggestions and add analysis of an operational impact, if any. At a special City Commission meeting, the Commission discusses modifications to the proposed budget and reaches a consensus as to what will be reflected in the proposed budget. Staff incorporates these suggestions in the budget for a Commission vote in September.

The Commission is required to hold two public hearings on the budget and millage rate in September and adopt a **final budget and millage rate by no later than September 30, the close of the City’s fiscal year.**

The appropriated budget is prepared by fund. Transfers between accounts within the same fund may be made with City Manager approval. Transfers between funds and adjustments that increase/decrease the overall budget of a fund require approval of the City Commission. Budget-to-actual comparisons are provided in this report for each individual governmental fund for which an appropriated budget has been adopted.

Local Economy

Winter Haven's population for 2025 is 60,837, which represents a 23.60% increase over the past five years. The City has experienced significant economic growth over the past several years, driven by various factors including residential, industrial, commercial growth, and tourism. The growth outlook for Winter Haven remains positive. In addition to the availability of platted single-family residential lots, the City is experiencing significant investment by non-residential developers including major retailers such as Publix and Target, large scale industrial projects, and hoteliers. The City has annexed 1.31 square miles into the City limits in the past few years and has experienced **continued investment in the City's downtown core including 211 new multi-family units** completed, or nearing completion, a hotel, restaurants, office space, and the approval of a \$20 million project to redevelop several historic downtown buildings into additional restaurant, retail, service, office, and event space.

With its strategic location in Central Florida, Winter Haven continues to attract businesses and residents alike. Key sectors, such as tourism, real estate, and healthcare, are thriving, supported by a growing population and an influx of investments in infrastructure and amenities. The real estate market remains steady, fueled by both residential and commercial developments.

Challenges such as inflation and potential economic downturns could impact growth, but Winter Haven's diverse economy and ongoing investments position it well for resilience and continued prosperity.

Overall, the economic outlook for Winter Haven is promising, with steady growth expected across key sectors, making it an attractive location for businesses and residents alike

Due to the City's strong financial performance, growth, and robust reserves, Standards & Poor and Fitch provided bond ratings of AA and AA+, for non-ad valorem revenue bonds, respectively.

Long term Planning

The City's Fiscal Policy prescribes a minimum of 17% of the General Fund's operating expenditures will be retained in the Unassigned Fund Balance; with a reserve goal of 30%. Any Unassigned Fund Balance in excess of 30% may be transferred to the Construction Fund to defray costs and cover contingencies as recommended by the City Manager and approved by the City Commission. The City continues to maintain an Unassigned Fund Balance of 30%.

Last year, the Commission formally adopted strategic initiatives to guide the City's priorities and decision-making over the coming years. These initiatives are organized into six strategic pillars: Quality of Life; Community Safety; Infrastructure; Responsible Government; Environmental Stewardship; and Economic Sustainability. Each pillar includes defined goals and strategies with measurable outcomes to ensure accountability and track progress.

The strategic pillars serve as a foundational component of the City's performance measurement framework and will be evaluated on an annual basis. In addition, the City is partnering with a vendor to conduct community surveys to gather resident feedback on **the City's performance within each pillar. Together, this data will inform** recommendations related to operations, policy decisions, and financial investments. The pillars will also provide a

consistent framework for communicating progress to the community through annual reports, presentations—such as the State of the City address and civic or neighborhood meetings—and other informational materials.

Each year, the Commission adopts a fiscally sound approach to budgeting, allowing the City to be responsible financial stewards of its resources. With prudent management of financial resources and strategic planning, several major initiatives will come to fruition in the near future.

Major Initiatives

One Water Master Plan

The ultimate goal of the One Water Master Plan is to construct a series of natural water storage facilities throughout the local watershed that would create water supply, prevent flooding, improve water quality, protect lakes and provide recreation and scenic beauty. **The City's mission is to align resources, policies and funding to achieve the One Water Vision working cooperatively with local and regional partners.**

Water Resource Facility

The existing Waste Water Treatment Plant #3 has reached the end of its useful life and needs extensive upgrades and renovations. This project will provide needed upgrades and renovations while utilizing part of the existing plant to offset overall cost and application. There is also the opportunity to provide more modern applications of effluent discharge. This project is planned in stages with the expectation of producing 12.0 Million Gallons per Day (MGD) by 2030 at an estimated cost of \$173 million in stage one with the expectation of increasing total production to 24.0 MGD by 2040 at a cost of \$227 million in stage two.

Chain of Lakes – Phase 2

Additional parking spaces are needed in the newly renovated Chain of Lakes complex to provide sufficient parking for tournaments. This project will add 230 paved parking spaces and 120 stabilized grass parking spaces for a total of 350 additional parking spaces at the complex. With these additional spaces, the total parking spaces for the complex will be approximately 1,450 spaces.

Public Safety Complex #5

This project is a complete design/build project to include interior furnishing of an 11,000 square foot multi-use public service building in the northwest section of Winter Haven. The new facility will enhance emergency response times and strengthen community safety and law enforcement presence in this area as it will serve as a permanent, safe, and secure station accommodating fire personnel across three shifts and also serve as a Winter Haven Police Department Substation.

DiamondPlex Renovation

The DiamondPlex originally opened in 1998 and is a five-field softball complex featuring lighted fields, a central concession and multipurpose building, picnic areas, a playground, and fan amenities. The complex serves as the home field for the Polk State College Lady Eagles Softball team and hosts recreational and senior leagues, travel softball tournaments, and an annual six-week collegiate spring break tournament.

The proposed renovation project focuses on upgrading field lighting to modern LED systems, improving and replacing fencing, enhancing field conditions, renovating existing buildings, and adding new amenities such as batting cages and bullpens.

T-Hangar Taxilanes Rehabilitation

The existing taxilanes between the T-hangar buildings located in the south quadrant of the airport are rated as poor under the FDOT Pavement Condition Index (PCI). This project will involve milling and overlaying the asphalt pavement, along with replacing pavement markings. No geometric modifications are proposed.

Transportation Fund

The City is committed to preserving the quality of life in its neighborhoods through ongoing street resurfacing and the maintenance of trails and walkways. Annually, the City allocates \$2 million to the Transportation Improvement Program to manage pavement conditions and enhance pedestrian networks, improving safety and fostering a more connected community.

The City continues to monitor State legislative initiatives that may have an impact on the City. This includes adjustments to the homestead exemption and modifications to property taxes.

Relevant Financial Policies

Financial Management Policy

The City of Winter Haven's Financial Management Policy provides the basic framework for the overall financial management and operations of the City. The policy consists of: fund balance and reserves, revenue, cash management/investments, and the capital improvement plan. These policies are used in the development of current activities and planning for future programs and projects.

Operating Budget Policy

The City's budget is a detailed operating plan, which identifies estimated costs and revenues to fund program initiatives. The budget includes: (1) the programs, projects, services, and activities to be carried on during the fiscal year; (2) the estimated revenue available to finance the operating plan; (3) the estimated spending requirements of the operating plan; and (4) a capital improvement plan (CIP), reflecting a multi-year planning document that identifies, prioritizes, and schedules major capital projects such as infrastructure, facilities, and equipment. The budget represents a process where the City Commission and City Manager make, implement, and control policy decisions.

Debt Management Policy

The City's Debt Management Policy establishes a formal framework for the responsible issuance and administration of debt. Its purpose is to ensure that borrowing decisions are made in a prudent, transparent, and fiscally sustainable manner, consistent with the city's long-term financial planning and strategic goals. The policy helps maintain the City's creditworthiness, manage debt levels and repayment obligations, comply with legal and regulatory requirements, and protect the interests of taxpayers by balancing infrastructure and capital needs with the community's ability to repay debt.

Awards and Acknowledgements

Certificate of Achievement

The Government Finance Officers Association of the United States and Canada (GFOA) awarded its Certificate of Achievement for Excellence in Financial Reporting to the City of Winter Haven, for its Annual Comprehensive Financial Report for the fiscal year ending September 30, 2024. This was the 35th consecutive year that the City has received this prestigious award. In order to be awarded a Certificate of Achievement, a governmental unit must publish an easily readable and efficiently organized annual comprehensive financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements. A Certificate of Achievement is

valid for a period of one year only. We believe our current report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

Award for Distinguished Budget

The City received the GFOA's Award for Distinguished Budget Presentation for its annual financial plan for the fiscal year ending September 30, 2025. This was the 32nd consecutive year that the City has received this prestigious award. In order to qualify for the Distinguished Budget Presentation Award, the City's budget document was judged to be proficient in several categories including policy documentation, financial planning, organization, and as a communications medium. We are pleased that we continue to achieve this distinction.

Acknowledgments

The preparation of the Annual Comprehensive Financial Report was made possible by the dedicated service of the entire staff of the Finance Department. Their efforts have been instrumental in ensuring the accuracy and completeness of the financial information presented herein. Each member of the department has our sincere appreciation for the contributions made in the preparation of this report.

In closing, the continued leadership and support by the Mayor, Mayor Pro Tem, and the City Commissioners in the planning and guidance of the financial operations of the City is much appreciated.

Sincerely,

T. Michael Stavres, ICMA-CM, CPM

Independent Auditor's Report

**Honorable Mayor and Members
of the City Commission
City of Winter Haven, Florida**

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Winter Haven, Florida, (the "City"), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City, as of September 30, 2025, and the respective changes in financial position, and, where applicable, cash flows thereof, and the respective budgetary comparison for the General Fund, Community Redevelopment Agency Fund, and Airport Fund, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 14 through 26 and the schedule of changes in the employer's net pension liability and related ratios, schedule of employer contributions, schedule of investment returns, and schedule of changes in the City's total OPEB liability and related ratios on pages 116 through 133, respectively, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The accompanying combining and individual nonmajor fund financial statements and schedules and schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and Chapter 10.550, Rules of the Auditor General of the State of Florida, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and schedules and schedule of expenditures of federal awards and state financial assistance are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

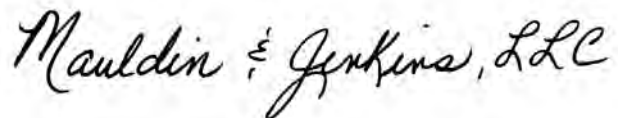

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 27, 2026, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering City's internal control over financial reporting and compliance.

Bradenton, Florida
March 27, 2026

*W*INTER HAVEN
THE CHAIN OF LAKES CITY

This page intentionally left blank.

The Management's Discussion and Analysis section provides a narrative overview and analysis of the City's financial activities for the year ending September 30, 2025. The intent of the information, in conjunction with the Letter of Transmittal, is to provide the reader with a clearer picture of the City's overall financial status.

Financial Highlights

- The assets and deferred outflows of the City of Winter Haven exceeded its liabilities and deferred inflows at the close of the most recent fiscal year by \$375,697,445 (net position). Of this amount, \$252,370,685 represents net investment in capital assets (capital assets net of related debt), \$91,607,102 is restricted for a specific purpose, and \$31,719,658 (unrestricted net position) may be used to meet the City's ongoing obligations.
- The City's total net position increased by \$60,767,863. Total revenues were \$192,918,079; an increase of \$16,095,702 over the previous year. Total expenses were \$132,150,216; an increase of \$11,434,077 over the previous year.
- As of September 30, 2025, the City of Winter Haven's governmental funds reported combined ending fund balances of \$111,199,296 a decrease of \$29,387,746 over the previous year. The decrease is mainly attributable to a reduction in the Assigned Fund Balance as the Capital Project Fund's prior year projects came close to fruition in the current year. As such, funds assigned in the prior year were spent during the current fiscal year.
- At the end of the current fiscal year, unassigned fund balance for the General Fund was \$26,185,520, or 35.19% of total General Fund expenditures. The unassigned fund balance reflects an increase of \$2,397,033 over prior year. This increase is attributed to revenues exceeding expenditures in the current year as well a reduction in transfers out. Prior year reflected a \$5 million transfer to the Capital Project Fund as prescribed by the City's fiscal policy to defray project costs and cover contingencies.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements are comprised of three components:

- 1) Government-wide financial statements
- 2) Fund financial statements
- 3) Notes to the financial statements.

This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The government-wide financial statements are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

City of Winter Haven
Management's Discussion and Analysis
September 30, 2025

The Statement of Net Position presents information on all of the City's assets and deferred outflows and liabilities and deferred inflows, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The Statement of Activities presents information showing how the City's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the City include general government, public safety, transportation, economic development, human services, and culture and recreation. The business-type activities of the City include water and sewer, solid waste, stormwater, dark fiber, and a golf course.

Fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the City's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The City maintains seventeen individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures and changes in fund balances for the General Fund, Community Redevelopment Agency Fund, Airport Fund, and Capital Project Fund, which are considered to be major funds. Data from the other thirteen governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of combining statements elsewhere in this report.

The City adopts an annual appropriated budget for its General Fund and certain Special

**City of Winter Haven
Management's Discussion and Analysis
September 30, 2025**

Revenue Funds. Budgetary comparison schedules have been provided for the General Fund and each major Special Revenue Fund that adopts a budget to demonstrate compliance with the budget. Budgetary comparisons for nonmajor special revenue funds are presented in the combining statements.

Proprietary funds. The City maintains two different types of proprietary funds. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements. The City uses enterprise funds to account for its water and sewer, solid waste, stormwater, dark fiber, and golf course.

Internal service funds are an accounting device used to accumulate and allocate costs internally among the City's various functions. The City uses internal service funds to account for its fleet maintenance operations, general services, and, self- insurance. Because services accounted for in internal service funds predominately benefit governmental rather than business-type functions, they have been included within governmental activities in the government-wide financial statements.

Proprietary fund financial statements provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the Water and Sewer Fund and Solid Waste Fund. The Water and Sewer Fund and Solid Waste Fund are considered to be major funds of the City. The internal service funds are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund data for the internal service funds is provided in the form of combining statements elsewhere in this report.

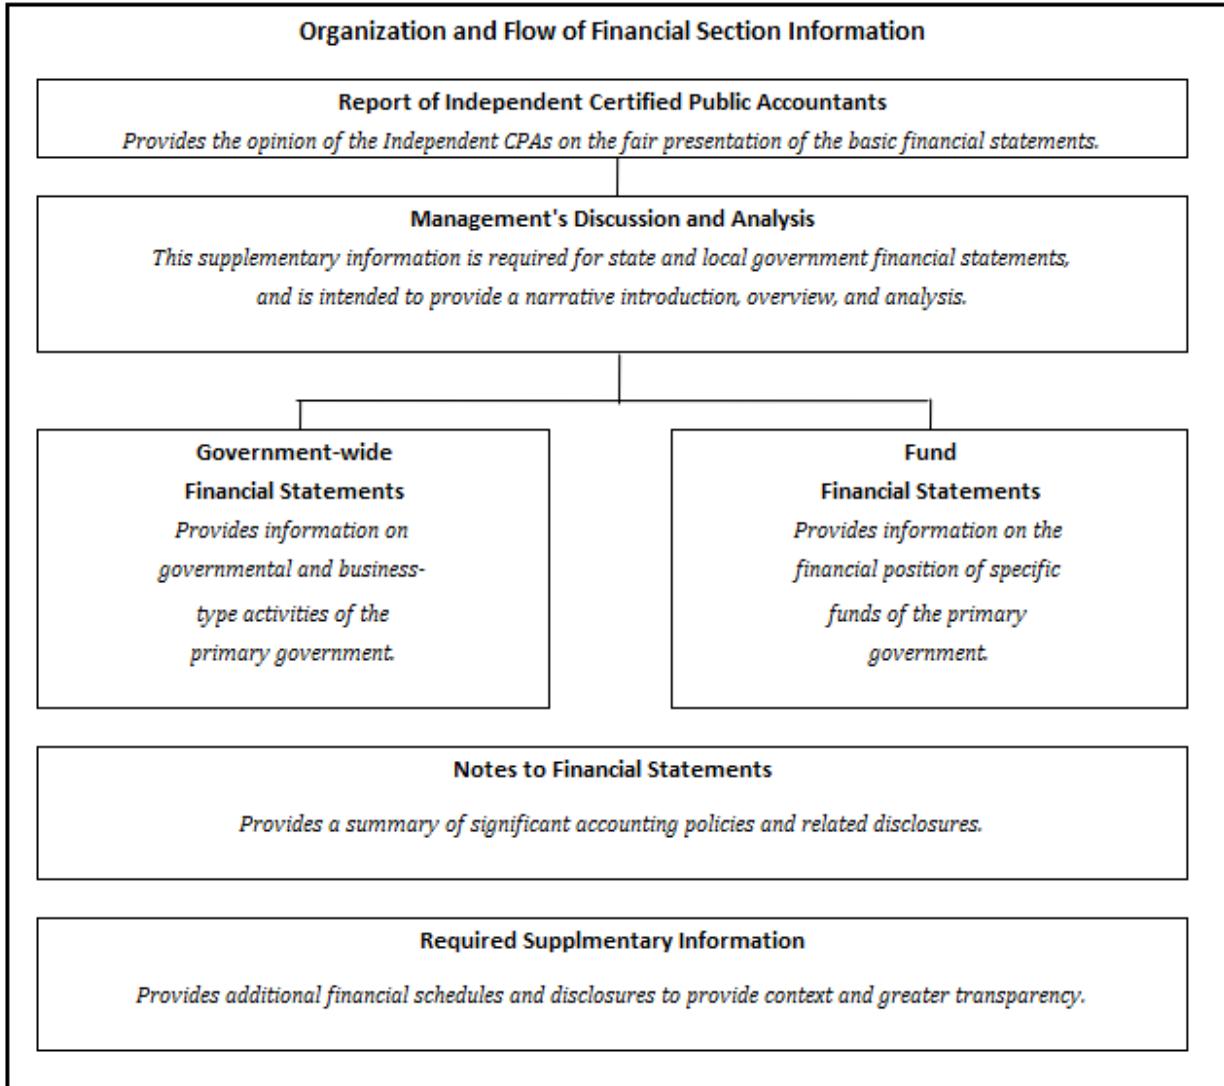

Fiduciary funds. Fiduciary funds are used to account for resources held for the benefit of parties outside the City. Fiduciary funds are not reflected in the government-wide financial statements because the resources of these funds are not available to support the City's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on starting on page 41 of this report.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning budgetary comparisons and the City's progress in funding its obligation to provide pension benefits to its employees and Other Postemployment Benefit (OPEB) obligations. The combining statements referred to earlier in connection with nonmajor governmental and internal service funds are presented immediately following the required supplementary information.

The chart below may assist in understanding the structure of the financial statements.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the City, assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$375,697,445 at the close of the most recent fiscal year.

The following table reflects the condensed Statement of Net Position for current year and previous year. For more detailed information, see the Statement of Net Position.

The City's Total Net Position increased by \$60,767,863 during the fiscal year. This increase reflects the extent to which revenues exceeded expenses and is primarily attributable to property tax revenues, utility collections, developer contributions, and interest earnings.

The largest portion of the City's net position (67.17%) is its investment in capital assets (e.g., land, buildings, improvements other than buildings, machinery and equipment) net of any related debt used to acquire those assets. The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending.

Net Investment in Capital Assets increased by \$74,449,492, largely due to the construction and development of major capital projects. Significant projects include park and recreation facilities such as the Winter Haven Recreation Cultural Center and the Chain of Lakes Ballfields, as well as infrastructure improvements within the Water and Sewer Fund. Water and sewer projects include lift stations, septic-to-sewer remediation, and the acquisition of equipment necessary to support ongoing utility operations.

Restricted Net Position increased by \$14,545,720, primarily due to resources received through grant agreements, bond covenants, and developer contributions designated for specific water and sewer projects. Although the City's investment in capital assets is reported net of related debt, it is important to note that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. Approximately 24.38% of the City's net position represents resources that are externally restricted in how they may be used. These resources are dedicated to providing services to citizens and are therefore not available for future discretionary spending. The remaining \$31,719,658 (8.44%) is considered unrestricted and available to meet the City's ongoing obligations to citizens and creditors.

Unrestricted Net Position decreased by \$28,227,349 compared to the prior year. This decrease primarily reflects the use of available resources to fund capital improvements and support restricted activities during the fiscal year. As funds were applied toward capital projects, the City's net investment in capital assets increased, reflecting the continued expansion and improvement of the City's infrastructure and public facilities.

**City of Winter Haven
Management's Discussion and Analysis
September 30, 2025**

Governmental activities.

Total revenues for Governmental Activities in FY 2025 were \$90,143,847, a decrease of \$5,876,128 from FY 2024. The decline was primarily due to a significant reduction in capital grants and contributions (Transportation and Culture & Recreation), which decreased from \$17.9 million in 2024 to \$5.6 million in 2025. Despite this decline, several revenue sources experienced growth, including property taxes, which increased to \$32.7 million, as well as utility taxes, franchise fees, and charges for services. Investment income declined compared to the prior year but remained a strong contributor to revenues.

Total expenses increased to \$77,617,620 in FY 2025, compared to \$68,572,636 in FY 2024. The increase was largely driven by higher costs in Public Safety, Transportation, and Economic Development, reflecting capital project costs, expanded operations, and rising service costs. Public Safety remained the City's largest expenditure category at \$31.6 million, followed by Culture & Recreation and General Government.

Before transfers, Governmental Activities reported an increase in net position of \$12,526,227, compared to \$27,447,339 in the prior year, reflecting the combination of lower capital grant revenues and higher operating expenses. After accounting for transfers of \$6,148,410, the total change in net position for FY 2025 was an increase of \$18,674,637.

As a result, the net position for Governmental Activities increased to \$180,292,633 at the end of FY 2025, up from \$161,617,996 in FY 2024, demonstrating continued overall financial growth despite the reduction in capital grant activity.

The changes in net position displayed below shows the governmental and business-type activities during the fiscal year.

Expenses and Program Revenues - Governmental Activities

Revenue by Source - Governmental Activities

**City of Winter Haven
Management's Discussion and Analysis
September 30, 2025**

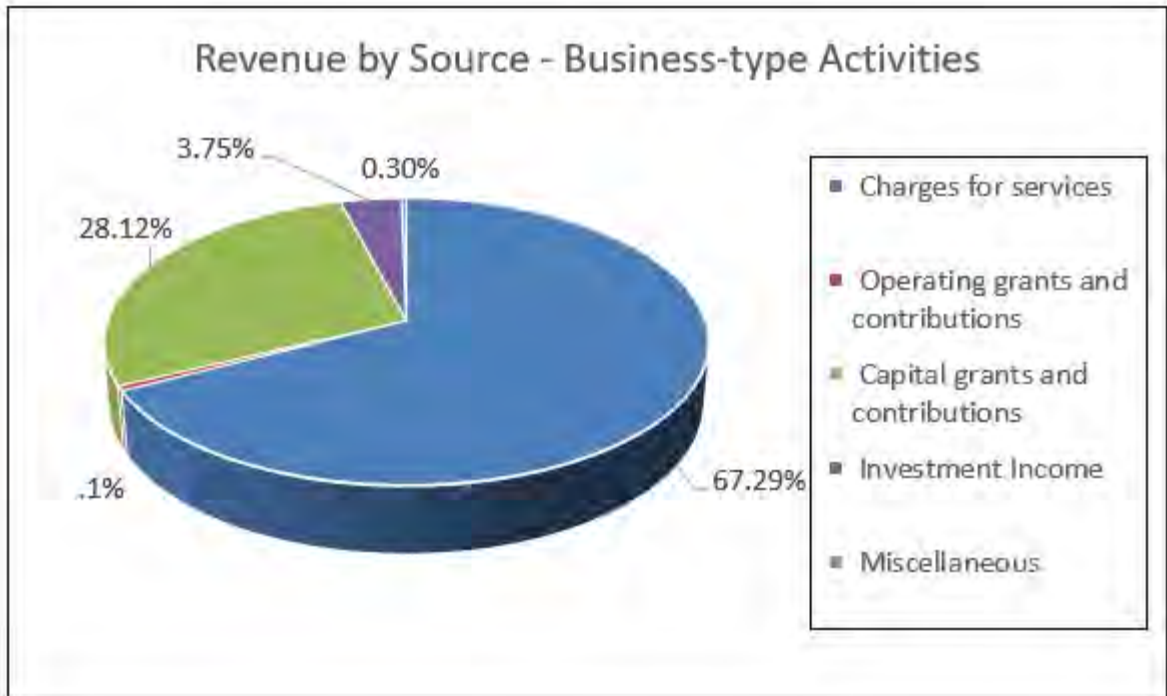

Business-type activities.

Total revenues for Business-type Activities in FY 2025 were \$102,774,232, an increase of \$21,971,830 over prior year. The growth was primarily due to developer's contributions pertaining to the Water and Sewer fund, as well as expansion of services and higher charges for services. Investment income declined slightly compared to the prior year.

Total expenses increased to \$54,532,596 in FY 2025, compared to \$52,143,503 in FY 2024, mainly due to higher operating costs within Water and Sewer, Solid Waste, and Dark Fiber operations. Water and Sewer operations remained the largest expense category.

Before transfers, net position increased by \$48,241,636. After transfers of \$6,148,410, the overall increase in net position was \$42,093,226, resulting in an ending net position of \$195,404,812 compared to \$153,311,586 in FY 2024. This increase reflects strong operating revenues and significant capital funding for utility infrastructure improvements.

Financial Analysis of the City's Major Funds

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance related legal requirements.

Governmental Funds

The focus of the City's governmental funds is to provide information on near-term inflows, outflows and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year. The City maintains four major governmental funds: the General Fund, the Community Redevelopment Agency Fund, the Airport Fund, the Capital Project Fund.

At the end of the current fiscal year, the City's governmental funds reported combined ending fund balances of \$111,199,296, a decrease of \$29,387,746 in comparison to prior year. Approximately, 23.5% of this total amount constitutes unassigned fund balance, which is available for spending at the City's discretion. The remainder of the fund balance is not available for new spending as it is dedicated to specific purposes.

The General Fund is the primary operating fund of the City. At the end of the current fiscal year, unassigned fund balance of the General Fund was \$26,185,520, while total fund balance was \$36,215,552. As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to the fund's total current expenditures. Unassigned fund balance represents 35.19% of total expenditures and transfers out, while total fund balance represents 48.67% of that same amount.

The fund balance of the City's General Fund increased by \$2,191,733, during the current fiscal year.

**City of Winter Haven
Management's Discussion and Analysis
September 30, 2025**

Key factors contributing to this growth include the following:

- Taxes increased by \$5,369,436, primarily due to higher property tax revenues driven by a strong housing market, rising property values, and an increase in electric utility rates.
- Intergovernmental revenues increased by \$1,021,718, largely attributable to higher state revenue-sharing distributions and funding received through the SAFER Grant.
- Investment earnings were \$307,592 lower than the prior year; however, they exceeded the budgeted amount by \$402,555.

The Community Redevelopment Agency (CRA) reported an increase in fund balance of \$1,719,812 compared to the prior year. This growth is primarily the result of rising property values within the redevelopment area and anticipated economic development projects.

The Airport Fund experienced an increase in fund balance of \$730,089, largely due to grant funding from the Federal Aviation Administration and the Florida Department of Transportation for major capital projects, including the South Apron Rehabilitation Project and the construction of the Remote Digital Tower.

The Capital Projects Fund reflects a decrease in fund balance of \$38,487,020, primarily due to increased expenditures for the construction of major recreational facilities, including the Winter Haven Recreation Cultural Center and the Chain of Lakes Ballfields.

Proprietary Funds

The fund financial statements for the proprietary funds essentially provide the same information found in the business-type activities column in the government-wide financial statements, but in more detail. Factors concerning the proprietary funds have been addressed in the discussion of the City's business-type activities.

Capital Assets and Debt Administered

The City's investment in capital assets for its governmental and business-type activities as of September 30, 2025, is \$384,270,240 (net of accumulated depreciation). This investment in capital assets includes land, construction in progress, buildings, improvements, infrastructure, utility systems and equipment. The total increase in the City's investment in capital assets for the current fiscal year was \$85,267,877, reflecting a 28.52% increase over prior year.

The schedule below reflects the City's capital assets as of September 30, 2025 and 2024:

	Capital Assets (Net of depreciation)					
	Governmental Activities		Business-type Activities		Total	
	2025	2024	2025	2024	2025	2024
Land	\$ 8,965,944	\$ 8,478,268	\$ 16,533,991	\$ 15,937,906	\$ 25,499,935	\$ 24,416,174

**City of Winter Haven
Management's Discussion and Analysis
September 30, 2025**

Major capital asset events during the current fiscal year included the following:

- Improvements Other than Buildings reflects an increase of \$56,030,875 due to various projects. These projects include the Pollard Road extension, Lake Conine facility and parking improvements, South Lake Howard trail extension, as well as, re-surfacing streets, and maintaining walkways for the governmental activities. Business-type activities include construction of the Harmony Lift station, and utility lines to handle growth and capacity.
- Construction in Progress reflected a total increase of \$28,403,083. The majority of this increase is due to governmental funds for projects which include Chain of Lakes Phase II, Public Safety Station No. 5 as well as various road improvement projects. The increase in business-type activities is mainly due to septic to sewer remediation.

Overall, the increase in capital assets reflects the City's continued investment in public facilities, infrastructure, and utility systems to support growth and service delivery.

Additional information on the City's capital assets can be found in Note 6 in the notes to the financial statements.

Debt Administration

At the end of the current fiscal year, the City had total outstanding debt of \$134,894,658. The revenue bonds and notes payables are secured by non-ad valorem tax dollars and specified revenue sources (water and sewer system charges).

Outstanding Debt

Two major rating institutions (Standards & Poor, and Fitch Ratings) have evaluated the City's financial management, economic conditions and administrative practices. The bond ratings reflect that the City's bonds have the characteristics of investment quality, as shown below:

Credit Ratings	Fitch	S&P
General Fund Non-Ad Valorem	AA +	AA Stable
Water & Sewer System	AA - Stable	AA-

Additional information on the City's long-term liabilities can be found in Note 9 in notes to the

financial statements.

FUND BALANCE

The Government Finance Officers Association recommends, at a minimum, that general-purpose governments maintain unassigned fund balance in their General Fund of no less than one to two months of regular General Fund operating expenditures (or 8.33 – 16.67%).

The City Commission adopted a General Fund Balance Policy which prescribes a minimum of 17% of General Fund expenditures will be retained in Unassigned Fund Balance and will work towards an unassigned fund balance of 30%. Any Unassigned Fund Balance in excess of 30% may be transferred to the Construction fund to defray costs and cover contingencies as recommended by the City Manager and approved by the City Commission.

Economic Factors and Next Year's Budgets and Rates

The growth outlook for the City of Winter Haven remains positive. Key sectors such as tourism, real estate, and healthcare are thriving, supported by a growing population and an influx of investments in infrastructure and amenities. The real estate market remains robust fueled by both residential and commercial developments. Taxable property values increased by 12.63% over prior year's taxable value. The unemployment rate for the Lakeland-Winter Haven, FL Metropolitan Statistical Area (MSA) was 5.5%, slightly higher than the state's average of 4.4%. The higher rate is mainly due to a labor force that is expanding faster than new jobs are created.

In 2024, the Commission approved a utility rate study and connection fee study to ensure proper funding to support water and sewer services. Based on the study, the Commission approved significant increases to the City's water and wastewater utility connection fees, primarily to ensure that the cost of expanding infrastructure for new development was paid by growth rather than existing residents. The Commission also adopted a five-year rate schedule which will increase water rates 2.5% annually, while sewer rates will increase 7.5% annually. These rate increases were necessary to fund operations including repair and replacement, capital improvement projects and debt service.

Florida is considering legislation that would significantly reduce or eliminate non-school property taxes on homestead properties, contingent on voter approval of a proposed constitutional amendment, likely on the November 2026 ballot. If enacted, this change could sharply reduce the property-tax revenues that the City relies on for essential services, including public safety, roads, parks, and utilities. While some proposals include protections for police and fire funding, the reductions would not adjust for future cost increases, potentially forcing municipalities to cut services, raise user fees, or identify alternative revenue sources to maintain operations. Overall, the legislation represents a major potential fiscal impact for city budgets, requiring careful planning and possible adjustments to ensure continued service delivery.

Financial Contact

The financial report is designed to provide a general overview of the City's finances for all of those with an interest in the City's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the City's Chief Financial Officer, 551 3rd Street NW, Winter Haven, Florida 33881.

CITY OF WINTER HAVEN, FLORIDA
RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE
SHEET TO THE STATEMENT OF NET POSITION
GOVERNMENTAL ACTIVITIES
September 30, 2025

TOTAL FUND BALANCES FOR GOVERNMENTAL FUNDS		\$ 111,199,296
Total net position reported for governmental activities in the statement of net position is different because:		
Capital assets used in governmental funds are not financial resources and, therefore, are not reported in the funds.		
Costs of Capital Assets	\$ 292,348,967	
Accumulated Depreciation	<u>(102,865,029)</u>	
Total Capital Assets Added		189,483,938
Interest on long-term debt is not accrued in governmental funds, but rather is recognized as an expenditure when due. Accrued interest for governmental activities bonds is included in the statement of net position.		
		(1,296,153)
The City's net pension liability and related deferred outflows and inflows of resources for governmental activities are recorded only on the Statement of Net Position.		
Net Pension Liability	(9,469,756)	
Deferred Outflows of Resources - Pension Related	5,272,576	
Deferred Inflows of Resources - Pension Related	<u>(12,783,021)</u>	
Total Pension Related Items		(16,980,201)
The City's total other postemployment benefits liability and related deferred outflows and inflows of resources are recorded only on the Statement of Net Position.		
Total OPEB Liability	(27,551,500)	
Deferred Outflows of Resources - OPEB Related	5,208,365	
Deferred Inflows of Resources - OPEB Related	<u>(6,794,893)</u>	
Total Pension Related Items		(29,138,028)
Certain liabilities are not due and payable in the current period and, therefore, are not reported in the funds.		
Bonds Payable	(76,145,000)	
Premium on Bond Issue	(3,403,989)	
SBITA Payable	(1,157,195)	
Accrued Compensated Absences	<u>(4,728,665)</u>	
Total Long-Term Liabilities		(85,494,367)
Unavailable revenue is recorded in the funds to offset receivables that do not meet the criteria for revenue recognition in the current period.		
		9,061,674
Internal service funds are used by management to charge the costs of certain activities, such as employer health insurance and equipment maintenance, to individual funds.		
		<u>3,456,474</u>
TOTAL NET POSITION OF GOVERNMENTAL ACTIVITIES		<u><u>\$ 180,292,633</u></u>

See accompanying Notes to Financial Statements.

CITY OF WINTER HAVEN, FLORIDA
RECONCILIATION OF THE GOVERNMENTAL FUNDS STATEMENT OF REVENUES, EXPENDITURES, AND
CHANGES IN FUND BALANCE TO THE STATEMENT OF ACTIVITY
GOVERNMENTAL ACTIVITIES
YEAR ENDED SEPTEMBER 30, 2025

NET CHANGE IN FUND BALANCES - TOTAL GOVERNMENTAL FUNDS \$ (29,387,746)

Amounts reported for governmental activities in the statement of activities are different because:

Capital outlay, reported as expenditures in governmental funds, are shown as capital assets in the statement of net position. 52,362,706

Depreciation of capital assets is not a use of financial resources to governmental funds; however, it is expensed in the statement of net position. (8,595,323)

In the statement of activities, only the loss on the sale of capital assets is reported. However, in the governmental funds, the proceeds from the sale increase financial resources. Thus the change in net position differs from the change in fund balance by the carrying value of the capital assets sold. (16,782)

The issuance of long-term debt (e.g., bonds, note payables and leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. This amount is the net effect of these differences in the treatment of long-term debt and related items.

Bond and Note Payments	\$ 4,195,000	
Proceeds from Leases and SBITAs	(1,404,370)	
Lease and SBITA Payments	656,374	
Total Long-Term Debt		3,447,004

The amortization of bond premium and similar items do not require the use of financial resources of the governmental funds and, therefore, are not reported as expenditures in governmental funds:

Amortization of Bond Premium	231,135	
Total Amortization		231,135

The (increase) decrease in certain accrued liabilities reported in the statement of activities does not require the use of current financial resources and, therefore, is not reported as expenditures in the governmental funds.

Net Change in OPEB Liability and Related Amounts	(2,181,044)	
Net Change in Accrued Compensated Absences	(650,551)	
Net Change in Bond Interest Payable	68,804	
Net Change in Net Pension Liability and Related Amounts	3,264,929	
Net Adjustment		502,138

Some revenues reported in the statement of activities will not be collected for several months after the fiscal year and, therefore, are not reported as revenue in the governmental funds. (1,513,896)

Internal service funds are used by management to charge the costs of insurance and equipment and vehicle maintenance to individual funds. The net expense of certain activities of internal service funds is reported with governmental activities. 1,645,401

CHANGE IN NET POSITION OF GOVERNMENTAL ACTIVITIES **\$ 18,674,637**

See accompanying Notes to Financial Statements.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the City of Winter Haven (the City) conform to accounting principles generally accepted in the United States as applicable to governmental units. The accompanying summary of significant accounting policies is presented to assist the reader in interpreting the financial statements and other data in this report. These policies, as presented, should be reviewed as an integral part of the accompanying financial statements.

A. Reporting Entity

The City was created and re-established as a municipal government when its present charter was approved by voters at a general referendum on October 2, 1973 and by Laws of Florida, Chapter 73-660.

These financial statements present the government and its component units, entities for which the government is considered to be financially accountable. The blended component unit, although a legally separate entity, is in substance part of the City's operations. The Community Redevelopment Agency, (CRA), authorized by Chapter 163, Florida Statutes, is a legally separate entity, but since the City Commission also serves as its governing board, it is reported as a blended component unit. Management of the City has operational responsibility for the CRA. The CRA consists of two distinct geographic districts: Downtown and Florence Villa. The CRA's fiscal year ends on September 30. Separate financial statements for the CRA may be obtained by writing to the Winter Haven Community Redevelopment Agency, 451 Third Street NW, Winter Haven, Florida 33881.

The City maintains three single-employer, defined benefit pension plans for which the government is considered to be financially accountable. The fiduciary component units are reported as part of the aggregate remaining fund information. See Note 11 for additional information regarding these plans.

B. Government-Wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the City. For the most part, the effect of interfund activity, except for interfund services provided and used, has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely, to a significant extent, on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function. Program revenues include: (1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function, and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function. Taxes and other items not included among program revenues are reported as general revenues.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Government-Wide and Fund Financial Statements (Continued)

Administrative overhead charged by the General Fund to other funds are included in the direct expenses of other functions in the Statement of Activities.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

Fund Accounting

The City organizes its accounts on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts which comprise its assets, deferred outflows of resources, liabilities, and deferred inflows of resources, fund balance/net position, revenues and expenditures or expenses, as appropriate. The City has the following funds:

Governmental Fund Types

Governmental fund types are those funds through which most governmental functions are typically financed. Governmental fund reporting focuses on the sources, uses, and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used; current liabilities are assigned to the fund from which they are paid; and the difference between governmental fund assets and liabilities, the fund equity, is referred to as "fund balance." The measurement focus is upon determination of changes in financial position, rather than upon net income determination. The City electively added the Community Redevelopment Agency as a major fund due to its specific community focus. The following comprise the City's major governmental funds:

- **General Fund** – The General Fund is the general operating fund of the City. All general tax revenues and other receipts that are not allocated by law or contractual agreement to some other fund are accounted for in this fund. Many of the more important activities of the City, including operation of the City's general service departments; street and highway maintenance; public safety; and parks and recreation programs are accounted for in this fund.
- **Community Redevelopment Agency Fund** – The Community Redevelopment Agency Fund was established pursuant to F.S. Chapter 163 to account for the operations of the CRA. Revenue is generated from ad-valorem taxes in the redevelopment district. The CRA is reported as a special revenue fund of the City.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Government-Wide and Fund Financial Statements (Continued)

Governmental Fund Types (Continued)

- **Airport Fund** – The Airport Fund is a special revenue fund established by Resolution No. R-10-15 to assure that all revenue generated by the airport will be expended for capital or operating costs. This is to comply with the Joint Participation Agreement with the Florida Department of Transportation for multiple projects at the Winter Haven Municipal Airport
- **Capital Project Fund** – The Capital Project Fund is a capital projects fund used to account for resources from the 2015 and 2021 Construction Bonds used in the acquisition and construction of capital facilities and other capital assets.

The other governmental funds of the City are considered nonmajor and are as follows:

Special Revenue Funds – Special Revenue Funds are used to account for revenues derived from specific sources, which are usually required by law, regulation, or administrative action to be accounted for in separate funds.

The following nonmajor funds are included in this fund type:

Library Fund was established by the Polk County Library Cooperative Interlocal Agreement for 2014 through 2024. Polk County (the County) is an eligible political subdivision under Florida Statutes (F.S.) 257.17 and may participate in the State Aid to Libraries Program. Polk County enacted an ordinance allowing them to levy an impact fee to provide for library capital improvements required by growth within Polk County. Also, Polk County can levy ad-valorem taxes to unincorporated areas to fund new libraries. The cooperative agreement is considered restricted revenue and is utilized for operations first. Additional financing is provided by membership fees and donations from the General Fund and the public.

Cemetery Fund was established by Ordinance No. O-85-13 to provide adequate revenue to cover all operating expenses, capital improvements, debt service and to provide a contribution to the perpetual care fund. Revenues are generated from interment space sales, interment fees, monument costs and other charges.

Community Development Grant Fund was established due to grant requirements to account for the receipt and expenditure of Community Development Block Grant funds.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Government-Wide and Fund Financial Statements (Continued)

Governmental Fund Types (Continued)

Special Revenue Funds (Continued)

SHIP Grant Fund was established due to grant requirements. The State Housing Initiatives Partnership Program was created by Florida Statute Chapter 420.9072 for the purpose of providing funds to counties and eligible municipalities as an incentive for the creation of local housing partnerships, to expand production of and to preserve affordable housing, to further the housing element of the local government comprehensive plan specific to affordable housing, and to increase housing-related employment.

Police Training, Confiscation, and Abandoned Property Fund was established by the several Florida Statutes to account for asset seizures and training expenses related to law enforcement. State and local forfeitures are considered restricted based upon F.S. Chapter 932. Police training monies are received monthly from the office of the Polk County Clerk of the Circuit Court and Polk County Sheriff's Office. The source of these funds is a \$2 per conviction fee for violation of municipal or county ordinance under F.S. 938.15. The fees are used to pay expenditures for programs and courses for training police officers. Unclaimed evidence is also restricted based upon F.S. 705. The City receives funds from federal agencies as a result of Winter Haven police cooperation in federal investigations. The funds must be spent in accordance with federal regulations. No budget is adopted for this fund.

Building Safety Fund was established by F.S. 468.631 and F.S. 553.721 to account for the operations of building and permitting. Revenues are generated from permits, inspections, planning reviews and other charges for service.

Impact Fees Fund was established by Ordinance No. O-06-44 to charge impact fees for police, fire, library, and parks and recreational services. In addition, the City passed Ordinance No. O-06-45 to charge impact fees related to new development, which necessitates new roads and related facilities. Water and sewer impact fees are accounted for in the Water and Sewer Fund.

Federal Building Fund was established by Resolution No. R-03-13 to account for activities of the Federal Building. The building is considered a historical monument. Rental income in excess of repair, rehabilitation, restoration, and maintenance is used by the City only for public historic preservation, park, and recreational purposes as enunciated in its Program of Preservation and Utilization.

Affordable Housing Fund was established by Ord O-21-59 to provide for additional flexibility to meet varied and evolving housing needs and priorities while enabling the development and provision of affordable housing that is safe, sound and financially viable within the municipal limits of the City.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Government-Wide and Fund Financial Statements (Continued)

Debt Service Funds – The debt service funds are used to account for the funding and payment of interest and principal of general obligation and tax increment debt of the City.

Capital Project Funds – The capital project funds are used to account for resources used in the acquisition and construction of capital facilities and other capital assets, with the exception of those that are financed through proprietary funds.

Proprietary Fund Types

Proprietary fund types are used to account for a government's ongoing organizations and activities which are similar to those often found in the private sector. The measurement focus is upon income determination, financial position, and cash flows.

Enterprise Funds – The Enterprise Funds are used to finance and account for the acquisition, operation and maintenance of the City's facilities and services which are supported primarily by user charges. The following comprise the City's major enterprise funds:

Water and Sewer Fund – To account for the operation and maintenance of the City's Water and Sewer System.

Solid Waste Fund – To account for the operation and maintenance of the City's Solid Waste Collection System.

The other enterprise funds of the City are considered nonmajor and are as follows:

Willowbrook Golf Course Fund – To account for the operation and maintenance of the City's municipal golf course.

Stormwater Fund – To account for the operation and maintenance of the City's Stormwater Management Services System.

Dark Fiber Fund – To account for the operation and maintenance of the City's Dark Fiber Services System.

Internal Service Funds – The Internal Service Funds are used to finance and account for services and commodities provided by designated departments or agencies to other departments and agencies of the City on a cost reimbursement basis. The following funds are included in this fund type:

Self-Insurance Fund – To account for the costs of providing health insurance to all covered City employees, retirees and dependents.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Government-Wide and Fund Financial Statements (Continued)

Internal Service Funds (Continued)

General Services Fund – To account for the costs of providing centralized services to other City departments. The services provided are human resources, engineering, facilities support, and information technology.

Central Garage Fund – To account for the costs of operating a maintenance facility for automotive equipment used by other City departments. The automotive equipment itself is acquired and owned by the various user departments which are also responsible for financing replacement vehicles as necessary through contributions to the Capital Projects Fund.

Fiduciary Fund Types

Fiduciary fund types are used to account for assets held by a governmental unit in a trustee capacity or as fiduciary for individuals, private organizations, other governmental units and / or other funds.

Employee Retirement Funds – To account for the accumulation of resources to be used for retirement annuity payments at appropriate amounts and times in the future. Resources are contributed by employees at rates fixed by respective pension boards with City commission approval and by the City at amounts determined by an annual actuarial study.

In addition, the state of Florida remits income received from a 0.85% excise tax on casualty insurance premiums, per Florida Statutes 185.08, to the Municipal Firefighters' Pension Fund and the Municipal Police Officers' Pension Fund. These are considered on-behalf payments for the benefit of the City's police officers and firefighters and the \$1,287,136 at September 30, 2025 was included as revenues and expenditures of the General Fund.

The following funds are included in this fund type:

General Employees' Pension Fund – Accounts for pension funds for eligible current and former employees (hired prior to November 20, 2017) of the City except those currently participating in the Firefighters' Pension, Police Officers' Pension, or Director 401(a) Plan.

Municipal Firefighters' Pension Fund – Accounts for pension funds of qualified current and former employees of the City's Firefighting Department.

Municipal Police Officers' Fund – Accounts for pension funds of qualified current and former employees of the City's Police Department.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Measurement Focus and Basis of Accounting

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, including lease and SBITA liabilities, as well as expenditures related to compensated absences, pensions, other postemployment benefits, and claims and judgments, are recognized based on specific accounting rules applicable to each, generally when payment is due.

In applying the susceptible to accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of these revenues. In one, monies must be expended on the specific purpose or project before any amounts will be paid to the City; therefore, revenues are recognized based upon the expenditures recorded and the availability criteria. In the other, monies are virtually unrestricted as to purpose of expenditure and are usually revocable only for failure to comply with prescribed requirements. These resources are reflected as revenues at the time of receipt, or earlier if the susceptible to accrual criteria are met.

Property taxes, sales taxes, and franchise taxes associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Licenses and permits, fines and forfeitures, charges for sales and services (other than utility) and miscellaneous revenues are generally recorded as revenue when received in cash because they are generally not measurable until actually received. In the category of use of money and property, property rentals are recorded as revenue when received in cash, but investment earnings are recorded as earned, since they are measurable and available.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Measurement Focus and Basis of Accounting (Continued)

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the City's enterprise funds and internal service funds are charges to customers for sales and services. Operating expenses for enterprise funds and internal service funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

The City's fiduciary funds are presented in the fund financial statements by type (pension). Since, by definition, these assets are being held for the benefit of a third party (pension participants) and cannot be used to address activities or obligations of the government, these funds are not incorporated into the government-wide statements.

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity

Cash and Pooled Cash Investments

All of the City's cash and investments, except pension funds and certain bond related investments, are combined in a pooled cash accounting system to allow the investment of idle cash for short periods of time, thereby maximizing interest earnings for the City as a whole. Interest earned on pooled cash is allocated to each fund participating in the pool on a pro-rata basis. Funds which incur negative equity balances in the pooled cash incur a charge for interest.

Statement of Cash Flows

For purposes of the statement of cash flows, the City considers all highly liquid investments (including restricted assets) with a maturity of three months or less when purchased to be cash equivalents.

Investments

Investments, which are comprised of FL PRIME and pension fund monies deposited with various trustees that are recorded at fair value.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity (Continued)
Investments (Continued)

The City invests funds throughout the year with Florida PRIME, an investment pool administered by the State Board of Administration (SBA), under the regulatory oversight of the state of Florida. Investments in Florida PRIME are made pursuant to Chapter 125.31, Florida Statutes. The investments are not categorized because they are not evidenced by securities that exist in physical or book entry form. Throughout the year and as of September 30, 2025, the SBA contained certain floating and adjustable rate securities. These investments represent 18.2% of Florida PRIME’s portfolio at September 30, 2025.

Florida PRIME meets all of the necessary criteria to elect to measure all of the investments in Florida PRIME at amortized cost, as a cash equivalent.

The dollar weighted average days to maturity (WAM) of Florida PRIME as of September 30, 2025 was 47 days. Next interest rate reset dates for floating securities are used in the calculation of the WAM. The weighted average life (WAL) of the Florida PRIME at September 30, 2025 was 73 days. Investments in Florida PRIME must carry an “AAAm” rating from Standard and Poor’s. On September 30, 2025, Standard and Poor’s Ratings Services assigned the Florida PRIME an “AAAm” principal stability funding rating.

With regard to redemption gates, Chapter 218.409(8)(a), Florida Statutes, states “The principal, and any part thereof, of each account constituting the trust fund is subject to payment at any time from the moneys in the trust fund. However, the Executive Director may, in good faith, on the occurrence of an event that has a material impact on liquidity or operations of the trust fund, for 48 hours limit contributions to or withdrawals from the trust fund to ensure that the Board can invest moneys entrusted to it in exercising its fiduciary responsibility. Such action must be immediately disclosed to all participants, the trustees, the Joint Legislative Auditing Committee, and the Investment Advisory Council. The trustees shall convene an emergency meeting as soon as practicable from the time the executive director has instituted such measures and review the necessity of those measures. If the trustees are unable to convene an emergency meeting before the expiration of the 48-hour moratorium on contributions and withdrawals, the moratorium may be extended by the executive director until the trustees are able to meet to review the necessity for the moratorium. If the trustees agree with such measures, the trustees shall vote to continue the measures for up to an additional 15 days. The trustees must convene and vote to continue any such measures before the expiration of the time limit set, but in no case may the time limit set by the trustees exceed 15 days.”

With regard to liquidity fees, Florida Statute 218.409(4) provides authority for the SBA to impose penalties for early withdrawal, subject to disclosure in the enrollment materials of the amount and purpose of such fees. At present, no such disclosure has been made.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity (Continued)

Investments (Continued)

As of September 30, 2025, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit a participant's daily access to 100% of their account value.

Fair Value Measures

The City categorizes its fair value measurements within the fair value hierarchy established by accounting principles generally accepted in the United States of America. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs. For Level 2 securities, the pricing methodology involves the use of evaluation models such as matrix pricing, which is based on the securities' relationship to benchmark quoted prices. Level 3, unobservable inputs are developed based on the best information available in the circumstances and may include the City's own data.

Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to / from other funds" (i.e., the current portion of interfund loans) or "advances to / from other funds" (i.e., the noncurrent portion of interfund loans). All other outstanding balances between funds are reported as "due to / from other funds." Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances."

Advances between funds reported in the general fund financial statements are classified as nonspendable fund balance to indicate that they are not available for appropriation and do not constitute available spendable resources.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity (Continued)

Property Taxes

Under Florida Law, the assessment of all properties and the collection of all county, municipal and school board property taxes are consolidated in the offices of the County Property Appraiser and County Tax Collector. The laws of the State regulating tax assessment are designed to assure a consistent property valuation method statewide.

State statutes permit cities to levy property taxes at a rate of up to 10 mills. The millage rate in effect for the fiscal year ended September 30, 2025 was 6.5900.

The tax levy of the City is established by the City Commission prior to October 1 of each year and the Polk County Property Appraiser incorporates the millages into the total tax levy, which includes the municipalities, independent districts, and County School Board tax requirements.

All property is reassessed according to its fair value on January 1 of each year. Each assessment roll is submitted to the Executive Director of the State Department of Revenue for review to determine if the roll meets all of the appropriate requirements of state statutes.

All taxes are due and payable on November 1 (levy date) of each year or as soon thereafter as the assessment roll is certified and delivered to the Tax Collector. All unpaid taxes become delinquent on April 1 following the year in which they are assessed. Discounts are allowed for early payment at the rate of 4% in the month of November, 3% in the month of December, 2% in the month of January, and 1% in the month of February. The taxes paid in March are without discount.

Delinquent taxes on real property bear interest of up to 18% per year. On or prior to June 1 following the tax year, certificates are sold for all delinquent taxes on real property. Application for a tax deed on any unredeemed tax certificates may be made by the certificate holder after a period of two years. Unsold certificates are held by the County.

Delinquent taxes on personal property bear interest of up to 18% per year until the tax is satisfied either by seizure and sale of the property or by the five-year statute of limitations.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity (Continued)

Inventories and Prepaid Items

Inventories are stated at cost on the basis of the "first-in, first-out" method of accounting, except for the Water and Sewer Fund, and the Central Garage Fund parts inventories. Inventories in the Special Revenue Funds consist of expendable supplies held for consumption (consumption method). Governmental fund inventories are classified as nonspendable fund balance, which indicates that they do not constitute available spendable resources.

The Water and Sewer, and Central Garage inventories are stated at the lower of cost or market on the basis of weighted average cost. The effect of this method is to price and charge inventory to operations on the basis of average prices paid for the items, weighted according to the quantity purchased at each price.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements. Prepaid items are recorded using the consumption method of accounting. Under the consumption method, services paid for in advance are reported as an asset until the period in which the services are actually consumed.

Capital Assets

Capital assets, including land, buildings, improvements, infrastructure, equipment, and right-to-use lease assets, are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the City as assets with an initial, individual cost of more than \$5,000 and an initial useful life in excess of two years. Such assets are recorded at historical cost if purchased or constructed and at an estimated historical cost where no historical records exist. Donated capital assets are recorded at estimated acquisition value at the date of donation.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity (Continued)

Capital Assets (Continued)

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the life of the asset are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed.

Depreciation is provided using the straight-line method over the estimated useful lives of the various classes of depreciable assets as follows:

<u>Assets</u>	
Buildings	30 to 50 Years
Infrastructure Systems	25 to 100 Years
Improvements Other than Buildings	10 to 33 Years
Equipment	3 to 33 Years
Right-to-use Lease Buildings	Lease Term
Right-to-use Lease Equipment	Lease Term
Right-to-use Subscription Software	Subscription

The term depreciation (and related forms of the term) includes amortization of intangible assets. The City's collection of works of art, library books, and other similar assets are not capitalized. These collections are unencumbered, held for public exhibition and education, protected, cared for and preserved and subject to City policy that requires proceeds from the sale of these items to be used to acquire other collection items.

Leases – Lessee and Lessor

The City is a lessee for noncancellable leases of equipment and buildings. The City recognizes a lease liability and an intangible right-to-use lease asset (lease asset) in the applicable governmental activities or business-type activities in the government-wide and in the proprietary fund financial statements. The City recognizes lease liabilities with an initial, individual value of \$5,000 or more.

At the commencement of a lease, the City initially measures the lease liability at the present value of payments expected to be made during the lease term. Subsequently, the lease liability is reduced by the principal portion of lease payments made. The lease asset is initially measured as the initial amount of the lease liability, adjusted for lease payments made at or before the lease commencement date, plus certain initial direct costs. Subsequently, the lease asset is amortized in a systematic and rational manner over the shorter of the lease term or the useful life of the underlying asset.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity (Continued)
Leases – Lessee and Lessor (Continued)

Key estimates and judgments related to leases include how the City determines (1) the discount rate it uses to discount the expected lease payments to present value, (2) lease term, and (3) lease payments.

- The City uses the interest rate charged by the lessor as the discount rate. When the interest rate charged by the lessor is not provided, the City generally uses its estimated incremental borrowing rate as the discount rate for leases.
- The lease term includes the noncancellable period of the lease.
- Lease payments included in the measurement of the lease liability are composed of fixed payments and the purchase option price that the City is reasonably certain to exercise.

The City monitors changes in circumstances that would require a remeasurement of its lease and will remeasure the lease asset and liability if certain changes occur that are expected to significantly affect the amount of the lease liability.

Lease assets are reported with other capital assets and lease liabilities are reported with long- term debt on the statement of net position.

The City is a lessor for noncancellable leases of buildings, infrastructure systems, and equipment. The City recognizes a lease receivable and a deferred inflow of resources in the applicable governmental activities or business-type activities in the government-wide and in the governmental and proprietary fund financial statements.

At the commencement of a lease, the City initially measures the lease receivable at the present value of payments expected to be received during the lease term. Subsequently, the lease receivable is reduced by the principal portion of lease payments received. The deferred inflow of resources is initially measured as the initial amount of the lease receivable, adjusted for lease payments received at or before the lease commencement date. Subsequently, the deferred inflow of resources is recognized as revenue over the life of the lease term.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity (Continued)

Leases – Lessee and Lessor (Continued)

Key estimates and judgments include how the City determines (1) the discount rate it uses to discount the expected lease receipts to present value, (2) lease term, and (3) lease receipts.

- The City uses its estimated incremental borrowing rate as the discount rate for leases.
- The lease term includes the noncancellable period of the lease.
- Lease receipts included in the measurement of the lease receivable is composed of fixed payments from the lessee.

The City monitors changes in circumstances that would require a remeasurement of its lease and will remeasure the lease receivable and deferred inflows of resources if certain changes occur that are expected to significantly affect the amount of the lease receivable.

Subscription-Based Information Technology Arrangements (SBITAs)

The City is a user of certain subscription software arrangements. The City recognizes an intangible right-to-use asset and corresponding liability for those transactions in the governmental and business-type activities of the government-wide and proprietary fund financial statements. The City recognizes SBITA liabilities with an initial, individual value of \$5,000 or more. SBITA assets are reported with other capital assets and SBITA liabilities are reported with long-term debt on the statement of net position.

At the commencement of a SBITA, the City initially measures the SBITA liability at the present value of payments expected to be made during the subscription term. Subsequently, the SBITA liability is reduced by the principal portion of SBITA payments made. The SBITA asset is initially measured as the initial amount of the SBITA liability, adjusted for SBITA payments made at or before the subscription commencement date, plus certain initial direct costs. Subsequently, the SBITA asset is amortized in a systematic and rational manner over the shorter of the SBITA term or the useful life of the underlying asset.

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position includes a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net assets that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City has multiple items that qualify for reporting in this category including the deferred charge on refunding, differences between expected and actual experience, changes in actuarial assumptions, and projected versus actual earnings on pension plan investments, and changes in actuarial assumptions related to the OPEB valuation. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity (Continued)

Deferred Outflows/Inflows of Resources (Continued)

This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. The other amounts will be recognized as increases in pension expense and OPEB expense in future years.

In addition to liabilities, the statement of net position includes a separate section for deferred inflows of resources. This separate statement element, deferred inflows of resources, represents an acquisition of net assets or fund balance that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until then. The City has multiple pension and OPEB related items that qualify for reporting in this category including changes in assumptions, projected versus actual earnings on pension plan investments, and differences between expected and actual experience. The statement of net position and the governmental funds balance sheet also report a deferred inflow of resources related to leases.

The City also has items which arise only under a modified accrual basis of accounting that qualify for reporting as deferred inflows of resources in the governmental funds balance sheet. The governmental funds report unavailable revenues for revenue collected after the period of availability. The amounts are deferred and recognized as an inflow of resources in the period in which the amounts become available.

Compensated Absences

The City records the portion of accumulated unused compensated absences, more likely than not, to be used or paid out based on each employee's accumulated unused hours and rate of pay, plus certain salary-related fringe benefits. All accumulated unused compensated absences are accrued when incurred in the government-wide, proprietary, and fiduciary fund financial statements. A liability for these amounts is normally reported in governmental funds only if they have matured, for example, as a result of employee resignations and retirements.

Long-Term Obligations

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts on bonds, are amortized over the life of the bonds using the effective interest method.

Bonds payable are reported net of the applicable bond premium or discount.

In the fund financial statements, governmental fund types recognize bond premiums, discounts, and costs related to bond refundings during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity (Continued)

Unearned Revenues

Unearned revenues in the governmental funds and in the government-wide statement of net position represent amounts which have been received but are not yet earned.

Fund Balances

The classifications of fund balances are described as follows:

Nonspendable – Amounts that are (a) not in spendable form, or (b) legally or contractually required to be maintained intact. “Not in spendable form” includes items that are not expected to be converted to cash (such as inventories and prepaid amounts) and generally long-term items such as advances to other funds or amounts that are required to be maintained intact (corpus of a permanent fund).

Restricted – Amounts that can be spent only for specific purposes stipulated by (a) external resources providers such as creditors (by debt covenants), grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed – Amounts that can be used only for specific purposes determined by a formal action (ordinance) of the Commissioners, the City’s highest level of decision making authority. Commitments may be changed or lifted only by the Commission taking the same formal action (ordinance) that imposed the constraints originally. Resources accumulated pursuant to stabilization arrangements are reported in this category only if they are specific and nonrecurring.

Assigned – Amounts intended to be used by the City for specific purposes. According to the City’s fund balance policy, this includes spendable fund balance amounts established by the City Commission or City Management that are neither restricted nor committed. The City’s fund balance policy does not describe the specific action required to assign fund balance.

Unassigned – Includes the residual classification for the general fund. This classification represents fund balance that is spendable and that has not been restricted, committed, or assigned to specific purposes within the general fund. Unassigned fund balance may also include negative balances for any governmental fund if expenditures exceed amounts restricted, committed, or assigned for those specific purposes.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity (Continued)
Fund Balances (Continued)

The City spends restricted amounts first, when both restricted and unrestricted fund balance is available, unless prohibited by legal documents, grant agreements or contracts. Additionally, the City uses committed fund balance, followed by assigned fund balance and then unassigned fund balance when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

The Government Finance Officers Association recommends, at a minimum, that general-purpose governments, regardless of size, incorporate a financial policy maintaining unassigned fund balance in the general fund of no less than two months (17%) of regular general fund operating revenues or regular general fund operating expenditures. The Commission established the targeted minimum reserve balance in the City's General Fund Unassigned Fund Balance equal to 17% of the General Fund's current fiscal year operating expenditures and transfers out budgeted for the fund. For purposes of this calculation, the current fiscal year budget shall be the budget as originally adopted by resolution on or before September 30th for the subsequent fiscal year. The required balance as of September 30, 2025 was approximately \$13,546,770.

The City strives to maintain adequate levels of fund balance to mitigate risks and provide a back-up for revenue shortfalls. If, at the end of any fiscal year, the actual amount of Unassigned Fund Balance falls below the targeted levels set forth herein, a plan shall be established to achieve the target by adding a designated amount to the budget to cover the deficiency over a period not to exceed five fiscal years.

Net Position

Net position represents the difference between assets and deferred outflows of resources, and liabilities and deferred inflows of resources. Net investment in capital assets, consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowings used for the acquisition, construction, or improvement of those assets. Net investment in capital assets excludes unspent debt proceeds. Net position is reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the City or through external restrictions imposed by creditors, grantors or laws or regulations of other governments. Restricted resources are used first to fund appropriation. Below are the proprietary funds and certain fiduciary fund restrictions:

Restricted for Revenue Bonds Debt Service – Restricted for payment of principal and interest on revenue bonds.

Restricted for Renewal, Replacement, and Improvements – Restricted for meeting of various contingencies as may be so specified and defined in the indenture.

Restricted for Pensions – Restricted for payment of employee retirement benefits.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity (Continued)

Interfund Transactions

Transactions between City funds that would be treated as revenues and expenditures or expenses if they involved organizations external to City government are accounted for as revenues and expenditures or expenses in the funds involved.

Transactions which constitute reimbursements to a fund for expenditures or expenses made from it which are properly applicable to another fund are recorded as expenditures or expenses in the reimbursing fund and as reductions of expenditures or expenses in the reimbursed fund.

Transactions which constitute the transfer of resources from a fund receiving revenues to a fund through which the revenues are to be expended, are separately reported in the respective funds' operating statements.

Use of Estimates

The preparation of basic financial statements in conformity with accounting principles generally accepted in the United States of America, as applicable to government entities, requires management to make use of estimates that affect the reported amounts in the basic financial statements. Actual results could differ from estimates.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 2 STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

Budgets and Budgetary Accounting

The City follows these procedures in establishing the budgetary data reflected in the financial statements:

- The City Manager submits to the City Commission a proposed operating budget for the ensuing fiscal year. The operating budget includes proposed expenditures and the sources of revenues to finance those expenditures. The budgets are prepared in accordance with GAAP.
- Public hearings are conducted to obtain taxpayer comments.
- The budget is approved by the Commission and becomes the basis for the millage levied by the Commission.
- The City Commission must approve transfers between funds.
- The City legally adopts annual budgets for the General Fund, most Capital Projects, and certain Special Revenue Funds (Community Redevelopment, Library, Airport, Cemetery, SHIP Grants, Building Safety, Impact Fees, Federal Building, and Affordable Housing). Budgets for the General and budgeted Special Revenue Funds are adopted on a basis consistent with accounting principles generally accepted in the United States of America at the department level. Budgets for Capital Projects Funds are adopted annually based on the amount to be spent in the fiscal year, not for the length of the project. The City does not adopt annual budgets for the Capital Depletion Fund, Police Training, Confiscation and Abandoned Property Fund, nor the debt service funds. Florida Statutes require only the General Fund to legally adopt an annual budget.
- Budgeted amounts are as originally adopted, and as amended, in accordance with City ordinance. Appropriations not expended at the end of each fiscal year lapse and become subject to future appropriation.
- Supplemental budget appropriations were made during the current year.
- Section 40 of the City's Charter makes it unlawful to expend or contract for the expenditure, in any fiscal year, of more than the amount appropriated by the City Commission. The Commission appropriates monies for expenditures on a departmental and fund basis.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 2 STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY (CONTINUED)

Expenditures Over Budgeted Appropriations

The SHIP Grant fund overspent the final amended budget by \$649,880. The fund had adequate available residual fund balance to cover the overage.

NOTE 3 CASH AND INVESTMENTS

Custodial Credit Risk

Custodial credit risk is defined as the risk that, in the event of failure of the counterparty, the City will not be able to recover the value of its deposits and securities that are in the possession of an outside party.

At September 30, 2025, the bank balance of the City's deposits was \$30,006,627. The City also had \$7,054 cash on hand at September 30, 2025.

All balances in excess of the Federal Deposit Insurance Corporation (FDIC) for demand and time deposits are fully collateralized pursuant to Chapter 280, Florida Statutes. The City's investment policy requires that the deposit be entirely covered by federal depository insurance or by collateral pledged with the State Treasurer pursuant to Chapter 280, Florida Statutes. Under this Chapter, in the event of default by a participating financial institution (a qualified public depository), all participating institutions are obligated to reimburse the governmental entity for the loss.

The City's investment policy requires that securities be secured through third-party custody in the City's name and safekeeping procedures. All of the City's investments are held by the counterparties' trust departments in the City's name.

Investments

Statutes authorize the City to invest excess monies in the Florida PRIME, S.E.C. registered money market funds, interest-bearing time deposits or savings accounts in qualified public depositories and in direct obligations of the U.S. Treasury. All of the City's investments are in Florida PRIME except those investments related to the pension funds.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 3 CASH AND INVESTMENTS (CONTINUED)

Investments (Continued)

State statutes limit the pension funds to the following types of investments: (1) annuity and life insurance contracts with life insurance companies, (2) time or savings accounts of a national bank, a state bank or a savings / building and loan association insured by the Federal Deposit Insurance Corporation, (3) obligations of the United States or obligations guaranteed as to principal and interest by the government of the United States, (4) stocks, commingled or mutual funds, bonds or other evidences of indebtedness issued or guaranteed by a corporation organized under the laws of the United States, or state or organized territory of the United States, or the District of Columbia, (5) international securities, not to exceed at market value 25% or 15% at cost of the Funds' assets, and (6) real estate investments in an amount not to exceed at cost value 15% of the Funds' assets.

At September 30, 2025, the City's investments were as follows:

<u>Investment Type</u>	<u>Fair Value</u>
Florida PRIME	\$ 181,682,791
Short-Term Money Market Funds	9,379,201
Collateralized Mortgage Obligations	3,133,679

NOTE 3 CASH AND INVESTMENTS (CONTINUED)

Investments (Continued)

- **Interest Rate Risk** – Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. As of September 30, 2025, the City had the following investments and maturities:

Investment Maturities (in Years)

<u>Investment Type</u>	Less Than One	One to Five	Six to Ten	More Than Ten	Total Fair Value
Florida PRIME	\$ 181,682,791	\$ -	\$ -	\$ -	\$ 181,682,791
United States Treasuries	-	653,556	4,873,272	3,990,698	9,517,526
Government Agencies:					
FHLMC	-	727,329	337,558	2,496,222	3,561,109
FNMA	-	377,648	286,427	4,748,797	5,412,872
GNMA	-	-	12,761	715,550	728,311
Municipal Obligations	-	-	45,279	397,569	442,848
Collateralized Mortgage Obligations	-	267,200	404,182	2,462,297	3,133,679
Corporate Bonds	92,605	1,748,747	1,678,131	4,253,289	7,772,772
Foreign Bonds	-	64,492	75,542	28,415	168,449
Total	<u>\$ 181,775,396</u>	<u>\$ 3,838,972</u>	<u>\$ 7,713,152</u>	<u>\$ 19,092,837</u>	<u>\$ 212,420,357</u>

The mortgage pools include collateralized mortgage backed securities. In management's opinion, the credit and legal risk associated with these investments is comparable to other investments within the portfolio. The collateralized mortgage backed securities are based on cash flows from the underlying mortgages. The principal repayment portions could be sensitive to prepayment by mortgagees, which may be affected by interest rate changes. The prepayments and anticipated interest rate changes can therefore affect the market values of the investments. The City has no policy regarding interest rate risk.

- **Credit Risk** – The investment policies of the pension funds allow the Plans to only invest in securities meeting the following ranking criteria: (1) fixed income securities must be rated investment grade or higher as reported by a major credit rating service, (2) at least 85% of the equities must have a value line ranking for safety of 1, 2, or 3, and (3) money market funds must be rated A1 by Standard and Poor's or P1 by Moody's.

- **Concentration of Credit Risk** – No more than 5% of the Pension Plans' assets may be invested in the common stock, capital stock or convertible securities of any one issuing company, nor shall the aggregate investment in any one issuing company exceed 5% of the outstanding capital stock of that company. The value of bonds issued by any single company may not exceed 3% of the total fund. No more than 60% of the Plans' assets at cost for the Police Officers' Pension Plan and no more than 70% of the Plans' assets at cost for the Firefighters' and General Employees' Pension Plans may be invested in common stock and convertible bonds. No more than 15% of the Plans' assets at cost or 25% of the Plans' assets at fair value may be invested in international securities.
- **Foreign Currency Risk** – As of September 30, 2025 the Pension Funds have \$17,882,774 invested in foreign equities. Foreign securities are limited to those that settle in U.S. dollars and trade on one or more of the national exchanges.

Investments (Continued)

- **Fair Value** – The City categorizes its fair value measurements within the fair value hierarchy established by accounting principles generally accepted in the United States of America. Debt and equity securities classified in Level 1 of the fair value hierarchy are valued using prices quoted in active markets for those securities. Securities classified as Level 2 of the fair value hierarchy are valued using quoted prices for similar assets in active markets. The City had the following fair value measurements as of September 30, 2025:

	Total	Fair Value Measurement Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments by Fair Value Level

	Fair Value	Redemption Frequency	Redemption Notice Period
Real Estate Fund	\$ 15,120,350	Quarterly	Daily

Real Estate Fund – The American Core Realty Fund is an open-end diversified core real estate commingled fund whose primary objective is to provide returns that are attractive relative to other asset classes with stable income and the potential for market appreciation. The American Core Realty Fund invests primarily in core institutional quality industrial, multi-family, office and retail properties located throughout the United States, and is diversified by product type, geographic region, and economic exposure in order to mitigate investment risk.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 4 ALLOWANCE FOR UNCOLLECTIBLE AMOUNTS OF RECEIVABLES

The City provides for an allowance for water and sewer accounts that may become uncollectible. At September 30, 2025, the allowance for doubtful accounts associated with the receivables of the Water and Sewer Fund was \$243,408. No other allowances for doubtful accounts are maintained since other fund accounts receivable are considered collectible as reported at fiscal yearend.

NOTE 5 LEASES RECEIVABLES

The City, acting as lessor, leases buildings, water towers, fiber-optic infrastructure, and land under long-term, noncancelable lease agreements. The leases expire at various dates through 2036 and provide for renewal options ranging from one year to five years.

In September 2023, the City entered into a land lease with Blue Line Aviation, LLC to construct a new training facility, with established construction deadlines. A First Amendment in May 2024 expanded the leased area. A Second Amendment in August 2024 extended construction deadlines by 12 months. Because the project was not completed within the amended timeframe, the City and Blue Line Aviation negotiated a proposed Third Amendment with key terms including extending submission of a building permit application by January 15, 2026 and completion of construction within 18 months of commencement. This extension required modification of future lease payments.

Certain leases provide for increases in future minimum annual rental payments based on defined increases in the Consumer Price Index, subject to certain minimum increases. During the year ended September 30, 2025, the City recognized \$498,195 and \$76,630 in lease revenue and interest revenue, respectively, pursuant to these contracts.

Total future minimum lease payments to be received under lease agreements are as follows:

	Governmental Activities		Business-Type Activities		Total
	Principal	Interest	Principal	Interest

NOTE 7 INTERFUND RECEIVABLES, PAYABLES, AND TRANSFERS

Transfers for the year ended September 30, 2025 consisted of the following:

Interfund Transfers

Transfers to the General Fund from:

Community Redevelopment Agency Fund	\$ 972,504
Nonmajor Governmental Funds	1,800,000
Water and Sewer Fund	5,341,422
Solid Waste Fund	1,228,000
Total	<u>\$ 9,341,926</u>

Transfers to the Airport Fund from:

General Fund	\$ 1,375,000
	<u>\$ 1,375,000</u>

Transfers to the Capital Project Fund from:

General Fund	\$ 2,913,997
Community Redevelopment Agency Fund	100,000
Nonmajor Governmental Funds	199,760
Total	<u>\$ 3,213,757</u>

Transfers to the Nonmajor Governmental Funds from:

General Fund	\$ 12,772,825
Community Redevelopment Agency Fund	2,535
Airport Fund	336,093
Water and Sewer Fund	1,000,000
Nonmajor Governmental Funds	969,264
Nonmajor Proprietary Funds	499,116
Total	<u>\$ 15,579,833</u>

Transfers to the Nonmajor Proprietary Funds from:

General Fund	\$ 696,713
Community Redevelopment Agency Fund	35,945
Airport Fund	13,825
Nonmajor Governmental Funds	1,118,345
Internal Service Funds	55,300
Water and Sewer Fund	82,951
Solid Waste Fund	13,825
Total	<u>\$ 2,016,904</u>

Transfers are used to: (1) move revenues from the fund with collection authorizations to the debt service funds as debt service principal and interest payments become due, (2) move restricted amounts from borrowings to the debt service fund to establish mandatory reserve accounts, (3) move revenues to finance various programs that the government must account for in other funds in accordance with budgetary authorizations, including amounts provided as subsidies or matching funds for various grant programs, or (4) move portions of enterprise fund profits to the general fund to assist in financing the operations of governmental activities.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 7 INTERFUND RECEIVABLES, PAYABLES, AND TRANSFERS (CONTINUED)

Due To / From Other Funds

<u>Due To</u>	<u>Due From</u>	<u>Amount</u>
General Fund	Nonmajor Governmental Funds	\$ 178,377
General Fund	Nonmajor Proprietary Funds	728,403
Water and Sewer Fund	Capital Project Fund	127,920
Nonmajor Governmental Funds	Nonmajor Proprietary Funds	<u>202,253</u>
Total		<u>\$ 1,236,953</u>

The outstanding balances between funds result mainly from the time lag between the dates that (1) interfund goods and services are provided or reimbursable expenditures occur, (2) transactions are recorded in the accounting system, and (3) payments between funds are made. These balances also include the amount of working capital loans that will be repaid in the subsequent year.

Advances to / from Other Funds

<u>Advances To</u>	<u>Advances From</u>	<u>Amount</u>
Water and Sewer Fund	General Fund	\$ 7,870,961
Capital Project Fund	Water and Sewer Fund	416,107
Nonmajor Proprietary Funds	General Fund	1,563,872
Nonmajor Proprietary Funds	Nonmajor Governmental Funds	<u>842,823</u>
Total		<u>\$ 10,693,763</u>

In a prior year, the General Fund advanced \$1,563,872 to the Willowbrook Golf Course Fund. Repayment to the General Fund is contingent upon Willowbrook maintaining the required minimum fund balance. The minimum fund balance equals the total budgeted operating expenses for the month immediately following the current month and will not be less than \$30,000. After payment of monthly operating expenses, Willowbrook remits any funds remaining in the operating account that exceed the minimum fund balance to the General Fund.

Willowbrook underwent major golf course improvements during the year which included greens renovations, on-course restroom upgrades, and irrigation system renovation. Due to the construction improvements the golf course was closed for a period of time. Reimbursements were paused to ensure adequate cash flow during this period. Since repayment to the General Fund will not occur within the next few months, these funds are not available for appropriation in the General Fund. Accordingly, fund balance in the General Fund has been classified as nonspendable.

The Capital Depletion Fund advanced \$370,025 on April 1, 2023 to the Willowbrook Golf Course to fund the acquisition of golf carts, \$118,863 of which was outstanding at September 30, 2025. The advance will be paid down monthly through March 2028 at a 4.0% interest rate.

Additionally, the Capital Depletion Fund advanced \$608,475 on October 1, 2018 and \$2,700,000 on September 1, 2019 to the Dark Fiber Fund to aid in operations for expansions, \$449,339 of which was outstanding at September 30, 2025. The advances will be paid down monthly through September 1, 2025 and October 1, 2026 respectively at 2.5%.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 7 INTERFUND RECEIVABLES, PAYABLES, AND TRANSFERS (CONTINUED)

During the year ending September 30, 2019, the Water and Sewer Fund advanced \$1,220,000 to the Bond Construction Fund to provide financing for an energy efficiency project; \$411,714 of which was outstanding at September 30, 2025. The advance will be paid down monthly through September 1, 2029 at a 3.5% interest rate.

NOTE 8 FUND BALANCE CLASSIFICATIONS

Fund balances are presented in the following categories: nonspendable, restricted, committed, assigned, and unassigned (see Note 1 for a description of these categories). A detailed schedule of fund balances at September 30, 2025 is as follows:

	General Fund	Community Redevelopment Agency	Airport	Capital Project Fund	Other Governmental Fund	Total Governmental Funds
Nonspendable:						
Advances to Other Funds	\$ 9,434,833	\$ -	\$ -	\$ -	\$ -	\$ 9,434,833

NOTE 9 LONG-TERM LIABILITIES (CONTINUED)

The following were outstanding at September 30, 2025:

Revenue Bond – 2015A Non Ad Valorem Refunding Revenue Bond

The Resolution provides for:

- **Application of Bond Proceeds** – On January 27, 2015, the City issued Non Ad Valorem Revenue Bonds Series 2015A in the amount of \$13,205,000 for purposes of advance refunding a portion of the Non Ad Valorem Refunding Revenue Bonds Series 2007 and paying associated closing costs. The series 2015A bonds have a redemption date of October 1, 2032.
- **Restrictions on the Use of Cash from Operations** – This bond is payable solely from and secured by a pledge of non ad valorem tax dollars received by the City.
- **Redemption** – The Series 2015A Bonds that mature on or before October 1, 2024 are not subject to redemption prior to their maturities. The Series 2015A Bonds that mature on or after October 1, 2025, are subject to redemption beginning October 1, 2024, in whole or in part at any time, in any order of maturities at the option of the City, and by lot within a maturity if less than a full maturity is redeemed, at a redemption price equal to the principal amount thereof, plus accrued interest to the redemption date.
- The Revenue Bond consists of the following:

<u>Description</u>	<u>Interest Rate and Dates</u>	<u>Final Maturity</u>	<u>Original Amounts Issued</u>	<u>Outstanding at September 30, 2025</u>
Non Ad Valorem Refunding Revenue Bonds - Series 2015A	2% - 4% 4/1; 10/1	10/1/2032	<u>\$ 13,205,000</u>	<u>\$ 7,335,000</u>

NOTE 9 LONG-TERM LIABILITIES (CONTINUED)

Direct Placement – 2017 Non Ad Valorem Revenue Note

The Resolution provides for:

- **Application of Bond Proceeds** – On August 16, 2017, the City issued Non Ad Valorem Revenue Bonds Series 2017 in the amount of \$25,000,000 for the purpose of funding the construction of capital improvements, including parks, recreation, fire station, transportation, and other public facilities. The Series 2017 bonds have a redemption date of October 1, 2037.
- **Restrictions on the Use of Cash from Operations** – This note is payable solely from and secured by a pledge of non ad valorem tax dollars received by the City.
- **Redemption** – There are no provisions for early redemption for Series 2017.
- The note contains a provision that in the event of default, the entire outstanding balance shall become immediately due and payable, and the interest rate will be adjusted to a default rate. In addition, the City may be obligated to pay a late payment fee.
- The Revenue Bond consists of the following:

<u>Description</u>	<u>Interest Rate and Dates</u>	<u>Final Maturity</u>	<u>Original Amounts Issued</u>	<u>Outstanding at September 30, 2025</u>
Non Ad Valorem Revenue Bonds - Series 2017	3.07% 10/1; 4/1	10/01/2037	<u>\$ 25,000,000</u>	<u>\$ 18,590,000</u>

NOTE 9 LONG-TERM LIABILITIES (CONTINUED)

Direct Placement – 2021 Non Ad Valorem Refunding Note

The Resolution provides for:

- **Application of Bond Proceeds** – On March 30, 2021, the City issued Non Ad Valorem Refunding Bond Series 2021 in the amount of \$10,055,000 for the purpose of current refunding of the remaining portions of the Non Ad Valorem Refunding Revenue Bond Series 2016A and Non Ad Valorem Revenue Bond Series 2016B, and paying associated closing costs. The current refunding achieved an aggregate debt service savings of \$382,412 which resulted in an economic gain (difference between the present value of the debt service payments on the old debt and new debt) of \$330,000. The series 2021 bond has a redemption date of October 1, 2036.
- **Restrictions on the Use of Cash from Operations** – This bond is payable solely from and secured by a pledge of non ad valorem tax dollars received by the City.
- **Redemption** – There are no provisions for early redemption for Series 2021.
- The bond contains a provision that in the event of default, the interest rate shall increase to the default rate after five days and through the date which payment is made. Default rate means the lesser of (i) two percent per annum over the interest rate then in effect or (ii) the maximum interest rate permitted by applicable law.
- The Revenue Note consists of the following:

<u>Description</u>	<u>Interest Rate and Dates</u>	<u>Final Maturity</u>	<u>Original Amounts Issued</u>	<u>Outstanding at September 30, 2025</u>
Non Ad Valorem Revenue Refunding Bond - Series 2021	1.89% 10/1; 4/1	10/01/2036	<u>\$ 10,055,000</u>	<u>\$ 7,280,000</u>

Revenue Bond – 2021B Non Ad Valorem Revenue Bond

The Resolution provides for:

- **Application of Bond Proceeds** – On October 26, 2021, the City issued Non Ad Valorem Revenue Bonds Series 2021B in the amount of \$4,390,000 for the purpose of funding the acquisition, expansion, design, construction and equipping of various capital improvements, including without limitation, improvements to a parking garage to be owned and/or used by the City. The Series 2021B bonds have a redemption date of October 1, 2027.
- **Restrictions on the Use of Cash from Operations** – This note is payable solely from and secured by a pledge of non ad valorem dollars received by the City.
- **Redemption** – There are no provisions for early redemption for Series 2021B.
- The note contains a provision that in the event of default, the entire outstanding balance may become immediately due and payable.
- The Revenue Bond consists of the following:

<u>Description</u>	<u>Interest Rate and Dates</u>	<u>Final Maturity</u>	<u>Original Amounts Issued</u>	<u>Outstanding at September 30, 2025</u>
Non Ad Valorem Revenue Bonds - Series 2021B	2% - 3% 4/1; 10/1	10/01/2027	<u>\$ 4,390,000</u>	<u>\$ 2,060,000</u>

NOTE 9 LONG-TERM LIABILITIES (CONTINUED)

Revenue Bond – 2021C Non Ad Valorem Revenue Bond

The Resolution provides for:

- **Application of Bond Proceeds** – On October 26, 2021, the City issued Non Ad Valorem Revenue Bonds Series 2021C in the amount of \$17,245,000 for the purpose of funding the acquisition, expansion, design, construction and equipping of various capital improvements to the City’s various public parks and public safety stations, recreational and cultural center, and a trail. The Series 2021C bonds have a redemption date of October 1, 2041.
- **Restrictions on the Use of Cash from Operations** – This note is payable solely from and secured by a pledge of non ad valorem dollars received by the City.
- **Redemption** – The Series 2021C Bonds that mature on or before October 1, 2031 are not subject to redemption prior to their maturities. The Series 2021C Bonds that mature on or after October 1, 2032, are subject to redemption prior to maturity, at the option of the City, in whole or in part on any date on or after October 1, 2031, and if in part, in such order of maturities and in such amounts as the City shall select and by lot within a maturity, at a redemption price equal to 100% of the principal amount to be redeemed, plus accrued interest to the date of redemption, and without premium.

The Series 2021C Bonds maturing on October 1, 2036, are subject to mandatory redemption or purchase prior to their stated dates of maturity, in part by lot, in such manner as the City may deem appropriate from amortization installments deposited by the City in the bond amortization account, at the principal amount thereof, unless purchased pursuant to the operation of such account, plus accrued interest to the redemption date, on October 1 of the years and in the principal amounts of \$1,225,000 for 2035 and \$1,250,000 for 2036.

- The note contains a provision that in the event of default, the entire outstanding balance may become immediately due and payable.
- The Revenue Bond consists of the following:

<u>Description</u>	<u>Interest Rate and Dates</u>	<u>Final Maturity</u>	<u>Original Amounts Issued</u>	<u>Outstanding at September 30, 2025</u>
Non Ad Valorem Revenue Bonds - Series 2021C	2% - 5% 4/1; 10/1	10/01/2041	<u>\$ 17,245,000</u>	<u>\$ 17,245,000</u>

Direct Placement – 2010 Utility System Refunding Revenue Note

The Resolution provides for:

- **Application of Bond Proceeds** – On October 10, 2010, the City obtained a commercial loan for \$20,925,000 with an interest rate of 3.23% to advance refund the 1998 Utility System Improvement serial and term bonds with interest rates ranging from 3.85% to 5.00%. The serial and term bonds mature on October 1, 2028. After liquidating the Debt Service Reserve Fund monies of \$122,338 and paying issuance costs of \$66,260, the net proceeds were \$20,981,078. The net proceeds from the commercial loan were used to purchase U.S. government securities and those securities were deposited in an irrevocable trust with an escrow agent to provide debt service payments until the serial and term bonds are called on November 10, 2010. The advance refunding met the requirements of an in-substance debt defeasance and the serial and term bonds were removed from the City’s government-wide financial statements.
- **Restrictions on Use of Cash from Operations** – This Bond is payable solely from and secured by pledged revenues as defined in the resolution derived from the ownership, use or operation of the City’s water and sewer system, the sewer system development charges as defined in the resolution and the water system charges as defined in the resolution.
- **Redemption** – The Resolution provides for early redemption of the note at an amount equal to the net present value of the bondholder’s future cost of the liability for the original maturity of such liability prorated to the amount of principal repayment over total principal outstanding at the U.S. Treasury Yield curve for the then remaining original life of the Bond as determined on the date of redemption.
- The note contains a provision that in the event of default, any amount due will bear interest at a default rate, which is the higher of the JP Morgan Chase Bank’s Prime Interest Rate and the adjusted one-month benchmark rate plus 4%.
- The Revenue note consists of the following:

<u>Description</u>	<u>Interest Rate and Dates</u>	<u>Final Maturity</u>	<u>Original Amounts Issued</u>	<u>Outstanding at September 30, 2025</u>
Utility System Refunding Revenue Bonds - Series 2010	3.23% 4/1; 10/1	10/01/2028	<u>\$ 20,925,000</u>	<u>\$ 10,190,000</u>

Revenue Bond – 2015 Utility System Refunding Revenue Bonds

The Resolution provides for:

- **Application of Bond Proceeds** – On February 3, 2015, City issued the Utility System Refunding Bonds Series 2015 in the par amount of \$26,070,000. These bonds were issued for the purpose of advance refunding a portion of the City’s outstanding Utility System Improvement and Refunding Revenue Bond Series 2005. The Series 2015 bonds have a redemption date of October 1, 2035.
- **Restrictions on Use of Cash from Operations** – The Series 2015 Bonds are payable solely from and shall be secured by a lien upon and pledge of the Pledged Revenues on a parity with the lien thereon of the Parity Bonds and any Additional Parity Obligations hereafter issued. The System is defined collectively as the Water System, the Sewer System and Reuse System. Upon compliance with certain provisions of the Resolution, the term "System" may be deemed to include other utility functions added to the System, including, but not limited to a storm water system, the acquisition, distribution, and sale of natural gas, the providing of electricity, the providing of cable television services, the providing of telecommunication services or other utility functions that are, in accordance with Prudent Utility Practice, reasonably related to the services provided by the System. Notwithstanding the foregoing definition of the term System, such term shall not include any properties or interest in properties of the City which the City determines shall not constitute a part of the System for the purpose of the Resolution.
- **Redemption** – The Series 2015 Bonds that mature on or before October 1, 2024 are not subject to redemption prior to their maturities. The series 2015 Bonds that mature on or after October 1, 2025, are subject to redemption beginning October 1, 2024, in whole or in part at any time in any order of maturities at the option of the City and by lot within a maturity if less than a full maturity is redeemed, at a redemption price equal to the principal amount thereof, plus accrued interest to the redemption date.
- The Revenue Bond consists of the following:

<u>Description</u>	<u>Interest Rate and Dates</u>	<u>Final Maturity</u>	<u>Original Amounts Issued</u>	<u>Outstanding at September 30, 2025</u>
Utility System Refunding Revenue Bonds - Series 2015	2% - 3.125% 4/1; 10/1	10/1/2035	<u>\$ 26,070,000</u>	<u>\$ 23,680,000</u>

NOTE 9 LONG-TERM LIABILITIES (CONTINUED)

Direct Borrowing – State Revolving Funds Loan – WW531320

The City has a State Revolving Fund loan in the amount of \$969,085 with a rate of 0.03% repayable over 20 years. The loan will be used for wastewater projects. The loan is secured by pledged revenues of the water and sewer system. At September 30, 2025 the balance was \$662,239.

In the event of default, the timing of repayment of outstanding balances may be accelerated, or the financing rate on the unpaid principal of the loans may be increased as much as 1.667 times the financing rate.

Direct Borrowing – State Revolving Funds Loan – WW531302

The City has a State Revolving Fund loan in the amount of \$22,903,131 with a rate of 0.00% repayable over 20 years. The loan will be used for lift station rehabilitation and reclaimed water system expansion. The loan is secured by pledged revenues of the water and sewer system. At September 30, 2025, the balance was \$17,399,518.

In the event of default, the timing of repayment of outstanding balances may be accelerated, or the financing rate on the unpaid principal of the loans may be increased as much as 1.667 times the financing rate.

Direct Borrowing – State Revolving Funds Loan – WW531340

The City has a State Revolving Fund loan in the amount of \$1,000,000 with a rate of 1.11% repayable over 10 years. The loan will be used for planning activities for the water infrastructure study. The loan is secured by pledged revenues of the water and sewer system. At September 30, 2025, the balance was \$604,298.

In the event of default, the timing of repayment of outstanding balances may be accelerated, or the financing rate on the unpaid principal of the loans may be increased as much as 1.667 times the financing rate.

Direct Borrowing – State Revolving Funds Loan – WW531350

The City has a State Revolving Fund loan in the amount of \$500,000 with a rate of 0.00% repayable over 10 years. The loan will be used for a stormwater and wastewater master plan. The loan is secured by pledged revenues of the water and sewer system. At September 30, 2025, the balance was \$293,222.

In the event of default, the timing of repayment of outstanding balances may be accelerated, or the financing rate on the unpaid principal of the loans may be increased as much as 1.667 times the financing rate.

NOTE 9 LONG-TERM LIABILITIES (CONTINUED)

There are a number of limitations and restrictions contained in the various bond indentures. As of September 30, 2025, all funds are being maintained in accordance with the ordinances and resolutions.

The amounts available in the Debt Service Funds to service long-term debt are as follows:

Public Improvement Revenue Bonds, Series 2015A, 2017, 2021, 2021B and 2021C \$ 4,135,306

Long-term liabilities, including other postemployment benefit liability and net pension liability, are typically liquidated by the individual fund to which the liability is directly associated. Typically, the governmental funds used to liquidate the governmental activities other postemployment benefit liability and net pension liability include the General, Library, Airport, Cemetery, CRA and Building/Safety funds. Claims and judgments are classified as short-term debt.

Revenue Bonds and Notes – Pledged Revenue

The City has pledged future water and sewer customer revenues, net of specified operating expenses, to repay \$46,995,000 in revenue bonds issued in 2010 and 2015. Proceeds from the bonds were used to finance the cost of the acquisition and construction of additions, extensions, and improvements to the system. Principal and interest on the bonds are payable through fiscal year 2036 from the water and sewer gross revenues and connection charges.

The resolutions authorizing the revenue bonds include an obligation for the City to fix, establish, revise from time to time whenever necessary, maintain and collect such fees, rates, rentals and other charges for the use of the products, services and facilities of the System which will always provide net revenues in each year sufficient to pay the lesser of either the aggregate of 115% of the bond service requirement becoming due in such year on the outstanding bonds, or the aggregate of 110% of the bond service requirement as the same become due in such year, provided that net revenues plus sewer system development charges and water system development charges in such year are sufficient to pay the aggregate of 120% of the bond service requirement becoming due in such year on the outstanding bonds. Fiscal year 2025 pledged revenues, net of operating expenses, were approximately \$11.1 million. Principal and interest paid during the year ended September 30, 2025 was \$3,516,265.

NOTE 10 RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees and natural disasters. The City insures itself against these risks with various insurance policies. Insurance settlements have not exceeded the City’s insurance coverage in the three prior fiscal years. All insurance coverage amounts remained constant from the prior year.

The City is self-insured for group health insurance. Estimated claims incurred but not reported of \$2,048,553 were recorded at September 30, 2025. This is the amount established by a specialist to have been incurred but not yet billed as of September 30, 2024. This entire amount is considered to be payable within the next year.

In addition, the City has insurance to cover individual stop/loss after \$300,000. In 2023, 2024 and 2025, settlements exceeded insurance coverage by \$0, \$0 and \$116,945, respectively.

The liability currently provided is the City’s maximum run-off claims liability. The City is reinsured for all losses greater than the maximum claims liability through Symetra Life Insurance.

Changes in the City’s claims payable at September 30 are as follows:

	Claims Payable Beginning of Year	Claims and Changes in Estimates	Claim Payments	Claims Payable End of Year
2023-2024 Total	\$ 1,748,553	\$ 7,038,964	\$ 7,038,964	\$ 1,748,553
2024-2025 Total	\$ 1,748,553	\$ 9,016,544	\$ 8,716,544	\$ 2,048,553

Summary of Significant Accounting Policies

- **Basis of Accounting** – The financial statements are prepared using the accrual basis of accounting. Plan member contributions are recognized in the period in which the contributions are due. Employer contributions to each plan are recognized when due and the employer has made a formal commitment to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of each plan.
- **Method Used to Value Investments** – Investments are reported at fair value, as described in Note 3.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 11 PENSION PLANS (CONTINUED)

Plan Description

The General Employees' Pension Plan, Police Officers' Pension Plan, and Firefighters' Pension plans are defined benefit pension plans. Each plan is administered by a Board of Trustees which acts as the administrator of the plan.

General Employees' Pension Plan

The Board for the General Employees' Plan consists of five Trustees. One Trustee is the Chief Financial Officer of the City, who will be a permanent Trustee. The remaining four trustees are members of the system who are elected by a majority of the General Employees who are members of the system. Each Trustee serves a four-year term. Each person employed by the City as a full-time General Employee before November 20, 2017 became a member of the Plan as a condition of his or her employment. All eligible General Employees are therefore eligible for plan benefits as provided for in the plan document and by applicable law. There are no new entrants to the plan after November 20, 2017.

Employees become eligible for benefits the first day of the month following age 55 and completion of 10 years of credited service. For members who had not attained age 40 with 10 years of service on November 20, 2017, normal retirement is the earlier of age 60 with 10 years of credited service or the completion of 33 years of credited service, regardless of age. Members are entitled to 3.0% of their average final compensation times years of credited service. The benefit accrual reduces to 2.3% of average final compensation for service earned on or after November 20, 2017. The form of benefit is 10-year certain and life annuity. The plan provides for early retirement and disability benefits. All employees not included in the Firefighters' or Police Officers' pension plans are eligible under the plan.

General employees are required to contribute 9.5% of their salary up until November 20, 2017, and 7.00% effective November 20, 2017. The City is required to contribute the remaining amounts necessary to fund the plan as specified by ordinance. Administrative costs of the plan are financed through investment earnings. Service and disability retirees receive cost of living increases of 0.5% each October 1 for 10 years, beginning the first October following one complete year of retirement.

Firefighters' Pension Plan

The Board for the Firefighters' Plan consists of five Trustees, two of whom are legal residents of the City appointed by the City Commission, two of whom are members of the system who are elected by a majority of the Firefighters who are members of the system and a fifth trustee who is chosen by a majority of the other four trustees. Each Trustee serves a four-year term. Each person employed by the City Fire Department as a full-time Firefighter becomes a member of the Plan as a condition of his or her employment. All Firefighters are therefore eligible for plan benefits as provided for in the plan document and by applicable law.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 11 PENSION PLANS (CONTINUED)

Plan Description (Continued)

Firefighters' Pension Plan (Continued)

Employees under the Firefighter's Pension Plan are entitled to 3.8% of their average final compensation times years of credited service and become eligible the first day of the month following the earlier of age 55 and 10 years of credited service or 25 years of service, regardless of age. The form of benefit is 10-year certain and life annuity. The plan provides for early retirement and disability benefits. Service and disability retirees receive cost of living increases of 0.5% each October 1 for 10 years, beginning the first October following one complete year of retirement.

Police Officers' Pension Plan

The Board for the Police Officers' Plan consists of five Trustees, two of whom are appointed by the City Commission, two of whom are members of the system who are elected by a majority of the Police Officers who are members of the system, and a fifth trustee who is chosen by a majority of the other four trustees. Each Trustee serves a four-year term. Each person employed by the City Police Department as a full-time Police Officer becomes a member of the Plan as a condition of his or her employment. All Police Officers are therefore eligible for plan benefits as provided for in the plan document and by applicable law.

Police employees attaining the earlier of age 55 and 10 years of credited service or the completion of 25 years of credited service or age 60 are entitled to annual benefits of 3.5% of their average final compensation times years of credited service. The form of benefit is 10-year certain and life thereafter. The plan provides for early retirement and disability benefits. Service and disability retirees receive cost of living increases of 0.5% each October 1 for 10 years, beginning the first October following one complete year of retirement.

Police and fire employees are required to contribute 8.2% and 10.0%, respectively, of their annual salary. The City is required to contribute the remaining amounts after employee and state contributions necessary to fund the plans as specified by ordinance. The State remits income received from the 0.85% excise tax on casualty insurance premiums for the police fund, and income received from the 1.85% excise tax on premiums for fire insurance for the firefighters' fund. Contributions received from the State as on-behalf payments were \$726,279 for police employees and \$560,857 for firefighters for 2025. Administrative costs of the plan are financed through investment earnings.

Other information with respect to the Pension Plans is as follows:

	General Employees'	Municipal Firefighters'	Municipal Police Officers'
Plan Establishment/Restatement	January 1, 1971	October 1, 1986	October 1, 1985
Payroll for Covered Employees	\$ 6,631,508	\$ 5,434,976	\$ 6,303,067

The systems also provide disability and survivor benefits.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 11 PENSION PLANS (CONTINUED)

Actuarial Assumptions (Continued)

Changes in assumptions for the 2025 fiscal year for the General Employees' Pension, Police Officers' Pension, and Firefighters' Pension plans included the following:

Firefighters' – For measurement date September 30, 2025, the investment rate of return decreased to 7.20% per year compounded annually, net of investment-related expenses.

Police Officers' – For measurement date September 30, 2025, the investment rate of return decreased to 7.25% per year compounded annually, net of investment-related expenses.

Discount Rate

The discount rate used to measure the total pension liability was 6.50% for general employees' plan, 7.20% for municipal firefighters' plan, and 7.25% for municipal police officers' plan. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current contribution rate and that City contributions will be made at rates equal to the difference between actuarially determined contribution rates and the employee rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

NOTE 11 PENSION PLANS (CONTINUED)

Investments

Each Board of Trustees (Board) is responsible for administering the investment policies of the Plans and providing oversight for the management of the Plans' asset. The investment strategy of each Plan is to emphasize total return (defined as the aggregate return from capital appreciation and dividend and interest income). The investment policy for each plan requires that all Plan assets be invested in liquid securities, defined as securities that can be transacted quickly and efficiently for the Plan, with minimal impact on market price. Following are the adopted asset allocation policies for each plan as of September 30, 2025.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

General Employees' Plan:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
All Cap Value Equity	25.0 %	7.5 %
Broad Growth Equity	25.0	7.5
International Equity	15.0	8.5
Fixed Income (Core)	20.0	2.5
Global Bond	5.0	3.5
Real Estate	10.0	4.5
Total	100.0 %	

Municipal Firefighters' Plan:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
All Cap Value Equity	22.5 %	7.5 %
Broad Growth Equity	22.5	7.5
International Equity	15.0	8.5
Fixed Income (Core)	20.0	2.5
Global Bond	5.0	3.5
Real Estate	15.0	4.5
Total	100.0 %

NOTE 11 PENSION PLANS (CONTINUED)

Municipal Police Officers' Plan:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
All Cap Value Equity	25.0 %	7.5 %
Broad Growth Equity	25.0	7.5
International Equity	15.0	8.5
Fixed Income (Core)	20.0	2.5
Global Bond	5.0	3.5
Real Estate	10.0	4.5
Total	100.0 %	

Concentrations

The Plans did not hold investments in any one organization that represent 5% or more of the respective Plan's fiduciary net position.

Money-Weighted Rate of Return on Investments

For the year ended September 30, 2025 the annual money-weighted rate of return on pension plan investments, net of pension plan investment expenses, was 14.45% for the General Employees' Plan, 12.86% for the Firefighters' Plan, and 10.71% for the Police Officers' Plan. The money-weighted rate of return expresses investment performance, net of expenses, adjusted for the changing amounts actually invested.

Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The following table presents the net pension liability of the City, calculated using the discount rate, as well as what the City's net pension liability would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate:

	1% Decrease (5.50%)	Current Discount Rate (6.50%)	1% Increase (7.50%)
General Employees' Pension			
Sponsor's Net Pension Liability	\$ 14,290,018	\$ 3,753,399	\$ (5,069,431)

Deferred Retirement Option Program (DROP)

The Plans permit the members to elect to receive retirement benefits while still employed and receiving a salary. Members are eligible upon reaching normal retirement. The participant's retirement benefits are credited into an individual member account and paid out to the member upon termination or retirement not to exceed a period of up to 60 months for the General Employees', Firefighters', Police Officers' Plan. Amounts credited to the members' DROP accounts earn interest and remain in the pension plan's net assets until paid out. Amounts held in DROP accounts as of September 30, 2025 totaled \$1,293,937 for the General Employees' Plan, \$560,365 for the Firefighters' Plan, and \$517,770 for the Police Officers' Plan.

Net Pension Liability

The City's net pension liability was measured as of September 30, 2025, and the total pension liability used to calculate the net pension liability was determined as of that date. The net pension liability recorded by the City as of September 30, 2025 consists of the following:

General Employees'	\$ 3,753,399
Municipal Firefighters'	4,501,146
Municipal Police Officers'	3,193,637
Total Net Pension Liability	<u>\$ 11,448,182</u>

Summary

The aggregate amount of net pension liability, deferred outflows of resources, deferred inflows of resources, and pension expense for the City's pension plans are summarized below. These liabilities are typically liquidated by the individual fund activity in which the employee's costs are associated.

<u>Description</u>	<u>General Employees'</u>	<u>Municipal Firefighters'</u>	<u>Municipal Police Officers'</u>	<u>Total</u>
Net Pension Liability	\$ 3,753,399	\$ 4,501,146	\$ 3,193,637	\$ 11,448,182
Deferred Outflows of Resources Related to Pensions	-	3,319,341	1,953,235	5,272,576
Deferred Inflows of Resources Related to Pensions	10,556,327	4,301,733	3,489,227	18,347,287
Pension Expense	(1,381,429)	1,307,793	1,178,091	1,104,455

Other Retirement Plans

In addition to the three defined benefit plans, the City offers employees two Internal Revenue Code (IRS) Section 457 plans.

The City also provides pension benefits through a defined contribution IRC Section 401(a) profit sharing plan to Directors and the City Manager in lieu of participating in the general employees' pension. In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. Employees that participate in the plan are required to contribute 10% of their salary. Effective September 25, 2017, Resolution R-17- 46 changed the City's contribution rate to 15% of the employee's gross pay. The City's contribution for each employee (and interest allocated to the employee's account) is fully vested upon contribution. The City Council by ordinance maintains the authority to establish new and amend existing benefit provision of the plan and contribution requirements. The City's contributions to this IRC Section 401(a) plan for the year ended September 30, 2025 were approximately \$170,214.

The City also has a pre-tax defined contribution plan that became effective for non-Police and non-Fire employees hired on or after November 20, 2017. Normal retirement age is 60 and early retirement age is 55. The City contributes 7.5% while employees are required to contribute 3% of pay to the Plan. For the year ended September 30, 2025, the City contributed \$968,417. Employees vest at a rate of 20% per year. A participant who separates from service prior to obtaining full vesting (five years) shall forfeit that percentage of the City's contribution account balance that has not yet been vested. Forfeited amounts will be used to offset future City contributions required in succeeding plan years and investment advisory services. The amount of forfeitures available at September 30, 2025 was \$35,863.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 12 POSTEMPLOYMENT HEALTH CARE BENEFITS

The City is obligated to make available to qualified retired employees the option to maintain coverage with the group health, life, and dental insurance plans.

Plan Description

The City of Winter Haven's Retiree Health Care Plan (Plan) is a single-employer defined benefit postemployment health care plan that covers eligible retired employees of the City. The Plan, which is administered by the City, allows employees who retire and meet retirement eligibility requirements under one of the City's retirement plans to continue medical and life insurance coverage as a participant in the City's Plan.

A retired employee and his or her spouse and eligible dependents are eligible to continue health insurance identical to active employees if they meet the eligibility for retirement under the applicable retirement plan. The City subsidizes retiree health premiums at a rate determined by the City. The retiree is responsible for paying the remaining active monthly premium for health and coverage and that of any covered spouse or eligible dependents.

The City subsidizes the premium rates paid by retirees by allowing them to participate in the plans at reduced or blended group (implicitly subsidized) premium rates for both active and retired employees. These rates provide an implicit subsidy for retirees because, on an actuarial basis, their current and future claims are expected to result in higher costs to the plan on average than those of active employees. Retirees are required to enroll in the Federal Medicare program for their primary coverage as soon as they are eligible.

For the Postemployment Health Care Benefits Plan, contribution requirements of the City are established and may be amended through the City. The plan is currently being funded on a pay-as-you-go basis. No trust fund has been established for the plan, and there are no assets accumulated in trust for payment of benefits. The plan does not issue a separate publicly available financial report. The OPEB liabilities are typically liquidated by the individual fund in which the employee's costs are associated.

Employees Covered by Benefit Terms

At September 30, 2024 valuation date, the following employees were covered by the benefit terms:

Inactive Employees or Beneficiaries Currently Receiving Benefits	101
Active Plan Members	<u>522</u>
Total	<u><u>623</u></u>

NOTE 12 POSTEMPLOYMENT HEALTH CARE BENEFITS (CONTINUED)

Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended September 30, 2025, the City recognized OPEB expense of \$3,689,488. In addition, the City reported deferred inflows of resources of resources from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 7,986	\$ 914,363
Changes of Assumptions	8,156,126	9,736,627
Total	<u>\$ 8,164,112</u>	<u>\$ 10,650,990</u>

Amounts reported as deferred inflows of resources related to OPEB will be amortized over five years and will be recognized as follows:

<u>Year Ending September 30:</u>	<u>Amount</u>
2026	\$ (1,676,333)
2027	(1,300,135)
2028	(1,300,135)
2029	1,093,518
2030	1,164,517
Thereafter	(468,310)

Actuarial Assumptions

The total OPEB liability in the September 30, 2025 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified:

Inflation	2.5%
Healthcare Cost Trend Rates	Initial rate of 6.75% in fiscal 2024, grading down to the ultimate trend rate of 4% in fiscal 2075.

Salary Inflation

Credited Service	General Pension Plans and 401a Employees
First Year	9.00%
Years 2-9	5.00%
Years 10-14	3.50%
Greater than 14 Years	3.25%
	<u>Police Pension Plan Employees</u>
First Year	13.00%
Years 2-10	4.50%
Greater than 10 Years	4.00%

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 12 POSTEMPLOYMENT HEALTH CARE BENEFITS (CONTINUED)

Actuarial Assumptions (Continued)

Credited Service	Fire Pension Plan Employees
Less than 5 Years	7.50%
Years 6-10	6.00%
Years 11-15	5.00%
Greater than 15 Years	4.50%

The actuarial cost method used was the Entry Age Cost method, level percentage of pay.

All mortality rates were based on the Pub-2010 mortality tables with fully generational improvement using Scale MP-2018. Rates are based on those outlined in the July 1, 2023 Florida Retirement System actuarial valuation report.

The discount rate used to measure the total OPEB liability was 4.50%, based on the September 30, 2025 S&P Municipal Bond 20-Year High Grade Rate Index as published by S&P Dow Jones Indices.

Changes of Assumptions reflect a change in the discount rate from 4.06% for the reporting period ended September 30, 2024, to 4.50% for the reporting period ended September 30, 2025. There were no other significant assumption changes from the prior report issued.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 13 COMMITMENTS AND CONTINGENCIES

Federal and State Grant Programs

Amounts received or receivable from grantors are subject to audit and adjustment by grantor agencies, principally federal and state governments. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time, although the City expects such amounts to be immaterial.

Litigation

Various suits and claims, arising in the ordinary course of the City's operations, are pending. These claims consist of suits involving loss of employment and discrimination. Management does not expect the resolution of these matters to have a material effect on the City's financial statements.

Construction Commitments

The City routinely enters into various construction commitments. At September 30, 2025, the City had the following outstanding major construction commitments in process:

Project	Project Authorization	Expended in Prior Years	Expended in September 30, 2025	Commitment
Governmental Activities:				
Asphalt Microsurfacing	\$ 665,232	\$ -	\$ -	\$ 665,232
Motor Pool Road Improvements	3,104,031	-	-	3,104,031
Logistics Parkway Extension	1,000,000	-	-	1,000,000
WHRCC - New Recreation Complex	18,205,688	1,079,549	13,291,235	3,834,904
Chain of Lakes - Phase II - Park Elements	19,707,893	1,087,810	16,811,941	1,808,142
Total Governmental Activities	<u>\$ 42,682,844</u>	<u>\$ 2,167,359</u>	<u>\$ 30,103,176</u>	<u>\$ 10,412,309</u>
Business-Type Activities:				
S Lake Howard Nature Park Expansion	\$ 2,970,474	\$ -	\$ -	\$ 2,970,474
Utility Expansions to Utility Admin Building	1,107,738	-	-	1,107,738
Water Resource Facility - Pollard Road	11,934,177	-	2,380,199	9,553,978
CR563 Reclaimed Water Transmission Main Ext	2,533,421	-	370,947	2,162,474
Aquifer Recharge Well - Bradco Property	4,498,200	-	-	4,498,200
Well Construction - Cypresswood & Pollard Road	7,796,300	-	4,181,393	3,614,907
Total Business-Type Activities	<u>\$ 30,840,310</u>	<u>\$ -</u>	<u>\$ 6,932,539</u>	<u>\$ 23,907,771</u>

Contingencies

No accrual has been made in the financial statements for contingencies related to claims not yet asserted, because the amount cannot be reasonably estimated. In management's opinion, any such claims, if asserted, would not have a material adverse effect on the operations or financial position of the City.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 14 TAX ABATEMENTS

The City determined that it is desirable to facilitate redevelopment opportunities within the Florence Villa and Downtown Community Redevelopment Areas (CRA) of the City through tax increment rebatement and other incentives. The development incentives are consistent with the Community Redevelopment Plans for the two CRA Districts and are in compliance with Florida State Statutes 163, Part III and 163.370(1)(d), Resolution R-00-19, CRA Resolution R-16-01, and Resolution R-CRA-21-01. A Summary description of the incentives available is as follows:

- **Real Estate Development Accelerator (REDA)** – This incentive targets large-scale development projects that enhance the economic diversity of the Florence Villa Community Redevelopment and/or Downtown Community Redevelopment Areas and are anticipated to increase, by \$5 million or more, the ad valorem Taxable Value within the Florence Villa Community Redevelopment and/or Downtown Community Redevelopment Areas. This incentive can be utilized in the form of a land purchase price mark-down, tax increment financing rebates or similar types of assistance. Each project is negotiated on an individual basis.
- **Real Estate Development Accelerator II (REDA II)** – This incentive is for large-scale development projects that enhance the economic diversity of the Florence Villa and/or Downtown Community Redevelopment Areas and are anticipated to increase the ad valorem Taxable Value of the subject site by \$15 million or more. This incentive can be utilized in the form of land mark-down, infrastructure improvements, tax increment financing rebates or similar types of assistance. Each project is negotiated on an individual basis.
- **Housing Investment Program (HIP)** – This incentive targets developers of new housing units, renovations of existing housing units that increase the taxable value of the project by at least 100%, and for sale/for rent residential projects investing at least \$2 million dollars. Projects could qualify for a \$10,000 per unit incentive for market-rate housing. Developers are given the choice of A or B below plus the option of the Smart City Bonus:
 - A. Reimbursement not to exceed \$10,000 per units from the project's actual tax increment; or
 - B. Reimbursement of up to 80% of the project's actual tax increment for years 1-5 and reimbursement of 70% of the project's actual tax increment for years 6-15; and Smart City Bonus:Both A. and B. above could also receive \$1,500 per unit grant upon completion of construction when the project includes three or more approved Smart City technologies as provided by the Smart City Advisory Committee or City Staff.
- **Facade and Exterior Improvement Program (for Developers)** – A reimbursement program which provides reimbursement of up to 50% of the cost of facade improvements. The maximum reimbursement is \$25,000.

SEPTEMBER 30, 2025**

NOTE 14 TAX ABATEMENTS (CONTINUED)

- **Commercial Redevelopment** – Redevelopment of existing commercial buildings within the Downtown Community Redevelopment and/or Florence Villa Community Redevelopment Areas that will increase the ad valorem taxable value by at least 100%. A factor in qualifying for this incentive is the degree to which the project retains authentic character and appearance deemed desirable. Qualifying projects may be eligible for a rebate of 50% of the tax increment created by the renovation for up to 10 years.
- **Capital Improvement Grant Program** – Annual reimbursement of tax increment revenue, up to 50% of the previous year annual "interest only" portion on the principal amount of a loan obtained for rehabilitation or renovation of a project located in the Downtown Community Redevelopment and/or Florence Villa Community Redevelopment Areas. Amortized points, fees and closing costs are not reimbursable. Loans from participating lenders would be based on the lower of the prime rate or actual loan interest rate. The maximum reimbursement is based on the annual amount of tax increment revenue actually received by the City and/or CRA from the project.

At the conclusion of fiscal year 2025, the City had the following economic incentive agreements outstanding:

1. Physician's Partnership

A December 9, 2013 development agreement with Physician's Partnership for the development of a 11,440 square foot medical office building located in the Downtown CRA District. Physicians Partnership annually receives 100% of the County's tax increment paid on this structure. The payments were scheduled to continue until \$239,107 had been amortized; however, the property was sold in 2024 and an assignment of the Development Agreement has not been executed. Therefore, payment was not made in the current fiscal year. Should the City receive evidence of an assignment of the Development Agreement, and should the CRA Board and City Commission approve and accept the assignment, payments may resume.

2. First Street North LLC

This Development Agreement, approved by the CRA Board and City Commission in March 2017, will rebate 60% of the annual tax increment actually received by the City for up to a period of ten years. The incentive was approved for the construction of a Bond Clinic facility on First Street North. The CRA made incentive payments totaling \$34,972 in the current fiscal year; however, the property was sold in June 2025 and an assignment of the Development Agreement has not been executed. Therefore, future payments will cease unless the City received evidence of an assignment of the Development Agreement, and the CRA Board and City Commission approve and accept the assignment. Should they do so, payments may resume.

3. Six-Ten Development Agreement

The Six-Ten Corporation planned to build 128 market rate apartments in four downtown locations with an investment of \$21 million. Six-Ten received a tax rebate of up to \$5,000 per unit. Only 20 units have been constructed pursuant to this agreement. The CRA made payments of \$100,000 for the constructed 20 units. There was no payment by the CRA in the current fiscal year. The developer does not plan to construct the remaining 108 units allowable by the agreement; therefore, final payment has been made. No further payments are anticipated.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 14 TAX ABATEMENTS (CONTINUED)

4. Dundee Self Storage LLC

Pursuant to a Development Agreement, Dundee Self Storage is eligible for a rebate of 50% of the actual façade improvements at 335 Magnolia Avenue, up to \$15,000. The annual rebate will continue for 10 years, or for as long as the CRA exists, but shall not exceed 100% of the actual tax increment revenue generated from the improvements. This agreement was approved by the City Commission in October 2017. The City made payments of \$632 in the current fiscal year.

5. Central South, LLC

Pursuant to a Redevelopment Grant Agreement approved in June 2020, Central South, LLC is eligible for a rebate of 50% of the actual façade improvements at 150 3rd Street SW, up to \$15,000. The annual rebate will continue for 10 years, or for as long as the CRA exists, but shall not exceed 100% of the actual annual tax increment revenue generated from the improvements. The CRA did not make a payment in the current fiscal year as the property did not generate a tax increment.

6. RainDance Development Agreement

RainDance, LLC has built 105 multifamily units on 10.5 lots in the Overstreet Subdivision. Pursuant to a Developer's Agreement approved by the CRA Board and City Commission in December, 2020, RainDance, LLC is eligible for 60% of the actual annual tax increment received by the City and \$5,000 per unit tax increment rebate until September 30, 2030. Raindance, LLC has constructed 105 multifamily units that are eligible for tax increment rebate in the current fiscal year. The CRA made a payment in the amount of \$193,004.

7. 750 Avenue C SW, LLC Development Agreement

Pursuant to a Development Agreement approved by the CRA Board and the City Commission in May 2019, 750 Avenue C SW, LLC was eligible to receive tax increment rebate incentive payments of \$5,000 per unit. 750 Avenue C SW constructed 15 multifamily units in the Downtown CRA District and received annual payments from the CRA until the property was sold to BNL Champs in April of 2024. An assignment of the Developer's Agreement was approved by the CRA and City Commission. The CRA made a payment in the amount of \$22,981 in the current fiscal year.

8. Winter Haven, FL 0721 LLC

Pursuant to a Developer's Agreement approved by the CRA Board and the City Commission in September 2021, Winter Haven, FL 0721 LLC is eligible to receive a rebate of 90% of the annual tax increment actually received by the City until September 30, 2030, and an additional underground utility reimbursement, not to exceed \$190,000. The incentive was approved for the construction of a six-story hotel with approximately 108 rooms on five parcels within the Downtown CRA district. The CRA made a payment in the amount of \$79,892 in the current fiscal year.

NOTE 14 TAX ABATEMENTS (CONTINUED)

9. Ave F SW LLC

Pursuant to a Redevelopment Grant Agreement approved by the CRA Board in September, 2021, Ave F SW is eligible for a rebate of 50% of the actual façade improvements to redevelop 7 multi-family units at 212 Ave F SW, up to \$15,000. The annual rebate may continue for 10 years, or for as long as the CRA exists, but shall not exceed 100% of the actual annual tax increment revenue generated from the improvements. The CRA made payments of \$1,910 in the current fiscal year. However, the property was sold to a non-profit in December, 2024. The Redevelopment Grant Agreement was assigned to the new owner, but as a non-profit, the property is exempt from ad valorem taxes and will no longer generate a tax increment. No further rebates are anticipated.

10. Six-Ten LLC

Pursuant to a Redevelopment Grant Agreement approved by the CRA Board in March, 2021 Six-Ten, LLC is eligible for a rebate of 50% of the actual façade improvements at 543 Avenue B SW, up to \$15,000. The annual rebate will continue for 10 years, or for as long as the CRA exists, but shall not exceed 100% of the actual tax increment revenue generated from the improvements. The CRA made no payments in the current fiscal year, as the project did not create a tax increment.

11. Six-Ten LLC

Pursuant to a Redevelopment Grant Agreement approved by the CRA Board in March, 2021 Six-Ten, LLC is eligible for a rebate of 50% of the actual façade improvements at 140 6th Street SW, up to \$15,000. The annual rebate will continue for 10 years, or for as long as the CRA exists, but shall not exceed 100% of the actual tax increment revenue generated from the improvements. The CRA made a payment in the amount of \$184 in the current fiscal year.

12. Onicx Group LLC

This Developer's Agreement was approved by the CRA Board and City Commission in October 2021. This agreement is no longer in effect as certain conditions of the agreement were not met.

13. PMF Lake Idyl, LLC Agreement

Pursuant to a Developer's Agreement approved by the CRA Board and City Commission in June, 2022, PMF Lake Idyl, LLC is eligible to receive an annual tax increment rebate not to exceed \$10,000 per unit developed. PMF Lake Idyl, LLC plans to build 96 multifamily units at the corner of MLK Blvd. and 11th Street NE, in the Florence Villa District. The developer has not yet commenced construction of this project and therefore the CRA has made no payments.

14. Katina Campbell Agreement

Pursuant to a Developer's Agreement approved by the CRA Board and the City Commission in September, 2021, Katina Campbell is eligible to receive annual tax increment rebates not to exceed \$10,000 per unit for up to five units. Katina Campbell has developed six multi-family units upon two parcels within the Florence Villa Community Redevelopment Area. However, as property taxes were not yet paid, the CRA made no payment in the fiscal year 2024/2025.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 14 TAX ABATEMENTS (CONTINUED)

15. 1150 WHG LLC Agreement

Pursuant to a Developer's Agreement approved by the CRA Board and the City Commission in November, 2022, and subsequent amendments, 1150 WHG LLC is eligible for tax increment rebates of up to \$11,500 per unit for 238 units and utility connection fee reimbursements not to exceed \$385,396.20. There are currently approximately 200 units redeveloped upon the property. The CRA made a payment in the amount of \$38,370 in fiscal year 2024/2025.

16. Brett and Eric Cranmer Agreement

Pursuant to a Developer's Agreement approved by the CRA Board and the City Commission in March, 2023 Brett and Erin Cranmer are eligible to receive tax increment rebates not to exceed \$10,000 per unit for up to two units. The project is constructed and the CRA made a payment in the amount of \$642 in fiscal year 2024/2025.

17. The Breeze Winter Haven, LLC Agreement

Pursuant to a Developer's Agreement adopted by the CRA Board and City Commission in June, 2023 the Breeze Winter Haven, LLC is eligible to receive 90% of the tax increment generated by the project for 20 years. The project was recently completed totaling 102 multi-family units. The CRA made no payment in fiscal year 2024/2025, as the project was not yet on the Polk County Tax roll.

18. FatCat, LLC (Upper Crust Pizza) Agreement

Pursuant to a Redevelopment Grant Agreement approved by the CRA Board in March, 2024 FatCat Equities, LLC is eligible for payment of 100% of the tax increment generated by the project annually to a maximum of \$15,000. There was no payment made in fiscal year 2024/2025, as the project did not generate a tax increment.

19. Derrick McWaters

Pursuant to a Developer's Agreement approved by the CRA Board and the City Commission in January, 2025 Derrick McWaters is eligible for up to \$10,000 per unit tax increment rebate for up to a maximum of 13 units. The project is partially constructed. There was no payment made in fiscal year 2024/2025.

20. The Carl Winter Haven, LLC

Pursuant to a Developer's Agreement approved by the CRA Board and the City Commission in May, 2025 The Carl Winter Haven, LLC is eligible for 90% tax increment rebates for years 1 thru 10, 75% tax increment rebates for years 11 thru 15, and 65% tax increment financing for years 16 thru 20. Additionally, they are eligible for a reimbursement of utility improvement work in an amount not to exceed \$611,477. This project is not yet constructed and therefore received no payment in fiscal year 2024/2025.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 14 TAX ABATEMENTS (CONTINUED)

21. Grand Central Cooperative, LLC

Pursuant to a Developer's Agreement approved by the CRA Board and the City Commission in July, 2025 Grand Central Cooperative, LLC is eligible for 60% tax increment rebates for up to 20 years, a building preservation grant not to exceed \$2,000,000 that is payable in 5 annual payments pursuant to satisfaction of certain milestones, and a utility improvement work reimbursement in an amount not to exceed \$275,000. This project is not yet constructed and therefore received no payment in fiscal year 2024/2025.

NOTE 15 INTERLOCAL AGREEMENT

Polk County

On May 17, 2017, the City entered into an interlocal agreement with Polk County. The County will pay the City amounts equal to semi-annual principal and interest payments on a total amount of \$10,000,000 of debt principal incurred by the City to finance a new facility and improvements at the Chain o' Lakes Complex over a period of 20 years. The City issued the 2017 Non Ad Valorem bonds on August 16, 2017, as described in Note 9, to finance the project. The City and County will mutually determine the configuration and siting of the new facility and will share in sponsorship revenue. At September 30, 2025, \$8,765,745 is due from Polk County and has been recorded as a receivable and deferred inflow of resources in the General Fund. During fiscal year 2025, the City collected \$702,882 from the County.

On October 31, 2023, Polk County and the City entered into an Interlocal Agreement for Tourist Development Tax Funding for the renovation of the Chain of Lakes Complex. The total buildout of the project was estimated to be \$20 Million. The funding plan for the \$20 Million would be shared between the City and County. On September 10, 2024, a Second Amendment to the Interlocal Agreement provided an increase in funding from \$20 million to \$24 million. The City and County provided \$9 million and \$5 million in cash, respectively. The City bonded \$10 Million with the City and County providing equal semiannual payments for principal and interest of their portion of the bond, \$3 million and \$7 million, respectively. At September 30, 2025, \$6,239,861 is due from Polk County and has been recorded as a receivable and unearned revenue in the General Fund. During fiscal year 2025, the City collected \$505,800 from the County.

Polk Regional Water Cooperative (PRWC)

Background— The Polk Regional Water Cooperative (PRWC) was created on April 1, 2016 by an interlocal agreement between the City of Auburndale, City of Bartow, City of Davenport, City of Eagle Lake, City of Fort Meade, City of Frostproof, City of Haines City, City of Lakeland, City of Lake Alfred, City of Lake Wales, City of Mulberry, Polk City, City of Winter Haven, Town of Dundee, Town of Lake Hamilton, and Polk County in accordance with Chapter 163 and 373 of the Florida Statutes. These local government units are collectively considered the Member Governments. The PRWC is a separate legal entity organized under the laws of the state of Florida, and the Member Governments have no equity ownership in the PRWC.

**CITY OF WINTER HAVEN, FLORIDA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025**

NOTE 15 INTERLOCAL AGREEMENT (CONTINUED)

The PRWC is devoted to encouraging the development of fully integrated, robust public water supply systems comprised of diverse sources managed in a manner that take full advantage of Florida's intense climatic cycles to ensure reliable, sustainable and drought resistant system which maximize the use of alternative water supplies to the greatest extent practicable. The PRWC will evaluate, plan and implement water projects and coordinate partnerships with other water users.

Membership Fees – The terms of the interlocal agreement require each Member Government to contribute their proportionate share of the PRWC's annual working capital needs which are established annually by a resolution of the PRWC's Board of Directors. For the year ending September 30, 2025, the City's proportionate share of the PRWC's administrative expenses was \$46,231, the City's proportionate share of the PRWC's conservation budget was \$10,006 and the City's proportionate share of the PRWC's capital needs was \$608,227.

Combined Projects Funding – In May 2017, the PRWC's Member Governments entered into a Combined Projects Implementation Agreement to begin conceptual development of four Approved Projects, to include the Southeast Wellfield Lower Floridian Aquifer Project (Southeast Wellfield), a new Lower Floridian aquifer wellfield with associated water treatment facility, water transmission lines, and supporting facilities, and the West Polk Wellfield lower Floridian aquifer project (West Polk Wellfield).

In April 2021, the PRWC's member governments executed an implementation agreement to advance the Southeast Wellfield and the West Polk Wellfield from the conceptual stage to construction and initial operation. According to the Southeast Wellfield and West Polk Wellfield agreements, each project "Participant" government would pay its proportionate share of the initial construction costs for the wellfield's plant and pipeline system and agree to take generated water to distribute as potable supply.

At its April 26, 2021 regular meeting, the City Commission approved the West Polk Wellfield and Southeast Wellfield Implementation Agreements and elected to join each project as a "Project Participant" with a requested 2045 Water Allotment of 1.52 million gallons per day (MGD) of raw water from the Southeast Wellfield Project and 0.1 million gallons per day from the West Polk Wellfield Project.

According to the PRWC's most recent financial projections, the total combined cost of the Southeast Wellfield Project and the West Polk Wellfield Project is estimated to be \$796,023,939. After application of grant and state appropriation commitments in the amount of \$300,391,251, the remaining balance to complete the Southeast Wellfield and West Polk Wellfield Projects will be funded through Federal and State loans with annual debt service paid by Project Participants, including the City. The City's percentage share of water production is estimated to be 9.3% for the Southeast Wellfield and 1.3% for the West Polk Wellfield. Based on the percentages of Wellfield production to be utilized by the City, the City's annual cost for the Southeast Wellfield Project and the West Polk Wellfield Project, inclusive of PRWC program administration, debt service and consumption charges, will climb to approximately \$5,863,211 in 2036. Debt service and consumption charges are estimated to begin in October of 2028.

NOTE 15 INTERLOCAL AGREEMENT (CONTINUED)

The City Commission agreed to a second amendment to the Southeast Wellfield Lower Aquifer Project. The agreement locks the City into the previously committed amounts of water. The City also agreed to the same amendment with the West Polk Project. The City, along with the County and three other cities, agreed to be “Anchor Participants”.

Contact – Complete financial statements of the PRWC may be obtained from the PRWC’s Executive Director at 330 W. Church Street, P.O. Box 9005, Drawer CA01, Bartow, Florida 33831-9005.

Retirement System – Defined Benefit Plan (Continued)

Notes to Schedule

Changes of Benefit Terms:

For measurement date September 30, 2017, amounts reported as changes of benefit terms resulted from Ordinance O-17-25, adopted and effective October 23, 2017, closed the Plan to general employees hired on or after November 20, 2017.

Changes of Assumptions:

For measurement date September 30, 2025, as mandated by Chapter 2015-157, Laws of Florida, the assumed rates of mortality were changed to the rates used in Milliman's July 1, 2024 FRS valuation report for non-special-risk employees.

For measurement dates September 30, 2024, September 30, 2023, and September 30, 2022, there were no changes in assumptions.

For measurement date September 30, 2021, as a result of an Experience Study prepared July 23, 2021, the Board has approved the following changes: 1) Investment Return – decreased from 7.10% to 6.50% per year, net of investment-related expenses. 2) Salary Increases – The rates were generally adjusted downward based on experience observed during the period. 3) Withdrawal Rates – A slight adjustment to the assumed rates of withdrawal based on experience observed in the period. 4) Disability Rates – reduction of the disability rates to 1/3 of the original rates.

For measurement date September 30, 2020, as mandated by Chapter 2015-157, Laws of Florida, the assumed rates of mortality were changed to the rates used in Milliman's July 1, 2019 FRS valuation report for non-special-risk employees, with appropriate adjustments made based on plan demographics. Additionally, the investment rate of return was lowered from 7.20% to 7.10%.

For measurement date September 30, 2019, amounts reported as changes of assumptions resulted from lowering the investment rate of return from 7.30% to 7.20%.

For measurement date September 30, 2018, amounts reported as changes of assumptions resulted from lowering the investment rate of return from 7.40% to 7.30%.

For 2017, as mandated by Chapter 2015-157, Laws of Florida, the assumed rates of mortality were changed from the RP-2000 Combined Healthy Table, projected to the valuation date using scale AA, to the mortality table used by the Florida Retirement System actuary in the July 1, 2016 actuarial valuation for non-special-risk employees.

As described in the March 31, 2017 Actuarial Impact Statement, the following assumption changes are utilized in conjunction with passage of Ordinance O-17-25: 1) Normal Retirement Date – For members who have currently attained age 40 with at least 10 years of Credited Service, no change to the current assumption. For Members who do not currently meet the age 40 with 10 or more years of credited service requirements, 100% assumed retirement upon first eligibility. 2) Early Retirement Date – Maintain the current assumption for all Members, i.e., an assumed 5% retirement for each year of eligibility. 3) Vested Terminated Members – Commencement Date for Benefit Payments. For members who have currently attained age 40 with at least 10 years of credited service, no change to the current assumption, i.e. age 55 unreduced, or age 50, reduced as for early retirement.

Notes to Schedule (Continued)

Changes of Assumptions (Continued):

For members who do not currently meet the age 40 with 10 or more years of credited service requirements, age 60 unreduced, or age 55, reduced as for early retirement.

1. Investment Return – In conjunction with the March 31, 2017 actuarial impact statement, a reduction from 7.70% to 7.50%. Additionally, the Board of Trustees elected further reductions according to the following schedule:
- 2.

Valuation Date	Investment Return Assumption
October 1, 2017	7.4%
October 1, 2018	7.3%
October 1, 2019	7.2%
October 1, 2020	7.1%
October 1, 2021	6.5%
October 1, 2022	6.5%
October 1, 2023	6.5%
October 1, 2024	6.5%

For measurement date September 30, 2016, as a result of Chapter 2015-157, Laws of Florida, the assumed rates of mortality were changed to the assumptions used by the Florida Retirement System. The inflation assumption rate was lowered from 3.00% to 2.50%, matching the long-term inflation assumption utilized by the Plan's investment consultant.

For the measurement date September 30, 2015, amounts reported as changes of assumptions were resulted from lowering the investment rate of return from 7.80% to 7.70%.

Retirement System – Defined Benefit Plan (Continued)

Notes to Schedule

Changes of Benefit Terms:

For measurement date September 30, 2024, vested members terminating employment on or after March 11, 2024 shall be entitled to a monthly retirement benefit, determined in the same manner as for normal or early retirement and based upon the member's credited service, average final compensation and benefit accrual rate as of date of termination payable to him commencing at member's otherwise normal or early retirement date, determined as if he had remained employed.

For measurement date September 30, 2019, Chapter 2019-21, Laws of Florida was signed into effect granting certain disability and death benefits to firefighters participating in an employer-sponsored retirement plan.

- 1.) Effective July 1, 2019, an additional presumption was added to the death in the line of duty section. "A firefighter shall be considered to have died in the line of duty if he or she dies as a result of cancer or circumstances that arise out of the treatment of cancer."
- 2.) Effective July 1, 2019, an additional presumption was added to the disability in-line-of-duty presumption. "Diagnosis of cancer or the circumstances that arise out of the treatment of cancer. A firefighter shall be considered totally and permanently disabled in the line of duty if he or she meets the Plan's definition of total and permanently disabled due to the diagnosis of cancer or circumstances that arise out of the treatment of cancer."

Please note that the benefit changes only relate to the disability and death benefits for the Pension Fund and do not provide for other additional benefits that are provided for in Florida Statutes Section 112.1816.

For measurement date September 30, 2017, the following plan changes were made:

Pursuant to a Mutual Consent Agreement between the Plan membership and City under Chapter 2015-39, Laws of Florida, \$846,203 of the Excess State Monies Reserve is applied as a credit to the Unfunded Actuarial Accrued Liability.

Additionally, the City may use all future Chapter 175 Premium Tax Revenue for meeting its funding obligation to the Firefighters' Retirement System. Based on the agreements, \$135,109 of the remaining portion of the Excess State Monies Reserve is set aside as a prepaid City contribution. Furthermore, a Share Plan was established but is currently not funded under the current Mutual Consent Agreement.

Changes of Assumptions:

For measurement date September 30, 2025, amounts reported as changes of assumptions resulted from lowering the investment rate of return from 7.45% to 7.20% per year compounded annually, net of investment related expenses.

Additionally, as mandated by Chapter 2015-157, Laws of Florida, the assumed rates of mortality were changed to the rates used in Milliman's July 1, 2024 FRS valuation report for special risk employees. Assumed salary rate increases, retirement rates, and withdrawal rates were updated based on observed experience.

Retirement System – Defined Benefit Plan (Continued)

Notes to Schedule (Continued)

Changes of Assumptions (Continued):

For measurement dates September 30, 2024 and September 30, 2023, there were no changes in assumptions.

For measurement date September 30, 2022, amounts reported as changes of assumptions resulted from lowering the investment rate of return from 7.60% to 7.45% per year compounded annually, net of investment related expenses.

For measurement date September 30, 2020, as mandated by Chapter 2015-157, Laws of Florida, the assumed rates of mortality were changed to the rates used in Milliman's July 1, 2019 FRS valuation report for special risk employees, with appropriate adjustments made based on plan demographics.

For measurement date September 30, 2019, the Board adopted changes of actuarial assumptions described in the experience study dated October 23, 2019, as follows:

- The assumptions for salary increases, withdrawal, and retirement were updated to better align with the anticipated plan experience.
- The assumed rate of investment return has been lowered from 7.75% per year to 7.60% per year, net of investment related expenses.

For measurement date September 30, 2016, as mandated by Chapter 2015-157, Laws of Florida, the assumed rates of mortality were changed from the RP-2000 Combined Healthy Tables to the mortality tables for special risk employees used by the Florida Retirement System actuary in the July 1, 2016 actuarial valuation. The inflation assumption rate was lowered from 3.00% to 2.50%, matching the long-term inflation assumption utilized by the Plan's investment consultant.

SCHEDULE OF CHANGES IN THE EMPLOYER'S
NET PENSION LIABILITY AND RELATED RATIOS (CONTINUED)
LAST TEN FISCAL YEARS**

Retirement System – Defined Benefit Plan (Continued)

Notes to Schedule

Changes of Assumptions:

For measurement date September 30, 2025, amounts reported as changes of assumptions resulted from lowering the investment rate of return from 7.35% to 7.25% per year compounded annually, net of investment related expenses.

Additionally, as mandated by Chapter 2015-157, Laws of Florida, the assumed rates of mortality were changed to the rates used in Milliman's July 1, 2024 FRS valuation report for special risk employees. Assumed salary rate increases, retirement rates, and withdrawal rates were updated based on observed experience.

For measurement dates September 30, 2024 and September 30, 2023, there were no changes in assumptions.

For measurement date September 30, 2022, amounts reported as changes of assumptions resulted from lowering the investment rate of return from 7.45% to 7.35% per year compounded annually, net of investment related expenses.

For measurement date September 30, 2020, as mandated by Chapter 2015-157, Laws of Florida, the assumed rates of mortality were changed to the rates used in Milliman's July 1, 2019 FRS valuation report for special risk employees, with appropriate adjustments made based on plan demographics.

For measurement date September 30, 2019, as a result of an actuarial experience study, the Board approved several actuarial assumption changes as follows:

- The assumed rate of investment return has been lowered from 7.70% per year to 7.45% per year, net of investment related expenses.
- The assumed rate of salary increase prior to completion of ten (10) years of service has been lowered.
- The assumed service-based termination rates have been amended.
- The assumed rates of retirement have been amended for normal and early retirement.

For measurement date September 30, 2016, as mandated by Chapter 2015-157, Laws of Florida, the assumed rates of mortality were changed from the RP-2000 Combined Healthy Tables to the mortality tables for special risk employees used by the Florida Retirement System actuary in the July 1, 2016 actuarial valuation. The inflation assumption rate was lowered from 3.0% to 2.5%, matching the long-term inflation assumption utilized by the Plan's investment consultant.

For measurement date September 30, 2015, amounts reported as changes of assumptions were resulted from lowering the investment rate of return from 7.80% to 7.70%.

For measurement date September 30, 2014, amounts reported as changes of assumptions were resulted from lowering the investment rate of return from 7.90% to 7.80%.

**CITY OF WINTER HAVEN, FLORIDA
SCHEDULE OF CHANGES IN THE CITY'S
TOTAL OPEB LIABILITY AND RELATED RATIOS (CONTINUED)
LAST TEN FISCAL YEARS**

Notes to schedule:

The OPEB plan is not administered through a trust, and there are no assets accumulated in trust for payment of benefits.

Covered Employee Payroll was projected one year forward from the valuation date.

Differences Between Expected and Actual Experience. Differences Between Expected and Actual Experience reflects the impact of changes to the census data from the prior valuation to the valuation as of September 30, 2025.

Changes of Assumptions: Changes of assumptions and other inputs reflect the effects of the changes in the discount rate each period. The following are the discount rates used in each period:

Fiscal Year Ending September 30, 2025:	4.50%
Fiscal Year Ending September 30, 2024:	4.06%
Fiscal Year Ending September 30, 2023:	4.87%
Fiscal Year Ending September 30, 2022:	4.77%
Fiscal Year Ending September 30, 2021:	2.43%
Fiscal Year Ending September 30, 2020:	2.14%
Fiscal Year Ending September 30, 2019:	3.58%

Also reflected as assumption changes are updated health care costs and premiums, and updated salary increase rates, termination rates, and disability rates for General employees.

Benefit Payments: The plan sponsor did not provide actual net benefits paid by the Plan for the fiscal year ending on September 30, 2025. Expected net benefit payments produced by the valuation model for the same period are shown in the table above.

STATISTICAL SECTION

(UNAUDITED)

This part of the City of Winter Haven's annual comprehensive financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the government's overall financial health.

Contents

Financial Trends

These schedules contain trend information to help the reader understand how the City's financial performance and well-being have changed over time.

Net Position by Components, Last Ten Fiscal Years
Changes in Net Position, Last Ten Fiscal Years.....
Governmental Activities Tax Revenues by Source, Last Ten Fiscal Years
Fund Balances of Governmental Funds, Last Ten Fiscal Years.....
Changes in Fund Balances of Governmental Funds, Last Ten Fiscal Years.....

Revenue Capacity

These schedules contain information to help the reader assess the City's most significant local revenue source, the property tax.

Assessed Value and Estimated Actual Value of Taxable Property, Last Ten Fiscal Years
Property Tax Rates, Direct and Overlapping Governments, Last Ten Fiscal Years
Principal Taxpayers, Current Fiscal Year and Ten Years Prior
Property Tax Levies and Collections, Last Ten Fiscal Years.....

Debt Capacity

These schedules present information to help the reader assess the affordability of the City's current levels of outstanding debt and the government's ability to issue additional debt in the future.

Ratios of Outstanding Debt by Type, Last Ten Fiscal Years
Direct and Overlapping Governmental Activities Debt
Pledged-Revenue Coverage, Last Ten Fiscal Years

The table which concerns computation of legal debt margin is omitted because the Constitution of the State of Florida, Section 200.181, Florida Statutes, and the City of Winter Haven set no legal debt limit.

Own Source Revenue

This schedule provides water and sewer consumption and rate information to help the reader assess the City's most significant own source revenue, water and sewer charges.

Water and Sewer Consumption, Last Ten Fiscal Years.....

Demographic and Economic Information

These schedules offer demographic and economic indicators to help the reader understand the environment within which the City's financial activities take place.

Demographic and Economic Statistics, Last Ten Fiscal Years.....
Principal Employers, Current Fiscal Year and Nine Years Prior.....

STATISTICAL SECTION

(UNAUDITED)

Operating Information

These schedules contain service and infrastructure data to help the reader understand how the information in the City's financial report relates to the services the City provides and the activities it performs.

Full-Time Equivalent City Government Employees by Function, Last Ten Fiscal Years
Operating Indicators by Function, Last Ten Fiscal Years.....
Capital Assets by Function, Last Ten Fiscal Years.....
Miscellaneous Statistics
Schedule of Insurance in Force

Sources: Unless otherwise noted, the information in these schedules is derived from the annual comprehensive financial reports for the relevant year.

Note: Details regarding the City's outstanding debt can be found in the notes to the financial statements.
(1) See schedule of Demographic and Economic statistics (Table 14) for personal income and population data.

**CITY OF WINTER HAVEN
TABLE 11
DIRECT AND OVERLAPPING GOVERNMENTAL ACTIVITIES DEBT**

<u>Governmental unit</u>	<u>Debt Outstanding</u>	<u>Estimated % Applicable</u>	<u>Estimated Share of Overlapping Debt</u>
Debt repaid with property taxes: Polk County School Board Overlapping debt	\$ 263,583,049 263,583,049	6.5812%	\$ 16,555,558 16,555,558
City of Winter Haven direct debt	81,919,644		81,919,644
Total direct and overlapping debt	<u>\$ 345,502,693</u>		<u>\$ 98,475,202</u>

Note: Polk County has no debt outstanding funded by property taxes

Note: Overlapping governments are those that coincide at least in part, with the geographic boundaries of the city. This schedule estimates the portioning of the outstanding debt of those overlapping governments that is borne by the residents and businesses of the City of Winter Haven. This process recognizes that, when considering the governments' ability to issue and repay long-term debt, the entire debt burden borne by the residents and businesses should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore responsible for repaying the debt, of each overlapping government.

(1) The percentage of overlapping debt applicable is estimated using taxable assessed property values. Applicable percentages were estimated by determining the portion of the school board's taxable assessed value that is within the City's boundaries and dividing it by the City's total taxable assessed value.

- 1.) Gross revenues includes all income and earnings, including connection fees but does not include proceeds from the sale of the system, contributions in aid of construction or water and sewer system development fees.
- 2.) Operating expenses include all costs of operating the system but does not include depreciation expense, bond amortization, renewal and replacement reserve payments, the annual bond service requirement or transfers to other funds.
- 3.) Bond service requirement is the amount required to be deposited in the bond service fund during each bond year (Oct 1). The amount is reduced by the amount to be transferred from the construction fund to pay interest.
- 4.) Allowable water and sewer development charges based on water and sewer expansion percentage provision of the bond resolution, 18.65% water development charges, 36.7% wastewater development charges.
- 5.) Net revenues divided by bond service requirements.
- 6.) Test 2 is net revenues plus legally available water and sewer system development charges divided by the bond service requirements.

**FEDERAL EXPENDITURES AND STATE
FINANCIAL ASSISTANCE
SEPTEMBER 30, 2025**

NOTE 1 BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance (the Schedule) includes the federal and state grant activity of the City of Winter Haven (City) under programs of the federal government and state of Florida for the year ended September 30, 2025. The information in this Schedule is presented in accordance with the requirements of 2 CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)* and Chapter 69I-5, Rules of the Florida Department of Financial Services. Because the Schedule presents only a selected portion of the operations of the City, it is not intended to and does not present the financial position, changes in net position, or cash flows of the City. The City did not receive noncash assistance during the year.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting for awards and financial assistance recorded in governmental funds and the accrual basis of accounting for awards and financial assistance recorded in the proprietary funds, which are described in Note 1 to the City's basic financial statements. Such expenditures are recognized following, as applicable, either the cost principles in Uniform Guidance and Chapter 69I-5, Rules of the Florida Department of Financial Services wherein certain types of expenditures are not allowable or are limited as to reimbursement, with the exception of CFDA 21.019, which follows criteria determined by the Department of Treasury for allowability of costs. Under these principles, certain types of expenditures are not allowable or are limited as to reimbursement. The City has not elected to use the 15% de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE 3 CONTINGENCIES

Grant monies received and disbursed by the City are for specific purposes and are subject to review by the grantor agencies. Such audits may result in requests for reimbursement due to disallowed expenditures. Based upon prior experience, the City does not believe that such disallowances, if any would have a material effect on the financial position of the City. As of March 20, 2026, there were no material questioned or disallowed costs as a result of grant audits in process or completed.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

**Honorable Mayor and Members
of the City Commission
City of Winter Haven, Florida**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Winter Haven, Florida (the "City"), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated March 27, 2026.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

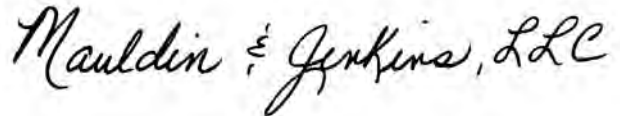

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Bradenton, Florida
March 27, 2026

Independent Auditor's Report on Compliance for Each Major Federal Program and State Project and on Internal Control Over Compliance Required by the Uniform Guidance and Chapter 10.550, Rules of the Auditor General

**Honorable Mayor and Members
of the City Commission
City of Winter Haven, Florida**

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited the City of Winter Haven, Florida's (the "City") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and the requirements described in the *Department of Financial Services' State Projects Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs and state projects for the year ended September 30, 2025. The City's major federal programs and state financial assistance projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended September 30, 2025.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, Rules of the Auditor General. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the City's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the City's federal and state programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the City's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.550, Rules of the Auditor General will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the City's compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.550, Rules of the Auditor General, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the City's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the City's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.550, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

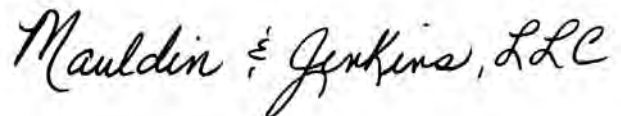

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

SCHEDULE OF PRIOR YEAR FINDINGS FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2025

None reported.

Independent Auditor's Management Letter

**Honorable Mayor and Members
of the City Commission
City of Winter Haven, Florida**

Report on the Financial Statements

We have audited the financial statements of the City of Winter Haven, Florida (the "City"), as of and for the fiscal year ended September 30, 2025, and have issued our report thereon dated March 27, 2026.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, Rules of the Florida Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*; Independent Auditors' Report on Compliance for Each Major Federal Program and State Project and Report on Internal Control over Compliance; Schedule of Findings and Questioned Costs; and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports and schedule, which are dated March 27, 2026, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. No findings or recommendations were made in the preceding financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. This information is disclosed in the notes to the financial statements.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the City has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the City did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the City. It is management's responsibility to monitor the City's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

Section 10.554(1)(i)2, Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Property Assessed Clean Energy (PACE) Programs

As required by Section 10.554(1)(i)6.a., Rules of the Auditor General, a PACE program authorized pursuant to Section 163.081 or Section 163.082, Florida Statutes, did not operate within the City's geographical boundaries during the fiscal year under audit.

Special District Component Units

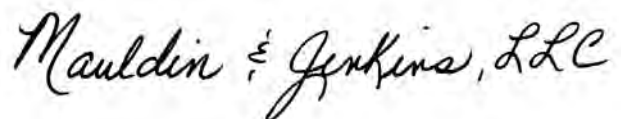

Section 10.554(1)(i)5.c, Rules of the Auditor General, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit, within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we determined that all special district component units provided the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, the Mayor and Members of the City Commission, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

Bradenton, Florida
March 27, 2026

Independent Accountant's Report

**To the Honorable Mayor, and
Members of the City Commission
City of Winter Haven, Florida**

We have examined the City of Winter Haven, Florida's (the "City") compliance with Section 218.415, Florida Statutes, regarding the investment of public funds during the year ended September 30, 2025. Management of the City is responsible for the City's compliance with those requirements. Our responsibility is to express an opinion on the City's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the City complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the City complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination does not provide a legal determination on the City's compliance with specified requirements.

In our opinion, the City complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2025.

This report is intended solely for the information and use of the City and the Auditor General, State of Florida, and is not intended to be and should not be used by anyone other than these specified parties.
