**INDEPENDENT AUDITORS' REPORT**

To the Board of Directors of  
Early Learning Coalition of Putnam and St. Johns Counties, Inc.  
Palatka, Florida

We have audited the accompanying statement of financial position of Early Learning Coalition of Putnam and St. Johns Counties, Inc. (a nonprofit organization), as of June 30, 2010, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of Early Learning Coalition of Putnam and St. Johns Counties, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Early Learning Coalition of Putnam and St. Johns Counties, Inc. as of June 30, 2010, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 1, 2010, on our consideration of Early Learning Coalition of Putnam and St. Johns Counties, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing for internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and important for assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements of Early Learning Coalition of Putnam and St. Johns Counties, Inc. taken as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance is presented for the purpose of additional analysis as required by U.S. Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*, and State of Florida Chapter 10.650, *Rules of the Auditor General*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

**NOTES TO FINANCIAL STATEMENTS**

**June 30, 2010**

**NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

1. Organization and nature of operations

Early Learning Coalition of Putnam and St. Johns Counties, Inc. (the "Coalition") was incorporated on October 6, 2000 as a not-for-profit corporation. The Coalition was formed to operate for the advancement of charity and education particularly by implementing a comprehensive program of school readiness services for Florida's at-risk birth-to-kindergarten population. The Coalition provides funding for child care programs in Putnam and St. Johns Counties.

On July 1, 2005, the Coalition merged with St. Johns County School Readiness Coalition, Inc., and changed its name to Early Learning Coalition of Putnam and St. Johns Counties, Inc.

2. Basis of accounting and financial statement presentation

The accompanying financial statements and accompanying schedule have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and include all funds and activities over which the Board of Directors of the Coalition has oversight and financial responsibility.

The Coalition reports information regarding its financial position and activities according to three classes of net assets. A description of the three net asset categories follows:

Unrestricted – Net assets not subject to donor-imposed stipulations.

Temporarily Restricted – Net assets subject to donor-imposed stipulations that may or will be met by actions of the Coalition and/or passage of time.

Permanently Restricted – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Coalition.

Revenues from financial assistance programs are reported as increases in unrestricted net assets because the related restrictions are satisfied in the period in which the support is recognized.

3. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Early Learning Coalition of Putnam and St. Johns Counties, Inc.

NOTES TO FINANCIAL STATEMENTS

June 30, 2010

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

4. Cost allocation

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Activities. Salaries and other expenses which are associated with a specific program are charged directly to that program. Salaries and other program support service expenses which benefit more than one program are allocated to the various programs based on the relative benefit provided.

5. Cash and cash equivalents

For purposes of the statements of cash flows, the Coalition considers all unrestricted, highly liquid investments with an initial maturity of three months or less to be cash equivalents. The Coalition maintains its cash in deposit accounts in banks which participate in the Federal Deposit Insurance Corporation (FDIC) Transaction Account Guarantee Program. Under that Program, through June 30, 2010, all non-interest bearing transaction accounts were fully guaranteed by the FDIC for the entire amount in the account. Coverage under the Transaction Account Guarantee Program is in addition to and separate from the coverage available under the FDIC's general deposit insurance rules. Balances in other account types, including interest bearing accounts, are insured up to \$250,000. After December 31, 2013, balances up to \$100,000 will be insured. At June 30, 2010, the Coalition had no balances in excess of federally insured limits.

6. Accounts receivable

Accounts receivable are stated at net realizable value. The Coalition considers accounts receivable to be fully collectable; therefore, no allowance for doubtful accounts is required.

For the year ended June 30, 2010, revenues in the amount of \$8,148,192 were earned for the School Readiness ("SR") Program which exceeded the SR appropriation by \$108,703 for the corresponding period. For financial statement presentation, this amount was recorded as an account receivable as of June 30, 2010. However, this amount was not billed to AWI until the 2010-2011 SR appropriation period, as allowed by Florida Statutes.

7. Property and equipment

Property and equipment is recorded at historical cost. Property and equipment with a cost in excess of \$1,000 and a useful life of one or more years is capitalized and depreciated using the straight-line method of depreciation.

Property acquired with governmental funds is considered to be owned by the Coalition while used in the program for which it was purchased or in future authorized programs; however, its disposition as well as the ownership of any proceeds from the sale of assets therefore is subject to applicable regulations.

NOTES TO FINANCIAL STATEMENTS

June 30, 2010

**NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

8. Income taxes

The Coalition is a not-for-profit corporation and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. As such, its normal activities do not result in any income tax liability.

The Coalition implemented provisions of income tax accounting standards regarding uncertain tax positions during the year ended June 30, 2010. Management has analyzed its various federal and state filing positions and believes that its income tax filing positions and deductions are well documented and supported. Additionally, management believes that no accruals for tax liabilities are necessary. Therefore, no reserves for uncertain income tax positions have been recorded. In addition, no cumulative effect adjustment related to implementation was recorded.

9. Subsequent events

Management has evaluated the effect subsequent events would have on the financial statements through the time these financial statements were available to be issued on December 1, 2010.

**NOTE B – CONCENTRATIONS**

1. Economic dependency

The Coalition is financially dependent on grant funding and operates in a heavily regulated environment. The operations of the Coalition are subject to the administrative directives, rules and regulations of federal, state, and local regulatory agencies. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by the State of Florida. Such change may occur with little notice or inadequate funding to pay for the related cost, including the additional burden, to comply with a change.

2. Concentration of credit risk

The activities of the Coalition are conducted in Putnam and St. Johns Counties, Florida and are supported by funding provided by government agencies. Expenditures incurred by the Early Learning Coalition of Putnam and St. Johns Counties, Inc. and the subgrantees associated with the execution of various grants are subject to audit and possible disallowance by the grantor agency. The Coalition would be held responsible for recovery (reimbursement to the grantor agency) of disallowed amounts incurred by the subgrantee if the subgrantee were not able to do so. Management believes that if audited, any adjustment for disallowed expenses would be immaterial in amount.

**Early Learning Coalition of Putnam and St. Johns Counties, Inc.**

**NOTES TO FINANCIAL STATEMENTS**

**June 30, 2010**

**NOTE C - STATEWIDE SCHOOL READINESS DATA**

The Coalition has reconciled its financial records to the statewide School Readiness data and reporting system on a monthly basis. This reconciliation was performed in a timely and satisfactory manner.

**NOTE D - LEASES AND COMMITMENTS**

The Coalition has a non-cancelable operating lease for the rental of office space in Palatka, Florida and an agreement for the rental of a copier machine. The future minimum lease payments are as follows:

2011	\$ 30,162
2012	30,162
2013	<u>19,681</u>
Total	<u>\$ 80,005</u>

Rent expense for the year ended June 30, 2010 totaled \$31,430.

**NOTE E - RELATED PARTY TRANSACTIONS**

Certain members of the Board of Directors are mandated in the "School Readiness Act." The related party members include the Episcopal Children's Services, Putnam County School District (a provider of school readiness services) and other representatives from private and public sector industries. Total payments to these organizations during the year ended June 30, 2010 were \$12,849,779 and accounts payable to them at June 30, 2010 were \$988,223.

**NOTE F - RETIREMENT PLAN**

The Coalition established a tax deferred retirement plan effective for all qualifying employees. All regular full time employees are eligible to participate in the plan. The Coalition will contribute up to a 6% match of the employee's salary. The Coalition provided matching contributions of \$8,596 for retirement benefits to the plan for the year ended June 30, 2010. Employees are immediately vested in their contributions and the matching contributions.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of  
Early Learning Coalition of Putnam and St. Johns Counties, Inc.  
Palatka, Florida

We have audited the financial statements of Early Learning Coalition of Putnam and St. Johns Counties, Inc. as of and for the year ended June 30, 2010, and have issued our report thereon dated December 1, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Early Learning Coalition of Putnam and St. Johns Counties, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Coalition's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Early Learning Coalition of Putnam and St. Johns Counties, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Board of Directors, management, others within the Coalition, federal and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

## **INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR FEDERAL AND STATE PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133 AND STATE OF FLORIDA CHAPTER 10.650, RULES OF THE AUDITOR GENERAL**

To the Board of Directors of  
Early Learning Coalition of Putnam and St. Johns Counties, Inc.  
Palatka, Florida

### Compliance

We have audited the compliance of Early Learning Coalition of Putnam and St. Johns Counties, Inc. (a nonprofit organization) with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement*, State of Florida Chapter 10.650, *Rules of the Auditor General*, and special audit guidance provided by the Agency for Workforce Innovation that are applicable to each of its major federal and state programs for the year ended June 30, 2010. Early Learning Coalition of Putnam and St. Johns Counties, Inc.'s major federal and state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal and state programs is the responsibility of Early Learning Coalition of Putnam and St. Johns Counties, Inc.'s management. Our responsibility is to express an opinion on Early Learning Coalition of Putnam and St. Johns Counties, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*; State of Florida Chapter 10.650, *Rules of the Auditor General*; and special audit guidance provided by the Agency for Workforce Innovation. Those standards, OMB Circular A-133, and State of Florida Chapter 10.650, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal and state program occurred. An audit includes examining, on a test basis, evidence about Early Learning Coalition of Putnam and St. Johns Counties, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of Early Learning Coalition of Putnam and St. Johns Counties, Inc.'s compliance with those requirements.

In our opinion, Early Learning Coalition of Putnam and St. Johns Counties, Inc. complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal and state programs for the year ended June 30, 2010.

### Internal Control Over Compliance

The management of Early Learning Coalition of Putnam and St. Johns Counties, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal and state programs. In planning and performing our audit, we considered Early Learning Coalition of Putnam and St. Johns Counties, Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal and state program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Early Learning Coalition of Putnam and St. Johns Counties, Inc.'s internal control over compliance.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR FEDERAL AND STATE PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133 AND STATE OF FLORIDA CHAPTER 10.650, RULES OF THE AUDITOR GENERAL (continued)**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

The accompanying schedule of expenditures of federal awards and state financial assistance is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations", the Florida, "Executive Office of the Governor's State Projects Compliance Supplement," and Chapter 10.650, Rules of Auditor General, State of Florida.
