INDEPENDENT AUDITOR'S REPORT

Board of Directors
Central Florida Crimeline Program, Inc.
Orlando, Florida

We have audited the accompanying statement of financial position of Central Florida Crimeline Program, Inc. ("Crimeline") as of September 30, 2012, and the related statements of activities, cash flows, and functional expenses for the year then ended. These financial statements are the responsibility of Crimeline's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Central Florida Crimeline Program, Inc. as of September 30, 2012, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 27, 2013, on our consideration of Crimeline's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of State financial assistance is presented for purposes of additional analysis as required by the Florida Single Audit Act, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of State financial assistance is fairly stated in all material respects in relation to the financial statements as a whole.

Orlando, Florida
June 27, 2013

STATEMENT OF FINANCIAL POSITION

CENTRAL FLORIDA CRIMELINE PROGRAM, INC.

September 30, 2012

See accompanying notes to financial statements.

NOTES TO FINANCIAL STATEMENTS

CENTRAL FLORIDA CRIMELINE PROGRAM, INC.

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of the Organization

The Central Florida Crimeline Program, Inc. ("Crimeline") was incorporated in 1977 as a Florida non-stock, not-for-profit corporation. The purpose of Crimeline is to furnish area law enforcement agencies with information on unsolved felony crimes or other criminal activity, which Crimeline obtains primarily through its reward program; and to promote community involvement and cooperation with law enforcement agencies. A voluntary Board of Directors directs operations.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its FASB *Accounting Standards Codification* ("ASC") 958, *Not-For-Profit Entities*. Under ASC 958, Crimeline is required to report information regarding its financial position and activities according to three classes of net assets, which are as follows:

Unrestricted net assets - net assets not subject to donor-imposed stipulations.

Temporarily restricted net assets - net assets subject to donor-imposed stipulations that may or will be met by actions of Crimeline and/or the passage of time. Temporarily restricted net assets as of September 30, 2012 are composed of \$194,950 in support from entities and individuals to be used for rewards for specific cases.

Permanently restricted net assets - net assets subject to donor-imposed stipulations that they be maintained permanently by Crimeline. There were no permanently restricted net assets as of September 30, 2012.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily restricted or permanently restricted net assets, depending on the nature of the restriction. When a restriction is satisfied, temporarily restricted net assets are reclassified to unrestricted net assets.

Revenue and Expense Recognition

Crimeline recognizes public support, revenues and expenses on the accrual basis. Support and revenues from grants and contracts are generally recognized when eligible costs are incurred and/or required services are performed. The revenue from the Crime Stoppers grant (see Note B) is recognized as eligible expenses are paid and a corresponding reimbursement request is submitted. Functional expenses are allocated on the basis of specific identification, where possible, or management's best estimates.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

CENTRAL FLORIDA CRIMELINE PROGRAM, INC.

NOTE A – SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION – CONTINUED

Donated Equipment, Facilities and Services

Donated equipment, facilities, and services, having a measurable value, have been included in the accompanying financial statements to the extent of the estimated fair value as follows:

| | | |
|-------------------------------|----|---------------|
| Payroll and employee benefits | \$ | 47,008 |
| Occupancy | | 5,000 |
| Vehicle expense | | <u>625</u> |
| | \$ | <u>52,633</u> |

Donations not having an objective basis to measure estimated fair value, which includes donated television and radio production and airtime, have been excluded.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Crimeline reports contributions as restricted support if they are received with donor stipulations that limit the use of the contribution. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets. Donor restricted contributions, whose restrictions are met in the same reporting period, are reported as unrestricted support.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Property

Property is stated at cost, if purchased, or at fair value at the date of the receipt, if donated.

Depreciation is computed on the straight-line method over the estimated useful life of the related asset.

Statement of Cash Flows

For purposes of the statement of cash flows, Crimeline considers all highly liquid debt instruments purchased with an original maturity date of three months or less at the date of the original purchase to be cash equivalents. In addition, Crimeline considers two certificates of deposit in the amount of \$242,763 with relatively short maturity dates to be cash and cash equivalents at September 30, 2012.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

CENTRAL FLORIDA CRIMELINE PROGRAM, INC.

NOTE A – SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION – CONTINUED

Receivables

The grant receivable and other receivable are stated at the amount management expects to realize. Management provides such amounts through adjustments based upon their assessment of the current status (i.e. terms) of the receivables. Accordingly, management considers the receivables to be fully collectible; therefore, there is no allowance for an uncollectible amount.

Advertising

Crimeline expenses advertising costs (i.e. public relations costs) as they are incurred. Such advertising costs charged to expense on the statement of activities totaled \$247,229.

NOTE B – CRIME STOPPERS GRANT

Crimeline has entered into an agreement with the State of Florida Office of the Attorney General, whereby Crimeline is reimbursed for authorized expenditures (for services performed and costs incurred per the agreement). The agreement continues subsequent to September 30, 2012.

NOTE C – CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject Crimeline to concentrations of credit risk consist of cash and cash equivalents, and any receivables.

Crimeline places its cash and cash equivalents in accounts with high quality financial institutions. However, at times, Crimeline is exposed to loss to the extent that such account balances exceed federally insured limits.

Generally, the concentration of credit risk with respect to the receivables is limited as the receivables are from governmental agencies.

NOTE D – CONTINGENCIES

By terms of Crimeline's grants (see Note B), the funding agency reserves the right to examine records relating to cost reimbursements. In the event there is a determination of nonqualifying expenditures for which a reimbursement has been made, the funding agency may demand a refund for the appropriate amount. Crimeline does not anticipate any material refunds will have to be made based upon the financial statements as of September 30, 2012.

Crimeline has the potential liability to reimburse the funding agency for various equipment charged against the referenced grants as a reimbursable expenditure. The measurable value of the potential liability, if any, is not readily determinable. However, in Crimeline's opinion, the probability of a reimbursement request of significance is considered unlikely. During the year ended September 30, 2012, \$20,010 for such reimbursed expenditures were incurred or charged to operations as grant expenditures; \$88,738 (at cost) of such expenditures charged to the such grants to date is currently available for use in Crimeline's operations.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

CENTRAL FLORIDA CRIMELINE PROGRAM, INC.

NOTE E – DEFINED CONTRIBUTION PLAN

Crimeline sponsors a savings incentive match plan (S.I.M.P.L.E.) for all full-time employees who have completed 90 days of service. Contributions are determined by a 3% Crimeline matching of participating employees' compensation, and totaled \$3,798 for the year ended September 30, 2012. Crimeline is not liable for any payments under the plan in excess of the annual contribution.

NOTE F – INCOME TAXES

For income tax purposes, Crimeline is exempt from income taxation under Section 501(c)(3) of the Internal Revenue Code and the laws of the State of Florida, and maintains nonprivate foundation status in accordance with the Internal Revenue Code. However, Crimeline is required to file income tax returns and pay income taxes on any unrelated business income (none to date). Accordingly, there are no open federal or state tax years under audit.

Crimeline has not recognized any respective liability for unrecognized tax benefits as it has no known tax positions that would subject Crimeline to any material income tax exposure. The tax years that remain subject to examination are the years beginning October 1, 2009 for all major tax jurisdictions.

NOTE G – GRANT ADVANCE

As of September 30, 2012, Crimeline had received a grant advance of \$150,286 to be settled against future grant reimbursements; accordingly, the grant advance has been settled as of the date of the financial statements.

NOTE H – SUBSEQUENT EVENTS

Crimeline has evaluated subsequent events through June 27, 2013, the date the financial statements were available to be issued.

SUPPLEMENTAL INFORMATION

SCHEDULE OF EXPENDITURES OF STATE FINANCIAL ASSISTANCE

CENTRAL FLORIDA CRIMELINE PROGRAM, INC.

Year Ended September 30, 2012

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Central Florida Crimeline Program, Inc.
Orlando, Florida

We have audited the financial statements of Central Florida Crimeline Program, Inc. ("Crimeline") as of and for the year ended September 30, 2012, and have issued our report thereon dated June 27, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of Crimeline is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered Crimeline's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Crimeline's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Crimeline's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of Crimeline's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined previously.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Crimeline's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Board of Directors
Central Florida Crimeline Program, Inc.
Orlando, Florida

This report is intended solely for the information and use of management, Crimeline's Board of Directors, others within the organization, and state awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink, appearing to read "R. A. [unclear], P.A.". The signature is stylized and somewhat illegible due to the cursive nature of the writing.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR STATE PROJECT AND
REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY CHAPTER 10.650,
RULES OF THE AUDITOR GENERAL

Independent Auditor's Report

Board of Directors
Central Florida Crimeline Program, Inc.
Orlando, Florida

Report on Compliance For Each Major State Project

We have audited the Central Florida Crimeline Program, Inc.'s ("Crimeline") compliance with the types of compliance requirements described in the *Department of Financial Services' State Projects Compliance Supplement*, that could have a direct and material effect on Crimeline's major State project for the year ended September 30, 2012. Crimeline's major State project is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its State projects.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Crimeline's major State projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.650, Rules of the Auditor General. Those standards, and Chapter 10.650, Rules of the Auditor General, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on Crimeline's major State project occurred. An audit includes examining, on a test basis, evidence about Crimeline's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for Crimeline's major State project. However, our audit does not provide a legal determination of Crimeline's compliance.

Opinion on Each Major State Project

In our opinion, Crimeline complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major State project for the year ended September 30, 2012.

Board of Directors
Central Florida Crimeline Program, Inc.
Orlando, Florida

Report on Internal Control Over Compliance

Management of Crimeline is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Crimeline's internal control over compliance with the types of requirements that could have a direct and material effect on Crimeline's major State project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for Crimeline's major State project and to test and report on internal control over compliance in accordance with Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Crimeline's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a State project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a State project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with the type of compliance requirement of a State project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses, or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and results of that testing based on the requirements of Chapter 10.650, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

Orlando, Florida
June 27, 2013

SCHEDULE OF FINDINGS AND QUESTIONED COSTS –
STATE PROJECT

CENTRAL FLORIDA CRIMELINE PROGRAM, INC.

Year Ended September 30, 2012

A. SUMMARY OF AUDITOR'S RESULTS

1. The auditor's report expresses an unqualified opinion on the basic financial statements of Central Florida Crimeline Program, Inc.
2. No significant deficiencies in internal control relating to the audit of the financial statements are reported in the Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*.
3. No instances of noncompliance material to the financial statements of Central Florida Crimeline Program, Inc. were disclosed during the audit.
4. No significant deficiencies in internal control over its major State project is reported in the Independent Auditor's Report on Compliance for Each Major State Project and Report on Internal Control over Compliance Required by Chapter 10.650, *Rules of the Auditor General*.
5. The auditor's report on compliance with requirements that could have a direct and material effect on Central Florida Crimeline Program, Inc.'s major State project expresses an unqualified opinion.
6. Audit findings required to be reported relative to the major State project for Central Florida Crimeline Program, Inc. are reported in Part C of this schedule.
7. The State project tested as a major project is as follows:

| <u>State Project</u> | <u>State CSFA Number</u> |
|--|------------------------------|
| State of Florida, Office of the Attorney General - Crime Stoppers Grant | 41.002 |

8. The threshold for distinguishing Type A and B projects was \$200,200 for major State projects.

B. FINDINGS – FINANCIAL STATEMENTS AUDIT – None

C. FINDINGS AND QUESTIONED COSTS – MAJOR STATE PROJECT – None

D. OTHER ISSUES

1. No management letter is required because there were no findings required to be reported.
2. No summary schedule of prior audit findings is required because there were no prior audit findings related to State projects.
3. No corrective action plan is required because there were no findings required to be reported under the Florida Single Audit Act.
