Report on Compliance and on Internal Control Over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance With The *Government Auditing Standards* and Chapter 10.650, *Rules of The Auditor General of The State of Florida*

Board of Directors
The Unlimited Path of Central Florida, Inc.
Panama City, Florida

We have audited the financial statements of the Unlimited Path of Central Florida, Inc., (an S-Corporation) as of and for the year ended December 31, 2012, and have issued our report thereon dated July 16, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.650, *Rules of The Auditor General, of the State of Florida*.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether The Unlimited Path of Central Florida, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance and other matters that are required to be reported under *Government Auditing Standards* or Chapter 10.650, *Rules of The Auditor General, of the State of Florida*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered The Unlimited Path of Central Florida, Inc.'s internal control over financial reporting in order to determine our audit procedures for the purpose of expressing an opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses.

A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. This report is intended solely for the information and use of the audit committee, management and various state audit agencies and is not intended to be and should not be used by anyone other than those specified parties.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS AND SUPPLEMENTAL INFORMATION

To the Board of Directors
The Unlimited Path of Central Florida, Inc.
Panama City, Florida

We have audited the accompanying statements of financial position of The Unlimited Path of Central Florida, Inc. as of December 31, 2012, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Unlimited Path of Central Florida, Inc. as of December 31, 2012, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated July 16, 2013 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*, and should be read in conjunction with this report in considering the results of our audit.

Our audit was performed for the purposes of forming opinions on the financial statements of the Organization taken as a whole. The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance is presented for purposes of additional analysis, as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, the provisions of the *Florida Single Audit Act*, Sec. 215.97, Florida Statutes, and the Executive Officer of the Governor's State Compliance Supplements, is not a required part of the financial statements. The accompanying additional supplementary information has been subjected to the auditing procedures applied in the audits of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Report on Compliance and Internal Control Over Compliance Applicable to Each Federal Major Program and State Project

To the Board of Directors
The Unlimited Path of Central Florida, Inc.

Compliance

We have audited the compliance of the Unlimited Path of Central Florida, Inc. with the types of compliance requirements described in the United States Office of Management and Budget (OMB) Circular A-133 Compliance Supplement, and the requirements described in the Executive Office of the Governor's State Projects Compliance Supplement, that are applicable to each of its major federal programs and state projects for the year ended December 31, 2012. The Organization's major federal programs and state projects are identified in the Financial Section on the accompanying Schedule of Expenditures of State Financial Assistance. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs and state projects is the responsibility of the Organization's management. Our responsibility is to express an opinion on the Organization's compliance based on our audit.

We conducted our audit of compliance in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations; and Chapter 10.650, Rules of the Auditor General, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance referred to above that could have a direct and material effect on major federal programs or state projects occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Organization's compliance with those requirements.

In our opinion, the Organization complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs and state projects for the year ended December 31, 2012, except for those findings on the Schedule of Findings and Questioned Costs.

Report on Compliance and Internal Control Over Compliance
Applicable to Each Major Federal Program and State Project
(continued)

Internal control over Compliance

The management of the Organization is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs and state projects. In planning and performing our audit, we considered the Organization's internal control over compliance with requirements that could have a direct and material effect on a major federal program or state project in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133 and Chapter 10.650, Rules of the Auditor General.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program or state project being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We observed no matters involving the internal control over financial reporting, and its operation that we consider material weaknesses. In addition, we have not observed any reportable matters that are material weaknesses.

This report is intended for the information and use of the audit committee, management, and specific legislative or regulatory bodies and is not intended to be and should not be used by anyone other than these specified parties.
