Independent Auditor's Report

Board of Directors
Bridges Correctional Treatment, Inc.
Orlando, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of Bridges Correctional Treatment, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2013, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bridges Correctional Treatment, Inc. as of June 30, 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of state awards, as required by Section 215.97, Florida Statutes, *Florida Single Audit Act*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 10, 2013, on our consideration of Bridges Correctional Treatment, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Bridges Correctional Treatment, Inc.'s internal control over financial reporting and compliance.

Bridges Correctional Treatment, Inc.
Notes to Financial Statements
For the Year Ended June 30, 2013

Note A – General Information and Significant Accounting Policies

General Information - Bridges Correctional Treatment, Inc. (the Organization) is a not-for-profit corporation organized to provide outpatient substance abuse treatment, aftercare, and intervention services to inmates at Department of Corrections Work Release Centers. The Organization is a not-for-profit corporation which has applied for tax-exempt status under Section 501(c)(3) of the Internal Revenue Code as a public charity.

Donated Services and Materials - The Board of Directors serves without compensation. These services are not recorded on the financial statements since they generally are not susceptible to objective measurement or valuation. Additionally, the Organization occasionally receives donated goods for use in its operations. Management has determined that such amounts are not material to the financial statements of the Organization.

Basis of Presentation - The Organization has adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 958. This statement establishes standards for financial reporting by not-for-profit organizations. The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. The Organization does not have any temporarily or permanently restricted net assets.

Program Contract Revenue and Receivable - Program contract revenue represents amounts received for providing program services under the terms of the contract with the State of Florida Department of Corrections. Receivables from this program contract represent amounts due under the contract and are considered fully collectible.

Property and Equipment - Purchased assets costing in excess of \$1,000 individually or in the aggregate are capitalized and are recorded at cost. Donated assets are recorded at their fair market values at the date of the donation. Improvements and betterments are capitalized, while repair and maintenance expenditures are expensed in the statement of activities. As of June 30, 2013, the Organization does not own property or equipment.

Cash and Cash Equivalents - For purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Bridges Correctional Treatment, Inc.
Notes to Financial Statements
For the Year Ended June 30, 2013

Note A – General Information and Significant Accounting Policies - Continued

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Interest Expense - The Organization incurred no interest expense during the year ended June 30, 2013.

Income Taxes - The Organization adopted FASB ASC Topic 740. The pronouncements clarify the accounting for uncertainty in income tax recognition in financial statements and require the impact of a tax position to be recognized in the financial statements if that position is more likely than not of being sustained by the taxing authority. The Organization is a not-for-profit corporation which has applied for tax-exempt status under Section 501(c)(3) of the Internal Revenue Code with no unrelated business income and is not subject to income tax. Management has evaluated this tax position and has determined that it is more likely than not to be upheld. The adoption has not had a material effect on the Organization.

The Organization has evaluated the tax positions for all open tax years. Currently, the tax years open and subject to examination by the Internal Revenue Service are the fiscal years ended June 30, 2012 and 2013. However, the Organization is not currently under audit.

Allocation of Expenses - The costs of providing the various programs and supporting activities of the Organization have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program and supporting activities.

Note B – Related Party Transactions

The Organization shares a common Board of Directors and common management with Christian Prison Ministries, Inc., a not-for-profit corporation, and other Bridges of America entities, which provide similar services in other facilities throughout the State of Florida. Bridges of America provided management services to the Organization in the current year.

Bridges Correctional Treatment, Inc.
Notes to Financial Statements
For the Year Ended June 30, 2013

Note B – Related Party Transactions - Continued

Amounts due to affiliates represent funds the Organization borrowed from affiliates for start-up and operating purposes. At June 30, 2013, the Organization had a payable of \$100,000 due to the affiliated entities. This amount is not expected to be repaid within the next operating cycle. No interest is being charged on the loans.

A member of the Board of Directors of Bridges of America, Inc. is also an employee and point of contact at Branch Banking and Trust Company (BB&T) through which the Organization secured the line of credit and loan (see Note C).

Note C – Commitments and Contingencies

During the year ended June 30, 2013, Christian Prison Ministries, Inc. entered into a mortgage and security agreement. Under the agreement Branch Banking and Trust Company (the mortgagee) has agreed to purchase Orange County Industrial Development Authority (Florida) Variable Rate Demand Revenue and Refunding Bonds, Series 2012, in the total amount of \$14,027,676. In return the Orange County Industrial Development Authority (Florida) (the Issuer) has agreed to loan the proceeds from the sale of the bonds to Christian Prison Ministries, Inc. pursuant to a loan agreement dated, August 1, 2012, between the Issuer and Christian Prison Ministries, Inc. As of June 30, 2013, the outstanding indebtedness balance under guarantee is \$13,744,605.

The funds were used for the purpose of redeeming the outstanding principal amount of the Variable Rate Demand Revenue Bonds, Series 2005, financing the site acquisition and construction of the new Jacksonville facilities, financing capital expenditures to be made at various facilities operated by Christian Prison Ministries, Inc., and paying the costs associated with issuing the bonds.

Monthly payments of principal and interest will be due on the first of each month, starting September 1, 2012, with an interest rate of 78% of one month LIBOR plus 1.625%, to be adjusted monthly. The loan will be callable on demand after seven years and any date thereafter upon 120 days' notice to Christian Prison Ministries, Inc. The principal is to be amortized over a period of 25 years.

Christian Prison Ministries, Inc. was also granted a Line of Credit (LOC) in the amount of \$2,500,000 which carries an interest rate of one month LIBOR plus 2.5%, rounded upward, to be adjusted monthly. The LOC calls for monthly interest payments with the principal due at the term of the agreement. The LOC matures on August 1, 2015.

Bridges Correctional Treatment, Inc.
Notes to Financial Statements
For the Year Ended June 30, 2013

Note C – Commitments and Contingencies - Continued

The following entities are listed as Guarantors on the loan and line of credit agreements: Bridges of America, Inc., Bridges of America – The Bradenton Bridge, Inc., Bridges of America – The Broward County Bridge, Inc., Bridges of America – The Jacksonville Bridge, Inc., Bridges of America – The Orlando Bridge, Inc., Bridges of America – The Pinellas Bridge, Inc., Bridges of America – The Polk Bridge, Inc., Bridges of America – Community Re-entry Services, Inc., Bridges of America – The Turning Point Bridge, Inc., and Bridges Correctional Treatment, Inc.

In order to maintain compliance with the loan and line of credit agreements, Christian Prison Ministries, Inc. and the Guarantors must maintain, on a consolidated basis, certain financial covenants. The requirements include maintaining a fixed charge coverage ratio of 1.20 to 1.00, as well as maintaining an unrestricted net asset balance of \$15,197,441 as of June 30, 2013, to be increased by at least 50% of total positive increase in combined net assets, each fiscal year thereafter. The combined entity may not create, incur, assume or suffer to exist any new operating leases for equipment which create additional annual payment obligations in the aggregate of more than \$750,000 for any fiscal year, or incur capital expenditures in excess of \$750,000 in any fiscal year. The expenditures for the Jacksonville facility were not considered to be a part of the calculation of total capital expenditures for these covenants.

As of June 30, 2013, Christian Prison Ministries, Inc. and the Guarantors met these financial covenants, with the exception of the fixed charge coverage ratio. The bank waived this debt covenant. The loan and line of credit are secured by substantially all corporate assets, and are guaranteed by Christian Prison Ministries, Inc. and various related entities.

Note D – Major Sources of Support

The Organization has a contract with the Florida Department of Corrections to provide outpatient substance abuse treatment, aftercare, and intervention services to inmates at the Department of Corrections operated Work Release Centers. The Organization earned \$574,775 under contract #C2729 during the current year. The contract, which is terminable by the Florida Department of Corrections under certain conditions, is renewable on a periodic basis. The current contract is effective through March 31, 2015 with an additional two-year renewal period available at the Department of Corrections' discretion.

The Organization provides substance abuse counseling to inmates and is compensated for the provision of these services by the Florida Department of Corrections on a monthly basis. As of June 30, 2013, outstanding receivables from this program were \$47,139.

Bridges Correctional Treatment, Inc.
Notes to Financial Statements
For the Year Ended June 30, 2013

Note E – Concentration of Credit Risk

The Organization maintains cash balances at one financial institution which is insured by the Federal Deposit Insurance Corporation. At various times during the year ended June 30, 2013, the Organization may have had balances in these accounts which exceeded insured amounts.

Additionally, the Organization has a concentration of credit risk for program contract revenues and receivables. If there were a significant decrease in or termination of the contracts, there would be an adverse effect on the Organization's program services and operations. These revenues and receivables represent amounts earned and collectible, respectively, for providing substance abuse counseling programs for criminal offenders. All of the program contract revenue and receivables are received from the State of Florida Department of Corrections.

Note F – Employee Benefit Plan

The Organization participates in a retirement plan pursuant to Section 401(k) which was established by Bridges of America, Inc. To be eligible to participate in the plan, employees must have completed one year of service, be 21 years of age or older and are required to work 1,000 hours or more during a twelve consecutive month period. Employees are vested over a six year period for the employer's matching contributions into the plan. The plan provides for a matching contribution of up to 8% of the participant's salary contribution and is funded annually. During the year ended June 30, 2013, there were no participating employees.

Note G – Subsequent Events

In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through December 10, 2013, the date the financial statements were available to be issued. No events or transactions requiring recognition or disclosure were noted.

**Independent Auditor's Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial
Statements Performed in Accordance With the *Government Auditing
Standards* and Chapter 10.650, *Rules of the Auditor General*,
of the State of Florida**

Board of Directors
Bridges Correctional Treatment, Inc.
Orlando, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and Chapter 10.650, *Rules of the Auditor General*, of the State of Florida, the financial statements of Bridges Correctional Treatment, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2013, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 10, 2013.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Bridges Correctional Treatment, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Bridges Correctional Treatment, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Bridges Correctional Treatment, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* or Chapter 10.650, *Rules of the Auditor General*, of the State of Florida.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* and Chapter 10.650, *Rules of the Auditor General*, of the State of Florida, in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Borchbeck & Case LLP

Winter Park, FL
December 10, 2013

**Independent Auditor's Report on Compliance for Each Major State Project
and Report on Internal Control Over Compliance Required by Chapter
10.650 Rules of the Auditor General, of the State of Florida**

Board of Directors
Bridges Correctional Treatment, Inc.
Orlando, Florida

Report on Compliance for Each Major State Project

We have audited Bridges Correctional Treatment, Inc.'s compliance with the types of compliance requirements described in the *Department of Financial Services' State Projects Compliance Supplement*, that could have a direct and material effect on each of Bridges Correctional Treatment, Inc.'s major State projects for the year ended June 30, 2013. Bridges Correctional Treatment, Inc.'s major State projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of law, regulations, contracts, and grants applicable to its State projects.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Bridges Correctional Treatment, Inc.'s major State projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.650, *Rules of the Auditor General*. Those standards; and Chapter 10.650, *Rules of the Auditor General*, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major State project occurred. An audit includes examining, on a test basis, evidence about Bridges Correctional Treatment, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major State project. However, our audit does not provide a legal determination on the Bridges Correctional Treatment, Inc.'s compliance.

Opinion on Each Major State Project

In our opinion, Bridges Correctional Treatment, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major State projects for the year ended June 30, 2013.

Report on Internal Control Over Compliance

Management of Bridges Correctional Treatment, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Bridges Correctional Treatment, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major State project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major State project and to test and report on internal control over compliance in accordance with Chapter 10.650, *Rules of the Auditor General*, of the State of Florida, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Bridges Correctional Treatment, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a State project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a State project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with the type of compliance requirement of a State project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses, or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may still exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and results of that testing based on the requirements of Chapter 10.650, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.

Borheck & Lane APC

Winter Park, FL
December 10, 2013

Schedule of Findings and Questioned Costs- Florida State Projects

For the Year Ended June 30, 2013

A. Summary of Auditor's Results

1. The auditor's report expresses an unqualified opinion on the basic financial statements of Bridges Correctional Treatment, Inc.
2. There were no significant deficiencies disclosed during the audit of the financial statements of Bridges Correctional Treatment, Inc.
3. No instances of noncompliance material to the financial statements of Bridges Correctional Treatment, Inc. were disclosed during the audit.
4. There were no significant deficiencies relating to the audit of the State projects.
5. The auditor's report on compliance with requirements that could have a direct and material effect on each of the major State projects for Bridges Correctional Treatment, Inc. expresses an unqualified opinion.
6. Our audit disclosed no findings required to be reported related to the State projects required to be disclosed under Chapter 10.650, *Rules of the Auditor General*.
7. The programs/projects tested as major programs/ projects included the following:

State Project

Substance Abuse Services Program
Dinsmore Work Release Center
Jacksonville, FL

Cocoa Work Release Center
Cocoa, FL

Daytona Work Release Center
Daytona Beach, FL

Santa Fe Work Release Center
Gainesville, FL

Lake City Work Release Center
Lake City, FL

State CSFA No.

Contract #C2729

Orlando Work Release Center
Orlando, FL

Atlantic Work Release Center
West Palm Beach, FL

West Palm Work Release Center
West Palm Beach, FL

Opa Locka Work Release Center
Opa-Locka, FL

Ft. Pierce Work Release Center
Ft. Pierce, FL

8. The threshold for distinguishing Type A and Type B programs was \$100,000 for major State projects.
9. No Summary of Schedule of Prior Audit Findings is required because this is the first year that they meet the Single Audit requirements.
10. No management letter is required because there were no findings required to be reported to management pursuant to Chapter 10.650, *Rules of the Auditor General*.
