INDEPENDENT AUDITORS' REPORT

To the Board of Directors,
Florida Coalition Against Domestic Violence, Inc. and Affiliate:

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Florida Coalition Against Domestic Violence, Inc. and affiliate, which comprise the consolidated statement of financial position as of June 30, 2017, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Florida Coalition Against Domestic Violence, Inc. and affiliate as of June 30, 2017, and the changes in their consolidated net assets and their consolidated cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance is presented for purposes of additional analysis as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.650, Rules of the State of Florida, Office of the Auditor General, and is not a required part of the consolidated financial statements. The accompanying additional information presented in the schedules on pages 18 through 20 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. The additional information and the schedule of expenditures of federal awards and state financial assistance is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 8, 2017 on our consideration of Florida Coalition Against Domestic Violence, Inc. and affiliate's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Florida Coalition Against Domestic Violence, Inc. and affiliate's internal control over financial reporting and compliance.

FLORIDA COALITION AGAINST DOMESTIC VIOLENCE, INC. AND AFFILIATE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2017

(1) Summary of Significant Accounting Policies:

The following is a summary of the more significant accounting policies and practices of Florida Coalition Against Domestic Violence, Inc. and affiliate (the "Organization") which affect significant elements of the accompanying consolidated financial statements:

(a) **Organization and Purpose**—Florida Coalition Against Domestic Violence, Inc. ("FCADV") is a Florida non-profit corporation located in Tallahassee, Florida. The primary purpose of the Organization is to empower women through the elimination of personal and institutional violence and oppression by advocating for social change through non-violence and nondiscriminatory alternatives. Florida Coalition Against Domestic Violence Foundation, Inc. (FCADVF) was formed on November 15, 2011. FCADVF was organized exclusively for charitable purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986 to support FCADV. FCADV and FCADVF share common management.

(b) **Principles of Consolidation**—The consolidated financial statements include the amounts from FCADV and FCADVF. FCADVF is consolidated since FCADV has both an economic interest in and control of FCADVF through management. All significant inter-company transactions and accounts are eliminated.

(c) **Property and Equipment**—Property and equipment acquired by the Organization are considered to be owned by the Organization. However, funding sources may maintain an equitable interest in the property purchased with grant monies as well as the right to determine the use of any proceeds from the sale of these assets. The Federal government has a reversionary interest in those assets purchased with its funds which have a cost of \$5,000 or more and an estimated useful life of at least one year. The State of Florida has a reversionary interest in those assets purchased with its funds which have a cost of \$1,000 or more and an estimated useful life of at least one year.

Property and equipment with a value greater than \$1,000 and an estimated useful life of at least one year are recorded at cost when purchased or at estimated fair value when contributed. Depreciation is computed using the straight-line method over the estimated useful life of the assets, ranging from five to thirty-nine years. Repairs and maintenance, which are not considered improvements and do not extend the useful life of the property and equipment, are expensed as incurred.

(d) **Income Taxes**—The Organization is generally exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes has been made in the accompanying consolidated financial statements. The Organization files income tax returns in the U.S. Federal jurisdiction. The Organization's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.

The Organization has reviewed and evaluated the relevant technical merits of each of its tax positions in accordance with accounting principles generally accepted in the United States of America for accounting for uncertainty in income taxes, and determined that there are no uncertain tax positions that would have a material impact on the consolidated financial statements.

(1) **Summary of Significant Accounting Policies:** (Continued)

(e) **Cash and Cash Equivalents**—For the purpose of reporting cash flows, cash and cash equivalents include cash on hand, amounts in demand deposits and short-term investments with original maturities of 90 days or less.

(f) **Use of Estimates**—The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(g) **Basis of Accounting**—The consolidated financial statements have been prepared on the accrual basis of accounting, and accordingly, reflect all significant receivables, payables, and other liabilities.

(h) **Basis of Presentation**—The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

(i) **Contributions**—All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. However, if a restriction is fulfilled in the same time period in which the contribution is received, the Organization reports the support as unrestricted.

(j) **Functional Allocation of Expenses**—The costs of providing the various services and other activities have been summarized on a functional basis in the Consolidated Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

(k) **Accrued Leave**—The Organization compensates its eligible employees for unused vacation leave upon termination of employment. Vacation leave is accrued as earned by eligible employees and recorded as an expense in the period earned.

(l) **Advertising**—Advertising costs are charged to operations as incurred. Advertising costs for the fiscal year ended June 30, 2017 were \$6,779.

(m) **Grants and Contracts Receivable**—Grants and contracts receivable are stated at the amount management expects to collect from balances outstanding at year-end. Based on management's assessment of the history with grantors and contractors having outstanding balances and current relationships with them, it has concluded that realization losses on balances outstanding at year-end will be immaterial.

FLORIDA COALITION AGAINST DOMESTIC VIOLENCE, INC. AND AFFILIATE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2017

(1) **Summary of Significant Accounting Policies:** (Continued)

(n) **Deferred Revenue**—The Organization records grant/contract receipts as deferred revenue until it is expended for the purpose of the grant/contract, at which time it is recognized as revenue. The balance in deferred revenue at June 30, 2017 represents amounts received under contracts that will be expended in the next fiscal year in accordance with the grant/contract period.

(o) **Revenue Recognition**—The Organization receives all of its grant and contract revenue from Federal, State and local agencies. The Organization recognizes grant/contract revenue (up to the contract ceiling) from its grants/contracts over a period which represents the service period for certain grants/contracts, or to the extent of expenses. Revenue recognition depends on the grant/contract.

(p) **Investments**— Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the consolidated statement of financial position. Unrealized gains and losses are included in the change in net assets as a component of investment return.

Investments are exposed to various risks such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the fair value of investments will occur in the near term and that such changes could materially affect the amounts reported in the consolidated statement of financial position.

(q) **Investment Policy**—The Organization's investment policy intends for the Organization to invest idle funds that are not needed for operations in investment accounts. The investments must be properly authorized and accurately accounted for. All investments are safeguarded against physical loss or misuse. The Organization targets a diversified asset allocation that places a greater emphasis on money markets accounts, certificates of deposit, treasury notes, mutual funds, corporate bonds, and corporate stocks. The investment accounts must be with a large asset management company that has a proven track record, low fees, and no investment violations.

(2) **Significant Funding Sources:**

The Organization receives a substantial amount of its funding from the U.S. Department of Health and Human Services, the U.S. Department of Justice and the Florida Department of Children and Families. A significant reduction in the level of this funding, if this were to occur, could have an adverse effect on the Organization's programs and activities.

(3) **Concentrations of Credit Risk:**

The more significant concentrations of credit risk are as follows:

(a) **Demand and Time Deposits**—The Organization maintains demand deposits with one bank. The Organization has no policy requiring collateral, although all demand and time deposits with the bank are Federally insured up to FDIC limits.

(b) **Grants and Contracts Receivable**—The Organization's grants and contracts receivable are for amounts due under grants/contracts with the State of Florida and Federal government agencies. The Organization has no policy requiring collateral or other security to support its grants and contracts receivable.

FLORIDA COALITION AGAINST DOMESTIC VIOLENCE, INC. AND AFFILIATE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2017

(4) Defined Contribution Plan:

The Organization sponsors a defined contribution pension plan. The Organization contributes a match of 100% to an eligible employee's contribution up to five percent of the eligible employee's annual salary. An eligible employee is an employee who has been employed full time for one year. Contributions to the plan for the year ending June 30, 2017 totaled \$90,513.

(5) Deferred Compensation Plan:

The Organization has a non-qualified deferred compensation plan for certain members of management. The deferred compensation accounts are shown as both assets and liabilities on the Organization's consolidated financial statements and are available to creditors in the event of the Organization's liquidation. Employer contributions were \$166,000 for the year ended June 30, 2017.

(6) Investments:

The Organization's investments at June 30, 2017 consist of marketable securities recorded at fair value as summarized below:

	Cost	Fair Value	Unrealized Gain (Loss)
Mutual funds	\$ 978,648	\$ 1,164,427	\$ 185,779

The following schedule summarizes the investment return in the Consolidated Statement of Activities for the year ended June 30, 2017:

Investment return	\$ 110,864
-------------------	------------

Investments in marketable securities with readily determinable fair values are reported at fair values in the Consolidated Statement of Financial Position.

(7) Fair Value Measurements:

On July 1, 2010, the Organization adopted the provisions of FASB ASC 820-10 which provides a framework for measuring fair value under generally accepted accounting principles. These standards define fair value, provide guidance for measuring fair value and require certain disclosures. These standards do not require any new fair value measurements, but rather apply to all other accounting pronouncements that require or permit fair value measurements. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The following is a brief description of the three levels within the fair value hierarchy that prioritize the inputs to valuation techniques:

- **Level 1:** Observable inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.

FLORIDA COALITION AGAINST DOMESTIC VIOLENCE, INC. AND AFFILIATE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2017

(7) **Fair Value Measurements:** (Continued)

- **Level 2:** Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities that are not active. Such inputs may include interest rates and yield curves, volatilities, prepayment speeds, credit risks, and default rates.
- **Level 3:** Unobservable inputs to measure fair value of assets and liabilities for which there is little, if any market activity at the measurement date, using reasonable inputs and assumptions based upon the best information at the time, to the extent that inputs are available without undue cost and effort.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2017.

Mutual funds– Valued at quoted market prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following is a summary of the valuation as of June 30, 2017 for the Organization's investments based upon the three levels defined above:

	<u>Fair Value</u>	<u>Quoted Prices (Level 1)</u>	<u>Significant Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Investments:				
Equities	\$ 1,164,427	\$ 1,164,427	\$ -	\$ -

(8) Property and Equipment:

The following is a summary of property and equipment at June 30, 2017:

Land and improvements	\$ 95,175
Building	623,568
Furniture and equipment	686,489
	<u>1,405,232</u>
Less: accumulated depreciation	634,351
Total	<u><u>\$ 770,881</u></u>

(9) Related Party Transactions and Balances:

Certain board members of the Organization are also Executive Directors of not-for-profit agencies that are service providers of the Organization. An independent oversight board that receives no compensation or funding from the Organization determines the allocation of Organization funds to all service providers. Service provider Executive Directors in no way make any allocation determinations. Expenses incurred and outstanding payables to these service providers for the year ended June 30, 2017 were \$7,532,606 and \$1,398,929, respectively. Account receivables due from these service providers for the year ended June 30, 2017 were \$2,025. These transactions were consummated on terms equivalent to those that prevail in arm's-length transactions.

(10) Long-term Debt:

Long-term debt consisted of the following at June 30, 2017:

5.0% note payable to bank, payable in monthly installments of \$2,766, including principal and interest, collateralized by a commercial office building, maturing August 2, 2025.	\$ 220,896
Less: Current portion	<u>22,515</u>
Long-term debt, less current portion	<u><u>\$ 198,381</u></u>

Principal maturities of long-term debt for each of the next five years and in the aggregate are:

<u>Year ending June 30,</u>	<u>Amount</u>
2018	\$ 22,515
2019	23,683
2020	24,890
2021	26,203
2022	27,563
Thereafter	96,042
Total	<u><u>\$ 220,896</u></u>

(11) **Matching Requirements:**

The Organization received a portion of its support through grants and contracts. Certain grants and contracts require the Organization to provide specified amounts of matching revenue. For each contract, where applicable, the Organization has met all matching requirements. Also, for each contract that ended on or before June 30, 2017, no obligation remains outstanding to the funding source.

(12) **Contingencies:**

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the Federal government and the State of Florida. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the Organization expects such amounts, if any, to be immaterial.

(13) **Recently Issued Accounting Pronouncements:**

The Financial Accounting Standards Board (FASB) issued new or modifications to, or interpretations of, existing accounting guidance. The Organization has considered the new pronouncements that altered accounting principles generally accepted in the United States of America, and other than as disclosed in the notes to the financial statements below, does not believe that any other new or modified principles will have a material impact on the Organization's reported financial position or operations in the near term.

In May 2014, the FASB issued Accounting Standards Update 2014-09: Revenue from Contracts with Customers, to clarify the principles used to recognize revenue for all entities. The new standard (as amended) is effective for fiscal years beginning after December 15, 2018 and may be adopted early. The Organization is currently evaluating the effect that implementation of the new standard will have on its financial position, results of operations, and cash flows.

In February 2016, the FASB issued Accounting Standards Update 2016-02: Leases (Topic 842), to increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on the Statement of Financial Position and disclosing key information about leasing arrangements. The new standard is effective for fiscal years beginning after December 15, 2019 and may be adopted early. The Organization is currently evaluating the effect that implementation of the new standard will have on its financial position, results of operations, and cash flows.

In August 2016, the FASB issued Accounting Standards Update 2016-14: Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities, to make improvements to the information provided in financial statements and accompanying notes of not-for-profit entities, including net asset classification requirements and the information presented about an entity's liquidity, financial performance, and cash flows. The new standard is effective for fiscal years beginning after December 15, 2017 and may be adopted early. The Organization is currently evaluating the effect that implementation of the new standard will have on its financial position, results of operations, and cash flows.

**FLORIDA COALITION AGAINST DOMESTIC VIOLENCE, INC. AND AFFILIATE
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND STATE
FINANCIAL ASSISTANCE
FOR THE YEAR ENDED JUNE 30, 2017**

Note 1. Basis of Presentation

The accompanying schedule of expenditures of Federal awards and State financial assistance includes the Federal awards and State financial assistance of Florida Coalition Against Domestic Violence, Inc. and affiliate under programs of the federal and state government for the year ended June 30, 2017 in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.650, Rules of the State of Florida, Office of the Auditor General. Because the Schedule presents only a selected portion of the operations of Florida Coalition Against Domestic Violence, Inc. and affiliate it is not intended to and does not present the financial position, changes in net assets, or cash flows of Florida Coalition Against Domestic Violence, Inc. and affiliate.

Note 2. Summary of Significant Accounting Policies

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowed or are limited as to reimbursement.

Notes 3. De Minimis Indirect Cost Rate Election

Florida Coalition Against Domestic Violence, Inc. and affiliate have elected not to use the 10 percent de minimis indirect cost rate as allowed under Uniform Guidance.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors,
Florida Coalition Against Domestic Violence, Inc. and Affiliate:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of Florida Coalition Against Domestic Violence, Inc. and affiliate (the "Organization"), which comprise the consolidated statement of financial position as of June 30, 2017, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 8, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND MAJOR STATE PROJECT AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE STATE OF FLORIDA, THE AUDITOR GENERAL

To the Board of Directors,
Florida Coalition Against Domestic Violence, Inc. and Affiliate:

Report on Compliance for Each Major Federal Program and State Project

We have audited Florida Coalition Against Domestic Violence, Inc. and affiliate's compliance with the types of compliance requirements described in the U.S. *Office of Management and Budget (OMB) Compliance Supplement* and the requirements described in the Department of Financial Services' State Projects Compliance Supplement, that could have a direct and material effect on each of Florida Coalition Against Domestic Violence, Inc. and affiliate's major federal programs and major State projects for the year ended June 30, 2017. Florida Coalition Against Domestic Violence, Inc. and affiliate's major federal programs and major State projects are identified in the summary of auditors' results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with Federal and State statutes, regulations, and the terms and conditions of its federal awards and state projects applicable to its federal programs and state projects.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Florida Coalition Against Domestic Violence, Inc. and affiliate's major federal programs and major state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.650, Rules of the State of Florida, Office of the Auditor General. Those standards, the Uniform Guidance, and Chapter 10.650, Rules of the State of Florida, Office of the Auditor General, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or major state project occurred. An audit includes examining, on a test basis, evidence about Florida Coalition Against Domestic Violence, Inc. and affiliate's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and major state project. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program and Major State Project

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and major state projects for the year ended June 30, 2017.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and major state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and major state project and to test and report on internal control over compliance in accordance with the Uniform Guidance, and chapter 10.650 Rules of the State of Florida, Office of the Auditor General but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a Federal program and State project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a Federal program and State project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a Federal program and State project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650, Rules of the State of Florida, Office of the Auditor General. Accordingly, this report is not suitable for any other purpose.
