## INDEPENDENT AUDITORS' REPORT

Board of Directors  
LifeStream Behavioral Center, Inc.  
Leesburg, Florida

We have audited the accompanying consolidated financial statements of LifeStream Behavioral Center, Inc. (a nonprofit organization) and Subsidiaries (the Center), which comprise the consolidated statements of financial position as of June 30, 2017, and the related consolidated statements of activities, changes in net assets, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**INDEPENDENT AUDITORS' REPORT**  
*(Concluded)*

**Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Center as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matters**

*Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on pages 21 to 30 is presented for purposes of additional analysis as required by the State of Florida Department of Children and Families, and is not a required part of the basic financial statements. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and Chapter 10.650 of the *Rules of the Auditor General of the State of Florida* is presented for purposes of additional analysis and is also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Prior Period Financial Statements**

The financial statements of the prior period were audited by a predecessor auditor, whose report dated October 26, 2016, expressed an unmodified opinion.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 15, 2017, on our consideration of the Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control over financial reporting and compliance.

**LIFESTREAM BEHAVIORAL CENTER, INC. AND SUBSIDIARIES**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**JUNE 30, 2017 AND 2016**

**A. Reporting Entity and Related Organizations**

*Organization and Purpose*—Lake/Sumter Community Mental Health Center, Inc. was formed to provide comprehensive alcohol, drug abuse and mental health services to the residents of Lake and Sumter Counties in 1971. Effective November 1, 1993, the name was changed to LifeStream Behavioral Center, Inc. (LifeStream). LifeStream provides acute inpatient psychiatric and substance abuse disorder care in its hospital facilities and a comprehensive array of residential, case management, psychiatric and therapy services, exceptional education schooling, and homeless services throughout Lake, Sumter, and Orange Counties. LifeStream is a not-for-profit corporation licensed in the State of Florida and is accredited by the Commission on Accreditation of Rehabilitation Facilities.

The accompanying consolidated financial statements include the assets, liabilities, net assets, and financial activities of three related entities: Lake Region Homes, Inc. (LRH), LifeStream Behavioral Center Foundation, Inc. (the Foundation), and Anthony House, Inc. The consolidated entity is referred to as the Center through the financial statements.

LRH, a nonprofit corporation, was established for the purpose of constructing and operating a living facility used exclusively for clients of LifeStream. The facility was constructed from the proceeds of a Department of Housing and Urban Development (HUD) Section 202, mortgage and is subsidized from HUD Section 8 housing allowances.

LifeStream Behavioral Center Foundation, Inc. was established in 1989. The Foundation is a not-for-profit corporation and was formed for the purpose of providing additional funds for LifeStream's facilities and services. Certain members of the Board of Directors (the Board) of LifeStream also serve on the Board of the Foundation.

Anthony House, Inc. is a not-for-profit corporation and was formed for the purpose of providing shelter and rehabilitative services for the homeless. Anthony House, Inc. was acquired by LifeStream Behavioral Center, Inc. on June 9, 2010.

**B. Summary of Significant Accounting Policies**

*Basis of Accounting*—These financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The consolidated financial statements present the financial position, activities, changes in net assets, and cash flows of LifeStream, the Foundation, LRH, and Anthony House. Significant inter-organizational transactions and balances between the entities have been eliminated.

The costs related to the administration of the Center's programs are summarized in the consolidated statements of activities. Personnel and operating expenses that are associated with a specific program are charged directly to that program. Personnel and operating expenses that benefit more than one program are allocated to the various programs based on the relative benefit provided. Administrative expenses represent indirect costs of administrating these programs.

*Financial Statement Presentation*—The Center presents its financial statements under *Accounting Standards Codification* (ASC) 958-205. The Center is required to report information regarding its financial position and activities according to three classes of net assets as follows:

**LIFESTREAM BEHAVIORAL CENTER, INC. AND SUBSIDIARIES**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**JUNE 30, 2017 AND 2016**  
*(Continued)*

**B. Summary of Significant Accounting Policies *(Continued)***

- *Unrestricted Net Assets*—Net assets that are not subject to donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors or may otherwise be limited by contractual agreements with outside parties.
- *Temporarily Restricted Net Asset*—Net assets whose use by the Center is subject to donor imposed stipulations that can be fulfilled by actions of the Center pursuant to those stipulations or that expire by the passage of time.
- *Permanently Restricted Net Assets*—Net assets subject to donor-imposed stipulations that they be maintained permanently by the Center. Generally, the donors of these assets permit the Center to use all or part of the investment return on these assets. Such assets consist of the Anthony House's restricted land. The Center has no endowments funds.

Revenues are reported as increases in unrestricted net assets unless they are restricted by donor-imposed stipulations. Expenses are generally reported as decreases in unrestricted net assets. Satisfaction of donor-imposed stipulations that simultaneously increase unrestricted net assets and decrease temporarily restricted assets are reported as reclassifications. Temporarily restricted revenue received and expended during the same fiscal year is recorded as unrestricted revenue and expense in the statement of activities.

*Use of Estimates*—The preparation of consolidated financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

*Cash and Cash Equivalents*—Cash and cash equivalents include all investments purchased with an original maturity of ninety days or less which have virtually no risk of loss of value of the principal amount of the investments.

*Investments*—The Center uses a fair value hierarchy established by GAAP that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels in the fair value hierarchy are:

- **Level 1**—Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- **Level 2**—Quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs that are observable, either directly or indirectly, for substantially the full term of the assets or liabilities.
- **Level 3**—Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (that is, the inputs are supported by little or no market activity).

**LIFESTREAM BEHAVIORAL CENTER, INC. AND SUBSIDIARIES**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**JUNE 30, 2017 AND 2016**  
*(Continued)*

**B. Summary of Significant Accounting Policies *(Continued)***

A financial instrument's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

*Inventories*—Inventories of supplies are stated at the lower of cost or market determined by the first-in, first-out method.

*Restricted Deposits*—Under regulatory agreement, LRH is required to set aside amounts for the replacement of property and other LRH expenditures approved by HUD. HUD-restricted deposits, which were \$44,625 and \$40,105 at June 30, 2017 and 2016, respectively, are held in separate accounts and generally are not available for operating purposes. The Center and LRH also hold restricted security deposits of \$14,167 and \$1,645, respectively.

*Intangible Assets*—Intangible assets consist of costs associated with obtaining certificates of need and loan costs that have been capitalized and are being amortized by the straight-line method over the terms of either 10 to 40 years or the related notes payable. Accumulated amortization amounted to \$347,247 and \$326,778 at June 30, 2017 and 2016, respectively.

*Property and Equipment*—Property and equipment are recorded at cost. Donated property and equipment are recorded at their estimated market value on the date of contribution. Expenditures which equal or exceed \$1,000 that materially increase values, change capacities, or extend useful lives are capitalized, as are interest costs during the period of construction for such expenditures.

*Interest Rate Swap*—The Center has adopted ASC 815, *Derivatives, and Hedging*. This codification establishes accounting and reporting standards requiring that derivative instruments be recorded at fair value and included in the consolidated statement of financial position as assets or liabilities. The Center uses interest rate swaps to manage risks related to interest rate movements. Interest rate swap contracts are reported at fair value.

*Public Support*—Public support revenue from government grants is recorded based upon the terms of the grantor allotment, which generally provides that revenue is earned when the allowable costs of the specific grant provisions have been incurred or the performance of services rendered. Such revenue is subject to audit by the grantor and, if the examination results in a deficiency of allowable expenses, the Center will be required to refund any deficiencies. Management is of the opinion that all monies recognized as public support have been earned as of June 30, 2017 and 2016. These amounts are reflected as unrestricted as the amounts are received and expended in the same year.

*Accounts Receivable*—Accounts receivable from patients are reduced by contractual allowances and an allowance for uncollectable accounts. In evaluating the collectability of accounts receivable, the Center analyzes historical trends for each of its major payer sources. For accounts receivable associated with services provided to patients who have third-party coverage, the Center analyzes the collectability of the related contractually due amounts as well as analyzes the collectability of co-pays and deductibles due from the specific patients receiving those services. For accounts receivable associated with self-pay patients, LifeStream records significant provisions for bad debts in the period in which the service is performed on both the basis of historical trends as well as specific patient related collectability information. Management regularly reviews data about all payer sources of revenues to estimate the appropriate allowance for doubtful accounts and the provision of bad debts.

**LIFESTREAM BEHAVIORAL CENTER, INC. AND SUBSIDIARIES**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**JUNE 30, 2017 AND 2016**  
*(Continued)*

**B. Summary of Significant Accounting Policies (Concluded)**

Annually the Center reviews its gross charge master and any resulting changes are approved by its Board of Directors. Differences between gross charges and contractual rates as well as the differences between gross charges and negotiated rates are written off at the time of service. Differences between contractual or negotiated accounts receivable along with co-pay, deductible, and self-pay accounts receivable are further written off at the time of service to the estimated amounts collectable as charges against the allowable for uncollectable accounts. Further collectability related adjustments to accounts receivable are also charged against the allowable for uncollectable accounts for bad debts resulting after all reasonable collection efforts have been exhausted.

*Net Patient Service Revenue*—Net patient service revenue is reported at the net realizable amounts from patients, third-party payers and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Patient service revenue for private pay services is recorded on a sliding fee scale. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

*Charity Care*—Under the charity care policy, which is based upon federal poverty guidelines, the Center provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Center does not pursue collection of amounts determined to qualify as charity care, it is not reported as revenue. Unreimbursed charity care provided is excluded from gross patient service revenue. Such unreimbursed charges amounted to \$3,883,007 and \$4,201,261 for the years ended June 30, 2017 and 2016, respectively.

Annually, the Center also updates its sliding fee scale in coordination with the annual publication of the Federal Poverty Guidelines and the requirements of Chapter 65e-14 *Florida Administrative Code*. The resulting sliding fee discounts in co-pays for qualifying patients are recorded at the time of service.

*In-kind Contributions*—Revenues from in-kind contributions (primarily donated facilities and donated prescription drugs) are recognized as received based on the fair market value of the contribution. The fair market value of donated facilities was \$51,920 for the years ended June 30, 2017 and 2016. The fair market value of donated prescription drugs was \$4,718,683 and \$3,633,565 for the years ended June 30, 2017 and 2016, respectively.

*Income Taxes*—LifeStream, the Foundation, LRH, and Anthony House were organized as not-for-profit organizations described under Section 501(c)(3) of the Internal Revenue Code and are exempt from Federal and state income taxes on related income pursuant to Section 501(a) of the Internal Revenue Code and Chapter 220.13 of the Florida Statutes, respectively.

*Advertising Costs*—Advertising costs are expensed when incurred.

*Subsequent Events*—The Center has evaluated subsequent events through December 15, 2017, the date the financial statements were available to be issued. No subsequent events occurred that resulted in adjustments to the financial statements.

<b>Net Property and Equipment</b>	<b><u>\$ 19,173,075</u></b>	<b><u>\$ 20,132,110</u></b>

Depreciation is computed using the straight-line method over the estimated useful lives of the related assets. Depreciation expense was \$1,301,914 and \$1,250,154 for the years ended June 30, 2017 and 2016, respectively. Estimated useful lives of property and equipment range as follows:

Building and Improvements	3 - 40 years
Furniture and Equipment	3 - 20 years

Certain fixed assets of the Center were purchased with Federal, state and local government support. As a result, if such assets are disposed, the granting agency that participated in the funding of the purchase has a contractual right to participate in the proceeds from the disposition. The historical cost and net book value of all such assets are recorded at June 30, 2017, as \$3,293,807 and \$2,334,879, respectively. The historical cost and net book value of all such assets recorded at June 30, 2016, was \$3,293,807 and \$2,448,694, respectively.

**D. Investments**

The investments are presented in the financial statements at fair value using level 1 fair value measures, except for the Privately Held Common Stock, which uses level 3 fair value measures and is valued based on the equity per share method, which was sold during the fiscal year. At June 30, 2017 and 2016, investments consisted of the following:

**JUNE 30, 2017 AND 2016**

**I. Interest Rate Swap Agreement**

The Center used variable-rate debt to finance the construction of the Hospital. The debt obligations expose the Center to variability in interest payments due to changes in interest rates. Management believes it is prudent to limit the variability of its interest payments. To meet this objective, management entered into interest rate swap agreements to manage fluctuation in cash flows resulting from interest rate risk. These swaps changed the variable rate cash flows exposure on the debt obligations to fixed-cash flows. Under the terms of the interest rate swaps, the Center receives variable interest rate payments and makes fixed interest payments, thereby creating the equivalent of fixed-rate debt.

By using a derivative financial instrument to hedge its exposure to changes in interest rates, the Center exposes itself to credit risk and market risk. Credit risk is the failure of the counterparty to perform under the terms of the derivative contract. When the fair value of a derivative contract is positive, the counterparty owes the Center, which creates credit risk for the Center. When the fair value of a derivative contract is negative, the Center owes the counterparty and, therefore, it does not possess credit risk. The Center minimizes the credit risk in derivative instruments by entering into transactions with high-quality counterparties.

Market risk is the adverse effect on the value of a financial instrument that results from a change in interest rates. The market risk associated with interest-rate contracts is managed by establishing the monitoring parameters that limit the types and degree of market risk that may be undertaken.

On August 20, 2007, the Center entered into a \$7,000,000 U.S. Dollar Rate Swap Transaction with an effective date of January 1, 2008, and a termination date of July 1, 2028. The swap was executed with the purpose of fixing the rate on the bonds issued by the City of Tavares, Florida. Under the terms of the agreement, the Center pays a fixed rate of 4.84% to Bank of America on a monthly basis and, in return, Bank of America pays the Center 63.7% of the monthly LIBOR rate plus 1.15%. At June 30, 2017 and 2016, the swap contract had a notional amount of \$4,696,879 and \$5,007,325, respectively. The difference between interest earned and the interest obligation accrued is received or paid the first day of each month and is recorded as interest expense. The net gain (loss) on the swap at June 30, 2017 and 2016, was \$315,813 and (\$112,074), respectively.

On December 29, 2003, the Center entered into a \$2,600,000 U.S. Dollar Rate Swap Transaction with an effective date of December 29, 2003, and a termination date of December 29, 2018. Under the terms of the agreement, the Center pays a fixed rate of 3.185% to Bank of America on a monthly basis and, in return, Bank of America pays the Center 63.7% of the monthly LIBOR rate plus 1.335%. At June 30, 2017 and 2016, the swap contract had a notional amount of \$342,323 and \$559,145, respectively. The difference between interest earned and the interest obligation accrued is received or paid the first day of each month and is recorded as interest expense. The net gain (loss) on the swap at June 30, 2017 and 2016, was \$14,662 and \$38,516, respectively.

**I. Interest Rate Swap Agreement (Concluded)**

On July 17, 2013, the Center entered into a \$1,400,000 U.S. Dollar Rate Swap Transaction with an effective date of July 24, 2013, and a termination date of August 5, 2028. Under the terms of the agreement, the Center pays a fixed rate of 4.86% to Branch Banking and Trust Co. (BB&T) on a monthly basis and, in return, BB&T pays the Center the monthly LIBOR rate plus 1.85%. At June 30, 2017 and 2016, the swap contract had a notional amount of \$1,132,216 and \$1,206,872, respectively. The difference between interest earned and the interest obligation accrued is received or paid the fifth day of each month and is recorded as interest expense. The net gain (loss) on the swap at June 30, 2017 and 2016, was \$84,396 and (\$68,675), respectively.

**J. Deferred Payment Loan**

In December 2001, the Center entered into an agreement with the Sumter County Board of County Commissioners (the County) under the County's Sumter County State Housing Initiative Partnership (SHIP) Program. Under the SHIP Program, the Center received \$200,000 through a deferred payment loan. This loan has no required principal payments and does not accrue interest, as long as the Center continues to comply with the conditions set by the County, which primarily state that the property purchased with the loan continues to be used in accordance with the SHIP Program requirements. In addition, the principal of the loan will be forgiven at the rate of 7% each year beginning in 2004, provided the aforementioned conditions continue to be met. At June 30, 2017, in compliance with program requirements, the Center reduced outstanding principal by \$12,000, which reduces the deferred payment loan to an outstanding balance of \$14,000.

**K. Net Patient Service Revenue**

*Revenue and Deductions*—Gross patient service revenue is recorded on the accrual basis in the period in which services are provided, at the Center's established rates, except for patient service revenue for private pay patients, which is recorded on a sliding fee scale. Contractual adjustments are recorded as deductions from gross patient service revenue to determine net patient service revenue. Net patient service revenue for the years ended June 30, 2017 and 2016, consist of the following:

	<u>2017</u>	<u>2016</u>
Gross Patient Service Revenue	\$ 60,856,151	\$ 57,108,966
(Less Provisions for Contractual)	(45,374,303)	(41,832,610)
Net Patient Service Revenue	<u>\$ 15,481,848</u>	<u>\$ 15,276,356</u>

The Center contracts with the Department of Children and Families (DCF) for the provision of mental health and substance use disorder services for children and adults on an availability basis and on a per unit basis, as defined in the contract. The gross patient service revenue for patients who receive program benefits under this DCF grant is reflected as gross revenue with corresponding deductions/write-offs necessary to adjust this amount to net realizable value.

*Medicare and Medicaid*—The Medicare program pays the Center for inpatient services on the "Prospective Payment System," subject to certain limitations. The Medicare and Medicaid programs reimburse the Center on a per visit basis for outpatient and certain inpatient services. Medicare and Medicaid patient service revenue as a percentage of gross patient service revenue approximates 20% and 9% for the years ended June 30, 2017 and 2016, respectively.

**K. Net Patient Service Revenue *(Concluded)***

Final determination of amounts earned pursuant to the Medicare and Medicaid programs is subject to review by appropriate governmental authorities or their agents. Cost reports through the year ended June 30, 2016, have been audited and final settlement has been determined. The cost reports for the year ended 2017 have not been audited. The provisions for cost report settlements for 2017 are based on management's estimates of allowable costs and fee schedules. In the opinion of management, adequate provision has been made for any adjustments that may result from such reviews.

**L. Retirement Plan**

The Center sponsors a defined contribution retirement plan covering substantially all employees, which is based on attainment of age 21 and the completion of one year of service. The Center's contribution to the Plan is at the Board's sole discretion and was approximately \$802,456 and \$668,379 for the years ended June 30, 2017 and 2016, respectively.

**M. Compensated Absences**

Each permanent full time employee earns paid time off for vacation, sickness, and holidays based on tenure. Employees may accumulate up to 160 hours of paid time off. Eligible employees who end their employment with the Center are reimbursed for each day of accumulated leave.

**N. Related Party Balances and Transactions**

The Center purchased supplies from a vendor with a relationship to a Board member. The transactions were consummated at arm's length. The Center purchased \$202,930 and \$126,545 worth of supplies and furniture for fiscal years ended 2017 and 2016, respectively, and as of year-end owed \$14,140 and \$32,034 to the vendor for fiscal years ended 2017 and 2016, respectively.

The Center leases property to/from a vendor with a relationship to a board member. The transactions were consummated at arm's length. The Center paid rent of \$11,965 and received rent of \$25,950.

The Center purchased a certificate of deposit from a bank with a relationship to a Board member. The transaction was consummated at arm's length. The value of the certificate of deposit is \$250,000.

**O. Commitments and Contingencies**

*Litigation*—Management is aware of litigation claims or actions pending against the Center arising out of the ordinary course of business. However, these claims are within the professional liability policy limits. Therefore, no accrual for possible losses attributable to these incidents has been made.

**P. Concentrations of Credit Risk**

The Center grants credit without collateral to its patients. Most are local residents and are insured under third-party payer agreements. The Center has not experienced significant losses related to receivables from individual payers or groups of payers. Due to these factors, management believes no additional credit risk beyond amounts provided for collection losses is inherent in the Center's patient accounts receivable.

**S. Dependency on Government Support**

The Center receives a substantial amount of support from federal, state, and local government agencies. A reduction in the level of future federal, state, or local support could have a substantial effect on the Center's programs and activities.

**T. Contingencies**

LifeStream entered into a capitated contract with Beacon Health Strategies, LLC (BHS) effective January 1, 2015, to provide treatment for mental health and substance use disorder. The contract is for a three-year period with an automatic two-year extension unless terminated with a ninety-day notice. The contract includes various provisions, including a minimum maintenance of effort level, which if not met, requires remedial actions to take place.

Under the terms of the contract, patients that are covered by mental health and substance use disorders under a health plan are considered members covered under the contract. If a patient is deemed not covered under the contract, then prior authorization from BHS is required to qualify under the contract, unless it is for emergency services. The contract states that LifeStream shall have the ability to obtain authorization twenty-four hours a day, seven days a week for each day of the calendar year. Under the contract, BHS is not liable for payment of services for those who have not received authorization, unless it is for emergency services.

**U. Equity Investment**

The Corporation along with other similar not-for-profit organizations invested \$15,000 for 15 shares of stock in Florida Premier Health Plan, Inc. (FPHP). FPHP was formed as a for-profit corporation by the Florida Council for Community Mental Health, Inc. to organize a provider service network.

Additionally, the Corporation invested \$75,000 for 150 Class C stock shares and \$1,575 for 3 Class D stock shares in Mental Health Risk Retention Group, Inc. (MHRRG). MHRRG was formed as a for-profit organization by the Mental Health Corporations of America and National Council for Behavioral Health to create alternative liability insurance options for community behavioral health organizations.

**V. Affiliation with Other Organizations**

On January 1, 2015, LifeStream entered into an affiliation agreement with Meridian Behavioral Healthcare, Inc. Each entity is a Florida nonprofit corporation, which together with their respective subsidiaries and affiliates, will be referred to as Progress Health System. The Board of Directors of Progress Health System consists of an equal number of representatives from each of the affiliate corporations' Boards. The affiliation was organized for the purpose of enhancing the level and quality of services to clients in their respective communities in a cost-effective manner through the sharing of certain administrative functions while also providing a platform for providing a broader range of services on a regional basis.

**W. Subsequent Event**

In October 2017, Bank of America, the holder of the LSBC bonds of \$4,696,879 and swap of \$651,200, notified the Center that the bonds needed to be moved to another bond holder or would be called. The bond agreement provided the right of the bond holder to call the debt on or after November 30, 2014. Management expects to move or refinance the bonds before June 30, 2018.

**AWARDS AND STATE FINANCIAL ASSISTANCE**  
**YEAR ENDED JUNE 30, 2017**

**A. Basis of Accounting**

Federal and state assisted programs administered by LifeStream Behavioral Center, Inc. and Subsidiaries (the Center) are accounted for within the Center's operating funds. The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance has been prepared on the same basis of accrual accounting as the financial statements of the Center.

**B. Indirect Cost Rate**

LifeStream Behavioral Center, Inc. has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance, unless otherwise specified.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN  
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
LifeStream Behavioral Center, Inc.  
Leesburg, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of LifeStream Behavioral Center, Inc. (a nonprofit organization) and Subsidiaries (the Center) which comprise the statement of financial position as of June 30, 2017, and the related statement of activities, changes in net assets and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 15, 2017.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN  
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH *GOVERNMENT AUDITING STANDARDS*  
(*Concluded*)**

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance for Each Major Federal Program and State Project**

We have audited LifeStream Behavioral Center, Inc. (a nonprofit organization) and Subsidiaries (the Center) compliance with the types of compliance requirements described in the OMB *Compliance Supplement and the Department of Financial Services' State Project Compliance Supplement*, that could have a direct and material effect on each of the Center's major federal programs and state projects for the year ended June 30, 2017. The Center's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with federal and state statutes, regulations, and the terms and conditions of its federal and state awards applicable to its federal programs and state projects.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of the Center's major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.650 of the *Rules of the Auditor General*. Those standards, the Uniform Guidance and Chapter 10.650 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program and state project occurred. An audit includes examining, on a test basis, evidence about the Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of the Center's compliance.

FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL  
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND  
CHAPTER 10.650 OF THE RULES OF THE AUDITOR GENERAL  
(Concluded)**

**Opinion on Each Major Federal Program and State Project**

In our opinion, the Center complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state project for the year ended June 30, 2017.

**Report on Internal Control Over Compliance**

Management of the Center is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Center's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program and state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program and state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program and state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650. Accordingly, this report is not suitable for any other purpose.

## MANAGEMENT LETTER

Board of Directors  
LifeStream Behavioral Center, Inc.  
Leesburg, Florida

### Report on the Financial Statements

We have audited the financial statements of the LifeStream Behavioral Center, Inc. and Subsidiaries (the Center), as of and for the fiscal year ended June 30, 2017, and have issued our report thereon dated December 15, 2017.

### Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards* (Uniform Guidance); and Chapter 10.650 of the *Rules of the Auditor General*.

### Other Reports and Schedule

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*, Independent Auditors' Report on Compliance for Each Major Federal Program and State Project and Report on Internal Control over Compliance in accordance with Uniform Guidance, and Chapter 10.650 of the *Rules of the Auditor General*; and Schedule of Findings and Questioned Costs. Disclosures in those reports and schedule, which are dated December 15, 2017, should be considered in conjunction with this management letter.

### Additional Matter

Section 10.654(1)(e), *Rules of the Auditor General*, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements or State project amounts that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

### Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Directors, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.
