## INDEPENDENT AUDITORS' REPORT

To the Board of Directors,  
Devereux Community Based Care, Inc.:

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Devereux Community Based Care, Inc., which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Devereux Community Based Care, Inc. as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## ***Other Matters***

### ***Other Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance is presented for purposes of additional analysis as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and section 215.97, Florida Statutes, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards and State Financial Assistance is fairly stated in all material respects in relation to the financial statements as a whole.

## **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 4, 2018, on our consideration of Devereux Community Based Care, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Devereux Community Based Care, Inc.'s internal control over financial reporting and compliance.

**DEVEREUX COMMUNITY BASED CARE, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2018 AND 2017**

(1) **Summary of Significant Accounting Policies:**

(a) **General**—Devereux Community Based Care, Inc., a Florida not-for-profit corporation (the Organization), was formed on September 5, 2012 and started operations on November 1, 2013. The Organization has been operating under a contract with the Florida Department of Children and Families (DCF) to administer, integrate, coordinate, and assure the delivery of child protection services, emergency shelter, in-home protective services, relative care placements, foster care, foster care supervision, intensive residential treatment, independent living, family reunification, and adoption and appropriate related services in Indian River, Martin, Okeechobee and St. Lucie counties. Effective July 1, 2018, Devereux Community Based Care, Inc. changed its name to Communities Connected for Kids, Inc.

(b) **Basis of financial reporting**—The Organization’s financial statements have been prepared on the accrual basis. The Organization is required to report information regarding its financial position and activities according to three classes of net assets:

*Unrestricted net assets*—Net assets that are not subject to donor-imposed restrictions.

*Temporarily restricted net assets*—Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time.

*Permanently restricted net assets*—Net assets subject to donor-imposed stipulations that will not be met by either actions of the Organization or the passage of time.

The Organization has no permanently or temporarily restricted net assets at June 30, 2018 and 2017, and all support and revenue is considered unrestricted for the years ended June 30, 2018 and 2017.

(c) **Contributions**—Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the financial statements as net assets released from restrictions. Contributions received with temporary restrictions that are met in the same reporting period are reported as unrestricted support and increase unrestricted net assets. Contributed property and equipment is recorded at fair value at the date of donation.

(d) **Cash and cash equivalents**—The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

(e) **Restricted cash and cash equivalents**—Restricted cash and cash equivalents include Social Security client trust funds held by the Organization for current needs for children receiving protection, shelter and supervision services. These funds are required to be maintained in a separate bank account.

**DEVEREUX COMMUNITY BASED CARE, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2018 AND 2017**

(1) **Summary of Significant Accounting Policies:** (Continued)

(f) **Income taxes**—The Organization is a nonprofit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes is reflected in the accompanying financial statements.

The Organization files income tax returns in the U.S. federal jurisdiction. The Organization's income tax return for the past year three years are subject to examination by tax authorities, and may change upon examination. The Organization has reviewed and evaluated the relevant technical merits of each of its tax positions in accordance with accounting principles generally accepted in the United States of America for accounting for uncertainty in income taxes, and determined that there are no uncertain tax positions that would have a material impact on the financial statements of the Organization.

(g) **Use of estimates**—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimates.

(h) **Property and equipment**—Property and equipment acquired by the Organization is considered to be owned by the Organization. However, funding sources may maintain an equitable interest in the property purchased with grant monies as well as the right to determine the use of any proceeds from the sale of these assets. The State of Florida has a reversionary interest in those assets purchased with its funds that have a cost of \$1,000 or more and an estimated useful life of at least one year. The Federal Government has a reversionary interest in those assets purchased with its funds that have a cost of \$5,000 or more and an estimated useful life of at least one year.

Property and equipment with a value greater than \$1,000 and an estimated useful life of at least one year is recorded at cost when purchased or at estimated fair value when contributed. Depreciation is computed using the straight-line method over the estimate useful life of the assets, ranging from three to seven years. Repairs and maintenance are expensed as incurred.

(i) **Functional allocation of expenses**—The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

(j) **Donated services and materials**—Contributed services that qualify as specialized services and donated items are recorded at their estimated fair value at the date of receipt. Volunteer services provided to the Organization to carry out its mission do not meet the criteria used to record donated services; therefore, they have not been recorded in the financial statements.

(k) **Subsequent events**—The Organization has evaluated events and transactions for potential recognition or disclosure in the financial statements through December 4, 2018, the date the financial statements were available to be issued.

(l) **Recently issued accounting pronouncements**—The Financial Accounting Standards Board (FASB) issued new or modifications to, or interpretations of, existing accounting guidance during the year ended June 30, 2018. The Organization has considered the new pronouncements that altered accounting principles generally accepted in the United States of America, and other than as disclosed in the notes to the financial statements below, does not believe that any other new or modified principles will have a material impact on the Organization's reported financial position or operations in the near term.

**DEVEREUX COMMUNITY BASED CARE, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2018 AND 2017**

(1) **Summary of Significant Accounting Policies:** (Continued)

In May 2014, the FASB issued Accounting Standards Update 2014-09: Revenue from Contracts with Customers, to clarify the principles used to recognize revenue for all entities. The new standard (as amended) is effective for fiscal years beginning after December 15, 2018 and may be adopted early. The Organization is currently evaluating the effect that implementation of the new standard will have on its financial position, results of operations, and cash flows. The Organization plans to adopt the new standard effective July 1, 2019, and will continue to monitor additional changes, modifications, clarifications or interpretations being undertaken by the FASB.

In February 2016, the FASB issued Accounting Standards Update 2016-02: Leases (Topic 842), to increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on the balance sheet and disclosing key information about leasing arrangements. The new standard is effective for fiscal years beginning after December 15, 2019 and may be adopted early. The Organization is currently evaluating the effect that implementation of the new standard will have on its financial position, results of operations, and cash flows.

In August 2016, the FASB issued Accounting Standards Update 2016-14: Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities, to make improvements to the information provided in financial statements and accompanying notes of not-for-profit entities, including net asset classification requirements and the information presented about an entity's liquidity, financial performance, and cash flows. The new standard is effective for fiscal years beginning after December 15, 2017 and may be adopted early. The Organization is currently evaluating the effect that implementation of the new standard will have on its financial position, results of operations, and cash flows.

In June 2018, the FASB issued Accounting Standards Update 2018-08: Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made, to clarify whether a transaction should be considered a contribution or an exchange transaction and to determine whether a contribution is conditional. The new standard is effective for fiscal years beginning after December 15, 2018 and may be adopted earlier. The Organization is currently evaluating the effect that implementation of the new standard will have on its financial position, results of operations, and cash flows.

(2) **Contingencies:**

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the Federal government and the State of Florida. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although Devereux Community Based Care, Inc. expects such amounts, if any, to be immaterial.

(3) **Concentration of Credit Risk:**

Significant concentrations of credit risk for all financial instruments owned by the Organization for the year ended June 30, 2018, are as follows:

(a) **Cash in bank**—The Organization has demand deposits with a regional bank amounting to \$4,019,498 and \$3,362,929 at June 30, 2018 and 2017, respectively. Uninsured balances totaled \$3,769,498 and \$3,112,929 at June 30, 2018 and 2017, respectively. Custodial credit risk for deposits is the risk that in the event of a bank failure, the Organization's deposits may not be returned. The Organization's deposits at each financial institution are federally insured by FDIC up to \$250,000.

**DEVEREUX COMMUNITY BASED CARE, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2018 AND 2017**

**(4) Line of Credit:**

The Organization has a line of credit with The Devereux Foundation, a related party, which allows borrowings up to \$500,000, with an interest rate equal to the one-month London Interbank Offered Rate (LIBOR) (2.09% and 1.22% at June 30, 2018 and 2017, respectively) plus a margin of 1.00%. There were no advances on this line at June 30, 2018 and 2017. The line of credit was not renewed after June 30, 2018.

**(5) Furniture and Equipment:**

Furniture and equipment consist of the following as of June 30, 2018 and 2017:

	2018	2017
Furniture and equipment	\$ 280,271	\$ 191,683
Accumulated depreciation	(160,712)	(107,618)
Net furniture and equipment	\$ 119,559	\$ 84,065

Depreciation expense for the years ended June 30, 2018 and 2017 was \$53,094 and \$29,202, respectively.

**(6) Other Assets – Child Welfare Trust:**

The Child Welfare Trust (the “Trust”) was formed by limited partners and is a risk pool formed to provide assets to meet the obligations of the prepaid mental health program. Each partner made an initial contribution to the Trust at the time they began participating in the partnership. The Organization made an initial contribution of \$50,000 in the year ended June 30, 2014 and is included in other non-current assets on the accompanying statements of financial position. The Organization shares in this risk pool based on their respective ownership percentage. The Organization may be required to fund the risk pool on an annual basis based on the medical loss ratio. Quarterly, the general partner makes a determination whether the assets held in the risk pool are sufficient to meet the obligations of the prepaid mental health program in the Organization’s service areas. If funding of the risk pool is required, the Organization may be required to utilize unrestricted funds as it is not a chargeable expense under the grant agreement with the State of Florida, Department of Children and Families as discussed in Note 1(a). Since the Organization has no ability to influence the operating or financial policies of the Trust, the cost method is used to account for its ownership in the Trust. Under the cost method, the Organization records income only to the extent of distributions received. For the years ended June 30, 2018 and 2017, the Organization was not required to make any additional contributions. For the years ended June 30, 2018 and 2017, the Organization received distributions from the trust of \$100,000 and \$80,000, respectively, which is included in other revenue in the accompanying financial statements.

**(7) Significant Funding Source:**

The Organization receives approximately 53% of its funding from the U.S. Department of Health and Human Services that is passed through the State of Florida Department of Children and Families and approximately 46% of its funding directly from the State of Florida Department of Children and Families. A significant reduction in the level of this funding, if this were to occur, could have an adverse effect on the Organization’s programs and activities.

**DEVEREUX COMMUNITY BASED CARE, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2018 AND 2017**

**(8) Operating Leases:**

The Organization leases certain office space under operating leases expiring in various years through 2023. Minimum future rental payments under noncancelable operating leases having remaining terms in excess of one year as of June 30, 2018, for each of the next five years and in the aggregate are:

Year Ending June 30,	Amount
2019	\$ 838,349
2020	717,981
2021	667,051
2022	673,252
2023	660,079
Total	\$ 3,556,712

Total rent expense for the years ended June 30, 2018 and 2017, was approximately \$930,000.

**(9) Related Party Transactions:**

For the year ended June 30, 2018, the Organization was affiliated with The Devereux Foundation d/b/a Devereux Advanced Behavioral Health (Devereux), a not-for-profit corporation, designated by the Internal Revenue Service as an educational facility and health care organization, with a nationwide network of behavioral health treatment centers for children, adolescents, and adults with complex emotional, psychiatric, and developmental disabilities; including individuals with autism spectrum disorders. The Organization entered into an agreement with Devereux in which Devereux provides certain administrative services for the Organization. Fees under this agreement amounted to \$659,676 and \$673,386 in 2018 and 2017, respectively. Devereux appointed a simple majority of the Organization's Board of Directors, with the remaining seats filled by individuals from the local community. However, major decisions of the Board require supermajority approval, defined as two-thirds of the directors. Accordingly, Devereux does not control the Board of the Organization and, because it also has no direct economic or controlling interest, the Organization is not consolidated into Devereux's consolidated financial statements. At June 30, 2018 and 2017, the Organization owed Devereux \$364,717 and \$313,557, respectively for unpaid fees under the administrative services agreement and other reimbursable expenses. These are reflected as Due to The Devereux Foundation in the accompanying statements of financial position. Effective July 1, 2018, the Organization changed its name to Communities Connected for Kids, Inc. and changed its affiliation with Devereux. The Organization continues to contract with Devereux to receive administrative services, but the Organization's board is independent and locally-represented.

**(10) Retirement Plan:**

The Organization, through its affiliation with Devereux, participates in several employee benefit plans administered by Devereux, including a defined contribution retirement plan covering all eligible employees, which is administered by TIAA. To be eligible for an employer contribution, an employee must have completed two years of service, work a minimum of 1,000 hours annually, and be active at the end of the plan year (December 31). Contributions to the plan are generally based on 5% of the employee's compensation, plus a match of employee contributions up to 2% of compensation, and are made annually each January. These contributions are credited to individual annuity contracts owned by each participant and are charged to expense when earned. Contribution expense was \$262,354 and \$255,535 in 2018 and 2017, respectively.

(11) **Litigation:**

The Organization is subject to certain claims and contracts arising in the normal course of its activities. After consultation with legal counsel, at this time management has no reason to believe resolution of these matters will have a material adverse effect on the Organization's future financial position or results from operations.

**SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**  
**AND STATE FINANCIAL ASSISTANCE**  
**FOR THE YEAR ENDED JUNE 30, 2018**  
(Continued)

**Note (1): Basis of Accounting**

The Schedule of Expenditures of Federal Awards and State Financial Assistance is prepared on the accrual basis of accounting. None of the Federal awards or State financial assistance expended by the Organization were in the form of noncash assistance, there was no insurance in effect during the year related to Federal awards, nor were there any loans or loan guarantees outstanding at year-end. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and Chapter 10.650, Rules of the State of Florida, Office of the Auditor General. Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

**Note (2): Service Provided Contracts**

Only expenses incurred in accordance with the contract terms are reported as expenditures on the Schedule of Expenditures of Federal Awards and State Financial Assistance.

**Note (3): Pass-Through Awards**

Devereux Community Based Care, Inc. receives certain Federal awards from pass-through awards of the State of Florida. The total amount of such pass-through awards is included on the Schedule of Expenditures of Federal Awards and State Financial Assistance.

**Note (4): De Minimis Indirect Cost Rate Election**

Devereux Community Based Care, Inc. does not elect to use the 10% de minimis indirect cost rate as covered in 200.414, *Indirect (F&A)* costs of the Uniform Guidance.

**Note (5): Matching Funds for Federal Programs**

The following funds were provided by the State of Florida, through the Department of Children and Families as matching funds for the Federal Programs under Contract No. ZJK85 as follows:

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON  
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors,  
Devereux Community Based Care, Inc.:

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Devereux Community Based Care, Inc., which comprise the statement of financial position as of June 30, 2018 and the related statement of activities and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated December 4, 2018.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Devereux Community Based Care, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Devereux Community Based Care, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Devereux Community Based Care, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Devereux Community Based Care, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance, and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND MAJOR STATE PROJECT AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL, STATE OF FLORIDA**

To the Board of Directors,  
Devereux Community Based Care, Inc.:

**Report on Compliance for Each Major Federal Program and Major State Project**

We have audited Devereux Community Based Care, Inc.'s compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* and the *Department of Financial Services State Projects Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs and major state projects for the year ended June 30, 2018. Devereux Community Based Care, Inc.'s major federal programs and major state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs and state projects.

***Auditors' Responsibility***

Our responsibility is to express an opinion on compliance for each of Devereux Community Based Care, Inc.'s major federal programs and major state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.650, Rules of the Auditor General. Those standards, the Uniform Guidance, and Chapter 10.650, Rules of the Auditor General, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or major state project occurred. An audit includes examining, on a test basis, evidence about Devereux Community Based Care, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and major state project. However, our audit does not provide a legal determination of Devereux Community Based Care, Inc.'s compliance.

## ***Opinion on Each Major Federal Program and Major State Project***

In our opinion, Devereux Community Based Care, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and major state projects for the year ended June 30, 2018.

### **Report on Internal Control over Compliance**

Management of Devereux Community Based Care, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Devereux Community Based Care, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and major state project as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and major state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Devereux Community Based Care, Inc.'s internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650. Accordingly, this report is not suitable for any other purpose.
