**INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors  
South Florida Behavioral Health Network, Inc.  
Miami, Florida

**Report on the Financial Statements**

We have audited the accompanying financial statements of South Florida Behavioral Health Network, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2018, and the related statement of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of South Florida Behavioral Health Network, Inc. as of June 30, 2018 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## ***Other Matters***

### **Other Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of Federal awards and State financial assistance as required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and Chapter 10.650 Rules of the Auditor General of the State of Florida, the Schedule of Related Party Transaction Adjustments, the Schedule of State Earnings, Cost Center Actual Expenses and Revenues, Bed-Day Availability Payments as required by the Florida Department of Children and Families (the "Department"), *Florida Administrative code 65E-14, Drug Abuse and mental health services*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material aspects, in relation to the financial statements as a whole.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated December 5, 2018 on our consideration South Florida Behavioral Health Network, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of South Florida Behavioral Health Network, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering South Florida Behavioral Health Network, Inc.'s internal control over financial reporting and compliance.

**Note 1: NATURE OF THE ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES**

**Nature of the Organization.**

South Florida Behavioral Health Network, Inc. (the “Organization”) was established as a Florida non-profit corporation in 1996. The purpose of the Organization is to coordinate the availability and quality of the treatment and support services related to substance abuse, mental health and co-occurring disorders

**Basis of Presentation**

A summary of significant accounting policies follows in the accompanying financial statements as presented below. The accompanying financial statements were prepared in accordance with FASB ASC 958, Financial Statements of Not-For-Profit Organizations. This pronouncement requires not-for-profit organizations to report information regarding their financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

**Unrestricted Net Assets** – That part of net assets that is neither permanently restricted nor temporarily restricted by donor – imposed stipulations.

**Temporarily Restricted Net Assets** – That part of net assets resulting from contributions, grants, and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that either expire by passage of time or by actions of the Organization that satisfy those stipulations.

Temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions upon satisfaction of the donor stipulations.

**Permanently Restricted Net Assets** – Net assets subject to donor-imposed stipulations that they be maintained permanently and therefore, neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization.

**Contributions** - The Organization recognizes immediately as support (income) all unconditional contributions received and makes an important distinction between restrictions and conditions. The Organization accounts for its government grants as exchange transactions.

**Donated Materials and Services** - Donated materials, if significant, are recorded as contributions at their estimated fair values at date of receipt. Donated services are recognized when there is an objective basis to measure the value of such services and such services create or enhance a non-financial asset or the service requires specialized skills that would be purchased if not provided by donation.

**Note 1: NATURE OF THE ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Property and Equipment, Net**

Property and equipment are stated at historical cost, less accumulated depreciation. Donated property and equipment are recorded at their estimated fair value at the date of donation.

Depreciation of property and equipment is provided using the straight-line method over the estimated useful lives of the assets. Estimated useful lives are as follows:

Furniture and fixtures	5 Years
Equipment	5 Years

Cost of major additions and improvements that extend the life of the asset are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred.

The Organization reviews assets for impairment whenever events or changes in circumstances indicate that the carrying value of the asset may not be recoverable. A determination of impairment, if any, is made based on the estimates of undiscounted future cash flows.

**Use of Estimates**

The preparation of financial statements in accordance with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures of contingent assets and liabilities as of the date of the financial statements, and the reported amounts of revenue and expenses during the reported period. Accordingly, actual results could differ from those estimates.

**Income Taxes**

The Organization is considering implementing the new accounting requirements associated with uncertainty in income taxes using the provisions of Financial Accounting Standards Board (FASB) ASC740, income taxes. Using the guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the positions will be sustained upon examination by taxing authorities, it also provides guidance for the de-recognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. As of June 30, 2018, the organization has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

Tax years that remain subject to examination by federal authorities are June 30, 2017, June 30, 2016 and June 30, 2015.

**Note 1: NATURE OF THE ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Cash and Cash Equivalents**

Cash and Cash Equivalents consists of cash held in checking and money market accounts and is considered highly liquid. At various times during the fiscal year, the Organization's cash balance exceeded the federally insured limits. As of June 30, 2018, cash balance was \$7,344,264. Management believes the organization is not exposed to any significant credit risk on cash and cash equivalents.

**Basis of Accounting**

The Organization uses the accrual method of accounting as prescribed by Generally Accepted Accounting Principles in the United States of America.

**Fixed Assets**

Fixed Assets valued in excess of \$1,000 are capitalized. Fixed Assets are valued at cost when purchased or estimated fair value at date of donation and are depreciated using the straight-line method over their estimated useful lives of five to seven years. In the absence of donor restrictions in the use of donated fixed assets, the Organization records such donations as unrestricted revenue in the period received. As of June 30, 2018, The Organization has following Assets:

Computer Hardware & Software	335,646
Furniture, Fixtures & Equipment	132,708
Leasehold Improvement	<u>19,062</u>
Total	487,416
Less: Accumulated Depreciation	<u>(447,247)</u>
Total Fixed Assets	<u>\$ 40,169</u>

Depreciation and Amortization Expense for the year ended June 30, 2018 was \$28,440.

**Fair Value of Financial Instruments**

The following methods and assumptions were used by the Organization in estimating its fair value disclosures for financial instruments: Cash, accounts receivable, and accounts payable. The Carrying amounts reported in the statement of financial position approximated fair values because of the short maturities of these instruments.

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**For the Year Ended June 30, 2018**

---

**Note 2: SUBCONTRACTED GRANT PAYABLE**

Subcontracted Grant Payable is funds due to subcontractors as of June 30, 2018, which totaled \$ 9,929,253

**Note 3: DEFERRED REVENUE**

At June 30, 2018, 2,955,695 was received from grants but not earned during the 2018 fiscal year. The entire amount of unearned funds were carried forward to the 2019 fiscal year by the Florida Department of Children and Families and accordingly presented as deferred revenue in the accompanying statement of financial position.

**Note 4: COMMITMENTS AND CONTINGENCIES**

The Organization leases office space from Hines REIT Airport Corporate Center, L.L.C. It is a ten-year lease, that commenced January 1, 2011 and ends December 31, 2020. The first five months of the lease period were offered at no cost to the Organization and starting with the first six months, the monthly lease payment for year 1 is \$15,360 as follows: Base Rental \$5,282 and Common Areas Maintenance is \$10,079. However, the monthly lease expense for year one is \$18,162 due to the lease rebate for the first five months. The base rent will increase \$4,527 per year and the Common Area Maintenance is expected to increase by 3% each year.

The approximate minimum future annual rental commitments under operating leases as of June 30, 2018 are as follows:

<u>Year</u>	<u>Amount</u>
2019	\$ 238,744
2020	<u>358,116</u>
<b>TOTALS</b>	<b><u>\$ 596,860</u></b>

**Note 5: PASS-THROUGH ENTITY**

The Organization is contracted by the State of Florida Department of Children and Families to act as a Managing Entity (ME) for the services to be provided under subcontracts.

**SOUTH FLORIDA BEHAVIORAL HEALTH NETWORK INC.**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**For the Year Ended June 30, 2018**

---

**Note 6: ECONOMIC DEPENDENCY**

The Organization's program service revenues are derived mostly from contracts with the State of Florida Department of Children and Families. Majority of the revenues related to these contracts are for direct services provided through subcontracts with providers. The Organization's ability to continue operating is primarily predicated on funding from governmental agencies and is expected to continue.

**Note 7: GRANT RECEIVABLES**

Grants receivable consists of amounts due from a governmental agency for services. The carrying amount of Grants receivable is reduced by an allowance that reflects management's best estimate of the amounts that will not be collected. Management individually reviews all Grants receivable balances and based on an assessment of current collectability, estimates the portion of the balance, if any that will not be collected. After all attempts to collect a receivable have failed, the receivable is written off against the allowance. The Organization considers all of the receivables to be collectible at June 30, 2018.

**Note 8: CONCENTRATION OF CREDIT RISK**

The Organization maintains cash balances at one bank located in South Florida. The accounts at the institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. At June 30, 2018, cash balances of the Organization exceeded insured limits. The Organization derived 96% of its revenue from a contract with the State of Florida Department of Children and Families (DCF). Accordingly, the Organization's ability to continue operating is dependent on funding from DCF, which is expected to continue.

**Note 9: FUNCTIONAL ALLOCATION OF EXPENSES**

The costs of providing the various programs and activities have been summarized on functional basis in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefitted.

**Note 10: MATCHING FUNDS**

The Organization is responsible for meeting the match requirements per its contract with the State of Florida Department of Children and Families. The Organization meets this requirement by contractually requiring the individual subcontracted agencies to meet the match requirements. The Chief Financial Officer verifies that each subcontracted agency has met their match requirements.

**Note 11: RELATED PARTY TRANSACTIONS**

There are no related party transactions.

**Note 12: DEFINED CONTRIBUTION PLAN**

One of the retirement benefits that Organization provides to the employees is a 403 (b) Thrift Plan. It is a Defined Contribution Plan and is administered by Mutual of America. Any employee who is 21 or older is eligible to participate in the plan if the employee has completed one year of service with the agency. Employees can contribute any percentage of their salary up to the maximum permitted by the law. 50 employees are currently enrolled in the plan. During the fiscal year ended June 30, 2018 the Employee contribution was \$140,607. The Employer contribution during the fiscal year was \$152,023.

**Note 13: SUBSEQUENT EVENTS**

The Organization has evaluated subsequent events through December 5, 2018 the date which the financial statements were available to be issued. There are no significant subsequent events to report.

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND STATE**  
**FINANCIAL ASSISTANCE**  
**For the Year Ended June 30, 2018**

---

**Note A - Basis of Presentation**

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance (the Schedule) presents the activity of all federal and state award programs for South Florida Behavioral Health Network, Inc., for the year ended June 30, 2018. The information in this schedule is presented in accordance with the requirements of *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements* for Federal Awards, Audits of States, Local Governments, and Non-Profit Organizations and Chapter 10.650, Rules of the Auditor General of the State of Florida. Because this schedule presents only a selected portion of the operation of the South Florida Behavioral Health Network, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of the South Florida Behavioral Health Network, Inc.

**Note B - Summary of Significant Accounting Policies**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance, Cost principles for Non-Profit Organizations, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

**Note C – Federal Indirect Rate**

South Florida Behavioral Health Network, Inc. does not have an established federal indirect cost rate. As a result, South Florida Behavioral Health Network, Inc. did not elect to use the 10 percent de-minimis indirect cost rate.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED  
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of  
South Florida Behavioral Health Network, Inc.  
Miami, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of South Florida Behavioral Health Network, Inc.(a nonprofit organization), which comprise of the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 5, 2018.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered South Florida Behavioral Health Network, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of South Florida Behavioral Health Network, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether South Florida Behavioral Health Network, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL**

To the Board of Directors  
South Florida Behavioral Health Network, Inc.  
Miami, Florida

**Report on Compliance for Each Major Federal Program and State Project**

We have audited South Florida Behavioral Health Network, Inc.'s (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement*, and the *Department of Financial Services' State Project Compliance Supplement* that could have a direct and material effect on each of South Florida Behavioral Health Network, Inc.'s major federal programs and state projects for the year ended June 30, 2018. South Florida Behavioral Health Network, Inc.'s major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with Federal and state statutes, regulations, and the terms and conditions of its Federal Awards and State Awards applicable to its Federal Programs and State Projects.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of South Florida Behavioral Health Network, Inc.'s major Federal programs and State projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and State of Florida Chapter 10.650, Rules of the Auditor General. Those standards, the Uniform Guidance and State of Florida Chapter 10.650, Rules of the Auditor General, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a Major Federal Program or State project occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major Federal Program and State project. However, our audit does not provide a legal determination of the Organization's compliance.

### **Opinion on Each Major Federal Program and State Project**

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2018.

### **Report on Internal Control Over Compliance**

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major Federal program and State project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major Federal program and State project and to test and report on internal control over compliance in accordance with the Uniform Guidance and State of Florida Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a Federal program or State project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a Federal program or State project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a Federal Program or State project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance, and State of Florida Chapter 10.650, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.
