Independent Auditor's Report

To the Board of Directors
Children's Advocacy Center of SW Florida, Inc.
Fort Myers, Florida

We have audited the accompanying financial statements of Children's Advocacy Center of SW Florida, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.650, Rules of the Auditor General of the State Of Florida. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of

significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Children's Advocacy Center of SW Florida, Inc. as of June 30, 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance, as required by Title 2 *U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, the Florida Single Audit Act (Florida Statute 215.97) and Chapter 10.650 of the Rules of the Auditor General of the State of Florida, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated October 10, 2019, on our consideration of Children's Advocacy Center of SW Florida, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and nature of operations

Children's Advocacy Center of SW Florida, Inc. (the "Organization") is a nonprofit organization established under the laws of Florida on February 22, 1984 to improve the lives of children and their families in southwest Florida through a coordinated response to child abuse and neglect.

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The accounting and reporting policies of the Organization are in accordance with the accounting standards issued by the Financial Accounting Standards Board ("FASB") in the Accounting Standards Codification ("ASC").

Financial statement presentation

The Organization adheres to the requirements of the "Not-For-Profit Entities" topic of the FASB ASC. The topic requires the Organization to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Beneficial interest in assets held by others

Beneficial interest in assets held by others are investments in marketable securities held by the Southwest Florida Community Foundation, Inc. They are reported at their fair values in the statement of financial position. Unrealized gains or losses are included in the change of net assets in the statement of activities.

The fair value of the assets with significant observable inputs is determined by the community foundation and is based on the Organizations' investment in their general endowment fund.

Receivables

Accounts, grants and other receivables are delinquent when they are past due. Management has reviewed accounts, grants, and other receivables at June 30, 2019 and considers them fully collectible; therefore, management has not established an allowance for uncollectible accounts.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Contributions

The Organization accounts for its contributions in accordance with the "Not-For-Profit Entities" topic of the FASB ASC. In accordance with this topic, contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature of any donor restrictions.

Statement of cash flows

For purposes of reporting cash flows, the Organization considers only highly liquid investments held for operations and purchased with an original maturity of three months or less to be cash equivalents. It does not consider highly liquid cash equivalents held for investment (non-operating) purposes in reporting cash flows.

Concentrations

The Organization receives a substantial portion of its support and revenue primarily from federal, state and local grants. If a significant reduction in the level of funding were to occur, it could have an adverse effect on the Organization's programs.

Recognition of donor restrictions

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires, or when the purpose of the restriction is met, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Concentration of credit risk

The Organization maintains its cash accounts in financial institutions, which, at times, may exceed federally-insured limits. The Organization has not experienced any economic losses on such accounts and believes it is not exposed to any significant credit risk regarding its cash and cash equivalent balances.

Property and equipment

Property and equipment is recorded at cost, or if donated, at fair market value on the date of donation. Such donations are reported as net assets without donor restrictions unless the donor has restricted the donated asset for a specific purpose. Assets donated with explicit

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Property and equipment, continued

restrictions regarding their use and contributions of cash that must be used to acquire furniture and equipment are reported as net assets with donor restrictions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Depreciation is computed using the straight-line method over the estimated useful lives of the assets. The cost of assets retired or sold, together with the related accumulated depreciation, is removed from the accounts and any gain or loss from disposition is reported on the statement of activities. The Organization's capitalization policy provides that any additions and capital improvements with a cost or donated value of \$1,000 or more and a useful life of greater than one year be capitalized.

Impairment of long-lived assets

The Organization adheres to the "Property, Plant and Equipment" topic of the FASB ASC to account for the impairment of long-lived assets. This topic requires, among other things, that entities identify events or changes in circumstances which indicate that the carrying amount of an asset may not be recoverable.

There was no effect on the Organization's financial statements resulting from this topic for the year ended June 30, 2019.

Functional expenses

The Organization allocates its expenses on a functional basis among its various program and supporting services. Expenses that can be identified with a specific program service are allocated directly according to their natural expenditure classification. Other expenses common to several functions are allocated by various statistical bases. For the year ended June 30, 2019, administrative expenses, on the Statement of Functional Expenses, included a one time cost of approximately \$119,000 as a result of the retirement of the CEO.

Fair value of financial instruments

The FASB ASC topic "Financial Instruments" clarifies the definition of fair value for financial reporting, establishes a framework for measuring fair value, and requires

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Fair value of financial instruments, continued

additional disclosure about the use of fair value measurements in an effort to make the measurement of fair value more consistent and comparable.

The Organization's financial instruments consist of cash and cash equivalents, receivables, beneficial interest in assets held by others, prepaids, payables, accrued liabilities and deferred revenue. The Organization estimates that the fair values of all financial instruments do not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statements of financial position.

Income taxes

The Internal Revenue Services has determined that the Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is a not-for-profit Florida corporation and therefore is not subject to state income taxes. The Internal Revenue Code provides for taxation of unrelated business income under certain circumstances. The Organization reports no unrelated business taxable income; however, such status is subject to final determination upon examination of the related tax returns by the appropriate taxing authorities.

The Organization's tax filings are subject to audit by various taxing authorities. Certain income tax returns filed by the Organization remain open to examination by these government agencies. The Organization follows ASC Topic 740, "Income Taxes" in accounting for uncertain tax positions. The Organization has evaluated its tax positions and any estimates utilized in its tax returns, and concluded that the Organization has taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. Interest and penalties associated with uncertain tax positions will be recognized in income tax expense, if required.

Management estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Donated materials and services

Donated land, buildings, equipment, investments, and other non-cash donations are recorded as contributions at their fair market value at their date of donation. The Organization reports the donations as net assets without donor restrictions, unless explicit donor stipulations specify how the donated assets must be used.

Donated services that do not require specialized skills or enhance nonfinancial assets are not recorded in the accompanying financial statements because no objective basis is available to measure the value of such services. A substantial number of volunteers have donated significant amounts of their time to the Organization's program services and its fundraising campaigns, the value of which is not recorded in the accompanying financial statements.

Advertising costs

Advertising costs are expensed as incurred. During the year ended June 30, 2019, costs related to advertising were \$11,981.

Deferred revenue

Funds received for specific activities are deferred until such time as the activity occurs.

Compensated absences

The Organization accrues a liability for compensated absences. The amount accrued is recorded based on the total employee's accrued paid time off (PTO) at year end.

Recently issued accounting standards

In August 2016, the FASB issued Accounting Standards Update ("ASU") No. 2016-14, Presentation of Financial Statements of Not-for-Profit Entities, which simplifies the current net asset classification requirements and improves the information presented in financial statements and notes about a not-for-profit entity's liquidity, financial performance, and cash flows. The standard is effective for years beginning after December 15, 2017. Total net assets did not change as a result of adoption of this ASU.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Recently issued accounting standards, continued

The effect of the adoption on net asset classifications in the 2019 financial statements is as follows:

Net assets at beginning of the year as originally reported:	<u>Amount</u>
Unrestricted	\$ 3,069,311
Temporarily restricted	-
Permanently restricted	-
	<u>\$ 3,069,311</u>
Net assets at beginning of the year as restated:	<u>Amount</u>
Without donor restrictions	\$ 3,069,311
With donor restrictions	-
	<u>\$ 3,069,311</u>

NOTE B - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Organization's financial assets available within one year of the balance sheet date for general expenditures are as follows:

	<u>Amount</u>
Cash and cash equivalents	\$ 1,017,229
Beneficial interest in assets held by others	11,594
Accounts receivable	710
Grants receivable	213,903
Other receivables	<u>66,155</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 1,309,591</u>

The Organization manages its financial assets in accordance with the "Not-For-Profit Entities" topic of the FASB ASC. This topic requires that the Organization maintains sufficient resources to meet the responsibilities of its donors. Therefore financial assets may not be available for general expenditure within one year. As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

NOTE C - BENEFICIAL INTEREST IN ASSETS HELD BY OTHERS

The Southwest Florida Community Foundation, Inc. ("Southwest") maintains an agency endowment fund (the "Children's Advocacy Center of SW Florida Fund"). The agency endowment fund is not designated and therefore recorded on the statement of financial position of the Organization. During the year ended June 30, 2019, accumulated interest, market fluctuations, and fees have resulted in net changes totaling \$182. As of June 30, 2019, the balance of the fund was \$11,594.

NOTE D - GRANTS RECEIVABLE

Less: current portion	<u>(123,148)</u>
Long-term portion	<u><u>\$ 416,258</u></u>

Interest expense for the year ended June 30, 2019 was \$25,307.

NOTE H - LEASE OBLIGATIONS

The Organization rents office equipment under various operating leases. The operating leases expire between 2019 and 2022.

Future minimum rental payments as of June 30, 2019 are as follows:

Year Ending June 30,	Amount
2020	\$ 20,532
2021	11,959
2022	9,618
	<u>\$ 42,109</u>

Lease expense for the year ended June 30, 2019 was \$38,648.

NOTE I - BENEFIT PLAN

The Organization maintains a Profit Sharing Plan and Safe Harbor 401(k) Plan.

Employees who have completed at least 1,000 hours of service per year, have attained the age of 18, and who are employed for at least two consecutive years are eligible to receive a profit sharing contribution. For the year ended June 30, 2019, the Organization's contribution was six percent (6%) of eligible compensation to the plan.

Employees who have completed at least 1,000 hours of service per year, have attained the age of 18, and who are employed for at least one year are eligible to participate in the 401(k) Plan. Employees are eligible to enter the plan, on the plan entry dates of January 1 or July 1, depending on when they have attained their one year of service. Under the 401(k) Plan, the Organization contributes a matching contribution equal to 100% of the employees' deferrals which do not exceed four percent (4%) of the employees' compensation.

The total contribution for the 401(k) Plan for the year ended June 30, 2019 was \$120,723.

NOTE J - ECONOMIC DEPENDENCE

A substantial part of the Organization's operations is dependent upon the receipt of support from grantor agencies. Loss of these funds and/or large decreases in this type of funding

NOTE J - ECONOMIC DEPENDENCE, CONTINUED

would have a material effect on the Organization and a negative impact on overall operations. For the year ending June 30, 2019, 69% of total support and revenue is attributable to funds received from federal, state and local grantor agencies.

NOTE K - FUNDRAISING COSTS

Gross fundraising revenues are reported in support and revenue on the statement of activities, and expenses are reported on the statement of functional expenses. The Organization's Board of Directors provided an integral amount of volunteer hours relating to fundraising.

NOTE L - MATCHING GRANT REQUIREMENTS

Children's Advocacy Center of SW Florida, Inc. receives financial assistance under several grants and contracts requiring local match/participation in the form of cash and in-kind. A maximum match/participation amount is established at the time the financial assistance is awarded. However, revenue is earned based on reimbursements and a fee-for-service basis, and can only be recognized to the extent of applicable eligible and allowable disbursement. The match/participation requirement is therefore based on a contracted portion of allowable disbursements.

For the year ended June 30, 2019, Children's Advocacy Center of SW Florida, Inc. has met its match/participation requirements.

NOTE M - CONTINGENCIES

Grants and contracts

Grant and contract monies received and disbursed by the Organization are for specific purposes and are subject to audit by the respective grantor/contractor agencies. Such audits may result in requests for reimbursements due to disallowed expenditures. At June 30, 2019, the Organization had not been informed of any such potential reimbursements. Based upon prior experience, management of the Organization does not believe such disallowances, if any, would have a material effect on the financial position of the Organization.

NOTE N - UNITED WAY CONTRACTS

The Organization recorded revenue from United Way contracts awarded for the year ended June 30, 2019 as follows:

	<u>Amount</u>
United Way of Lee County	<u>\$ 363,983</u>

NOTE O - NET ASSETS

Net assets consist of the following at June 30, 2019:

	<u>Amount</u>
Without donor restrictions:	
Undesignated	\$ 3,150,255
Board designated - Chaipel memorial	<u>11,115</u>
	<u>\$ 3,161,370</u>

The Board of Directors have set aside funds collected in the amount of \$11,115 as a memorial fund in memory of Cliff Chaipel, a past Board member.

	<u>Amount</u>
With donor restrictions:	<u>\$ -</u>

NOTE P - NET ASSETS RELEASED FROM DONOR RESTRICTIONS

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes or by occurrence of the passage of time or other events specified by donors.

Net assets released from donor restrictions were:

	<u>Amount</u>
Expenditure for specific purpose accomplished:	
Grants	<u>\$(2,121,772)</u>
Total released from restrictions:	<u>\$(2,121,772)</u>

NOTE Q - AGENCY DESIGNATED ENDOWMENT

The Southwest Florida Community Foundation ("Southwest") maintains an agency designated fund in the name of the Organization. This agency designated fund is the sole property of Southwest, which has ultimate control and authority over all of the property in the agency designated fund. During the year ended June 30, 2019, accumulated interest, market fluctuations, and fees have resulted in net changes totaling \$47. For the year ended June 30, 2019, the balance of the agency designated fund was \$2,963. Under generally accepted accounting principles, the agency designated fund is not recorded on the statement of financial position of the Organization.

NOTE R - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy, under FASB ASC 820, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access

Level 2 - Inputs to the valuation methodology include:

- * Quoted prices for similar assets or liabilities in active markets
- * Quoted prices for identical or similar assets or liabilities in inactive markets
- * Inputs other than quoted prices that are observable for the asset or liability
- * Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs

NOTE S - FAIR VALUE MEASUREMENTS, CONTINUED

The following is a description of the valuation methodologies used for assets for the Organization measured at fair value. There have been no changes in the methodologies used at June 30, 2019.

Beneficial interest in assets held by others - The fair value of the beneficial interest in assets held by others was not readily determinable through an outside source independent of the Organization. The fair value is based on amounts reported to the Organization by the Community Foundation.

	<u>Assets at Fair Value as of June 30, 2019</u>

NOTE A - BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance includes the Federal and State grant activity of Children's Advocacy Center of SW Florida, Inc. (the "Organization") and is presented in accordance with accounting principles generally accepted in the United States of America. The information in this Schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance") and the Florida Single Audit Act (Florida Statute 215.97).

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Schedule of Expenditures of Federal Awards and State Financial Assistance is prepared on the accrual basis of accounting.

For new awards or modifications of existing awards after December 26, 2014, the expenditures reported in the Schedule of Expenditures of Federal Awards and State Financial Assistance follow the cost principles contained in the Uniform Guidance. For existing awards prior to December 26, 2014, the expenditures follow the cost principles contained in OMB Circular A-122, *Cost Principles for Non-Profit Organizations*. The cost principles indicate that certain types of expenditures are not allowed or reimbursements of allowable costs are limited as to reimbursement.

NOTE C - INDIRECT COSTS

The Organization records all expenditures of federal awards and state financial assistance using the direct cost method. In this manner, the Organization has elected not to use the 10% de minimis indirect cost rate, which is allowed in accordance with the Uniform Guidance.

**Independent Auditor's Report On Internal Control
Over Financial Reporting And On Compliance And
Other Matters Based On An Audit Of Financial Statements
Performed In Accordance With *Government Auditing Standards***

Board of Directors
Children's Advocacy Center of SW Florida, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Children's Advocacy Center of SW Florida, Inc. (the "Organization", a non-profit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 10, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program and State Project

We have audited Children's Advocacy Center of SW Florida, Inc.'s (the "Organization") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs and state projects for the year ended June 30, 2019. The Organization's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal and state statutes, regulations, and the terms and conditions of its federal and state awards applicable to its federal programs and state projects.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"); the Florida Single Audit Act (Florida Statute 215.97) and Chapter 10.650 of the Rules of the Auditor General of the State of Florida. compliance requirements referred to above that could have a direct and material effect on a major federal program or state project occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program and State Project

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2019.

Report on Internal Control Over Compliance

Management of Children's Advocacy Center of SW Florida, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all the deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Independent Auditor's Report to Management

To the Board of Directors
Children's Advocacy Center of SW Florida, Inc.

We have audited the financial statements of Children's Advocacy Center of SW Florida, Inc. (the "Organization") as of and for the fiscal year ended, June 30, 2019, and have issued our report thereon dated October 10, 2019.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"); and the Florida Single Audit Act (Florida Statute 215.97). We have issued our Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*, and our Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance and the Florida Single Act (Florida Statute 215.97), and Schedule of Findings and Questioned Costs-Federal Awards and State Financial Assistance, and the disclosures in those reports and schedule, which are dated October 10, 2019, should be considered in conjunction with this management letter.

Additionally, our audit was conducted in accordance with Chapter 10.650 of the Rules of the Auditor General of the State of Florida, which requires disclosure in the management letter of violations of provisions of contracts or grant agreements, or abuse, that have an effect on the financial statements or state project amounts that is less than material but more than inconsequential. In addition, for matters that have an inconsequential effect on the financial statements or state project amounts, considering both quantitative and qualitative factors, the following may be reported based on professional judgment: (1) violations of provisions of contracts or grant agreements, fraud, illegal acts, or abuse, that have occurred, or are likely to have occurred, (2) deficiencies in internal control that are not significant deficiencies. In connection with our audit, the following matters are required to be disclosed:
