INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Florida Pregnancy Care Network, Inc.
Tallahassee, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of Florida Pregnancy Care Network, Inc. (a Florida non-profit organization), which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Accordingly, we express no such opinion. An audit also includes evaluation of the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Florida Pregnancy Care Network, Inc. as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the basic financial statements of Florida Pregnancy Care Network, Inc. taken as a whole. The accompanying schedule of expenditures of state financial assistance is also presented for purposes of additional analysis as required by Chapter 10.650, *Rules of the State of Florida Auditor General*, and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of state financial assistance is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 23, 2020, on our consideration of Florida Pregnancy Care Network, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal controls over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Florida Pregnancy Care Network's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Florida Pregnancy Care Network, Inc.'s internal control over financial reporting and compliance.

FLORIDA PREGNANCY CARE NETWORK, INC.
NOTES TO FINANCIAL STATEMENTS
Years Ended June 30, 2019 and 2018

NOTE 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities - Florida Pregnancy Care Network, Inc. (the “Network”) was incorporated as a Florida nonprofit corporation on August 25, 2005, for the purpose of increasing the availability, quality and awareness of pregnancy support services across the state of Florida. In 2006, the Network began conducting its social service purpose with funding from a contract titled Florida Pregnancy Support Services Program (“FPSSP”). The Network receives funding from Florida Department of Health, Division of Family Health Services to provide deliverable services that include the development and operation of a statewide toll-free hotline; the development of a plan to identify, qualify and train local pregnancy service providers to participate in the program; and the development of a quality assurance, monitoring and compliance plan to oversee that the providers use the state financial assistance in accordance with applicable laws and regulations.

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Net assets, revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the Network’s net assets and changes thereto are classified and reported as follows:

- Net assets without donor restrictions – consists of amounts that are available for use in carrying out the supporting activities of the Network and are not subject to donor-imposed stipulations.
- Net assets with donor restrictions – consists of amounts that are available for the purposes restricted by donors and grantors, or a time restriction. When a restriction is satisfied, the associated amount is reclassified from net assets with donor restrictions to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Cash and Cash Equivalents - The Network considers all highly liquid investments with a maturity of three (3) months or less when purchased to be cash equivalents.

Property and Equipment - Property and equipment consists of office furniture and equipment acquired at cost. The Network capitalizes property that is tangible personal property of a non-consumable nature that has an acquisition cost of \$1,000 or more per unit and expected useful life of at least one (1) year, and hardbound books, which are not circulated to students or the general public, with the value or cost of \$250 or more.

Income Taxes - The Network is exempt from income taxes on income from related activities under Section 501(c)(3) of the U.S. Internal Revenue Code and corresponding state tax law. Accordingly, no provision has been made for federal or state income taxes. Additionally, the Network has been determined not to be a private foundation under Section 509(a) of the Internal Revenue Code.

FLORIDA PREGNANCY CARE NETWORK, INC.
NOTES TO FINANCIAL STATEMENTS
Years Ended June 30, 2019 and 2018

NOTE 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

U.S. GAAP requires that a tax position is recognized as a benefit only if it is “more likely than not” that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the “more likely than not” test, no tax benefit is recorded.

Due to its tax-exempt status, the Network is not subject to U.S. federal income tax or state income tax. The Network’s Form 990 has not been subject to examination by the Internal Revenue Service or the state of Florida for the last three (3) years. The Network does not expect the total amount of unrecognized tax benefits to significantly change in the next twelve (12) months. The Network recognizes interest and/or penalties related to income tax matters in income tax expense. The Network did not have any amounts accrued for interest and penalties at June 30, 2019.

Contributions - All contributions including unconditional promises to give, are recognized as revenue in the period the contribution or promise is received. All contributions are available for unrestricted use unless specifically restricted by the donor. All in-kind contributions are recorded at fair value in the period donated.

Donated Services - Donated services are recognized as contributions in accordance with FASB Codification 958-605, *Revenue Recognition*, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Network. As of June 30, 2019 and 2018, in-kind contributions recognized as revenue amounted to \$2,330 and \$1,995, respectively, for professional services provided to the Network.

Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events - Management has performed an analysis of the activities and transactions subsequent to June 30, 2019, to determine the need for any adjustments to and/or disclosures within the audited financial statements for the year ended June 30, 2019. Management has performed their analysis through January 23, 2020, the date the financial statements were available to be issued.

NOTE 2 - GRANTS RECEIVABLE

Grant receivables are due from Florida Department of Health, Division of Family Health Services and are recorded when services are provided. The Network’s grant receivables as of June 30, 2019 and 2018, are due in less than one (1) year and management believes that all receivables are fully collectible. Accordingly, no allowance for doubtful accounts is considered necessary.

FLORIDA PREGNANCY CARE NETWORK, INC.
NOTES TO FINANCIAL STATEMENTS
Years Ended June 30, 2019 and 2018

NOTE 3 - PROPERTY AND EQUIPMENT

Property and equipment consisted of the following:

	Useful Lives	2019	2018
Office furniture and equipment	5 - 7	\$ 11,268	\$ 9,830
Less accumulated depreciation		(5,783)	(3,856)
		\$ 5,485	\$ 5,974

Depreciation expense for the years ended June 30, 2019 and 2018, amounted to \$1,928 for each year.

NOTE 4 - LINE OF CREDIT

On June 2, 2019, the Network renewed an unsecured line of credit with a commercial bank. Interest is charged monthly based on the Wall Street Journal Prime Rate plus 2%. As of June 30, 2019 and 2018, the outstanding balance due on the line amounted to \$0 for both years, with a remaining balance available to draw in the amount of \$15,000 for each year. Interest and fee expense incurred on the line of credit for the years ended June 30, 2019 and 2018, amounted to \$256 and \$185, respectively.

NOTE 5 - CONCENTRATIONS

The Network's main source of revenue is derived from funds received from the Florida Department of Health, Division of Family Health Services. For the years ended June 30, 2019 and 2018, the Network received funds from one (1) contract that comprised 99% of its total revenue for each year, respectively

NOTE 6 - FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain categories of expenses are attributable to both program, and general and administrative functions. These expenses have been allocated based on estimates of time and effort.

NOTE 7 - LIQUIDITY AND AVAILABILITY OF RESOURCES

The Network's financial assets available to meet cash needs for general expenditures within one (1) year amounted to \$45,310 and \$39,566, respectively, for the years ended June 30, 2019 and 2018. The amounts were made up entirely of cash. The Network relies on the Florida Department of Health ("DOH") for its availability of resources. On a monthly basis the Network invoices the DOH for the Pregnancy Support Services Program. A portion of these invoices includes the Network's management fee which is paid based on a fixed fee per provider each month.

FLORIDA PREGNANCY CARE NETWORK, INC.
NOTES TO FINANCIAL STATEMENTS
Years Ended June 30, 2019 and 2018

NOTE 7 - LIQUIDITY AND AVAILABILITY OF RESOURCES (Continued)

This management fee covers the Network's operating and general expenditures. At the end of the fiscal year any unexpended funds are required to be returned to the DOH. Additionally, in the event of an unanticipated low cash level, the Network has a line of credit totaling \$15,000 (Note 4), which it can draw upon.

NOTE 8 - CHANGE IN ACCOUNTING PRINCIPLE

Effective July 1, 2018, the Network adopted Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958) and Health Care Entities (Topic 954) - Presentation of Financial Statements of Not-for-Profit Entities*. The ASU amends the current reporting model for nonprofit organizations and enhances their required disclosures. The major changes include: (a) requiring the presentation of only two (2) classes of net assets now entitled "net assets without donor restrictions" and "net assets with donor restrictions", (b) modifying the presentation of underwater endowment funds and related disclosures, (c) requiring the use of the placed in service approach to recognize the expirations of restrictions on gifts used to acquire or construct long-lived assets absent explicit donor stipulations otherwise, (d) requiring that all nonprofits present an analysis of expenses by function and nature in either the statement of activities, a separate statement, or in the notes and disclose a summary of the allocation methods used to allocate costs, (e) requiring the disclosure of quantitative and qualitative information regarding liquidity and availability of resources, (f) presenting investment return net of external and direct expenses, and (g) modifying other financial statement reporting requirements and disclosures intended to increase the usefulness of nonprofit financial statements.

Implementation of ASU 2016-14 did not require reclassification or restatement of any opening balances related to the periods presented. The Network's net assets previously reported as temporarily restricted are now reported as net assets with donor restrictions. Likewise, the Network's net assets previously reported as unrestricted are now reported as net assets without donor restrictions. The Network did not have any permanently restricted net assets.

NOTE 9 - RECLASSIFICATIONS

Certain reclassifications have been made to the prior year financial statement in order to be in conformation with the current year presentation.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL
CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
Florida Pregnancy Care Network, Inc.
Tallahassee, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Florida Pregnancy Network, Inc. (the "Network"), which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated January 23, 2020.

Internal Control Over Financial Reporting

In planning and performing our audits of the financial statements, we considered the Network's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Network's internal control. Accordingly, we do not express an opinion on the effectiveness of the Network's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Network's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Network's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Network's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
WITH REQUIREMENTS THAT COULD HAVE A DIRECT AND
MATERIAL EFFECT ON ITS MAJOR STATE PROJECT AND
ON INTERNAL CONTROL OVER COMPLIANCE IN
ACCORDANCE WITH CHAPTER 10.650, RULES OF THE
STATE OF FLORIDA AUDITOR GENERAL**

To the Board of Directors
Florida Pregnancy Care Network, Inc.
Tallahassee, Florida

Report on Compliance for Each Major State Project

We have audited the Florida Pregnancy Care Network, Inc.'s (the "Network") compliance with the types of compliance requirements described in the *Department of the Financial Services' State Projects Compliance Supplement* that could have a direct and material effect on the Network's major state project for the year ended June 30, 2019. The Network's state project is identified in the summary of audit results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the State statutes, regulations, and terms and conditions of its State projects applicable to its major state project.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for the Network's major state project based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.650, *Rules of the State of Florida Auditor General*. Those standards and Chapter 10.650 *Rules of the State of Florida Auditor General*, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state project occurred. An audit includes examining, on a test basis, evidence about the Network's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major state project. However, our audit does not provide a legal determination of the Network's compliance.

Opinion on Each Major State Project

In our opinion, the Network complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major state project for the year ended June 30, 2019.

Report on Internal Control Over Compliance

Management of the Network is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Network's internal control over compliance with the types of requirements that could have a direct and material effect on its major state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major state project and to test and report on internal control over compliance in accordance with Chapter 10.650, *Rules of the State of Florida Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Network's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Chapter 10.650, *Rules of the State of Florida Auditor General*. Accordingly, this report is not suitable for any other purpose.

MANAGEMENT LETTER

To the Board of Directors
Florida Pregnancy Care Network, Inc.
Tallahassee, Florida

Report on the Financial Statements

We have audited the financial statements of the Florida Pregnancy Care Network, Inc., as of and for the year ended June 30, 2019, and have issued our report thereon dated January 23, 2020

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and Chapter 10.650, *Rules of the Auditor General*.

Other Reports and Schedule

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*, Independent Auditors' Report on Compliance with Requirements that could have a Direct and Material Effect on its Major State Project and on Internal Control over Compliance in Accordance with Chapter 10.650, *Rules of the State of Florida Auditor General*, and Schedule of Findings and Questioned Costs. Disclosures in those reports and schedule, which are dated January 23, 2020, should be considered in conjunction with this management letter.

Additional Matters

Section 10.654(1)(e), *Rules of the Auditor General*, requires that we communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements or State project amounts that is less than material but which warrants attention of those charged with governance. In connection with our audit, we noted the following:

PRIOR YEAR COMMENTS:

1. Annual Conflict of Interest Disclosure - Resolved

In the prior year, we noted that disclosure forms for potential conflicts of interest were not timely completed by the board members on an annual basis. We recommended that these forms be completed annually to disclose any potential conflicts that may arise. In the current year, management was able to provide the signed forms.

2. Signature on ACH transmittal - Resolved

In the prior year, we noted that an ACH transmittal was not properly signed before being sent to the bank. We recommended that these forms be properly authorized prior to being submitted. In the current year, we did not note any unauthorized ACH transmittals prior to submission.

CURRENT YEAR COMMENTS:

None.

Purpose of This Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, and other granting agencies, the Board of Directors and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.
