INDEPENDENT AUDITOR'S REPORT

Board of Directors
Lake-Sumter State College Foundation, Inc.
Leesburg, Florida

We have audited the accompanying financial statements of Lake-Sumter State College Foundation, Inc. (the Foundation), a component unit of Lake-Sumter State College, as of and for the year ended December 31, 2020, and the related notes to the financial statements, which collectively comprise the Foundation's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

The Foundation's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITOR'S REPORT

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of December 31, 2020, and the changes in its financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Foundation's 2019 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our audit report dated September 9, 2020. In our opinion, the summarized comparative information presented herein, as of and for the year ended December 31, 2019, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Foundation's basic financial statements. The Schedule of Revenues, Expenses, and Changes in Net Position by Restricted Classification is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The Schedule of Revenues, Expenses, and Changes in Net Position by Restricted Classification is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Revenues, Expenses, and Changes in Net Position by Restricted Classification is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

INDEPENDENT AUDITOR'S REPORT

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated July 23, 2021, on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

Management's Discussion and Analysis

This document presents management's discussion and analysis of the financial performance of the Foundation during the fiscal years ended December 31, 2020 and 2019. This discussion should be read in conjunction with the financial statements and footnotes. The financial statements, footnotes and this discussion are the responsibility of the Foundation's management.

Reporting Entity

The Lake-Sumter State College Foundation (the Foundation) is a not-for-profit corporation and is considered to be a component unit of the State of Florida and Lake-Sumter State College (the College), as defined by the Governmental Accounting Standards Board Statement No. 39. This statement defines component units as organizations where the "substance and significance of the relationship between the organization and the primary government (or its component units) would be such that the exclusion of that organization from the reporting entity's financial statements would render those statements misleading or incomplete." Accordingly, the Foundation is included in the College's financial statements as a discrete component unit.

The Lake-Sumter State College Foundation was incorporated in 1980, under the laws of the State of Florida, as a not-for-profit organization. The Foundation's purpose is to assist and support the College's educational and cultural mission through encouraging philanthropic gifts of money, property, and other materials having educational, artistic, or historical value. These gifts are to be administered with the primary objective of serving purposes other than those for which the State of Florida ordinarily makes appropriations to the College.

Overview of the Financial Statements

The financial statements consist of the Statement of Net Position, Statement of Revenues, Expenses, and Changes in Net Position, and Notes to the Financial Statements. The Statement of Cash Flows provides information regarding net cash from (used in) various activities. This report also includes supplementary information that provides more detail on some of the information in the financial statements.

Overall, total assets exceeded liabilities at December 31, 2020 by \$24,084,420 (net position). Of this amount, \$1,685,173 (unrestricted net position) may be used to meet the ongoing obligations.

The total net position increased \$3,017,315 or 14.3%, due to the gains on investments because of favorable market conditions and fundraising efforts on the part of the Foundation Board. Total net position represents the residual interest in assets after deducting liabilities. The net position includes both expendable and nonexpendable assets.

The Statement of Net Position

The Statement of Net Position summarizes assets less liabilities at year-end. Assets consist primarily of pooled cash and investments of approximately \$24.2 million. Liabilities include amounts owed to the College and vendors. The increase in liabilities of \$65 thousand is attributable to an increase in Account Payable of \$139 thousand due to the timing of payments and a decrease in Unearned Revenue of \$73 thousand due to the cancelation of the Performing Arts Season as a result of the COVID-19 pandemic. For the year ended December 31, 2020 net position totaled \$24.1 million. The major components of this category are funds available for student scholarships, capital projects, and college support of approximately \$15.6 million. The Foundation also has unrestricted net assets of \$1.7 million and permanently restricted nonexpendable net assets of \$6.8 million.

The Statement of Revenues, Expenses, and Changes in Net Position

The Statement of Revenues, Expenses, and Changes in Net Position summarizes revenue and expense activity, categorized as operating and non-operating. Revenues and expenses are recognized when earned or incurred, regardless of when cash is received or paid.

The following summarizes the activity for the 2020 and 2019 fiscal years:

Condensed Statement of Revenues, Expenses, and Changes in Net Position

	(In Thousands)	
	2020	2019
Operating Revenues	\$ 1,622	\$ 1,505

Operating Revenues

Governmental Accounting Standards Board (GASB) Statement No. 35 categorizes revenues as either operating or non-operating. Operating revenues generally result from exchange transactions where each of the parties to the transactions either gives or receives something of equal or similar value.

Operating revenues of \$1.6 million for the year ending December 31, 2020 are mostly comprised of \$1.1 million in Contributions and Grants, \$147 thousand in Special Events Revenue and \$394 thousand in Donated Goods and Services.

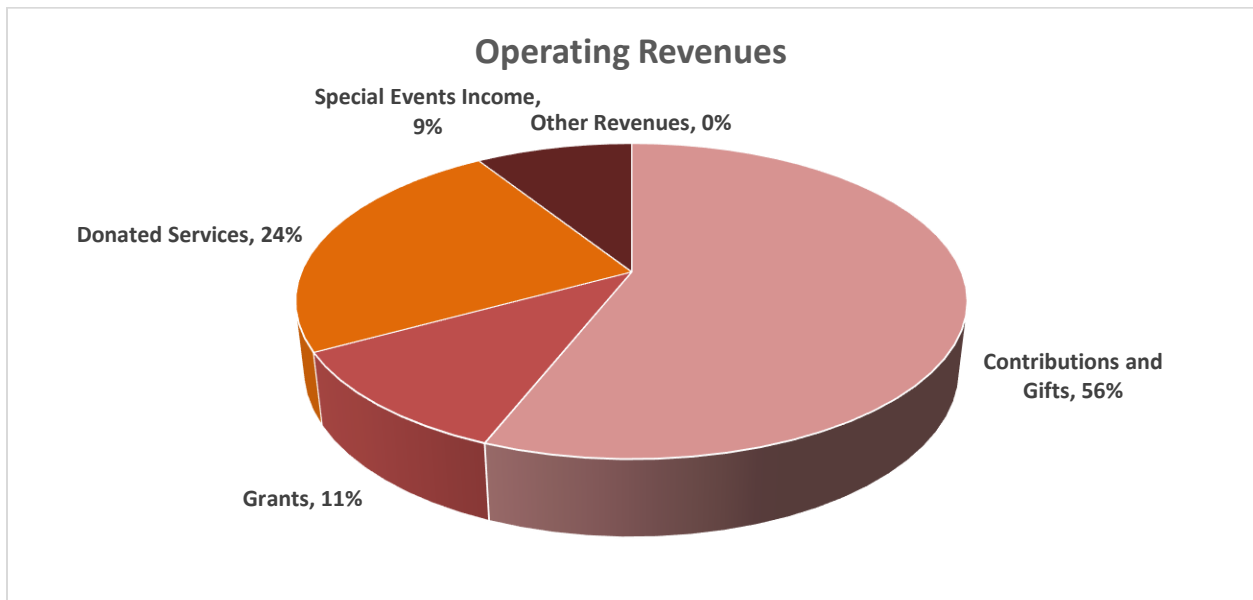

The following summarizes and provides a comparison of the operating revenues by source that were used to fund operating activities for the 2020 and 2019 fiscal years.

Operating Revenues

(In Thousands)

	2020	2019
Contributions	\$ 908	\$ 664
Grants	171	180
Donated Goods and Services	394	321
Special Events Income	148	340
Other Revenues	1	-
Total Operating Revenues	\$ 1,622	\$ 1,505

The following chart provides a graphical presentation of the operating revenues by category for the 2020 fiscal year:

Non-Operating Revenues

Non-Operating Revenue consists of Bank and Interest and Dividends and the Realized and Unrealized Gains/Losses in Investments. Of the total non-operating revenue of \$2.9 million, \$1.6 million is unrealized gain on investments recognized due to favorable market conditions.

Non-Operating Revenues

(In thousands)

	<u>2020</u>	<u>2019</u>
Interest and Dividends	\$ 436	\$ 431
Realized Gains on Investments	\$ 990	\$ 698
Unrealized Gains/Loss on Investment	\$ 1,618	\$ 2,659
Investment Fees	<u>\$ (152)</u>	<u>\$ (147)</u>
Total Non-Operating Revenues	<u>\$ 2,892</u>	<u>\$ 3,641</u>

Operating Expenses

Expenses are categorized as operating or non-operating. The majority of the Foundation expenses are operating expenses as defined by GASB Statement No. 35. GASB gives financial reporting entities the choice of reporting operating expenses in the functional or natural classifications. The Foundation has chosen to report the expenses in their natural classification on the Statement of Revenues, Expenses, and Changes in Net Position.

The Foundation recorded Operating Expenses of \$1.6 million for the 2020 fiscal year. The \$71 thousand decrease from the prior year is mostly attributable to a decrease in Management and General, and Fund Raising expenses because of limited activity due to the COVID-19 pandemic.

Operating expenses consist primarily of scholarships of \$760,127 and support of College programs of \$208,013. Expenses also include \$364,707 in personnel services, which includes salaries, wages and related taxes, and fringe benefits paid to Foundation personnel by the College during the year ending December 31, 2020. Fundraising expenses total \$47,564 and the remaining expenses for management and general, contractual services and materials and supplies total \$187,353.

The following summarizes operating expenses by natural classification for the 2020 and 2019 fiscal years:

Operating Expenses

(In Thousands)

	2020	2019
Personnel	\$ 365	\$ 289
Support of College Programs	208	227
Scholarships	760	626
Management and General	100	154
Contractual Services	43	76
Fundraising	48	201
Materials and Supplies	44	66
Total Operating Expenses	\$ 1,568	\$ 1,639

Additions to Endowments

Additions to Endowments of \$71,328 represents non-expendable gifts received. The contribution to the endowment was higher than the prior year due to donors designating their gifts to nonexpendable funds.

Increase (Decrease) in Net Position

The Net Position at December 31, 2020 increased by \$3,017,315 to \$24,084,420 mostly due to favorable market conditions and fundraising efforts on the part of the Foundation Board.

Statement of Cash Flows

The statement of cash flows provides information about financial results by reporting the major sources and uses of cash and cash equivalents. This statement assists in evaluating the ability to meet financial obligations as they come due. Cash flows from operating activities show the net cash used by the operating activities. Cash flows from capital and related financing activities include all plant funds and related long-term debt activities. Cash flows from investing activities show the net source and use of cash related to purchasing or selling investments.

The following summarizes the cash flows for the 2020 and 2019 fiscal years:

Condensed Statement of Cash Flows

The Foundation's Objectives

The Foundation was established to support the educational programs for the students, faculty and staff at Lake-Sumter State College. The Foundation provides funding for educational scholarships, programs and activities which are not funded by the State-supported operating budget of the College.

The Foundation operates with the purpose of supporting the College’s mission of providing high-quality, accessible programs from enrichment and career training to associate and baccalaureate degrees. As student’s needs and expectations grow, State funding to Florida state colleges becomes increasingly strained. While taxpayers support much of the effort to provide quality education, various educational funding needs remain unmet. Faculty and staff have innovative ideas and projects that advance the College’s mission but cannot always be funded through existing College resources. Student scholarships, special programs and events, and academic program growth are also areas where financial support from the Foundation is critical to the College’s success.

In addition, the Foundation develops and cultivates community involvement as donors and supporters from individuals, businesses, and civic organizations.

The Foundations funding Initiatives include:

- Student Scholarships
- Innovative Project Grants
- Academic Excellence initiatives
- Student success initiatives
- Academic program expansions

Lake-Sumter State College Foundation Inc.
(A COMPONENT UNIT OF LAKE-SUMTER STATE COLLEGE)
NOTES TO FINANCIAL STATEMENTS
December 31, 2020

1. Summary of Significant Accounting Policies

The following is a summary of the more significant accounting policies of Lake-Sumter State College Foundation, Inc. (The Foundation), which affect significant elements of the financial statements:

- A. *Reporting Entity* – The Foundation, incorporated in 1980, is a direct support organization as provided for in Section 240.331, Florida Statutes, and is considered a discrete component unit of Lake-Sumter State College (the College). The Foundation’s principal function is to receive, hold, invest and administer charitable contributions for the College. The Foundation is a not-for-profit corporation as described in Section 501(c) (3) of the Internal Revenue Code (the IRC) and is exempt from federal and state income taxes pursuant to Section 209(a) of the IRC.
- B. *Measurement Focus, Basis of Accounting, and Financial Statement Presentation* – The Foundation prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America for proprietary funds, which is similar to those for private business enterprises. Accordingly, revenues are recorded when earned and expenses are recorded when incurred. As permitted by the Governmental Accounting Standards Board (GASB) Statement of Governmental Accounting Standard (SGAS) Number 20: *Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities that use Proprietary Fund Accounting*.
- C. *Cash and Cash Equivalents* – For purposes of reporting cash flows, the Foundation considers all highly liquid investments with original maturities of three months or less to be cash equivalents.
- D. *Fund Accounting* – To ensure observation of limitations and restrictions placed on the use of resources, the accounts of the Foundation are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund.

When both restricted and unrestricted resources are available for use, it is the Foundation’s policy to use restricted resources first, and then unrestricted resources as they are needed.

The assets, liabilities, and net assets of the Foundation are reported in two fund groups as follows:

Restricted – Within restricted, there are two fund types as follows:

Expendable – Representing funds that are subject to donor, grantor, or other outside party restrictions as to use for the benefit of various programs at the College, including the unspent earnings of endowment funds.

Nonexpendable – Representing the principal portion of endowment funds that are subject to donor, grantor, or other outside party restrictions as to use for the benefit of various programs at the College. Earnings on endowment funds are included in expendable funds for expenditure.

Unrestricted – Representing funds that are available without restriction for carrying out the Foundation’s objectives.

- E. *Operating Activities* – Operating revenues and expenses represent ongoing activities of The Foundation, which are in support of the College’s programs. Operating activities related to the Foundation’s principal functions are to receive and hold charitable contributions for the College. All other revenues and expenses are reported as non-operating activities.
- F. *Revenue Recognition* – Contributions are recognized as increases in net assets when received or when pledged unconditionally.
- G. *Direct Operating Support* – Upon approval by Board of Trustees, the College provides personnel support and donated facilities for office space in the amounts of \$359,901 and \$32,234, respectively.
- H. *Pledges Receivable* –Pledges are recorded as a receivable and revenue in the year made for the current period use.
- I. *Contributions* – Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in expendable or nonexpendable restricted assets depending on the nature of the restrictions. When a restriction expires, expendable restricted net assets are reclassified to unrestricted net assets.
- J. *Use of Estimates* – The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- K. *Investments* – The Foundation follows GASB Statement No. 31, *Accounting and Financial Reporting for Certain Investments and for External Investment Pools*. Under this provision, contributed marketable securities are recorded at fair value at the date of donation. Purchased marketable securities are recorded and carried at fair value with increases and decreases being charged and credited to the statement of revenues, expenses, and changes in net position.

- L. *Property and Equipment* – Purchased property and equipment with a value of \$5,000 or more are capitalized and are stated at historical cost. Donations of property and equipment are recorded as support at their estimated fair value. Depreciation on buildings and equipment is calculated on the straight-line method over the estimated useful lives of the assets.
- M. *Subsequent Events* – The Foundation has evaluated subsequent events for potential recognition and/or disclosure in the December 31, 2020 statements through July 23, 2021.
- N. *Prepaid Items* – Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items.
- O. *Split-Interest Agreements* – The Foundation has adopted GASB Statement No. 81, *Irrevocable Split-Interest Agreements*. In accordance with GASB Statement No. 81, assets received under split-interest agreements are recorded as assets for the resources received or receivable and a Deferred Inflow of Resources for the Foundations irrevocable remainder interest.

Changes in assets recognized pursuant to irrevocable split-interest agreements, such as those resulting from interest, dividends, and changes in fair value, are recognized as an increase or decrease in the related deferred inflow of resources.

For agreements in which the Foundation is the remainder interest beneficiary, the Foundation will recognize revenue for the beneficial interest at the termination of the agreements, as stipulated in the irrevocable split-interest agreement.

2. Cash and Investments

- a) *Cash and cash equivalents* – The cash and cash equivalents reported on the statement of net position is \$1,851,704. The Florida Security for Depositors Act identifies those financial institutions that have deposited the required collateral in the name of the treasurer of the State of Florida as qualified public depositories. The Foundation’s deposits are with qualified public depositories. Therefore, all Foundation cash and cash equivalents deposits are entirely insured by FDIC or Florida’s Multiple Financial Institution Collateral Pool.
- b) *Investments* – The Foundation also maintains accounts with one stock brokerage firm and two bank trust departments. The accounts contain cash and securities; balances are insured up to \$500,000 (with a limit of \$100,000 for cash) by the Securities Investor Protection Corporation.

As of December 31, 2020, the Foundation had the following Cash and Investments:

The Foundation categorizes the fair measurements of its investments based on the hierarchy established by GAAP. The fair value hierarchy, which has three levels, is based on the valuation inputs used to measure an asset's fair value: Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. The Foundation does not have any investments that are measured using Level 2 or 3 inputs.

Fair Value Measurement of the Foundations investments are as follows at December 31, 2020.

Investments	Investment Valuation by Level			
	Fair Value Measurements Using			
	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs

The Foundation mitigates risk by utilizing investment managers to build a portfolio with at prudent risk ranges.

The following risks apply to the Foundation's investment in debt securities:

Interest Rate Risk –Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Foundation's investment policy does not limit investment maturities except with respect to cash equivalents, which must have a maximum average maturity of less than one year. The Foundation manages its exposure to fair value losses from increasing interest rates through the segmented time distribution method.

Credit Risk –Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The Foundation's investment policy limits its fixed income investments to an overall weighted average credit rating of "A" or better by Moody's or better by Standard & Poor's. No more than 15 percent of the fixed income portion of the portfolio shall be rated below investment grade (below Baa/BBB). All commercial paper investments must have a minimum rating of A1/P1 by Standard & Poor's and Moody's, respectively. Obligations of the U.S. Government and obligations explicitly guaranteed by the U.S. Government are not considered to have credit risk. At December 31, 2020 the Foundation's investments in bonds and notes had credit quality ratings by nationally-recognized rating agencies ranging from Baa1 to Aaa by Moody's and from BBB- to AAA by Standard & Poor's.

Custodial Credit Risk – Custodial credit risk is the risk that, in the event of failure of a counterpart to a transaction, the Foundation will not be able to recover the value of investment or collateral securities that are in the possession of an outside party. Lending of the Foundation's portfolio of securities is expressly prohibited by the Foundation's investment policy. While the brokerage and trust accounts are in the name of the Foundation, the securities are actually held in the trust department or agent's name.

Concentration of Credit Risk – Concentration of credit risk is the risk of loss attributed to the magnitude of the Foundation's investment in a single issuer. The Foundation's investment policy limits investments in any one company to no more than seven percent of the equity portion of its portfolio and no more than ten percent of the fixed income portion of its portfolio, and the equity portion of the portfolio must maintain a minimum of twenty positions, with no position of any one issuer exceeding eight percent of the manager's total portfolio. Securities issued by the U.S. Government or its agencies are not subject to these limitations. The policy also provides that no more than five percent of the portfolio may be invested in commercial paper of any one issuer, and no more than \$3,000,000 in bank certificates of deposit of any single issuer, unless the investments are fully collateralized by U.S. Treasury or agency securities. The policy further limits investments in any one economic sector to no more than ten percent of the equity portion of the portfolio may be in American Depository Receipts, and no more than sixty percent of the fixed income portion of the portfolio may be invested in either corporate or mortgage-backed securities.

3. Significant Concentrations

Information related to significant concentrations of revenues and credit risk for financial instruments owned by the Foundation, except as otherwise disclosed, is as follows:

- c) *Cash and cash equivalents* – The Florida Security for Depositors Act identifies those financial institutions that have deposited the required collateral in the name of the treasurer of the State of Florida as qualified public depositories. The Foundation's deposits are with qualified

public depositories. Therefore, all Foundation cash and cash equivalents deposits are entirely insured by FDIC or Florida’s Multiple Financial Institution Collateral Pool.

d) *Investments* – The Foundation also maintains accounts with one stock brokerage firm and two bank trust departments. The accounts contain cash and securities; balances are insured up to \$500,000 (with a limit of \$100,000 for cash) by the Securities Investor Protection Corporation.

e) *Revenues* – The Foundation received significant operating revenue from contributions.

4. Income Taxes

The Internal Revenue Service has recognized Lake-Sumter State College Foundation, Inc. as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. Accordingly, income earned in furtherance of the Foundation’s tax-exempt purpose is exempt from federal and state income taxes and, therefore, these financial statements include no provision or liability for income taxes. As of December 31, 2020, the Foundation had no uncertain tax positions that qualify for recognition or disclosure in the financial statements. Generally, the IRS may review the returns for the past three years.

5. Related Party Balances and Transactions

The Foundation staff members are considered employees of the College. All salaries, benefits, retirement benefits through the Florida Retirement System and payroll taxes are paid through the College. The Foundation is not expected to reimburse the College for such expenses. For the year ending December 31, 2020, the values of those contributed services that can be reasonably estimated are reflected in these financial statements as follows:

Salaries	\$ 256,801
Benefits	103,100
Facilities	<u>32,234</u>
Contributed Services from College	392,135
Other Donated Goods and Services	<u>1,832</u>
Total Donated Goods and Services	<u><u>\$ 393,967</u></u>

6. Net Position

The Foundation classifies its net position into the following categories:

Net Investment in Capital Assets – Represents the Foundation’s total investment in capital assets, net of accumulated depreciation. For the year ending December 31, 2020 the Foundation has no Net Investments in Capital Assets.

Unrestricted – The unrestricted component of net position is the net amount of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets or the restricted component of net position.

Restricted – The restricted component of net position consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets. Generally, a liability relates to restricted assets if the asset results from a resource flow that also results in the recognition of a liability or if the liability will be liquidated with the restricted assets reported.

Nonexpendable Restricted Net Position – Consists of endowment and similar type funds in which donors or other outside sources have stipulated, as a condition of a gift instrument, that the principal is to be maintained inviolate and in perpetuity, and invested for the purpose of producing present and future income, which may either be expended or added to principal.

Expendable Restricted Net Position – Included resources in which the Foundation is legally or contractually obligated to spend resources in accordance with restrictions imposed by external third parties. Expendable Restricted Net Position is broken into four subcategories on the Statement of Net Position as follows:

- *Expendable Endowment* – Endowments with restriction imposed by the donor, primarily consisting of investment earnings from nonexpendable restricted endowments.
- *Expendable Scholarships* – Expendable restricted net position restricted for the use of various scholarships.
- *Expendable Programs* – Donor restricted funds for the use of various college programs not related to scholarships for tuition.
- *Expendable for Capital Projects* – Restricted funds to be used for capital projects of the college in accordance with the restrictions imposed by the donor.

As Schedule of Revenues, Expenses and Changes in Net Position by Restriction is presented in the following Supplementary Information.

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Board of Directors
Lake-Sumter State College Foundation, Inc.
Leesburg, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Lake-Sumter State College Foundation, Inc. (the Foundation), a component unit of the Lake-Sumter State College, as of and for the year ended December 31, 2020, and the related notes to the financial statements, which collectively comprise the Foundation’s basic financial statements, and have issued our report thereon dated July 23, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Foundation’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
