## **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors of  
The Ounce of Prevention Fund of Florida, Inc.  
Tallahassee, Florida

### **Report on the Financial Statements**

We have audited the accompanying financial statements of The Ounce of Prevention Fund of Florida, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Ounce of Prevention Fund of Florida, Inc. as of June 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### *Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, Audit Requirements for Federal Awards, and Chapter 10.650, *Rules of the Auditor General of the State of Florida*, is presented for purposes of additional analysis and is not a required part of the financial statements. In addition, the matching report is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

## **Emphasis of Matter**

As discussed in Note 2 to the financial statements, management has adopted Financial Accounting Standards Board ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*; this new standard provides additional guidance to assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, or as exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional. Additionally, management has adopted Financial Accounting Standards Board ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*; this new standard requires changes to be made in how revenue is recognized and has added multiple new disclosures. Our opinion is not modified with respect to these matters.

## **Other Reporting Required by Government Auditing Standards**

In accordance with Government Auditing Standards, we have also issued our report dated March 17, 2021 on our consideration of The Ounce of Prevention Fund of Florida, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of The Ounce of

Prevention Fund of Florida, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering The Ounce of Prevention Fund of Florida, Inc.'s internal control over financial reporting and compliance.

# The Ounce of Prevention Fund of Florida, Inc.

## Notes to Financial Statements

### **Note 1: DESCRIPTION OF THE ORGANIZATION**

The Ounce of Prevention Fund of Florida, Inc. (the Ounce) is a not-for-profit research and development organization whose mission is to identify, fund and evaluate innovative health, education and social services programs for children and families. The Ounce was incorporated in 1989.

The Ounce is a public/private partnership receiving funds for its programs from government grants and private contributions. Evaluation information for those programs that prove to be effective and cost efficient is shared with legislators and other policy and decision makers to assist the program in finding a source of permanent funding as well as enhancing the probability of replication in other communities. Similarly, data is shared regarding those programs that do not prove to be effective.

Currently, the Ounce is involved in the development, funding and implementation of several demonstration projects and public education initiatives throughout Florida.

A major role of the staff of the Ounce is assistance to local communities in the planning and development of innovative demonstration projects. Once a project is funded, the Ounce staff provides ongoing program development support and training to the local project. Because these are demonstration projects, the ongoing support services are critical to the project's effective implementation and growth. Although program development is provided primarily by the Ounce staff, training may be provided by the Ounce staff or individuals with expertise in specific areas identified by project staff. The Ounce also assists project staff in the development and identification of alternative funding sources.

### **Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### ***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

#### ***Use of Estimates***

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting year. Actual results could differ from those estimates.

**The Ounce of Prevention Fund of Florida, Inc.**  
**Notes to Financial Statements**

**Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

***Cash and Cash Equivalents***

Cash and cash equivalents include cash and all highly liquid investments with an original maturity of 90 days or less.

***Grants and Other Receivables***

Grants and other receivables are stated at unpaid balances, less an allowance for doubtful accounts. The Ounce provides for losses on accounts receivable using the allowance method. The allowance is based on experience, third-party contracts, and other circumstances, which may affect the ability of grantors to meet their obligations. Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms. It is the Ounce's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected. No allowance was deemed necessary by management at June 30, 2020.

***Investments***

The Ounce reports investments in marketable securities with readily determinable fair values and all investments in debt securities at their estimated fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the statement of activities. Ordinary investment income and realized and unrealized gains and losses are recorded in net assets without donor restrictions unless legal compliance or donor restrictions require their retention for a specific purpose. In this case, the ordinary investment income and realized and unrealized gains and losses are recorded in the net assets with donor restrictions. The estimated fair market values are determined based on the quoted market value of the securities. Certificates of deposit are valued at cost which is deemed the fair value of the account.

***Property and Equipment, Net***

All acquisitions of property and equipment in excess of \$1,000 and all expenditures for maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Repairs and maintenance are expensed as incurred. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method.

|                         |              |
|-------------------------|--------------|
| Leasehold improvements  | 4 Years      |
| Furniture and equipment | 3 – 10 Years |

***Net Assets***

The Ounce reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

## The Ounce of Prevention Fund of Florida, Inc. Notes to Financial Statements

### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### *Net Assets (Continued)*

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Ounce, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations. The governing board has designated, from net assets without donor restrictions, net assets for a liquidity reserve.

Net assets with donor restrictions are resources that are subject to donor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that the resources be maintained in perpetuity.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

#### *Revenue Recognition*

Private contracts are accounted for under ASC Topic 606, Revenue from Contracts with Customers (ASC 606), recognizing revenue when performance obligations under the terms of the contracts with customers are satisfied. Prior to the adoption of ASC 606, the Company recognized revenue when persuasive evidence of an arrangement existed, delivery of products had occurred, the sales price was fixed or determinable and collectability was reasonably assured.

Contributions are recognized when cash, other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly released the restriction. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as net assets without donor restrictions.

The Ounce performs administrative services for specified agencies under state and federal grant agreements, primarily with DCF and DOH. These services are provided by the Ounce under a fixed price agreement based on units of service delivered. The contracts are performance-based with specified program outputs and evaluation measures. No commensurate value is received by DCF or DOH in return as the Ounce's services are provided to the agencies and ultimately the general public. Based on these factors, grants are considered conditional contributions and revenues are recognized as allowable costs for services are provided.

## The Ounce of Prevention Fund of Florida, Inc. Notes to Financial Statements

### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### ***In-Kind Contributions***

Recognized donated services for the Ounce are reported in the period donated as in-kind contributions within the statement of activities. Recognized donated services include services that require specialized skills that are provided by entities or persons possessing those skills, and would need to be purchased if they were not donated. Services, which consist primarily of media airtime related to public service announcements, are reported at the fair market value of the airtime provided. These services were primarily used as part of the Ounce of Prevention Fund of Florida program.

#### ***Functional Allocation of Expenses***

Directly identifiable expenses are charged to programs and supporting services. Expenses related to payroll, payroll taxes, and employee benefits are allocated based on actual percentages of time spent in each functional area. Expenses related to maintenance and upkeep of the entire facility are allocated across functional areas based on a fixed percentage.

#### ***Fundraising***

Resource development on the statement of activities represents the Ounce's cost of fundraising efforts.

#### ***Income Taxes***

The Ounce has received a determination letter from the Internal Revenue Service for exemption from income taxes except for taxes on unrelated business income under Section 501(c)(3) of the Internal Revenue Code, and has been classified as an other-than-private foundation. The Ounce utilizes the accounting requirements associated with uncertainty in income taxes using the provisions of Financial Accounting Standards Board (FASB) ASC 740, *Income Taxes*. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the positions will be sustained upon examination by the tax authorities. It also provides guidance for derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. As of June 30, 2020, the Ounce has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

#### ***Subsequent Events***

Management has evaluated subsequent events through the date that the financial statements were available to be issued, March 17, 2021. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

**The Ounce of Prevention Fund of Florida, Inc.**  
**Notes to Financial Statements**

**Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

***Recent Accounting Pronouncements***

Accounting Standards Update 2018-08

In June 2018, the FASB issued ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The amendments in this update should assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, or as exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional. The ASU was effective for the Ounce beginning July 1, 2019, and applicable portions of the guidance have been applied to the Ounce's financial statements for the year ended June 30, 2020. The ASU has been applied on the modified prospective basis, meaning it has been applied to the unrecognized portion of agreements that were not completed as of the effective date, and agreements entered into after the effective date. This resulted in no change in how revenue is being recognized, and no adjustment was needed; however, amounts previously classified as deferred revenue have been reclassified as refundable advances in the statements of financial position.

Accounting Standards Update 2014-09

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*. This guidance specifies that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. This ASU and its amendments will supersede the revenue recognition requirements in Topic 605, *Revenue Recognition*, and most industry specific guidance. Effective July 1, 2019, the Ounce adopted ASC 606 using the modified retrospective method to all contracts. This method allows the standard to be adopted retrospectively through a cumulative adjustment recognized upon adoption.

***Accounting Standards Not Yet Adopted***

Accounting Standards Update 2016-02

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. The guidance in this ASU and its amendments supersedes the leasing guidance in Topic 840, *Leases*. Under the guidance, lessees are required to recognize lease assets and lease liabilities on the statement of financial position for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the statement of activities. For nonpublic entities, the standard is effective for fiscal years beginning after December 15, 2020. Early adoption is permitted. The Ounce is currently evaluating the impact of the guidance on its financial statements.

**The Ounce of Prevention Fund of Florida, Inc.**  
**Notes to Financial Statements**

**Note 3: LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS**

The Ounce maintains its financial assets primarily in cash and cash equivalents and investments to provide liquidity to ensure funds are available as the Ounce's expenditures come due. The following reflects the Ounce's financial assets as of the statement of financial position date, reduced by amounts not available for general use within one year of the statement of financial position date because of contractual or donor-imposed restrictions.

| <i>June 30,</i>  | 2020         |
|--|--------------|
| Financial assets, at year-end  | \$ 7,894,635 |
| Less non-financial assets  |              |
| Prepaid expenses   | (103,700)    |
| Property and equipment, net  | (14,386)     |
| Financial assets available to meet cash needs for general expenditures within one year | \$ 7,776,549 |

As part of the Ounce's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The board periodically designates a portion of any operating surplus to its liquidity operating reserve, which was \$1,461,617 as of June 30, 2020. The reserves may be drawn upon, after board authorization, in the event of financial distress or an immediate liquidity need resulting from events outside the typical life cycle of converting financial assets to cash or settling financial liabilities.

**Note 4: GRANTS AND OTHER RECEIVABLES**

Amounts due from the State of Florida include amounts receivable under grant agreements between the Ounce and the State of Florida. Other receivables include amounts receivable under grant agreements between the Ounce and other organizations. Management believes that these amounts are fully collectible. Therefore, no allowance for doubtful accounts is considered necessary.

**Note 5: INVESTMENTS**

Investments in marketable securities consist of the following:

|  | Cost         | Market Value |
|--|--------------|--------------|
| Debt and equity securities                     | \$ 1,004,854 | \$ 1,309,024 |
| Money market funds and certificates of deposit | 152,593      | 152,593      |
| Total investments                              | \$ 1,157,447 | \$ 1,461,617 |

**The Ounce of Prevention Fund of Florida, Inc.**  
**Notes to Financial Statements**

**Note 6: PROPERTY AND EQUIPMENT, NET**

Property and equipment, net consisted of the following:

| <i>June 30</i>                | 2020       |
|-------------------------------|------------|
| Furniture and equipment       | \$ 243,607 |
| Leasehold improvements        | 17,000     |
| Total property and equipment  | 260,607    |
| Less accumulated depreciation | (246,221)  |
| Property and equipment, net   | \$ 14,386  |

Depreciation expense for the year ended June 30, 2020 was \$13,348.

In accordance with the terms of the State of Florida contracts, title to property and equipment purchased with contract funds shall be vested with the State upon termination of the applicable contract.

**Note 7: NET ASSETS**

A summary of net assets without donor restrictions follows:

| <i>June 30</i>                              | 2020         |
|---|--------------|
| Undesignated                                | \$ 715,389   |
| Board designated                            |              |
| Liquidity reserve                           | 1,461,617    |
| Total net assets without donor restrictions | \$ 2,177,006 |

**Note 8: REVENUE**

The Ounce's primary revenue source is from state and federal grants. The Ounce's revenue from contracts with customers primarily relates to private corporations, trusts, and foundations.

Revenue for private contracts is recognized as services are provided to customers over the contract period, where revenue is recognized for the goods or services at the point when the related expense is incurred.

**The Ounce of Prevention Fund of Florida, Inc.**  
**Notes to Financial Statements**

**Note 8: REVENUE (Continued)**

A summary of disaggregated revenue information follows:

| <i>For the years ended June 30,</i>    | <i>2020</i>          |
|--|----------------------|
| <hr/>                                  |                      |
| Revenue from contracts with customers  |                      |
| <i>Recognized at a point in time</i>   |                      |
| Private contracts                      | \$ 1,083,641         |
| Other revenue and support              |                      |
| Grant revenue                          | 30,766,067           |
| In-kind contributions                  | 2,696,163            |
| Contributions                          | 12,541               |
| Interest and other income              | 88,723               |
| <hr/>                                  |                      |
| <b>Total revenue and other support</b> | <b>\$ 34,647,135</b> |
| <hr/> <hr/>                            |                      |

Contract balances for contracts with customers include the following:

|  |           |
|--|-----------|
| Contract assets                              |           |
| Receivable from contracts, beginning of year | \$ 8,179  |
| Receivable from contracts, end of year       | \$ 32,418 |

Receivable from contracts is presented as other receivables in the statement of financial position.

**Note 9: FAIR VALUE MEASUREMENTS**

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

*Level 1:* Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

*Level 2:* Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

## The Ounce of Prevention Fund of Florida, Inc. Notes to Financial Statements

### Note 9: FAIR VALUE MEASUREMENTS (Continued)

- Inputs, other than quoted prices, that are:
  - observable; or
  - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2020.

*Corporate bonds and U.S. treasury notes:* Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Ounce are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Ounce are deemed to be actively traded.

*Money market funds and certificates of deposit:* Valued at cost which is deemed the fair value of the account.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Ounce believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

**The Ounce of Prevention Fund of Florida, Inc.**  
**Notes to Financial Statements**

**Note 9: FAIR VALUE MEASUREMENTS (Continued)**

Assets and liabilities measured at fair value on a recurring basis, are summarized for the year ended June 30, 2020:

|  | Level 1             | Level 2     | Level 3     | Total               |
|--|---------------------|-------------|-------------|---------------------|
| Corporate bonds                                | \$ 103,853          | \$ -        | \$ -        | \$ 103,853          |
| U.S. treasury notes                            | 128,728             | -           | -           | 128,728             |
| Mutual funds                                   | 1,076,442           | -           | -           | 1,076,442           |
| Money market funds and certificates of deposit | 152,593             | -           | -           | 152,593             |
| <b>Total investments at fair value</b>         | <b>\$ 1,461,616</b> | <b>\$ -</b> | <b>\$ -</b> | <b>\$ 1,461,616</b> |

***Changes in Fair Value Levels***

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Management evaluated the significance of transfer between levels based upon the nature of the financial instrument and size of the transfer relative to total assets. For the year ended June 30, 2020, there were no significant transfers in or out of Levels 1, 2 or 3.

**Note 10: CONCENTRATIONS OF RISK**

The Ounce maintains cash with financial institutions in excess of the FDIC limit of \$250,000 by \$2,324,237 at June 30, 2020.

During the year ended June 30, 2020, the Ounce received grant revenues of approximately \$28,763,088 from the Florida Department of Children and Families. At June 30, 2020, the Ounce had \$2,792,949 receivable under grant agreements with the Florida Department of Children and Families.

**Note 11: COMMITMENTS**

The Ounce leases office and parking space under an agreement accounted for as an operating lease. Rent expense under this lease was \$271,992 for the fiscal year. Future rent payments are as follows:

**Rent commitments**

| <i>For the year ending June 30,</i> | Amount            |
|-------------------------------------|-------------------|
| 2021                                | \$ 282,872        |
| <b>Total</b>                        | <b>\$ 282,872</b> |

**The Ounce of Prevention Fund of Florida, Inc.**  
**Notes to Financial Statements**

**Note 11: COMMITMENTS (Continued)**

**Subrecipients**

As of and subsequent to June 30, 2020, the Ounce executed grant agreements totaling \$29,729,368 with subrecipients for the fiscal year ending June 30, 2021. These subrecipients will perform services in accordance with grants received from the State of Florida's Department of Health, Department of Children and Families, and Department of Education.

**Note 12: RETIREMENT PLAN**

The Ounce maintains a 403(b) plan on behalf of all full-time employees. The Ounce contributes 5% of each full-time employee's annual salary to the plan. If the employee contributes up to 5% of their annual salary to the plan, the Ounce will match the employee's contribution to the plan. Total contributions to the 403(b) plan totaled \$190,663 for the year ended June 30, 2020.

**Note 13: RELATED PARTIES**

In-kind contributions of media airtime related to public service announcements were donated by an entity where the Ounce's board member is a key member of management. For the year ended June 30, 2020, amounts from this entity totaled \$2,464,682 of the total \$2,696,163 in-kind contributions reported in the statement of activities.

**Note 14: UNCERTAINTIES**

In March 2020, the World Health Organization made the assessment that the outbreak of a novel coronavirus (COVID-19) can be characterized as a pandemic. As a result, broad domestic and international stock market indices have declined and the Ounce's fair value of investments has declined similarly. Such declines in the fair value of investments held by the Ounce may materially and adversely impact the Ounce's ability to achieve its investment objectives and therefore, its operational objectives. In addition, the extent to which these events will affect the amounts reported in future financial statements remains uncertain.

**OTHER REPORTS**

**INDEPENDENT AUDITORS' REPORT  
ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT  
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of  
The Ounce of Prevention Fund of Florida, Inc.  
Tallahassee, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of The Ounce of Prevention Fund of Florida, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 17, 2021.

***Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered The Ounce of Prevention Fund of Florida, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of The Ounce of Prevention Fund of Florida, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Ounce's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### ***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether The Ounce of Prevention Fund of Florida, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### ***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Ounce's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

*Carr, Riggs & Ingram, L.L.C.*

CARR, RIGGS & INGRAM, LLC

Tallahassee, Florida

March 17, 2021

**INDEPENDENT AUDITORS' REPORT  
ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT  
AND ON INTERNAL CONTROL OVER COMPLIANCE  
REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650,  
RULES OF THE AUDITOR GENERAL**

To the Board of Directors of  
The Ounce of Prevention Fund of Florida, Inc.  
Tallahassee, Florida

**Report on Compliance for Each Major Federal Program and State Project**

We have audited The Ounce of Prevention Fund of Florida, Inc.'s compliance with the types of compliance requirements described in the OMB Compliance Supplement and the requirements described in the Department of Financial Services' State Projects Compliance Supplement, that could have a direct and material effect on each of The Ounce of Prevention Fund of Florida, Inc.'s major federal programs and state projects for the year ended June 30, 2020. The Ounce of Prevention Fund of Florida, Inc.'s major federal programs and state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal and state statutes, regulations, and terms and conditions of its federal awards and state financial assistance applicable to its federal programs and state projects.

***Auditors' Responsibility***

Our responsibility is to express an opinion on compliance for each of The Ounce of Prevention Fund of Florida, Inc.'s major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations*, Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.650, Rules of the Auditor General. Those standards, the Uniform Guidance, and Chapter 10.650, Rules of the Auditor General require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program and state project occurred. An audit includes examining, on a test basis, evidence about The Ounce of Prevention Fund of Florida, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of The Ounce of Prevention Fund of Florida, Inc.'s compliance.

### ***Opinion on Each Major Federal Program and State Project***

In our opinion, The Ounce of Prevention Fund of Florida, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2020.

### **Report on Internal Control Over Compliance**

Management of The Ounce of Prevention Fund of Florida, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered The Ounce of Prevention Fund of Florida, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of The Ounce of Prevention Fund of Florida, Inc.'s internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

**SUPPLEMENTARY INFORMATION**

## The Ounce of Prevention Fund of Florida, Inc. Matching Report

The Ounce of Prevention Fund of Florida, Inc. reports media match to the Florida Department of Health as part of the COHS4 grant agreement. Grant COHS4 with the Florida Department of Health is a one-year grant totaling \$1,900,000 for the term of July 1, 2019 to June 30, 2020. The grant provides \$250,000 for statewide public education campaigns on television and radio. Leveraging these dollars, the 2019-2020 General Appropriations Act (House Bill 5001), Section 3, line item 449 directs The Ounce of Prevention Fund of Florida, Inc. to contract with a not-for-profit corporation that provides matching funds in a three to one ratio for this purpose.

|  |              |
|--|--------------|
| Media expense required under Contract COHS4 per above  | \$ 750,000   |
| Total in-kind media provided by The Ounce of Prevention Fund of Florida, Inc. under the terms of this contract | \$ 1,963,220 |

**The Ounce of Prevention Fund of Florida, Inc.**  
**Notes to Schedule of Expenditures of Federal Awards**  
**and State Financial Assistance**  
**Year ended June 30, 2020**

**Note 1: BASIS OF PRESENTATION**

The accompanying schedule of expenditures of federal awards and state financial assistance includes the federal and state grant activity of The Ounce of Prevention Fund of Florida, Inc. The information in the schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, Audits of States, Local Governments, and Non-Profit Organizations*, and Chapter 10.650, *Rules of the Auditor General*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the presentation of, the basic financial statements.

For purposes of the Schedule, federal and state awards include all grants, contracts, and similar agreements entered into directly with the federal government and State of Florida and other pass through entities. The Ounce of Prevention Fund of Florida, Inc. has obtained Catalog of Federal Domestic Assistance (CFDA) and Catalog of State Financial Assistance (CSFA) numbers to ensure that all programs have been identified in the schedule.

Federal programs with different CFDA numbers that are closely related because they share common compliance requirements are defined as a cluster by the Uniform Guidance. Affordable Care Act (ACA) Maternal, Infant, and Early Childhood Home Visiting Program (CFDA 93.505) and Maternal, Infant, and Early Childhood Home Visiting Grant Program (CFDA 93.870) are reported as a cluster in the schedule.

**Note 2: BASIS OF ACCOUNTING**

The Schedule was prepared on the modified accrual basis of accounting. Fixed assets are included in the Schedule in the period in which they are purchased and placed in service. Depreciation expense is not included in the Schedule.

**Note 3: INTEREST EARNED**

Interest earned on certain grant funds are applied to the applicable program. Therefore, certain grant expenditures may exceed the award amount.

**The Ounce of Prevention Fund of Florida, Inc.  
Notes to Schedule of Expenditures of Federal Awards  
and State Financial Assistance  
Year ended June 30, 2020**

**Note 4: CONTINGENCIES**

Grant monies received and disbursed by The Ounce of Prevention Fund of Florida, Inc. are subject to review by the grantor agencies. Such audits may result in requests for reimbursement due to disallowed expenditures. Based upon prior experience, The Ounce of Prevention Fund of Florida, Inc. does not believe that such disallowance, if any, would have a material effect on the financial position of The Ounce of Prevention Fund of Florida, Inc. As of June 30, 2020, there were no material questioned or disallowed costs as a result of grant audits in process or completed.

**Note 5: NONCASH ASSISTANCE**

The Ounce of Prevention Fund of Florida, Inc. did not receive any federal or state noncash assistance for the fiscal year ended June 30, 2020.

**Note 6: INDIRECT COST RATE**

The Ounce of Prevention Fund of Florida, Inc. has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

**Note 7: FEDERALLY FUNDED INSURANCE**

The Ounce did not receive federally funded insurance during the fiscal year ended June 30, 2020.

**Note 8: FEDERALLY FUNDED LOANS**

The Ounce has no federally funded loans as of June 30, 2020. No funds were expended in the form of loan or loan guarantees during the fiscal year ended June 30, 2020.
