Report on the Financial Statements

We have audited the accompanying combined financial statements of Youth Crisis Center, Inc. and YCCP, Inc. (not-for-profit corporations), which comprise the combined statements of financial position as of June 30, 2020 and 2019, and the related combined statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the combined financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform our audits to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the combined financial position of Youth Crisis Center, Inc., and YCCP, Inc. as of June 30, 2020 and 2019, and the changes in its combined net assets and its combined cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the combined financial statements as a whole. The accompanying schedule of expenditures of federal awards and state funding is presented, as required by Chapter 10.650, Rules of the Auditor General for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 7, 2020, on our consideration of Youth Crisis Center, Inc., and YCCP, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to solely describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Youth Crisis Center, Inc. and YCCP, Inc.'s internal control over financial reporting and compliance.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The Schedules of Source and Expenditure of City Grant Funds on pages 19-20 are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. This information has been subjected to the auditing procedures applied in our audits of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole, and the nature of the expenses relating to the City of Jacksonville grant proceeds are in compliance with Ordinance Section 118.

The information on pages 21 through 22 is presented for the purpose of additional analysis and is not a required part of the basic combined financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic combined financial statements and, in our opinion is fairly stated, in all material respects, in relation to the basic combined financial statements taken as a whole.

**NOTES TO COMBINED FINANCIAL STATEMENTS
Years Ended June 30, 2020 and 2019**

A. Nature of Business:

The Youth Crisis Center, Inc. (“YCC”) is a multi-service not-for-profit organization incorporated on January 20, 1982, after being operated by the City of Jacksonville since 1974. YCC is fully accredited by the Council on Accreditation (COA) as of October 2013. YCC operates a program to house runaway, lockout, ungovernable and truant youths between the ages of 10-17 years and provides counseling to families on an outpatient basis. YCC maintains one residential facility in Jacksonville, Florida with family counseling offices and administrative offices in separate buildings. YCC also provides an array of prevention services in schools and the community.

YCCP, Inc. (YCCP) is related to YCC through partial common control. Properties manage the building and land that YCC occupies and commonly reimburses YCC for direct and indirect costs incurred on its behalf. YCC pays rent to Properties for use of its facility.

The City of Jacksonville deeded the property occupied by the residential facility and administrative offices to the Foundation in 2004, and another adjacent parcel in 2005. The Village hosts a Transitional Living program to help young adults move confidently into adulthood. The goal of Touchstone Village is to move these youths from risk to opportunity by giving them a solid foundation as they move into adulthood with an education and marketable skills.

For purposes of these notes to the combined financial statements, the combined entities of Youth Crisis Center, Inc. and YCCP, Inc. are referred to as “the Organization.”

B. Summary of Significant Accounting Policies:

Basis of Accounting:

The combined financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Basis of Presentation— New Accounting Pronouncement:

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board's Accounting Standard Codification for Financial Statements of Not-for-Profit Organizations (ASC 958). Under ASC 958, the Organization is required to report information regarding its financial position and activities according to two classes, net assets without donor restrictions and net asset with donor restrictions. For the year ended June 30, 2020, the Organization has adopted ASU 2018-08, “*Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made (Topic 958)*”. This amendment was implemented using a modified prospective basis and had no effect on any amounts previously reported. ASU 2020-05 was issued in June of 2020 to delay the issuance of ASU 2014-09 “*Revenue from Contracts with Customers (Topic 606)*” which is to be effective for the Organization for the year ended June 30, 2021. Management is assessing the impact of this standard on the Organization’s financial reporting but does not expect it to change in any material way.

(continued)

B. Summary of Significant Accounting Policies (continued):

Related Parties:

The combined financial statements include the accounts of YCCP, which provides property management services to YCC. All significant inter-company accounts and transactions have been eliminated.

Cash and Cash Equivalents:

For purposes of the statement of cash flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Accounts Receivable:

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for an allowance for doubtful accounts based on known facts and estimates based on experience. The allowance for doubtful accounts was \$15,000 and \$171,000 at June 30, 2020 and 2019, respectively.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Expense Allocation:

The costs of providing program services, management and fund-raising activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Program service costs that can be directly identified with a program are charged to the appropriate program, costs that can be directly identified as fund-raising are charged to fund-raising expense. Supporting services, including administration and senior management costs are allocated to programs, management and general and fund raising based on estimates of time spent on those activities.

Income Taxes:

YCC is recognized by the Internal Revenue Service as not-for-profit under Section 501(c)(3) of the Internal Revenue Code and is, therefore, exempt from income taxes. YCCP is recognized by the Internal Revenue Service as not-for-profit under Section 501(c)(2) of the Internal Revenue Code and is, therefore, exempt from income taxes. They are not private foundations.

The Organization takes tax positions which it feels are adhering to the laws established by the taxing authorities. The Organization doesn't believe it has taken any uncertain tax positions which could subject it to penalties or interest; therefore, none have been accrued in the accompanying financial statements.

B. Summary of Significant Accounting Policies (continued):

Investments:

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values on the statement of financial position. Unrealized gains and losses are included in the change in net assets.

Property and Equipment:

Property, improvements, equipment and donated assets are capitalized if their fair value is greater than or equal to \$1,000. Assets that are repaired where the costs are greater than or equal to \$1,000 and the assets' life is extended are also capitalized; otherwise they are expensed. Property and equipment are recorded at cost if purchased and at fair market value if donated. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Depreciation is computed using primarily the straight-line method over the estimated useful lives, which ranges from 3 to 40 years.

Donated Services:

No amounts have been reflected in the financial statements for donated services. The Organization generally pays for services regarding specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization, but these services do not meet the criteria for recognition as donated services. The Organization received 715 and 851 volunteer hours for the years ended June 30, 2020 and 2019, respectively.

Contributions and Support Without and With Donor Restrictions:

Contributions and support received are recorded either without or with donor restrictions, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires (that is, when a stipulated time restriction ends, or purpose restriction is accomplished) in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

F. Fair Value Measurements:

The Financial Accounting Standards Board's Accounting Standards Codification on *Fair Value Measurements* (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The Organization uses appropriate valuation techniques based on the available inputs to measure the fair value of its

investments. When available, the Organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The hierarchy is measured in three levels based on the reliability of the inputs:

- Level 1 Valuations based on unadjusted quoted prices in active markets for identical assets that the Organization has the ability to access at the measurement date.
- Level 2 Valuations based on inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. Observable inputs include quoted prices for similar assets in active or non-active markets.
- Level 3 Valuations derived through the use of valuation models or methodologies using significant unobservable inputs. Level 3 valuations incorporate certain assumptions and projections that are not observable in the market and as a result significant professional judgment may be used in determining the fair values.

The following are the major categories of assets measured at fair value on a recurring basis during the years ended:

G. Concentration of Credit Risk Arising from Cash Deposits in Excess of Insured Limits:

The Organization maintains cash balances at various financial institutions located in Jacksonville, Florida. The balances for interest-bearing accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000 per customer. At times, deposits may exceed federally insured limits. Cash in excess of insured limits at June 30, 2020 and 2019 was \$603,073 and \$214,811, respectively.

K. Pension Plan:

YCC sponsors a defined contribution pension plan covering substantially all of its employees. YCC's funding policy is to contribute a certain percentage of the employee's gross salary depending upon each individual employee's years of service. YCC contributed \$17,773 and \$13,982 during the years ended June 30, 2020 and 2019, respectively.

L. Related Party Transactions:

Rental income and expense of \$223,176 for each of the years ending June 30, 2020 and 2019, paid by YCC to Properties, have been eliminated from the rental income and occupancy expense in the combining financial statements. For the years ended June 30, 2020 and 2019 unrestricted contributions of \$223,176 were paid by YCCP to YCC and have been eliminated from the combined contribution income and expense.

M. Reclassifications:

Certain accounts in the 2019 financial statements have been reclassified to conform to the 2020 presentation, with no effect on total net assets as previously reported.

N. Subsequent Events:

The Organization has evaluated subsequent events through December 7, 2020 the date the financial statements were available to be issued.

Payroll Protection Program Loan

The novel strain of the coronavirus (Covid-19) in the United States has caused widespread economic disruptions in nearly every sector of the economy. In order to alleviate some of the financial hardships associated with the disease, a Paycheck Protection Program (PPP) loan was created by the federal government. The Organization took part in the PPP and received a loan of \$541,810 on August 7, 2020. Under the program, the Organization can qualify for full forgiveness of the balance should they adhere to certain expense and personnel level guidelines. Any portion not qualifying for forgiveness will be converted to a conventional loan with an interest rate of 1% and be required to be paid back over 2 years. The Organization anticipates it will qualify for total forgiveness of the loan.

O. Concentrations of Revenue:

For the years ended June 30, 2020 and 2019, 85% and 86%, respectively, of unrestricted revenue was provided by governmental sources.

P. Matching Grant:

The Delores Barr weaver Fund through the Community Foundation for Northeast Florida has awarded the Organization a grant of up to \$100,000 to fund the House of Hope Emergency Shelter. As of June 30, 2020 the Organization has received qualifying matching funds of \$95,500.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
Youth Crisis Center, Inc.
YCCP, Inc.
Jacksonville, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Youth Crisis Center, Inc. and YCCP, Inc. (not-for-profit corporations), which comprise the combined statement of financial position as of June 30, 2020 and the related combined statements of activities, and cash flows for the year then ended, and the related notes to the combined financial statements, and have issued our report thereon dated December 7, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the combined financial statements, we considered Youth Crisis Center, Inc., and YCCP, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the combined financial statements, but not for the purpose of expressing an opinion on the effectiveness of Youth Crisis Center, Inc., and YCCP, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Youth Crisis Center, Inc., and YCCP, Inc.'s combined financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH
MAJOR STATE PROJECT AND REPORT ON INTERNAL
CONTROL OVER COMPLIANCE REQUIRED BY
CHAPTER 10.650 RULES OF THE AUDITOR GENERAL

Board of Directors
Youth Crisis Center, Inc.
YCCP, Inc.
Jacksonville, Florida

Report on Compliance for Each Major State Project

We have audited Youth Crisis Center, Inc., and YCCP, Inc.'s (a not-for-profit corporations) compliance with the types of compliance requirements described in the in the Department of financial Services' *State Projects Compliance Supplement*, that could have a direct and material effect on each of Youth Crisis Center, Inc., and YCCP, Inc.'s major State projects for the year ended June 30, 2020. Youth Crisis Center, Inc., and YCCP, Inc.'s major State projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its State projects.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Youth Crisis Center, Inc., and YCCP, Inc.'s major State projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Chapter 10.650 Rules of the Auditor General. Those standards, and Chapter 10.650, Rules of the Auditor General, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major State project occurred. An audit includes examining, on a test basis, evidence about Youth Crisis Center, Inc., and YCCP, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major State project. However, our audit does not provide a legal determination of Youth Crisis Center, Inc., and YCCP, Inc.'s compliance.

Opinion on Each Major State Project

In our opinion, Youth Crisis Center, Inc., and YCCP, Inc.'s. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major State projects for the year ended June 30, 2020.

Report on Internal Control Over Compliance

Management of Youth Crisis Center, Inc., and YCCP, Inc.'s. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Youth Crisis Center, Inc., and YCCP, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major State project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major State project and to test and report on internal control over compliance in accordance with Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Youth Crisis Center, Inc., and YCCP, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a State project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a State project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a State project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Chapter 10.650 Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS
Year Ended June 30, 2020
(continued)

Financial Statement Findings:

There are no significant deficiencies, material weaknesses, or instances of noncompliance related to the financial statements that are required to be reported in accordance with Government Auditing Standards.

Major State Projects Findings and Questioned Costs:

There are no significant deficiencies, material weaknesses, or instances of noncompliance including questioned costs that are required to be reported in accordance with Chapter 10.650, Rules of the Auditor General.

Other Matters:

The management letter required by A.G. Rule Section 10.656(3)(e) is not included in this report because there were no findings required to be reported that were not addressed in the Financial Statement Findings.

A Corrective Action Plan is not required because there were no findings required to be reported under the State Single Audit Acts.

A Summary Schedule of Prior Audit Findings is not presented because there were no prior audit findings related to State programs.
