Board of Directors
Big Brothers Big Sisters of Tampa Bay, Inc.

Report on Financial Statements

We have audited the accompanying financial statements of Big Brothers Big Sisters of Tampa Bay, Inc. (the Organization), which comprise the statements of financial position as of August 31, 2021 and 2020, and the related statements of activities and cash flows for the years then ended, the related statement of functional expenses for the year ended August 31, 2021, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Big Brothers Big Sisters of Tampa Bay, Inc. as of August 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Organization's 2020 financial statements and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 18, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended August 31, 2020, is consistent, in all material respects, with the audited financial statements from which it was derived.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of state financial assistance, as required by *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.650, *Rules of the Auditor General, State of Florida* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 16, 2021, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTES TO THE FINANCIAL STATEMENTS
AUGUST 31, 2021 AND 2020

NOTE A - NATURE OF ORGANIZATION

Big Brothers Big Sisters of Tampa Bay, Inc. (the Organization) is a not-for-profit organization whose mission is to create and support one-to-one mentoring relationships that ignite the power and promise of youth. With a focus on educational success and avoidance of risky behaviors, the Organization provides services in Alachua, Hillsborough, Marion, Pinellas, Polk, Pasco, Hernando, Citrus, and Sumter Counties. The Organization uses a case management approach to service delivery. The primary providers of direct services are volunteers who serve as mentors through match relationships within community or school-based program components. The Organization thoroughly screens volunteers who make a commitment in order to assure a regular, consistent relationship for the child. Professional staff monitors the service delivery and tracks both the progression of the match relationship and each client and volunteer on a case-by-case basis. Professional staff assists participants in developing and maintaining positive and beneficial mentoring relationships.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Revenue is reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions.

Contributions are recognized when the donor makes a promise to give to the Organization, that is, in substance, unconditional.

Measure of Operations

The statements of activities report all changes in net assets, including changes in net assets from operating and nonoperating activities. Operating activities consist of those items attributable to the Organization's ongoing services. Nonoperating activities, if any, are limited to other activities considered to be of a more unusual or nonrecurring nature.

NOTES TO THE FINANCIAL STATEMENTS
AUGUST 31, 2021 AND 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates. Significant estimates included in the financial statements include allocation of expenses by function, useful lives of depreciable assets, fair value of certain investment assets, and the allowance for uncollectable pledges.

Fair Value Measurement

The financial statements are prepared in accordance with an accounting standard, for all financial assets and liabilities and for nonfinancial assets and liabilities recognized or disclosed at fair value in the financial statements or on a recurring basis (at least annually). Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on a measurement date. The standard also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. There are three levels of inputs that may be used to measure fair value:

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.
- Level 3: Unobservable inputs that are not corroborated by market data.

Cash and Restricted Cash

Cash consists of cash on deposit with financial institutions and petty cash funds. The Organization considers all highly liquid investments with an initial maturity of three months or less as cash. The Organization maintains a separate cash account for the restricted scholarship funds. This restricted cash account totaled \$6,430 and \$8,432 at August 31, 2021 and 2020, respectively.

Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash held in financial institutions in excess of federally insured limits. From time to time throughout the years ended August 31, 2021 and 2020, the Organization's cash balance may have exceeded the federally insured limit. However, the Organization has not experienced and does not expect to incur any losses in such accounts.

Grants and Other Receivables

The Organization records a receivable and revenue at the time funds are earned. Management estimates the allowance for uncollectible grants and other receivables based on a review of the individual receivables outstanding as of the end of the year. Management writes off receivables as identified against the allowance amount. As of August 31, 2021 and 2020, the Organization considered all receivables to be fully collectible and no allowance was necessary.

BIG BROTHERS BIG SISTERS OF TAMPA BAY, INC.
NOTES TO THE FINANCIAL STATEMENTS
AUGUST 31, 2021 AND 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Unconditional Promises to Give

Unconditional promises to give that are expected to be collected within one year are recorded as contributions receivable at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated cash flows. Conditional promises to give are not included as support until the conditions are substantially met.

Unconditional promises to give which are due in more than one year are recorded at estimated fair value by discounting future cash flows using current risk-free rates of return based on U.S. Treasury Securities yields with maturity dates similar to the expected contribution collection period. The Organization uses the allowance method to determine uncollectible unconditional promises. The allowance is based on prior years' experience and management's analysis of specific promises made. As of August 31, 2021 and 2020, the Organization recorded an allowance of \$1,000 and \$2,500, respectively.

Beneficial Interest in a Perpetual Trust

In accordance with guidance related to accounting for contributions held by an organization for the benefit of another organization, which states that organizations that transfer assets to other not-for-profit agencies who specify themselves or their affiliates as the beneficiaries, and have not granted variance power, are not considered expenses and are recorded as a beneficial interest in assets held by others in the statements of financial position at fair value.

Property and Equipment

Property and equipment are recorded at acquisition cost, including costs necessary to prepare the asset for its intended use, or, if donated, at estimated fair value at the date of donation. Depreciation expense is provided on a straight-line basis over the estimated useful lives of the assets ranging from three to thirty-nine years.

Maintenance and repairs are charged to expense as incurred, while renewals and betterments in excess of \$500 are capitalized.

Loan Costs

Loan costs related to the refinance of a mortgage are being amortized on a straight-line basis over the term of the loan. The amount is included in notes payable, net in the statements of financial position.

Deferred Revenue

Deferred revenue recorded in the statements of financial position consists of sponsorships and conditional contributions collected prior to period-end that relate to special events scheduled to take place in the subsequent year.

BIG BROTHERS BIG SISTERS OF TAMPA BAY, INC.
NOTES TO THE FINANCIAL STATEMENTS
AUGUST 31, 2021 AND 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Revenue Recognition

Certain grants received by the Organization are considered conditional contributions since the grant agreements require the Organization to perform services, incur expenses or meet contract objectives in order to earn the grant funding. Payments received under these grants is deferred until earned. Revenue is earned and recognized in the financial statements when eligible expenses are incurred, services performed or grant objectives met.

Other grants without conditions and contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions depending on the existence or nature of any donor restrictions. Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Unconditional promises to give are reported at present value at the date the promise is received to the extent estimated to be collected by the Organization. Other conditional promises to give are recognized when the conditions on which they depend are substantially met. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire during the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Revenues from special events and sponsorships are considered exchange transactions. Revenues from exchange transactions are recognized when control of the goods and services are transferred to the Organization's members or program participants in an amount that reflects the consideration the Organization expects to be entitled to in exchange for those goods or services.

Noncash Contributions

Donated materials are recorded as support at their fair value at the date of donation. Contributions of services are recorded as support at their estimated fair value if the services received create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. For the years ended August 31, 2021 and 2020, the value of contributed services meeting the requirements for recognition in the financial statements has been recorded as unrestricted support. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization, but these services do not meet the criteria for recognition as contributed services under the financial accounting standards.

Functional Classification of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities.

Program and supporting expenses, when specifically identifiable, are classified to the function which incurred the expense. Those specifically identifiable include in-kind program, program expenses, bad debt, scholarship awards and social entrepreneurship. All other expenses are allocated among program, management and general, and fundraising based upon the ratio of employee time involved. Income Tax Status

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

Uncertain Tax Positions

The Organization accounts for the effect of any uncertain tax positions based on a “more likely than not” threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a “cumulative probability assessment” that aggregates the estimated tax liability for all uncertain tax positions. The Organization has identified its tax status as a tax-exempt entity as its only significant tax position; however, the Organization has determined that such tax position does not result in an uncertainty requiring recognition. The Organization is not currently under examination by any taxing jurisdiction. The Organization’s federal returns are generally open for examination for three years following the date filed.

Paycheck Protection Program Note Payable

In response to the coronavirus (COVID-19) outbreak in 2020, the U.S. Federal Government enacted the Coronavirus Aid, Relief, and Economy Security Act that, among other economic stimulus measures, established the Paycheck Protection Program (PPP) to provide small business loans. In April 2020, the Organization obtained a PPP loan in the amount of \$744,407. The Organization used all of the proceeds from the loans for qualifying expenses and received full forgiveness in November 2020.

In January 2021, the Organization obtained a second PPP loan in the amount of \$748,103. The note matures in November 2026 and bears interest at a fixed amount rate of 1% with loan payments being deferred until certain events occur in accordance with the PPP program regulations. The Organization currently intends to use the entire loan amount for qualifying expenses and apply for forgiveness of the entire loan. It is not possible, as of the date of these financial statements, to determine with certainty that the loan, in whole or in part, will be eligible for forgiveness. The timing of the repayment of any unforgiven loan amount is subject to a number of factors as described above and at a minimum, extends beyond the fiscal year ended August 31, 2021. Accordingly, the Organization has included the entire second PPP loan amount as a long-term liability in the accompanying statements of financial position. The Organization received notification from the United States Small Business Administration in October 2021 that the entire amount of the second PPP loan was forgiven.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Big Brothers Big Sisters of Tampa Bay, Inc.
Tampa, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Big Brothers Big Sisters of Tampa Bay, Inc. (the Organization) which comprise the statement of financial position as of August 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 16, 2021

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

CONTINUED

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS - CONTINUED**

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major State Project

We have audited Big Brothers Big Sisters of Tampa Bay, Inc.'s (the Organization) compliance with the types of compliance requirements described in the *Florida Department of Financial Services State Projects Compliance Supplement* that could have a direct and material effect on each of the Organization's major state projects for the year ended August 31, 2021. The Organization's major state projects are identified in the summary of audit results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with State statutes, regulations, and the terms and conditions of its State projects applicable to its State projects.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.650, Rules of the Auditor General, State of Florida. Those standards and Chapter 10.650, Rules of the Auditor General, State of Florida require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state project occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major state project. However, our audit does not provide a legal determination of the Organization's compliance.

In our opinion, Big Brothers Big Sisters of Tampa Bay, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major state projects for the year ended August 31, 2021.

Report on Internal Control over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major state project and to test and report on internal control over compliance in accordance with Chapter 10.650, Rules of the Auditor General, State of Florida, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance.
