Report on Compliance for Each Major Federal Program and State Project

We have audited the Redlands Christian Migrant Association, Inc.’s (RCMA) (a not-for-profit organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the requirements described in the *Department of Financial Services’ State Projects Compliance Supplement*, that could have a direct and material effect on each of RCMA’s major federal programs and state projects for the year ended June 30, 2021. RCMA’s major federal programs and state projects are identified in the summary of auditor’s result section of the accompanying schedule of findings and questioned costs.

Management’s Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs and state projects.

Auditor’s Responsibility

Our responsibility is to express an opinion on compliance for each of RCMA’s major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America and, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Additionally, our audit was conducted with the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), *Audits of States, Local Governments, and Non-Profit Organizations*; and Chapter 10.650, Rules of the Auditor General. Those standards, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or state project occurred. An audit includes examining, on a test basis, evidence about RCMA’s compliance with those requirements and performing such other procedures as we considered necessary in those circumstances.

To the Board of Directors of
Redlands Christian Migrant Association, Inc.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of RCMA's compliance.

Opinion of Each Major Federal Program and State Project

In our opinion, RCMA complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of RCMA is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to on page 1. In planning and performing our audit of compliance, we considered RCMA's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program or state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of RCMA's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with the type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors of
Redlands Christian Migrant Association, Inc.

Report on Schedule of Expenditures of Federal Awards and State Projects Required by the Uniform Guidance and Chapter 10.650, Rules of the Auditor General

We have audited the financial statements of Redlands Christian Migrant Association, Inc. as of and for the year ended June 30, 2021, and have issued our report thereon dated January 4, 2022, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance (pages 4-6) is presented for purposes of additional analysis as required by the Uniform Guidance and Chapter 10.650, Rules of the Auditor General and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and state financial assistance is fairly stated in all material respects in relation to the financial statements as a whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and results of that testing based on the requirements of the Uniform Guidance, and Chapter 10.650, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

Redlands Christian Migrant Association, Inc.
(A Not-For-Profit Organization)
Notes to Schedule of Expenditures of Federal Awards
And State Financial Assistance

Note 1 Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance (the Schedule) presents the activity of all federal and state award programs of Redlands Christian Migrant Association, Inc. (the Organization) for the year ended June 30, 2021. The information in this Schedule is presented in accordance with the requirements of *the Uniform Guidance, Audits of States, Local Governments, and Non-Profit Organizations*, and Rules of the State of Florida Office of the Auditor General Chapter 10.650 under Section 215.97 of the Florida Statutes. Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of RCMA.

Note 2 Summary of Significant Accounting Principles

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Therefore, the amount of expenditures presented in this schedule may differ from amounts presented in, or used in the preparation of the basic financial statements.

Note 3 Contingencies

Grant monies received and disbursed by the Organization are for specific purposes and are subject to review by the grantor agencies. Such audits may result in requests for reimbursement due to disallowed expenditures. Based on prior experience, the Organization does not believe that such disallowances, if any, would have a material effect on the financial position of the Organization. As of June 30, 2021, management is not aware of any material questioned or disallowed costs as a result of grant audits in process or completed.

Note 4 Subrecipients

The Organization records expenditures of federal programs and state projects when paid in cash to a pass-through entity. For the year ended June 30, 2021, the Organization did not pass-through any funds to subrecipients as reflected in the Schedule.

Note 5 Indirect Cost

The Schedule includes a portion of allocated costs from a federally approved indirect cost plan. The rate approved for RCMA for the year ended June 30, 2021 is 15% of salaries. The rate is considered a provisional rate which is used when a final, predetermined or fixed rate has not been established for a guarantee. Although the approved rate for RCMA is 15%, not all grants pay this percentage. Grants not using the predetermined rate did not elect to use the ten percent de minimis indirect cost rate allowed under the Uniform Guidance.

Notes to Schedule of Expenditures of Federal Awards
And State Financial Assistance

Note 6 COVID Uncertainty

The effect of the COVID-19 virus has been felt worldwide and has caused disruption in financial markets. Government put in place certain programs to benefit businesses during these difficult times. RCMA applied and obtained \$120,000 through the DEL under their School Readiness contract, \$1,166,594 through the Department of Health and Human Services under their Head Start contracts, \$260,000 through Hillsborough County, \$383,546 through Department of Treasury under their Collier County contract, and \$442,545 through other smaller funders. The Center used the funds for payroll costs and other qualifying expenses as directed by the funders.

Note 7 Subsequent Events

Subsequent events have been evaluated through February 25, 2022, which is the date the financial statements were available to be issued. There were no events of this nature requiring recording or disclosure in the Schedule for the year ended June 30, 2021.
