## MANAGEMENT LETTER

To the Board of Directors of  
Catholic Charities of the Archdiocese of Miami, Inc.

### Report on the Financial Statements

We have audited the financial statements of Catholic Charities of the Archdiocese of Miami, Inc., (the “Organization”) as of and for the fiscal year ended June 30, 2022, and have issued our report thereon dated October 11, 2022.

### Auditor’s Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance); and Chapter 10.650, Rules of the Auditor General.

### Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with Government Auditing Standards, Independent Auditor’s Report on Compliance for Each Major Federal Program and State Project and Report on Internal Control over Compliance, and Schedule of Findings and Questioned Costs in accordance with the Uniform Guidance, and Chapter 10.650, Rules of the Auditor General. Disclosures in those reports and schedule, which are dated October 11, 2022, should be considered in conjunction with this management letter.

### Management letter

In planning and performing our audit of the financial statements of the Organization as of and for the year ended June 30, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered the Organization’s internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected, on a timely basis. A *management point* is an observation and/or a suggestion regarding the organization's activities that go beyond internal control related matters.

Our consideration of internal control was for the limited purpose described in the first paragraph of this subsection and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Generally accepted auditing standards require auditors to communicate *material weaknesses* and *significant deficiencies* in internal control that they become aware of during the audit. Generally accepted auditing standards do not require auditors to communicate *management points*. Our firm's policy requires us to inform you of any *management points* discovered during our audit.

The following summarizes the results of our audit for the year ended June 30, 2022:

Material Weakness Identified	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
Management Point Identified	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No

We wish to congratulate the Organization on receiving a management letter where no material weaknesses in internal controls were reported.

### **Additional Matters**

Section 10.654(1)(e), Rules of the Auditor General, requires that we communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements, Federal programs, or State project amounts that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings

### **Purpose of this Letter**

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Directors, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.
