INDEPENDENT AUDITOR’S REPORT

To the Board of Directors of
Early Learning Coalition of Lake County, Inc.
Leesburg, Florida

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Early Learning Coalition of Lake County, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Early Learning Coalition of Lake County, Inc., as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Early Learning Coalition of Lake County, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Early Learning Coalition of Lake County, Inc.’s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Early Learning Coalition of Lake County, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Early Learning Coalition of Lake County, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, State of Florida Chapter 10.650, *Rules of the Auditor General*, and special audit guidance provided by the Division of Early Learning, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and state financial assistance is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 1, 2023, on our consideration of Early Learning Coalition of Lake County, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Early Learning Coalition of Lake County, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Early Learning Coalition of Lake County, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE 1 – NATURE OF ORGANIZATION

Early Learning Coalition of Lake County, Inc. (the “Coalition”) is a non-profit organization, which is organized under the laws of the States of Florida for the purpose of ensuring delivery of comprehensive, accessible, affordable and high-quality school readiness and voluntary pre-kindergarten services in Lake County, Florida, for children ages 0-5. The Coalition adopted a name change in March 2005 and was formerly known as Lake County School Readiness Coalition, Inc. The Coalition's primary sources of revenue are from Federal and State grants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. *Basis of Presentation* - The accompanying financial statements and accompanying schedules have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The Coalition reports information regarding its financial position and activities according to two classes of net assets as follows:

Net Assets Without Donor Restrictions

Net assets without donor restrictions are available for use at the discretion of the Board and/or management for general operating purposes. From time to time the Board designates a portion of these net assets for specific purposes which makes them unavailable for use at management's discretion.

Net Assets With Donor Restrictions

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed restrictions, time and/or purpose restrictions.

The Coalition reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

Some net assets with donor restrictions may include a stipulation that assets provided be maintained permanently (perpetual in nature) while permitting the Coalition to expend the income generated by the assets in accordance with the provisions of additional donor imposed stipulations or a Board approved spending policy.

- B. *Cash and Cash Equivalents* - For purposes of the statement of cash flows, the Coalition considers all bank deposits with an original maturity date of three months or less to be cash equivalents.

Early Learning Coalition of Lake County, Inc.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

- C. *Equipment and Depreciation* - The Coalition's policy is to capitalize fixed assets having an acquisition cost or donated fair market value of \$1,000 or more. Ordinary maintenance and repair expenses are charged to expense as incurred.

Depreciation is computed on the straight-line basis over the expected life of the asset. Furniture and equipment are depreciated over five to fifteen years and software over three years. Leasehold improvements are depreciated over fifteen years.

Fixed assets acquired with federal grants are subject to regulations that require grantor agency approval to transfer, sale or otherwise dispose of the assets.

- D. *Revenue Recognition* - The revenues from grants (or portion of grants) and other agreements, which require the Coalition to perform certain obligations, are recognized only to the extent they have been expended in accordance with the obligations. Restricted grants under which no program period is specified are recognized when received or receivable from the grantor agency.

In May 2014, the Financial Accounting Standards board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (ASC 606), which prescribes a single, common revenue standard to replace most existing revenue recognition guidance, including most industry-specific requirements. The standard outlines a five-step model whereby revenue is recognized as performance obligations within a contract are satisfied.

In June 2018, the FASB issued ASU No. 2018-08, *Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made* (ASC 958), which clarifies how transactions should be accounted for as contributions (nonreciprocal transactions) or exchange transactions and whether a contribution is conditional.

The Coalition adopted ASC 606 and ASC 958 and all related amendments effective July 1, 2019. The adoption of the new standards had no significant impact on the Coalition's financial statements.

- E. *Contributed Services* - In September 2020, the FASB issued ASU No. 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Non-financial Assets*, which requires the monitoring and tracking of gifts in kind by asset category, while also noting any donor-imposed restrictions. The Coalition adopted ASU No. 2020-07 effective July 1, 2021. The adoption has no significant impact on the Coalition's financial statements. No amounts have been included in the financial statements for donated program services since no objective basis is available to measure the value of such services.

Early Learning Coalition of Lake County, Inc.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

- F. *Functional Expense* - The cost of program and supporting services activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefitted. The Coalition's State of Florida approved cost allocation plan allow administrative costs to be allocated to program expenses.
- G. *Use of Estimates* - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- H. *Schedule of Expenditure of Federal Awards and State Financial Assistance* - The schedule is prepared on the accrual basis of accounting. Type A program threshold is the larger of \$750,000 or three percent of total federal awards expended. All other programs are Type B.
- I. *Compensated Absences* - The Coalition offers paid-time-off to eligible employees after ninety days of employment. Employees accrue between 7.27 hours to 10.35 hours per pay period depending upon years of service. Up to 120 hours of unused paid-time-off can be carried over to the following year. Upon termination of employment, up to 160 hours of unused paid-time-off will be paid.
- J. *Advertising* - Advertising costs are charged to expense as incurred.
- K. *Recent Accounting Pronouncements* - In February 2016, FASB issued ASU 2016-02, *Leases*, that requires lessees to put most leases on their balance sheets and recognize expenses on their income statements in a manner similar to today's capital lease accounting. The guidance also eliminates today's real estate specific provisions for all entities. For lessors, the guidance modifies the classification criteria for accounting for sales-type and direct financing leases. The new guidance is effective for fiscal years beginning after December 15, 2021. The Coalition is evaluating the potential effects ASU 2016-02 will have on its financial statements.
- L. *Subsequent Events* - The Coalition has evaluated subsequent events through February 1, 2023, and considers that date is when the financial statements were available to be issued.

NOTE 3 – FEDERAL AND STATE INCOME TAXES

Early Learning Coalition of Lake County, Inc. is a non-profit organization exempt from Federal and State income taxes under Section 501(c)(3) of the Internal Revenue Code. The Coalition follows the reporting and disclosure guidance for uncertainty in income taxes as defined in FASB ASC 740. The financial statement effects of a tax position taken or expected to be taken are recognized in the financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. As of June 30, 2022, the Coalition had no uncertain tax positions that qualify for recognition or disclosure in the financial statements. Generally, the IRS may review the returns for the past three years.

Furniture and equipment	\$	291,097
Transportation equipment		66,375
Computer software		59,460
Less: accumulated depreciation		<u>(353,911)</u>
Net property and equipment	\$	<u>63,021</u>

Depreciation expense for the year ended June 30, 2022, is \$9,441.

NOTE 6 – CONCENTRATION OF CREDIT RISK

The Coalition maintains four accounts at one financial institution in Lake County. The aggregate amount of the accounts insured by the Federal Deposit Insurance Corporate (FDIC) is \$250,000. As of June 30, 2022, the Coalition has the aggregate amounts exceeding the federally insured limit by \$2,672,697 and has not incurred any losses due to uninsured amounts. The Coalition maintains a sweep account to further limit any losses on amounts exceeding FDIC limits.

NOTE 7 – CONCENTRATION OF SUPPORT

Approximately 99% of the Coalition's total support for the year ended June 30, 2022, was provided by the Florida Division of Early Learning, a state agency. Future revenue remains dependent on continued budgetary allocations by the State of Florida.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE 10 – EMPLOYEE RETIREMENT PLAN

The Coalition sponsors a tax deferred annuity retirement plan for its employees. An employee is eligible to participate upon hire or at a preset semi-annual enrollment date. Participation is voluntary, and the employee may contribute from a minimum of 1% of their salary to the maximum IRS allowable amount, which is \$20,500 for 2022. Additional catch-up contributions up to \$6,500 are available to individuals who reach age 50 by the end of the year. Employees are eligible to receive the employer matched dollars after one year of service in which they have worked at least a total of 1,000 hours. The Coalition may match up to a maximum of 1.25% of employees' contribution. The Coalition made employer contributions of \$7,469 for the year ended June 30, 2022.

NOTE 11 – FUNCTIONAL EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated included facility expenses and depreciation, which are allocated on a square footage basis, as well as salaries and benefits, taxes, professional services, and advertising, which are allocated on the basis of estimates of time and effort.

NOTE 12 – LIQUIDITY AND AVAILABILITY OF RESOURCES

The Coalition's financial assets available within one year of the statements of financial position date for general expenditures are as follows:

Cash and cash equivalents	\$	2,281,792
Grants receivable		297,617
Total financial assets available within one year		<u>2,579,409</u>
Less: amounts unavailable for general expenditures within one year:		
Accounts payable and accrued expenses		2,081,821

NOTE 13 – RISK AND UNCERTAINTY

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Coalition's financial condition, liquidity, and future results of operations. Management is actively monitoring the global situation.

Basis of Presentation

The accompanying schedule of expenditures of federal awards and state financial assistance is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), State of Florida Chapter 10.650, *Rules of the Auditor General*, and the Department of Financial Services' *State Projects Compliance Supplement*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

Indirect Cost Rates

The Coalition has elected to not use the 10% de minimis indirect cost rate for its federal programs and state projects for the year ended June 30, 2022. The indirect costs rates used on the Coalition's federal programs and state projects are determined by the relevant federal or state agency.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of
Early Learning Coalition of Lake County, Inc.
Leesburg, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Early Learning Coalition of Lake County, Inc. (the "Coalition") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 1, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Coalition's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control. Accordingly, we do not express an opinion on the effectiveness of the Coalition's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Coalition's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Coalition's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Coalition's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND STATE OF FLORIDA CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

To the Board of Directors of
Early Learning Coalition of Lake County, Inc.
Leesburg, Florida

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited Early Learning Coalition of Lake County, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and the requirements described in the *Department of Financial Services' State Projects Compliance Supplement*, special audit guidance provided by the Division of Early Learning that could have a direct and material effect on each of Early Learning Coalition of Lake County, Inc.'s major federal programs and state projects for the year ended June 30, 2022. Early Learning Coalition of Lake County, Inc.'s major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Early Learning Coalition of Lake County, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); Chapter 10.650, *Rules of the Auditor General*, and special audit guidance provided by the Division of Early Learning. Our responsibilities under those standards, the Uniform Guidance, and Chapter 10.650 are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Early Learning Coalition of Lake County, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of Early Learning Coalition of Lake County, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Early Learning Coalition of Lake County, Inc.'s federal programs and state projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Early Learning Coalition of Lake County, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance and Chapter 10.650, *Rules of the Auditor General* will always detect material noncompliance when it exists.

Auditor's Responsibilities for the Audit of Compliance (continued)

The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Early Learning Coalition of Lake County, Inc.'s compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650 *Rules of the Auditor General*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Early Learning Coalition of Lake County, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Early Learning Coalition of Lake County, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of Early Learning Coalition of Lake County, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program and state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650 *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.
