INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Florida Network of Children's Advocacy Centers, Inc.
Tallahassee, Florida

Opinion

We have audited the accompanying financial statements of Florida Network of Children's Advocacy Centers, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Florida Network of Children's Advocacy Centers, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Florida Network of Children's Advocacy Centers, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Florida Network of Children's Advocacy Centers, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Florida Network of Children's Advocacy Centers, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Florida Network of Children's Advocacy Centers, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Chapter 10.650, *Rules of the State of Florida Auditor General*, and is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and state financial assistance is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 9, 2023, on our consideration of Florida Network of Children's Advocacy Centers, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Florida Network of Children's Advocacy Centers, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Florida Network of Children's Advocacy Centers, Inc.'s internal control over financial reporting and compliance.

FLORIDA NETWORK OF CHILDREN'S ADVOCACY CENTERS, INC.
NOTES TO FINANCIAL STATEMENTS
Years Ended June 30, 2022 and 2021

NOTE 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities - Florida Network of Children's Advocacy Centers, Inc. (the "Network") was incorporated as a Florida non-profit organization in 1996, for the purpose of improving Florida's response to child abuse by supporting the development, growth, and continuation of the twenty-seven (27) Children's Advocacy Centers located in the State of Florida.

Basis of Accounting and Presentation - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Net assets, revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the Network's net assets and changes thereto are classified and reported as follows:

- Nets assets without donor restrictions - consists of amounts that are available for use in carrying out the supporting activities of the Network and are not subject to donor-imposed stipulations.
- Net assets with donor restrictions - consists of amounts that are available for the purposes restricted by donors and grantors, or a time restriction. When a restriction is satisfied, the associated amount is reclassified from net assets with donor restrictions to net assets without donor restrictions and reported in the statement of activities as support and revenue released from restrictions.

Cash and Cash Equivalents - The Network considers all highly liquid investments with a maturity of three (3) months or less when purchased to be cash equivalents.

Certificates of Deposit - The Network records certificates of deposit at cost. Interest is recorded when the certificate of deposit is re-issued.

Contributions - All contributions, including unconditional promises to give, are recognized as revenue in the period the contribution or promise is received. All contributions are available for unrestricted use unless specifically restricted by the donor. All in-kind contributions are recorded at fair value in the period donated.

Furniture and Equipment - Furniture and equipment consists of office furniture and equipment. Property, acquired by the Network, with an original purchase price of more than \$1,000 is capitalized. Purchased assets are recorded at cost or fair value if contributed; depreciation is provided over the estimated useful lives of the respective assets on a straight-line basis.

Deferred Revenue - Deferred revenue represents conference registration fees received for an event that will take place subsequent to its fiscal year end.

NOTES TO FINANCIAL STATEMENTS
Years Ended June 30, 2022 and 2021

NOTE 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Grants Receivable - Grants receivable are amounts due from grants contracted with various departments in the State of Florida or federal agencies and are recognized in the period when services are provided. The Network's grant receivables as of June 30, 2022 and 2021 are due in less than one (1) year and management believes that all receivables are fully collectible. Accordingly, no allowance for doubtful accounts is considered necessary.

Functional Allocation of Expenses - The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain categories of expenses are attributable to program and supporting functions of the Network. Those expenses have been allocated based on estimates of time and effort.

Income Taxes - The Network is exempt from income taxes on income from related activities under Section 501(c)(3) of the U.S. Internal Revenue Code and corresponding state tax law. Accordingly, no provision has been made for federal or state income taxes. Additionally, the Network has been determined not to be a private foundation under Section 509(a) of the Internal Revenue Code.

U.S. GAAP requires that a tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax benefit is recorded.

Due to its tax-exempt status, the Network is not subject to U.S. federal income tax or state income tax. The Network's Form 990 has not been subject to examination by the Internal Revenue Service or the State of Florida for the last three (3) years. The Network does not expect the total amount of unrecognized tax benefits to significantly change in the next twelve (12) months. The Network recognizes interest and/or penalties related to income tax matters in income tax expense. The Network did not have any amounts accrued for interest and penalties at June 30, 2022 and 2021.

Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events - Management has performed an analysis of the activities and transactions subsequent to June 30, 2022 to determine the need for any adjustments to and/or disclosures within the audited financial statements for the year ended June 30, 2022. Management has evaluated the subsequent events for recognition and disclosure through January 9, 2023 the date the financial statements were available to be issued.

NOTE 13 - CHANGE IN ACCOUNTING PRINCIPLES

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*, which supersedes existing guidance for accounting for leases under *Topic 840, Leases*. The FASB also subsequently issued the following additional ASUs, which amend and clarify Topic 842: ASU 2018-01, *Land Easement Practical Expedient for Transition to Topic 842*; ASU 2018-10, *Codification Improvements to Topic 842, Leases*; ASU 2018-11, *Leases (Topic 842): Targeted Improvements*; ASU 2018-20, *Narrow-scope Improvements for Lessors*; and ASU 2019-01, *Leases (Topic 842): Codification Improvements*. The most significant change in the new leasing guidance is the requirement to recognize right-to-use (ROU) assets and lease liabilities for operating leases on the statement of financial position.

The Network elected to adopt these ASUs effective June 30, 2022 and utilized all of the available practical expedients. The adoption did not have a material impact on the Network's statement of financial position or on the statement of activities and no restatement was needed.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL
CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
Florida Network of Children's Advocacy Centers, Inc.
Tallahassee, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Florida Network of Children's Advocacy Centers, Inc. (the "Network"), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated January 9, 2023.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Network's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Network's internal control. Accordingly, we do not express an opinion on the effectiveness of the Network's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Network's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

WITH CHAPTER 10.650, RULES OF THE STATE OF FLORIDA

Report on Compliance for the Major State Project

Opinion on the Major State Project

We have audited Florida Network of Children's Advocacy Centers, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the Florida State Projects Compliance Supplement that could have a direct and material effect on Florida Network of Children's Advocacy Centers, Inc.'s major state project for the year ended June 30, 2022. Florida Network of Children's Advocacy Centers, Inc.'s major state project is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Florida Network of Children's Advocacy Centers, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major state project for the year ended June 30, 2022.

Basis for Opinion on the Major State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Chapter 10.650, *Rules of the State of Florida Auditor General*. Our responsibilities under those standards and the Chapter 10.650, *Rules of the State of Florida Auditor General* are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Florida Network of Children's Advocacy Centers, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the state project. Our audit does not provide a legal determination of Florida Network of Children's Advocacy Centers, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Florida Network of Children's Advocacy Centers, Inc.'s state project.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Florida Network of Children's Advocacy Centers, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and *Chapter 10.650, Rules of the State of Florida Auditor General* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Florida Network of Children's Advocacy Centers, Inc.'s compliance with the requirements of the state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and *Chapter 10.650, Rules of the State of Florida Auditor General*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Florida Network of Children's Advocacy Centers, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.

- Obtain an understanding of Florida Network of Children’s Advocacy Centers, Inc.’s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with Chapter 10.650, *Rules of the State of Florida Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of Florida Network of Children’s Advocacy Centers, Inc.’s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor’s Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Chapter 10.650, *Rules of the State of Florida Auditor General*. Accordingly, this report is not suitable for any other purpose.
