INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Seniors First, Inc. and Affiliates
Orlando, Florida

Opinion

We have audited the accompanying consolidated financial statements of Seniors First, Inc. and Affiliates (the "Organization"), which comprise the consolidated statements of financial position as of December 31, 2022 and 2021, and the related consolidated statements of activities and changes in net assets, cash flows, and functional expenses for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

To the Board of Directors
Seniors First, Inc. and Affiliates

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

To the Board of Directors
Seniors First, Inc. and Affiliates

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards and accompanying schedule of expenditures of state financial assistance for the year ended December 31, 2022, appearing on pages 19 and 20, respectively, are presented for the purpose of additional analysis or to meet the requirements of Title 2 U.S. *Code of Federal Regulations*, Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (“Uniform Guidance”) and Chapter 10.650, *Rules of the Auditor General*, and are not a required part of the consolidated financial statements. The accompanying supplemental schedule of functional expenses by service for the year ended December 31, 2022, appearing on pages 21 and 22, is also presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 2, 2023 on our consideration of the Organization’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization’s internal control over financial reporting and compliance.

SENIORS FIRST, INC. AND AFFILIATES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Years Ended December 31, 2022 and 2021

NOTE 1 - NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Seniors First, Inc. (“Seniors First”) is a not-for-profit organization with a mission to enhance the quality of life of Central Florida seniors by maintaining their independence and dignity. Founded in 1966, Seniors First offers a vital support system to vulnerable, older adults aged 60 and up to help them meet their daily living needs at home. To promote independent living, Seniors First provides the following critical programs and services: Meals on Wheels, Neighborhood Lunch with transportation, in-home care through a case managed package of services including personal care, homemaker, companionship and respite for caregivers, guardianship, Stepping Stone Medical Equipment Bank and a community food pantry. Seniors First receives funding from various sources, principally federal, state, and local grants. Seniors First also receives support from the United Way, foundations, businesses, and the general public.

In 1998, Seniors First created and incorporated Seniors First Foundation, Inc. (the “Foundation”) to attract and administer funds for the benefit of Seniors First. In 2018, Seniors First created and incorporated Garden Patch Delivery, LLC (“Garden Patch”) with Seniors First as its sole member. Garden Patch has not yet commenced operations. The Foundation, Garden Patch, and Seniors First have common board members and management and, as such, the Foundation and Garden Patch are considered affiliates of Seniors First.

These consolidated financial statements include the accounts of Seniors First, Garden Patch, and the Foundation (collectively, the “Organization”). All significant inter-company transactions have been eliminated in the consolidation.

The following is a summary of the Organization’s significant accounting policies followed in the presentation of these consolidated financial statements.

Cash and Cash Equivalents

The Organization considers all highly liquid financial instruments with a maturity of three months or less at date of purchase to be cash and cash equivalents, except for cash and cash equivalents held in the contingency reserve fund and funded depreciation account. The Organization does not include cash and cash equivalents in these accounts as restricted cash when preparing its consolidated statements of cash flows.

NOTE 1 - NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment

Property and equipment, with an acquisition value of \$1,000 or more, are recorded at cost if purchased, or at estimated fair market value if donated. Depreciation and amortization is provided using the straight-line method over the estimated useful lives of the individual assets.

The estimated lives of significant property and equipment categories are as follows:

Furniture and equipment	3 - 20 Years
Building and improvements	5 - 40 Years
Vehicles	5 - 10 Years

Net Assets

Net assets and changes in net assets are presented based on the existence or absence of donor-imposed restrictions. In these consolidated financial statements, net assets are reported as follows:

Net Assets without Donor Restrictions: Net assets not subject to donor-imposed restrictions. At December 31, 2022 and 2021, net assets without donor restrictions included approximately \$2,281,000 and \$2,625,000, respectively, of funds designated by the Board of Directors for the contingency reserve fund and funds held at Central Florida Foundation (see Note 5).

Net Assets with Donor Restrictions: Net assets subject to donor-imposed stipulations that either require assets to be maintained permanently or that can be fulfilled by actions of the Organization and/or the passage of time. Net assets with donor restrictions consist of the following as of December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Cash reserve for vehicle replacement	\$ 207,089	\$ 174,503
Permanent endowment	<u>105,109</u>	<u>105,109</u>
	<u>\$ 312,198</u>	<u>\$ 279,612</u>

The cash reserve for vehicle replacement, reflected on the consolidated statements of financial position as the funded depreciation account, is used to purchase replacement vehicles and is replenished from unrestricted cash based upon the scheduled depreciation of vehicles included in the replacement program. During the years ended December 31, 2022 and 2021, approximately \$33,000 and \$34,000, respectively, was added to the cash reserve balance and is reflected on the consolidated statements of activities and changes in net assets as transfers of net assets. No funds were withdrawn from the reserve for the purchase of vehicles during 2022 and 2021.

The permanent endowment at December 31, 2022 and 2021, represents the original contribution of \$105,109 for the Alan Litz Endowment. Income generated from the investment of the endowment may be used without restriction by the Organization, whereas, the original principal balance is to remain intact.

NOTE 1 - NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

Support received from governmental and private sources are recorded as grant and contribution revenue, based upon the terms of the grant agreement or contribution, which generally requires a condition to be met or certain activities performed for the funds to be earned and any unearned funds to be returned. Funds received in advance of the condition being met or activities performed are recorded as deferred grant and contribution advances.

Gifts of cash and other assets received with donor stipulations that limit the use of the donated assets are reported as a donor-restricted contribution. When a restriction ends, or the purpose of the restriction is accomplished, donor-restricted net assets are reclassified to net assets without donor restrictions and are reported as net assets released from restriction. Donor-restricted contributions whose restrictions are met within the same reporting period are reported as contributions without donor restrictions in that period.

Program service fees consist of equipment sales, class fees, and client copays for meals and services under grant awards, and are reported at the estimated amounts to be collected at the time of sale or when the service is rendered, net of cost of goods sold or distributed. The performance obligation is generally recognized with the sale or delivery of service.

Donated Assets and Services

During the years ended December 31, 2022 and 2021, the Organization received donated equipment and food pantry inventory totaling approximately \$14,000 and \$12,000, respectively. The Organization also receives certain services for its guardianship program and utilizes space that is provided at no charge for its nutrition and Polk County programs. Based on management's estimate, the fair value of these services and use of facilities approximated \$354,000 and \$288,000 for the years ended December 31, 2022 and 2021, respectively, and is reflected in the consolidated financial statements as both revenue and expenses.

A significant number of unpaid volunteers donate their services in support of all program areas of the Organization. Services include delivery of meals, group activities at congregate dining sites, administrative office support, special event planning committee, and holiday gift and donation drives. No amounts have been reflected in these consolidated financial statements for these donated services.

NOTE 1 - NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

Seniors First, Garden Patch and the Foundation are not-for-profit corporations organized under the laws of the state of Florida and have been granted recognition of their tax-exempt status under Section 501(c)(3) of the Internal Revenue Code. Accordingly, income earned in furtherance of their tax-exempt purposes is exempt from federal and state income taxes and, as a result, these consolidated financial statements include no provision or liability for income taxes.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the consolidated statements of functional expenses. Accordingly, certain costs are directly attributed to the specific program or supporting service, and other costs have been allocated based upon relationships of units provided, relative time spent by employees of the Organization, and other criteria.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

The carrying values of the Organization's financial instruments approximate their fair value.

Subsequent Events

In preparing the consolidated financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through June 2, 2023, the date the consolidated financial statements were available to be issued.

NOTE 2 - GRANTS AND CONTRIBUTIONS RECEIVABLE

Grants and contributions receivable are expected to be collected within a year and consist of the following at December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Receivable from state and local sources	\$ 1,456,125	\$ 892,884
Receivable from federal sources	828,140	363,897
Other receivables	157,093	39,464
Grants and contributions receivable	<u>\$ 2,441,358</u>	<u>\$ 1,296,245</u>

NOTE 3 - INVESTMENTS AND FAIR VALUE MEASUREMENTS

Investments consist of certificates of deposit, money market funds, and beneficial interest in assets held by the Central Florida Foundation (“CFF”). The contingency reserve fund and funded depreciation account were comprised of money market funds at December 31, 2022 and 2021.

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs of valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Quoted market prices were used to value the Organization’s Level 1 assets and principally consist of money market funds. The Organization’s Level 2 financial instruments consist of certificates of deposit held in FDIC-insured banks, and their value is based on observable interest rates. The Organization’s Level 3 financial instruments consist of beneficial interests in assets held by CFF, the fair values of which are based on the net asset values of the related funds.

The following tables set forth by level, within the fair value hierarchy, the Organization’s investments measured at fair value as of December 31, 2022 and 2021:

	Fair Value Measurements			
	Level 1	Level 2	Level 3	Total
December 31, 2022				
Money market funds	\$ 482,083	\$ -	\$ -	\$ 482,083
Certificates of deposit	-	550,779	-	550,779
Beneficial interest in assets held by CFF	-	-	2,006,151	2,006,151
Total	\$ 482,083	\$ 550,779	\$ 2,006,151	\$ 3,039,013

	Fair Value Measurements			
	Level 1	Level 2	Level 3	Total
December 31, 2021				
Money market funds	\$ 449,003	\$ -	\$ -	\$ 449,003
Certificates of deposit	-	550,620	-	550,620
Beneficial interest in assets held by CFF	-	-	2,350,777	2,350,777
Total	\$ 449,003	\$ 550,620	\$ 2,350,777	\$ 3,350,400

NOTE 4 - LIQUIDITY AND CASH NEEDS

The table below represents financial assets available to meet cash needs for general expenditures within one year at December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Cash and cash equivalents	\$ 3,155,877	\$ 3,177,453
Grants and contributions receivable	2,441,358	1,296,245
Certificates of deposit	550,779	550,620
Contingency reserve fund	274,994	274,500
	<u>\$ 6,423,008</u>	<u>\$ 5,298,818</u>

As part of a cash and liquidity management policy, the Organization structures its financial assets to be available as its general expenditures and liabilities become due. Additionally, excess cash is invested in various investment instruments to increase earnings. The certificates of deposit mature within the year and can be converted into cash to manage any unanticipated liquidity needs. The contingency reserve fund may be drawn upon for general expenditures with board approval.

NOTE 5 - BENEFICIAL INTEREST IN ASSETS HELD BY CFF

The Organization has transferred funds to CFF to establish five board-designated endowment funds, which are considered component funds of CFF. These endowments are invested and distributed by CFF in accordance with their investment and spending policies. These policies attempt to provide a relatively steady level of funding to programs supported by the endowments, while seeking to preserve and enhance the purchasing power of the endowment assets. The terms of the fund agreements with CFF provide, among other things, that distributions are subject to CFF's policies.

According to the terms of the agreement with CFF, under certain circumstances, the CFF Board of Directors shall have the power to modify or eliminate any restriction, limitation, or condition on the distribution of funds, including their use for any specified purposes or their distribution to specific organizations, if the CFF Board of Directors determines that such restriction, limitation or condition becomes by material and significant change in circumstances in effect unnecessary, incapable of fulfillment, or inconsistent with the proper charitable, religious, scientific, literary, cultural or educational uses and purposes of the Central Florida area.

NOTE 5 - BENEFICIAL INTEREST IN ASSETS HELD BY CFF (Continued)

The following table sets forth a summary of changes in fair value of the funds for the years ended December 31, 2022 and 2021:

	Seniors Fund	Seniors First, Inc. Fund	Seniors First Foundation	Seniors First In- Home Services Fund	Judith Thames Meals on Wheels Fund	Total
Fair value at December 31, 2020	\$12,148	\$ 52,232	\$1,157,448	\$ 432,107	\$ 480,497	\$ 2,134,432

CFF fees	(119)	(768)	(24,501)	(9,932)	(10,171)	(45,491)
Contributions (distributions)	-	(1,692)	30,598	-	-	28,906
Fair value at December 31, 2021	13,894	57,518	1,288,423	468,775	522,167	2,350,777
Interest and dividends	265	1,096	22,867	8,319	9,273	41,820
Realized and unrealized gains (losses), net	(2,162)	(8,935)	(187,403)	(68,271)	(76,060)	(342,831)
CFF fees	(98)	(665)	(23,719)	(9,502)	(9,631)	(43,615)
Fair value at December 31, 2022	<u>\$11,899</u>	<u>\$ 49,014</u>	<u>\$ 1,100,168</u>	<u>\$ 399,321</u>	<u>\$ 445,749</u>	<u>\$ 2,006,151</u>

NOTE 6 - PROPERTY AND EQUIPMENT, NET

Property and equipment, net, consists of the following at December 31, 2022 and 2021:

	2022	2021
Land	\$ 287,648	\$ 282,412
Building and improvements	1,291,378	1,265,378
Furniture and equipment	218,566	218,566
Vehicles	1,100,354	1,100,354
	<u>2,897,946</u>	<u>2,866,710</u>
Less accumulated depreciation	<u>(1,829,892)</u>	<u>(1,717,278)</u>
Property and equipment, net	<u>\$ 1,068,054</u>	<u>\$ 1,149,432</u>

Certain vehicles were acquired with funds received under grants from the Florida Department of Transportation (“FDOT”). Under the terms of the grants, FDOT records and maintains a lien on the bus titles until they have reached their useful lives. When the useful life requirement is met, FDOT will fund replacement buses or transfer title to the Organization. The Organization retains the use of these vehicles as long as they are used to carry out the service for which the original grant was provided. The Organization expects to continue using the vehicles for their designated purpose and to retain the right to the continued use of these assets in the future. The vehicles acquired under these FDOT grants have a net book value of approximately \$64,000 and \$98,000 at December 31, 2022 and 2021, respectively.

Depreciation expense was approximately \$113,000 and \$141,000 for the years ended December 31, 2022 and 2021, respectively.

NOTE 7 - DEFERRED GRANT AND CONTRIBUTION ADVANCES

The Organization had conditional programmatic grant revenue and contributions remaining to be earned or refunded in subsequent years of approximately \$493,000 and \$272,000 at December 31, 2022 and 2021, respectively.

NOTE 8 - PAYCHECK PROTECTION PROGRAM LOAN

In April 2020, the Organization applied for and received loan proceeds in the amount of approximately \$778,000 under the Paycheck Protection Program (“PPP”). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security (“CARES”) Act, provided loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loan and accrued interest were forgivable if the Organization used the proceeds for eligible purposes.

The Organization used the proceeds for eligible purposes and obtained forgiveness of the entire loan balance in February 2021. A gain on forgiveness of the PPP loan was recognized for the entire loan balance in 2021.

NOTE 9 - CONTRACT MATCHING REQUIREMENTS

The Title III Older Americans Act and Community Care for the Elderly programs require the Organization to provide matching cash or in-kind contributions. For the years ended December 31, 2022 and 2021, the total expenditures of these programs and related match requirement are as follows:

<u>Program Title</u>	<u>AL#/ CSFA#</u>	<u>2022</u>	<u>2021</u>
Title III-B, Supportive Services	93.044	\$ 652,295	\$ 393,706
Title III-C, Nutrition Services	93.045	2,289,681	1,602,080
Community Care for the Elderly	65.010	<u>5,834,910</u>	<u>4,693,240</u>
Total expenditures		<u>\$ 8,776,886</u>	<u>\$ 6,689,026</u>
Calculated match requirement		<u>\$ 975,210</u>	<u>\$ 743,225</u>

During the years ended December 31, 2022 and 2021, the Organization had matching amounts of approximately \$1,086,000 and \$1,014,000, consisting of contributed funds of approximately \$469,000 and \$538,000, vendor matching of approximately \$331,000 and \$271,000, and in-kind contribution matching of approximately \$285,000 and \$205,000, respectively.

NOTE 10 - COMMITMENTS AND CONTINGENCIES

Employee Benefit Plan

The Organization has established a defined-contribution pension plan covering all eligible employees. Employer contributions are determined on a discretionary basis ranging up to 3% of each eligible employee's salary. Contributions to the plan totaled approximately \$66,000 and \$75,000 for the years ended December 31, 2022 and 2021, respectively.

Credit Risk and Economic Dependence

Financial instruments which potentially subject the Organization to concentrations of credit risk principally consist of cash and cash equivalents, certificates of deposit, and beneficial interest in assets held by CFF. The Organization maintains its cash in bank deposit accounts, which, at times, may exceed federally insured limits. Management believes that the concentration of credit risk relating to contributions and grants receivable is limited due to the nature of the receivables and the quality of the intermediaries.

The Organization performs its program services with funds received from federal, state, and local sources. A significant reduction in the level of this funding, if this were to occur, could have a negative effect on the Organization's programs and activities. Grants from federal, state, and local governmental sources represented approximately 94% and 90% of the Organization's revenues for the years ended December 31, 2022 and 2021, respectively.

Governmental funding is subject to statutory and regulatory changes, administrative rulings, interpretations of policy, intermediary determinations, and governmental funding restrictions, all of which may materially affect program reimbursement to recipient agencies. Changes in the reimbursement policies of the Nutrition and Supportive Services programs or the Community Care for the Elderly programs, as a result of legislative and regulatory actions, could adversely affect the revenues of the Organization.

NOTE 1 - BASIS OF PRESENTATION

The schedule of expenditures of federal awards ("Schedule") includes the federal grant activity of Seniors First, Inc. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations*, Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this Schedule may differ from amounts presented in, or used in, the preparation of the consolidated financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following, as applicable, either the cost principles in the Office of Management and Budget Circular A-122, *Cost Principles for Non-Profit Organizations*, or the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3 - INDIRECT COST RATE

Senior's First, Inc. has not elected to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Seniors First, Inc. and Affiliates
Orlando, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Seniors First, Inc. and Affiliates (the "Organization"), which comprise the consolidated statement of financial position as of December 31, 2022, and the related consolidated statements of activities and changes in net assets, cash flows, and functional expenses for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated June 2, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors
Seniors First, Inc. and Affiliates

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited Seniors First, Inc. and Affiliates’ (the “Organization”) compliance with the compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and the Department of Financial Services *State Projects Compliance Supplement* that could have a direct and material effect on each of the Organization’s major federal programs and state projects for the year ended December 31, 2022. The Organization’s major federal programs and state projects are identified in the summary of auditor’s results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.650, *Rules of the Auditor General*. Our responsibilities under those standards, the Uniform Guidance, and Chapter 10.560, *Rules of the Auditor General*, are further described in the Auditor’s Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of the Organization’s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs and state projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650, *Rules of the Auditor General*, will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.560, *Rules of the Auditor General*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.560, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

To the Board of Directors
Seniors First, Inc. and Affiliates

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.560, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.
