INDEPENDENT AUDITOR'S REPORT

The Board of Directors of
WestCare GulfCoast-Florida, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of WestCare GulfCoast-Florida, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of WestCare GulfCoast-Florida, Inc. as of June 30, 2022, and the change in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of WestCare GulfCoast-Florida, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WestCare GulfCoast-Florida, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Roos & McNabb, CPA's, A Professional Corporation

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WestCare GulfCoast-Florida, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WestCare GulfCoast-Florida, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedules of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*; and Chapter 10.650, Rules of the Auditor General is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedules of state earnings, bed-day availability payments, related party transaction adjustments, and program/cost center actual expenses and revenues are presented for purposes of additional analysis and not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the above information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 21, 2022, on our consideration of WestCare GulfCoast-Florida, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of WestCare GulfCoast-Florida, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering WestCare GulfCoast-Florida, Inc.'s internal control over financial reporting and compliance.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 1 – ORGANIZATION AND NATURE OF ACTIVITIES:

WestCare GulfCoast-Florida, Inc. is a tax exempt, non-profit corporation governed by a volunteer board of directors incorporated in 2001 whose purposes include, but are not limited to the following:

- A. To promote public awareness about chemical dependency and related issues and problems; and,
- B. To promote recovery from chemical dependency and or related illnesses, through developing, establishing and/or maintaining of centers for the rehabilitation of individuals and their families.
- C. To promote the health and well being of all citizens.

The Organization provides residential and out-patient rehabilitation programs, criminal justice programs, health related and a variety of prevention programs and services all of which are related to the purposes for which it is established.

WestCare GulfCoast-Florida, Inc. applied for re-accreditation under CARF (Commission on Accreditation of Rehabilitation Facilities). The process involved completion of an Intent/Application document and a three-day site visit by a team of four CARF surveyors. WestCare GulfCoast-Florida, Inc. was awarded the highest recommendation, a three-year accreditation from January 2021 through January 2024.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting: The accompanying financial statements of the Organization have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation: Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of Management and the Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

WESTCARE GULF COAST-FLORIDA, INC.
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Measure of Operations: The statement of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the Organization's ongoing activities. Non-operating activities are limited to resources that generate return from investments and other activities considered to be of a more unusual or nonrecurring nature.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures contained in the financial statements. Actual results could differ from those estimates.

Cash and Cash Equivalents: For purposes of the statement of cash flows, the Organization considers investments available for current use with an initial maturity of three months or less to be cash equivalents.

Concentrations of Credit Risk: Financial instruments that potentially subject the Organization to concentration of credit risk are cash and receivables. Concentration of credit risk with respect to receivables is limited because a substantial portion of these balances are due from federal and state governmental agencies. Management believes the Organization is not exposed to any significant credit risk on cash. The Organization maintains its cash in various bank accounts that, at times, may exceed federally insured limits. These accounts have been placed with high credit quality financial institutions. On June 30, 2022, the Organization did not have cash in excess of the FDIC insured limit.

Receivables: Receivables are stated at the amount management expects to collect from balances outstanding at year end. The receivables are primarily contracts and/or grants from funding sources for services performed under cost reimbursement contracts. It is the practice of the Organization to record an allowance for doubtful accounts. Bad debts are charged to the allowance account as incurred. Based on management's assessment of receivables it has concluded that an allowance is not necessary on June 30, 2022. Balances that are still outstanding after management has used reasonable collection efforts are written off to bad debt expense.

Revenue and Revenue Recognition: Revenue is recognized when earned. Program service fees and payments received in advance are deferred to the applicable period in which the related services are performed, or expenditures are incurred, respectively.

Contract Revenue: Revenue under some third-party payor agreements is subject to audit and retroactive adjustments. Provisions for estimated third-party payor settlements are provided in the period the related services are rendered, if determinable.

WESTCARE GULFCOAST-FLORIDA, INC.
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Contributions: Contributions are recognized as income at the estimated value at date of receipt as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. No donations with donor-imposed restrictions have been received.

Conditional Promises to Give: Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. Conditional gifts received prior to the satisfaction of conditions are recorded as refundable advances.

Donated Services and In-Kind Contributions: Volunteers contribute significant amounts of time to our program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. Donated services are recorded at the respective fair values of the services received. No significant contributions of such goods or services were received during the year ended June 30, 2022.

Due to/from related parties: Amounts as due to/from related parties, included in the accompanying statements of financial position, arise principally from the collaborative activities between the affiliates to further the mission of the Organization.

Property and Equipment: The Organization capitalizes property and equipment over \$5,000. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated assets to a specific purpose. The cost of maintenance and repairs is charged to expense as incurred, significant renewals and betterments are capitalized. Property and equipment are depreciated using the straight-line method over the estimated useful lives of the assets.

Compensated Absences: The Organization's policy allows employees to accumulate vacation and sick leave based on the length of service, position, and other factors. Accrual of vacation time is included in the accompanying financial statements. The total amount accrued for vacation on June 30, 2022 was \$217,677.

Income Taxes: The Organization qualifies as a not-for-profit organization as described in Section 501 (c)(3) of the Internal Revenue Code and is tax exempt from federal and state income taxes, therefore no provisions for income taxes have been made. Management is of the opinion that there is no unrelated business income subject to taxation. Management is also of the opinion that there are no material uncertain tax positions. All tax returns have been appropriately filed by the Organization.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Functional Expenses: The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The costs of providing the various programs and supporting services have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Such expenses are charged to grant programs and supporting services on the basis of program costs. General and administrative costs include those expenses that are not directly identifiable with any specific program but provide for the overall support of the Organization. Accordingly, certain costs have been allocated among program services and supporting services benefited. Such allocations are determined by management on an equitable basis.

Salaries and benefits are charged directly to the program for which work has been done based on time and effort. Other expenses and overhead costs are based on staff allocation to functional areas.

NOTE 3 – CASH AND CASH EQUIVALENTS:

The following table provides a reconciliation of cash, cash equivalents, and restricted cash reported within the statement of financial position that sum to the amounts shown in the statement of cash flows:

Cash and Cash Equivalents	\$ 1,200
Cash Restricted for Client Funds	<u>125,962</u>
Total Cash, Cash Equivalents, and Restricted Cash shown in the Statement of Cash Flows	<u>\$127,162</u>

NOTE 4 – RESTRICTIONS ON ASSETS:

Restrictions, if any, on assets as of June 30, 2022, are related to grant awards and/or lending agreements. Such assets must be used in accordance with the purposes established by laws and regulations of the grants or agreements in contrast with unrestricted funds over which the governing board remained full control to use in achieving any of its organizational purposes.

Separate cash accounts are maintained as required by grant and/or lending agreements. The Organization also holds cash in trust for participants in various programs.

**WESTCARE GULFCOAST-FLORIDA, INC.
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2022**

NOTE 5 – LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS:

The following reflects the Organization’s financial assets available within one year of the statement of financial position date. There are no amounts reduced and not available for general use because of donor-imposed restrictions or long-term investments.

Cash and cash equivalents	\$ 1,200
Grant contracts receivable	<u>2,021,349</u>
Total available for general expenditures	<u>\$2,022,549</u>

As part of the Organization’s liquidity management, it utilizes a zero-balance account (zba) with WestCare Foundation, Inc., a checking account in which a balance of zero is maintained by automatically transferring funds from a master account in an amount only large enough to cover checks presented. This cash pooling system is designed to leave in the current accounts of the subsidiaries the minimum amounts to be able to deal with their debts contracted. The advantage of this system is to centralize the cash to be able to obtain better rates. In addition, the Organization transfers amounts as needed to meet cash flow needs through a related affiliate, WestCare Foundation, Inc.

NOTE 6 – PROPERTY AND EQUIPMENT, NET:

Property and equipment, net consisted of the following on June 30, 2022:

Leasehold Improvements	\$1,858,342
Furniture and Fixtures	38,257
Computer Equipment	9,975
Vehicles	582,784
Construction in Progress	<u>23,525</u>
	2,512,883
Less: Accumulated Depreciation	<u>(1,632,845)</u>
Total Property and Equipment, Net	<u>\$ 880,038</u>

For the year ended June 30, 2022, depreciation expense totaled \$123,077.

NOTE 7 – EMPLOYEE BENEFIT PLAN:

The Organization has a 401(k)-retirement plan covering eligible employees held with Voya Financial with a Safe Harbor Match. The Organization’s match is 3% of each qualified employee’s basic contribution plus an additional \$.50 for each \$1 contributed for the next 2% earnings. Plan contribution by the Organization for the year ended June 30, 2022 was \$72,523.

WESTCARE GULFCOAST-FLORIDA, INC.
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 8 – COMMITMENTS AND CONTINGENCIES:

Operating Leases:

As of June 30, 2022, the Organization had entered into various non-cancellable operating lease agreements for real property. The approximate minimum future commitments on an annual basis are as follows: 2023 \$230,163, 2024 \$183,927, 2025 \$79,711 and thereafter \$-0-.

In February 2016, the FASB issued ASU No. 2016-02, *Leases* (Topic 842), which requires lessees to recognize leases on the statement of financial position for most leases with a term longer than 12 months. The effective date for this standard has been delayed to reporting periods beginning after December 15, 2021.

Contingencies:

Federal Grants – The Organization receives financial assistance from the federal government in the form of grants and entitlements. Receipt of grants is generally conditioned upon compliance with terms and conditions of the grant agreements and applicable federal laws and regulations, including the expenditure of resources for eligible purposes. Accordingly, expenditures financed by these programs are subject to financial and compliance audits by the grantor agencies, which could result in request for reimbursement by the grantor agencies for expenditures, if disallowed by the granting agencies, cannot be determined at this time. Management believes that such disallowances, if any, will not have a material adverse effect on the financial position of the Organization.

NOTE 9 – ECONOMIC DEPENDENCY:

The Organization receives a significant portion of its support and revenues from contracts and/or agreements with agencies of the Government of the United States. The Organization's ability to continue operating is predicated on the government's continued support and funding of its programs. The continuation of program services in the subsequent year is expected based on contract renewals and continuations received to date. A significant reduction in the level of this funding, if this were to occur, could have an adverse effect on the programs and activities.

NOTE 10 - MATCHING REQUIREMENTS:

The Organization receives a substantial portion of its support from various funding sources which required a local match. These funding sources include: The State of Florida Department of Children and Families, Central Florida Behavioral Health Network, Inc., U.S. Department of Housing and Urban Development (HUD) under the Supportive Housing Program, and the U.S. Department of Justice. The Organization has satisfied all matching requirements through local grants and by incurring sufficient eligible expenses.

WESTCARE GULFCOAST-FLORIDA, INC.
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 11 – RELATED PARTY TRANSACTIONS:

WestCare Foundation, Inc. is a managing and governing oversight organization for WestCare GulfCoast-Florida, Inc. During the year ending June 30, 2022, WestCare Foundation, Inc. received management fees for general and administrative expenses of \$1,205,938 from WestCare GulfCoast-Florida, Inc.

In addition, WestCare Foundation, Inc. has advanced funds as of June 30, 2022 to WestCare GulfCoast-Florida, Inc. for \$3,560,632.

FitzHouse Enterprises, Inc. owns property that is leased to WestCare GulfCoast-Florida, Inc. During the year ended June 30, 2022, FitzHouse Enterprises, Inc. received rental income for the purpose of providing funds for facility maintenance expenses of \$224,244.

NOTE 12 – COVID-19 PANDEMIC:

The COVID-19 pandemic, whose effects first became known in January 2020, is still having a broad and negative impact on commerce and financial markets around the world. The United States and global markets experienced significant declines in value resulting from uncertainty caused by the pandemic. The Organization continues to closely monitor its liquidity and impact of potential declines in operations. Accordingly, the extent to which COVID-19 may impact the Organization's financial position and changes in net assets and cash flows remains uncertain and the accompanying financial statements include no adjustments relating to the effects of this pandemic.

NOTE 13 – PAYROLL PROTECTION PROGRAM LOANS:

The Organization was granted \$1,658,472 in loans under the Paycheck Protection Program "PPP" administered by a Small Business Administration (SBA) approved partner. The loans are uncollateralized and are fully guaranteed by the Federal government. The Organization is eligible for loan forgiveness of up to 100% of the loans, upon meeting certain requirements. The Organization initially recorded the loans as refundable advances and subsequently recognized grant revenue in accordance with guidance for conditional contributions; that is, once the measurable performance or other barrier and a right to return of the PPP loans no longer existed or when such conditions are explicitly waived. The Organization has recognized \$491,034 as grant revenue for the year ended June 30, 2022 and \$1,167,438 in the prior years.

NOTES TO SCHEDULES OF EXPENDITURES
OF FEDERAL AWARDS AND STATE FINANCIAL ASSISTANCE
FOR THE YEAR ENDED JUNE 30, 2022**

NOTE A - BASIS OF PRESENTATION:

The accompanying schedules of expenditures of federal awards and state financial assistance include the federal and state award activity of WestCare Gulfcoast-Florida, Inc. under programs of the federal and state government for the year ended June 30, 2022. The information in the schedules is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and *Florida Single Audit Act, Auditor General Rule 10.650*. Because the Schedules present only a selected portion of the operations of WestCare Gulfcoast-Florida, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of WestCare Gulfcoast-Florida, Inc.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Expenditures reported on the Schedules are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance and Chapter 10.650 Rules of the Auditor General, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE C – INDIRECT COST RATE:

WestCare Gulfcoast-Florida, Inc. has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance. WestCare Gulfcoast-Florida, Inc. has a provisional indirect rate agreement for 26% for the year ended June 30, 2022.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
WestCare GulfCoast-Florida, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of WestCare GulfCoast-Florida, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statement of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 21, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered WestCare GulfCoast-Florida, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of WestCare GulfCoast-Florida, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the WestCare GulfCoast-Florida, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether WestCare GulfCoast-Florida, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

To the Board of Directors of
WestCare GulfCoast-Florida, Inc.

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited WestCare GulfCoast-Florida, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement*, and the requirements identified in the *Department of Financial Services' State Projects Compliance Supplement*, that could have a direct and material effect on each of WestCare GulfCoast-Florida, Inc.'s major federal programs and state projects for the year ended June 30, 2022. WestCare GulfCoast-Florida, Inc.'s major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, WestCare GulfCoast-Florida, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.650, Rules of the Auditor General. Our responsibilities under those standards, the Uniform Guidance and Chapter 10.650, Rules of the Auditor General are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of WestCare GulfCoast-Florida, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of WestCare GulfCoast-Florida, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for federal and state statutes, regulations, and the terms and conditions of federal awards and state projects applicable to WestCare GulfCoast-Florida, Inc.'s federal programs and state projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on WestCare GulfCoast-Florida, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit

conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about WestCare GulfCoast-Florida, Inc.'s compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding WestCare GulfCoast-Florida, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of WestCare GulfCoast-Florida, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of WestCare GulfCoast-Florida, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program and state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program and state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with the type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and results of that testing based on the requirements of the Uniform Guidance, and Chapter 10.650, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.
