## INDEPENDENT AUDITOR'S REPORT

### **Board of Directors**

**State College of Florida Foundation, Inc.  
Bradenton, Florida**

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of State College of Florida Foundation, Inc. (the "Foundation"), a direct support organization and component unit of State College of Florida, Manatee-Sarasota which comprise the statements of financial position as of September 30, 2023 and 2022, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Foundation as of September 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of State College of Florida Foundation, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about State College of Florida Foundation, Inc.'s ability to continue as a going concern for 12 months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

---

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated January 19, 2024, on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

**NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2023 AND 2022**

**NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The State College of Florida Foundation, Inc. (the “Foundation”) is a not-for-profit corporation organized in 1978 under the laws of the State of Florida. The Foundation operates exclusively for charitable and educational purposes within the meaning of 501(c)(3) of the Internal Revenue Code. The Foundation’s mission is to provide aid in the form of money and other forms of property and services to the State College of Florida, Manatee-Sarasota (the “College”). The Foundation also promotes education and encourages learning and dissemination of information about which the College is involved.

**Basis of Accounting and Presentation**

The Foundation follows the reporting requirements for not-for-profit organizations under generally accepted accounting principles in the United States of America. Under such principles, the Foundation is required to report information regarding its financial position and activities according to two classes of net assets: (1) net assets without donor restrictions, and (2) net assets with donor restrictions.

**Cash and Cash Equivalents**

For purposes of the statement of cash flows, the Foundation considers amounts on hand, in checking accounts and money market accounts as cash unless held for the purpose of reinvestment.

**Investments**

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statements of financial position. Realized and unrealized gains and losses are included in the statements of activities. Investment income includes interest and dividend income, net of fees, and is included in the statements of activities separate from gains and losses. Investment fees were \$450,967 and \$450,933 for the years ended September 30, 2023 and 2022, respectively.

**Pledges Receivable**

Promises to give are recorded at net realizable value. Unconditional promises to give are recognized as contribution revenue in the period received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. An allowance for doubtful accounts is established based on specific assessment of all amounts that remain unpaid following normal payment periods. All amounts deemed to be uncollectible are charged against the allowance for doubtful accounts in the period the determination is made. Management has deemed all pledges as collectible, therefore no allowance is necessary.

**NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)**

**Beneficial Interest in Remainder and Perpetual Trusts**

The Foundation has received several donations made directly to third parties which are held either for a certain period of time or in perpetuity for the Foundation's benefit. Annual earnings are provided to the Foundation which may be purpose restricted by the donor. The assets of the trusts are invested in a combination of cash equivalents and marketable debt and equity securities with readily determinable fair values. The Foundation's percentage interest of each trust is reported at their fair values in the statements of financial position. The change in value of these trusts is reported as changes in value in beneficial interest in remainder, or perpetual, trusts and are included in the statements of activities.

**Deferred Revenue**

Contributions, fees and other revenue sources collected in advance of special events that are held subsequent to year-end are deferred and recognized in the year of the function.

**Annuity Liabilities**

The Foundation has been named remainderman in an irrevocable charitable gift annuity. An annuity liability has been recorded at the present value of expected future cash flows to be paid to the annuity beneficiary at a discount rate of 5.4%.

**Contributions**

Contributions received are recorded as net assets without or with donor restrictions depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted contributions are reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Revenue from special events is recognized when the event takes place.

**Support from the College**

The Foundation recognizes support from the College which creates or enhances non-financial assets or that requires specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

**Bequests and Trusts**

The proceeds of bequests and trusts are recorded as revenue when clear title is established and the proceeds are clearly measurable.

**Functional Expenses**

The costs of providing the various programs and activities have been summarized on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on actual time spent.

**Net Assets**

Net assets, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. From time to time, the Board designates certain recurring and/or non-recurring items for use on specific future projects. For the years ended September 30, 2023 and 2022, the Board has designated \$10,000,000 and \$10,000,000, respectively, of net assets for future projects and capital needs.

*Net Assets With Donor Restrictions* – Net Assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

**NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Tax Status**

The Foundation is generally exempt from federal income and state income taxes under Section 501(c)(3) of the Internal Revenue Code and comparable state law. The Foundation is required to pay income taxes on the excess of revenues derived from activities unrelated to the tax exempt purpose of the Foundation over the related expenses.

The Foundation follows Accounting Standard Codification 740 related to accounting for uncertainty in income taxes. This provision requires all tax positions that meet a more-likely-than-not recognition threshold at the effective date are recognized (or continue to be recognized) upon adoption. Management has reviewed their tax positions and concluded no liability or uncertain tax positions, or any interest or penalties related to uncertain tax positions, should be recognized in the Foundation's financial statements.

The Foundation files their income tax returns in the United States of America.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Donated Services**

Numerous volunteers have donated significant amount of time to the Foundation's various programs. No amounts have been recognized in the accompanying statements of activities because the criteria for recognition under generally accepted accounting principles have not been satisfied. Management estimates the fair value of those volunteer hours of service to be \$9,514 and \$12,871, respectively for the years ended September 30, 2023 and 2022.

**NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Recently Adopted Accounting Pronouncements**

In September 2020, FASB issued Accounting Standards Update (ASU) 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, to increase transparency of contributed nonfinancial assets through enhancements to presentation and disclose. For the year ending September 30, 2022, the Foundation adopted ASU 2020-07 and has adjusted the presentation in these financial statements accordingly. This adjustment did not have an effect on total net assets or the change in the total net assets for the year ended September 30, 2022.

**Subsequent Events**

The Foundation has evaluated all subsequent events through January 19, 2024, the date the financial statements were available to be issued.

**NOTE 2. LIQUIDITY AND AVAILABILITY**

The Foundation's working capital and cash flows have seasonal variations during the year attributable to the annual cash receipts for events and contributions. The Foundation manages liquidity during the year by utilizing the following strategies: operating with a balanced budget which assumes collection of sufficient revenue via contributions, grants, and other sources to cover operating expenditures not covered by donor-restricted resources, regular analysis of actual operating results versus budget, timing of annual endowment transfers.

The Foundation's endowment investment policy employs the following principals: preservation of capital, risk aversion, adherence to investment discipline, and maintenance of sufficient liquidity to meet its cash needs.

Net assets released from restrictions due to satisfaction of purpose or time restrictions were \$4,092,932 and \$6,752,995 for the years ended September 30, 2023 and 2022, respectively.

**NOTE 8. CONCENTRATION OF CREDIT RISK**

The Foundation maintains its cash balances at a financial institution located in Bradenton, Florida. Accounts at this financial institution are secured by the Federal Deposit Insurance Corporation (FDIC), currently up to \$250,000 per customer. The balances of these accounts at times may exceed federally insured limits. At September 30, 2023, the Foundation exceeded the insured limit by approximately \$1,445,682.

Investments consist primarily of financial instruments including cash, cash equivalents, equity and fixed income securities, international securities, and alternative investments. These financial instruments may subject the Foundation to concentrations of credit risk, as, from time to time, balances may exceed amounts insured by the FDIC or the Securities Investor Protection Corporation (SIPC), the market value of securities are dependent on the ability of the issuer to honor its contractual commitments, and the investments are subject to changes in market values.

**NOTE 9. FAIR VALUE MEASUREMENTS**

Generally accepted accounting principles in the United States of America establishes a hierarchy for which assets and liabilities must be grouped, based on significant levels of inputs (assumptions that market participants would use in pricing an asset or liability) as follows:

Level 1: Quoted prices for identical assets or liabilities in active markets.

Level 2: Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-driven valuations whose inputs are observable or whose significant value drivers are observable.

Level 3: Significant inputs to the valuation model are unobservable.

The following assets are required to be measured at fair market value on a recurring basis and the classification within the hierarchy as of September 30, 2023 and 2022, is as follows:

	Level 1	Level 2	Level 3	Total at September 30, 2023

**NOTE 9. FAIR VALUE MEASUREMENTS (CONTINUED)**

The fair value of the Foundation's Level 1 financial assets is based on quoted market prices of the identical security. The Foundation's Level 3 financial assets consist of an alternative investment in the SEI Core Property Fund LP, SEI Global Private Assets V LP, SEI Gpa III Private Equity Fund, SEI Gpa IV Private Equity Fund, SEI Special Situations Fund, Ltd., SEI Structured Credit Fund, and SEI Vista Fund, Ltd. The value of the Level 3 investments and assets is based on unobservable inputs (assumptions that market participants would use in pricing an asset) that reflect assumptions based on the best information available. As of September 30, 2023 and 2022, the Foundation did not have any liabilities measured at fair value.

The following is a reconciliation of the investments in which significant unobservable inputs (Level 3) were used in determining value as at September 30, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Fair value, beginning of year	\$ 20,244,547	\$ 15,106,399
Net realized and unrealized gains	212,418	5,207,152
Change in value of split-interest agreements	<u>83,133</u>	<u>(69,004)</u>
Fair value, end of year	<u>\$ 20,540,098</u>	<u>\$ 20,244,547</u>

The inputs or methodology used for valuing securities are not necessarily an indication of the risks associated with investing in those securities.

**NOTE 10. ENDOWMENTS**

The Foundation holds various endowments which are either donor restricted or Board designated. The Board of Trustees of the Foundation has interpreted the Florida Uniform Prudent Management of Institutional Funds Act (FUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as net assets with donor restrictions perpetual: (a) the original value of the gift donated to the perpetual endowment, (b) the original value of subsequent gifts to the perpetual endowment, and (c) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets with donor restrictions perpetual is classified as net assets with donor restrictions time or purpose until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by FUPMIFA.

**STATE COLLEGE OF FLORIDA  
FOUNDATION, INC.**

**NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2023 AND 2022**

**NOTE 10. ENDOWMENTS (CONTINUED)**

In accordance with FUPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulated donor-restricted endowment funds:

1. The duration and preservation of the fund;
2. The purposes of the Foundation and the donor-restricted endowment fund;
3. General economic conditions;
4. The possible effect of inflation and deflation;
5. The expected total return from income and the appreciation of investments;
6. Other resources of the Foundation;
7. The investment policies of the Foundation.

The Foundation has adopted investment and spending policies for endowment assets that attempt to protect the principal of the fund, provide consistent long-term income returns, and protect the Foundation against long-term inflation trends. To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or FUPMIFA requires the Foundation to retain as a fund of perpetual duration. There were no such deficiencies as of September 30, 2023.

The endowment net asset composition is as follows:

	<b>Without Donor Restrictions</b>	<b>With Donor Restrictions</b>		<b>Total at September 30, 2023</b>
		<b>Time and Purpose</b>	<b>Perpetuity</b>	
Donor-restricted endowment funds	<b>\$ 9,296,840</b>	<b>\$ 52,179,511</b>	<b>\$ 12,044,913</b>	<b>\$ 73,521,264</b>

**OTHER INDEPENDENT AUDITOR'S REPORT**

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

---

**Board of Directors  
State College of Florida Foundation, Inc.  
Bradenton, Florida**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of State College of Florida Foundation, Inc. (the "Foundation"), a direct support organization and component unit of State College of Florida, Manatee-Sarasota which comprise the statement of financial position as of September 30, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 19, 2024.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Foundation's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Foundation's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

---

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
