## **Independent Auditor's Report on Compliance for the Major State Financial Assistance Projects; Report on Internal Control Over Compliance; and Report on Schedule of Expenditures of State Financial Assistance Required by the State of Florida Chapter 10.650, *Rules of the Auditor General***

The Executive Board  
University of Florida Foundation, Inc.

### **Report on Compliance for Each Major State Financial Assistance Project**

#### ***Opinion on Each Major State Project***

We have audited the University of Florida Foundation, Inc.'s (Foundation) compliance with the types of compliance requirements identified as subject to audit in the Department of Financial Services' State Projects Compliance Supplement that could have a direct and material effect on each of the Foundation's major state financial assistance projects for the year ended June 30, 2023. The Foundation's major state financial assistance projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Foundation complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major state financial assistance projects for the year ended June 30, 2023.

#### ***Basis for Opinion on Each Major State Financial Assistance Project***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the State of Florida Chapter 10.650, *Rules of the Auditor General*. Our responsibilities under those standards and the State of Florida Chapter 10.650, *Rules of the Auditor General* are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Foundation and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major state financial assistance project. Our audit does not provide a legal determination of the Foundation's compliance with the compliance requirements referred to above.

#### ***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Foundation's major state financial assistance projects.

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

### *Auditor's Responsibilities for the Audit of Compliance*

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Foundation's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the State of Florida Chapter 10.650, *Rules of the Auditor General* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Foundation's compliance with the requirements of each major state financial assistance project as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the State of Florida Chapter 10.650, *Rules of the Auditor General*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Foundation's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Foundation's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the State of Florida Chapter 10.650, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control Over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state financial assistance project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state financial assistance project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal

control over compliance with a type of compliance requirement of a state financial assistance project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the State of Florida Chapter 10.650, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.

#### **Report on Schedule of Expenditures of State Financial Assistance**

We have audited the financial statements of the business-type activities and the fiduciary activities of the Foundation, a discretely presented component unit of the University of Florida, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Foundation's basic financial statements. We issued our report thereon, dated September 27, 2023, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of state financial assistance is presented for purposes of additional analysis as required by the State of Florida Chapter 10.650, *Rules of the Auditor General* and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of state financial assistance is fairly stated in all material respects in relation to the basic financial statements as a whole.

## Notes to Schedule of Expenditures of State Financial Assistance

---

### 1. Basis of Presentation

The accompanying schedule of expenditures of state financial assistance (Schedule) includes the state financial assistance project activity of the University of Florida Foundation, Inc. (Foundation) under programs of the State of Florida for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of the State of Florida Chapter 10.650, *Rules of the Auditor General*. Because the Schedule presents only a selected portion of the operations of the Foundation, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Foundation.

### 2. Summary of Significant Accounting Policies

#### *Expenditures*

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles established by the State of Florida Department of Financial Services, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

#### *University of Florida License Plate Project*

The expenditures under the state license plate project in the Schedule represent \$951,001 in scholarship expenditures paid to the University of Florida on behalf of eligible recipients and \$1,450,156 in fundraising expenditures. Receipts from the program during the year ended June 30, 2023 of \$2,416,927 are allocated to be spent for scholarships and for fundraising, consistent with the allocation plan, as amended, submitted to the Florida Board of Education and the Florida Department of Highway Safety and Motor Vehicles.

In prior years, the Foundation has collected more in receipts for scholarships than it has expended. As a result, the Foundation has the ability to expend more in future years related to scholarships. Amounts are not expended until eligible scholarship recipients are identified. At June 30, 2023, the Foundation had \$139,900 in collected, but unexpended, funds related to scholarships. Receipts for fundraising are used in the year of receipt for the Foundation's fundraising programs.

#### *University Major Gifts Program*

The University Major Gifts Program has been temporarily suspended by the state of Florida, and no funding was received from the state in the form of matching funds during the year ended June 30, 2023. The expenditures under the University Major Gifts Program in the accompanying schedule of expenditures of state financial assistance represent expenditures of earnings on endowments that have received state matching funds. These expenditures include amounts spent from earnings on both the state match portion and the private donor portions of the endowments.
