INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
St. Johns County Council on Aging, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of St. Johns County Council on Aging, Inc. (a Florida not-for-profit corporation), which comprise the statement of financial position as of December 31, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of St. Johns County Council on Aging, Inc. as of December 31, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the St. Johns County Council on Aging, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Johns County Council on Aging, Inc. ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the St. Johns County Council on Aging, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the St. Johns County Council on Aging, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state projects, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and Chapter 10.650, *Rules of the Auditor General of the State of Florida*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 24, 2025, on our consideration of St. Johns County Council on Aging, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering St. Johns County Council on Aging, Inc.'s internal control over financial reporting and compliance.

ST. JOHNS COUNTY COUNCIL ON AGING, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 1 ORGANIZATION

St. Johns County Council on Aging, Inc. (the "Organization") is a Florida not-for-profit corporation located in St. Johns County, Florida. The Organization is committed to the purpose of providing congregate meals, home-delivered meals, transportation and supportive services to the elderly and disadvantaged.

The Organization's major revenue sources are grants and contracts from federal, state and county entities, public contributions, fundraising, program service fees and River House event income.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue Recognition

The Organization follows Topic 606, Revenue from Contracts with Customers, in the Accounting Standards Codification (ASC), as developed by the Financial Accounting Standards Board (FASB). Under ASC 606, revenue recognition for customer contract related services is required when promised goods or services are transferred to customers in an amount that reflects the consideration to which an Organization expects to be entitled in exchange for those goods and services.

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, accrued expenses, and other liabilities.

Classification of Net Assets

The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) "Audit and Accounting Guide for Not-for-Profit Organizations" (the "Guide"). (ASC) 958-205 was effective January 1, 2018.

Under the provisions of the Guide, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. The Organization's board may designate assets without restrictions for specific operational purposes from time to time.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Non-Profit Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Cash and Cash Equivalents

Cash and cash equivalents include all cash balances and highly liquid investments with an original maturity of 90 days or less. Certificates of deposit are readily convertible to cash and are stated at cost plus accrued earnings, which approximate fair value.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Allowance for Accounts Receivable, Grants Receivable and Unconditional Promises to Give

During the year the Organization writes off all accounts receivable, grants receivable and unconditional promises to give ("receivables") balances of which deemed to be uncollectable. If a portion of the remaining receivables balances are considered questionable regarding full collection, the Organization will provide an allowance for doubtful accounts for those questionable accounts. All amounts receivable were considered to be fully collectable by the Organization at December 31, 2024 and consequently no allowance for uncollectable accounts was deemed necessary.

Property and Equipment

Land, buildings and equipment that are purchased are carried at cost, or, if donated, at the approximate fair value at the date of donation. Donated property and equipment are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies donor restricted net assets to donor unrestricted net assets at that time. Expenditures for renewals or improvements that either materially add value or prolong the useful lives of assets are capitalized. Expenditures that are less than \$1,000 are expensed as incurred.

Building and improvements are depreciated using the straight-line method over their estimated useful lives, which range from 5 to 40 years. Furniture and equipment and vehicles are depreciated using the straight-line method over their estimated useful lives, which range from 2 to 10 years. Depreciation expense for the year ended December 31, 2024 was \$523,599.

Contributions

In accordance with FASB ASC 958, *Financial Statements of Not-for-Profit Entities*, contributions received are recorded as donor unrestricted or donor restricted support depending on the existence and/or nature of donor restrictions. Contributions that are restricted by the donor are reported as increases in donor unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in donor restricted net assets depending on the nature of the restrictions. Under FASB ASC 958, contributions that are required to be reported as donor restricted support are then reclassified to donor unrestricted net assets upon expiration of time restrictions or satisfaction of donor restrictions.

Contributions, including unconditional promises to give, are recognized as revenues in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value.

Pledges receivable are recorded when unconditional promises to pay are recorded. Unconditional promises to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization of discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions. An allowance for uncollectable contributions receivable would be provided, if necessary, based upon management's judgment, including such factors as prior collection history, type of contribution and nature of fundraising activity.

The Organization writes off specific pledges receivable as they become uncollectable. Use of the direct method did not result in a material departure from accounting principles generally accepted in the United States of America.

Donated Materials and Services

The Organization records the value of donated goods or services at their estimated value at the date of donation when there is an objective basis available to measure their value. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies donor restricted net assets to donor unrestricted net assets at that time.

When a contributed facility is promised for several years, either in connection with a lease or a situation similar to a lease then the contribution is recognized at fair value and is recorded as an increase in temporarily restricted net assets. The present value is reported as an asset that is amortized over the term of the promise.

Donated services of a professional or skilled nature are presented at the estimated value of such services. Additionally, a number of volunteers periodically donate significant amounts of time to the Organization. No amounts have been reflected in the statements for these contributed services since the contribution of these services did not create or enhance non-financial assets or require specialized skills.

Fair Value of Financial Instruments

All financial instruments are carried at amounts that approximate estimated fair value.

Financial Accounting Standards Board ASC 820, *Fair Value Measurement* ("ASC 820"), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Organization can access at the measurement date.

Level 2

Inputs to the valuation methodology are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly such as publicly available information about actual events or transactions, and that reflect the assumptions that market participants would use when pricing the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable for the asset or liability. Unobservable inputs are defined as inputs for which market data are not available and that are developed using the best information available about the assumptions that market participants would use when pricing the asset or liability.

All financial instruments are considered to be Level 1 inputs in the fair value hierarchy.

Deferred Revenue

The Organization records grant revenue collected as deferred revenue until it is expensed for the purpose of the grant, at which time it is recognized as revenue.

Functional Expense Allocation

The costs of providing program and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among program services and supporting services benefited. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

| <u>Expense</u> | <u>Method of Allocation</u> |
|-------------------------|--------------------------------|
| Salaries and benefits | Time and effort |
| Project cost | Direct or time and effort |
| Education and training | Time and effort |
| Sub-contractors | Time and effort |
| Occupancy | Square footage |
| Utilities | Square footage |
| Repairs and maintenance | Time and effort or direct cost |
| Professional services | Full time equivalent |
| Depreciation | Square footage or direct cost |
| Other | Time and effort |

Estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts and the variances are held to be immaterial.

Income Taxes

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2). In accordance with the applicable provisions of the Internal Revenue Code, the Organization is subject to an excise tax on unrelated business income.

Accounting for uncertainty in income taxes

The Organization has adopted FASB ASC 740-10, *Accounting for Income Taxes*, which clarifies the accounting for uncertainty in income taxes recognized in an entity's financial statements. The interpretation prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. Based on analyses of various federal and state filing positions of the Organization, management believes that its income tax filing positions and deductions are well documented and supported.

As of December 31, 2024, the Organization had no temporary differences relating to the recognition of income and expenses for financial and tax reporting purposes. Accordingly, no deferred tax assets or liabilities are recorded. Additionally, as of December 31, 2024, the Organization had no uncertain tax positions that would qualify for either recognition or disclosure in the financial statements. Therefore, no reserves for uncertain income tax positions have been recorded pursuant to FASB ASC 740-10. In addition, no cumulative effect adjustment related to the adoption of FASB ASC 740-10 was recorded.

There have been no increases or decreases in unrecognized tax benefits for current or prior years since the date of adoption. Furthermore, no interest or penalties have been included since no reserves were recorded and no significant increases or decreases are expected to occur within the next 12 months. When applicable, such interest and penalties will be reported as income tax expense.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounting for uncertainty in income taxes (Continued)

Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Organization's tax returns will not be challenged by the taxing authorities and that the Organization will not be subject to additional tax, penalties, and interest as a result of such challenge. At December 31, 2024, the periods that remain open to examination under federal statute are for the years ended December 31, 2021 through 2023.

Compensated Absences

All full-time employees accrue vacation pay at a rate based on their length of service according to the following schedule.

| <u>Length of Service</u> | <u>Days Annually</u> |
|--------------------------|----------------------|
| 0– 60 months | 10 days |
| 61–120 months | 15 days |
| 121- plus months | 20 days |

Vacation pay is fully vested when earned. Employees may carry 160 hours of earned annual leave to the following year; any hours exceeding 160 are forfeited unless the Executive Director approves a written waiver. Accordingly, the liability recorded has been computed using the total number of unpaid hours earned as of December 31, 2024. Accrued vacation totaled \$108,712 at December 31, 2024 and is included in accrued expenses and other liabilities on the statement of financial position.

In addition, all full-time employees earn nonvesting sick pay benefits at the rate of four hours per pay period or thirteen days annually. The unused sick leave is not compensated in cash upon termination of the employee's service. Therefore, an accrual for accumulated nonvesting sick pay benefits is not required.

NOTE 3 LINE OF CREDIT

At December 31, 2024, the Organization had a line of credit agreement with a local financial institution, bearing an interest rate at 8.5% which matures in June 2024. Borrowings under the line are limited to \$100,000 and are unsecured. At December 31, 2024, there was \$0 available to borrow.

NOTE 4 GOVERNMENT GRANTS AND CONTRACTS RECEIVABLE

Grants receivable consisted of the following at December 31, 2024:

| | |
|---|---------------------|
| St. Johns County Commissioners | \$ 371,931 |
| Northeast Florida Area Agency on Aging, Inc. | 486,085 |

| Less, accumulated depreciation | <u>(5,463,480)</u> |
| Property and equipment, net | <u>\$ 3,882,731</u> |

The Organization has acquired vehicles with restricted state grant funds. Although the grantor agency reserves the right to request the vehicles be returned to the grantor agency before the end of the vehicle's useful life, the Organization has capitalized the vehicles since it is highly likely that it will be allowed to keep the vehicles.

NOTE 7 LONG-TERM DEBT

At December 31, 2024, long-term debt consisted of the following:

| | |
|--|--------------------|
| Note payable in monthly installments of \$15,044 including Interest at 4.11% per annum until July 2034. Collateralized by real property. | \$2,439,674 |
| Note payable in monthly installments of \$1,349 including Interest until May 2026. Collateralized by personal property. | \$21,815 |
| Note payable in monthly installments of \$1,485 including Interest until September 2026. Collateralized by personal property. | \$27,980 |
| Note payable in monthly installments of \$1,352 including Interest until October 2025. Collateralized by personal property. | <u>\$12,787</u> |
| Total long-term debt | <u>\$2,502,256</u> |
| Less, unamortized debt issuance costs | <u>(\$31,391)</u> |
| Long-term debt, net of unamortized debt issuance costs | <u>\$2,470,865</u> |

At December 31, 2024, maturities of the note payable were as follows:

| | | |
|-----------------------|----|---------------------|
| 2025 | \$ | 127,352 |
| 2026 | | 104,726 |

NOTE 8 NET ASSETS WITHOUT DONOR RESTRICTIONS

The Organization’s donor unrestricted net assets consisted of the following at December 31, 2024:

| | |
|---|---------------------|
| Subject to the Organization’s spending policy and appropriation | <u>\$ 4,074,511</u> |
| Total | <u>\$ 4,074,511</u> |

NOTE 9 NET ASSETS WITH DONOR RESTRICTIONS

The Organization’s donor restricted net assets consisted of the following at December 31, 2024:

| | |
|--|------------------|
| Subject to expenditure for specific purpose: | |
| Programs | \$ 94,324 |
| Total | <u>\$ 94,324</u> |

NOTE 10 NET ASSETS RELEASED FROM RESTRICTIONS

Donor restricted net assets are released based on donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of other events specified by donors. Donor restricted net assets released during 2024 totaled \$5,763,402 and were utilized for acquiring property and equipment and for program services.

NOTE 11 GOVERNMENT GRANTS AND CONTRACTS

Government grants and contracts consisted of the following at December 31, 2024:

| | |
|---|---------------------|
| St. Johns County Commission | \$ 2,829,489 |
| Northeast Florida Area Agency on Aging, Inc. | 1,193,305 |
| Florida Transportation Disadvantaged Commission | 729,966 |
| Florida Department of Elder Affairs | 1,335,915 |
| Florida Department of Transportation | <u>906,254</u> |
| Total | <u>\$ 6,994,929</u> |

NOTE 12 CONCENTRATIONS OF RISK

The Organization received \$2,829,489 from the St. Johns County Commission (the “County”) in direct funding and pass-through monies for the year ended December 31, 2024. This represents approximately 28% of the Organization’s total revenue and support for the year ended December 31, 2024. At December 31, 2024, the Organization was owed a total of \$371,931 from the County.

The Organization received \$1,193,305 from the Northeast Florida Area Agency on Aging, Inc. (“NEFAAA”) for the year ended December 31, 2024. This represents approximately 12% of the Organization’s total revenue and support for the year ended December 31, 2024. At December 31, 2024, the Organization was owed \$486,085 from NEFAAA.

The Organization has a discounted lease agreement with the County for the use of facilities on Marine Street in St. Augustine, Florida. The lease is for ninety-five (95) years and requires the Organization to pay \$350 in years 2037 and 2067 for total lease payments of \$700, which was paid in 2007.

On July 26, 2007, the Organization entered into a discounted lease agreement with the County for the use of land and the use of maintenance facilities commencing in 2010 on Old Moultrie Drive in St. Augustine, Florida. The lease is for thirty (30) years with two additional terms of thirty (30) years requiring the Organization to pay one (1) dollar per term. The Organization is responsible for all operating costs including property insurance, maintenance and repairs, and utilities.

ST. JOHNS COUNTY COUNCIL ON AGING, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 13 CONCENTRATIONS OF CREDIT RISK

The Organization maintains its cash balances with high quality financial institutions. Interest bearing accounts at these institutions currently are insured by the Federal Deposit Insurance Corporation (“FDIC”) up to \$250,000. At times, such balances may be in excess of FDIC insurance limits. At December 31, 2024, the Organization’s uninsured cash balances totaled approximately \$1,374,346.

NOTE 14 OPERATING LEASES

In October of 2020, the Organization entered into a five-year agreement with an option to renew for up to five additional terms of one year, with St. Johns County to lease space to provide daily structured programs, activities, and health-related and rehabilitative services to older adults suffering from dementia or Alzheimer’s disease. The lease requires annual payments of \$1. Both parties may terminate the lease upon 90 days written notice.

Operating Leases Following ASC 842

At December 31, 2024, the Organization was subject to an operating lease arrangement under which it is the lessee. The amount recognized as a right-of-use asset and related current and long-term liabilities for this operating lease is included in the accompanying balance sheet. Because management did not have access to the rate implicit in the lease, they used the Organization’s incremental borrowing rate as its discount rate. A description of the terms of the operating lease is as follows:

| Description | Terms |
|--------------------------------|----------------------------|
| Type | Operating |
| Term (months) | 60 |
| Monthly lease payment amount | \$ 2,985 |
| Annual rate increases | 0.00% |
| Fixed/Variable | Fixed |
| Discount rate | 9.99% |
| Maturity Date | 5/31/2028 |
| Determination of discount rate | Incremental borrowing rate |
| Renewal option? | Yes |
| Purchase option? | No |
| Purchase option amount | n/a |

The components of operating lease expenses that are included in printing and supplies on the statement of functional expenses for the year ended December 31, 2024 were as follows:

| | |
|-------------------------------|------------------|
| Fixed rent expense | \$ 35,820 |
| Net lease cost | <u>\$ 35,820</u> |
| Lease cost - operating (rent) | \$ 35,820 |
| Net lease cost | <u>\$ 35,820</u> |

Cash flow information components related to operating leases for the year ended December 31, 2024 were as follows:

| | |
|---|-------------|
| Cash paid for amounts included in the measurement of lease liabilities: | |
| Operating cash flows for operating leases | \$ (35,820) |

Operating Leases Following ASC 840

The Organization also leases office equipment under the operating lease, which expires in 2028. The lease provides for total minimum monthly rental fee of \$38. Because the impact of not implementing ASC 842 to these leases is not material to the financial statements as a whole, the Organization has elected to follow the previous lease accounting guidance under ASC 840. As such, rent expense under this operating lease was \$456 for the year ended December 31, 2024 and included in maintenance and repairs in the statement of functional expenses. Future amounts due under this lease commitment at December 31, 2024 are as follows:

| | |
|--|-----------------|
| 2025 | \$ 456 |
| 2026 | 456 |
| 2027 | 456 |
| 2028 | 228 |

NOTE 15 CONTINGENCIES

Federal, State and County funded programs are subject to special audits. Such audits could result in claims against the resources of the Organization for disallowed costs or noncompliance with grantor restrictions. No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined at this date.

NOTE 16 CORRECTION OF PRIOR PERIOD ERROR

During the year ended December 31, 2024, management identified a prior period error related to the accounting treatment of an operating lease under ASC 842. The error was corrected in the current year. Had the correction been applied in the year ended December 31, 2023, the following financial statement line items would have been impacted:

| | As Previously Stated | As Adjusted | Effect of Adjustment |
|--|-------------------------|-------------|-------------------------|
| Right of use asset - operating lease | \$ - | \$ 128,556 | \$ 128,556 |
| Right of use liability - operating lease | \$ - | \$ 128,556 | \$ 128,556 |

NOTE 17 LIQUIDITY OF CURRENT ASSETS

The Organization is substantially supported by unrestricted and restricted funding. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Organization must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

The following reflects the Organization's financial assets as of December 31, 2024, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the financial position date:

| | |
|--|--------------|
| Financial Assets | |
| Cash and cash equivalents | \$ 1,976,462 |

ST. JOHNS COUNTY COUNCIL ON AGING, INC.
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND STATE PROJECTS
YEAR ENDED DECEMBER 31, 2024

NOTE 1 BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards and state projects (the "Schedule") includes the federal grant and state assistance activity of the Organization under programs of the federal and state government for the year ended December 31, 2024. The information in this Schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.650, *Rules of the Auditor General of the State of Florida*. Because the Schedule presents only a selected portion of the operations of St. Johns County Council on Aging, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of St. Johns County Council on Aging, Inc.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance and Chapter 10.650, *Rules of the Auditor General of the State of Florida*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3 DE MINIMIS INDIRECT COST RATE ELECTION

The Organization has elected not to use the 10 percent de minimis indirect cost rate as allowed under Uniform Guidance.

NOTE 4 CONTINGENCIES

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. If any expenditures are disallowed as a result of these audits, the claims for reimbursement to the grantor agency would become a liability to the Organization.

NOTE 5 PASS-THROUGH AWARDS

The Organization received certain federal awards from pass-through awards from state and other funding agencies. The total amount of such pass-through awards is included in the Schedule of Expenditures of Federal Awards.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of
St. Johns County Council on Aging, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of St. Johns County Council on Aging, Inc. (the "Organization"), which comprise the statement of financial position as of December 31, 2024, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 24, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA

To the Board of Directors of
St. Johns County Council on Aging, Inc.

Report on Compliance for Each Major Federal Program and State Award Opinion on Each Major Federal Program and State Award

We have audited St. Johns County Council on Aging, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the requirements described in the Executive Office of the Florida Governor's State Projects Compliance Supplement, that could have a direct and material effect on each of the Organization's major federal programs and state awards for the year ended December 31, 2024. The Organization's major federal programs and state awards are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state awards for the year ended December 31, 2024.

Basis for Opinion on Each Major Federal Program and State Award

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.650, *Rules of the Auditor General of the State of Florida*. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of St. Johns County Council on Aging, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state award. Our audit does not provide a legal determination of St. Johns County Council on Aging, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the St. Johns County Council on Aging, Inc.'s federal programs and state awards.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the St. Johns County Council on Aging, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650, *Rules of the Auditor General of the State of Florida* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance

requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the St. Johns County Council on Aging, Inc.'s compliance with the requirements of each major federal program and state awards as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650, *Rules of the Auditor General of the State of Florida*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the St. Johns County Council on Aging, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the St. Johns County Council on Aging, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, *Rules of the Auditor General of the State of Florida*, but not for the purpose of expressing an opinion on the effectiveness of the St. Johns County Council on Aging, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or a state award will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650, *Rules of the Auditor General of the State of Florida*. Accordingly, this report is not suitable for any other purpose.

Report on the Financial Statements

We have audited the financial statements of St. Johns County Council on Aging, Inc., as of and for the fiscal year ended December 31, 2024 and have issued our report thereon dated September 24, 2025.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards (Uniform Guidance); and Chapter 10.650, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*, Independent Auditor's Report on Compliance for Each Major Federal Program and State Project and Report on Internal Control Over Compliance; and Schedule of Findings and Questioned Costs in accordance with Uniform Guidance and Chapter 10.650, Rules of the Florida Auditor General. Disclosures in those reports and schedule, which are dated September 24, 2025, should be considered in conjunction with this management letter.

Additional Matters

Section 10.654(1)(e), *Rules of the Auditor General*, requires that we communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements or State project amounts that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Directors, and applicable management and is not intended to be and should not be used by anyone other than these specified parties.
