## **INDEPENDENT AUDITOR'S REPORT**

Board of Directors  
Abuse Counseling and Treatment, Inc.  
P.O. Box 60401  
Fort Myers, Florida 33906

### **Opinion**

We have audited the accompanying financial statements of Abuse Counseling and Treatment, Inc. (a Florida not-for-profit corporation) ("ACT"), which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, based on our audits, the financial statements referred to above present fairly, in all material respects, the financial position of Abuse Counseling and Treatment, Inc. as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with the auditing standards generally accepted in the United States of America and the standard applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Abuse Counseling and Treatment, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Management's Responsibilities for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from

material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Abuse Counseling and Treatment, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards, will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Abuse Counseling and Treatment, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Abuse Counseling and Treatment, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**NOTE 1 - THE ORGANIZATION**

Abuse Counseling and Treatment, Inc. ("ACT") was incorporated on September 12, 1978, under the laws of Florida as a nonprofit organization to eliminate domestic and sexual violence through the provisions of safe shelter, counseling, crisis intervention, education, advocacy and empowerment in Lee, Hendry, and Glades Counties, Florida. ACT also provides services for victims of human trafficking.

In support of its mission, ACT operates a thrift store ("Second ACT" thrift store) and art gallery (Arts for ACT "Gallery"). The thrift store receives merchandise donations from the community and is staffed by paid employees and volunteers. Donated thrift store items are available to all ACT clients, as needed, and balance of the donations are available for sale to the general public. All proceeds from the thrift store and art gallery are used to support ACT's services. Additionally, the thrift store provides opportunities for job skills training and education to the clients of ACT.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following is a summary of the significant accounting policies used in the preparation of these financial statements.

Reporting Framework

ACT's financial statements have been prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. Under this method of accounting, revenues are recognized when earned and expenses are recognized when incurred.

Financial Statement Presentation

The accounting and reporting policies of ACT are in accordance with the auditing and accounting standards issued by the American Institute of Certified Public Accountants in its audit guide, "Not-for Profit Organizations," and the accounting standards issued by the Financial Accounting Standards Board (FASB) in the Accounting Standards Codification (ASC).

Revenue Recognition

*Revenue from Exchange Transactions:* ACT recognizes revenue from these types of transactions in accordance with FASB Accounting Standards Update ("ASU") 2014-09, Revenue from Contracts with Customers, as amended. ASU 2014-09 applies to exchange transactions with customers that are bound by contracts or similar arrangements and establishes a performance

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Revenue Recognition, (continued)

obligation approach to revenue recognition.

ACT records the following exchange transaction revenue in its Statements of Activities for the years ended June 30, 2025 and 2024:

Special Event Revenue - ACT conducts special events in which a portion of the proceeds paid by a donor represents payment for the direct cost of the benefits received by the donor at the event - the exchange component, and a portion represents a contribution to ACT. Unless a verifiable objective means exists to demonstrate otherwise, the fair value of the benefit is measured at cost to ACT. The contribution component is the excess of the gross proceeds over the fair value of the benefit received by the donor. The direct costs of the special event are recorded as direct donor benefits in the Statements of Activities. The performance obligation is the delivery of the event. The event fee is set by ACT. FASB ASU 2014-09 requires ACT allocate the transaction price to the performance obligations. ACT presents the exchange and contribution components of the gross proceeds from current year special events as special events revenue.

Revenue from Non-Exchange Transactions: ACT recognizes revenue from these types of transactions in accordance with FASB ASU 2018-08, clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. ASU 2018-08 applies to non-exchange transactions. ACT records the following non-exchange transaction revenue in its Statements of Activities for the years ended June 30, 2025 and 2024.

Support from Federal and State grants is recorded based upon the terms of the grantor allotments, which generally provide that revenues are earned when the allowable costs of the specific grant provisions have been incurred. Contributions and grants received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or a purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Fair Value Measurements

ACT follows Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820 "Fair Value Measurements and Disclosures". This Standard prioritized the use of market-based information and established a three-level hierarchy based on transparency of information, such as the pricing source, used in the valuation of the asset or liability. As required by the Standard, assets and liabilities carried at fair value on a recurring basis are classified in one of the following three-level hierarchy categories:

Level 1: Quoted market prices (unadjusted) in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date.

Level 2: Observable inputs or unobservable inputs that are corroborated by market data.

Level 3: Unobservable inputs that are not corroborated by market data.

In-Kind Contributions

In-kind contributions, except items donated for resale in the Arts for ACT Gallery and the Second ACT Thrift Store, are recorded as contributions in the accompanying financial statements at their estimated current value on the date of receipt. The value of items donated for resale in the Arts for ACT Gallery and the Second ACT Thrift Store is not readily determinable until such merchandise is sold. Therefore, retail inventory from donated items has not been recorded in these financial statements. Retail sales of these donated items are recorded at the point of sale. The donations are recorded gross at the sale value, and a corresponding cost of sale is also recorded. Therefore, no amounts are reflected as resale inventory at year end.

Contributions of services are recognized only if the services (a) create or enhance non-financial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically be purchased if not provided by donation.

Property and Equipment

Property and equipment are recorded at cost. Donated assets, if any, are recorded at their fair market value at the time of donation. Additions and major renewals in excess of \$1,000 are capitalized. Depreciation is recognized using the straight-line method over the estimated useful lives of the assets, which range from 3 to 50 years. The cost of maintenance and repairs is charged to operations, as incurred.

The State of Florida has rights and/or security interests over certain property and equipment acquired with grant funds, as well as the proceeds from the disposition of such assets.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Impairment of Fixed Assets

ACT adheres to the FASB ASC 360-10-50-2 (formerly Financial Accounting Standards Board (FASB) Statement of Financial Accounting Standards (SFAS) No. 144), "Accounting for the Impairment or Disposal of Long-Lived Assets"). FASB ASC 360-10-50-2 requires, among other things, that entities identify events or changes in circumstances which indicate that the carrying amount of an asset may not be recoverable.

There was no effect on ACT's financial statements resulting from FASB ASC 360-10-50-2 for the years ended June 30, 2025 or 2024.

Advertising

ACT expenses advertising costs when incurred. During the years ended June 30, 2025 and 2024, advertising costs were \$13,517 and \$20,527, respectively, and are included in printing and public relations on the statements of functional expenses.

Income Taxes

ACT has been granted a ruling that it is exempt from Federal income tax under Section 501(c) (3) of the Internal Revenue Code (the "Code"). No tax liability was incurred for the years ended June 30, 2025 or 2024. ACT is a non-profit Florida corporation and, therefore, is not subject to State income taxes. Accordingly, no provision for income taxes has been made. ACT is not considered a private foundation within the meaning of Section 509(a) of the Code.

The Internal Revenue Code provides for taxation of unrelated business income under certain circumstances. Management believes that ACT met the requirements to maintain its tax-exempt status and has no income subject to unrelated business income tax. ACT's income tax returns for the past three years are open and subject to examination by tax authorities, and may change upon examination. ACT reports no unrelated business taxable income; however, such status is subject to final determination upon examination of the related tax returns by the appropriate taxing authorities.

Accounting for Uncertain Income Tax Items

The Financial Accounting Standards Board has issued guidance, Accounting Standards Code Section 740, on accounting for uncertainty in income taxes and ACT has adopted this guidance. ACT has evaluated its tax provision and any estimates utilized in its tax returns, and concluded that it has taken no uncertain tax position that require adjustment to the financial statements to comply with the provisions of this guidance. Interest and penalties associated with uncertain tax position will be recognized in income tax expenses, if required.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Cash Flows

For purposes of the Statements of Cash Flows, ACT considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. Cash and cash equivalents are recorded at cost.

Functional Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the Statements of Activities and in the Statements of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses that can be identified with a specific cost center or program service are allocated according to their natural expense classification. Indirect costs are allocated to the programs based on various allocation methods including estimated usage, square footage, and employee time.

Reclassification

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements. Such reclassification had no effect on previously reported net assets.

Compensated Absences

ACT accrues for and records vacation benefits earned by employees, but not yet taken at year end.

Accounts Receivable

Accounts receivable are recorded at the lower of cost or net realizable value. ACT accounts for potential losses in accounts receivable, if any, utilizing the allowance method. All accounts or portions thereof deemed to be uncollectible are written off to an allowance for bad debt.

Management Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Leases

ASU 2016-02 Topic 842-Leases requires the recognition of certain lease assets and liabilities in the Statements of Financial Position for leases the previously were classified as operating leases. ACT, however, determined its current lease agreements discussed in NOTE 13, did not meet the recording criteria of ASU 2016-02 at June 30, 2025 or 2024.

Allowance for Credit Losses

In June 2016, the FASB issued guidance (FASB ASC 326) which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through change in net assets. The most significant change in this Standard is a shift from the incurred loss model to the expected loss model. Under the Standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by ACT that are subject to the guidance in FASB ASC 326 were trade accounts receivable and contracts receivable. ACT adopted the Standard effective July 1, 2023. The impact of the adoption was not considered material to the financial statements as ACT's method in measuring credit loss was consistent with the new Standard and therefore not recorded as of June 30, 2025 or 2024.

Subsequent Events

Subsequent events have been considered through December 8, 2025, the date of the audit report, which is the date the financial statements were available to be issued.

**NOTE 3 - CONCENTRATION OF CREDIT RISK**

ACT maintains its cash and cash equivalent accounts at various commercial banking institutions located in Fort Myers, Florida. Accounts at the commercial banking institutions are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000 per institution. Cash bank balances may at times exceed FDIC coverage. As of June 30, 2025 and 2024, there were \$545,230 and \$499,543 uninsured balances, respectively. Management does not believe credit risk exposure to be significant. ACT has incurred no losses due to credit risk.

**NOTE 12 - IN-KIND CONTRIBUTIONS**

ACT receives in-kind contributions of time and pro bono services from members of the community and volunteers related to program operations, specials events, and fundraising. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets, or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by ACT. ACT recognizes in-kind contribution revenue and a corresponding expense in an amount approximating the estimated fair value of the donation.

ACT received donated services for legal consultation and other consulting services as well as contributions of donated goods for the years ended June 30, 2025 and 2024:

2025

| Program or<br>Supporting Service | Donated<br>Goods  | Donated<br>Services | Total             |
|----------------------------------|-------------------|---------------------|-------------------|
| Program                          | 545,357           | 24,250              | 569,607           |
| Total                            | <u>\$ 545,357</u> | <u>\$ 24,250</u>    | <u>\$ 569,607</u> |

| Total                            | <u>\$ 454,527</u> | <u>\$ 17,250</u>    | <u>\$ 471,777</u> |

The in-kind goods and services were recorded as revenue and an offsetting expense at June 30, 2025 and 2024.

All donated services and goods were utilized by ACT's program and supporting services. There were no donor-imposed restrictions associated with the donated services and goods. Donated program services are valued using the most recent Bureau of Labor Statistics average hourly wage in ACT's metropolitan area. Donated legal services are valued at the standard hourly rates charged

**NOTE 12 - IN-KIND CONTRIBUTIONS (Continued)**

for those services. Donated goods are valued at the prices that would be received for selling similar products.

In addition to the amounts above, numerous volunteer hours were contributed that did not meet the requirements for recognition under generally accepted accounting principles.

**NOTE 13 - OPERATING LEASE**

The lease for the Arts for ACT Gallery was a three (3) year lease beginning October 14, 2016, with an option to renew for an additional two (2) year period. The lease required monthly rent of \$3,079 for the first year. ACT renewed this lease effective on October 1, 2019, for a period of three (3) years until September 30, 2022. The two (2) year lease extension option was then exercised through October 31, 2024. The lease was again amended on August 27, 2024, to extend the lease for an additional year through October 31, 2026 (See Note 20 – Subsequent Events). This lease has an annual escalator. For fiscal year 2025, the monthly required rent payment was \$5,115.

Future minimum payments under the lease were as follows:

| Year Ending |                  |
|-------------|------------------|
| June 30     | Amount           |
| 2026        | \$ 21,336        |
|             | <u>\$ 21,336</u> |

The lease is set to expire on October 31, 2026. Therefore, this lease expense as well as the office equipment leases are considered immaterial and does not meet the recording criteria of ASU 842 “Leases”.

Total rent expense under the storefront and office equipment leases for the years ended June 30, 2025 and 2024, was \$61,348 and \$54,030, respectively, and is included in rent expense on the statements of functional expenses.

**NOTE 14 - ECONOMIC DEPENDENCY**

ACT’s operations are substantially dependent on the receipt of support and revenue from grantor agencies. Loss of these funds and/or large decreases in this type of funding would have a material effect on ACT, a negative impact on overall operations, and potentially cause going concern issues. For the years ended June 30, 2025 and 2024, approximately 67% and 65%, respectively, of total support and revenue is attributable to funds received from federal, state and local grantor agencies. Such funding is subject to budgetary constraints of the respective grantor agencies.

**NOTE 15 - FAIR VALUE MEASUREMENTS**

The FASB has established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs have the lowest priority.

During the years ended June 30, 2025 and 2024, no specific inputs were used. ACT held no investments at June 30, 2025 or 2024.

Financial Instruments not Measured at Fair Value

Financial instruments not measured at fair value include cash and cash equivalents, investments, receivable, accounts payable and accrued expenses. The carrying amounts of these items approximate fair value due to the short-term nature of the financial instruments.

**NOTE 16 - LIQUIDITY**

Financial Assets available within one year of June 30, 2025, consisted of the following:

|                                                                                     | <u>Amount</u>       |
|-------------------------------------------------------------------------------------|---------------------|
| Cash and cash equivalents                                                           | \$ 1,192,343        |
| Grants receivable                                                                   | 379,088             |
| Accounts receivable                                                                 | <u>16,797</u>       |
|                                                                                     | 1,588,228           |
| Less amounts due within one year:                                                   |                     |
| Current liabilities                                                                 | <u>(576,051)</u>    |
| Financial assets available to meet general expenditures over the next twelve months | <u>\$ 1,012,177</u> |

The Organization also has a \$50,000 revolving line of credit available to meet cash flow needs. The Board has designated \$409,187 of the financial assets available for emergency reserves and \$189,161 for a maintenance reserve.

**NOTE 17 – RETIREMENT PLAN**

401(k) Profit Sharing Plan

In January 2005, ACT adopted a self-directed defined contribution plan which is available to all its employees except for non-resident aliens and members of a bargaining unit, provided they are at least 21 years of age. The Plan provides for elective contributions of the participant's (employee's) qualified compensation. To be eligible for the discretionary employer match the participant must also have completed one year of service. Entry dates are monthly. Participants vest over a five (5) year period of qualified service. The Plan is administered by a third party. All assets of the Plan are held by a third-party trustee. The Plan accepts rollover contributions. Loans not in excess of 50% of the participants vested balance are permitted.

For the years ended June 30, 2025 and 2024, ACT made no employer contributions.

**NOTE 18 – RELATED PARTY TRANSACTIONS**

As of June 30, 2025 and 2024, ACT held cash of \$598,348 and \$542,265, respectively, in a financial institution in which a member of the Board held a management position. ACT obtained all of its long-term debt through this financial institution, as well, totaling \$2,153,968 and \$2,256,856 as of June 30, 2025 and 2024, respectively.

**NOTE 19 - HURRICANE RECOVERY**

On September 28, 2022, Hurricane Ian hit the SWFL area. As a result, ACT incurred damage to its locations. During the year ended June 30, 2023, ACT received \$108,231 of insurance proceeds to cover the cost of losses to the buildings and their contents from the first insurance claim. Subsequently, ACT hired a private adjuster who added additional items to the original insurance claim. This new claim of \$989,606 for damages was submitted to the insurance company. During the year ended June 30, 2024, ACT received \$238,290 of the new claim. ACT has hired an attorney to assist in arbitration for the balance of the findings. ACT will use any insurance proceeds received towards completing the repairs. However, this has not interrupted ACT's operations.

**NOTE 20 – SUBSEQUENT EVENTS**

On August 6, 2025, ACT renewed and increased their LOC by \$50,000, to \$100,000. The interest rate is Prime plus 1% and interest is payable monthly. The new maturity date is August 6, 2026.

ACT renewed their lease for the period of November 1, 2025, to October 31, 2026. This lease has an option to extend the term for two additional periods of one year. Lease will be paid in monthly installments of \$5,960.

During October 6, 2025, subsequent to the year ended June 30, 2025, ACT agreed to settle its Hurricane Ian insurance claim for \$463,211. Such payment was received by ACT on October 13, 2025.

**Independent Auditor's Report on Internal Control Over Financial Reporting  
and on Compliance and Other Matters Based on an Audit of Financial  
Statements Performed in Accordance with Government Auditing Standards**

Board of Directors  
Abuse Counseling and Treatment, Inc.  
P.O. Box 60401  
Fort Myers, Florida 33906

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States of America, the financial statements of Abuse Counseling and Treatment, Inc., which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 8, 2025.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Abuse Counseling and Treatment, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Abuse Counseling and Treatment, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Abuse Counseling and Treatment, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

INTEGRITY ..... SERVICE ..... EXPERIENCE

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Abuse Counseling and Treatment, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Abuse Counseling and Treatment, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance for Each Major Federal Program**

We have audited Abuse Counseling and Treatment, Inc.'s compliance with the types of compliance requirements described in the OMB Compliance Supplement and the State Project Compliance Supplement, as applicable, that could have a direct and material effect on each of Abuse Counseling and Treatment, Inc.'s major federal programs and state projects for the year ended June 30, 2025. Abuse Counseling and Treatment, Inc.'s major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs and state projects.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of Abuse Counseling and Treatment, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" (Uniform Guidance) and the Florida Single Audit Act (Florida Statutes Chapter 215.97) and the State of Florida Auditor General Rule 10.650. Those standards and the Uniform Guidance and the Florida Single Audit Act require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements

referred to above that could have a direct and material effect on a major federal program and/or state project occurred. An audit includes examining, on a test basis, evidence about Abuse Counseling and Treatment, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and major state project. However, our audit does not provide a legal determination of Abuse Counseling and Treatment, Inc.'s compliance.

### **Opinion on Each Major Federal Program**

In our opinion, Abuse Counseling and Treatment, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and major state projects for the year ended June 30, 2025.

### **Report on Internal Control Over Compliance**

Management of Abuse Counseling and Treatment, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Abuse Counseling and Treatment, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and/or major state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and major state project and to test and report on internal control over compliance in accordance with the Uniform Guidance, the Florida Single Audit Act (Florida Statutes Chapter 215.97) and the State of Florida Auditor General Rule 10.650, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Abuse Counseling and Treatment, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program and/or state project on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program and/or a state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Purpose of the Report**

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance, the Florida Single Audit Act (Florida Statute 215.97) and the State of Florida Auditor General Rule 10.650. Fort Myers, Florida 33906

In planning and performing our audit of the financial statements of Abuse Counseling and Treatment, Inc. (a not-for-profit Florida Corporation) as of and for the year ended June 30, 2025, we considered internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion of the effectiveness of the Abuse Counseling and Treatment, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Abuse Counseling and Treatment, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.
