Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of The School Readiness Coalition of Sarasota County, Inc. (a nonprofit organization), d/b/a Early Learning Coalition of Sarasota County (the "Coalition"), which comprise the statements of financial position as of June 30, 2025, and 2024, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Coalition as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Coalition and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Coalition's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Coalition's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, State of Florida Chapter 10.650, *Rules of the Auditor General*, and special audit guidance provided by the Division of Early Learning, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and state financial assistance is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 10, 2026, on our consideration of the Coalition's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Coalition's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Coalition's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

NOTE A - ORGANIZATION

The School Readiness Coalition of Sarasota County, Inc. (the Coalition), d/b/a Early Learning Coalition of Sarasota County, is a not-for-profit organization incorporated in the State of Florida in 2000. The Coalition's purpose is to provide administration and oversight of federal, state and local funds that ensure an integrated school readiness program offering a broad range of services to enhance the overall system of quality childcare and early education services for preschool children in Sarasota County. This includes state and local funds for financial assistance for income eligible families under the original Florida School Readiness Act of 1999, the Voluntary Pre-Kindergarten (VPK) program for all 4-year-olds, implemented by the Florida Legislature in 2005 in response to the Constitutional Amendment passed by the state's citizens in 2002, and Child Care Resource and Referral services providing information regarding quality child care for all families, regardless of income. The Coalition is also responsible for the coordination of local efforts to ensure that young children are prepared for success in school and that child care providers educate and care for preschool children in appropriate, high quality early learning environments that meet legislative mandates.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Functional allocation of expenses

The cost of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Administration: This designation includes the functions necessary to maintain the Coalition's programs and activities; to provide coordination and articulation of the Coalition's program strategy through oversight of an executive director; to secure the proper administrative functioning of the board of directors (the "Board"); and to manage the financial and budgetary responsibilities of the Coalition.

Programs: The following programs are included in the accompanying financial statements: School Readiness - programs to provide financial scholarships for child care for eligible parents and to empower parents as a child's first teacher and help them prepare their children to be ready for school. Voluntary Pre-Kindergarten - program available for every four-year-old in Florida for 540 hours of care in either a traditional school year or a summer program. Quality Improvement System (QIS) - program which oversees the implementation of a local Quality Rating System for child care providers to support high quality early learning environments. A portion of the School Readiness program funds designated for quality expenses also go toward QIS activities.

NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

2. Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

3. Basis of accounting and financial statement presentation

The accompanying financial statements and accompanying schedules have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and include all funds and activities over which the Board of the Coalition has oversight and financial responsibility.

The Coalition reports information regarding its financial position and activities according to two classes of net assets as follows:

Net Assets Without Donor Restrictions

Net assets without donor restrictions are available for use at the discretion of the Board and/or management for general operating purposes. From time to time the Board may designate a portion of these net assets for specific purposes which makes them unavailable for use at management's discretion.

Net Assets With Donor Restrictions

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed restrictions, time and/or purpose restrictions.

The Coalition reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restriction and reported in the statement of activities and changes in net assets as net assets released from restrictions.

Some net assets with donor restrictions may include a stipulation that assets provided be maintained permanently (perpetual in nature) while permitting the Coalition to expend the income generated by the assets in accordance with the provisions of additional donor-imposed stipulations or a Board approved spending policy.

As of June 30, 2025 and 2024, there are no net assets with donor restrictions.

Early Learning Coalition of Sarasota County**

NOTES TO FINANCIAL STATEMENTS

June 30, 2025

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

4. Revenue recognition

The Coalition follows Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (ASC 606), which outlines a five-step model whereby revenue is recognized as performance obligations within a contract are satisfied, and ASU No. 2018-08, *Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made* (ASC 958-605), which clarifies how transactions should be accounted for as contributions (nonreciprocal transactions) or exchange transactions and whether a contribution is conditional.

Revenue from government and local grants are recorded when earned, which is generally when the allowable costs of the specific grant provisions have been incurred or the performance of services rendered. Such revenue is subject to audit by the grantor and, if the examination results in a deficiency of allowable expenses, the Coalition will be required to refund any deficiencies. Management is of the opinion that all monies recognized as revenue without donor restrictions have been earned as of June 30, 2025 and 2024. These amounts are reflected as revenue if received and expended in the same year. Revenue from program fees are recognized when the earnings process is substantially complete, and goods have been delivered or services performed. Revenues from program fees are recognized in the year to which they relate.

Other income includes interest earning on cash and private donations which are recognized in revenue when earned.

The Coalition received advance funding on several program awards, which qualify as deferred revenue under generally accepted accounting principles until the related services are delivered. The total amount of all deferred revenue was \$370,000 and \$202,291 at June 30, 2025 and 2024, respectively.

5. Credit risk

Financial instruments, which potentially expose the Coalition to concentrations of credit risk, consist principally of cash bank deposits. The Coalition's policy is to place its cash investments with high quality financial institutions. The Coalition maintains its cash deposits accounts in institutions which are Federal Deposit Insurance Corporation insured, and which provide coverage on balances up to \$250,000 per depositor per institution.

The Coalition maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Coalition has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents. The Coalition acknowledges that balances over the insured amount are subject to risk.

NOTES TO FINANCIAL STATEMENTS

June 30, 2025

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

6. Contracts and grants receivable

Accounts receivable, which consists principally of grants due from federal and state governmental agencies, are recorded when services are provided. The Coalition's receivables as of June 30, 2025 and 2024 are due in less than one year and management believes all receivables are fully collectible.

7. Furniture and equipment

The Coalition's policy is to capitalize furniture and equipment with a cost in excess of \$5,000 and a useful life greater than one year. Depreciation is provided on a straight-line basis over the estimated useful lives of three to five years. As of June 30, 2025 and 2024, the Coalition has fully depreciated \$25,165 of furniture and equipment still in use.

Furniture and equipment acquired with governmental funds is considered to be owned by the Coalition while used in the program for which it was purchased or in future authorized programs; however, its disposition as well as the ownership of any proceeds from the sale of assets there from is subject to applicable regulations.

8. Income taxes

The Coalition is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code; therefore, no income tax provision is required in the accompanying financial statements. The Coalition is not classified as a private foundation. Contributions to the Coalition are qualified as deductions for charitable contributions.

Management has analyzed the Coalition's various federal and state filing positions and believes that its income tax filing positions and deductions are well documented and supported and that no accruals for tax liabilities are necessary. Therefore, no reserves for uncertain income tax positions have been recorded. The Coalition remains subject to examination by the Internal Revenue Service for the years ended June 30, 2023 through June 30, 2025.

9. Due to grantor agency

The Coalition receives advances on grant awards to meet its cash flow needs. As a result, these amounts are recorded as due to the grantor agency in the statement of financial position until the amounts are paid back to the grantor agency as part of the agreement. Amounts not paid back at the end of the period are considered liabilities until paid back or forgiven by the grantor agency.

NOTES TO FINANCIAL STATEMENTS

June 30, 2025

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

10. Leases

The Coalition determines if an arrangement is or includes a lease at inception, which is the date on which the terms of the contract are agreed to, and the agreement creates enforceable rights and obligations. Under ASU 2016-02, Topic 842 *Leases*, (Topic 842), a contract is or contains a lease when: (i) explicitly or implicitly identified assets have been deployed in the contract and (ii) the customer obtains substantially all of the economic benefits from the use of that underlying asset and directs how and for what purpose the asset is used during the term of the contract. The Coalition also considers whether its service arrangements include the right to control the use of an asset.

The Coalition has elected to apply the short-term lease exception to all leases with a term of one year or less. For all other leases, the Coalition recognizes right-of-use (ROU) asset and lease liabilities based on the present value of lease payments over the lease term at the commencement date of the lease. The Coalition has also elected to use the risk-free discount rate for its leases. The risk-free discount rates were obtained using U.S. Treasury securities as posted on the Federal Reserve website.

The Coalition made an accounting policy election to account for each separate lease component and the non-lease components associated with that lease component as a single lease component. Non-lease components that are variable in nature are recorded in variable lease expense in the period incurred.

11. Accounting pronouncements implemented

Effective July 1, 2023, the Coalition adopted FASB ASU 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, as amended, which modifies the measurement of expected credit losses on certain financial instruments. The adoption of this pronouncement had no impact on the financial statements.

12. Reclassifications

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements.

13. Subsequent events

Subsequent events have been evaluated through March 10, 2026, which is the date the financial statements were available to be issued.

NOTE D - MATCH REQUIREMENTS

From the funds in General Appropriations Act, Specific Appropriation 85, \$30,000,000 is provided to expand the provision of services to low income families at or below 200 percent of the federal poverty level as long as the income does not exceed 85 percent of the state median income. To be eligible for funding, the Coalition must match the state funds on a dollar-for-dollar basis and the local match must comply with federal Child Care and Development Block Grant matching requirements. During the years ended June 30, 2025 and 2024, the local matching requirements were met.

NOTE E - COMMITMENTS AND CONTINGENCIES

1. Federal and state appropriated funds

The Coalition received 96% of its support from the federal and state governments in the form of grants for the years ended June 30, 2025 and 2024. A significant reduction in the level of this support, if this were to occur, may have a significant effect on the Coalition's programs and activities.

Government grants require the fulfillment of certain conditions as set forth in applicable laws, rules and regulations and in the grant agreements. Failure to fulfill the conditions could result in the return of the funds to the grantor. Management believes such disallowances, if any, would not be material.

To the Board of Directors of
The School Readiness Coalition of Sarasota County, Inc.
Sarasota, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of The School Readiness Coalition of Sarasota County, Inc. (the "Coalition") (a nonprofit organization), d/b/a Early Learning Coalition of Sarasota County, which comprise the statement of financial position as of June 30, 2025, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 10, 2026.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Coalition's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control. Accordingly, we do not express an opinion on the effectiveness of the Coalition's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Coalition's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Coalition's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Coalition's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

To the Board of Directors of
The School Readiness Coalition of Sarasota County, Inc.
Sarasota, Florida

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited The School Readiness Coalition of Sarasota County, Inc. (the "Coalition") (a nonprofit organization), d/b/a Early Learning Coalition of Sarasota County's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and the requirements described in the *Department of Financial Services' State Projects Compliance Supplement*, and special audit guidance provided by the Division of Early Learning that could have a direct and material effect on each of the Coalition's major federal programs and state projects for the year ended June 30, 2025. The Coalition's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Coalition complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); Chapter 10.650, *Rules of the Auditor General*, and special audit guidance provided by the Division of Early Learning. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Coalition and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of the Coalition's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Coalition's federal programs and state projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Coalition's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance and Chapter 10.650, *Rules of the Auditor General* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance

Auditor's Responsibilities for the Audit of Compliance (continued)

requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Coalition's compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650 *Rules of the Auditor General*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Coalition's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Coalition's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with the Uniform Guidance and Chapter 10.650, *Rules of Auditor General*, which are described in the accompanying schedule of findings and questioned costs as items 2025-001 and 2025-002. Our opinion on each major federal program and state project are not modified with respect to these matters.

Government Auditing Standards requires the auditor to perform limited procedures on the Coalition's response to the noncompliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. The Coalition's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be significant deficiencies.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program and state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as items 2025-001 and 2025-002 to be significant deficiencies.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on the Coalition's response to the internal control over compliance findings identified in our compliance audit described in the accompanying schedule of findings and questioned costs. The Coalition's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.
