

INSTRUCTIONS FOR LOCAL GOVERNMENTAL ENTITY AUDIT REPORTS ELECTRONICALLY SUBMITTED TO THE AUDITOR GENERAL

Each entity required to submit an audit report to the Auditor General must submit an electronic copy of its audit report in addition to one paper copy. Local governmental entities should e-mail the electronic copy of the audit report to flaudgen_localgovt@aud.state.fl.us. Proper submittal of electronic and paper copies will help ensure the timely receipt and review of the audit report.

The electronic copy of the audit report should:

- Be in a portable document format (PDF) in which the original document is converted to a PDF document (as opposed to scanned into PDF format). The entity, or another party on the entity's behalf, will need to convert the original file(s) to the PDF format.
- Include the appropriate letterhead and signatures in the report. If the entity does not use electronic signatures or letterhead, it may scan the applicable pages then insert the scanned pages into the electronic copy of the report.
- Be a single document; however, if the size capacity of a single document exceeds our 35 megabytes e-mail size capacity, we can arrange to receive the document via file transfer protocol (FTP). For FTP submittal, contact Rick Voss by e-mail at rickvoss@aud.state.fl.us or by telephone at (850) 412-2892. Alternatively, the document can be saved to a universal serial bus (USB) flash drive and mailed to us with the paper copy. **We are no longer accepting compact discs (CDs).**
- Be an exact duplicate of the paper copy submitted.
- Not have security settings applied to it. If they are, we will request the entity provide a password to allow us to unsecure the document for our internal use. Electronically submitted documents will be secured using Adobe software prior to being placed on our Web site.
- Be named using **all lower case letters** as follows: [fiscal year] [name of entity].pdf. Counties should include the word "county" in the entity name; however, it is not necessary for municipalities to include "city of," "town of," etc. in the entity name. For example, the converted document for the 2024-25 fiscal year for Alachua County should be named "**2025 alachua county.pdf**", while the converted document for the 2024-25 fiscal year for the City of Alachua should be named "**2025 alachua.pdf**".

All audit reports must be accompanied by a submittal checklist (see appropriate Technical Guidance Web page for checklist) provided as a separate document. Only the audit report, exclusive of the checklist, will be placed on our Web site.

Each entity is responsible for reviewing its electronic audit report once placed on our Web site and notifying us of any problems or needed corrections. Questions regarding electronic submission of audit reports, or their security on our Web site, should be directed to Rick Voss by e-mail at rickvoss@aud.state.fl.us or by telephone at (850) 412-2892.
